## December Marriage Is Announced This Week

Announcement is made this week by Mr. and Mrs. Walter Hancock of the marriage of their daughter, Roxie, to Mr. Carl Richter, the ceremony taking place in Clovis, N. M., on December 6, 1932.

The Baptist pastor at that place performed the rites in the parlor of the parsonage.

Mrs. Richter was, by her charming manner and winsome personality, won the affection and esteem of all who know her, and was through these characteristics been an important factor in the social, religious, and school life of the town for a number of years. She graduated from the local high school in 1926, and took her Bachelor of Arts degree from Simmons University. She has also done post graduate work at W. T. S. C., and at Sul Ross at Alpine. She was a member of the faculty here year before last, and was re-elected at the end of the term. She thought it best to make a change however, and accepted a position in the Hale Center school, where she has taught for the past two years.

Mr. Richter is the son of Mrs. Bob Townsen of the T Bar community. He was a student in the school here and at T Bar, later taking up his college at Howard Payne and Texas Technological Colleges. He taught at Wellborn this term and was very successful with his work.

The bride has not arrived in O'Donnell as we go to press, so we are unable to state definite plans for their future, but these splendid young people will be successful and respected in any locality.

The Index joins with their many friends in extending congratulations and best wishes for their continued happiness and prosperity.

## Junior-Senior Banquet Gala Event Saturday

Described as one of the loveliest events of the kind ever held here, the annual Junior-Senior banquet was held Saturday evening at the high school auditorium.

A note of gaiety was set at the very beginning when members of the two classes and the high school faculty entered as Mrs. Lattimore played the march, a chorus of admiring comments being directed forth by the clever decorations in the form of balloons in orchid and green. These, the Senior class colors, were repeated in their details. Place cards were also balloons in orchid and green, with lettering in silver.

Superintendent L. F. McAfee opened the affair with the invocation. Miss Faye Tomlinson, president of the Junior class, welcomed the Seniors and faculty members, and Miss Hasseltine Newsom responded. Mrs. McAfee gave a toast to the graduates, the toast taking the form of a prophecy. Coach Johnson, sponsor of the Juniors, also made a short talk.

A delicious three course dinner was served, Sophomore girls serving the appetizers. They were assisted by Dora McConal, Margaret Vermillion, Ava John Anderson, Chrissy Smith, Modene McAulurin and Marie Greenwood. The color scheme was further carried out in their dresses, which were orchid and green or orange.

Roses and other cut flowers were used as centerpieces for the beautiful table. Covers were laid for 50 guests.

## One Arrested On Liquor Charge

A local peace officer reports the arrest of a man last week on charge of possession of beer for the purpose of selling it. The man lived east of town, in Borden county.

Sheriff Jenkins of that county was notified, and met the Lynn county officer at the man's residence where ten gallons of beer and 300 empty bottles were found.

The man was taken to Gal where he arranged bond and was freed.

## B & O Store Adds New Equipment

Two important necessities in the way of fixtures have been added this week at the B & O Store.

The larger of the two is a new ton and a half Chevrolet truck, purchased from Vaughn's Chevrolet Co. at Lamesa. The body and cab are steel making the truck light and at the same time more durable for constant use.

The other is an electric sausage grinder of the newest and most efficient make, which has been installed on a table in the meat department.

Dennis Curtis has been ill with flu for several days.

## Two Teachers Resign; Others To Be Elected

Plans for next year's term of the O'Donnell Independent School district were changed at a board meeting Tuesday evening of last week by failure of Mr. and Mrs. L. F. McAfee to accept their re-election to the positions of superintendent and high school teacher.

The board met on that evening for the purpose of filing acceptances from recently elected teachers. Intimates of Mr. and Mrs. McAfee were not totally surprised at their decision not to accept the positions offered them, but the announcement came as a complete surprise to the general public.

E. E. Gilbreath, principal this year and former coach, was elevated to the superintendent's office, and Fletcher Johnson, coach this year, is now principal of the high school. Both gentlemen have made splendid records here, and it is felt that the board acted wisely in giving them these places of responsibility.

The school year beginning in 1932-33 term has been very satisfactory indeed, even though the faculty and board have been sadly hampered by lack of funds. Their courage and optimism in the face of apparently insurmountable difficulties has indeed been a lesson to others in the fine art of adaptability. Patrons, teachers, and students are sincerely hoping for better conditions next year.

The shift in the high school faculty leaves two vacancies, but it is rumored that the board is considering the election of only one other, dispensing with the services of one teacher. However, this is only a rumor and has not been definitely decided.

Other teachers elected have accepted their positions, much to the gratification of the board and patrons. The staff has been completely confident and backing of the community, and the Index joins with the district in the opinion that O'Donnell will have as efficient and enterprising faculty as can be found anywhere.

## Methodist Ladies Meet At Brownfield Thursday

The fifteenth annual session of the Lubbock district Women's Missionary Society was held at Brownfield on Thursday of this week, with the ladies of that city acting as hostesses to the delegates.

The meeting continued through the day from nine o'clock to late in the afternoon. Lunch was served at noon by the Brownfield ladies.

The morning program was very interesting, from the invocation by Rev. W. G. Poole to the sermon by Rev. C. A. Bickley, presiding elder of the Lubbock district.

Other numbers on the program were prayer, Rev. Ed A. Tharp, Brownfield; devotional, Mrs. W. H. Crawley, Lamesa; welcome, Mrs. G. S. Webber, Brownfield; responses, Mrs. C. E. Pike, Slator; special music, Tabitha, an original report, "Education and Promotion"; Welfare; "Enlisting Our Young Women"; Mrs. C. A. Bickley; "Christian Social Relations"; Rev. W. H. Wallace, Lamesa.

The afternoon program was as follows: Call to worship, Brownfield; memorial service, Mrs. J. F. Potts; solo, Mrs. O. B. Trinkle; "A World of Friendly Children"; Mrs. B. A. Metcalfe; special music, Levelland; demonstration by a group of girls, "North West Texas Girls' Camp," directed by Mrs. T. J. Delaney; music, J. Frank Potts and others; business meeting; talk, Mrs. Pearson; consecration service, Mrs. J. O. Haymes.

## Cumberland Revival In Progress Here

The annual spring revival opened at the Cumberland Presbyterian church Sunday morning at eleven o'clock, Rev. O. N. Baum of Lubbock delivering the opening sermons.

The pastor, Rev. W. H. Chenevix arrived Monday and is conducting service here this week.

Attendance at each session has been most gratifying, and interest has also been fine, so that all indications are for a successful revival.

The pastor and members of the church extend a hearty welcome to everyone to come and take part in each service, and to feel that this revival is for each individual. Song service opens at 8:00 each evening.

## Popular Couple Married at Lovington Wednesday

As the culmination of a romance of several months, a pretty wedding ceremony performed at Lovington on Wednesday, May 3, united Miss Vivian Pierce and T. M. (Tom) Garner.

The ceremony was said in the presence of only a few close friends, and the happy pair left immediately on a short motor trip through New Mexico before returning to Hobbs to make their home.

The bride, daughter of Mr. and Mrs. Mel Pearce, was a becoming rose beige ensemble, with harmonizing accessories. She has grown to gracious young womanhood in O'Donnell, and has scores of friends who extend every wish for her happiness.

She was a member of the class of 1931, standing high in scholastic attainments and popularity with teachers and fellow students. She has been active in school, social, and church affairs of her community.

Mr. Garner is also well known to O'Donnell people. He is the son of Mr. and Mrs. J. L. Garner, former residents of this place, and a prominent member of the life insurance business at Hobbs.

The Index joins with other many friends of these splendid young people in extending congratulations and best wishes for a long and happy married life.

## Relief Funds Are Exhausted

Judge B. P. Maddox, Lynn county chairman of the emergency relief fund, has announced that messages from Austin are that funds furnished by the Reconstruction Finance Corporation are exhausted and that persons in Texas alone has stopped.

Lynn county recently received a part of the April appropriation, which is being used here and at Tascumb, May 10, S. C. Cathey, local chairman, said Monday that it is probable that the work will continue here at least through this month.

Sixteen O'Donnell families have benefited from this fund, a total of \$160 being paid out monthly.

Lawrence Westbrook, director of the Texas Relief Commission, said that a movement is on foot of part of some county committees to collect funds locally to care for the most needy cases. Just what steps the Lynn county committee will take on this matter is still a matter under consideration.

The reconstruction Finance Corporation notified Governor Ferguson that it would not furnish further relief for more than a proposed cent state to issue bonds for relief purposes had been submitted by the legislature to the electorate.

Proceeds of the bond issue would supplement government money. A resolution proposing the amendment would require 100 votes in the house to pass it to the electorate.

## Pastor Undergoes Operation Saturday

Mrs. Pearl Keeton, pastor of the Church of the Nazarenes, was taken to a Lubbock hospital Friday, and underwent surgery Saturday.

Both minor and major surgery were necessary, her tonsils and appendix being removed in addition to other complications. Last reports received here are that she is doing as well as could be expected.

During her absence, the pulpit of her charge will be filled either by Rev. W. G. Poole or some one else. In any instance, the work of the church will continue, and members are urged to be even more loyal now than ever.

The Index joins with other friends in the hope that Mrs. Keeton will soon be fully recovered.

## Local League Wins Honors At Meet

Whether or not it is good manners to take all the honors at a meet at which they are hosts, local Epworth Leaguers won two honors on Sunday when the Fidelis Union held its regular meeting at the Methodist church.

The attendance banner and the loving cup for the best secretary's work were both awarded to the O'Donnell League.

## A Little Parable for Mothers

By Temple Bailey

The young Mother set her foot on the path of life.

And her Guide said: "Yes. And the way is hard. And you will be old before you reach the end of it. But the end will be better than the beginning."

But the young Mother was happy, and she would not believe that anything could be better than these years. So she played with her children, and gathered flowers for them along the way, and bathed with them in the clear streams; and the sun shone on them, and life was good, and the young mother cried: "Nothing will ever be lovelier than this."

Then night came, and storm, and the path was dark, and the children shook with fear and cold, and the Mother drew them close and covered them with her mantle, and the children said, "Oh, Mother, we are not afraid, for you are near, and no harm can come." And the Mother said, "This is better than the brightness of day, for I have taught my children courage."

And the morning came, and there was a hill ahead, and the children climbed and grew weary, and the Mother was weary, but at all times she said to the children, "A little patience, and we are there." So the children climbed, and when they reached the top, they said, "We could not have done it without you, Mother." And the Mother, when she lay down that night, looked up at the stars, and said: "This is a better day than the last, for my children have learned fortitude in the face of hardship. Yesterday I gave them courage. Today I give them strength."

And the next day came strange clouds which darkened the earth—clouds of war and hate and evil, and the children groped and stumbled, and the Mother said: "Look up. Lift your eyes to the Light." And the children looked and saw above the clouds an Everlasting Glory, and it guided them and brought them beyond the darkness. And that night the mother said, "This is the best day of all, for I have shown my children God."

And the days went on, and the weeks and the months and the years, and the Mother grew old, and she was little and bent. But her children were all well and strong, and walked with courage. And when the way was hard, they helped their Mother; and when the way was rough, they lifted her, for she was as light as a feather; and at last they came to a hill, and beyond the hill they could see a shining road and golden gates flung wide.

And the Mother said: "I have reached the end of my journey. And now I know that the end is better than the beginning, for my children can walk alone, and their children after them."

And the children said, "You will always walk with us, Mother, even when you have gone through the gates."

And they stood and watched her as she went on alone, and the gates closed after her. And they said: "We can not see her, but she is with us still. A Mother like ours is more than a memory. She is a Living Presence."

## Recruits Leave For Fort Sill

Joe Chandler and George White left Lubbock Saturday for Fort Sill, Oklahoma, to begin their preliminary two-week training course before taking up their regular work. Joe was the first to leave the county.

Eighteen men had already left Lubbock. Each man will send \$25 monthly to dependents, four aiding mothers and Joe his two sisters, Nell and Miriam.

Mayor Cathey reports quite a bit of interest has been manifested during the past few days, with prospects that the remaining applications allotted to O'Donnell will be signed up in the near future.

## Fire Boys Answer Emergency Call

In the midst of the vicious sandstorm last Wednesday, the volunteer fire fighters answered an emergency call and made a wild run to the B. M. Haynes farm southeast of town. Flames had broken out in the stomach of a loose fender made a menace for barns, feed stacks and stock.

The seven and one half mile run was made in twelve minutes flat, according to artificial estimates, and the boys got there in plenty of time to assist in bringing the fire under control. Two stacks of feed were destroyed, but the barn and remaining stacks were saved.

## Commencement Plans Well Under Way

With the arrival of invitations here this week, plans for commencement week are well under way.

The week will be opened Sunday, May 28, when Rev. W. H. Wallace of Lamesa will preside at the bacchanal of Lamesa in the high school auditorium. Music will be rendered by a special choir. Further announcements will be made in the near future as to pianist, choir director and personnel.

Immediately after the sermon, the class dinner will be held. This is a custom begun several years ago, and has come to be one of the highlights of commencement week. This year it will be held at the Irvin Street home. Commencement exercises will be held on Friday evening, June 2nd, when the class will have charge of the program. Diplomats will be presented to the graduates by superintendent L. F. McAfee.

## Andrew Latham Killed at Naval Post

News was received here late Friday evening of the accidental death of Andrew T. Latham, son of Mr. and Mrs. R. T. Latham, of this community. Death coming after he was crushed between a locomotive and freight car at the destroyer base in San Diego, California.

The young man, who was only 32 years of age, had been in the United States Navy for ten years, re-enlisting last March. He was home on furlough about two weeks ago, and had just returned to San Diego.

His parents were so shocked and grieved at the tragedy, of which they were unaware until Mayor W. S. Cathey notified them Saturday morning, that they have not been able to plan coherently. However, it is believed by friends that they will request that the body of their son be taken to Bonmarston for burial.

The family has been prominent in this territory for many years, with scores of friends who join in mourning the untimely passing of this splendid young man.

The Index joins with them in extending deepest sympathy to the bereaved mother and father.

## Miss Nichols Elected City Secretary

Miss Claire Ruth Nichols, daughter of Mr. and Mrs. N. Nichols, was elected secretary of the city of O'Donnell at a meeting of the city council Friday evening. She replaces W. A. Tredway, who has held the position for several years.

Miss Nichols is a graduate of the local high school, and a student of W. T. S. C., at Canyon, where she is engaged in business administration. For several months from time to time she has assisted in the book-keeping department of the First National Bank here, so that she is well qualified to carry out the duties of her new office.

The Index joins with other friends in extending congratulations on this honor, and in feeling that she will be eminently successful as a public official.

## O'Donnell Girl Sings In Oratorio Sunday

Miss Alice Joy Bowlin, daughter of Mr. and Mrs. J. P. Bowlin and a student at Texas Technological College at Lubbock, was one of the sopranos when the college glee club presented Massenet's oratorio, "Mary Magdalene," at five o'clock Sunday afternoon at the First Methodist church, Lubbock.

This was the leading event in Lubbock in celebration of National Music Week, and was presented by a chorus of fifty-five voices. Miss Myrtle Dunn was director, W. E. Waggoner, organist, and Noel Mouton pianist.

The oratorio will again be presented at the evening service Sunday, May 14, and a number of local people are planning to be present.

Miss Bowlin has sung on numerous occasions here and has been a member of the Glee Club for several months.

## Loans For Wheat To Open Saturday

Announcements from O'Sherill, regional manager of crop production loan by Department of Agriculture, the loan period for producing wheat in the Panhandle will open Saturday, May 31.

A meeting of the Panhandle Loan Committee for the wheat loan will be held at the same time.

But \$5 for the wheat loan will be made.

## Reb

Similar services will be held in the communities of the territory. At New Hope an evening program will be presented at the school building, with a number of readings, songs, and playlets making up the main feature of an interesting service.

Rev. L. S. Jenkins, pastor of First Baptist church, will hold special service at Randall Sunday noon, and will probably be aided by several young laymen who will assist with the music.

As this is being written we have not received definite news from other communities safe in saying that something of interest will be heard sometime during the week.

The public will be notified of the opportunities for Mother and child service.

That difference is in the structure and construction—you can see how Super-tuff cord stretches and comes out, how the cord in other tires does its life and elasticity. It takes about 3 minutes to tell the story—put as this customer said—"If very correct could see that demonstration, there wouldn't be anything good but Goodyear Tires."
