O'DONNELL, LYNN COUNTY, TEXAS, SEPTEMBER 14, 1928

The best advertising medium in Lynn County. Read in 1,500 homes each week.

NUMBER 50

Going Home from a Homecoming

Fair Weather Causing Worms To Cease Damage

According to reports coming from various sections of the O'Donnell territory, worms and other insects are not doing as much damage as they were some ten days ago. However, a conservative estimate of the damage that has already done is placed at 50 per cent of the total crop that was promised two weeks ago. However, before the worms showed up the country promised a record cotton crop. Estimates placed O'Donnell ginnings at 26,600 bales. It is believed that this year's crop will not yield more than half that figure.

For the past ten days the weather has been calm and it is hoped that it will continue, as much depends on the condition of the weather the next two or three weeks.

This year's crop is at least two weeks later than the average crop in this section. Up until today (Thursday) there has not been any rain in this section since the beginning of O'Donnell. However, we understand a bale is expected this afternoon. Reports state that a hail is being picked north of town.

L. N. Nichols Renders 100 Per Cent Service

It has been said many times before that O'Donnell people are among the best folks on earth and evidence of this fact is brought out almost daily.

The latest occurrence to bear out these facts was an interview the editor had with L. N. Nichols, rural letter carrier on Route 3, the longest mail route out of O'Donnell.

Mr. Nichols stated, "I have been serving as a rural letter carrier the past two weeks. I am now serving my fourth rural route, and I wish to state as I have many times before, that the people served by my route are untiring and most accommodating patrons it has ever been my pleasure to serve. During the two weeks that I have carried three I have been given hearty cooperation by every patron on my route. Among the other courtesies and considerations that I receive from my patrons are the many things given me while on my route daily. They have given me practically everything that I would need in a garden or orchard. It is not unusual for some of my patrons to give me fryers. In fact, they are so considerate and accommodating and always willing to assist in any way possible, that I cannot find words to express my sincere appreciation. I would like to say that if I did not give them the best service I knew how to render."

Mr. Nichols serves 185 families while making his five mile run each day and undoubtedly receives splendid cooperation and renders excellent service in return. He would not be prompted to make such a statement. Since we are setting forth a few facts regarding Mr. Nichols' service to his patrons and the cooperation he receives in return, the index wishes to express its opinion as to what we think of Mr. Nichols' service. Never in our twenty years experience in the newspaper business have we found a rural letter carrier more considerate of his home newspaper in seeing that it reaches its readers on schedule time than we have found Mr. Nichols to be during the two years he has been delivering the index to its readers weekly. We have many in contact with rural route carriers in the past that did not like to deliver our papers when we were not, later getting off the press than they thought we should be. This is not so with Mr. Nichols. Many times when we have been late in getting off the press as is the case often times, newspapers delivered by Mr. Nichols has gotten to our office and assisted in getting the routes ready for the interest of our readers. Mr. Nichols carries them to the office for us. Such thoughtful interest makes the Index force grateful beyond words of expression.

Such service merits the whole hearted cooperation of the Index force and beyond a reasonable doubt that of every patron served by Mr. Nichols on his daily route. He undoubtedly renders one hundred per cent service at all times. One could not ask for more.

NAZARENE REVIVAL GROWING IN INTEREST EACH NIGHT

The Nazarene revival which is being held in the big Tabernacle just back of the church is increasing in interest and evangelic service. The meeting was begun Sunday night, September 9th and from the very first service great crowds have been in attendance. The large tabernacle is taxed to almost capacity at each service.

The Lowman Evangelistic Party is in charge of the services. They are considered great singers and musicians and are conceded to be one of the strongest evangelic services among their denomination. If you are not attending the services you are missing a religious treat.

REV. W. C. HART HOLDING MEETING AT LIBERTY

Rev. W. C. Hart opened the revival at Liberty Sunday with a large congregation of members and visitors present. Everyone is cordially invited to attend. His services will take part in them.

Wesleyan Baptist Association Convened Here Tuesday

P. T. A. HOLDS FIRST MEETING OF THE YEAR

The first meeting of the Parent-Teachers' Association for 1928 was held Wednesday afternoon at the school building. Due to the Baptist Association and O. G. E. work, the parents were decidedly in the minority. However, they will do better next time.

After spending a few moments in getting better acquainted it was decided that this organization will have a booth at the Community Fair. Mrs. W. E. Vermillion, president, was instructed to appoint her committee to procure the concession and arrange the booth.

All parents who are interested in the welfare of the school and the progress of their children are expected to attend these meetings. Discuss matters with our teachers and become familiar with every phase of school life.

INFANT DAUGHTER OF GOOD-SONS BURIED TUESDAY

Little Addie Lenora, six-months old baby girl of Mr. and Mrs. Goodson of this place, died Sunday afternoon, after an illness of only forty-eight hours. The little sufferer became alarmingly ill Friday with Cholera infantum, and medical aid could do nothing to stop the course of the dread disease. Her father, who was near Austin, was summoned last night, but reached here only a few hours before the funeral services, which were conducted by Rev. W. K. Horn at the Church of Christ.

Many friends were there to join in the heartache of the young parents whose grief was heart-rending. But God never sends a burden without lending strength to bear it, and the bereaved parents were comforted by the thought that I know she went to Jesus."

And he who said "Suffer the Little Children to Come Unto Me, and forbid them not" received her with a loving smile.

Interment took place in the O'Donnell cemetery at 2:30 o'clock.

The baby is survived by her parents and grandparents, Mr. and Mrs. Morgan of O'Donnell.

The Index extends deepest sympathy to them in their hour of grief.

DAWSON COUNTY PLANNING FOR A RECORD FAIR

The Dawson County Fair Association officials now have plans well under way for the largest county fairs ever held here. The fair is to be held under the compress shed, 350 feet long and 100 feet wide. Twenty community exhibits will be had at this fair. Much interest is being taken in livestock exhibits. There will be a large number of shows on exhibition at the fair, according to W. W. Evans, manager.

A. Lynn Thomas, dairy specialist of A. and M. College, will judge the dairy show. More than 100 head of registered Jerseys will be exhibited.

Geo. W. Barnes, livestock specialist for the extension service, will judge hogs and sheep.

MAN SENDS MONEY ORDER FOR COLD CHECK YEAR OLD

There are still some honest people in this old world and the Index was reminded of the fact the past week. Something like a year ago we received a check in the name of George W. Book. It was deposited in our bank through the regular channels, we found that it was cold, it being returned and charged to our account. We took it up upon ourselves to write the party a letter but did not receive a reply. After some time the incident was dismissed from our mind. Only last week we were led to believe the party was honest as we received a money order penned to a friend explaining why he was indebted to us in the sum of \$150. The editor was made happy and the party's conscience, relieved and our faith in humanity strengthened.

FORMER CITIZEN FALLS TO DEATH FROM DERRICK

Mr. and Mrs. H. C. Hunt left Wednesday for Greenville immediately after receiving word that their brother, Mr. George Hunt, had been instantly killed by falling from a derrick in a Louisiana oil field. The body will be sent back to Greenville for burial.

Mr. Hunt was well-known here, having been in business several years. Many regret an deep sympathy, in which the Index joins, are felt by their many friends here.

SUPPLEMENTAL PRIZES FOR O'DONNELL FAIR

Ben Moore offers supplemental prizes at O'Donnell fair. Best individual flower exhibit, six fruit trees. Best individual flower exhibit, two everblooming roses. Most interesting curio exhibit, one pair buffalo horns. Heaviest couple attending, two cans peas (fat producers).

Quite a bit of renovating is being done to the B. J. Boyd house, floors receiving special attention.

Mr. and Mrs. J. L. Scholer of Hamilton are visiting their son, J. N. Scholer.

O'Donnell Fair Expected To Draw Large Crowds

Final Plans Completed At Meeting Tuesday Night; Department Heads Busy Preparing For Large Exhibits

"Hackberry Slim" Here for the Fair

"Hackberry Slim" noted Rodeo man of this section, will entertain the Fair visitors here on Friday and Saturday of next week, September 21 and 22. "Hack" announced he would have one of the wildest bunches of bronchos to be found anywhere. During the two days fair this street will be roped off, stopping all traffic, allowing the exhibitors and concessions to have ample room without interference. The livestock, poultry and hog exhibits will be in the old tourist park where little work will have to be done in the way of building pens, etc. The agricultural and other exhibits will be placed in the office building at the rear of the Corner Drug and the old First National Bank building to the old tourist park two blocks down the street. During the two days fair this street will be roped off, stopping all traffic, allowing the exhibitors and concessions to have ample room without interference. The livestock, poultry and hog exhibits will be in the old tourist park where little work will have to be done in the way of building pens, etc. The agricultural and other exhibits will be placed in the office building at the rear of the Corner Drug and the old First National Bank building to the old tourist park two blocks down the street.

A. F. LAWLER PASSES AWAY AT HOME AT ARVANNA

Tuesday night at his mother's home at Arvanna, A. F. Lawler died quietly and peacefully, paralysis being the cause of his death. Faithful and loving hands gave all the possible care and attention, but to no avail.

Funeral services were conducted by Rev. Dobbs, of Woodie, at the cemetery at Hancock, where interment took place, in the presence of an unusually large number of sorrowing and sympathetic friends from all communities around. Many beautiful floral offerings were in evidence.

DECEASED WAS FIFTY-THREE YEARS OF AGE

He is survived by his mother, five brothers, Ernest, Roy, Judd, C. O. and Estis Lawler, and two sisters, one of whom, Mrs. Pierce, of Opland, was able to be present.

The Index joins with the many friends of the bereaved family in extending deepest sympathy.

CHURCH OF CHRIST TO BEGIN REVIVAL SEPTEMBER 22ND

Announcement has been made by members of the congregation to the revival will begin at the Church of Christ in this city on Saturday night, September 22nd. The month-long revival will continue over two Sundays.

Van Bonneau of Gunter, Texas, was preaching and O. C. Cox will be in charge of the song services.

In making their announcement the members of the Church of Christ extend a very cordial invitation to the entire public to come out and hear the old time gospel preached without addition or subtraction.

LAMESA GETS FIRST BALE

Lamesa, Sept. 11.—J. A. Dunn, farmer, seven miles southwest of here sold the first bale of cotton of the season late Monday evening. It weighed 416 pounds and was auctioned at twenty-five cents and purchased by S. L. Forrest.

Premium of two hundred dollars was made by the agricultural department of the Lamesa Chamber of Commerce. Total including lint seed and premium \$312.90 or 75c a pound.

Barber Shop Is Damaged by Fire

O'Donnell's fire department was roused out of bed at the unearthly hour of 7:00 o'clock last Saturday morning by the shrill call of the fire siren which announced to all concerned that John Johnson's barber shop was on fire.

So promptly was the alarm turned in and responded to that it was not necessary to turn on the water, the chemical being sufficient to put out the flame, which was caused by an oil stove in the rear of the establishment.

THREE FAIRS TO BE HELD INDICATES PROGRESSIVENESS

The fact that Lynn County is one of the most progressive counties in Texas, will be emphasized by the three fairs that are to be held in the county this year.

The O'Donnell Community Fair will be held September 21-22. The Women's and Girl's Club work and all other work of that type will be judged on September 21, by Miss Bessie Mae Jackson, County Home Demonstration Agent, Dawson County.

The Wilson Community Fair will be held September 22. Women's and Girl's Club work and all other work of that type will be judged by September 22, by Miss Louise Baird, County Home Demonstration Agent, Lubbock County.

The Lynn County Fair will be held in Tahoka September 26-27. The judging of the Women's and Girl's work will be September 26.

Miss Myrtle Murray, District Home Demonstration Agent and Miss Lois Bluffuss, Home Economics teacher, Tahoka are to be judges.

I am urging that all articles to be exhibited except poultry, dairy products, cooking and flowers be brought to American Legion Home, Tahoka, before September 25. The reasons for this is because Miss Murray can only be here one day, and the articles can be kept safely at this place. They can then be put in place before the fair opens September 26 and be left until the end of the fair.

Please, leave all first, second, and third place articles to be taken to Lubbock, and possibly to the State Fair at Dallas, but all others may be taken home on the afternoon of September 27.

Please remember these dates and in this way assist the Home Demonstration Agent, Fair Directors and Superintendents of Departments. Let's make this the biggest and best fair Lynn County has ever had.

Miss Thessa Greenwade, County Home Demonstration Agent.

Mr. and Mrs. W. S. Cathey have as their guests Mrs. Cathey's parents, Mr. and Mrs. N. B. Cathey of Dora, N. M.

At a meeting held Tuesday night at the City Hall, fair officials and department heads perfected final plans of the O'Donnell Fair which will be held Friday and Saturday of next week, September 21 and 22. The location of the fair grounds will be the street running west from the Corner Drug and the old First National Bank building to the old tourist park two blocks down the street. During the two days fair this street will be roped off, stopping all traffic, allowing the exhibitors and concessions to have ample room without interference. The livestock, poultry and hog exhibits will be in the old tourist park where little work will have to be done in the way of building pens, etc. The agricultural and other exhibits will be placed in the office building at the rear of the Corner Drug and the old First National Bank building to the old tourist park two blocks down the street.

FIVE

...nfield Baptist Association Convened Here Tuesday

...first annual session of the Wesleyan Baptist Association with the First Baptist O'Donnell Tuesday morning at 10:00 a. m. Delegates from every church, making a total of 100, were present. The session was opened with a prayer and a message from the Moderator of the body, which was called for from the various churches of this Association. The session was opened with a prayer and a message from the Moderator of the body, which was called for from the various churches of this Association. The session was opened with a prayer and a message from the Moderator of the body, which was called for from the various churches of this Association.

...reports came in from the history of the Association. There have been more encouraging and enthusiasm than in any year. Especially did Bro. Benson, our efficient Moderator, bring many joys to our hearts. He gave his wonderful message in a few minutes in Texas that are doing as efficient work as our own Missionary. He is for the place. He was another year at a substantial salary, and was a great help during the year. A large number of delegates was in a most efficient manner. The business of the Association transacted in the tabernacle Church basement arranged for the room. Messrs. Howard and Lightfoot acted as an ordinary, barbecuing half each day, thus relieving the materiality. It is estimated fully four hundred visual members were served. The church here extends thanks to townpeople. The Association will meet next in the Seagraves Church and at a great time.

...es Were Busy

...ere the Past Week

...made their appearance at Dr. Crunk residence on Monday this week, some time between 10:30 and 11:00 o'clock. Mrs. A. House was with Dr. Crunks and had parked in front of the home almost dark night, but they were in the thief or thieves and leisure robbed the car of a series, a tire pump and a few tire and rim off one of the tires were called immediately discovery was made and arrested in the case but they are going to press no arrests made. Officers believe the next few hours the will be brought to justice.

...UB TO DISCUSS PLANS FOR THE FAIR

...will be no formal program next meeting of the Home Demonstration Club, which is to meet Wednesday in the school room. However, all members are to be present in order that plans for the Community Fair at Lynn County Fair may be laid. Those who have not paid are requested to do so before that day. Mrs. John Greenwade asks that exhibits for Lynn County Fair be brought to the American Legion Home at Tahoka by noon of September 25. Arrangements will be there to judge before the fair.

...REACHER ADDRESSES CROWDED HOUSE HERE

...Tune, fifteen-year old boy, spoke Sunday morning and to congregations which filled the Methodist Church here. The slender and boyish, he walked brightly Sunday morning, and to show his youth and independence. Pausing a moment to receive a possession, he calmly his lesson the second chapter, and developed it with an depth far beyond his years. His capable with his simple and earnestness and sincerity making up for any deficiencies. As evidence that appreciated here, the congregation at the evening service was full, if not larger, than that morning hour.

...NELL SCHOOL HAS ORGANIZED PEP SQUAD

...nelli's athletic teams will be organized and to glory by a pep squad. Miss Mabel Smith and Mrs. Ima D. Palmer, Florine, Truett Hoods, and W. W. Walcott as pep leaders, the pep squad expect some demonstrations real article at games this year.

CHURCH NOTES

Sunday School services were conducted at all churches as usual Wednesday morning. The opening of school, day and of vacations and renewal spirituality since revivals have all seen factors causing larger attendance and more interest. The Young People's Class of the Methodist Church is considering plans for affiliating with the Wesley Bible Class Forum. Next Sunday their special assignment is for each member to bring a slip of paper on which is written his or her outstanding fault. These will be taken up and discussed impartially.

The class of intermediate girls, with Mrs. Nayman Everett as usual leader, is doing splendid work, and have recently contributed to the improvement of the appearance of the church. Come to church and see what it is.

Plans are being laid for a Rally Day Program and special invitations will be sent to all persons known who are not regular attendants. If anyone knows of one or more persons not attending Sunday School and not a member of another church, please a member of another church, please or phone Mrs. Weems, Mrs. Gardner or Mrs. Campbell, and an invitation will be sent.

The Women's Missionary Society held its regular business meeting Monday afternoon. The Jubilee Book Shelf, consisting of five books, is now here and work will begin on them.

The T. E. L. Class of the Baptist Church is functioning smoothly with new officers at their posts, having lost no time in readjustment. The members actively cooperated with

the W. M. U. in entertaining delegates to the Association here this week. A full report of this will be found in other columns of the paper. The Bible Story Hour conducted by Mrs. B. M. Haynes in her home each Monday afternoon is for children of every denomination, being the study of the lives of Biblical heroes. The life of Moses is their subject now. Seventeen youngsters attended last Monday.

Mr. and Mrs. Archie Haney and children of Ropes arrived Monday for a few days visit with their parents, Mr. and Mrs. G. A. Haney.

Mr. and Mrs. F. E. Norton and son Frank of Dallas, who have been visiting Mrs. E. H. Schooler, returned to their home, Monday.

According to latest reports from Sonny Dennis, whose leg was injured by a rail, it is thought all right.

PERSONAL MENTION

Raymond Sisk and Eli Nix Texas, were visitors in the past week. E. McClung left first of a several weeks vacation in El Paso, Fort Worth and points in Oklahoma. Davis Revival closed with another over week. Phillips and Dandridge returned for next year on Wednesday morning through August to continue thru C. Tull is spending this year with his parents in Plainview. Bradford of Ackerly, by her two daughters, the youngest troublemaker of the week-end with her family here. Mrs. W. H. Crunk spent in Lubbock. Tommie and Winema Sorrellie for their year's position as bookkeepers at the State University, where she is working on her Master's degree. Henderson is now Big Springs Business College. Henderson formerly of Lubbock, of Levelland, is in Higinbotham-Bartlett at Lorenzo. Mrs. W. L. Walker returned home Tuesday from N. M., where they have spent thirty days for Mrs. Walker's health. She is slightly improved. Vermillion of Lebanon, Mo., of this week of his son, W. H. and family. Sultemeier of Austin who is teaching her mother, Mrs. Sultemeier, for the last three weeks, returned to Austin to resume work at the Senior High School. Mrs. Allen Nelson and Lorraine, visited in the C. A. Aten last week. Mrs. G. C. Aten and family returned Friday from Austin to San Antonio. They reported it hot and dry. Not having any more places for two months, he drove 1600 miles in his new car and did not have any car trouble. Mrs. C. A. Aten continues to change the O'Donnell territory. All the quarter section of the past week. We were not the details. Mrs. L. L. Bushy were Sunday of their daughter, Shumake Jr. They were led by Miss Alice Laverne, given until she really is better. Gates is visiting Miss Mabel Draper of Tawek. Michael and very small Galle, accompanied by Quant, of Rochester, are their sister, Mrs. Tom Man. J. Taft, of O'Brien is visiting daughter, Mrs. John Hard. M. Vermillion of Slaton, next of his nephew, W. E. Wednesday. Mrs. J. T. Weems spent in Lubbock with Mr. and Weems. Mel Sikes, who has been a hospital patient is recovering from an extreme nervous breakdown brought home Saturday, is improved. P. Ayler is in San Antonio on business. T. Wells and Mrs. B. J. at Tahoka Monday shopping on friends. Guy Bradley, Thurman B. J. Boyd spent Thursday. Hancock is teaching Rodgers' room during her. George Murray of Brownfield next of Mr. and Mrs. W. H. while attending the Assoc. The families are friends. Mrs. Rodgers was taken to a hospital Wednesday afternoon from a severe attack of diphtheria. Later reports are that she will be found here these columns. Mrs. W. E. Vermillion returned over the arrival of Mr. father, Mr. John B. Vermillion, who came for an extended visit. They have been married years, this is Mrs. Vermillion's acquaintance with her father, and his first with

Mrs. M. C. Hamilton and Mrs. Carl Beatenough are managing the affairs at the Carlisle store during the absence of J. P. Ayler, who is in San Antonio this week on business. The ladies are handling the business like veterans. If you don't believe it is just call on them. We understand business has increased wonderfully under their management.

1928 COTTON CROP WILL BE 14,439,000 BALES, U. S. GOVERNMENT REPORT SAYS

WASHINGTON, Sept. 8.—Forecasting a cotton crop of 14,439,000 bales, 148,000 more than the estimate a month ago, the department of agriculture today placed the condition of the crop at 69.3 per cent of normal, well above the 60-year September 1 average of 57.1 per cent.

Gain In Lint

The indicated yield is for 153.9 pounds of lint cotton per acre, the department reported, which is a slight gain over its report as of August 1, of 152.2 pounds, but below last year's yield of 154.4 pounds and the 10-year average of 156.3 pounds.

Infestation Is General

"The weevil infestation is quite general and severe in most of the belt. In practically the entire coastal plains area and well up into the prermont they have punctured a large proportion of the small bolls, so that in these regions little can be expected beyond the moderate crop of practically mature bolls already set."

THE ENZELIANS ELECT NEW OFFICERS

Within the last few months the Engeliens the young ladies' class of the Baptist Sunday School, have increased in number about fifty per cent. There is more interest shown now than formerly due to the fact that there are more members to take part in the class discussions, and in the different activities. All young ladies who are not enrolled in Sunday School elsewhere are cordially invited to join this class. The following officers were elected for the ensuing year: President, Alta Lee Payne; First Vice-President, Jessie Fuller; Second Vice-President, Zada Simmons; Third Vice-President, Golda Simmons; Secretary, Frixie Harville; Reporter, Louise Anderson. HOW COLOR AFFECTS SLEEP

The Munich Society for light research has recently made a study of the relation of color to sleep, which will be of interest to persons troubled with insomnia. A Leipzig paper reviews it briefly and says in part: "It is astounding what effect a choice of color has to the attainment of sound slumber. Glass painters and gold color blue sometimes fall asleep before their easels. It has been advised to put persons suffering from mental disturbance in rooms painted blue and having blue hangings. The soothing and popular effect of blue is extraordinary."

WORMS LETTING UP ON COTTON CROP

Farmers from various parts of the county report that the boll worms seem to be letting up on the cotton. Their ravages seem to be much less marked the past few days. They bit more promising now, though it will be very late, it is now fruiting fairly well. What it needs is continued dry weather. There has been no dry weather here for some time.

With dry weather the past few days, the cotton crop seems to be a lot more promising now, though it will be very late, it is now fruiting fairly well. What it needs is continued dry weather. There has been no dry weather here for some time.

CATALOGUE FOR 1928 FAIR IS OFF PRESS

The catalogue and premium list for the 1928 Lynn County Fair is now among the citizens of the county. The fair will be held on September 26 and 27, and those desiring catalogues should get them now. They may be secured from Taylor, White, Miss Greenwade, The Lynn County News, the City Hall, or the County home demonstration office.

REVIVAL AT EASON SCHOOL

Rev. D. G. DeGuire has just closed a very successful meeting at Eason School house. There were about 30 conversions and a number of restorations. There was a Missionary Baptist Church organized with the following as charter members: J. W. Akins, T. F. Akins, A. B. Blaylock, Herman Blaylock, P. M. Candler, J. E. Candler and wife, G. H. Greenlee and wife, Howard Eason, Mrs. Dud Lee, Mrs. S. D. Mason, E. W. McMurtrey, Mrs. J. T. Pennel, J. E. Roberts and wife, Joe Snellgrove and wife, William Snellgrove, M. D. Underwood and wife.

After the organization was completed the church was organized. The following members were accepted by letter: Cleo and Earl Greenlee, Mrs. Bob Latham, L. H. Clark and wife, Dan Pernel.

On Sunday afternoon Bro. DeGuire baptized the following: L. C. Greenlee, Dud Lee, Mrs. John Cox, Doris Cox, Howard Eason and wife, Luther Modrel and wife, Mrs. Floyd Gibbons, Willie Gibbs and wife, Woodrow Parker, Mollvreen Miller, Mrs. Howard Eason, Agnes Mitchell, Mrs. Herman Blaylock, Lovita Mason, Robert Pennel, Georgia Pennel, Jaunita Clark.

On September 6, 1928, we met at the Eason School house to organize a Missionary Baptist Church. Bro. W. E. Sanderson acted as moderator; Bro. Connett acting assistant moderator. Rev. J. W. Braxwell led the devotional services after which Bro. Sanderson and Bro. Connett read the Constitution and Article of Faith. Motion carried to organize a church. The right-hand of fellowship was exchanged by the following as charter members: I. W. Akins, T. F. Akins, A. B. Blaylock, Herman Blaylock, P. M. Candler, J. E. Candler, Mrs. J. E. Candler, Howard Eason, G. H. Greenlee, Mrs. Rita Bell Lee, Mrs. Sallie Mason.

On Saturday, September 8, 1928, the O. R. Missionary Baptist Church met in conference and the following business was transacted: Bro. Joe Snellgrove was elected treasurer. Bro. J. E. Roberts was elected as treasurer. Motion to adjourn, carried.

CITIES AND TOWNS IN TEXAS TO BE MARKED FOR PLANES

SAN ANTONIO, Texas, Sept. 14.—Cities and towns all over Texas are to be marked for the guidance of aviators flying to their great airplane demonstration in connection with the ETAIN ETAIN SHRDLU UN NI national convention of the American Legion at San Antonio October 8 to 12.

E. A. Feille, vice president of the San Antonio chapter of the National Aeronautic Association, is chairman of the aeronautics committee

MILK BUTTER CREAM DELIVERIES MADE ANYWHERE IN TOWN. ABSOLUTELY SANITARY IN EVERY RESPECT. —PHONE 30702— LAW-LYNN DAIRY C. L. TOMLINSON, Owner

for the Legion convention, has written all Chambers of Commerce in Texas asking them to take immediate steps to have their towns marked. Every American Legion post in the state is being asked in a letter just sent out by Department Commander Walton to cooperate with its local Chamber of Commerce in carrying the project through to completion.

This work, he pointed out, is in line with one of the major activities of the Legion throughout the nation in the promotion of aviation.

Concentration of 1,000 airplanes in San Antonio during convention week is the aim of the aeronautics committee of the convention. Every plane present will fly in one formation over the city during the gathering.

Request is being made of the United States war department to order every war-time flyer still in army service to San Antonio for a great war pilot reunion during the Legion meeting. Secretary of War Dwight E. Davis is Assistant Secretary Trabee F. Davidson, who has charge of aviation in the army, has promised General Legion Convention Director Phillip B. Stapp to assign the leading army flyers to take part in the convention air circus.

Invitations to send squadrons of flyers to the meet have gone to each of the Allied governments and to Mexico, Cuba and Canada. Personal letters are going to all civilian pilots inviting them to take part in the demonstrations.

T-BAR NEWS

The new school house of this community is progressing very rapidly. Sunday School every Sunday morning at 10 o'clock. Preaching every second and fourth Sunday evening by Bro. Weems. Also fourth Sunday at eleven and night by Bro. Pippin from Tahoka. Everybody invited to attend.

Mr. Carl Alexander from Littlefield has been spending the week-end with Carl Richter.

Our Home Demonstration Club met at R. E. Townzen, Thursday evening with our new agent present, Miss Greenwade.

New officers were elected at Sunday School September 9. C. M. Carley, Superintendent; H. D. Henderson, teacher of Adult Class, Mrs. R. E. Townzen teacher of Intermediate-Senior Class, Mrs. H. D. Henderson, teacher of Junior Class, Mrs. J. Moore, teacher of Card Class. We want every one that can to come and be with us. We need your cooperation.

Mr. Riddle Nichols and Raymond Moore has been visiting in our community the past week.

Miss Ruby Collins of Lubbock Sanitarium is visiting her parents, Mr. and Mrs. J. L. Cunningham the past week.

Mrs. W. L. Palmer and daughter, Miss Irma D. spent the week-end in Hamilton with relatives and friends. During their absence, Miss Theima was the presiding genius of the Kitchen, having as her helpers Misses Jessie Sergeant, Muriel Smith and Winkler.

FARMING UNDER PAPER

Before many years, thinks Milton Wright, farmers may string heavy black paper along the middles instead of plowing. The pineapple growers in Hawaii spent \$500,000 last year on paper. They used pineapple, and raised 30 per cent more pineapples than they otherwise would.

For four years the Department of Agriculture has been experimenting and their tests have demonstrated the value of paper to stimulate plant growth. The idea originated on a sugar plantation near Honolulu before the World War. The owner, Charles Eckhart, found it impossible to keep down stupendous weed crops. For years he had been mulching for the double purpose of blanketing the weeds and retarding the evaporation of moisture. But the mulch would rot after a time and actually encourage the growth of weeds. After seeking for some time for a mulch which would permanently control the weeds, Eckhart finally hit upon a tough kind of paper. The sharp shoots of the young plants easily pierced their way through, but the weeds were smothered. The idea grew. It was found that tree mulch increased the temperature of the soil, moisture remained in the ground until it was absorbed by the plant instead of evaporating rapidly and the paper preserved the original cultivation throughout the growing season.

With one unused to mulch paper, the thought is likely to occur that rains would be prevented from reaching the soil under the paper. The fact is that the water reached the soil through the opening made by the plants or between the edges of the paper and seeping downwards or sideways, is stored up under the blanketing effect for the mulch paper. With this example of success before them, the Department of Agriculture and private individuals began experimenting in our own country, planting two patches of paper, one on each side by side, using mulch paper on one and planting the other in the usual manner. Here are the results from trials with and without mulch paper at the Government's experimental farms at Arlington, Virginia. The percentage above the increased yield of the mulched areas:

Table with 2 columns: Crop, Percent. Cotton 1170, Sweet potatoes 72, Celery 123, Peppers 146, Green beans 153, Beets 409, Cucumbers 307, Sweet corn 621

Another thing made clear, and of much interest to cotton growers of our own section, is that not only are crops more abundant, but due to the increase in soil temperature, they are much earlier. In many cases this makes possible an additional planting before the growing season is ended. Applying the mulch paper is simple, and much easier and less expensive than incessant cultivation. The paper comes in rolls, 150 or 300

NOTICE

Contract for the erection of a four-room brick school building will be let at New Moore for the New Moore High School, September 30, 1928. Plans and specifications can be had September 11, 1928 at New Moore store. E. F. LEHMAN.

yards long, and in widths of 18 and 36 inches, and is unrolled down the middle. The weed growth is confined to the narrow drill space, and the work of cultivation is small.

Already as a result of the success in Hawaii, extensive trials are being made with various crops in Africa, Australia, Asia, the West Indies, Europe and our own country. The report of all of them strongly suggest that the practice may become a general one and that it is soundly economic.

The seventh grade has started the year off well by electing Mrs. Geo. Shumake as their room mother. She filled this position for the class last year, and our present freshmen will bear eloquent testimony as to how nice she is. They have also revived the time-honored and enjoyable custom of "exercise." To those who need it we will explain that one period from afternoon recess to 3 o'clock will be devoted to recitation a program in which song reading and short plays will predominate. This class and their teachers are to be commended on this score.

GOOD WILL CARAVAN WILL VISIT SOUTH PLAIN CITIES

LUBBOCK, Sept. 14.—Every town on the South Plains will be visited by the Lubbock good will and fair booster caravans in the next three weeks, it has been decided by the citizens of Lubbock.

The annual trips will be staged about as usual. Four one day trips will be made, one this week, two next week, and one week after next.

The Lubbock High School Band will head the delegation to furnish music. Souvenirs will be passed out to the crowds and trinkets of special favor to the children will be broadcast over the crowds.

In years past, officials of the various public schools have cooperated with the fair association by turning the schools out for a short time to allow the children the opportunity of getting their share of the souvenirs and to hear about the plans for the fair.

Details of the trade trips have not been announced by the committee in charge.

ROGERS RAISES GOOD BROOM CORN CROP

D. T. Rogers is proving that broom corn is a successful crop in Lynn county. On his farm four miles north of O'Donnell, his tenant, E. R. Smith, has 80 acres of this crop, most of which had already been harvested last Friday when Judge B. P. Maddox, Sid Sanders, and the editor accompanied Mr. Rogers to the farm.

The crop consists of 80 acres and Mr. Rogers estimated that the yield would amount to about a quarter-ton of straw per acre. The straw, if successfully cured, sells at \$125.00 to \$160.00 per ton, depending upon its quality. It costs about \$20.00 per ton to harvest and thresh it. Mr. Rogers thinks it is as good a money crop as cotton.

Mr. Smith, who raised a nice crop of broom corn on this farm last year, says that the yield was even better than it is this year.

Mr. Rogers believes in diversification, and he is practicing what he

"Judge Electrical Service by its Results"

Says George E. Roberts, Vice-President, National City Bank, New York

Science may measure electricity in terms of volts and ohms; business, in terms of kilowatt hours and the curve of production; homemakers, in terms of its labor saving and comfort-making advantages.

However measured, its extension and application by the electric light and power companies to every department of our industrial and domestic life stands out as among the most important basic causes of America's well-being. From its wires has sprung the golden flood of America's unprecedented prosperity.

But economists no longer limit words to things. They echo John Ruskin's sound doctrine, that "there is no wealth but life." And judged from this point of view also, the development of electric service in America will go down as one of the most far-reaching events in history.

These things have been made possible by the application of the sound American principle of leadership through competition and elimination—in short, by the principle of individual enterprise.

To the degree that this principle is maintained will the benefits derived from electric light and power continue to be multiplied.

TEXAS ELECTRIC SERVICE CO.

Weighed- -and found worthy

~~~~~

You may feel perfectly assured in buying any product that is consistently advertised here in the pages of your newspaper. Such a product has been weighed -- and found worthy. Not necessarily by us -- not by any committee on advertising integrity -- but by the sternest judge of the last court of merchandising appeals -- the buying public.

Advertising is merciless in its treatment of the unworthy product --- it serves only to hasten its failure. No amount of advertising --- no matter how skillfully done --- can force a product of no merit on the public. They simply won't buy it.

It seems reasonable then, doesn't it, to believe that the manufacturer of any product to be offered to the public will see that it is worthy before he backs it with thousands --- often millions --- in advertising!

~~~~~

Read the advertisements here in your newspaper----they are reliable statements about reliable products.

MRS. J. P. BOWLIN ENTERS TAIN THURSDAY CLUB

Mrs. J. P. Bowlin was the gracious hostess last Thursday afternoon when the Thursday club met at her home.

Dainty tallies of butterflies and demure colonial dames were given to the guests and they were soon engaged in the fascinating game of 42. Little Miss Alice Joy presided with the punch and at the victrola as the five tables of excited players enjoyed the contest. At a late hour in the afternoon delicious sherbet and coconut cake was served to the following guests: Mesdames George Shumake Jr., Ferris Heathington, Harvey Jordan, Thurman Wells, S. G. French, Clyde Frost, Waldo Mc-Lauren, R. O. Stark, H. E. Gillispie, Carl Westmoreland, Harville, J. W. Roberts, Guy Bradley, John Earls, E. L. Sorrels, Mack Garner, J. W. Campbell, J. F. Campbell, John Hardberger.

LOCAL PEOPLE ATTEND MISS HARDBERGER'S WEDDING

Among others from O'Donnell who attended the wedding of Miss Lucille Hardberger to Mr. James Lowell Littleton on Monday were Messrs. and Mesdames John Parzberger, M. J. Whitsett, and Thurman Wells. They brought back descriptions of a wedding impressive because of its simplicity.

The ring ceremony was read at the First Baptist Church at 9:00 o'clock by the pastor of the church, Dr. W. R. White, in the presence of a large number of friends and relatives. The pre-nuptial music, "Indian Love Call" was played by Miss Beulan Dunn, violinist, who was accompanied by her sister, Miss Marv Dunn. Mrs. I. F. Holland sang "At Dawning," with violin and piano accompaniment, after which the pianist swung into the beautiful "Bridal Chorus." She played "Hearts and Flowers" during the ceremony.

The bride entered on the arm of her father and her blonde loveliness was becomingly accentuated by a gown of blue transparent velvet with metallic hat and blue bouquet of opelia roses and valley lilies. She had only one attendant, Miss Lois Riddle of Pharr, who wore brown transparent velvet and carried radiance roses.

Clay Littleton of Abilene, attended the groom as best man. Other attendants were Jean Holland, son of Mr. and Mrs. J. F. Holland, and

Peggy Speck, daughter of Mrs. R. E. Speck of Lamesa, who were ring bearers.

Mr. and Mrs. Littleton left immediately after the ceremony for a motor trip to Texas Cities and will be at home at Ozona after September 20.

T. E. L. CLASS HONORS MRS. W. K. HORN

Members of the T. E. L. Class of the Baptist Sunday School met at the home of Mrs. W. K. Horn for an innocent class meeting, which later developed into a kitchen shower for the hostess. Many useful kitchen appliances and utensils were added to equipment of the parsonage culinary laboratory.

Due to the absence of the pastor who usually conducts the study hour, Mrs. E. Goddard conducted a most interesting lesson from the Sunday School Manual. Election of class officers was another feature of the evening. The following officers were elected: Mrs. Ed Goddard, teacher; Mrs. Harville, assistant teacher; Mrs. A. C. Lambert, president; Mrs. Merritt, first vice-president; Mrs. John Earls, third vice-president; Mrs. Eaton, Secretary-treasurer; Mrs. E. L. Sorrels, treasurer of private class funds and reporter.

The T. E. L. Class is one of the vital factors in the vitality and well-being of the Baptist church, both financially and spiritually. And one secret of their success is the business like manner in which they go about their things.

Those present were Mesdames A. C. Lambert, W. E. Guye, Eaton, C. H. Mansell, E. L. Sorrels, John Earls, Merritt, Harville, T. J. Yandell, Ed Goddard, Hobdy, W. E. Vermillion. They were invited to meet again with Mrs. Horn Friday, September 23.

A CORRECTION

The Index is guilty of another error. This time it was in the advertisement of the C. C. Dry Goods Co. which appeared in our issue of August 31st. Under the head of Trades Day Specials Chiffon Hose was quoted "95c values for only \$1.25." It should have appeared "\$1.95 values for \$1.25." We are very sorry the error occurred and gladly make the above correction.

Mrs. V. O. Morgan, sister of Mrs. W. S. Cathey, is recovering nicely from a very successful operation for goiter.

'MESQUITE ITEMS'

Our school is progressing fine. We had a fine Sunday School service Sunday morning, and singing Sunday night. Misses Olene Stephens, Helen Jones and Hazel Fisher spent last week end at their home. They like school at O'Donnell awfully well. Mr. Stroud Bearden from Wheeler, Texas, has been visiting among friends. We have enjoyed his presence at our Sunday Schools, singings, parties, etc very much, and wish very much he has enjoyed being with us.

Mrs. Gray is away visiting her folks and friends back east. We wish her a wonderful time while she is away.

Mr. and Mrs. E. L. Burris went to Snyder Sunday to a family reunion.

Mrs. Dawson and baby are visiting her sister, Mrs. E. L. Burris this week.

Misses Treida Fisher, Violet and Joy Williamson and Master Arthur Fisher and Stroud Bearden were guests in the home of Misses Loys and Mamie Bearden Sunday evening.

HOMER ST. CLAIR ACCEPTS POSITION WITH LOCAL FIRM

Mr. Homer St. Clair who has been with the Cicero-Smith Lumber Co. of Tahoka for the past six years has been transferred to the local yard. He comes to O'Donnell recommended as a splendid young business man. He has already moved his family here and they will be glad to meet all the O'Donnell folks.

CLASSES AND GRADES ORGANIZE FOR YEAR'S WORK

With every class and grade room filled to capacity, school work has begun in earnest, both in Grammar and High School. Each class has elected officers and sponsor and laid out the year's work.

Miss Irma D. Palmer will pilot the destinies of the Senior Class, Miss Hazel Burke being secretary-treasurer and Miss Lulu Rice their sponsor.

Miss Beverly Wells is president of the Junior Class, Sumner Clayton, vice-president, Miss Eva Tune, secretary-treasurer, Walter Gaston, reporter, and Mr. Dennison, sponsor.

Miss Louise Miles is president of the Sophomore Class, Miss Mary Dell Vermillion secretary-treasurer, Miss Verdie Hodges, reporter, and Miss Muriel Smith, sponsor.

Glenn Everett is president of the Freshman Class, Miss Alice Joy Bowlin, vice-president, Miss Verda Ballow, secretary-treasurer, Miss Kathryn Veazey, reporter, and Mr. Edwards, sponsor.

The seventh grade, with Mr. and Mrs. Graham as teachers and Mrs. George Shumake as room mother, has no formal organization as one body with officers, but is divided into two literary groups, the Busy Bees, with Fay Tomlinson leader, and the Willing Workers, with James Cathey as leader. These factions will take turns at rendering programs on Friday afternoon for the entertainment of their class mates and room mother.

The sixth grade has not completed its organization, nor have the second

and fourth grades. The first grade has for its room mother, Mrs. J. P. Bowlin, the second Mrs. Jeff Musick, the third, Mrs. W. E. Vermillion. Third room is made up of High Third and Low Fourth. The fifth grade has two separate organizations. The low fifth has elected little Miss Jim Ellen Wells as president, Miss Jewel Horn secretary-treasurer. The High Fifth elected Woodrow Barber president, and Bill Beatenbough secretary-treasurer. Mrs. E. T. Wells is the room mother.

The writer was a passing visitor at school Thursday morning and found things functioning smoothly and efficiently.

POPULAR DRY GOODS WILL BE CLOSED

The Popular Dry Goods Co. will be closed Saturday, Sept. 15, according to a notice made by Ben S. Collins. The occasion is the celebration of the year which had its origin in the coins which were struck in San Angelo where the store has just been completed.

Mrs. Frank Wilkerson, who returned Sunday at Big Lake, Texas, has just been named to Big Spring School and Miss Wilkerson is the school teacher.
