Queen Candidates To Be Named

The Rodeo Parade Committee is swinging into high gear this week with the selling of flags to merchants for the big 3-day Fiesta July 22, 23, and 24th. The various clubs and organizations of the town will select their queen candidates this week and advanced sale of tickets will begin early next month. There will be a parade committee meeting of 20 to 30 local ladies at the home of Mrs. F. M. Jones on Wednesday. Every effort is being made to have some unusual attraction for the parade so far as the budget will allow and folks with novel ideas are asked to see Mrs. Jones, immediately.

How About That!

Geo. Mahon Announces

George Mahon has announced this week that he is a candidate for re-election to Congress. His application to have his name on the ticket in the July primary is on file with the County Democratic Chairman. He has no opponent, but, as in previous years, he is placing his announcement in the newspapers of the District in order to let the people know of his candidacy and as a means of requesting their vote and continued support.

"I want to announce for re-election, and at the same time thank the people for their generous support and good will through the years. I will be grateful for your support in the July primary, the representative said. "I am always mindful of the fact that public office is a gift of the people and should never be taken for granted."

Mr. Mahon is one of the senior Members of Congress from the standpoint of years of service in Washington. His record in behalf of the people is well known to all West Texans.

"In some undertakings," he said, "I have failed. Other efforts have been successful. I have tried in big and little matters to do the best possible job in behalf of our Nation and the people of our District."

In his statement Mahon said, "If re-elected, and I use this means to solicit your continued favor, I shall go my whole limit to do a good job. I want to contribute everything within my power to the cause of decency and good government and to the cause of peace and security."

"I am not unaware of the fact that there are scores of important matters in which the people of our District are interested. It is the duty of a Member of Congress when questions arise to do what he can in the public interest. He cannot foresee what the future developments may be."

"Congress is now wrestling with such issues as the new farm program, an effective policy of water and soil conservation, methods of encouraging economic well being and prosperity, how far to go in military preparedness, how to keep out of another war, and numerous other vital matters. "Thousands of people write me each year for personal services of one kind or another having to do with the Federal Government. I welcome a continuation of these requests. Most of them are not of a legislative nature, but they are important to the people, and it is my duty and pleasure to perform any service, however small, at any time for the people I have the honor to represent in Congress."

SAYS PROBE IS A MISTAKE

Dear Smitty: I'm a Democrat who voted for the man now head of the Government. I voted for Ike.

I think the McCarthy investigation is a farce -- a waste of time and money -- a big mistake. Hope today is the last day. I'm sure unhappy having my radio programs messed up, too.
