Win Traditional Battle 13 to 6

By Cecil Tredway
In their last year's victory over the O'Donnell Eagles last Friday, they had won a decisive victory over their ancient rivals, the Bulldogs. The fact that they played on Tahoka's home field was the score was 13-6, the finer—for O'Donnell.

James Minor, their quarterback, and Allison, fullback, were Tahoka's offensive stars. Minor, on a cutback over tackle, got into the clear and was able to weave his way 85 yards for the Bulldogs' lone counter. (For the benefit of the local fans who could not understand why the Eagles did not stop him, may we explain that it was thought that both teams were off side. After the run was completed, the umpire ruled that only the Eagles players were offside.)

The Eagles' drum corps led by Jim Ellen Wells, executed two beautiful formations between halves, forming the letter B and giving a yell for their host team before making their regular E formation. An added feature was the release of gold balloons as they knelt in E formation. The Tahoka pep squad, clad in attractive blue and white uniforms, marched onto the field in two groups coming under the goals. They formed their T, then turned and saluted the Eagle backers.

The team and fans are proud of the job done by our squad, their sponsor, Mrs. Charles Cathey, is to be complimented on the results of her training.

Gibbs Buys Building For Repair Shop

W. V. Gibbs made a business trip to several days ago to consult with Shaw and Summerville, owners of the building in which he had operated a machine and repair shop. The deal settled that day Mr. Gibbs purchased the building and it has been moved to a lot immediately joining his filling station and grocery store. Mr. Jim Ward will continue to operate the repair shop. Mr. Gibbs stated Wednesday morning.

Faculty To Present Play Next Friday

Members of the faculty of the local schools will turn the clock back to their own school days next Friday evening when they present a rollicking comedy in the high school auditorium. The title of the play is "The Deestrick Skule Up to Date", and all reports indicate that it will be one of the cleverest and best plays ever presented here. A nominal admission fee will be charged, proceeds to be used to purchase playground equipment such as swings, seesaws, etc. Further particulars will appear in next week's issue of the Index.

Perennial Prognosticator

Exes Plan Homecoming; Nov. 2 Is Date Set

The annual homecoming and get-together for graduates and ex-students of O'Donnell High School has been set this year for Friday, November 2. Invitations are being mailed this week to all those who live elsewhere, and the committee in charge of preparations announces that this year's event will be the best ever held here.

Griff McConal Is Appointed to County Relief Board

At a meeting of the Commissioners Court at Tahoka Tuesday last week, Mr. Griff McConal, local business man, was appointed a member of the county relief board. The board is now composed of Claude Wells, chairman, C. C. Haney, and W. L. Burleson, all of Tahoka. Howard Cook of Wilson, and Mr. McConal. Judge B. P. Maddox is county administrator.

Best Work Team To Receive Prize

All you farmers or owners of good teams are urged to bring them in Monday, Trades Day to compete for honors as the best work team. In addition to the honor, the winning team will also be awarded a gift of a sack of oats from Bill Sauls feed store. Mr. Sauls made this same offer on the first Trades Day last month, but nobody took him up on it. Let one of the boys bring the team in for the contest—we've seen some mighty fine looking spars here in past years, and we believe that the territory still has some just as good.

Semi-Annual Singing Convention to Meet At Fairview Church

The Dawson County Semi-Annual Singing Convention will meet with the Fairview church this coming Saturday night and all day Sunday. The class will meet at eight o'clock on Saturday night and 10:45 Sunday morning. All singers of the county and all people who love good singing are urged to attend this convention. Be sure and attend the meeting Saturday night, for this will be an important part of the convention. The convention has been given publicity through the newspapers in all adjoining counties, therefore a large crowd is expected. Many of the noted singers are also expected. The ones having Leading Light song books are asked to bring them, also bring lutes on Sunday. The people of the Fairview community are making big plans to entertain all singers so come out and help make the convention a joyous success.

Highway Work Is Scheduled To Begin Immediately

County Judge W. E. Smith was in O'Donnell at short time Wednesday morning, and stated that work on Highway No. 9 will begin this week. There have been numerous delays and hold-ups, but Judge Smith believes that these difficulties have all been successfully thrashed out. Just as actual operations on the project were ready, it was found that some out of the county teams were being used, or had been contracted for. The Commissioners' Court was naturally anxious that Lynn county teams be used, and the work was halted until this matter could be worked out. We understand that a satisfactory compromise has been reached, where by teams that were already actually in the county and ready for work will be used, but that otherwise only Lynn county teams are to be hired hereafter.

W. B. Thomas Killed In Highway Mishap

W. B. Thomas of Pride community was fatally injured when he was struck by a car Friday evening, the accident occurring about nine o'clock on the highway a few miles south of town. He died in a Lamesa sanitarium early Saturday morning. The accident was apparently at Pride church at two o'clock Sunday afternoon, and internment was made in the cemetery there. He is survived by his parents, Mr. and Mrs. J. J. Thomas, his widow, and six children: Margaret 12; Lester, 10; and Harrol, 2; Jewel 6; Pauline 4; and Harrol, 2; and by nine brothers and sisters.

Unusual Ad Creates Much Comment Here

Anything a bit out of the ordinary always attracts more or less attention, and last week's ad from the B & O Store, with its decidedly unusual wording, has been the subject of much comment among Index readers. Naturally the fact that so many persons read the ad and read it carefully enough to see that it was different was most pleasing to the Index. In case you have forgotten, the ad was headed "Things You Can't Buy at the B & O". Manager B. L. Davis was so well pleased with the results of that bit of advertising that he is following it up this week with another of his "Things You Can Buy" ads, specially prepared for our Second Trades Day. Look for it this week.

Free Auction Sale, Special Bargains, Rodeo Events Offered

Next Monday, October 22, will be O'Donnell's second Friday Trades Day, and the directors announce this week that plans are already practically completed for the event. The opening day last month was a marked success from every standpoint, and it is believed that each Trades Day will be better than the one preceding it. O'Donnell merchants and residents thoroughly enjoyed the opportunity of playing host to the hundreds of visitors and potential customers who were here last Trades Day, and they are looking forward with the keenest pleasure to the next one.

Students Announced This Week

An unusually high percentage of students made the necessary average of 90 or above during the first six weeks of school, according to records given us this week by superintendent E. E. Gilbreath. They are: First grade: Virginia Dair Armstrong, Era Helen Graham, Ruth Marie Vandell, Royce Wayne Carroll, Samuel Hobdy, William Woodrow Hodges, Billy Schooler, Charlie Stubblerfield, C. L. Tomlinson, and Delbert Wade Vandell. Second grade: Donald Cargal, Frank Stokes, Jimmie Schooler, Billie Jane Johnson and Zora Faye Harris. Fourth grade: Charles Shaw and Jessie Lee Ables. Sixth Grade: Betty Ribcuff, Seventh grade: Horlee Davis. High school students are: Freshmen: Leta Marie Koeninger, Leona Holman, and Art Thompson; Sophomores: Aileen Gates, Jennie V. DeBusk; Juniors: Sybil Pirtle, Norma Ruth Vermillion, Kay DeBusk, Robert Gary; Seniors: Dorothy Walk, Students and their parents as well as the community, should be proud of the high quality of work being done by every student in our schools, and especially proud of these outstanding pupils. The Index joins in commending them.

More Cotton Ginned Than Last Year

It was a surprise to us, and we believe to the entire county, to know that more cotton has been ginned in Lynn county than at this time last year. According to the cotton census sent out by Edward W. Holloway, special agent of the Department of Commerce, there were 2377 bales ginned in Lynn county prior to October 1, 1934, as compared with 2173 bales ginned at the same date last year. Locally, however, this record does not hold good. As we go to press, there have been 65 bales ginned in O'Donnell as compared with 738 last year.

Rev. and Mrs. A. Loper Has as Guests Sunday Mr. and Mrs. Jack Edwards of Tahoka.

Mr. and Mrs. Harvey Line and children and Mr. and Mrs. Carey Shock and a little daughter spent Saturday in Seminole with Mr. and Mrs. Guy McGill. Mrs. A. Loper left Tuesday for an extended visit with relatives in friends in Dallas and other central Texas points. Come to O'Donnell Trades Day.

Many new events planned for the Index, there will be several new and worthwhile events for this second Trades Day. All the morning, from nine until noon, will be devoted to the Auction Sale, and all persons having any goods of any kind to be disposed of, are hereby notified that they will be welcome to bring them in to be sold. Pens have been secured for livestock, an auctioneer has been secured, and the directors report that already several men from various parts of the territory have announced that they will have livestock and implements here to be sold. The Auction Sale will be held immediately in front of the Higginbotham-Barlett building, in the open block. If the weather is bad, it will be held in a building here in town. The first two hours of the sale will be strictly for the benefit of our friends from the territory, while the last hour, from eleven until noon will be devoted to the sale of merchandise offered by local merchants and business men. Last week's issue of the Index carried a partial list of items, and many have been added this week. All these articles are practical, good quality, and will be well worth your bid. Look over the list and make your selection before you get here.

Rodeo Events

The rodeo events and horse races are under the direction of Mr. Tom Anderson, who states that several entries have already been filed for this feature of Trades Day. It will be a remarkably fine show, due to a light shower on Sunday night, the race track was too slick for use until late in the afternoon of last Trades Day. The entries are as follows: Look over the list and make your selection before you get here. We understand that this same horse will be here again Monday, and several local horses have been listed. Bronco riding, goat roping, and other rodeo events have been planned to go to furnish a full two and one-half hours program, all this to take place at the race track just south of town. As was explained last week, a nominal admission fee will be charged for this feature, gate receipts to make up the purse for the winners.

Merchants Offer Bargains

This edition of the Index carries a list of special bargains in every line of merchandise, as local business men fall in line to help the territory get ready for winter. Grocers, druggists, hardware men, automobile and accessory dealers—every kind of merchandise is represented in these ads. Extra circulation of the paper this week will insure you of your Index in plenty of time to study these ads and find the bargains most suited to your needs. Every business house in town will welcome you, then and at all times. In addition to these sales events, merchants have arranged a most interesting program as the climax of the day, this program to begin at five o'clock promptly.

Rev. and Mrs. A. Loper Has as Guests Sunday Mr. and Mrs. Jack Edwards of Tahoka.

Mr. and Mrs. Harvey Line and children and Mr. and Mrs. Carey Shock and a little daughter spent Saturday in Seminole with Mr. and Mrs. Guy McGill. Mrs. A. Loper left Tuesday for an extended visit with relatives in friends in Dallas and other central Texas points. Come to O'Donnell Trades Day.

Lamesa Plans Good Will Trip to O'Donnell

Lamesa, October 17.—It is being planned to carry our band and the Lamesa citizens as can go to O'Donnell on October 20, provided the O'Donnell people are as kind as the Lamesa's goodwill for the month.

In this matter has been talked with the O'Donnell people and the idea seems to meet the approval of all to whom it is mentioned.

In the past several years Lamesa has conducted goodwill trips, carried by band, and stopped in O'Donnell for a few minutes, gave a short program and received the very cordial welcome of these good people, but it is this year a real heart to heart and meeting with these people on a community wide program the sole purpose of getting together and knowing each other better will be on of the best things both could do. We all need to get together with our neighbors more than we have. When we learn each other better we will like one another better.

O'Donnell and Lamesa are neighbors and have always been friends. Lamesa people go to O'Donnell and O'Donnell people go to Lamesa and help at home. There is no competition between the two towns. They have many things of interest in common and why should not these two communities work together.

Plans for the final announcement of arrangements for this meeting and make your plans to go.

Local News

Students of the Joe Bailey school, excellent records on their first examinations and patrons as well as patrons are much pleased with the success of the school term.
 Mrs. Frances Brewer and Beatrice Beckham were exempt in Algebra and History last month.
 Those making the honor roll this month are: Sixth Grade, Ruby Leavelle and W. J. Taylor; Fifth Grade, Gene Kyle; Fourth Grade, Homer Casie May Newton and Bryan.
 Misses Lucy Cook and Juanita

Williams, Messrs. Woodrow and Clinton Lee Bryan and Silas Russ were guests Sunday of Misses Jessie Williams and Beatrice Beckham.
 Mrs. Toy Ketsner and new daughter, Gwendolyn, have returned to Tahoka after a few weeks' visit with Mrs. J. E. Williams.
 Mr. and Mrs. Henry Tankersley and family were guests in the home of Mr. and Mrs. Lon Williams Sunday.

Church News

There were seventy present at Sunday school Sunday morning.

A large crowd was present Sunday night for B.T.S. A very interesting program was rendered on the subject "Christ Must Reign."

Everyone will be welcome to come and take part in this work.

Sports

The Blue Darter Boys will play the Draw Longhorns Wednesday night on Draw's court. Come and see an interesting game.

Society

Mrs. Bud Moore entertained her little daughter, Dori Nell, with a birthday party last Saturday afternoon, celebrating her fifth birthday. She received many lovely gifts. At the refreshment hour, cake and ice cream were served to eight guests and the honoree.

Mrs. Jim Bryan will entertain the young people of this community with a tacky party Saturday evening.

WELLS NEWS

Lizzie Mae Barrett, Correspondent
 Mr. and Mrs. Roy Adams and daughter, Peggy, and Miss Mary Adams spent Sunday in Post with Mrs. Adams' sister.

Wells and T-Bar teams played basketball last Friday afternoon. The scores were 25-12 in favor of T-Bar in the boys' game, and the T-Bar girls' team also won by a score of 8 to 4. Everyone enjoyed the games.

Mr. and Mrs. L. J. Barrett entertained the young people with a party Friday evening. Everyone reported a nice time.

Singing at the Barnes home was much enjoyed Sunday evening.

Mr. and Mrs. Lon E. Jones and family spent the week end with her parents at Hamlin.

Misses Ruth Smith and Lois Chaney were guests Sunday of Misses Lizzie Mae and Georgia Lee Barrett.

Mr. and Mrs. J. E. Lynn of Littlefield are visiting her sister, Mrs. W. A. Simpson.

Woodrow Barber, former O'Donnell high school student who is now attending school in Tahoka, spent the week end here with relatives and friends. "Nellie" is one of the best men on the Tahoka squad this year.

Thornhill's Store Makes Purchases

Mrs. W. H. Thornhill, proprietor of Thornhill's Variety and Drygoods store here, has just returned from marketing centers in central Texas, and announces that quantities of new merchandise have already been delivered to the store.

In addition to items purchased during her market trip, Mrs. Thornhill also made extensive selections in ladies' ready-to-wear from models shown in the style show at Lubbock last week. These include silk frocks, wools, suits, and a wide variety of styles and colors. Of interest to the needlewomen especially will be the large assortment of handwork, stamped on heavy linen, featuring lovely designs in Italian cutwork.

Working with Miss Florence Garry, manager of the store, Mrs. Thornhill has arranged a most attractive Trades Day autumn sale event, which is explained in detail in her Trades Day ad in this issue. Readers of the Index are cordially invited to read the ad and then make Thornhill's their headquarters on Trades Day and every day.

ON TEXAS FARMS

Yard improvement demonstrators have one eye out for native shrubs as they go about the world these days. The plan is to mark them now while they can be identified, and transplant them later.

Mrs. Hope Porter of the Maypearl home demonstration club in Ellis county did not find it hard to persuade her husband to put up pantry shelves to contain 1000 cans and jars of home-grown food after she had put up the products.

J. L. Gore of Bellefonte community in Wood county says that cutting weeds in his pasture proved to be as profitable work as he did on the farm this year. Mr. Gore has a subirrigated area of one acre where he has a stand of carpet grass which has furnished grazing for two cows and three horses despite the drought.

The value of conserved moisture was proven again by Elmet Hitt in Garza county when he outwitted the drought by planting a cotton crop in the basin of what in ordinary years is a lake. Five acres of this are giving Mr. Hitt between three and four bales of cotton which he estimates is as much as the entire 32 other acres he planted will yield. With the help of the county agent he drained the excess water out to another portion

WELCOME, TRADES DAY VISITORS

Down-to-Earth Prices

Because of the fact that many residents of our territory are hard hit by this year's crop failure, we have gone through our entire stock of new winter merchandise and marked it down just as low as we can possibly sell it. We're willing to lose part of our profits along with our friends and customers, many of whom would otherwise perhaps not be able to buy actual necessities.

This Trades Day falls just at the opening of the season when we can begin to expect hard Winter weather, and with this in mind we have arranged a wide variety of **TRADES DAY SPECIAL PRICES** on the most needed items of clothing and household supplies for the whole family. Lack of space prevents listing them all with their prices, but among them you will find

Expect Record Attendance For Homecoming Day

"Back to School" will be the cry of scores of ex-students when they start the annual trek back to the campus of the local institution of learning on November 2.

This event promises to be a gala day in the lives of former students, as more elaborate plans and more definite programs are being worked out for the homecoming celebration this year for the Black and Gold.

The Eagles will play Crosbyton that date, with D. A. Edwards, superintendent of that school and a former superintendent here acting as master of ceremonies for the occasion.

The local high school football field will be dedicated that day, and the Eagles will be fighting to maintain the tradition of never having lost a game on that field. Incidentally, only seven points have been scored on the field by Eagle opponents in the two years it has been in use.

Ex-Students Banquet
 A banquet for all graduates and ex-students of the high school, who were enrolled for as long as two years, will be one of the features of the homecoming program. Persons desiring to attend this banquet should get their reservation in to Mrs. Randall Gibson not later than October 26.

Plans are being made by the entertainment committee to stage a gigantic parade through the business section of town just before the game is called. There possibly will be a special chapel program in the morning, although plans for this are not yet definitely worked out. Next week the Index will carry a complete program of the various events of the day, as the committees will complete their plans this week.

Committees Appointed
 Although plans for a grand homecoming have been in the air for several weeks, they were not definitely settled until a called meeting last Thursday evening. At that time officers were elected for a permanent organization and committees were appointed. Officers are as follows: President, Will Ed Tredway; vice-president, Mrs. Harvey Line; secretary and treasurer, Mrs. Randall Gibson; publicity manager, Cecil Tredway.

Committees were appointed as follows: entertainment, Alvie Tredway; social, Mrs. T. A. Greenwood; Harvey Line and Mrs. E. E. Gilbreath; Banquet committee: Mrs. Harvey Line, Ruth Marie Howard, Louise Anderson, Mrs. Charles Cathy and Beverly Wilds.
 Invitation committee: Kimmie Lee Pearce, Iva Dimple Hancock, J. C. Christopher, Eva Dell Harris, Hazel Burk, Will Ed Tredway and Earl Howard.

Watch the Index next week for complete details concerning Homecoming Day.

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912

Of the O'Donnell Index, published weekly at O'Donnell, Texas for October 1, 1934.
 STATE OF TEXAS:
 COUNTY OF LYNN: ss.
 Before me, a notary public in and for the State and county aforesaid, personally appeared Mrs. Ferrell Farrington, who, having been duly sworn according to law, deposes and says that she is the editor of the O'Donnell Index and that the following is, to the best of her knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption required by the Act of August 24, 1912, en-

acted in section 411, Postal Laws and regulations, printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are: Publisher, Joe Alexander, Lamesa, Texas; Editor, Mrs. Ferrell Farrington, O'Donnell, Texas.

2. That the owner is: (If owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding one per cent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a firm, company, or other unincorporated concern, its name and address as well as those of each individual member, must be given.)

Joe Alexander, Lamesa, Texas.
 3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.)
 W. H. Ritzenhaller, Salisbury, Mo.
 Mrs. J. E. Alexander, Cumbly, Tex.

4. That the two paragraphs next

above giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also in cases where the stockholder or security holder appears upon the books of the company as trustee or any other fiduciary relation, the name of the person or corporation for whom such trustee

is acting, is given; also that the said two paragraphs contain certain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and that this affiant has no reason to believe

that any other person, association or corporation has any interest direct or indirect in the said bonds, or other securities there stated by her.

Mrs. Ferrell Farrington,
 Sworn to and subscribed to
 this 17th day of October, 1934.

MUST MAKE PASSING GRADES TO PLAY FOOTBALL

This seems to be a paper large content of football news week, permit us to digress further. Did you know that our boys make their grades before they play football?

At the beginning of the season, superintendent and our coach candidates for the team "up carpet."

Mr. Gilbreath, sergeant will fall on you more than other group or individual to ent this school and this town. you and your behavior will reputation of the school and you, because you will be our representatives in a number of towns this season. We just want to understand now that we're to use only the best of our

material, and we want you to understand that playing football won't get you through this high school. You've got to make passing grades before you can play football on this team. And we want it strictly understood that no grades will be given to you—you've got to make them yourselves."

And Coach Johnson, chewing a little harder on his chewing gum, chimed in with, "Yep, and you've got to play football, CLEAN football, before you can play on this team. If you don't I'll jerk you out and run you off the field."

So folks, you can bet your last dime on the fact that every Eagle who goes out on the field has studied enough to make passing grades—or he wouldn't be out there.

Mrs. W. V. Gibbs was in Lamesa on business Tuesday.

Eagles To Meet Seagraves Friday

After their hard-won victory over Tahoka last week the Eagles will have a chance to week end or less get their breath this week end by meeting the Seagraves eleven on the home field Friday afternoon. The game is called for 3:30, and by virtue of an agreement signed several weeks ago the following business houses have signified their intention of closing for the game:

Whitsett Drug, C. E. Ray Tailor Shop, Corner Drug, C. C. Drygoods, Thornhill Variety and Drygoods, Cicero Smith Lumber Company, Higginbotham-Barlett Lumber Co. Bonnie's Coffee Shop, Gene's Sandwich Shop, Economy Drygoods, J. N. Line & Sons, Mansell Bros. City Grocery & Market, Eagle Cafe, Wilson's Cash Grocery, Singleton Hdwe, H & L Grocery, B & O Cash Store, and the Index office.

Prospective customers are urged to plan their shopping and marketing so that they will not be inconvenienced by the closing of these business houses who believe in backing the school and the team.

Because most of the stronger teams of the district already had full schedules efforts to secure a match with another team were unsuccessful. So the game Friday may be more closely contested than is anticipated.

Coach Johnson states that he will likely use second string men most of the time, perhaps running in first stringers at intervals. The second string men, most of whom will be back next year, will no doubt welcome this chance to gain experience under fire. Several regulars will be lost next year through graduation, and it will be up to the subs to fill these holes.

Only a few minor injuries were sustained by the boys in last week's game. "Spider" Webb is suffering from a bad shoulder, and "Pups" Davis injured a foot when he was tackled near the sidelines and crashed into an automobile. These two will probably not see much action Friday, but expect to be ready next week in the game against the Lamesa B-squad.

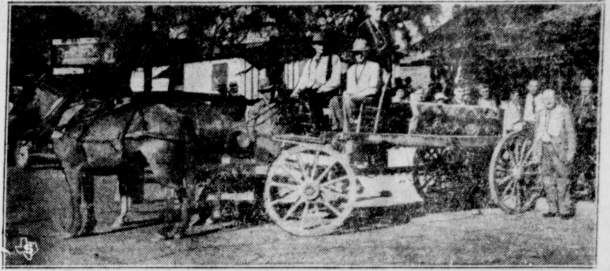

Unless Coach changes his mind, the following line-up will probably take the field for the opening kickoff Friday afternoon.

Gardenhire and Vaughn, ends; Stephens and Curtis, tackles; Edwards and Proctor, guards; Tunt center; Bob Gary will call signals from the quarterback post; the Burnett brothers, Hack and Dunor, get the call at the two halfback positions and McMurtrey or DeBusk will start at fullback.

All this line up, with the exception of Stephens and McMurtrey will be back next year. Local fans are urged to come out and see the second string men perform, so they can build up an idea of next year's team.

Personally we believe they're coming along fine, and with just a little more experience will be completely

Octogenarian Buried in Old-Fashioned Manner

The old-fashioned funeral specified in a letter to his wife, written a year ago, was conducted for John Jefferson Day, 80, who died in Breckenridge, Texas. The former singing master of Stephens county asked that his body be taken to the grave in a flat-bottomed wagon, driven by his old friend, G. T. Hewlet. In the picture Hewlet drives, while sitting by him is Jess Farhill, who built the coffin, as requested by Day. (Texas News Photos.)

Criminal Docket Taken Up In Court Sessions

The criminal docket for this term of district court now in session at Tahoka, was taken up when court opened last Monday morning. Several cases were disposed of Monday and Tuesday, but were unable to get the details in time for last week's paper. The jury was excused Wednesday, but returned Thursday for further service. Reports of court proceedings as we have received them are as follows:

The first case taken up Monday morning was that of Joe Salome, an El Paso gentleman, charged with swindling by giving a cold check. The check in the sum of fifty dollars and thirty cents was given to Harry Hewlett of Wilson last February for a truck load of eggs. Following the indictment, Saturday Salome paid the check and the jury let him off with a three years' suspended sentence. Judge C. H. Cain was appointed by the court to represent the defendant.

The second culprit brought to the bar of justice was a gentleman of color, Tom Cooper, charged with assault with intent to murder Joe Hale of O'Donnell and he drew a term of 5 1/2 years in the pen. Hale, runs a tin shop in O'Donnell. Cooper came into his place one night last winter and made a vicious assault upon him fracturing his skull and rendering him unconscious. Hale claims that the negro took what money he could find in the shop. Cooper pleaded not guilty, denying his guilt on the witness stand but the jury found against him. Judge Cain also represented this defendant by appointment of the court.

The third case brought to trial also involved an assault to murder charge against a negro, Boots Grant, of Tahoka. Boots, in a different case, another negro "over the hill" in north east Tahoka, shot his victim in the back at close range, but the wounded negro refused to die. The jury decided that Boots should spend two years down at Huntsville. Again, Judge Cain represented the defendant.

On Tuesday afternoon the case of Texas versus J. C. Harlan was called, Harlan being charged with the forgery of a check passed to G. E. Hogan of Tahoka, the check bearing a fictitious name. Harlan's attorney, Ben Kucera of Lubbock, filed a plea on insanity for the defendant and the trial proceeded on that issue. The jury found Harlan to be of unsound mind and he has been taken to the state hospital for the insane at Wichita Falls for treatment.

Two liquor cases against Adolph Wenzel of Wilson were passed until Thursday morning.

The case of Lawrence Jackson of Draw charged with the sale of whiskey was postponed on account of the sickness of a state witness.

George Hervey of Lubbock charged with the illegal possession of beer for sale, through his attorneys, Vickers and Campbell, filed a motion for continuance on account of the serious illness of a daughter residing in Oklahoma. Upon proof of the facts set up in the motion the case was continued.

Another case charging E. E. Thompson with the illegal possession of liquor for sale was postponed on account of the absence of his attorney, Tom Gerrard, who was in Austin on business.

The case against C. L. Dickson which has been on the docket for some time was again continued upon representation that Dickson is now in jail in Clovis, N. M. charged with another offense and could not be brought into court here.

The docket is being continued this week, the first one called Monday morning being the McKee automobile case. Additional details of this week's calendar will be published next week.

BAPTIST CHURCH

A. Loper, Pastor
 Interest in our church and Sunday school continues to increase. The Young Peoples' department gave a very interesting program last Sunday on 'The Christian and His Bible' emphasizing the fact that reading, believing, and obeying the Bible will kindle the missionary fires in the lives of people.

Next Sunday the officers and teachers will give a brief program on 'The Christian and Prayers'. He who reads his Bible and prays will realize his obligation to missions. Do not forget that we are expecting a special mission offering from every pupil in our Sunday school on the last Sunday in this month. Teachers, see to it that your class registers one hundred percent.

The W. M. U. circles had their meeting together at the church Monday afternoon, featuring a very interesting Royal Service program. Remember our Sunday school meets at 9:45. Be on time.

Can You Prove Your Oil is Better than the Others?

We Can and Do!

This Machine Shows Why this New Oil Cuts Motor Wear and Saves You Money!

YOU, as a buyer of Motor Oil, should ask that question — and demand facts! Here is Continental's answer: In the demonstration pictured below, the film strength and oiliness of every well known motor oil in America have been shown to be increased by the addition of a drop of Germ Essence.

Demonstrations before at least two hundred thousand motor-minded men have proved that "Any oil would be better oil if Germ Processed!" But there is only one oil made by the patented Germ Process—New and Improved Conoco Germ Processed Motor Oil! Use this oil of proved strength in your car! It saves you money by giving greater motor protection and lower oil consumption. It gives you the comfortable feeling that you know your car is protected by the safest, finest motor oil made!

- 1 Assembled instrument. Split bearings and shaft, lubricated with competitive oil, are clamped between bearings "size" of instrument. With set-screw, extreme pressure is applied.
- 2 Crank is now used to turn shaft. Oil film ruptures and bearings "seize." Shaft extremely hard to turn. You can even hear the metal-to-metal contact!
- 3 Drop of Germ Essence is added to oil in bearing. Shaft can now be turned easily. Smooth, quiet movement—no seizing—no sound. Proof that Germ Processing increases oiliness and film strength of any oil!

TO CAR OWNERS OF O'Donnell
 Continental backs claims with facts. To prove that New and Improved Conoco Germ Processed Motor Oil gives you lower oil consumption as well as greater motor protection, we drove six brand new cars to destruction, testing this oil against five other nationally known oils. Any Conoco station will give you a booklet that tells the story of this convincing test. It will pay you in money saved to read it. Drive in and ask for a copy—or try this oil!

HOW ABOUT IT?

Still on this football question—it will soon be time to award sweaters to the boys. As everyone knows, for a number of years the boys made up the money themselves to buy their sweaters. Last year local business men contributed something toward this fund.

It seems to us that the town owes these awards to these boys, and while no one has asked us for our opinion we believe we business folks should make this a gift to the team. In informal conversation Saturday morning, three of us simultaneously expressed this opinion, and three sweaters are hereby given to the team.

(Editor's note: Seven more men have added their names to the list this week, making ten sweaters already promised.)

What do you think about it? Call up Coach Johnson right now and tell him you want to give a sweater to one of the Eagles.

Mr. and Mrs. Bob Debenport returned Friday of last week from Roswell, N. M., where they have spent the past several weeks. Mrs. Debenport is feeling much better than she did before they made the trip.

Miss Jessie Middleton, who is in business school at Lubbock, spent the week end at home.

Local Farmer Rejoices; Good Old Times Here

A Gillispie, long time resident of the South Plains and a prominent farmer in our territory, declares that years like this one make him feel like the good old times are here again. Just in case some of the other old timers have forgotten 1917 and 1918, Mr. Gillispie recalled the other day that he and his family of ten made ONE bale of cotton in those two years. He took it to Lamesa to be ginned, as O'Donnell had no gin at that time. Buyers there didn't bid enough for the cotton, and he knew that money from one bale would be less than a drop in the bucket toward paying debts, so he just brought it home for the wife and children to see.

Later, however, he decided to peddle that cotton, the "crop" of two year's hard work. He bundled the bale into the wagon, loaded some feed for the team, put in some coffee and the coffee pot and frying pan and started to Tahoka. Ed Gillispie, a kinsman fresh from New York, had never enjoyed a trip in a covered wagon, and so begged for permission to go along.

"We camped that night at Cowan school house," Mr. Gillispie mused. "We made coffee on a fire of prairie coal, the coyotes made music for us while we ate, and Ed said it reminded him of the city."

The continued the trip to Tahoka where J. E. Ketter bid 30 per lb. for the bale.

"As horse feed and coffee were getting low, I took him up on that bid," Mr. Gillispie concluded. "Believe me, I had lots of money. Returning home by way of O'Donnell I bought enough bacon, beans and coffee for the winter from L. G. Phillips paid C. H. Doak \$10 I had borrowed from him the winter before to buy the children's shoes, and went home feeling happy."

And I'm still happy, because them good old times are still here—I made one bale of cotton last year and two this year."

J. Mac III, small son of Mr. and Mrs. J. Mac Noble, Jr., was seriously ill last week with intestinal flu. He was much better Saturday, when his mother was seized with the same disease. Local physicians report a light epidemic of this ailment throughout the territory.

May by Play Account of Friday's Game

First Quarter
 Strasser, Bulldog tackle, kicked off to O'Donnell over the goal line. The Eagles put the ball in play on the 20-yard line and on the first play of the game, DeBusk broke through over right guard for 8 yards. Hunt played over left guard for 5 yards and a first down. Morrison skirted on the left end for 11 yards and another first down. Morrison gained 4 yards around left end, but Clayton drew a 15 yard penalty for holding. On the next play Hunt backed up and threw a 30-yard pass to DeBusk who ran the remaining distance to score. DeBusk failed to convert.

DeBusk kicked off to Drennon, who caught the ball on his own 10 yard line and returned it to his 17. On the next play Minor broke over right tackle and ran 83 yards for a touchdown. Drennon's attempt to convert was blocked by Line. Strasser kicked off to Clayton, who received the ball on his own 20 yard line and returned 15 to the 35-yard stripe. The Eagles drew a 5 yard penalty for offsidess, and DeBusk kicked out of bounds on Tahoka's 40 yard line. The Bulldogs failed to gain in two attempts at the line and Allison kicked to Davis on his own 9-yard line, and he returned it to the 22-yard line as the first quarter ended 6-6.

Second Quarter
 Morrison picked up 13 yards at left end for a first down. Hunt made 10 yards over left tackle for another first down. On the next play the Eagles drew another 5 yard penalty for offsidess and DeBusk punted 59 yards to Minor on the 1 yard line, where Gibson hit him so hard he fumbled and Line recovered.

On the first play O'Donnell was penalized 5 yards for offsidess. DeBusk hit the line three times on the second down and on the fourth down, Hunt plunged over right guard for a touchdown. DeBusk's kick for extra point was good.

DeBusk kicked off to Minor, who took the ball on his own 10 yard line and returned 20 yards to his 30. Barber picked up 2 yards at the line and Drennon failed to gain on the second down. Allison kicked out of bounds on O'Donnell's 40 yard line. Hunt plunged 8 yards through left guard, and Clayton made it first down through the center of the line. On the next play O'Donnell was penalized 15 yards for holding. DeBusk then kicked 40 yards to Tahoka's 25, where Minor signaled for a fair catch as the half ended 13 to 6.

Third Quarter
 Hack Burnett replaced Morrison at halfback, and Tune replaced Davis at center. DeBusk kicked off to Barber who took the ball on his 12 yard line and returned to his 28. Allison picked up 3 yards over left tackle. Pass Allison to Minor was incomplete. Allison then kicked to Burnett, who took the ball on his 40 yard line and returned to Tahoka's 42 yard line. Clayton was hurt on the play, but remained in the game. Hunt cut over left tackle for 5 yards. A pass Hunt to DeBusk was knocked down by Barber. DeBusk kicked out of bounds on Tahoka's 11 yard line. Allison promptly kicked out of bounds on his own 46. Burnett lost 3 yards around right end. DeBusk attempted to punt and fumbled, Tahoka recovering. Allison lost 2 yards around right end. Wash, Eagle tackle, was hurt on the play, but remained in the game. A pass Allison to Barber was knocked down by Hunt. Allison kicked to Davis on his own 25 yard line, where he was downed in his tracks. Burnett evaded a tackler and scampered around right end for 40 yards, but the play was called and O'Donnell well penalized 15 yards for clipping. DeBusk punted 40 yards to Minor, who was downed in his tracks by Gibson. A Bulldog pass was incomplete. Minor failed to gain at the line and Allison kicked out of bounds on O'Donnell's 32 yard line. Clayton picked up 3 yards over center and Burnett shook off three would-be tacklers and sprinted around right end for 32 yards. DeBusk hit the line for 5 yards. Hunt was stopped by Gill for no gain. Burnett started around left end, cut back over tackle down through the middle of the secondary and ran 25 yards before being accidentally tripped by DeBusk who blocked Minor, Bulldog safety man, out of the play and the quarter ended 13 to 6.

Fourth Quarter
 The ball was on Tahoka's 15 yard line. Hunt failed to gain at the line. Clayton went over left guard for 2 yards. Burnett and Hunt failed to pick up the necessary yardage for first down, and the ball went over. Barber gained 5 yards over left tackle. Minor failed to gain, and then picked up 2 yards on the next play. Allison kicked to Davis on his own 30 yard line. Davis fumbled and Tahoka recovered. A pass was incom-

plete. Allison lost 5 yards on an attempted end run, being smeared by Bob Line. Another pass Allison to Gill was incomplete, and Allison kicked out of bounds on O'Donnell's 11 yard line.

DeBusk picked up 2 yards off left tackle and then kicked out of bounds on his own 48 yard line. A pass Allison to Minor was incomplete. Tahoka drew a 15 yard penalty for holding. A pass Allison to Barber was complete and good for 15 yards. Another pass Allison to Minor was good for 15 yards. Allison passed to Gill for 15 yards. Another pass Allison to Minor was good for 16 yards. O'Donnell was penalized half the distance to the goal line, putting the ball on their 7 yard line.

Allison threw three straight passes that were knocked down by Hunt, DeBusk and Morrison. On the fourth down Minor hit the line for no gain and the ball went to O'Donnell on downs. DeBusk punted to Minor who fumbled and O'Donnell recovered. Morrison was back on the next play, but fumbled and lost 5 yards. DeBusk punted to his own 43 yard marker. A pass Allison to Minor gained 10 yards. Another pass Allison to Drennon was incomplete. A pass Allison to Gill was knocked down by Davis but officials ruled that Davis had interfered and allowed the pass to be good for a gain of 25 yards for the Bulldogs. A couple of passes were incomplete and two attempts at the line were stopped by Stokes and Clayton and the ball went over. Morrison picked up 9 yards around right end. On the next play the Eagles were penalized 15 yards "because O'Donnell fans were on the field". DeBusk picked up 8 yards over tackle and then punted as the game ended 13-6 for O'Donnell.
