Old Timers Meeting Set for All Day Saturday, June 24

Pioneers of Lynn County are making plans for a big time Saturday when the annual Old Settlers' Reunion is held at Tahoka. Registration will begin at 9 a. m. and from that time on throughout the day those who came to Lynn county thirty or more years ago will make merry.

There will be talks, singing, instrumental music, skills, square dancing, and a barbecue at noon. President E. T. Wells of O'Donnell will give the welcome, and Judge C. E. Lott of Lubbock will deliver an address. Gles Shaw and Mrs. Claude Donaldson will lead assembly singing. Wells and Morris will furnish the music, and Jim Weatherford will lead the square dance.

Prizes will be offered for the oldest pioneer woman, the oldest pioneer man, and the pioneer who travels the farthest to attend the reunion. Quite a few are expected to come from distant points.

The business meeting will be held just before noon and the barbecue at noon will be for members of the association only.

Mrs. Pearl Price and Mrs. Frankie Fenton will be in charge of registration.

The program and entertainment committee consists of Happy Smith, Miss O'Berger Forrester, Mrs. Nettie Edwards, Miss Clara May and Mrs. Era Stewart.

Hal Robinson will sponsor a dance at night, and it is hoped a band concert can be arranged for 7 o'clock.

TAHOKA OFFER FOR SEWER SYSTEM IS ACCEPTED BY THE OWNERS

TAHOKA, June 17.—The city of Tahoka offer to the Lynn County Sewer company of San Antonio for the sewer system which has been accepted by the owners.

The company and as soon as legal procedure is completed, the city will take over the property.

Built years ago at an estimated cost of \$50,000, the company three years ago offered to sell for \$25,000. Recently Mayor Deane and the city council, with C. H. Cain, attorney and former mayor, opened negotiations again and made a new offer.

The city, it was said, plans to reduce rates to customers. Also the city will start a campaign to secure additional customers.

COUNCIL REPORT

The Lynn County H. D. Council voted June 10 to pay ten dollars of the expenses of the Lynn County Gold Star girl, Marcelene Stephens of Midway to the short course at College Station, Texas.

The date set for the H. D. ladies' county picnic is August 30.

The farm garden on the court house lawn south of the building will be replanted. This is an expansion project for the counties' ladies to see and study.

Club reports were given by five club representatives.

AUXILIARY OFFICERS IN TAHOKA JUNE 24TH

State officers of the American Legion Auxiliary will be entertained by the ladies of the Marston G. Bradley Post #200 at Tahoka Saturday, June 24, at a breakfast at the Legion hall, Mrs. R. L. Richardson announced.

All Legion ladies are being urged to attend the breakfast and the community in general is invited to hear the talks.

Dignitaries who will be present will include Mrs. Wm. Wyatt, the State president, Mrs. J. C. Osborn, secretary, Mrs. George Berry, formerly of Lubbock and a candidate for president next coming year, and Mrs. Fred Higby, Lubbock.

CHURCH OF CHRIST NOTES

Services were well attended last Sunday with visitors at the morning service from Colorado City, Abilene, Lamesa, Wells and several from Dawson county.

Interest, attendance and collections are all holding up well this warm weather.

The whole congregation feels bad because our beloved elder J. J. Weems has been ordered to bed for thirty days. We are hoping and praying for his speedy recovery.

Services next Lord's day: Bible study—10 a. m. and 8:30 p. m. Visit the friendly church. R. P. DRENNON.

RETURN FROM FISHING TRIP BELOW SAN ANGELO

Mr. and Mrs. Hal Singleton, Mr. and Mrs. Charles Hoffman, and Mrs. and Mrs. Hal Singleton Jr. and son enjoyed a fishing trip down on the Concho below San Angelo. They refused to make any predictions about how many fish they would bring home, but advised everybody to get ready to eat everybody to make room for the catch. (Yeah, but what catch?)

One Man Dead In Snyder Flood

Hundreds of Families Homeless As Waters Sweep Two Cities; Highway Traffic Hampered

CLORADO CITY, June 20.—Cloudburst-swollen streams in West Texas drowned one person, swept away highway and railroad bridges, and left between 200 and 300 families homeless here and at nearby Snyder.

The Colorado river here battered down a major railroad bridge and a highway bridge, and destroyed two smaller spans. Rail and highway traffic was at a standstill. Ollie Morrow, 60, former Snyder business man, was drowned there last night when a flash flood swept him from a bridge.

Colorado City, a town of 5,000, watched floodwaters back into the residence district up a normally small creek that empties into the Colorado.

Two hundred Mexican and negro families fled to higher ground.

Snyder and Red Cross officials asked aid for 50 persons left homeless. Surgeons and sanitary crews were sent to wash out the two creeks washed their houses away.

Local fire underwriters dumping up to 11 inches of rain caused the floods. Water at Snyder, a town of 3,000, so swiftly emergency crews were sent to wash residents. Snyder is 35 miles northeast of Colorado City. The downpour fell throughout the area, mostly farm and pasture land.

The river here receded rapidly tonight and traffic moved on S. highway 80 across a bridge the approach of which had been 10 feet under water. South Colorado City was without city water and lights, a water main having been washed away. Train passengers, marooned when the railroad bridge washed out, were taken to Big Spring by bus.

Only a few minutes before the railroad bridge washed out, a west bound Texas and Pacific passenger train, stalled on the bridge, saw water lapping two feet below the floor of the trestle. Hundreds of bales of cotton and other debris, jammed at the pilings until the structure collapsed. Eight cars of fuel oil, shunted to the bridge in an effort to stabilize, plunged into the torrent.

Bridge Is Carried Away

A few miles south the flood had already carried away the bridge on the highway to San Angelo. Smaller spans over the river north of town were destroyed.

For a hundred miles south, there are no major cities or towns in the path of the flood. The nearest is Robert Lee, a town of 800, about 60 miles south.

Robert Lee was up 12 feet at Robert Lee at 5 p. m. and rising slowly. Ranchmen were warned to move livestock to higher ground, and extensive damage was not expected in that area.

Snyder Damage \$250,000

Damage at Snyder unofficially was estimated at \$250,000. Mrs. Carrie Line, Scurry county Red Cross chairman, asked to be sent to 50 persons made homeless and for 200 others whose homes and belongings were badly damaged. Total rainfall in Snyder late Monday afternoon and night was 5.05 inches, and crops in the area were washed or seriously damaged by beating rains and winds.

Morrow's body was recovered from Dry creek, one of the small streams which rose so swiftly that many sleeping residents had to be warned by a fire siren.

Other persons first reported missing at Snyder were accounted for. The Dallas weather bureau predicted local conditions which brought on the heavy thundershowers over West Texas probably would continue tonight and tomorrow. Heavy rains, extending into East Texas, were reported, including Abilene, 1.12; Navasota 1.08; Palestine 1.10; Brownwood 1.40; Corsicana 4.30; Valley Junction 2.40; Seymour 2.66; Llano 2.14.

Colorado City residents called the flood the worst in the history of the treacherous river, subject to tidal rainfall in Snyder late Monday afternoon and night was 5.05 inches, and crops in the area were washed or seriously damaged by beating rains and winds.

Chief danger to the town itself was from Lone Wolf creek, small tributary of the Colorado, which was overflowing from the river during the day. Between 40 and 50 houses were under water throughout low-lying sections of the city.

Red Cross in Charge

Robert T. Bridge, director of Red Cross disaster relief, at Abilene, went to Colorado City and Snyder to take charge of aid for the needs.

A hundred and fifty miles downstream from here, Jim Ned creek, a large Colorado tributary, made a rise and water was flowing two and a half feet over the spillway at the big Lake Brownwood. Effects of heavy rains on the Colorado watershed were not apparent in the Brownwood area, nor at Robert Lee.

Railroad officials said a temporary bridge would be erected at

Vaccinate Against Typhoid Fever

AUSTIN, Texas, June 22.—If you have not been vaccinated against typhoid fever within the last two to three years, go to your neighborhood physician and have him give you the three "shots" that will protect you against that disease.

This advice comes from the Texas health Department and is addressed particularly to those persons planning vacations away from home or those who regularly go on camping, fishing or such trips. Typhoid is contracted by way of the mouth. Each case comes directly or indirectly from some previous case. You eat or drink the germs that cause the disease, in food or water or milk contaminated by the discharges from persons who are ill with the disease or who have had it at some time.

Modern medical and public health practices have greatly reduced the occurrence of typhoid, but it is still a menace to those unprotected against the disease. Protection of public water supplies and sanitary conditions, such as milk inspection and supervision of food supplies, improvement in household sanitation and hygienic habits, better sewage disposal and careful investigation of typhoid outbreaks to determine the source of the disease are measures which have contributed to the diminution of the incidence of typhoid in Texas. But there are still sources of infection to which individuals are exposed, that cannot be reached by public measures, and for which vaccination affords additional protection.

Persons who are apparently well but who have had the disease at some time, may continue to discharge the typhoid germs. Such persons are known as "carriers" and if they are not careful in their personal habits they are liable to contaminate any food they touch. Flies carry germs, contaminated sources to food, and are another source of typhoid infection.

Health departments, state, city and county, are waging constant warfare against typhoid, and every year. Special efforts are made during the vacation period through the sanitary supervision of summer camps, parks, and public recreation places to reduce any possible danger of vacation typhoid from such sources. But vaccination and sanitation are the only means to personal safety against the disease. So see your physician today for vaccination and summer unmarred by typhoid.

MR. PARKS SINGLETON AND MRS. DORIS HENSON WED

Announcement was made here this week of the marriage Saturday night at Lubbock of Mr. Parks Singleton, son of Mrs. Luther McMillan and Mrs. Doris Greenlee Henson of Lubbock, daughter of Mr. and Mrs. G. H. Greenlee, former residents of O'Donnell.

Both young people are widely known throughout this section, and have many friends who will join with us in extending hearty best wishes.

ONE THIRD OF DEBT REDUCTION OBTAINED IN THIS DISTRICT

One third of the farm debt reduction in Region 12 of the Farm Security administration during May was obtained in the Lubbock district, of which P. F. Murray is supervisor. The district comprised 32 counties.

In 75 cases handled by Murray, debts were reduced from \$68,050 to \$37,611, a saving of \$30,439. For the district, in 186 cases, debts were reduced from \$38,632 to \$219,277, a decrease of \$87,325. One other Texas district cut the same category from \$50,638 to \$34,138, a saving of \$16,500.

Mrs. M. M. Simpson is spending several days in Houston, attending a family reunion. Four sisters will be present for the occasion, in addition to Mrs. Simpson. Mrs. P. T. Lubbock accompanied her mother to Houston.

Colorado City within two days, Texas and Pacific traffic was routed over Missouri, Kansas and Texas tracks between Dallas and San Antonio and the Southern Pacific from San Antonio to El Paso.

The city sanitary plant at Snyder inundated while four feet of water stood in filling stations and several business houses on east main street.

Crops Are Ruined

Crops were ruined by heavy rain and hail in the Valley View community several miles northeast of here.

A motor boat was sent from Big Spring to rescue stranded Mexican families. The homeless were quartered in Mexican and negro churches and schools. Mrs. Bonnie Burt and Mrs. Boyd Dozier are in charge of distributing food.

Ches Chesney, treasurer, directed Red Cross relief work in the absence of other officials. Dr. Harry Logsdon, city health officer, cared for the ill, assisted by W. R. Charters, city sanitary engineer.

Land Checking Started In Lynn County Mon.

Checking farm land for compliance in the 1939 farm program was started in Lynn County Monday of this week under direction of C. A. Lawrence, secretary of the Lynn County Agricultural Conservation Association.

"It is necessary that we check farms at an early date this year in order that a farmer may have the privilege of destroying any excess cotton he may have above his allotted acreage."

Regulations provide that the farm operator or his representative may be present when the farm is measured. For this reason no farm will be checked unless such representative is present. By this means we hope to eliminate any dissatisfaction over measurements.

As soon as it is determined just who will be the checker for each community, any producer who is ready to have his farm checked should contact his community checker and advise him that his farm is ready to be measured.

"We want to ask that all farmers be as patient as possible about having his farm measured. It will probably take four or five weeks to do all this work, and we are just as anxious as the farmers to complete the task. Just as soon as the farm is checked and the measurements are computed in office, we will notify the farmer of his acreage. If farmers will wait for this notification instead of coming to the office, it will greatly aid the work in the office."

NOTICE TO SINGERS

The Gaines Co. Semi-Annual Singing Convention meets at Loop the Fourth Sunday (25th) of this month. All singers are cordially invited to come.

L. C. CAFFEY—Chairman.

Mrs. Madrene Hale of Seagraves is a house-guest this week of Miss Katherine Allen.

Mrs. C. L. Hafer was in Lubbock Monday morning.

Rains Bring Relief From Heat Wave

Rains over much of Texas brought relief to South Plains farmers this week as the heat wave which has blanketed the area for two weeks was temporarily halted. Scattered showers over a part of the territory were a help to growing crops, which were beginning to show the effects of the prolonged hot weather and lack of general moisture.

High winds and a light shower here Monday night were followed by cool, cloudy weather Tuesday with prospects for additional moisture. The shower was not general by any means, we are told. The southeastern part of our immediate territory received perhaps the most precipitation, though approximately half an inch was reported between here and Tahoka early in the evening. Tahoka itself had only a sprinkle, as did Lamesa.

Torrential rains and creeks out of bounds caused much property damage at Snyder Monday night, and highways in many parts of that section were under water. More than 200 persons were reported homeless at Snyder, with water standing within half a block of the courthouse square.

Crops here had not suffered greatly so far from lack of rain, but a week or ten days of dry, hot winds and extreme heat such as we have had recently would have brought about a serious situation. Farmers and business men are still anxiously scanning clouds for signs of additional rain.

Mrs. Kate Moore and Miss Crysta Kennedy were week-end guests of Mr. and Mrs. W. L. Palmer and family. Miss Kennedy was for some years a member of the public school faculty here.

Mrs. E. T. Wells and Miss Thelma Palmer were guests at a bridge breakfast in the home of Mrs. W. S. Cathey of Lubbock Tuesday morning.

Local Girls Win Singing Contest

Misses Louise and Geraldine Haney, daughters of Mr. and Mrs. A. D. Haney, and Misses Fatsy Gilla and Margie Nell Miller of Lamesa won first place and a \$10 cash prize Saturday afternoon in the amateur quartet contest featured at the seventh Plains-Panhandle Singing convention at Lubbock. Their selection was "I've Got a Home."

The four young ladies have been singing together for more than a year, and their talent and ability are recognized throughout the South Plains. Friends here are jubilant over their success Saturday.

Others attending the convention from here were Mr. and Mrs. Haney, Mr. and Mrs. C. H. Matzell, and Mrs. Carey Shook.

CHEMICAL PLANT CLOSED HERE; EXECUTIVES MOVED TO BROWNFIELD

While active operations of the Arizona Chemical company plant here were halted some weeks ago because of water supply, final closing of books and other details were completed only recently.

E. L. Sturges, manager of the plant, and family moved the latter part of the week to Brownfield, where Mr. Sturges will be connected with the executive department of the plant there. Mr. and Mrs. Grant Winston and Judy have moved out near the plant to make their home.

It is indicated that cessation of operations may be only temporary, but at the present time no official statements have been issued concerning this. Closing of the plant meant quite a bit to O'Donnell financially, as the payroll has been more than a little income for local families and business men.

The entire community regrets the loss of the Sturges and Winston families; they have been much esteemed and liked by all acquaintances.

BOYS ATTENDING CAMP AT CETA CANYON THIS WEEK

For boys from the First Baptist church here are at Ceta Canyon this week, attending annual Boys' Encampment. They are Mike Burnes, Billy Ray Frazier, Billy Hodges, and Dwayne Mires.

Rev. J. A. Lunsford, pastor of the church, accompanied the boys to the camp and remained over until Wednesday. Mrs. Douglas Ballow of Post is spending a few days here with her parents, Mr. and Mrs. Perry Howard, and other relatives and friends.

PARKING METERS IN SAN ANGELO BUSINESS AREA ARE DOOMED

SAN ANGELO, June 20.—San Angelo citizens went to the polls today in small numbers and voted out the parking meters in the business section. The vote was 763 to 516. The four-month trial of the meters ended today.

Misses Louise and Geraldine Haney visited in the home of Misses Margie Nell Miller and Pattie Gill of Lamesa the first of last week, and were accompanied home by those two young ladies, they spending the week-end here.

Mr. and Mrs. Earl Lawman and son Tommy Mack and Mrs. Ome Brewer and son Jerry returned Sunday to Ft. Worth after having spent two weeks here with Mr. and Mrs. W. R. Gibson and other relatives. They were accompanied by Miss Ruby Lois Shook, who will spend a part of the vacation period with them.

MRS. JONES HOSTESS TO SEWING CLUB

Mrs. Stansell Jones was hostess last Thursday afternoon to members of the Sew and Chatter Club, entertaining at her home in Dawson Heights.

Delicious refreshments of sandwiches, fruit salad, olives, chocolate cake and iced tea were served at the close of the afternoon. Guests were Meses Frazier, Gardenhire Jordan, Fritz, Shumake, Tredway, Lane, Miles, and Johnson.

Mrs. Jordan will entertain the club this afternoon.

Messrs Roy Miles and Jack Miles and Wooten of Lamesa returned late Tuesday night from Brownwood where they had gone to fish. Heavy rains prevented any fishing, however, and kept the party water-bound for several hours.

Return Sunday from Fishing Trip

Mrs. C. A. Lacey and Messrs. Clarence and Jim Lacey returned Sunday from a fishing trip near Mineral Wells. They report a pleasant trip and outing, but no fish.

Mr. and Mrs. Vaughn Wilcox and baby of Lubbock were Sunday guests in the W. L. Palmer home.

Jack Slean left Sunday to spend the summer with relatives at Belton.

Mr. and Mrs. E. T. Wells spent Sunday with relatives in Tahoka.

WOUND IS FATAL FOR RANCHMAN

KERMIT, June 20.—W. F. Scarborough, 71, wealthy Texas and New Mexico oil man and ranchman, died tonight of bullet wounds received at his home here yesterday.

District Attorney William H. Kerr said Scarborough's son, Hollis, 41, would be charged with murder. The son today waived extradition trial on a charge of assault to murder and was jailed in default of \$25,000 bond set by J. B. Salmon, justice of the peace.

Scarborough, for whom the Scarborough oil pool in West Texas was named, was shot once through the body with a .32 calibre pistol.

He owned ranches in Winkler, Loving and Andrews counties, Tex., and Lea county, New Mexico. He lived at Midland, and maintained homes at his ranch here and at Ruidoso, N. M.

Survivors include: Five daughters, Mrs. Tom Lineberry, Mrs. Myrtle Smith and the Misses Leta and Lucille, all of Midland, and Mrs. Zack Collier, El Paso; a brother, Dr. Lee R. Scarborough, Fort Worth, president of the Southwest-

ern Theological seminary and of the Southern Baptist conference, and the son, Hollis, of Cheyenne, Tex.

Mmes C. L. Hafer and J. M. Noble, jr., were in Tahoka Thursday afternoon.

Mrs. Scott Henderson of Quahah is visiting Mr. and Mrs. Fred Henderson.

Harvey Smith and Trav Simpson of Lamesa were callers in the Index office a short time Monday morning.

Mrs. E. T. Wells and Miss Jim Ellen were in Lubbock Monday.

Miss Ruth Hall of Seagraves is spending the week here with Miss Katherine Allen.

SINGERS WILL MEET AT GRASSLAND SUN, JULY 2.

C. H. Mansell announces that the District Singing Convention will be held with the good people of the Grassland community Sunday week, July 2nd, and that everyone is cordially invited to come out and take part.

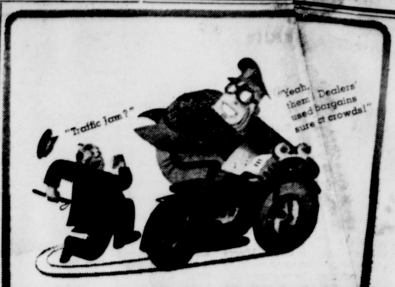

Good crowds have been reported for each of these meetings recently, and it is hoped that a large number will be present for this event.

BROWNFIELD BOWLERS WIN SECOND TOURNAMENT

Brownfield bowlers turned the tables last Friday evening when three teams went from here to that city for a return match. The visitors were decisively defeated here the previous week.

Dean Schooler, Doc McVicker, Tom Brewer, Hervey Gardenhire, and L. E. Robinson composed the first team for O'Donnell, with Fred Buchanan, Ted Terry, Eldon Carroll, Claude Gorham, and Ben Morrison making up the second team. Mmes. Belle Greenwood, Hervey Gardenhire, and Miss Wynona Huff were the girls' team.

Mr. Zachary is making arrangements for a third match which he hopes may be played here tonight. Announcements concerning this will be found elsewhere in these columns.

W. M. S. SOCIAL MEETING HELD WITH MRS. JONES

Mrs. Ervin Jones and Mrs. Joe Garner were hostesses Monday afternoon at the home of the founder when the regular social meeting for June was enjoyed by members of the Women's Missionary Society of the Methodist church.

Mrs. Garner, Mrs. Sherrill, and Mrs. Schaefer held parts on the program from the World Outlook for May.

Refreshments of ice cream and cake were served to eleven members.

METHODIST LADIES SPONSORING CHURCH BIRTHDAY PARTY MONDAY

One of the most unique social affairs which has ever been planned here is to be held Monday evening at the Methodist church when ladies will sponsor a church "birthday party."

Admission of one penny for each year of the person's age will be charged, proceeds to be used in paying for repairs on the parsonage.

Guests are to be divided into twelve groups, one for each month of the year, and the program will be made up of stunts staged by each group. Considerable speculation and amusement is rife here this week regarding some of these stunts.

Another feature of the program will be awarding of the quilt which was pieced and quilted by ladies of the church.

The public is invited to come out and take part in this party, and enjoy the amateur act.

"I thought I knew all about automobiles!"

A LOT of folks have had their eyes opened wide by a ride in a 1939 Ford V-8. They just didn't realize how much more value and how many improvements we've put in this car the last few years.

Today's advanced Ford is a product of progressive engineering, fine materials and honest construction. It is backed by an experience of building far more cars than anybody else in the world.

One ride in today's Ford—with its smooth 8-cylinder engine, stabilized chassis, hydraulic brakes—will prove it's the modern car in the low-price field.

MYERS TO RE-ASSUME DUTY FROM SANTA FE

After more than 49 years service, Frank Myers, assistant general manager of the Southern District of Santa Fe and the Rio Grande Division, today announced his intention to retire from duty on July 31.

Myers has been actively identified with the Southwest and has earned a reputation for efficiency in the territory in which he has been Assistant General Manager for the past nineteen years.

A sportsman, Myers announced that he was retiring from active life that has been of much benefit to him because of the confinement of his duties.

Officials of the System expressed their regret over his intention to leave a loyal and faithful employee.

Myers was born July 29, 1869 and came to Santa Fe employment in 1891 as a clerk. He became chief clerk and was subsequently assigned to Albuquerque where he served in various capacities including that of agent. He became Trainmaster of the Rio Grande Division; Superintendent of the Rio Grande Division; Superintendent of the New Mexico Division and on June 18, 1920 was appointed Assistant General Manager with headquarters in Amarillo.

LAND LAW BILL BECOMES EFFECTIVE

AUSTIN, June 20—Gov. W. Lee O'Donnell today filed with his approval the land "vacancy" bill, one of the hard-fought major measures

of the Texas legislature

The bill aimed at what was termed a "racket" in discovery of errors in state surveys, gives good faith occupants of such "vacant" land prior right to purchase it from the state.

Since discovery of oil in many parts of the state claims for even small tracts have resulted in lawsuits involving large amounts.

O'Donnell brought the signed bill to his office this morning. The deadline for approving or vetoing it expired at midnight last night. It failed to get two-thirds majority vote needed to put it into immediate effect, but the legislature previously passed a bill retiring from sale or lease all state lands located instead of in Austin, Travis county. It gives a "good faith" occupant of the land preferential right to purchase.

The "five-mile limit" around producing oil wells, in which "good faith" occupants at present have no preference to purchase, will be eliminated, according to Rep. Paris Smith of Bay City, who with Rep. Price Daniel of Liberty was co-author of the bill.

The bill also sets up a state land board composed of the land commissioner, attorney general and governor.

"Dink" Ratliff Undergoes Appendectomy

Dink Ratliff, son of Mr. and Mrs. W. O. Ratliff, was taken to a Lubbock hospital Monday afternoon, and underwent an operation for the removal of his appendix Tuesday. He is reported doing nicely.

Ralph Beach, Earl Lawhan and Ome Brewer spent the week-end with Mr. and Mrs. McGill at Andrews.

SEE C. D. Applegate for Butane gas plants and appliances. Cope Oil Company, Lamesa, Texas.

Mr. and Mrs. D. O. Middleton spent the week-end in Abilene.

HEAVY SHOWER WEDNESDAY COVERS IMMEDIATE TERRITORY

A heavy shower which lasted almost an hour Wednesday afternoon brought aid to crops in the immediate O'Donnell area and filled streets and barpits with miniature rivers.

The rainfall was accompanied by a rather high wind, but not of damaging nature.

MISS WELLS HOSTESS TO ACE-HI CLUB

Regular meeting of the Ace-Hi Bridge club was held Wednesday afternoon in the home of Miss Jim Ellen Wells, with two tables in play.

In a short business session, Mrs. Floyd Thompson was elected president for the coming year, and Mrs. Harvey Gardenhire secretary-treasurer.

At games, Mrs. J. W. Davis won high score, Mrs. Homer Hardberger second high, and Mrs. Gardenhire bingo.

Refreshments of angel food squares and sherbet were served to Meses. Gardenhire, Thompson, Hardberger, Tredway, Davis, Bilingley, Middleton, and Miss Dorothy Walls.

George Haney of Denver, Colo. is visiting in the Arch Haney home. He will be here and at Lubbock until August 1st.
