NUMBER 24

Borden County Stock Show Held March 23

According to County Agent Frank W. Medley the 4-H Club boys of Borden County will have their third annual stock show Saturday, March 23. The Land Use Committee of Borden County worked in harmony with the clubbers in sponsoring a movement to raise funds to build a show barn and rodeo arena. The Commissioner's Court made a generous contribution which encouraged the boys to reach their goal. Most of the clubbers made a diligent effort toward raising funds. Along with the interest in the barn the clubbers were also interested in a contest to see which one could raise the most money. The prize for the winner of the contest is to be a free trip (all expenses paid) to the Farmer's Short Course at A. and M. College on July 8, to 13, 1940. One boy received \$121, all of which was donated.

Contributions were made by people of Borden, Dawson, Howard, and Scurry Counties.

When sufficient funds were raised to construct the barn, the county agent submitted building plans to members of the Land Use Planning Committee for their approval. The plan of the barn approved was for a building 30 by 100 feet. The building is now completed. Many people who did not contribute money toward this project came to the building site and contributed labor in the construction of the building.

Along with the construction of the barn, and with funds raised in like manner, a rodeo arena is being constructed. The arena will be 180 by 284 feet and will be enclosed in a seven foot fence. This arena will be used on show days for free calf and goat roping contests in which citizens of Borden County only will be contestants.

At times other than 4-H Club show days the club boys will lease this arena to any individual or group of individuals for the purpose of holding rodeos. The boys think that enough revenue will be earned by this procedure to care for expenses of the future club shows.

The stock of this show is to be judged by Mr. George W. Barnes, Beef Cattle Specialist of the Extension Service.

The show this year will consist of club steers, lambs, and hogs. Some breeder stock, saddle horses and colts will also be shown.

On the date of the show a free barbecue and trimmings will be served to all who attend. At the time of livestock judging the schools of Borden County will give entertainment for those people who are not interested in the judging of the livestock.

Mr. and Mrs. J. R. Miller spent Sunday in Lubbock with Mr. and Mrs. J. D. Henley.

Miss Leta Merle Koeninger of Tech spent the week-end at home with her parents, Mr. and Mrs. A. H. Koeninger.

Glen Clark's Entry Wins Dawson Show

O. K. Pride, 870 pound steer exhibited by L. Glenn Clark, local 4-H boy, was adjudged grand champion calf of the annual Dawson county 4-H show at Lamesa on last Friday. O. K. Pride won over a calf exhibited by E. V. Dunn, Jr., Lamesa.

The two animals won in their respective classes, milk-fed heavy class and dry lot light class. W. I. Marschal, Tom Green county agent, called the winners in the four classes, two each of dry lot and milk-fed cattle. He gave his reasons for placings at the close of each selection, explaining to the exhibitors and their fathers why he made his placings. A crowd of 200 or more witnessed selections. There were 24 calves entered.

Local Church Host To District Leaders

The local Methodist church was host Thursday of last week to pastors and laymen of the Lubbock district in a missionary meeting. Rev. W. E. Hamilton of Lubbock, Northwest Texas conference executive secretary, A. N. Gamble of Lubbock, district lay leader, and J. O. Quattlebaum, Slaton pastor, were speakers in the morning.

Brief talks were made in the afternoon by Mrs. Luther Kirk of Lubbock, district director of children, Rev. R. T. Breedlove of Levelland, and Dr. O. P. Clark of Lubbock, district superintendent.

Women of the O'Donnell Missionary society served lunch.

TWO LOCAL BOYS ARE ASSIGNED CAVALRY POSTS

Sgt. E. O. Slater of the Lubbock recruiting office reports that two O'Donnell boys have recently been assigned to cavalry posts at Fort Bliss. They are Cleo Edwards and A. C. McLaurin.

South Plains boys received assignments at the same time, some for infantry duty in San Francisco, others to the Seventh cavalry, also at Fort Bliss.

PRIMITIVE BAPTISTS WILL MEET AT NEW MOORE

Rev. Tyne W. Smith, pastor of the Primitive Baptist Church at New Moore, asks that we announce a special service. Judging the meeting day, Sunday, March 3.

Several visiting preachers will be present to address the congregation at the eleven o'clock hour, and again in the afternoon. Dinner will be served at the church at noon. Bring a sandwich and come, says Mr. Smith.

Mrs. Johnny Billingsley and small son spent the week-end here with her parents, Mr. and Mrs. Irvin Street.

State Funds Allocated For Highway West

Official communication was received last Thursday at the office of Judge P. W. Goad that the state highway commission has granted state allocation to the long-sought highway west into Youssum County. Further information said that eventually the road will be given state allocation east from O'Donnell to a point connecting with State Highway 7, which runs between Lubbock and Roscoe.

Through Seagraves, Welch. The road now runs eastward from Denver City through Seagraves then on to O'Donnell by way of Welch, on Dawson County.

Work on the road between Denver City and Seagraves is running ahead of schedule and that paved route will be open to traffic in late spring, according to O. P. Mercer, Gaines County Commissioner from Pecos. Mercer reported today that drainage and grade work on the project is 65 per cent complete and that the road bed would be built into Seagraves within the next six weeks. Denver City is 16 miles west of Seagraves, office of Calche base started going into place on the road today as the Earnest Lloyd Construction company of Fort Worth, contractors, started operations from Calche pits two miles southeast from Denver City. The contract calls for placing the base on one and one-half miles of road per week.

"This important highway will be completed and turned to traffic several days earlier than we had expected," Mercer said. "I am confident that this project, including paved surfacing, will be completed before the first day of June."

W. C. Sauls Injured In Accident Monday

W. C. Sauls, local feed and seed dealer, sustained a badly bruised back and other minor injuries late Monday afternoon when he was struck by a car on Deak street. He received treatment at the office of a local physician, and was able to be back on the job the next day.

Mr. Sauls was standing by a pickup, inspecting a load of feed, when the car, a coupe, driven by Paul Mansell, came down the street at a moderate rate of speed. Another pick-up, driven by Vernon Cook, came out of the blind alley at the back of the First National Bank building, and in order to avoid a roadside collision, Mansell headed his own car into the alley. "The handle on the car door ripped Mr. Sauls' clothing from his back, and the force of the blow threw him to the pavement."

No one else was injured, but Mr. Mansell's car had two ruined fenders and a blown out tire when the excitement died down, and both pick-ups were rather smashed up.

County Superintendent Cites Bus Statistics

While most patrons of Lynn county's various school districts cannot fail to appreciate the immense convenience and economy from transportation of students, we were ourselves surprised and interested at figures given us late last week by our efficient superintendent Mrs. Lenore M. Tunnell.

Twenty-five buses are being operated with a total of 1216 children being transported. Of this number 378 are high school pupils and 838 are elementary school pupils. The minimum expense of transporting these pupils amounts to \$370 per driver per year and \$360 per truck per year, the truck expense including the cost of gasoline, oil and repairs. To this must be added also the cost of insurance and one-fifth of the original cost of each bus.

The total minimum cost for the scholastic year in the county has been accurately figured at \$24,084.84, a sum which would have seemed prohibitive a few years ago.

The local school districts pay these costs as they accrue and report on the state to reimburse them for a part of the costs. Mrs. Tunnell says that Lynn County is asking the state to reimburse the districts of this county for this expense to the amount of \$16,503.60. Of course the amount paid is to be determined by the state authorities, and Lynn County may get a far smaller reimbursement than the amount asked for.

CARD OF THANKS

While mere words can never express our heartfelt appreciation for the comfort and help rendered us last week at the death of our loved one, we nevertheless, take this means of extending our thanks to our friends and acquaintances. Without your help and your comforting words, we could not have borne our grief.

Mrs. J. L. Martin
Mr. and Mrs. George J. Martin.

Self-Serving Grocery Sold To Local Men

The Self-Serving Grocery store, owned and operated for the past several years by Mr. and Mrs. E. D. Holman, was purchased this week by Messrs. Cliff Lambert and Harvey Line. Invoicing and other business matters are being completed this week, the new owners to take charge next week.

Mr. and Mrs. Holman have not made definite plans as yet, other than that they will take a more extended vacation trip to climate more favorable for Mrs. Holman.

Both Mr. Line and Mr. Lambert are well-known to O'Donnell people, having been prominent in business circles of the town for many years. Mr. Lambert has been employed at Mansell Bros. for almost fifteen years, and has served as city secretary for the past five years. Mr. Line has been engaged in the grocery business here for several years until he sold his store to Dee Seely last spring. The new management announces that the store will be operated as a Red & White store, and ask our readers to keep a look-out for announcements as to date of the formal opening.

South Plains Cattle Sold By Local Men

South Plains cattle feeders Monday sold cattle at Ft. Worth, the animals bringing good prices.

From O'Donnell, J. T. Middleton sold 36 steers, averaging 755 pounds for \$6.85 a hundred and five 316 pound calves for \$6.75 a hundred. Elmer Lagrone sold 48 steers averaging 875 pounds for \$8.25 a hundred and one 875 pound steer for \$7.

Mr. and Mrs. Lewis Robinson are enjoying a vacation and fishing trip on Gaddis Lake.

Mr. and Mrs. Claude Schooler were in Lubbock Tuesday on business.

Scout Camping Dates Have Been Set

Announcement from headquarters of South Plains Boy Scout council Saturday included definite dates for summer camp periods, tentative dates for the third annual circus and a change in date for the council-wide first aid contests.

The summer camp periods were announced by Alex McDonald, campaign chairman, as follows: May 19-25 for southern, southeastern, southwestern and western districts; May 25-June 1, Lubbock district; June 2-8, northern and northwestern districts; June 9-15, eastern and northeastern districts; and June 16-22, for all districts. The program, Stone said, includes a larger number of periods than in any previous summer.

Car Licenses Are Being Sold Now

Car licenses are being sold fast and can be displayed March first. The final date for registering is April 1, without being penalized.

If you will follow the following rules you will receive most prompt service, and it will be appreciated by the personnel of this office. Bring your last registration receipt and the bill of sale and transfer if you have traded for a car since last registration date.

The same rules will apply to truck registrations, and in addition bring weight receipt on truck and trailer. Thanking you for your usual cooperation—A. M. Cade, tax assessor-collector, Lynn County.

Mmes. M. D. Conger and J. T. Middleton, Jr. were in Lubbock on Tuesday afternoon and attended the amateur boxing matches at Slaton in the evening.

Mrs. E. T. Wells and Misses Beverly and Jim Ellen were in Lubbock Tuesday afternoon to see "Gone With the Wind."

MODERN CLEANERS BACK AGAIN

Ready and anxious to serve you. I have this week re-purchased the tailor shop which I formerly operated, and am prepared to give you the same high quality service and low prices which were my custom for years.

For the benefit and convenience of customers, we will continue the nationally known lines of Shirts, Underwear, Socks, etc. carried by Thompson's Men's Store, so that we will be able to offer a complete Men's Tailoring and Furnishing service.

We cordially invite a continuation of the much-appreciated patronage of our old friends and customers, at the same time extending a hearty welcome to new ones.

FIRST BAPTIST CHURCH

J. A. Lunsford, Pastor

Our spring revival begins March 24, and will close March 31. We urge you now to make your plans to be with us at every service. All of us need a heaven-sent revival and we can have it if we will pay the price. My conviction is that a genuine revival would do more for us as a people than any other thing. We need you and you need the church, so be with us in our regular services. There would be few, if any, who would vote to disband the church in O'Donnell and tear down their buildings and yet if you are neglecting church attendance and support you are a living fact that very thing.

Baptizing Sunday morning.
 Sunday School at 10:00 a. m.
 Morning preaching 11:00 a. m.
 Training service 6:45 p. m.
 Evening preaching 7:30 p. m.

CHURCH OF CHRIST NOTES

Our attendance last Lords Day was good at all services with ninety-one at Bible school. Our aim is one hundred. Won't you come and study the book of books with us a. m. Preaching at 11 a. m. and 7:30 p. m. each Lords Day. The ladies Bible class meet at 3 p. m. each Wednesday. Also an old fashion Bible study at Mesquite each Thursday at 7:30 p. m.

I think one of our greatest needs is a better understanding of the word of God and there is only one way to get that and that is through study, so come study with us.

R. P. Dennam.

AVOCA VISITOR HONORED AT PARTY TUESDAY

Mrs. Joe Whigham of Avoca, former resident of O'Donnell and

CARD OF THANKS

We wish to express in some small measure our deep appreciation to our friends for their assistance and comfort during our tragic sorrow last week. May God bless each of you in our prayer.—The Walker Families.

MRS. STREET HOSTESS TO BRIDGE CLUB

Members of the Kongenial Bridge club enjoyed a delightful meeting Tuesday afternoon in the home of Mrs. Irvin Street.

After games, a delicious salad and most course was served with

hot rolls, jelly, spiced tea, and cookies to Mmes. Gibson, McLaurin, Gardenhire, Everett, Stark, Bu Bany, Walls, Jack Howard, and Jonny Billingsley.

Casey Cabool was over from Jal

this week-end, visiting Mr. and Mrs. C. H. Cabool.

Mr. and Mrs. Hafford Smith were in Lamesa on business Monday. Mr. and Mrs. Marshall Whitsett spent Sunday in Tulsa.

Landowners of Lynn And Dawson To Vote

Landowners in Lynn and Dawson Counties will vote on March 9th on the proposed organization of a Soil Conservation District, authorized under the recently enacted State Soil Conservation Law.

The State Conservation Law provides the means that farmers need for working together, for democratically developing a program to conserve their soil. The basic principle underlying the law is to place the responsibility for planning and carrying out a soil conservation program squarely upon the shoulders of the local landowners.

No district can be formed unless landowners want it, and then only two-thirds of the landowners voting by favorable vote in the election. All four young people are widely and favorably known throughout the county, having spent most of their lives here. Mrs. Sumrow is the charming and accomplished daughter of Mr. and Mrs. L. T. Brewer, and she is a member of this year's graduating class. During her high school days, she has been a

leader in scholastic activities, a member of the pep squad, valuable representative in interclassics athletics, and has taken leading parts in school plays. Mr. Sumrow, the son of Mr. and Mrs. Edwin Sumrow, graduated with the class of 1937, and has since a valuable student. He has since his graduation been associated with his father in extensive farming interests.

Mrs. Clemens has also been an outstanding student, and is one of the most popular young ladies in our community. Mr. Clemens, the son of Mr. and Mrs. Charlie Clemens, recently received his honorable discharge from the United States Army, having served for a time with cavalry division and later in the Marine Corps.

The Index joins with other friends in extending sincere best wishes for the happiness and prosperity of the two couples.

Mr. and Mrs. C. H. Mansell returned Wednesday from a visit with relatives and friends at Rochester.

Mrs. Joe Whigham and little daughter, Mary Joe, of Avoca were guests the first of the week of Mr. and Mrs. Harvey Jordan and other friends.

TWO LOCAL COUPLES MARRIED AT CLOVIS

Two marriages of unusual interest to O'Donnell people were said Sunday, February 18, at Clovis, N. M., when Miss Annette Brewer became the bride of Darius Sumrow and Miss Katherine Cobb of Bill Clemens.

All four young people are widely and favorably known throughout the county, having spent most of their lives here. Mrs. Sumrow is the charming and accomplished daughter of Mr. and Mrs. L. T. Brewer, and she is a member of this year's graduating class. During her high school days, she has been a

member of the pep squad, valuable representative in interclassics athletics, and has taken leading parts in school plays. Mr. Sumrow, the son of Mr. and Mrs. Edwin Sumrow, graduated with the class of 1937, and has since a valuable student. He has since his graduation been associated with his father in extensive farming interests.

Mrs. Clemens has also been an outstanding student, and is one of the most popular young ladies in our community. Mr. Clemens, the son of Mr. and Mrs. Charlie Clemens, recently received his honorable discharge from the United States Army, having served for a time with cavalry division and later in the Marine Corps.

The Index joins with other friends in extending sincere best wishes for the happiness and prosperity of the two couples.

Mr. and Mrs. C. H. Mansell returned Wednesday from a visit with relatives and friends at Rochester.

Mrs. Joe Whigham and little daughter, Mary Joe, of Avoca were guests the first of the week of Mr. and Mrs. Harvey Jordan and other friends.

- 1935 Terraplane Standard Coach.. \$180

ELLIS CHEVROLET CO.

**New Legislation Extends Benefits Of
FHA-Insured Mortgage Plan to Farms**

Farmers may now use an Insured Mortgage to build or repair houses, barns, sheds, poultry houses, silos, put up windmills or other farm structures.

As much as 90% of appraised values can be loaned in some cases, land may be either bought or refinanced on this plan when 15 per cent or more of the loan is used for materials and labor on the construction or repair of buildings. These loans are made by lending institutions, they are not government loans, but private capital insured by FHA.

The interest is 4 1/2 percent, payments can be made monthly, semi-annually, or annually, in equal installments, depending upon the distribution of the farmer's income throughout the year. At the discretion of the lender the loan may be paid over a period of 30 to 35 years.

This means that the responsible farmer can provide his family with a modern attractive home without waiting years to accumulate the cash—a tenant farmer can buy his own farm—and the farmer burdened with short-term high-interest mortgages can replace them, moderate his farm, and clear the debt completely in convenient payments.

RED & WHITE

BE CERTAIN FROM THE BEGINNING

Feed
**RED
CHAIN
Chick Starter**

Each chick's an investment, so don't take chances! A few pennies extra in the beginning give dollars of health and assurance—and at market time, bigger profits! Buy Red Chain Chick Starter for lower mortality, proper growth and better development!

BABY CHICKS

Place your orders now for Baby Chicks, to be delivered when you wish. We are this week installing a new 1400-capacity brooder in the store, so will be able to care for all you need.
