SENIORS WILL PRESENT PLAY "THE PATH ACROSS THE HILL"

On Tuesday night, May 17th the Senior class of O'Donnell High School will present "The Path Across the Hill." The play is a comedy-drama in 3-acts.

The entire action of the play takes place in an eastern mountain village, and is the type of play that teaches a real moral lesson.

The play is being given for the purpose of helping bear the graduation expenses, and will be the last play to be given by the seniors of this term. Following is the cast of characters:

Samuel Crawford Grandpa
Desmond Yandell
Robert Post The Visitor
J. V. Shook
Walter Conrad Ruth's Brother
Leon Veazey
Salamander Alexander
John Henry Jones, Zuzu's Choice
Howard Tredway
Mrs. Davis Grandma
Jaunita Millsap
Ruth Conrad "Bobbie"
Jessie Fuller
Flo Gray Ruth's Cousin
Louise Anderson
Lutie A neighbor
Clarie Ruth Nichols
Zuzu The Cook
Velma Slaughter

The seniors are putting forth a special effort that the play may be a success, and extend a cordial invitation to the public to come.

UNION SERVICE WILL BE HELD FIFTH SUNDAY NIGHT

A union service has been arranged by the pastors of the different churches of the city to be held at the High School Auditorium the fifth Sunday night in this month, May 29, at 8 p. m.

The pastors of the several churches will conduct the song and devotional services. Dr. C. P. Tate will lecture using as his subject, "The Sign of the Times," which will be discussed from a scriptural and historical standpoint. Dr. Tate has given considerable thought and study to this subject, "The Signs of the Times," and has some startling revelations to make during his discourse which will be of interest to every man, woman, boy and girl in this community. The data he has compiled during his many years study from a scriptural and historical standpoint on this subject will be passed on to you in a way that you will be able to understand.

A special choir will be chosen from the churches of the several churches who will have charge of the singing and each church will select a song to be sung by the choir and congregation.

Mr. and Mrs. R. O. Stark had as their guests over Sunday the latter's parents, Judge and Mrs. W. M. McGehee of Floydada and Mr. and Mrs. J. W. Dines of Lockney. Mrs. McGehee remained for a week's visit.

CHURCH OF CHRIST TAKES OFFERING FOR FLOOD SUFFERERS

During the regular services at the Church of Christ Sunday morning, an offering was taken for the flood sufferers which amounted to \$20.00 according to announcements made by John S. Fritz. It was turned over to the chairman of the local Red Cross on Monday morning.

This makes a total of \$80.00 sent to the Red Cross for the relief of the Mississippi valley flood sufferers from O'Donnell.

Federation of Women's Club Met Here Thursday

The Federation of Women's Club of Lynn County held an all day session in our little city last Thursday. Reports from all Study and Home Demonstration clubs were given in the morning, with a splendid address by Supt. Caviness, superintendent of Lynn County Schools.

Lunch was served from the Home Economics Department of the High School. The afternoon session was made very interesting by talks from a number of talented enthusiastic women.

Mrs. Charlie Shook of Tahoka was installed as president of the Federation and Mrs. Harvey Everett as vice-president for the coming year.

Commencement Exercises of Seventh Grade Thurs. Night

Commencement exercises for the seventh grade will be held at the High School Auditorium Thursday evening at eight o'clock. Following is the program:

Invocation—Dr. C. P. Tate.
The Call of Summer—R. R. Forman.
Salutatory—Oleta Moore.
Piano Duet, Military March—Ina D. Everett, Alice Verne Busby.
Valedictory—Verdie Hodnette.
Address—Rev. W. B. Hicks.
Presentation of Diplomas—Supt. J. A. Rickard.

MARRIED

Mrs. Artie May Kayser became the bride of Mr. Claude B. Stockbridge on last Wednesday evening. The ceremony was performed by the Rev. W. L. Henderson at his residence in this city. Both of the contracting parties are from Lamesa and have the well wishes of their many friends.

L. S. Todd left Tuesday for the storm stricken district near Dallas, in response to a message that his brother and his brother's wife were killed during the storm which almost wiped out three towns killing 34 persons on Monday of this week.

Messrs T. J. (Sky Juice) Kellis and J. R. Sanders came in Saturday from Wickett to spend the week-end with home folks and friends. They have been very busy the past two weeks building a picture show in the new oil town. Sky Juice stated they expected to have their new theatre open to the public some time this week. They returned Monday morning.

Messrs Wade Christopher and Chas. Brewer are spending the week in Fort Worth and Dallas on business.

Fred Henderson returned Tuesday evening from a week's business trip spent at Sweetwater, Midland and other points.

New prices at the Lynn Theatre for Saturday will be 10c and 25c.

Plans are under way for the widening and regrading of Highway No. 9. The County Commissioners met Tuesday at Tahoka with engineering Superintendent Hemphell of this district and plans were discussed for the widening and regrading through Lynn County.

The present Highway is a regulation sixty feet which is acceptable by the state department, but the Federal department ask for an eighty foot roadway, and eighty feet it must be if the state and county receive Federal aid.

Several plains counties have already secured right of ways for the widening of Highway No. 9 and a concerted effort will be made by the County Commissioners of Lynn County and state officials to secure the right of way through this county.

Dawson county has already secured the necessary right of way and work is now under way of regrading and widening which will soon be completed and from there they expect to enter Lynn county. At present road machinery from twenty-one counties are being concentrated in Dawson county and the highway superintendent believes he will be able to begin work in Lynn county with twenty tractors and graders by the last of the month. When they enter this county they hope to be able to put up five miles of grade per day including the widening with a thirty foot flat crown. The present plans call for the widening and regrading of No. 9 throughout the entire plains section and all sharp curves and dangerous crossings will be eliminated that is possible.

The county and state officials in asking for the widening of this highway during the regarding are looking forward to receiving both state and federal aid in the near future at which time No. 9 will be hard surfaced throughout the plains country.

The report that the course of No. 9 through O'Donnell will be changed by the officials are absolutely unfounded. Supt. Hemphell says no changes will be made other than the elimination of a few dangerous curves and the bettering of a few railroad crossings.

Severe Sandstorm Hits O'Donnell Saturday Night

One of the most severe sandstorms experienced here in recent weeks struck O'Donnell early Saturday afternoon. It was one of those kind that never seems to know when to let up. It continued until late Monday evening and it is feared considerable damage was wrought by the high wind and sand.

Farmers say that a large portion of the early feed and cotton that was up was badly damaged and in some instances killed. Most of the farmers in this section have delayed cotton planting due to the lack of moisture. Sky Juice is badly needed in the O'Donnell country and the Index hopes that it will have the pleasure of reporting same in our next issue. It's coming—it always does.

O'Donnell Boys Honored By Picnic Thursday

A lovely outing sponsored by the Parent-Teachers Association and Boy Scouts was tendered the boys of O'Donnell last Thursday evening.

Forty eight eager boys between twelve and fifteen years of age gathered at the home of Mrs. Harvey Everett and all loaded on trucks and cars, drove to Gooch Lake where games of which boys are most dear were played until the bounteous supper was served.

Mrdames C. J. Beach, Harvey Everett, William Tredway, Miss Wynema Sorrels, Mr. and Mrs. D. A. Edwards, Messrs J. D. Fairley, assistant Scout Master Clyde Ash and Bill Blaylock, accompanied the boys on the trip. Everyone enjoyed the home time but many enjoyed the trip through the woods.

CONCERT GIVEN AT HIGH SCHOOL DRAWS CAPACITY HOUSE

The McMurray College Quartet and Orchestra rendered one of the most entertaining programs at the High School auditorium last Saturday night that has been given in O'Donnell in some time. The house was crowded to capacity and all who were fortunate in hearing these entertainers say that the program was one of the best ever heard in O'Donnell.

Grade School Will Give Operetta Monday Night

The Maid Cenderella and the Golden Slipper, an operetta sponsored by the Intermediate teachers and played by the O'Donnell grade school will be staged at the High School auditorium Monday night at 8:30 o'clock.

There are 59 in number in the operetta and a special effort is being made by the teachers and pupils to make it worth your while to attend. The Primary teachers are preparing special numbers to be given by primary pupils between acts. No admission will be charged and every body has a special invitation to come.

Mrs. John Doak of Snyder Passed Away Friday

Mr. and Mrs. C. H. Doak returned Saturday night from a several days visit spent in Scurry and Jones counties. They left O'Donnell with the intention of spending some time on the Concho in company with their brother, Mr. and Mrs. John Doak of Snyder. When they arrived at Snyder they found Mrs. John Doak ill and the fishing trip was postponed. Mrs. Doak developed pneumonia and gradually grew worse until the end came Friday, burial taking place in the Snyder cemetery Saturday afternoon at three o'clock. Mrs. Doak was 65 years of age at the time of her death and has many friends in O'Donnell who join the Index in extending condolence to the bereaved.

Ladies Attend Commissioners Court In Tahoka Monday

Mrdames E. L. Sorrels, Harvey Everett, John Earls, Waldo McLaurin D. Singleton, Ben Moore and Mr. and Mrs. Paul Gooch attended Commissioners Court in Tahoka Monday, having gone in the interest of securing the services of Miss Halsey, County Demonstrator for another year.

It is the sincere wish of all who have come under the illuminating influence of Miss Halsey's work in Lynn county for three years that we are fortunate enough to secure her for this year.

After jay walking, disturbing the peace, throwing rocks at women and children, doing everything imaginable but setting fire to the town, he did not see a boy police in sight. The evidence was stricken from the records and the wheels of justice continued to turn. The morning session was adjourned at 11:50 with many cases left on docket which was tried in the afternoon session. Every violator was promptly convicted as charged and the coffers of the city under the leadership of the boys was enriched by the sum of \$5.10 in fines during the day.

The boys of O'Donnell received some valuable experience and the grown ups considerable "kick" from the days fun.

"The Flapper Grandmother" will Be Presented By Fire Department Wednesday Night

The "Flapper Grandmother" will be presented Tuesday night. Various features choruses will supplant acting.

The "Flapper Grandmother," a musical comedy with a cast of over fifty will be presented at the school auditorium Wednesday night May 18. There will be choruses of Flappers, Jelly Beans, Matrons, Rag Dolls and Door Knobs.

The Fire Department is working hard on this proposition and are bringing to O'Donnell one of the best comedies ever staged in the city. This play has made people laugh who haven't laughed for years.

We are fortunate in securing the services of Miss Mary Ella Journey of the Wayne P. Sewall & Co., Atlanta, Georgia.

The girls are one of the big hits of the show in their clever songs and dances and beautiful costumes. They alone will give you your money's worth. Tickets may be purchased from members of the Fire Department.

O'Donnell Fishermen Bring Back Evidence of Big Catch

Here's a fish story that sounds fishy, and you may not believe it—we didn't until we saw and tasted some of its meat. To Messrs Albert Koeninger and Claude Tucker belong the distinction of being the champion fishermen in these parts. They returned Sunday afternoon from a week's fishing trip on the Trinity near Bridgeport. They brought the goods back with them. It was a yellow cat and tipped the scales at seventy pounds. Mr. Koeninger said on account of so much water the big ones all got away. He told of a fisherman who left the Trinity with a truck load of the Finy tribe which he carried to the Fort Worth markets that brought him the neat sum of a little more than \$400. The load of fish averaged 45 pounds each. Sounds like that is far better than raising six cent cotton and a lot more fun.

Joe Sikes was down town Tuesday for the first time in three weeks. Joe is recovering from a three weeks severe case of typhoid fever.

ANTI-SALOON LECTURER WILL SPEAK HERE MAY 15TH

Rev. Atticus Webb, superintendent of the Anti-Saloon League of Texas, will deliver a lecture at the Methodist Church on Monday, May 15th at 8 p. m. The general public is cordially invited to attend and learn the facts as the year told by this noted speaker concerning one of the most vital questions of today.

In connection with the lecture, a free moving picture will be shown. The service is primarily for adults, but children will be admitted when accompanied by parents or other adults. The service will be two fold: A thirty minute address and a thirty minute free moving picture.

Rev. Atticus Webb is one of the and the people of O'Donnell should not miss the opportunity of hearing him. His lectures are always interesting and the issue to be discussed is of vital interest to every right thinking man and woman today.

O'Donnell Ball Team Tie Tahoka In Game Tuesday

The Tahoka baseball team came up Tuesday afternoon and battled the O'Donnell nine to a 7-7 tie. The game was hotly contested and was enjoyed by a large crowd of fans. Dallas Vaughn started on the mound for O'Donnell and pitched a good game until he was relieved by Chas. Minton who finished the game. Harris was the O'Donnell receiver.

Batteries for Tahoka were Wells and Wells. A return game will be played some time in the near future, date to be announced later.

Mr. and Mrs. Naymon Everett spent Sunday and Monday in Sweetwater visiting the latter's parents. A part of Monday was spent at the lake fishing and Naymon stated luck was pretty good.

September 28, 1923, at the post
office at O'Donnell, Texas, under the
Act of March 3, 1897.

At high noon last Saturday the fire
siern called the boys out and the de-
partment made a record run to the
rear of the Lynn Theatre where they
discovered some trash burning which
had accumulated. No damage was
done. The truck and fire boys had
some practice and the citizenship
had another scare before they learned
just what it was all about, as a
high wind was blowing which would
have been disastrous to our little city
in case a fire broke out and no water
to fight it with. If a fire ever breaks
out when one of these high winds are
blowing, which this country is noted
for, and no water to combat the
flames, the fire boys will be helpless
and our little city will be wiped off
the map. By all means we need a
water system.

WEST TEXAS NEWS

LAMESA—An association to foster
expansion, betterment, and ad-
vertisement of Highway No. 83 be-
tween Fort Worth and El Paso the
"short line", was formed at a meet-
ing of some 250 delegates and visi-
tors of towns on this route here re-
cently. The name of the association
is to be conferred by a directorate
of 15 selected during the session.
The formation of the Highway As-
sociation marks a monumental step
in the Lamesa country.

SAN ANTONIO—Traffic experts
of the West Texas Chamber of Com-
merce are at work on an analysis of
the recent decision handed down by
the Interstate Commerce Commis-
sion with reference to what is known
as the Common Point Freight Case.
Should the official ruling be consid-
ered of sufficient importance by
West Texas officials, a report of the
order in full will be made at the
annual convention to be held in
Wichita Falls, May 16 and 17, and
the convention will be asked to take
such action as is necessary for re-
quirements.

CANYON—Randall County's \$250
000 paving bond issue has been sold
and the county has been granted
state and federal aid by the State
Highway Commission to the amount
of two-thirds the cost of paving be-
tween Canyon and Amarillo. The
exact route of the highway is to be
chosen at once and work will begin
at the earliest possible moment.

Sweetwater—The board of City
Development and city officials have
already established their offices in
the new \$200,000 Municipal Building
of Sweetwater which is a combination
auditorium of 2,000 seating capacity
and a city hall. The latter part is
already completed, while construc-
tion is still underway on the former
portion of the structure.

GOLDTHWAITE—Improvements
have been made in Hotel Saylor here
recently among which was re-stucco-
ing exterior of the building.

CROSS PLAINS—Excavation
work on the foundation for two new
school buildings has been completed
here and construction work proper is
underway. The grade and high
shool structures, costing over \$60,-
000, will be ready for occupancy this
fall.

Odessa—Due to increased business
at the local postoffice, considerable
expansion is being made in the
Odessa quarters. Second class re-
cognition is expected before the first
of the year.

CARLSBAD, N. M.—The east side
of Canyon street here has recently
been changed completely in appear-
ance with new buildings, remodelings
and improvements distributed along
the main business block.

place has established a new imple-
ment firm in Hereford. The plant
will go under the name of Hastings
and Harmon Company of Hereford,
and will be housed in a modern brick
building, 50x140 feet.

New prices at the Lynn Theatre
for Saturday will be 10c and 25c.

**Bring Textile Mills
To Texas--Program
Electric Service Co.**

WALDO C. COLE

Waldo C. Cole, industrial commis-
sioner of the Texas Electric Service
Company, has been sent to Boston and
other New England cities in an effort
to bring a number of textile indus-
tries to Texas. John W. Carpenter,
vice-president and general manager
of the Texas Electric Service Com-
pany, announced recently. Mr. Cole
will remain in the East at least six
months, acquainting capitalists and
textile mill owners with the possi-
bilities in Texas.

Mr. Carpenter, himself a native
Texan, has devoted much of his time
the last five years to trips through
Northern and Eastern States to con-
fer with capitalists interested in the
textile industry and bring back ideas
that would be helpful in the indus-
trialization of his State. Several of
the newer textile mills are now op-
erating in Texas as the result of Mr.
Carpenter's efforts.

Mr. Cole was reared in the cotton
mill sections of the Carolinas, where
he received much of his practical
training. Until a few years ago he
was in charge of one of the largest
textile mills in Mexico.

Before leaving for New England,
Mr. Cole made extensive trips through
Texas, conferring with Texas mill
owners, studying the growth of these
mills and gathering detailed informa-
tion and samples of the goods to use
in presenting the case of Texas.

One of the newest advantages of
Texas for textile mills which Mr.
Cole will present during his stay in
the East will be information about
Texas Technological College at Lub-
bock, which has become one of the
ranking textile institutions in the
South, although only in its second
year.

**Party Enjoys Fish
Fry Monday Evening**

A very rare occasion, one which
seldom occurs in this section of the
country, was enjoyed on last Mon-
day evening. The event in question
was a fish fry given by Mr. and Mrs.
Albert Koeninger. Mr. Koeninger
returned last Sunday afternoon from
a fishing trip to the Trinity near
Bridgeport and brought home a 70
pounder, and when Mr. and Mrs. Koe-
inger want to enjoy a thing, they al-
ways want their friends with them.

Eight cars carrying some thirty-
five or forty guests gathered at the
home of Mr. and Mrs. J. W. Smith
and at a quarter of six headed for
the wide open spaces some six or
seven miles southeast of town where
a camp fire was soon burning on
which was placed six skillets and a

coffee pot. Soon the aroma of coffee
and fish filled the air whetting the
appetites of the hungry guests. The
last of the fish was lifted from the
frying pans, brown and crisp, just
as the last rays of the golden sun-
light faded from the western horizon.
By this time the ladies had spread
white linen upon the grass on which
was placed food in abundance, of vari-
eties too numerous to mention, to
appease the appetite of those who
didn't like fish. But for the life of
us, we failed to discover one who
did not partake of the fish heartily.
It seems that everyone made a spe-
cial effort to consume the fish, but
to no avail, as there was plenty left
for a hungry crowd the size of the
one present. The can of sardines
carried out by Morris Sanderson to
fill in, in case there was not enough
food was brought back to town.

Those enjoying this happy occa-
sion were: Mr. and Mrs. J. W.
Smith, Mr. and Mrs. Roy Smith, Mr.
and Mrs. A. A. Smith, and family,
Mr. and Mrs. Albert Koeninger and
family, Mr. and Mrs. E. L. Sorrels,
Mr. and Mrs. Morris Sanderson, Mr.

Club Women Have Interesting Meeting

Mrs. J. A. Beasley and Mrs. Johnson were at County Council Saturday and much interest is in evidence in all the Clubs throughout the council meetings and every one is invited many practical views at these county, but we do not want any of them to be ahead of us and we made a favorable showing at the County Council. We are planning to send a representative to A & M. this summer and the girls are planning to send two girls to A. M. shortcourse. We have been taught many things now, that few had a chance to learn before Home Demonstration Club work was taught in our county clubs. Besides knowing these things we are using them to help solve the problem to "live at home". By keeping a record of how much we sell of every thing—cream, butter milk, eggs, chickens, garden truck, flowers, or even sewing, and how much of these we consume. Keep a record of that too, it adds interest to your work. Since we have H. D. Club work many of those that cannot be in our club have a chance to learn new methods of canning and sewing and renovating, and doing other worthwhile things in the home. The Federation of Clubs meet in Wilson in October. County Council meets every second Saturday in each month. We get Reporter

Miss Charles Reeves, who has been attending the O'Donnell Business College for the past four months has accepted a position as stenographer with the South Plains Writing Company of Lubbock. She left Saturday for her home near Post where she will visit with relatives for a few days before taking up her new duties. Miss Reeves was very popular with the young people, and they rejoice at seeing her obtain this splendid position.

Over 100 Sponsors Expected to Attend C. of C. Convention

WICHITA FALLS, Texas, May 13—Names of more than twenty sponsors to the Ninth Annual Convention of the West Texas Chamber of Commerce Convention of the West Texas Chamber of Commerce, to be held in Wichita Falls May 16 and 17 had been received at the convention headquarters in Wichita Falls prior to, May 5. It is expected there will be at least 100 sponsors to the convention this year. This is indicated in reports received at convention headquarters. This will set a new record for sponsors.

What is declared to be one of the most entertaining programs that has ever been arranged for this feature of the convention has been made by the ladies committee of the Wichita Falls Chamber of Commerce, headed by Mrs. Ben G. Oneal. Many social functions have been arranged and plans for unusual receptions have been laid. One of these features will be a breakfast in honor of the city and town sponsors.

The presentation of these official representatives from the various places in West Texas, will be unusual this year. The presentation will take place at the Texas League Baseball Park. An elaborate stage has been built and a wonderful lighting effect has been arranged. One feature of the stage will be a globe, ten feet in diameter. It is made to revolve. As the Sponsors are announced they will appear in the door of the globe. Between the presentations the globe will revolve and as the young lady is presented, if she be from one of the places representing a foreign nation, the flag of the country she represents will be presented in a pyrotechnical display. Climaxing the program Miss West Texas and Miss America will be presented. These young ladies will wear a costume familiar or common to the country she represented. This, it is believed, will offer one of the most unusual programs that has ever been presented to a Texas assemblage.

The feature of the opening program will be the presentation of a living flag. In this 1,000 children will appear and will sing America, as

the opening feature of the event.

The sponsors who had reported prior to May 5, are as follows: Mary Frances Russell, Breckenridge; Lotie Struve, Abertahy; Helen Fossard, Turkey; Emily Daily, Lampasas; Evelyn Patman, Clarendon; Mrs. T. J. Lyle, Shamrock; Margaret Snodgrass, Midland; Irene Moore, Wellington; Mrs. R. G. Carraway, Seymour; Ida Nabers, Vernon; Lula Travis, Memphis; Cordell Maxwell, Lometa; Hermith Johnson, Bowie; Mrs. T. B. Richmond, Crowell; Mary Bryant, Stamford; Ruby Milstead, Quanah; Phlorine Geo, Iowa Park; Irene White, Cisco; Anna Belle Moore, Chillicothe; Katherine Malone, Plainview; Janet Scott, Olney.

33 Cities Will Represent Foreign Nations At C. of C. Convention

WICHITA FALLS, Texas, May 13—With thirty three cities and towns of West Texas preparing to represent a foreign country, to carry out the Congress of Nations idea, sponsored by the Wichita Falls Chamber of Commerce as a part of the city's entertainment feature for the 1927 West Texas Chamber of Commerce Convention, indications point to one of the most unique and elaborate parades Monday May 16 that the Southwest has ever seen. Practically every one of these thirty cities and towns have planned something unique in the way of dress and "stunts". The parade promises something educational, entertaining and inspiring. Many of the places have made elaborate plans for their presentation. For instance the Turks are coming in full regalia. The Scotch Highlanders will be here. The people from Siam will be represented. The Arabians in full regalia, the Hawaiians, and the scores of others will offer a most picturesque scene.

The parade this year will be in two divisions, one for the foreign countries and the other for the delegations appearing in civilian dress. Indications are that at least 100 cities and towns will be represented in the parade and it is expected that about 15,000 people will make up the line of march. Plans are being made for 100,000 people to watch the procession from the sidelines.

The cities and towns, which will

represent some foreign and the country representatives: Arabia; Lubbock, Spain; and Floydada, Hawaii; Mexico; Plainview, Holland; Japan; Childress, Mexico; Italy; Clarendon, England; Ireland; Quanah, North Indians; McLean, Scotland; Ceylon; Panhandle, Bulgaria; Poland; Iowa Park, Pennsylvania; Luxembourg; Turkey; Stamford, Portugal; wood, Greece, Cisco, Pennsylvania; Dalhart, China; ton, Chile; Mineral Wells San Angelo, Siam; West Burkburnett, France; Bellevue, Belgium; Germany.

Mr. and Mrs. A. O. Stark Entertain Young People Friday

Friday night Mr. and Mrs. A. O. Stark and Mrs. Stark will entertain the young people of the Plainview community.

Games of different kind and outdoor, were played the entire evening. Spring schemes of pink and white in decoration. The living room very pretty with pink and white streamers from all over leading to a large hoop in the dining room was attractive, especially the large table decorated in pink and white. The center, small pink and white baskets about on the table scheme was in the refreshment white cake and strawberry

Mrs. R. O. Stark and mother McGeehe spent Tuesday in Lamesa.
