Mr and Mrs. Wiley Brown and family of Tularosa, N M spent the week end with Mr and Mrs. Clyde Blair.

Elmer Wright and son, Howard visited in Roswell over the week end.

Mrs. Charles Uzzie and Judy of Mobeeta visited here several days last week and attended Homecoming.

MAN OF THE YEAR

Austin — The water plant operator in your home town is the State Health Department's candidate for Man of the Year. Does his work sound too prosaic for such a distinction. Health Department engineers say he was a major hero during Hurricane Carla. Without the commodity he handles, men and cities would surely die. You use his handiwork with confidence yet without thought, each time you turn the faucet to drink of the clean clear water.

He and all men like him are subjects of prime concern to the State Health Department's sanitary engineering division. The interest stems from the fact that clean clear water is indispensable to good health. The division is responsible for certifying water and sewage system operators who have the proper knowledge of the job and its public health implications and for approving water systems serving the public.

Janice Winans Is Queen

Janice Winans, a senior, and the daughter of Mr and Mrs. Clyde Winans, was crowned Homecoming Queen and Football Sweetheart last Friday night at the Sundown game here. She was then escorted to the throne in the stands by Dennis Jordan, football captain. Princesses, who were runners-up in the voting, were Judy Furlow, Daphne Hogg, and Kathy Firtle. Their escorts were Wendell White, Fernando Lopez and Bubba Bessire football players. Mrs. Sue Mahurin Weir, last year's queen, and escorted by Buster Snellgrove, was presented at the beginning of the ceremonies.

The Pep Squad members of the school wish to thank Herman Crawford and Jackie Jackson for the loan of their cars for use in the ceremony. A special thank you to Oscar Veach of Veach Pontiac for servicing and preparing the cars for use in the ceremony.

PRESTON SMITH ENTERS LT. GOV. RACE

State Senator Preston Smith of Lubbock today announced that he will be a candidate for Lt. Governor of Texas. This will be his second campaign for the state's second highest office. He ran in 1950 placing third in a field of 12 candidates and leading the ticket in 68 counties. Mr. Smith, 49, a veteran lawmaker and businessman, was

unanimously elected president pro tem of the Senate during the first special session of the 57th Legislature. He served as Governor of Texas on Aug. 4th in the absence of Gov. Price Daniel and Lt. Gov. Ben Ramsey.

Mike Pearce, son of Mr and Mrs. Melvin Pearce of near Hobbs, is an 18 year old freshman at Eastern New Mexico University, showed a Poland China hog that was named grand champion of all breeds at the state fair of New Mexico. The hog sold at a record price of \$5.50 a pound for an overall price of \$1,347.50. A pair of reserve champions were shown by Stevan Pearce, a brother of Mike. They are grand children of Mr and Mrs. Marcus Pearce of here.

SUNDOWN TRAPS EAGLES 12-0

The Sundown Roughnecks spoiled the 1961 Homecoming celebration for O'Donnell here last Friday as the visitors rolled to a 12 to 0 decision. Fullback Don Leonard made the difference scoring on runs of seven and three yards in the first and fourth quarters of the District 5-A game. The Eagles record is 2-4-1. They play at Plains Friday night and on Oct. 27th at Frenship.

Mrs. Mack Noble visited her son J M in Dallas over the week end.

David Sahdon, a business associate of the late N. Saleh, is in the Lamesa hospital after being in a Lamesa nursing home.

RODGER LINE RECEIVES GOOL PROMOTION IN FT WORTH

City Manager L P Cookingham Wednesday named Rodger N Line to be city budget co-ordinator. It is a new job in city government. Line, 27, will take over many of the duties formerly performed by Budget Director Jack Wood. He will coordinate preparation of the annual budget, supervision of budget review activities, etc. He is a native of O'Donnell and a graduate of Texas Tech. He was employed with the city governments of Lubbock and Fort Lauderdale, Fla. before coming to Ft. Worth in December of 1959. He is married and has two children.

Scout Drives Set

All mothers and leaders of Girl Scouts and Brownie Scouts will meet in the Floyd Thompson home at 9:30 Friday morning, Oct. 20 for coffee before going out on the drive to raise our quota of funds for the Caprock Council of Girl Scouts. The Council consists of 4610 Scouts and 1411 registered adults and is composed of 11 counties.

"Girl Scouts believe in the Future of America: as contributing members of their communities, they belong, and they build for a bright and happy future — for themselves and for their communities and for their country." — Dwight D. Eisenhower.

"Girl Scouts learn to be self-reliant, to think for themselves, to make decisions, to respect another's point of view, to get along with people — in short, thru Girl Scouting, they begin to develop maturity." — Eleanor Roosevelt.

The Boy Scouts of America was founded in 1910 and was granted a Federal Charter from Congress in 1916. Our South Plains Council was organized and chartered as a Boy Scout Council in 1926. We have 289 scouting units in the 20 counties that make up our South Plains Council. The investment in the scouting program per boy is very low compared to the crime bill we have to pay thru taxes. It costs \$2.840 to maintain one boy per year in a state correctional institution. A neighboring county has 35 boys currently at Gatesville. How much better off we will be if on Nov. 2 we will give to the workers who will be around asking for a donation to help keep Boy Scouting in the 20 counties on the South Plains of which the O'Donnell troop is a member.

Mrs. Dee Burrus had surgery at Lamesa hospital Monday.

Mrs. Gertrude Healer was in the Lamesa hospital last week.

Congratulations to Mr and Mrs. J C Durham on arrival of a fine daughter weighing 6 lb 7 oz. born Monday at Lamesa hospital.

A week end roundup of local liquor law violators netted 7 arrests.

Decorated Cakes for all occasions: Mrs. Walter Teeter, Phone Aten 439-2275 24p

Rev. Howard Marcom, local pastor of Methodist Church, is attending a series of sermons at McMurry College this week.

Carolyn and Greg Reed and Mr Reed and a number of FFA youths are attending the Dallas Fair.

Mr and Mrs. Ronnie Middleton and baby of Weed, N M spent the weekend with homefolks.

JOHN C BERRY RITES READ LAST THURSDAY

John C. Berry, 77, pioneer citizen of Draw community who has been living in Lubbock the past seven years, died last Wednesday at 4:10 a. m. in West Texas Hospital in Lubbock.

Funeral services were held at 2:00 p. m. last Thursday in Draw Methodist Church with Rev. C. R. Smelser, pastor, and Rev. Bruce Giles, pastor of Flint Ave. Baptist Church in Lubbock, officiating. Burial was in the Draw Cemetery under the direction of Stanley Funeral Home.

John Cleveland Berry was born in Henrietta on August 6, 1884. He moved to Lynn County in 1906 from Oklahoma and was wed in Tahoka May 19, 1907 to Miss Georgia Elizabeth Beach. Mrs. Berry passed away in August of 1954.

Mr. Berry farmed for a number of years and for 18 years prior to his retirement he operated road machinery in Precinct 2, Lynn Co. He was a long time member of Redwine Baptist Church.

Survivors include a daughter, Mrs. Ivy Eldridge with whom he lived at Lubbock, a grandson, John Eldridge of Lubbock, a granddaughter, Mrs. Ruth Newsom of Yuma, Ariz., three grandchildren and one sister, Mrs. Leona Simpson of Lubbock.

Pallbearers included J W Tucker, Jack Walker, Arthur Romines, Bill Simpson, James Rains, and Clarence Simpson. Honorary pallbearers included A J Rains, G T Galneau, Ralph Beach, Wallace Rains, W. H. Berry, Alex Berry and Burl Moore. Mr. Berry was well known here and had many long time friends dating back to the pioneer days.

Homecoming Is Enjoyed

Some 150 ex-students enjoyed the annual homecoming banquet held last Friday night in the school cafeteria. S. F. Johnson of Plainview and former superintendent here was master of ceremonies. At the business meeting held earlier, Mrs. Jack Webb was named president of the group. Other officers are Mrs. Hollis Swinney, vice president and Mrs. Frankie Jo Barton, secretary. After the ball game a reception was held in the Community Center honoring the exes. The honored class was that of 1935-36 of which a number were present.

1946 Study Club Meets

The 1946 Study Club met in its regular meeting Wednesday at last week in the home of Mrs. Carr Spraberry with Mrs. Douglas Balliew as cohostess.

Guest speaker was Dr. F W Maddox, president of Lubbock Christian College and he spoke on "The Danger of Communism." In the talk he traced communism from its small beginning to the menace it has become to all freedom loving Christian people of today. All who heard him were brought to realize anew just what is slowly invading our country with all intent of conquering it. Rev. Troy Dale, pastor of the First Baptist Church and Mr. Ode Prescott, Minister of the local Church of Christ, were guests of the Club for the inspiring meeting.

Harvest Continues Slowly

5,000 bales of this year's cotton have been ginned locally and about 3500 bales from area gins. The crop is estimated at being about 14 percent complete. As was true of past week ends, business was very good but not equal to last year. The Sunday closing law that becomes effective next month will have a tendency to make business better on Saturdays.

MRS. ANNIE SEAY RITES ARE READ LAST WEDNESDAY

Funeral services for Mrs. Annie Robert Seay, 57, of here, who died at 4:30 p. m. last Monday in St. Mary's Hospital in Lubbock, were held at 3 p. m. last Wednesday in the local First Methodist Church.

Officiating was the Rev. B R Kirkendall, pastor of the O'Donnell Assembly of God Church and the Rev. Henry Lonis, pastor of the Tahoka Assembly of God Church.

Interment was in the O'Donnell Cemetery under direction of the Stanley Funeral Home of Tahoka.

Mrs. Seay had been in failing health the past two years. She was born in Mansfield and moved here in 1929 from Montague County.

She married Earl Seay of here in 1957 in Lovington. She was a long time member of the Assembly of God Church here.

Survivors include her husband, a daughter, Mrs. Florence Flowers of Dallas, three step sons, Weldon Seay of Lamesa, J. E. Seay of Lubbock and Donnie Seay of the home, two step daughters, Mrs. W C Bell of Brownfield and Mrs. Wayne Davis of Lubbock, two brothers, E L Taylor of Seminole and Ben Brown of Ancho, N. M., a sister Mrs. Minnie Newton of Lubbock and nine grandchildren.

Pallbearers were Waymon Pierce John Davis, Cliff Lambert, Edward Carlisle, Olan Johnson and Elmer Newton.

Mrs. Seay, nee Jones, Foster was an employee of the late Wiley Phillips in a cafe here for more than 20 years. She lived a dedicated Christian life and was an inspiration to all who knew her. She was truly a wonderful lady who walked every day hand in hand with her Lord.

Pecan scab is a fungus disease which cause pecans to drop prematurely and is generally most serious in East Texas and areas near the Gulf.
 The Texas Agricultural Extension Service has released a new publication B-977 "Modern Pruning Methods." Copies are available at county extension offices or from the Agricultural Information Office, College Station, Texas.

Details on the 1962 statewide swine carcass test program have been released by T. D. Tanksley, extension animal husbandman. He says the contest provides an opportunity for hog producers to get valuable information on their animals at little cost. Both commercial and purebred producers are urged to participate and details are available from local county agents or teachers of vocational agriculture.

MAHON SEEKS INCREASE IN '62 COTTON ALLOTMENT

Washington, D. C. — Representative George Mahon advises that he has urged Secretary of Agriculture Orville Freeman to fix the national cotton acreage allotment for the 1962 crop at a higher level than the 1961 allotment and in no event at a lower figure. The 1961 allotment is 18,400,000 acres. The allotment is required to make his decision by Oct. 15.

Mr. Mahon said that a moderate increase in 1962 over 1961 is necessary in order to make sure that the American cotton producer will be able to maintain his fair share of the world market in addition to supplying domestic needs. He said that a reduction would stimulate foreign production and be unacceptable to domestic growers.

Cotton growers and producers have appealed to Members of Congress and government officials in regard to the cotton acreage matter. Mahon stated that he had discussed the matter with various officials of the Department of Agriculture in addition to the Secretary of Agriculture and had wired the President with members of the White House staff.

Federal crop insurance in 1962 will offer an improved cotton insurance program to both dryland and irrigated growers in Texas and New Mexico according to Secretary of Agriculture Orville Freeman. For the first time a new irrigated grain sorghum insurance plan will be offered in several High Plains counties. Other expansions have been made in federal crop insurance and still more are expected in the near future.

Due to weather conditions, many Texas farmers have had stored supplies of cottonseed damaged while others have been unable to harvest good quality seed from this year's crop. As a result seed for next year's planting could be in short supply, advises Fred Elliott, extension cotton specialist. He suggests that farmers carry over good seed now on hand and save seed which has been harvested under favorable conditions.

Poultrymen who try to cut production costs by buying a cheap feed may end up losing money, says Dr. C. W. Deyoe of the Texas A and M Poultry Science Department. A cheap feed may result in lowered production and an increase rather than a decrease in the cost of producing a dozen eggs.

The average American is eating more vegetables today than did his ancestors of 50 years ago, according to the U. S. Department of Agriculture. The report indicates there has been a shift away from fresh processed vegetables.

STATE HELPS CITIES HIT BY THE BIG BLOW

Austin — Carla has since gone but her aftermath lingers on. A month after the big blow, a clear picture of the havoc she wrecked has emerged as state and local public health personnel continue with the rehabilitation work.

Part of Carla's wrath took the form of destroyed foods and drugs, extensive damage to water and sewage treatment plants and the exposure of thousands of people to the threat of disease.

Food and drug inspectors working the disaster area from Corpus Christi to Galveston report great losses from flooding and interrupted refrigeration. Inspectors face the double problem of inspecting and embargoing damaged and tainted merchandise and preventing scavenging among discarded goods at city disposal grounds.

The amount of food condemned as unfit for human consumption by reason of storm caused contamination will total millions of pounds before investigations are completed. Damaged water and sewerage systems were quickly restored by highly trained municipal plant operators who pulled the motors and dried them out.

CHEVROLET

'62 CHEVROLET JOBMASER TRUCKS WITH NEW High Torque Power!

Here's new High Torque power for every weight class—light, medium and heavy... the most powerful engines in Chevrolet history... sure saving power and dependability for every job!

There are plenty of powerful reasons for Chevy superiority. High torque reasons. Reasons that range all the way from a mighty new High Torque 409 V8* for heavies, right down to the thrifty Sixes... including the High Torque 261 Six* that's available for the first time in light-duties.

Loads of other reasons, too. Like the new work styling with downward-sloping hoods

that let drivers see up to 10 1/2 feet more of the road directly ahead. Like Chevrolet's proved Independent Front Suspension for even smoother riding, easier working trucks. Like the heavier duty hypoid rear axles for middleweights and the rugged new I-beam front axles* (9,000- or 11,000-lb. capacity) available for extra-tough jobs on Series 80 heavyweights. Like the longer lived mufflers. Like work-proved Corvair 95's (2 pickups and a panel) that haul up to 1,900 lbs. of payload with low-cost dependability and sure rear-engine traction. Like to know more? See your Chevrolet dealer.

*Optional at extra cost

4-53 Diesel 150 hp, 271 lbs-ft torque

NEW CHEVROLET-GM DIESEL DURABILITY
Here's new earning power for middleweights... rock-bottom maintenance costs, compact size, low weight, top torque and top power.

409 V8 252 hp, 390 lbs-ft torque

NEW HIGH TORQUE VS With 10 1/2 per cent more torque than ever before available from Chevrolet.
