4-H club work is the youth part of Agricultural Extension Service's educational programs. 4-H club members learn to do by doing and their classrooms are the farms, ranches and homes of Texas.

A poultry disposal pit is not expensive to construct. It is a real labor saver and offers a simple solution to the problem of disposing of dead birds on the poultry farm. It can also be a mighty important part of the farm's sanitation program.

Factors other than farm income have been keeping farm values high during the past few years. Despite the declining income, farm land values, in 1953, have climbed steadily to a new record-high peak.

If the farm shop is cluttered and crowded, it is probably a hazardous place to work. Now is the time to give the shop a spring cleaning.

The Thunderbird's own record-setting 312 cubic inch engine can now be yours in most Ford models.

# Ford goes First...with the 225-h.p. V-8

Now you can have a 225-h.p. engine with Fordomatic Drive for less than the top engine in any other low-priced car with ordinary standard transmission!

Until you slip behind the wheel and sample the sizzle of a 225-h.p. Ford V-8 for yourself, the best thrills in motoring are still ahead of you. For this mighty engine delivers performance that will set your spine atingle... performance that will recapture again the fun of driving... performance that keeps Ford the world's largest-selling V-8!

Truly Ford goes first with this 312 cubic inch engine—largest ever offered in a low-priced car. Yet, even teamed with Fordomatic, it costs less than top engines in other low-priced cars with just standard transmission!

Ford goes first with LifeGuard Design, too.

For example, there's the deep-center structure of the steering wheel that helps to protect your chest in case of accident... double-grip door latches to reduce chance of doors opening under impact.

As for looks, every '56 Ford took its styling inspiration from the Thunderbird. They're the most glamorous cars in Ford's field.

In economy, too, Ford goes first. In the 1956 Mobilgas Economy Run, a Ford V-8 beat everything in its class—including Sixes as well as Eights. Come in now for a thrilling Test Drive. When you return you'll understand why Ford is the V-8 with the biggest following.
