Co-op Meeting Divides \$71,000

More than 500 members and pat ns and friends of the O'Donnell Farmers Co-op gin and elevator enjoyed the annual meeting of the association Saturday. The program began with a delicious barbecue dinner served by L. D. Jackson at the Grade School cafeteria.

At the meeting following dinner, the annual audit was read and more than \$71,000 in earnings were distributed among about 350 members. J. W. Gardenhire and Dallas Vaughn, out-going directors, were re-elected. Carl Sanders is tne chairman of the board. Visiting speakers included Wilmer Smith of New Home, the president of the Board of the Plains Co-op Oil Mill. The Index and his tribe apprecated the opportunity of attending meeting and lunch extended

by the manager. Weldon Martin. Better corn meal made fresh regularly in old fashion way on grist mill rocks It's mighty delicious and good. Eat it every day as bread and corn-meal mush, available at Line's Grocery and Mkt. A. Bill-ingsley and Son. xtc

The Gail-O'Donnell highway remains closed after the 12 inch rain of July 19th Water at the deepest place is about knee-deep. The lake is nearly due east of Berry Flat

Pride Reunion Enjoyed

Some 140 folks enjoyed the Pride school reunion Sunday at the Lub bock park Judge E. A. Bills, the district judge of Littlefield, and a teacher in the school in 1909-10 was present as was Ex-Judge Yates of Lamesa who also taught at school. The school district was con solidated into a larger district in 1938, according to E. C. Harris. Some 20 to 30 Exes live in this area The reunion will be every first Sun day in August.

NOTICE: pictures of 7 new teachers will run next week with a brief introduction of each according to Supt. Skinner Don't miss it

Most peoople are partial months of late summer and fall. But not State Health Department birth record keepers.

To the staff of the department's Bureau of Vital Statistics, August through October is the roughest time of the year.

The reason: parents who know their children must have birth cer-tificates before they enter school for the first time but who put off making requests for certified copies until the last minute.

The couple were wed Aug. 2, 1905 at Gainesville. They lived for some time in Erath County and Last year bureau personnel pro-cessed more than 40,000 requests later in Capitan, N. M. They moved to Lynn county in Oct. of 1922 where they have lived ever during those three monhs. For a limited staff, that meeans hours of night and week end work with-

out overtime pay. Bureau personnel shudder when they think of the estimated 227,000 kids who will be eligible to enter the first grade in September.

problem. Others live in areas where local school boards do not require proof of age before admitting the child to the hallowed halls of learn-

Drive with care . . . EVERYWHERE!

It's the new winner in stock car competition . . .

and it's winning new, young-minded friends faster than you can say America's hottest V8.

Because of its liveliness, its looks, and because it holds the road like it loves it-which it does.

Come try it, won't you, if only for the fun of it!

NOTHING (not even the high-priced cars) HAS GOT SO MUCH TO GO WITH!

The most up-to-date V8

So advanced in design and so efficient in operation that it needs only 4 quarts of oil instead of the usual 5. Shortest stroke of any V8 in the industry. Delivers more horsepower per pound than any engine in Chevrolet's field. Take your choice of the 162-h.p. "Turbo-Fire" or the 180-h.p. "Super Turbo-Fire," optional at extra cost.

Two Sizzling 6's

They're the most powerful 6's in Chevrolet's field-And like the V8's. they give you the extra punch, per-

formance and reserve power of the only 12-volt electrical system in Chevrolet's field.

Powerglide, Overdrive or Synchro-Mesh

Chevrolet gives you the drive to suit your driving. A new and finer Synchro-Mesh transmission, or as extra-cost options, oil-smooth Powerglide automatic transmission or Touch-Down Overdrive.

New engineering advances on steering, springing, suspension

Special ball bearings in the steering gear roll with the turn of the wheel to reduce friction. Glide-Ride front suspension rolls the bumps smooth. Outrigger rear springs straighten the curves.

Step in ... and command the most modern truck power on any job!

Seven new "high-voltage" high-compression valve-in-head engines!

Here's hour-saving, dollar-saving power for your job . . . the biggest choice of engines in Chevrolet truck history! And they're the most modern engines in the industry!

You've got it good under the hood with a new Chevrolet Task-Force truck! With two new V8's and five new sixes to choose from, you can pick the power that's tailor-made to do your kind of hauling.

Shortest stroke V8's in any leading truck! Both of Chevrolet's new truck V8's have an ultra-short stroke-shortest of any V8 in any leading truck. They're of modern oversquare design, which means that the piston stroke is smaller than the bore. The result is less piston travel per mile . . . longer engine life. Also, Chevrolet's compact truck V8's deliver exceptionally high horsepower per pound of engine weight. More power is actually avail-able for hauling your loads!

Modern 12-volt electrical system! You get this great development in all new Chevrolet truck engines-both V8's and sixes. The 12volt electrical system delivers twice the punch for quicker cold-weather starting (up to 30% faster cranking speed). It also provides a hotter, fatter spark for better ignition.

Come in and command the most modern truck power for your job!

Year after year . . . America's best-selling truck! CHEVROLET
