Community Christmas Party December 21st

BAIRD—As most of you have noticed during the past couple of weeks a lot of Christmas Spirit inducing decorations have gone up in the downtown section of Baird. The lovely silver and gold trees which have been placed along Market Street are a large part of this plan, the trees are placed beneath our traditional strings of multi-colored lights, balanced by two green trees at each end of the street with snow covered bases and flickering lights. It may come as a surprise to most of the Citizens of Baird, but these trees were made by people who live right here in Baird. The Baird Chamber of Commerce came upon the idea of buying the trees to help decorate the city, a few at first and additional ones each year. The merchants were all asked that instead of having their yearly Christmas drawing, if they would like to donate the money toward the project for the decorations, and all agreed. Then after pricing these trees a few of the more enterprising people decided "Why not make them"? So at a saving of approximately

\$150.00 per tree the wheels were set into motion. Thanks to a lot of hard work by the Baird Chamber of Commerce, Kelton's Flower Shop, Callahan Farmer's Co-op, the City of Baird and a few interested citizens, we now have these lovely trees adorning our streets. The Callahan County Court House is going to erect a large community Christmas tree complete with lights and decorations, to be placed in

the center of the Court House lawn, and on Saturday, Dec. 21, you are all invited to a Community Christmas Party. The Christmas Party has been scheduled for 6 p.m. on that Saturday and everyone is invited. There will be caroling led by the choirs from the churches. It promises to be a great night of Christmas spirit and enjoyment. Everyone please try to attend, and make a very Merry Christmas for Baird.

CISCO—Memories held dear come to all of us when we remember "the house where I was born, or where I once lived..." and this is the fond hope of the Cisco Civic League in presenting a "Christmas Pilgrimage of Homes". A house that dates back as far as 1893 could really tell us some things...of love, success, happiness, perhaps some sorrow, but all houses hold memories both happy and sad for someone...somewhere.

The League will sponsor the Pilgrimage, Sunday, December 15, from 1 to 5:30 p.m. and will feature five private homes; Dr. and Mrs. Ayres Cermin, the Robert Kamon home, Dr. and Mrs. Dan Maddox, R. J. Manchen home, and the presidents home located on the Cisco Jr. College Campus.

Tickets for the home tour are \$1.50 for adults and 50¢ for children, and may be purchased at any of the featured homes or at the State Farm Insurance Office in Cisco. Tickets may also be purchased ahead of time for any of the Civic League members.

Tour hours are from 1 to 5:30 p.m. and maps are available at any of the featured homes. Proceeds will be used for the proposed park for Cisco.

Federal Land Bank Loans Reach Billion

BAIRD—Leslie Bryant, manager of the Federal Land Bank Association of Coleman, announced last recently that The Federal Land Bank of Houston reached a Billion Dollars in loans to Texas farmers and ranchers on November 27, 1974. This represents a milestone in service by the Federal Land Bank System to Texas agriculture, and is a 48 per cent increase in mortgage loans outstanding during the past two years. The Bank has provided long-term credit to farmers and ranchers of the state since 1917.

In making this announcement, Bryant stated, "The capital requirements of farmers and ranchers have increased substantially in recent years and is expected to continue." He also emphasized the importance of providing credit to farmers and ranchers with the critical world needs for food and fiber.

The Federal Land Bank Association of Coleman has in excess of \$13,000,000.00 outstanding to 742 farmers and ranchers.

The Federal Land Bank of Houston makes farm and ranch loans throughout Texas through 66 Federal Land Bank Associations, and the Billion Dollars in loans outstanding is to over 35,000 farmers and ranchers. The local Association makes and services loans in Coleman and Callahan Counties. Officers and directors of the Association are Johnnie I. Henderson of Burkett, President; R.O. Nichols, of Baird, vice-president; together with Hadden Payne of Cross Plains, W. R. Hickman Jr. of Coleman, and Ralph M. Edens of Talpa composing the five man Board.

When man's aspirations are filled with religious faith and a sense of spiritual mission, he rises to heights of unselfish dedication. But when he keeps his sights lowered to greedy goals, he often becomes entangled in his own materialistic web.

Bring your family to church. That's where we learn with confidence to lift our eyes to the realities that are above the worldly.

As we train a youngster to look to God, we are unlocking the potential of a soul.

Texas Producers Good Xmas Gifts

COUNTY—It's that time of the year again to make out your Christmas gift list. And what better gift to give than something produced in Texas that can be enjoyed by everyone on your holiday list. Gifts of Texas meat, poultry and dairy products should have a special place on your gift list this Christmas, believes Greg Gerngross, County Extension Agent with the Texas Agricultural Extension Service. Such items are available in grocery stores and supermarkets throughout the state in a wide variety of choices. Gifts of choice Texas-grown products offer an interesting change of pace in gift-giving for both the giver and the recipient. Such gifts can be enjoyed as part of the table fare during the holiday season. Many grocers are participating in this special program to promote the use of Texas products for Christmas gifts. In addition to giving actual products, gift certificates are also available through major retail food stores and banks. The program for promoting Texas products for Christmas gifts originated with the Texas Farm Bureau, and is being supported by the Texas Department of Agriculture and other agricultural agencies and organizations.
