Palmer Implement Co. Sold To Applewhite

Business circles here "rocked on their foundations" this week when it became known that Palmer Implement Company, Farmall tractor dealers had been sold to J. K. Applewhite of Tahoka. Stock is being inventoried as we go to press, and the transaction is expected to be complete within the next few days.

W. L. Palmer, owner and manager, is one of the pioneer tractor dealers of this section, having opened the agency here in January 1926, with M. C. Tull as partner.

Sale of the business has been the subject of much thought and care on his part, and only the illness of Miss Thelma Palmer, who has for several years had active charge of the business, finally caused him to agree to the proposition.

While cordially welcoming Mr. Applewhite to O'Donnell, we cannot help regretting the loss of the Palmers from immediate business interests; the firm has at all times been congenial and agreeable in any civic enterprise.

Further announcements concerning the deal will be made later. Mrs. Ethel Everett of Wink spent Saturday with relatives and friends here.

Business Men Sponsor Picture Show Monday

A free picture show to which every resident of the territory is cordially invited, will be sponsored at the high school auditorium Monday night, beginning promptly at 7:30.

The show will be made up of three features, the first on Public Safety and dealing with the more common causes of highway accidents, the second is entitled "Pay Day," and deals with various phases of the liquor question. These two films are talkies, and are said to be very interesting.

The third and last film is the life

of Christ from his birth through the crucifixion, resurrection, and ascension. This picture was made in Palestine under the direction of noted Bible students, and is recognized as one of the best films of its kind ever produced. It will be accompanied by a sermon-lecture from a competent speaker.

Local business men have gone to considerable trouble and expense to bring this unusual and worthwhile entertainment to O'Donnell, and it is sincerely hoped that every person will make an effort to attend. High School Auditorium Monday night at 7:30. No admission.

Mr. and Mrs. Homer L. Deaken of Longview were guests of friends here last week.

County Farm Meetings Planned

A meeting of the county and community AAA committees was held in the courthouse Thursday, at which a series of community meetings throughout the county to discuss the AAA program for 1940 was planned.

It is contemplated that there will be about a dozen of these meetings in rural school houses in the county, which will be addressed by County Agent Don Turner and AAA secretary C. A. Lawrence, giving information, respecting this program. There will probably be discussions by the farmers themselves, also.

Preparations for the election to be held on Saturday, December 9, are also being made. At this time, farmers will vote to accept or reject the proposed program for next year.

The last of the series of meetings to be held preceding the election may be held in Tahoka, to which all the business men will be invited and urged to attend, so that they too, may thoroughly acquaint themselves with the program.

A schedule of the meetings will be: Wells School, Nov. 21; Hickberry, Nov. 23; Wilson, Nov. 27; Grassland, Nov. 28; Lakeview, Dec. 4; O'Donnell, Dec. 5; Tahoka, Dec. 7; New Lynn, Nov. 21; Dixon, Nov. 27; Draw, Nov. 28; New Home, Dec. 4; Morgan, Dec. 5.

Farmers over the entire cotton belt will vote on December 9th as to whether marketing quotas will apply in 1940. Any cotton farmer who produced cotton in 1939 either as tenant, share-cropper, or landlord, is eligible to vote in the election. It is the duty of every cotton farmer to express his views as to the marketing quota by voting at this time. A farmer may vote at any voting box in the county in which he resides. The voting boxes as designated by the County Committee are as follows: Tahoka, Draw, Lakeview, Wilson, New Home, Morgan, O'Donnell, New Moore, Grassland.

MAYOR'S THANKSGIVING PROCLAMATION

Whereas our community has enjoyed comparative health, happiness and prosperity during the past year, and

Whereas, it is only right and fitting that we should unite in giving thanks to the beneficent Providence which has so favored us;

Now, therefore I, B. M. Haymes, Mayor of the City of O'Donnell, do hereby proclaim Thursday, November 30, as Thanksgiving Day for O'Donnell, and do call upon our citizens to suitably observe the occasion by joining with the nation in custom set by our forefathers almost three hundred years ago, offering thanks for our protection and happiness during the year.

District Meeting Be Held At Lamesa

At the Area meeting of the Future Homemakers clubs of Area II it was decided that the Lynn and Dawson county chapters would meet for a district meeting at Lamesa, December 2. The date, however, has been changed to Saturday, Nov. 25, because the teachers will be away at the Teachers Conference in San Antonio December 2.

All Lynn and Dawson county chapters are urged to send their delegates to Lamesa November 25. Tahoka will be in charge of the program.

We Give Thanks for **THANKSGIVING**

Almost three hundred years ago our forefathers paused in their first harvest in the new world to give thanks to Almighty God for His protection through the year, and for the bountiful yield He had granted as reward for their labors. To our customers and friends we extend our sincere appreciation of their patronage during the year, with the hearty hope that this will be the best Thanksgiving season they have ever known.

THANKSGIVING DAY WILL BE OBSERVED NOV. 30

In keeping with most of the state O'Donnell business men and school officials have set November 30th as Thanksgiving Day here. Stores will be closed throughout the day, we are told.

Classes in the public schools will be dismissed Wednesday afternoon through Friday, so that families may plan trips or to entertain guests.

THANKSGIVING DINNER WILL BE SERVED NOV. 30

Following a custom set last year, Ladies of the Cemetery Association will serve a turkey dinner on Thanksgiving Day, November 30, at the Lynn County Motor Company's building.

Price has been set at 40c, which is a very conservative price for a dinner such as the ladies are planning. Proceeds will be used in

keeping up the city cemetery grounds, well and windmill, etc.

If you are expecting guests for that holiday, plan now to really enjoy their visit, and save many hours of work by taking them down for dinner with the ladies.

Rev. J. H. Crawford was returned to the local Methodist church for another year, according to announcements of the bishop's appointments at the end of the conference held at Lubbock last week.
