State Superintendent L. A. Woods, (above) of Austin and District Deputy Superintendent E. E. Day of Plainview are spending today and tomorrow in Lynn county.

This morning at 9:30 o'clock, Dr. Woods will address the student body of the Tahoka High School and at 10:30 the student body of the O'Donnell High School. At 2:30 this afternoon he will make the principal address at the dedication of the new Grassland school building.

NEW CHEVROLET ON DISPLAY TOMORROW

First showing of the new 1941 Chevrolet will be made tomorrow at the Ellis Chevrolet Co. The showing will be held in conjunction with the initial nation-wide display of this popular low-priced car.

"Car buyers everywhere are going to get a real surprise when they see the new 1941 Chevrolet," Mr. Ellis said. "From the standpoint of beauty, performance, economy, safety, and all-round value, the careful automobile buyer will find it entirely to his liking. The new car has a longer larger, wider Fisher Body sturdier valve-in-head engine, and unbelievable beauty."

A cordial invitation has been extended by Mr. Ellis to everyone in the Lynn county area to come in Saturday and see this remarkable new car. Ellis Chevrolet's showrooms, specially decorated for the announcement day showing, will be open from 7 a. m. until 10 p. m.

Former Resident Opens Store Here

Nathan Stool, who operated a store here about three years ago, and who is now operating a large store in Lubbock, will open a new Army store here within the next few days.

Stool is having shelves installed in the building next door to the O'Donnell Motor Parts, and the entire front has been repainted.

Mrs. J. C. McCauley, also a former resident and who, with her husband the late J. C. McCauley, operated a store here will move back to O'Donnell and be employed at the store.

McGinty Discusses Loans On Cotton

TAHOKA, Texas, Sept. 19 (spl.)—Lynn county cotton farmers who produce middling cotton of 15-16 staple length may place their 1940 crop under Government loan at 9.34 cents a pound, Fred M. McGinty, chairman of the Lynn county AAA committee announces this week. Loans will be available until May 1, 1941.

Loan rates for all eligible grades and staples have been established by the Commodity Credit Corporation. They are on net-weight basis, which makes them average 40 points over commercial quotations. Premiums and discounts vary with each grade and staple length.

For example, the rate on middling 1-8 inch cotton is one cent of a cent less than for fifteen-sixteens-inch middling, on which the loan rate is based, while one inch cotton of the same grade will bring one fourth of a cent more. Middling 1-8 inch cotton is one and a half cents over the basic rate.

In the same manner, strict middling cotton in the medium staple length will bring one fourth to one third of a cent more than middling cotton, while strict low middling of the same staple is discounted about two thirds of a cent per pound.

All cotton submitted for the loan must be classed by a Board of Cotton Examiners of the United States Department of Agriculture, whose decision will be final. Cotton produced in this county will be sent to the office of the Agricultural Marketing Service in Lubbock for classing.

To obtain a loan, a farmer delivers his cotton to a warehouse which has been approved for handling loan cotton. The warehouseman sends samples to the classing office, and, upon receipt of their report, inserts in the loan forms the grades and staples of the cotton. The farmer then takes his loan forms and his warehouse receipts to a bank or other loaning agency and receives his cash advance or cotton loan.

"While the new requirements for classing of loan cotton will necessarily cause some delay in the making of the loan, the benefits to be derived from the system will more than offset the inconvenience of the delay. Growers will receive a uniform classification of their cotton, done by Government employees who are expert in classing cotton. The farmer will find his cotton class record a valuable aid, either in the sale of his cotton or in the sale of his equity in the cotton," the official said.

ATTENDING TECH

Misses Leta Merle Koeninger, Lometa Robinson, Yvonne Westmoreland and Peggy Adams went to Lubbock Saturday to enroll in Tech.

Mesdames E. T. Wells, J. Mack Noble and C. L. Hafer were in Lubbock Monday.

TEXAS QUEEN

Miss Anaceli Sanchez, beautiful young lady of Latin-American descent who competed in the Queen of Queens contest at the State Fair of Texas last year, is entering the State county contest again this year. Miss Sanchez is a member of a prominent ranch family of Rio Grande City. She will be escorted about the fair grounds while in Dallas by Mrs. Paul T. Vickers of McAllen, who has charge of the Valley's regional agricultural exhibit.

T-BAR 4-H CLUB LEARNS HOW TO DRESS FOWLS

"When dressing a chicken, the bird should be washed well, using a soft cloth and warm water with soda or soap as a cleansing agent," stated Miss Maurine McNatt, home demonstration agent, at a meeting of the T-Bar Club in the schoolhouse Friday, September 13. Soda is preferred since the carcass is sometimes bloody, and soap and blood create quite a slime. If crude oil is used around the poultry house and rubs off onto the fowls, nothing but soap will remove it. Rinse the fowl carefully in clean water to remove any traces of soap or soda.

Ollie Lee McMillan was elected secretary and Miss Fay Anderson was elected sponsor.

The next club meeting will be on September 27 with the sponsor in charge—Reporter.

S. L. Henderson of Quanah visited his uncle and aunt, Mr and Mrs. Fred Henderson before going to Lubbock to attend Tech.

NEW DEPUTY SHERIFF IS NAMED FOR O'DONNELL

A new deputy sheriff for O'Donnell's territory was named this week by Sheriff B. L. Parker, and Con Burns, appointee, has already entered upon his new duties.

John Johnson, who has served as deputy and city marshal, tendered his resignation to the city several days ago.

Burns has had extensive experience as a peace officer, having served about 14 years in several different phases of the work in Knox and Baylor counties.

\$177,000 In Parity Checks Received

TAHOKA, Texas, Sept. 19 (spl.)—Government cotton parity checks have been pouring into the office of C. A. Lawrence, secretary of the county A. A. A. committee, this week and are being distributed among the farmers.

Up till Thursday morning 1,067 checks had been received for 675 farms for the total amount of \$176,962.56.

Checks are coming in practically every day and will be delivered to the payees just as rapidly as the clerical work can be done in the office.

These checks are payable to three classes of beneficiaries: landlords, tenants, and other operators of cotton farms.

Mr. Lawrence estimates that when all of these cotton checks have been received and delivered to the payees, a sum of money amounting to about \$490,000 will have been poured into the pockets of Lynn county land owners and cotton producers.

NEW BOWLING SEASON OPENS WITH 4 TEAMS

Four teams cracked open the new bowling season here this week with Whitsett's Drug, the Corner Drug, Blocker's and C-C Dry Goods again sponsoring.

The C-C leglers started the season off with a rush by downing Blocker's three straight games Tuesday night. Claud Tomlinson, new owner of the alleys, is arranging the schedule and list of prize awards which will be distributed to winning teams and to players.

Team memberships are as follows: Whitsett—Gardnerite, Whitsett, Tune, Caldwell, Wimberly; C-C Dry Goods—Buchanan, Cubany, Davis, Putman, Shodgrass; Corner Drug—Hancock, Shook, C. Wells, Howard, E. T. Wells; Blocker—Brook, Brewer, Merrick, Barnes, Nowell.

TO NEW MEXICO

Mrs. William G. Forsy and Cynthia Rae accompanied Mrs. Robert Burns Staggs and Miss Deane Staggs of Tulsa, to New Mexiaq Wednesday where they will visit relatives until Friday.

Mrs. L. Brooks Sayre who visited last weekend in the Forsy home will return here from Kermitt Friday and will accompany Mrs. Staggs and Miss Staggs to Tulsa Saturday.

September Term District Court to Convene Monday

TAHOKA, Texas, Sept. 10 (sp.)—The September term of the district court is scheduled to open here Monday morning.

The docket for the term, as usual, promises to be rather light. Aside from a few divorce cases and a few tax suits, not many new civil cases have been filed, according to Miss Hattie Server, the clerk. It is not believed that the criminal docket will be heavy either, as not many new criminal cases are in prospect at this time.

Prospective grand jurors and petit jurors for the term have been summoned, and a grand jury will be impaneled and set to work Monday morning.

The last drawn for grand jury service is as follows: Fred McGinty, C. E. Campbell, John A. Anderson, Jim

WHAT A DIFFERENCE GOOD LIGHT MAKES

• Young eyes are quick to notice how much easier it is to see under the right kind of light—the kind of light that enables them to read longer without getting sleepy and tired. And parents will notice the difference too, for tests have proved that proper light will help students concentrate more closely on their studies when doing home work.

Good light is cheap. A 150-watt student lamp uses less than one penny's worth of electricity an hour, a small price to pay for good light to eliminate unnecessary eye fatigue which may cause eye troubles.

Social Security Head Visits Here

TAHOKA, Texas, Sept. 19 (spl.)—John R. Sanderson, Field Assistant of the Lubbock Social Security Board field office was in Tahoka today interviewing claimants under the amended Social Security Act and assisting employers to secure information necessary to complete certain wage records. Regular visits are made to Tahoka by a member of the Lubbock office staff twice each month, and the representative is available at 2:00 p. m. at the Post Office.

There is a schedule of the visiting dates for the next three months on the bulletin board at the Post Office. The next visit will be on Wednesday, October 2.

The Lubbock office took over the servicing of Lynn county from the Amarillo office on November 13, 1939. The principal functions of the office, according to Mr. Sanderson, are the acceptance of claims for monthly benefits from retired wage earners, their dependents and survivors of deceased wage earners who qualify, the insurance of account numbers, and handling any wage record problems which arise. This last function is performed with the cooperation of the employers.

Any person desiring information about old-age and survivors insurance provisions of the Social Security Act was requested to call on or write the Social Security Board, located at 1309-A Texas Avenue, Lubbock, Texas.

Betty Crocker MEALTIME MAGIC

Prepared for by Betty Crocker Home Service

SIMPLY LUSCIOUS

SIMPLY luscious! These words describe this rich flavorful pecan pie that hails from the deep south. Luscious means sweet . . . and this pie is certainly that . . . but it's a rich sweetness that doesn't seem cloying. Butter and egg yolks and nuts contribute the smooth richness. It's a pie, however, that should be served with discretion. Never, never as the climax of a hearty rich meal . . . such as a roast pork first main course with perhaps an avocado salad. It can be enjoyed as it deserves after a very light meal . . . a soup and dairy salad. Or . . . and here is where it really shines . . . with cups of fragrant coffee when you've invited friends to come in around eight in the evening for coffee and dessert. It's grand, too, with coffee for "refreshments" after a game of bridge.

PECAN PIE
1 unhalved 9-inch pie shell
1 cup corn syrup
3 tsp. sugar
3 tsp. all-purpose flour
1 tsp. salt
2 tsp. cinnamon
3 tsp. butter
1/2 tsp. vanilla
2 large eggs
1 cup broken pecans
Mix corn syrup with sugar, flour, sa., cinnamon, melted butter and vanilla. Add very well beaten egg yolks. Fold in the egg whites beaten until stiff.
Add the pecans. Pour into an unhalved crust and bake 45 to 50 minutes in a hot oven.

PASTRY FOR ONE-CRUST PIE
1 cup sifted all-purpose flour
1/2 tsp. salt
1/2 cup shortening
Ice water (2 to 3 tsp.) (Just enough to make dough stay together)

FOR TART SHELLS
This recipe would make about 4 tart shells.

If you have any specific cooking problems, send a letter requesting information to Betty Crocker in care of this newspaper. You will receive a prompt, personal reply. Please enclose 3 cent stamp to cover postage.

Lynn County Gets Lateral Road Fund

TAHOKA, Texas, Sept. 19 (Sp.)—Lynn county on Monday received the sum of \$10,800 from the state committee handling the state bond assumption fund, to be used chiefly in the improvement of the lateral roads of the county, according to County Judge P. W. Goad.

It was agreed however that approximately \$1,100 of these funds might be applied on indebtedness incurred by the County in the purchase of highway right-of-way. The bulk of it, about \$9,000, is to be used in the improvement of the lateral roads.

This fund will probably be divided equally among the four commissioners precincts of the county, or approximately so.

This is the first money, we believe, that Lynn county has been able to get from this fund.

The fund is derived from a tax of one cent per gallon on gasoline authorized and levied to take care of millions and millions of dollars of county and district road bonds assumed by the State a few years ago.

Judge Goad and our commissioners court very properly strenuously opposed the assumption of these local bonds by the State for the reason that some counties had issued such bonds in large amounts profreely and that it was not fair to make the people of the state generally pay for the extravagance and mismanagement of many of the counties and road districts.

But the law was enacted and the State made responsible for these extravagant issues of bonds nevertheless. And to take care of the interest and sinking funds on these bonds a gallon tax of one cent per gallon was added to the then existing gasoline tax.

There is a surplus of this each year to be pro-rated back to the counties. Lynn County had few outstanding bonds to be assumed by the State, and the commissioners of this county have found it difficult to get any of the money. But recently they made a special trip to Austin to interview the State committee and got a promise of a small portion of these funds. And Monday the check came in the sum of \$10,800.

The state committee which has charge of this fund and of its distribution is composed of State Comptroller George Sheppard, State Treasurer Charlie Lockhart, and State Highway Engineer Greer.

CANNING OF POULTRY

"Poultry products must be canned under steam pressure," stated Miss Maurine McNatt Home Demonstration agent, in a Petty 4-H club meeting at the schoolhouse September 17.

Tin or glass containers may be used to pack the product. The No. 1 tin can is best for market purposes. Because of the difficulty of heat penetration and the lack of proper equipment in the home to process and cool larger containers safely, quart jars and No. 3 tin cans are not recommended for the home or market.

Delila Carrel was elected president.

The six members present were: Jodean Jones, Delila Carrel, Joyce Rogers, Anita Porter, Betty Muriel Farris, and Geraldine Jones.

WELLS 4-H CLUB

"Chickens should be properly bled when killed," stated Miss Maurine McNatt, home demonstration agent, to the Wells 4-H Club Friday, September 13, at the school building.

If chickens are to be cooked immediately frozen, or canned, they should be well bled. A bird should be hung by its feet and the veins in its throat cut to make it bleed freely. This will insure whiter meat and also meat of better quality since it will be free of clogged blood veins.

Clota Rae Jones was elected recreation leader, Wanda Jean Tyrler song leader, and Miss Alta Mae Simpson sponsor.

The next meeting will be September 19 with the sponsor in charge.

W. O. (Shorty) Baker, who was seriously sick with typhoid fever several weeks, is said to be improving very decidedly the past few days and strong hopes for his ultimate recovery are now entertained.
