### Farm Boys and Girls Can Participate

Farm boys and girls in Lynn County will be enabled to participate in 4-H Club and Future Farmers of America junior educational and demonstration farm projects during 1940 with loans advanced by the Farm Security Administration.

New regulations making such loans possible were announced by Mr. Wyman J. Welch, FSA rehabilitation supervisor in Lynn County.

"All young people enrolled in these junior farm groups and whose parents are among the FSA borrowers," Mr. Welch said, "may secure loans of not more than \$75 for purchase of a calf, sow, poultry or other young livestock, as well as seed, plants and fertilizer, for projects approved by the county extension agent or Smith-Hughes instructors in charge of the projects."

Mr. Welch said that by making loans available to young people with no other source of credit, the program is expected to bring the families more into normal community life, sponsor useful farm projects, and contribute to rehabilitation.

He explained the new loan will enable county agents and vocational agriculture teachers to broaden their activities and reach a larger number of rural young people who heretofore had been unable to participate in such projects because of limited funds.

Loan applications must be made to the county FSA supervisor and approved by the project leaders. Security on loans will include a note signed jointly with parents and chattel on crop mortgages, with interest at five per cent.

"This is another case," Mr. Welch said, "where the Farm Security Administration is seeking to broaden its facilities to help low-income farm families in cooperation with other agencies. I am sure there are a number of boys and girls in Lynn County who will benefit from this plan."

### George D. Foster Asks For Re-Election

The Index in this week authorized announce the candidacy of George D. Foster for the office of Justice of the Peace for Precinct 4. We wish this with much pleasure. Uncle George has made a conscientious and capable public official here sparing no time nor effort to the performance of his duties.

His official statement, which appears below, states concisely and yet fully his own conception of these duties. That I will endeavor at all times and in all cases (should I be re-elected) to be just with every one under all conditions, and do my duty according to my oath and the law provided for my actions. I especially desire to assure you that I have tried to be fair and just in my work, and also have tried to be useful to the public outside of my duties in office, having applied much of my time not only in the day time, but at all hours of the night, trying to keep people out of trouble, and to help others out who had unintentionally and innocently arrived at that point.

In short, I have executed my duties as my conscience dictated, together with my knowledge of conditions (after investigation) leading up to the offense. In the past four months I have been compelled to do many things that I sincerely regretted the necessity of doing, but (duty first) and then courtesy was my idea of dispensing justice. In all these months I have not spoken one cruel or harsh word to any one brought before me regardless of the charges filed against them. There has of course, been prosecution in my court (as of necessity) but never any persecution.

I promise to try to do even better in the future should you desire to retain me in my present position, and wish to assure you that I believe I can do just that. In conclusion,

### Gold Star Girl Of Lynn County Named

The record she achieved in 4-H club work has given Miss Reba Phillips, member of the Midway 4-H club, the honor of being the 1939 Gold Star Girl of Lynn County. She is the daughter of Mr. and Mrs. L. A. Phillips.

Reba has not only learned to make her own clothing, but she now helps her mother with hers and the little sisters. During this year she made twelve tea towels, seven pot holders, five handkerchiefs, one pair pajamas, one pair overalls, one bonnet, one smock, four scarfs, and aprons, one shirt, six dresses, and remodeled three dresses. To improve her clothing storage she added a hat stand and shoe rack.

In bedroom work she made three scarfs, four sheets, one quilt lining, five quilt blocks and curtains for three windows.

With the help of her parents she raised five hundred baby chicks and cared for the family flock, which produced an average of 140 eggs per day. She at all times followed improved recommendations in poultry management.

Reba's club sponsor is Mrs. R. L. Littlepage.

### Mr. Cabool's Cousin Dies At El Paso

Mr. and Mrs. C. H. Cabool were called to El Paso Wednesday night of last week by news of the death of his cousin, Mr. Charlie Shabley.

Mr. Shabley, a World War veteran, had been an invalid for some fourteen years, and had been in a serious condition for many months. He is survived by his wife.

I will ask that you give this your courteous consideration, and again assure you that I will truly appreciate your influence and vote.

Respectfully yours,  
GEO. D. FOSTER

### Play Will Be Staged At Mesquite Tonight

A cast of community talent will appear at Mesquite school building tonight in a three-act comedy drama, "Petiteco Ranch," and all indications are that it will be a hum-dinger from start to finish.

Sterling Bearden plays the leading male role, with Mrs. M. Stephens playing opposite him. Instrumental music will precede the play, and the orchestra will render numbers as between-act features. There is no admission, the actors cordially inviting all their friends to be their guests for the evening. The curtain is scheduled to rise promptly at 7:30.

**Baptists To Meet  
At Tahoka March 12**

Several hundred Baptist workers

coming from seven Baptist associations comprising District No. 9, which covers all that vast territory lying between Tulla on the north and O'Donnell on the south and extending from far below the caprock to the New Mexico line, will meet on March 12 for a great

Sunday School, Baptist Training Union, and Women's Missionary program and rally at the Tahoka church.

The meeting was held last year in Lubbock and it was estimated that 2,000 people were in attendance. Possibly a thousand people or more will attend, if the weather is favorable.

It will doubtless be the greatest

one-day affair the Baptists have ever had in this country. Hotels, cafes, and restaurants will doubtless be taxed to the utmost to feed the visitors at Tahoka at the noon hour.

The executive board of the W. M. U. will meet on the preceding afternoon, March 11, and it is expected that about sixty women will be in this meeting.

On the next day, at the general meeting, a number of state Baptist leaders will be present. Among those expected are Mrs. B. A. Co-pass, state W. M. U. president, G. S. Hopkins, state Sunday School secretary, and P. C. Gardner, state B. T. U. secretary. All district officers of these organizations and District Missionary A. C. Huff of Plainview will also be here. Representatives of the Baptist Brotherhood are also scheduled to be present.

action to eliminate any abuses in beer retailing that may occur.

We have instituted a new plan . . . now in effect in a few states and being extended as rapidly as possible . . . to protect your right to drink good beer in decent surroundings. ### SCHOOL HEALTH SURVEY UNDER WAY THIS WEEK

Under supervision of Mrs. Gladys Davis, district health nurse, and with the co-operation of local physicians and dentists, a comprehensive health survey of all students in the public school is under way here this week. Height, weight, general health, condition of teeth, etc. for each student will be carefully determined.

### WRIGHT EDWARDS MOVES TO WOLFFORTH, TEXAS

Wright Edwards recently sold his farm in the Three Lakes community to W. L. Gardenhire of O'Donnell and the first of last week he and his family removed to Wolfforth, where he purchased an unimproved section of land.  
Duwayne Nowell is ill this week with pneumonia.

### Teachers Will Attend Meeting at Plainview

Classes in both grade and high school here will be dismissed for the week Thursday afternoon, so that all members of the faculty may attend the annual meeting of West Texas Teachers Association at Plainview.

A number of noted educators will take part on the program, and discussions of school problems and prospects will also be a part of the day's work. Supt. S. F. Johnson said Tuesday that all O'Donnell teachers are now planning to attend the meeting.

### New Legislation Extends Benefits Of FHA-Insured Mortgage Plan to Farms

Farmers may now use an insured mortgage to build or repair houses, barns, sheds, poultry houses, silos, put up windmills or other farm structures.

As much as 90% of appraised value can be loaned in some cases, land may be either bought or refinanced on this plan when 15 per cent or more of the loan is used for materials and labor on the construction or repair of buildings. . . . These loans are made by lending institutions, they are not government loans, but private capital insured by FHA.

The interest is 4 1/2 percent, payments can be made monthly, semi-annually, or annually, in equal installments, depending upon the distribution of the farmer's income throughout the year.

At the discretion of the lender the loan may be paid over a period of 10 to 25 years.

This means that the responsible farmer can provide his family with a modern attractive home without waiting years to accumulate the cash—a tenant farmer can buy his own farm—and the farmer burdened with short-term high-interest mortgages can replace them, modernize his farm, and clear the debt completely in convenient payments.
