

Eagles Win First Game; Defeat Hobbs Last Friday

Donner Burnett Scores Touchdown; Auffy To Play Here Friday

The 1935 football season which ended with a victory, the O'Connell High School Eagles defeated the Hobbs team by a 6-0 score here last Friday afternoon. A fair crowd of cheering fans gathered, and winger Donner Burnett, playing in the place of his brother, scored on the Hobbs squad on a 25 yards on an end run to the line of scrimmage. Auffy To play here Friday.

Game Closely Contested

Though the Eagles consistently outplayed the visitors throughout the game, more than half the action was confined to the Hobbs territory. The remainder of the play was never threatening to score. In the second quarter, the Hobbs team had several strong line-men on last year's squad had been of considerable worry on the part of Coach J. Henson and football men, and minor injuries for a regular first string team also deflected the Eagles from making a showing as they would have otherwise.

Donner Burnett was easily the star of Friday's game. He gave promise of being in a valuable play, which was realized Friday. He played along all season on the second string, taking in only a few of the games. He was a steady dependable player, and he was realized Friday. He played along all season on the second string, taking in only a few of the games.

Ex-Seniors Ass'n Begin Plans For Banquet

With thirty members of the organization present last Monday evening, the Ex-Seniors Association began plans for the annual banquet which will be held at the home of H. M. Daviss, Miss Florence Gary, president of the organization, presided at the meeting, which was held in the high school auditorium, and named the various committees.

The date for the event has been set for November 8, which is the date for the Seminole football game. Definite plans as to place are not yet ready for announcement, but will be published in the Index later.

Personnel of the committees are as follows: Social and program, Miss Beverly Wells, chairman, with Miss Iva Cimple Hancock, Cecil Foster, and Cecil Treway, as assistants. Decorations, Ralph Beach, chairman, assisted by Miss Josephine Morrison, and Vera Mae Anderson. Arrangements will be made by L. J. Hohn assisted by Glenn Payne. Mrs. Charles Cathey is chairman of the menu committee, and will be assisted by Misses Jessie Middleton and Alice Busby. Misses Ozelle Wheeler and Eva Dell Harris will have charge of the service arrangements.

High School Students To Receive Gov't Aid

Austin, Sept. 24. Lyndon B. Johnson, State Director of the National Youth Administration of Texas, Sunday evening issued a warning to county superintendents of schools to allocate their funds for the purpose of providing for the maintenance of high school principals at once in order to prevent the possibility of their allotments being lost to them and transferred to other counties.

The National Youth Administration has made preparations to give this assistance to 8,547 high school students in Texas. County superintendents of schools and principals of individual schools, working in cooperation with the Texas Relief Commission, make the final selection and assignments. However, if a county does not avail itself of the opportunity and place the full amount of the aid jobs at the rate of \$6 per month, or a total of \$120. The allotment for Lynn county will be 25 jobs, or a total of \$150.00.

Singleton's Store Adds Stock of Furniture

Hal Singleton Jr., of the firm of Singleton Bros., hardware and furniture dealers, announces this week that the store is adding a complete line of furnishings for the home, including living-room, bedroom, and dining room furniture of the best sort, really excellent rugs, gas stoves, radios, electric and gasoline washing machines, etc.

The store has handled a number of such items for several years, but the line of furniture is new. Mr. Singleton states that he will also handle hand furniture, and will take in old furniture on the new if his customers desire such a trade. At present, only a few items are on the floor, but an excellent stock is expected in most any day. Mr. Singleton states that he will be glad to place special orders for customers who will confer with him on such a basis, and cordially invite the people of the territory to come in and look through the catalogue with him and make their own selections. Read the announcement on another page of the Index.

Roy D. Smith Jr., has been seriously ill for more than a week, suffering from rheumatism and kidney complications. We are glad to report that he seems slightly improved today.

Corn Husking This Year Is a Problem

Highway Plans Continue; Full Fifteen Months Program

The state highway department has during the past month announced a full program of highway improvement for the next fifteen months at least. Among those which are of special interest to our readers are these: Plans for paving the two remaining gaps in Highway 9 by next spring have been made. By the middle of October, 3 1/2 miles of the gap south of the Lynn county line will be paved and the remaining stretch to Tahoka is a WPA project. Bids for 7.8 miles of caliche base and asphalt preservative from Tahoka south will be taken October 8th, and the gap from there south to Tahoka will be closed, at a later date, by the WPA.

Highway 15, formerly highway 83, hard surfacing from Dawson county line to Lamesa, a WPA project, contract to be let within six months. Grading, drainage structures and select base material from Lamesa thru Seminole to New Mexico State line. Highway 51, hard surfacing south of Brownfield to Wellman, a WPA project, to be completed north of Brownfield to Gaines county line will be completed by September 28; grading and drainage structures south of Dimock to Center, in Lamb county paving to be completed north of Brownfield to near Roseville within the next week.

Highway 84, hard surfacing thru Garza county to Post under the WPA program; from Tahoka to west Terry county line, drainage structures, grading, select base material, a WPA project; from Plains to New Mexico state line, a WPA project.

Mansell Bros. Store Is Rearranged

Rearrangement of interior fixtures at Mansell Bros. Hardware and Grocery Store was completed the first of this, and the new plan is proving to be much more convenient and comfortable.

The chief difference is the recently added check desk which has been situated so as to serve both departments. Built in the front of the store just inside the partition which separates the grocery from the hardware department, the desk commands a view of both sides and the cashier can wrap packages and make change without loss of time for clerks or customers. Fresh paint on ceilings and fixtures several days ago has already improved the appearance of the store considerably. Quantities of new merchandise have been unpacked this week, chiefly the smaller lines of household linens, etc. They are getting ready for the Fall rush.

Lynn County Wins 6th Place At Fair

Lynn county scoring 916.5 points out of a possible 1000, was awarded sixth place in the county agricultural exhibit contest at the 22nd annual Panhandle South Plains Fair at Lubbock this week. Lamb county won first place, Childress second, and Terry third places respectively. The first prize was \$750, second prize being \$150. Dawson county won fourth place with a score of 920 points. Judging was exceptionally close, in several instances there being a difference of only half of one per cent.

Mr. and Mrs. Charlie Cabool spent Sunday with friends in Lubbock. J. L. Shoemaker made a business trip to Abernathy Wednesday.

October 10-11-12 Set For County Exhibit

The Home Demonstration and 4-H Clubs of Lynn county will have an exhibit, October 10-11-12. This exhibit will be sponsored by the Lynn County Home Demonstration Council. All entries are to be made on or before 6:00 P. M. October 9th, at the home demonstration agent's office. The judging will be open judging starting at 10 o'clock A. M. on October 10. Every club woman and girl is invited to come and see her canned products judged. Miss Mattie Phenix, county home demonstration agent, of Dawson county, will judge the products.

There will be cash prizes given by the County Council to the 36 Home Demonstration Clubs of the county having the best exhibits. The H. D. Club that has the greatest number of visitors during the three days will also receive a cash prize.

The 4-H club girls having the best entries will also be given prizes.

Considerable Activity Here In Real Estate

While real estate men are not getting rich overnight, and even though O'Donnell cannot be said to be in the midst of a building boom, there has been a bit of swapping and changing about in real estate circles during the past few days.

Mr. and Mrs. C. C. Caldwell have purchased the Drew Hobbs house where they are now living, the deal having been completed early last week. The house is an attractive stucco bungalow, well arranged and conveniently located. With their theatre business well established and their home now purchased, it seems that O'Donnell will have the pleasure of claiming Mr. and Mrs. Caldwell and Betty as citizens for some time to come.

The purchase of the old Bart Bolyard property, a three-green frame house, just north of town, and the consequent wrecking and moving of the structure itself, has considerably improved the landscape along that sector of the highway. The property is now owned by the Temple Trust Company, and we understand that the old house was bought and wrecked by A. C. Woodward of Lamesa. The usable lumber to be used in construction of his new residence in Lamesa. The old house has been some what an eyesore for several years, seldom occupied and always neglected so that it had become decidedly depressing. The vacant site is much more pleasing to the eye.

Also an improvement in the appearance of the close-in part of town was the wrecking of the old George Shumake negro and Mexican tenement shack just off the square. Many of our people when it was torn down will be used in the construction of a modern stucco building, a filling station, which Little George Shumake is building out on the highway north of town. He has leased a suitable location, the lease being for three years. He plans to install gas lights and pumps, and will make the crosswalk, a complete establishment of the kind in this section.

A new roof is being put on the Baptist school annex at the First Baptist church this week, the old one having been damaged by the late heavy rains. New shingles are likewise being put on the C. H. Deak rent house west of the old hotel which has recently been converted into a modern apartment house.

NELSON ASKS SUPPORT OF OWN DISTRICT

G. H. Nelson asks the O'Donnell District to state that he regrets that he will not have time to visit the counties and towns of his own judicial District in the race he is now making for the State Senate, since there are twenty-four counties in this Senatorial district and he feels that it is imperative that he visit those counties where he is not known. He is depending upon the people of this and the other counties of the 10th Judicial District to render whatever assistance they can through the twenty-four counties of the 30th Senatorial District in behalf of his candidacy for the State Senate and will deeply appreciate their aid and help.

Mr. and Mrs. B. L. Davis, accompanied by her sister, Miss Nell Bow, spent several days this week in Olney.

Lynn County Club Women Win Honors At Lubbock Fair

Entries from Lynn county were on display at the Panhandle-South Plains Fair at Lubbock this year, according to announcements in the Avalanche-Journal Tuesday morning. Lynn county's exhibit won first place, with Lamb and Hockley counties winning third and fourth places respectively.

More than 1000 home demonstration and 4-H club entries were recorded in the women's department this year. Mrs. G. M. Reid, a member of the Tahoka club, was the outstanding woman of the entire fair, winning places in every department. Mrs. H. A. Winkler of the New Lynn club won individual recognition for her canned products.

Miss Sylvia Robb, county home demonstration agent, stated Tuesday that she had taken only a few exhibits to Lubbock from the clubs of Lynn county, just as many as she could pack in the turtle back of her coat, but such was the few entries had been carefully selected and in almost every instance won a place in the competition.

Miss Robb was indeed gratified over the standard of work being done by the women and girls in the Lynn county clubs, and was unstinted in her praise of their industry and enterprise.

Below is a list of the awards won by club women and girls:

- Women's Home Demonstration Clubs Canned Products**
- 1 qt. snap beans, Mrs. H. A. Winkler, 2nd place; 1 qt. field peas, Mrs. H. A. Winkler, 2nd place; 11 qt. canned tomatoes, Mrs. G. M. Reid, 2nd place; 1 qt. canned carrots, Mrs. H. W. Pennington, 1st place; Mrs. G. M. Reid, 2nd place; Mrs. A. C. Weaver, 3rd place; 1 qt. canned beans, Mrs. G. M. Reid, 2nd place.
- 1 qt. canned okra, Mrs. G. M. Reid, 2nd place.
- 11 pt. tomato juice, Mrs. G. M. Reid, 1st place.
- 1 qt. canned pears, Mrs. W. S. Anglin, 1st place; Mrs. R. W. Barton, 2nd place; Mrs. G. M. Reid, 3rd place.
- 1 qt. canned peaches, Mrs. A. C. Weaver, 2nd place.
- 1 qt. canned cherries, Mrs. G. M. Reid, 1st place.
- 1 qt. canned blackberries, Mrs. R. W. Barton, 2nd place.
- 1 qt. sweet pickled peaches, Mrs. G. M. Reid, 2nd place.
- 1 pint red and green pepper relish, Mrs. M. O. Canady, 1st place.
- 1 pt. cherry preserves, Mrs. G. M. Reid, 1st place; Mrs. M. O. Canady, 3rd place.
- 1 pt. watermelon rind preserves, Mrs. Claude Wells, 1st place.
- 1 pt. strawberry preserves, Mrs. G. M. Reid, 1st place.
- 1 pt. watermelon rind preserves, Vera Thraikill, 3rd place.
- 1 qt. pickled peas, Mrs. W. S. Anglin, 2nd place.
- 1 qt. pickled beans, Mrs. R. W. Barton, 2nd place.
- 1 qt. cucumber spear pickles, Mrs. R. W. Barton, 1st place; Mrs. W. S. Anglin, second place.
- 1 pint green tomato pickles, Mrs. W. S. Anglin, 2nd place.

Girls 4-H Clubs

Tuffed Bed Spread, Zelma Thraikill, 2nd place.
Hemstitched hand towel, Zelma Thraikill, 2nd place.
Dresser scarf, Vera Thraikill, 3rd.
1 pt. watermelon rind preserves, Vera Thraikill, 3rd place.
1 qt. snap beans, Vera Thraikill, 3rd place.

Others which had not been announced Tuesday in time to be listed are: Mrs. A. C. Weaver, first place on baby's cap; second place on kitchen apron. Mrs. W. S. Anglin, second place on quilt. Juanita Boon, 1st place on dress made by child under 12 years of age.

Girls Have Good Percentage

Only eight entries were taken from Lynn county 4-H clubs. Miss Robb said Tuesday, and of the eight five of them won places. There were 30 divisions represented.

In view of the fact that there were hundreds of exhibits in these departments, we feel that Lynn county club girls made a splendid showing.

Classes Are Dismissed To Attend Lub. Fair

Classes were dismissed in both high school and grammar school here Wednesday in order that students, patrons and teachers might be free to attend Children's Day at Lubbock, handle South Plains Fair at Lubbock. This action was agreed upon in a special meeting of the school board, and is a regular custom.

A number of families took advantage of the holiday and attended the fair along with the children.

FRIENDSHIP

Friendship is one of the finest things in life.

A good friend comes to us when we are in distress and unhappy, and without a good friend our life would be empty. But to make a friend we must first be a friend. A friendly, thoughtful deed is appreciated at all times. The bonds of friendship are far more comforting than coupons cut from bonds.

Don't let old friends pass out of your life just because they do not live next door.

Spare a few minutes now! Reach for your telephone! Extend your personality to the next block, the next town or another state without leaving your easy chair. Make your old friends a telephone visit while you are in the mood.

O'Donnell
Telephone Co.

THE WORK OF CREDIT

Bank Shows How It Gives Needed Aid to All Classes of Prudent Borrowers

How a bank loan portfolio presents a graphic cross section picture of the business of its community is disclosed by the description which a midwestern bank recently gave of its loans to customers. It revealed also how closely interwoven with its neighbors' varied lives are the threads of the bank's financial helpfulness.

This description showed that the bank had made a loan of \$100,000 to a local shoe manufacturer to purchase materials, discount bills and meet current requirements.

To a wholesale grocer \$55,000 had been advanced for the purchase of inventory, the loan to be repaid over a period in accordance with specified terms set forth in the loan agreement.

Assistance in Personal Matters
Another loan had been made to a home owner to the amount of \$200 for painting and repairing. This was made in cooperation with the Federal Housing Administration and was being repaid in twenty-four monthly installments of \$8.33 each.

A dentist had been loaned \$300 to purchase new equipment. He was paying off the debt out of his professional earnings as they came in.

To a large domestic refrigerator distributor \$30,000 had been granted on warehouse receipts to finance dealer shipments.

A home owner had been granted a \$5,000 mortgage loan to be repaid in three years.

One thousand dollars had been advanced to an office worker on the cash surrender value of his insurance policy to aid him in meeting an emergency.

The National Total
If each of these typical examples were multiplied many times the result would represent the total volume of credit cooperation which the bank was extending to its neighbors in its community for aggregate loans to all its customers amounted to more than twelve million dollars.

If the typical examples here given were multiplied by many millions of times the result would represent the total economic cooperation which the banking system of the country as a whole is extending to the innumerable personal, professional, industrial and commercial activities which make up the whole business life of the nation. The nationwide total of such loans is in excess of 20 billion dollars.

BANKS PLAN ADVERTISING

Substantial funds have been set aside from reserves of the American Bankers Association to finance the development by its advertising department of a series of informative newspaper advertisements setting forth in brief, popular language the methods and policies under which banks operate, their effective practices for protecting their depositors' funds, the services they render and the various ways in which they cooperate with business in their own communities in fostering sound recovery and progress.

Some 350 banks are now using this material and it is available at a moderate price for all of the members in the association who care to see it. In bringing about better public understanding in their own communities regarding banking and its services, it has materially stimulated the use of newspaper advertising among banks.

Many favorable comments have been expressed regarding the informative and constructive character of its messages. It is issued in two sizes: the larger size is 3 columns wide by 10 inches deep, but in some instances subscribing banks have expanded this to occupy full pages in their local papers in order to obtain a more emphatic effect. Four pieces of advertising copy are supplied each month in this service.

BANKERS SUPPORT ACTIVE AGRICULTURAL COMMISSION

The Agricultural Commission of the American Bankers Association is promoting widely among bankers the practice of aiding their farm customers in installing on their farms better financial, accounting and operating methods. It also cooperates in the endeavors of the state bankers' associations along similar lines.

The commission has published a book on "Making Farm Investments Safe," presenting a compendium of helpful material published over a period of years as a reference guide in the daily routine of banking and farming relationships. It has also published "Factors Affecting Farm Credit," discussing in an illustrative way how farm credit can be obtained on a sound basis.

Another publication is the monthly Bulletin of the commission which circulates to about 10,000 persons, among them the county agents throughout the United States, who make frequent use of the material and suggestions prepared by the commission. Likewise, the commission has appointed 2,500 key bankers covering every county in the United States, who act as focal points in their districts in fostering better understanding between bankers and farmers.

A HUGE BANKING SYSTEM

The latest official figures covering all banks in the United States show that there are 16,642 licensed banking institutions of every kind and that over 53,000,000 persons have entrusted their wealth to their deposits to the amount of \$41,465,696,000.

COUNTY CLUB NEWS

Miss Sylvia Robb, C. H. D. A.

Club Work Divided Into New Districts
Information sent to the office of Miss Sylvia Robb, county home demonstration agent, is that extension work in Texas has grown so fast during the past year that it has been necessary to redivide it into districts so the district agents may have time to supervise their county agents. Texas now has 12 divisions as compared with the nine of former years. Lynn county is in district 2, with Mrs. Lida Cooper as district agent. Until the new division was made, Miss Cooper was in charge of 25 county home demonstration agents, but now has only 12. This makes it possible for her to spend more time with each county agent.

Southward Club Girl Has Canning Record

Melba Evans, daughter of Mr. and Mrs. C. B. Evans, and a member of the Southward 4-H Club, has put in a busy summer, and the fruits of her labors will go far toward helping with the family grocery bill. She was the garden co-operator for her club, and has already reached the goal set by 4-H standards. This is her second year as a club girl. This year she has added the following items to the family cantry:

50 No. 9 cans corn; 26 pints shelled butter beans; 10 qts. cream peas; 6 qts. blackeyed peas; 10 qts. snap beans; 12 qts. tomatoes; 6 qts. cucumber pickles; 12 qts. peaches; 16 half qts. peach jelly. Total 175 containers *****

Southward 4-H Club Has Regular Meeting

Members of the Southward 4-H club met in regular session Friday, September 20, in the home of the club sponsor, Mrs. G. H. Boen.

Odean Boen made a report of her trip to the Short Course at A & M. She was named by the county clubs as reward for winning first place in the bedroom improvement contest.

Miss Sylvia Robb, county home demonstration agent, 1st and 2nd prizes for canned products for the county exhibit which will be held October 10, 11, and 12.

We enrolled two new members, Donnie Lou and Donna Sue Eaton. Our next meeting will be held October 4, at the home of the sponsor.

LYNN COUNTY WOMEN SCORE IN AGED LADY EXHIBITS

In those entries from women of more than 60 years of age, two Lynn county women brought back trophies from the Fair at Lubbock this week.

Mrs. A. B. Short, 78-year-old member of the New Lynn club, won four places on articles entered in the various departments open to her. She won third place on her machine made dress, first place on her worsted quilt and second place on her Afghan.

Mrs. Short is one of the most active members of her club, and is considered an authority on household arts in her community.

Mrs. Florence King, 84-year-old Tahoka lady, won two third places on pillow slips and on luncheon cloth. Mrs. King is not a club member, but is an ardent needlewoman, and regularly makes gifts to friends and members of her family.

WOMEN'S SOCIETY HAS SOCIAL THURSDAY

Mrs. R. C. Carroll and Mrs. G. E. Bryant were hostesses last Thursday afternoon to members of the Loyal Workers Class of the Methodist Sunday School when the regular social was held at the home of Mrs. Carroll. Group games and contests were enjoyed during the social hour, and at the close of the afternoon, delicious ice cream and cake were served to fifteen members and guests.

West Texas Gas Co.

"GOOD GAS WITH DEPENDABLE SERVICE"

See This New Lamp at Our Show Room

1. Wide opening at the top of the shade throws light to ceiling and eliminates shadows.
2. Glass reflector softens light, prevents glare.
3. Wide shade gives ample light over your work.
4. Shade fitting is white to reflect more light.
5. Lamp is high enough to light a large working area.

IMPORTANT—

Be sure to look for the authorized certification tag on the lamp you buy. It isn't an I. E. S. Better Sight Lamp if it doesn't have this tag.

Science has shown that it isn't necessary to take chances with our eyesight. All we need is better lighting to give our eyes a chance to see without unnecessary strain.

A new type of Better Sight lamp has been developed to provide just the right amount of glareless light for reading or studying. They are available in floor lamp, table lamp or lounge lamp styles.

Texas Electric Service Company

C. E. CAMERON, Manager

1500 TEXANS KILLED

LAST YEAR BY AUTOMOBILES

Sept. 24.—Comparatively few motorists seasonally realize the automobile is a deadly poison, but according to the State Health Department, over 1500 Texans are killed every year by autos. Very logically regarded as a major recreational mechanism, its ability to mangle man and kill makes it the most vicious of man's inventions. The daily list of casualties in Texas indicates indifference to the automobile. Nevertheless, as a trendsetter and limb of the nation, it is a real tragedy that represents a real hazard to its pleasure and safety. The motor car has its motor side, too. It is a deadly machine that should be overhauled. And a mechanical education alone should be upon to bring results. No serum, no drug, no quarantine, nor any effective control against the automobile accident. Automobile accidents cause more deaths in Texas than the combined deaths of typhoid fever, smallpox, measles, scarlet fever, whooping cough, and infantile paralysis. The human status can be sufficiently bridled by public opinion as to be more careful driving and cautious walking remains to be seen. The fact is that a major portion of the problem is involved in present circumstances. Clean water, clean milk, disease control, cleanance, sanatoria, and modern medicine and surgery are small avails to the society who kills himself and others. Science is also equally powerless to save pedestrians who are run down by careless drivers, or to connect with careful drivers. It generally could well be considered this ever increasing danger to life and health. Upon much of the obligation rests to reduce the ever increasing fatalities.

TEXAS FARMS

The third year Vieter Kuskulov, Texas has filled his trench with other farmers are following example and putting in trench silos. The silos with cemented sides are constructed in sandy soil in Stenswallow county. The fill will be made the attraction of neighbors to observe. The trench silos in the Falls section of the State are that a demonstration on fill silos given in Fish county was attended by farmers from many nearby counties. The best feed crop this year and spring droughts have combined in this interest.

Eight acres of red top silage of the same soundness and bargain for some day. But the exchange is made by the feed value between the silage dry and that put up in silos. Mr. Horace Bryant of King county advised this "swap" in August by a trench silo.

King county is in earnest receiving feed in trench silos. The following demonstration is filling on the Martin Ranch. The farm-to-farm can be the county was planned to fill.

Mr. W. C. Jones of West Chester Jones trench silo and south set of Mr. T. Bridges planned to be in September as a result of silo demonstration given. The farm southwest of Hays in August. More than 75 watched the process on the silo.

Mr. George Shumake are now in their new residence. Mrs. A. M. Busby house at West Texas Gas Co. office. Last week from the J. I. House, which they have occupied for three years.

David is nursing a badly bad this week, caused by a sort of an insect. It is of the opinion that it might be a spider, while others favor theory. At any rate, Mr. Davis is enjoying the effects.

Mr. R. M. Haymes and wife were in Tahoka Sunday.

Mr. Blevins of Big Spring, attending elder of the Lubbock of the Methodist church. The day of last week with his friends, campaigning in support of Mr. B. Rogan, candidate for Senator in place of Senator Arthur P. Duggan.

Miss Sylvia Robb, county home demonstration agent, was in O'Donnell on official business Tuesday morning.

LOST: Casing and wheel for 1934 Chevrolet, between O'Donnell and Plainview school Saturday. Finder return to or notify D. E. Harris.

FOR SALE or Trade: Good wagon, will trade for trailer. D. E. Harris.

Mr. Chiffon Bankston of Lubbock has been a guest in the home of his uncle, J. H. Newsom.

Mrs. N. T. Singleton made a business trip to Lamesa Tuesday of last week.

Mr. and Mrs. E. A. Gleghorn have as their guest this week her sister, Miss Hannah Steel of Lubbock.

Mr. and Mrs. Jesse Lane and children, Mr. and Mrs. E. A. Gleghorn, and Miss Hannah Steel were among the O'Donnell people who attended the Parham's South Plains Fair at Lubbock Wednesday.

Mr. and Mrs. Buddy Smith of Lamesa announce the birth of a 12 1/2 pound son Tuesday, September 24. Mrs. Smith is the former Miss Lois Burdett, daughter of Mr. and Mrs. Bob Burdett of this place, and has scores of friends who will be happy to know of this event. Mrs. Burdett returned from Lamesa Tuesday night after being with her daughter during the day, and reports that both mother and baby are doing nicely.

WELLS SCHOOL TERM NOW UNDER WAY

(Accidentally omitted last week)
The 1935-36 school term began at Wells Independent school on Monday of September 9, with an enrollment of 80 students on the opening day. These figures were an estimate from H. O. Cash a member of the faculty. Mr. Cash was on the faculty last year but all others this term are new.

The Wells school is considered one of the strongest rural high schools in the county, with the best attendance record. This year the school has had but one absence covering almost thirty miles in its route, and this is expected to bring still other students to school.

The index hopes to have regular reports from the Wells school each week this term.

AUTUMNAL EQUINOX PASSED MONDAY AFTERNOON AT 5:39

Just for the benefit of our readers who like to keep up with such events of nature, we comment that the weather man states that the autumnal equinox was on Sunday afternoon at 5:39 P. M. This year is unusually late, the weather bureau says. Ordinarily this division between Summer and fall occurs September 20 or 21, and frequently on September 22, but hardly ever as late as September 23.

So if you keep a calendar with dates of the rains and snows and frosts, etc., you can mark this year as the freak equinox year.

GRAMMAR SCHOOL NEWS

Seventh Grade: We have elected Mrs. C. Caldwell as our room mother. Olivia Bond, one of our classmates, is back in school again after a week's absence. She had been away on a trip.

Third Grade: These making 100 per cent at week in arithmetic are Alice Nell Walker, Donal Cargal, Charley Land, and Zora Faye Harris. Those making 100 per cent all week in spelling are Valene Buchanan, Berta Mae DeBoak, Christine Etter, Naomi Land, and Charley Land.

First Grade: We have selected Mrs. C. J. Beach as our room mother, and Peggy Beach as our room sister. They paid us a visit last Wednesday and served delicious doughnuts. We have 49 pupils on roll.

DOVE SEASON OPENED; LOCAL HUNTERS INTERESTED

Hunting season for the mourning doves opened Saturday, after considerable controversy between state and federal authorities, and several parties of local men spent Sunday in the shony section west of town trying their luck at bagging the birds.

All parties report fair numbers of doves, but dove season rarely attracts as much interest as quail season. New and stiffer regulations are in force this year than in the past. Originally set by the federal government to start October 1, this season was moved back at the request of sportsmen over the country and shooting hours were also lengthened. The hunters are now authorized to start at 7 o'clock in the morning, and may however, is 15 a day, and not more than 45 a week. Glascock, Yeakum, and Brazos counties will have no open season this year.

Another new ruling this year is that which states that repeating and automatic shotguns must be "bugged" to contain a maximum of three shells, including the one in the firing chamber.

MESQUITE NEWS

Miss Mamie Bearden, correspondent of Rev. Smith of Draw filled his regular appointment here Sunday. There was good attendance at the service. Rev. Smith's appointment is for every fourth Sunday.

Mr. Lionel Fletcher was up from Toler last week, visiting his sister, Mrs. Ernest Gleghorn, and his brother, Buster Fletcher.

Mr. Jake Souhard has returned from CCC camp, having been enlisted in that work for more than a year. He will make his home here with his brother for the next few months.

Mr. Meekem returned last week from Lubbock to attend to affairs before going to Bell county for a visit with his parents.

Mrs. Marion Hays has as her guest this week end her sister from Ballinger.

Mr. and Mrs. W. R. Kropp and family, of the 49 ranch, spent last week with relatives in Snyder.

Mr. and Mrs. Matt Farmer of the Berry Flat community entertained the young people with a party Saturday evening honoring the eighteenth birthday of Roland Swanson, and the fifteenth birthday of Miss Dorothy Burdett. Everyone reported a pleasant evening.

Mr. Lawrence Gray is still in Lamesa for treatment, and is considerably improved at this writing.

For State Senator
W. H. (Bill) Evans
"IF OTHER PARTS OF THE STATE GET A HOG, WEST TEXAS SHOULD AT LEAST GET A HAM—ESPECIALLY WHEN WE PRODUCE THE ANIMAL."

ATTEND BIRTHDAY DINNER OF FORMER PASTOR

Mr. and Mrs. C. H. Mansell and Misses Margaret and Norma Ruth Vermillion and Mildred Goddard were guests Sunday of Rev. and Mrs. W. K. Horn at Meadow, the occasion being the celebration of Rev. Horn's fifty-seventh birthday.

Rev. Horn was for a number of years pastor of the First Baptist church here, and has scores of friends among his former members and throughout the community as well. The index joins with these friends in extending congratulations and best wishes for many more such occasions.

Mr. and Mrs. T. M. Wilson, accompanied by Mrs. Claude Cheirs and little daughter and Mrs. T. J. Wilson and two children, visited Mr. and Mrs. Herbert Royce in Lovelland Sunday.

CARD OF THANKS

We wish to express our appreciation and gratitude to our friends and neighbors who were so kind to us during the illness and death of our baby, Franklin D. Rogers. Nothing that could be said or done to comfort and help us was left undone, and the love and sympathy of each of you meant more to us than we can say.

If such sad hours should come to you, we pray that our Father will send you such loyal friends as we have had.

Mr. and Mrs. J. G. Rogers and Hazel John.
Mr. and Mrs. J. F. Rogers and family.
Mrs. M. E. Wilson
Mr. and Mrs. R. L. Jordan and family.
Mr. and Mrs. O. B. Wilson and family.
Mrs. Iva Swarengen and family.
Mr. Tom Rogers and family.

Miss Mary Leak of Big Spring was a week end guest in the C. B. Morrison home.

TOMATOES FOR SALE: For table use or for canning. See G. C. Aten, O'Donnell.

Local People Attending Fair At Lubbock

Along with hundreds and thousands of other South Plains folks there have been several car loads of O'Donnell people in attendance at the Panhandle South Plains Fair each day this week. The 22nd annual fair opened at Lubbock Monday morning and those who have attended from here report that exhibits and attractions are larger and more interesting this year than ever before.

Naturally the ladies are interested in the displays from the women's and girls' clubs, and in the various other departments of the women's building. We have heard it said that the needle work section and the flower show are much better than that of last year, a statement which is indeed hard to believe, for it seemed to us during the last fair that we had never seen such wonderful flowers or such intricate and delicate stitchery as was on display.

The agricultural and livestock exhibits are also far above those of any previous years, we are told, while the midway attractions and booths are better than usual.

As we go to press, school children from over the territory and delegations from a number of South Plains towns are in possession of the fair, and officials are enthusiastically reporting that attendance records have already been broken. Slow rain the early part of the week was a hindrance to attendance, so this record is a remarkable one.

porting that attendance records have already been broken. Slow rain the early part of the week was a hindrance to attendance, so this record is a remarkable one.

Drizzling Rains Delay Harvesting of Crops

Slow, drizzling showers in the early part of the week have been a source of much concern to businessmen and to farmers over the territory, for the moisture is coming at the one time of year when West Texas doesn't need it. Picking of cotton and harvesting of grain crops has been seriously delayed by the untimely rain.

The slowness of the fall and its steady persistence recalls the fall of 1932, when it rained all through September and succeeded in cutting our crop about fifty per cent.

B. J. Boyd says the rain helped his team, but even he agrees that it would be better for everyone concerned if we could have about sixty days of hot, dry weather. (And we sincerely hope that when this article is being read, Index readers will be seeing an electric fan and a glass of ice water.)

District Court Recessed to Permit Campaigning

District court convened at Tahoka Monday morning with Judge Gordon B. McGuire presiding, but was recessed until next Monday soon after the grand jury was empaneled. This step was taken as a courtesy to District Attorney G. H. Nelson, who is now in the midst of his campaign for the office of senator from the Thirtieth Senatorial District.

The election to name the successor to the late Senator Arthur P. Duggan will be held Saturday, September 28, and this week will probably be the vital one in the campaign. Mr. Nelson announced his candidacy immediately after it was announced that such an election was mandatory, and has spent considerable time and money in the campaign.

Grand jury and all other departments of the court were recessed until next Monday. Mr. Robert Reagan is, we understand, the only local man serving on the grand jury.

O'Donnell To Have Little Book Club

For the first time in the history of the town, O'Donnell residents who wish to keep up with the latest and best in all kinds of books, are now offered the opportunity of renting them from a lending library.

Mrs. J. M. Noble, Jr., has this week been appointed manager of a local branch of the Little Book Shop of Lubbock, and has already been supplied with a number of copies of standard current fiction, biography, reference books, etc. She will conduct the shop at her residence for the time being. As the business grows and the local branch becomes a really paying proposition, a suitable location will probably be found in town.

It's always fair weather where we make Chesterfields

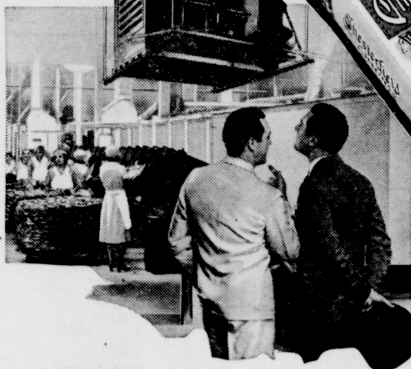

"Weather machines" in the Chesterfield factories keep the heat and moisture at a steady even level . . .

This control of temperature and humidity helps to retain the full flavor and aroma of the tobacco you smoke in Chesterfields.

And it has a great deal to do with providing the proper working conditions for the employees who handle the tobacco and operate the Chesterfield machines.

Mild ripe tobaccos and modern up-to-date factories with proper control of temperature and humidity help to make Chesterfield . . .

the cigarette that's MILDER the cigarette that TASTES BETTER

A chartered training school for nurses is conducted in connection with the sanitarium.

Those who have availed themselves of the opportunity offered by the Lubbock shop will need no introduction to the methods by which the club is operated. The sum of ten cents permits the reader to keep any book for as long as three days; after that, the rental charges will be a flat rate of three cents for each additional day. The books are always new, always standard, and the selection may be made from a good variety of subjects and authors. For those of us who enjoy reading but whose purses are just a little too slim to permit us to buy books each time we want them, the Little Book Shop will be a popular place.

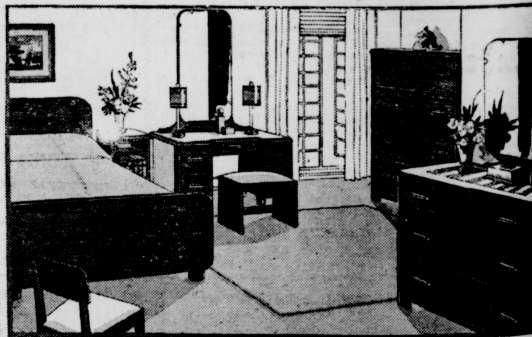

Dr. C. P. Tate is here for an extended visit with relatives and friends.

Mrs. Hafford Smith is able to be up most of the time now, being that far on the road to recovery from injuries received when she fell several days ago and wrenched her knee and hip.
