BABY'S CHANCE OF LIVING IS TWICE GREATER THAN 1940

In 1956 the ratio of hospital births to home births has more than doubled over the past 15 years, according to Texas State Department of Health statistics.

Live birth hospital deliveries increased from 42.4 percent to 90.1 percent during the period of Texas' greatest growth. Also the ratio of 1956 live births to deaths in Texas was well over three to one while statistics 15 years ago indicated the ratio was only slightly in excess of two births per death. Baby's chance of surviving the first year of life has more than doubled since 1940. Mother, too, has reaped even greater medical benefits. Fifteen years ago, the risk of death at childbirth was nine times greater than it is today.

MIDDLETON SAYS PROMPT ACTION IS NEEDED

City Councilman J. T. (Dub) Middleton said Monday that beginning Friday the City had a man employed to pick up all stray dogs within the City. The dogs will be held three days in the City's Dog Pound, and if not claimed, the animals will be killed.

Mr. Middleton added that of late the town's canine population had increased to an alarming rate and endangers the public if rabies develops as in near by towns. BILL TO HELP DROUGHT AREA IS PROPOSED

Rep. George Mahon of the 19th Texas District, has joined with several other Texas Congressmen and Senators in introducing legislation in the new session of Congress designed to bring early assistance to drought-stricken areas of Texas and the Southwest. The proposal as worked out and presented was termed a "two-fold approach to the drought problem."

The bill was described in the floor of the house by Rep. Bob Poage of Waco, chairman of the House Committee on Agriculture, as calling for immediate assistance to farmers and ranchers in the wide area of Texas and the Southwest who are in desperate need of help. Mahon and Poage pointed out that the prime purpose of the bill would require the Department of Agriculture to make payments to land owners who will agree to defer the use of their depleted pasture lands for periods of not less than 12 months. The program would become effective immediately and would continue over a period of three years after the drought is broken. Mr. Mahon explained that the present crisis could well become a permanent condition unless steps were taken to give the parched pasture land a chance to recover.

Another feature of the bill would instruct the Secretary of Agriculture to assist in providing protein feed concentrates such as cottonseed cake. Members of the group said they felt the cake was needed immediately to maintain the range herds of the southwest and that type program would be cheaper and more effective than the hay or grain program now being carried out. "This bill would enable the stricken areas to take the steps which they know to be sound from a conservation standpoint but which they cannot afford to take in the absence of some Government program," the lawmakers explained.

FIVE NEW FORD glamour wagons
long, low and loaded with Go!

Leave it to the station wagon leader to make the big news for '57! And what news! Wagons are big, so full of fine-car prestige that you'll wonder how it can be done at low Ford prices.

If your choice is the Country Squire, you'll be proud to pull up at the finest places in this new glamour wagon with its wood-like trim.

If your needs call for a 6-passenger wagon with low doors, you'll love the new Country Squire. It has almost nine feet of headspace - nearly a foot more than ever before.

There's still another 4-door Country Squire. It has the extra third seat for 9-passenger loads. And, as in all Ford wagons for '57, you have the new 40-horsepower hand-

which opens both the wrap-around luggage and tailgate with one motion. And they can't be opened from inside!

There's good news, too, about Ford's popular Ranch Wagon. This 6-passenger, 2-door model features Ford's new subdued tones, and smart interiors which defy muddy little shoes and drippy chocolate cones.

In the wonderful way that Ford can take a fine thing and make it even finer, the Del Rio Ranch Wagon goes beyond the Ranch Wagon in style, fabrics and trim.

Better take a Ford wagon for a spin. You'll agree that for styling it's a sweetheart... for work and power, it's an obedient slave!

New '57 Ford have biggest wheelbase since history!
 The '57 Ford broke 48" national and international records for 1.5 wheelbase in 30,000 miles of Sunbelt, Utah. For 30,000 miles, two '57 Fords averaged over 37 and 38 mpg respectively. This line included all oil stages. The greatest endurance that of all time.

DIVORCE AND REMARRIAGE

"Is it lawful for a man to put away his wife for every cause?" This question was put to Jesus by a group of Pharisees who were trying to detect in his teaching some doctrine that was contrary to the Law of Moses. Jesus answered this question by saying: "Have ye not read, that he who made them from the beginning made them male and female, and said, For this cause shall a man leave his father and mother, and shall cleave to his wife; and the two shall become one flesh? So that they are no more two, but one flesh. What therefore God has joined together, let not man put asunder." Matt. 19:5,6)

This answer reveals that God's plan is for a man to have one wife, and for a woman to have one husband. If he had intended otherwise, he would have created two or more women for Adam, or two or more men for Eve. When a man and a woman have been united as husband and wife they are no longer two in the sight of God but one. This God-recognized union is not to be torn asunder by any of the flimsy excuses that are recognized as grounds for divorce by the courts of our country.

Having received the above answer to their question, the Jews said: "Why then did Moses command to give a bill of divorcement, and to put her away?" Jesus said: "Moses for your hardness of heart suffered you to put away your wives; but from the beginning it hath not been so." This same hardness of heart is responsible for a large percentage of the divorce cases that are filling our courts today, but this hardness of heart is not a scriptural wife. EXCEPT FOR FORNICATION, and shall marry another, committeth adultery; and he that marryeth her when she is put away committeth adultery" (Matt. 19:9). Fornication, or unfaithfulness on the part of one of the marriage partners, is one of the two scriptural reasons for divorce and remarriage.
