\$2 And \$2.50 Per Year

MISS RANDLE HONORED

Miss Delilah Randle, bride elect of John Norvil, Jr was the honoree at a miscellaneous bridal shower last Tuesday in the home of Mrs. A D. Haney. The bride's chosen color theme of orchid and white was carried out in the decor with the serving table covered in orchid satin and net and appointed with silver and crystal. The table was centered with an arrangement of white carnations and orchid baby's breath and featured two ceramic cherubs nestled in the center. Mrs. Harvey Line presided at the bride's book and Miss Sheelah McCormick of Lubbock, Maid of honor-elect, assisted in displaying the gifts.

Hostesses for the occasion were Madames Archie Haney, Naymon Everett, Harvey Line, Hubert Webb, B. J. McLaurin, S M Clayton, Jr., R R Felts, Clyde Edwards, Leonard Mires and Paul Gooch

On TV ---

Carol Ann Moore, Lyndol Askew, Ronnie Wood and Charlotte Vestal were recently on T. V. on the morning farm show along with Co. Agt. Bill Griffin. They won first place in state in 4-H entomology judging.

Mrs. J. Y. Everett has returned from Crosbyton where she spent several days in the hospital.

The daughters of Mr and Mrs. R T Rains of Monahans are visiting their grandparents, Mr and Mrs. Wallace Rains.

AREA 2 FFA MEET HELD

Attending the Area 2 FFA convention at San Angelo last week were Bobby Joe Furlow, Douglas Mires, Bobby Mack Furlow, Louise Birdwell and James Reed. Guests attending were L. M. Mires and Carolyn Reed.

The O'Donnell chapter received a Gold Emblem rating which is the highest state award and included work done by the Chapter and all of the members. Record books of Bobby Joe Furlow and Bobby Mack Furlow and Douglas Mires passed on an area basis and are at the State being checked for the Lone Star Farmers degree.

The chapter again received the Texas Electric award which is a cash award of \$150. James Reed, local teacher of FFA, said this award was won because of the 100 percent cooperation of all boys in the ag. classes.

Randy Allen received 4th place with his individual electric work. His award was \$20.

The two day convention was held at the new high school in San Angelo.

YOUNG FARMERS MEET

Last Thursday night Dick Gilbert, entomologist from Lubbock, gave an educational program on cotton insects at regular meeting of the O'Donnell Chapter of Young Farmers. Harold Hohn, president of the club, presided. After the meeting the group had coffee at Jackson Cafe. Jack Minter, secretary of the club, made arrangements for the program.

School Work Is Progressing Street Curbing Starts Here

Work is progressing on building at the school. Construction has been completed on the new Junior High building just north of the present Elementary school as well as addition of three new rooms to the Elementary School. Equipment in the new Junior High has been moved in and is being prepared for the September school opening.

The upper story of the former Junior High has been removed and a new roof installed. Work is now in progress on the interior. When completed the building will house the Homemaking Dept., the Vocational Ag. Dept., Band Dept., General School and Tax Offices as well as a warehouse. Before school opens other improvements will be made in the high school building and gym. One of the present cottages will probably be used as athletic office.

Total money to be spent will be about \$200,000. About ten weeks remain to school opening, so live it up, kids.

Miss Helen Utecht, daughter of Mr and Mrs. Fred Utecht, is attending Isabell School of Beauty at Lubbock

MISS RANDLE WEDS

Miss Delilah Randle pledged double ring vows with John Norvil, Jr at 10 a. m. Saturday in St. Elizabeth's Catholic Church. The Rev Aidan Maguire officiated. Parents of the couple are Mrs. Fleeta Allen of here and Mr and Mrs. C Morehouse of Gary, Ind.

Given in marriage by a cousin, A. F. Allen of here, the bride wore a gown of cloud white silk organza over silk mist taffeta. It was designed with a scalloped portrait neckline and long petal point sleeves. The fitted lace bodice joined a bouffant dome skirt enhanced by scalloped contour panels of lace which swept into a chapel train. A crown of pearls and crystals held a finger tip veil of French silk illusion. She carried a bouquet of white carnations centered with a white gardenia atop a white Bible.

Maid of honor was Miss Sheelah McCormick and Best man was Ralph Filler. Ushers were Ronald Beauvieux and Rodney Bunker.

Mrs. Jack Henry played traditional wedding music at the organ. Following a reception at the Parish Hall the couple left on a wedding trip to Gary, Ind. The bride wore a toast brown linen two piece suit. They will make their home in Lubbock. The bride is a graduate of O'Donnell High School and is a student vocational nurse at Methodist Hospital. The bridegroom is a graduate of East Gary Edison High School in East Gary, Ind. He is now stationed at Reese AFB.

LOCAL STUDENTS RANKED HIGH IN NATIONAL TESTS

The 9th and 10th grade students of the local school made higher scores on the National Educational Development test given last March than the average of the nation. In fact the nine tenth graders taking the test scored above 60 percent of those taking the test in all high schools of the nation; the three freshmen scored above 55 percent taking the test.

The highest individuals were outstanding. In the 10th grade those above the 74 percentile were Ronnie Shepherd, 97, Berdell Taylor, 84, and Carol Ann Moore, 74. Competing against other freshmen Sarah Thompson was above 90 percentile of the nation. In subject or subtests these students scored highest on word usage, 68 better than 68 in each 100, next on English usage, next on social studies readings, 67, and were lowest on math usage but were better than 44 out of every 100 students of nation taking this test. These results are shown in a report just received by the school and reported by the school's counselor.

Work began this week on curbing and later paving of 30 blocks in town. Of the above amount about fifteen blocks are new paving. The curbing is expected to drain a number of problem drainage areas. The Highway 87 By-pass thru town is being curbed at owners expense but the highway department will pave from gutter to gutter giving a street almost twice as wide. Kerr Paving Co. of Lubbock has the contract. Mayor L. J. Hash said

Mr and Mrs. J. L. Pennington and son Billy and family spent week end of June 9th at Possum Kingdom. The lake was very low but by the next day was rising rapidly. They reported catching all the fish they could eat.

Mr and Mrs. J R Thomas, Mrs. Lula Moore and Mr and Mrs. I C Dorman returned Friday from a trip to Lufkin where they attended the funeral of their brother and uncle Dr. C. P. Thomas

BAND SCHOOL IN PROGRESS

Some fifteen students have enrolled in the band school being held here for two weeks. Band Director Bill Hulise said. Students may enroll next Monday for one week of the school at half the charge or 45 instrumental music, marching and twirling are being taught.

JORDAN-FURLOW VOWS ARE EXCHANGED HERE

Miss Judy Rae Furlow and Dennis Leleon Jordan were united in marriage in a double ring ceremony at 2:30 p. m. last Sunday. The Rev. Calvin Partain officiated in the First Baptist Church. Parents of the couple are Mr and Mrs. A R Furlow and Mr and Mrs. Laleon Jordan. The bride was given in marriage by her father and wore a floor length gown of Chantilly lace. The fitted bodice featured a scalloped portrait neckline outlined with seed pearls. Long sleeves tapered to petal points over the hands. The skirt was highlighted by feathered tiers of Chantilly lace in black and appliques of the lace and pearls overlaid in the front.

Her fingertip length veil of white silk illusion flowed from a tiara of pearls, she carried a bouquet of white feathered carnations centered with an orchid.

Miss Jana Furlow attended her sister as maid of honor. Bridesmaids were Miss Sue Winans, Miss Brenda Barnes and Miss Sherry Hartis. A junior bridesmaid was Janice Jordan, sister of the bridegroom. Attendants wore identical street length dresses of ice blue chiffon with round necklines and long fitted sleeves. The bodices were overlaid with white lace. Matching floral headpieces with small circular veils were worn. Each attendant carried a colonial bouquet of white feathered carnations.

Best man was Dwayne Simpson, Seminole, cousin of the bridegroom. Groomsmen and ushers were Dan Hustler Snellgrove, Billy Amaro and Mickey Pearce. Rings were carried by Anthony Jordan, brother of the bridegroom. Mrs. C. A. Doss playing traditional organ marches and accompanied Miss Carolyn Hatch in wedding solos.

Following the reception in the Fellowship Hall of the church, the couple left for Ruidoso. The bride wore a beige and white suit with white accessories and the orchid from the bridal bouquet to compliment her traveling ensemble.

Both are spring graduates of the O'Donnell High School. They will be at home on Rt. 2 where Mr. Jordan is farming.

Shower Honors Swinney Children

Sandy, Bryan and Keith Swinney, the very attractive adopted children of Mr and Mrs. J. C. Swinney, were honored with a shower Friday from 3 to 5 p. m. in the O'Donnell Community House. Hostesses included; Mesdames: Elvin Moore, Bill Barnes, Earl Wingfield, K. E. Vestal, Clarence Williams, Hal Singleton, 3rd, A. J. Barnes, Cecil Pearce. Recently at a Church of Christ social the children were honored with a "money tree". The Community rejoices with the Swinneys in this fine family that blesses their home.

The serving table was laid with a white linen cloth and centered with a large gold colored shoe surrounded with 3 miniature dolls in a garden of flowers symbolizing the nursery rhyme "The Old Woman in The Shoe."

FIRST GRADERS MUST HAVE PROOF OF AGE

Parents have their hands full remembering all the things needed for a child beginning school for the first time. But one item they should put on their list is a birth certificate. This word of advice comes from W. D. Carroll, state registrar, whose vital statistics staff at the Texas State Department of Health is responsible for handling the flood of requests for birth certificates for children entering school for the first time in September. Many parents tend to put off requesting copies of their youngsters' birth records until the last moment, resulting in a heavy work overload. The vital statistics staff, despite long hours of nite and week end work, can process just so many requests before school begins. More than 270,000 children are expected to enter elementary schools of Texas for the first time this fall. The estimate is based on calculations made by the Texas Educational Agency. A good many parents, some of whom may have waited too long in past years, have already requested and received birth records on this year's new scholars but tens of thousands of additional records will have to be processed between now and the first time that first school bell rings in September. More than one youngster has been forced to postpone his first days at school simply because his parents couldn't produce proof of his age when it came time to register for him.

All you have to do is give the child's name, date and place of birth, the mother's maiden name, and the name of the father. This information, with the necessary fee, should be addressed to the local county clerk or to the State Department of Health, Section on Records and statistics, 410 East 5th St., Austin, Texas. Something else: be prepared to show school officials a record of "shots" your child has had. Depending on local school board regulations, proof of immunization against smallpox, whooping cough, diphtheria and other diseases may be require. O'Donnell school requires immunization against smallpox and encourages other preventive "shots".

Parade Awards ---

In the parade awards, Clark Swinney was named best dressed cowboy and Jay Lynn Middleton the best dressed cowgirl. In the novelty class the award went to J C Swinney for the 1927 car and second place to Judy and Jan Caswell for their horse and cart entry.

For sale: modern 2 bedroom, bath, house on pavement, 9th st. \$5,000 wth \$1500 down. see R O Stark or Elvin R Moore or write to 504 Miles Ave. Hereford, Texas

MISS MARTIN ENTERS BUSINESS COLLEGE

Miss Brenda Martin, daughter of Mr and Mrs. Ralph Martin, Rt. 1, O'Donnell, has entered Draughton's Business College in Lubbock. She is majoring in secretarial work.

Miss Martin is a 1962 graduate of Borden High School where she was a member of the FHA for four years, serving as treasurer one year and vice-president one year. She was a member of the basketball squad for four years and served on the Annual staff. She was also in the pep squad.

MINOR LEAGUE RESULTS

In the Minor League following are members of the Cards: Jerry Boles, Mike Cathey, Ren Dornas, Ricky Gasa, Odel Hunter, Ken Don Jones, Dexter McKibben, Keith Merrick, Manuel Morales, David Partain, Jerry Webb, Billy Jack Wood, David Wingfield. Manager is Charles Boles and assistants are Nolan Jones and Jack Webb. Of the 8 games played to date the Cards have won 3 and the Sox have won 5.

Wayne Shaw, son of Mr and Mrs Norman Shaw, entered the Army last week and is stationed in Missouri.

Mrs. Homer Hardberger and daughter, Jan, and Mrs. Douglas Bailow and sons left last week to visit in Washington and Maryland.

Dr and Mrs. Noble Rumbo and children returned Friday from a tour of California. Dr. Rumbo was a delegate to Rotary convention in that state.

Mr and Mrs. Cliff Lambert visited relatives in Oklahoma last week.

Mr and Mrs. Hugh Lott are visiting in Valley this week. Mr. Nelson of Lamesa is the pharmacist in his absence.

For Rent: nicely furnished 8 room apartment, ground floor. Mrs. O. G. Smith, ph. 8-2885

SPEAKS ON CATTLE FEEDING

The O'Lonnell Rotary Club met Tuesday and visiting Rotarians were L. R. Morris, Jack Hines, John Emanuel, Jack Broyles, Charnel Jobe and Jim Moody of Lamesa and Fred McGinty of Tahoka. Guests were John Prescott, son of Ode Prescott, minister of Church of Christ and Nick Zophoniasoon of Rejkjavik, Iceland. Bill Griffin, Lynn Co. Agent, spoke on cattle feeding. C. A. Lacy is program chairman.

How much longer will your water heater last?

Replace it now with a modern flameless **ELECTRIC WATER HEATER**

If your present water heater is operating on "borrowed time", why risk the inconvenience and possible added expense of a "breakdown"? Install a modern, quick recovery, electric water heater now and enjoy all these advantages that only flameless electric water heating can give you:

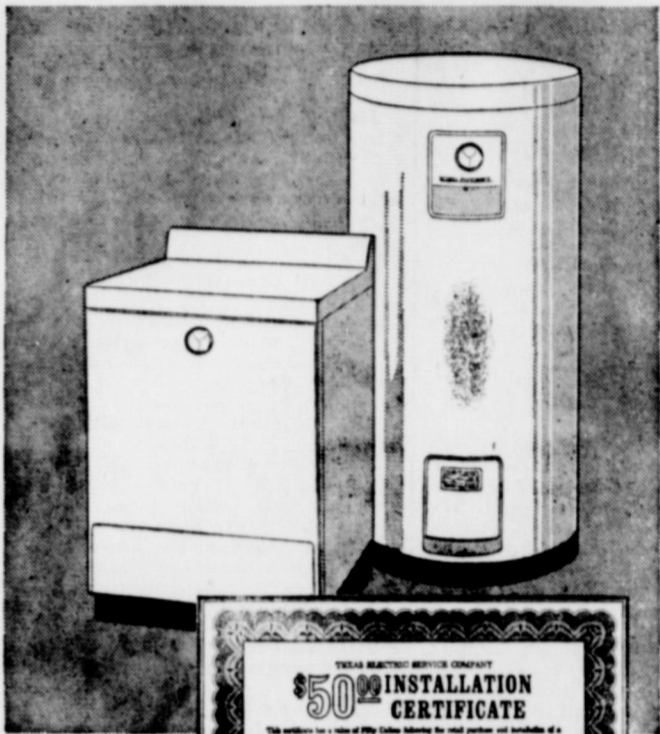

FAST. New quick recovery electric water heaters with immersed heating elements give you hotter water faster and it stays hot longer. All the heat goes into the water—none is wasted up a flue. And the tank is completely insulated—even on the bottom—to keep heat inside where it belongs.

SAFE. No flames to blow out accidentally. No fuel to leak. No pilot light or flue to worry about. An electric water heater gives you peace of mind.

CLEAN. No by-products of combustion to soil walls or ceiling. No unpleasant fumes. No flue to accumulate soot.

LONG LIFE. The tank bottom is not subjected to the corrosive action of flames. There are no valves to stick, no burner to adjust.

INSTALLS ANYWHERE. Because an electric water heater needs no flue, it can be installed anywhere in the house, close to the point of greatest use. This saves long heat-wasting pipe runs.

SAVE NOW GET THIS...

\$50 INSTALLATION CERTIFICATE

Good for \$50 on the retail purchase and installation of a new electric 40-gallon (or larger) glass-lined quick recovery water heater in any home served by Texas Electric Service Company. Available now and for a limited time only from your appliance dealer, plumber or electrical contractor. Ask about it soon.

New Low Rate for ELECTRIC WATER HEATING
Only 1 1/2¢ per kilowatt-hour for all electricity normally used for water heating by the average family. Call our office for full information.

Chevrolet Fleetside Pickup

The truck that's as good as your word

When you promise something will be there, a Chevrolet truck will help you keep your word almost to the point of monotony. It will do its job over and over and over again, with seldom any trouble, at very low cost. What more can you ask from a truck? Because of their reliability, people have put more Chevrolet trucks to work every year since 1937. That's a strong vote of confidence. If good service is vital to your business, make your truck a Chevrolet and make your word more dependable than ever. Call your neighborhood Chevrolet dealer soon.

Town Lavishes Gifts On Boy Who Lost Hands

CENTERVILLE, Ala. — Everybody in this town is mighty friendly. James Allen Brewster, 5, thinks. His neighbors have lavished many gifts and toys upon him, things he often has wished for but which now he can't hold or fondle. He has lost both his hands.

His hands were caught in a saw-mill slab chain. He was treated in a hospital. When he returned home he gazed ruefully at the bandages where his arms ended and said, "Now I won't be able to play anymore."

Centerville folks had been too busy helping the boy's dad, S. A. Brewster, pay the hospital and the doctors to think about toys for the small lad. They had already raised about \$300 for medical expenses and \$40 to buy James some clothes.

After his sighing remark about not playing again, James went uptown with his sister, Mary Dean, 12. He wore a neat sports shirt, blue jeans and new shoes. His sister bought him a soft drink and held the bottle while he sipped. Then they went home.

Upon arrival, they found the toys that the people of Centerville had been too busy to buy before. James was so happy that he declared he would learn how to play all over again.

Commuter Snags Train But Can't Hold It

EUREKA, Calif.—Loafers around the railroad station here tell this for the truth. Seems the station agent heard a loud crash on the platform. He ran out and saw the rear end of a train disappearing around a curve. A disheveled gent lay prone on the ground, surrounded by the contents of his banged-up suitcases.

An owlish youngster stared at the gent, but made no effort to assist him. "Was he trying to catch the train?" the station agent asked the youngster.

"He did catch it," replied the youngster, "but it got away."

Tennessee Bear Ruins Revenuers' Evidence

NASHVILLE—In the Tennessee hills there lives a bear which seems to know bad whiskey when he tastes it. While Alcohol Tax Unit agents were waiting to trap the owner of a still they had just found, the bear lumbered out of the forest and decided to sample the product. He rolled it around his tongue and then smashed the still to pieces.

An Annual Battle With Insects

Mankind is poised to begin the annual grudge fight with insect hordes that flourish in the warmth of spring and summer.

Inevitably the insect will lose as mankind—armed with noxious sprays and dusts and aerosol mists—seeks to ward off the bites and stings and the destruction of his food, clothing and home.

Only by constant fighting has humanity been able to hold its precarious own against more than one million different insect species which inhabit the world. Some 6000 to 7000 new species are identified each year to lengthen the list of known kinds. The United States is inhabited by approximately 600 injurious species, some of them vectors of human disease.

The vast majority of insects are neutral or indifferent where man is concerned, apparently content to let humanity go its way and demanding the same privilege. Others are highly beneficial, feeding on noxious weeds or troublesome insects, or pollinating crops. At least 50 different seed and fruit crops would be barren without insect pollinizers.

On the other hand to fix a price on depredations of harmful insect varieties, you have to re-gear your thinking or get lost in a maze of zeros. Just counting field crops and stored grains, they wreck a yearly havoc of \$4 billion in the U.S. alone.

Flies, fleas and mosquitoes were and still are behind some of the most calamitous scourges the human race has ever endured, including plague, malaria, yellow fever, and others.

The fact that most insecticides are toxic for humans as well as for insects has caused some apprehension. It is true that people who use them carelessly do run real risk. But there is no evidence to suggest the general population is being insidiously poisoned.

A detailed study into the extent to which widespread use of agricultural insecticides might adversely affect the health of humans and domestic animals is scheduled to begin in coming weeks, under auspices of the Texas State Department of Health and Texas A and M College.

Insecticides, despite their great value as weapons against insects, are only supplements to other control devices, the most important of which is proper personal and community sanitation.

Sucker Day Recalls Big Bamboozlement To Oklahoma Town

WETUMKA, Okla. — The city slicker who bamboozled almost every merchant in this community received some high tribute recently from the very town that he slyped.

The town celebrated its third annual "Sucker Day," to memorialize the fortune that turned bad luck into good for this community.

Sen. Taft (R-Ohio) and Sen. Kerr (D-Okla.), who were named the "top suckers of 1952" sent their regrets because they could not attend.

Slick F. Bam Morrison visited Wetumka three years ago and sold a bill of goods.

The community held a party to get rid of the unusable surplus merchandise and found itself with a profit-making festival.

Morrison was invited to this year's celebration. But, with everything honest, he stayed away.

The history of the event goes back to the day Morrison arrived here as the self-announced advance agent for a circus.

He canvassed every merchant for advertisements in the circus program.

"Yesiree," Morrison's glib tongue promised, "the circus is coming and it's a humdinger!"

The confidence man persuaded local merchants to import hay to feed the elephants.

Came the big day, there was no big top. There was no Morrison.

The red-faced civic leaders hit upon the scheme to out-Morrison Morrison.
