For Congress

SENATOR ARTHUR P. DUGGAN

To the Citizens of the 19th Congressional District: In announcing my candidacy for Congress in the new 19th Congressional District I am fully aware of the importance of that high office.

Protection of Home Ownership

The Homes of the Nation are its greatest asset and their preservation is of first importance. Fairer appraisals of our lands, valued according to production, will make the large majority of them eligible for Federal Land Bank Loans with low interest rates and easy terms.

Urges Better Educational Facilities

Good schools are, and always have been, the hallmarks of American liberty and freedom. The making of good citizens of our boys and girls ranks next to the happy home as a National obligation.

The Texas Technological College

located in this Congressional District, should be made a part of the Federal program by which the country are not only solving the "live at home" program but are helping wonderfully in the improvement of homes and schools.

Cotton Growers Should Not Lose Parity Payment

College Station—Cotton growers should not let their interest in the cash land rentals offered by the Government on land retired in 1934 from cotton production blind them to the importance of the cash parity payment of one cent per pound on 40 per cent of the average five-year production, it was pointed out by C. H. Alvord of the Cotton Section Agricultural Adjustment Administration, during a recent visit to Extension Service headquarters at A. and M. College.

Boys' SOCIETY

Miss Bessie Mae Tate, Jack Veazey Married

In a quiet ceremony read by Rev. G. W. Montgomery in the parsonage parlor, Miss Bessie Mae Tate of Dilley and Mr. Jack Veazey were married Tuesday afternoon, December 28.

The bride was attended by Mrs. Glen Everett, sister of the groom, and Mr. Everett acted as groomsmen. For the ceremony, Mrs. Veazey wore a black crepe frock with green crepe bodice trimmed with rhinestone clips, with accessories in black kid.

Mrs. Veazey is well known among residents of this territory. She is the daughter of Dr. C. P. Tate, a local physician for many years. Though she graduated from Lubbock High School in 1930 the remainder of her school days were spent in the local grammar and high schools, where she was one of the most popular girls in the student body. Her sweet personality and gentle manners made and have kept scores of friends.

Mr. Veazey is the son of Mr. and Mrs. W. H. Veazey, former residents of this place now living in the New Moore community. He graduated from the local high school in 1929. During his last three years he was active in football and other athletic activities, while both he and Mrs. Veazey took an enthusiastic part in amateur theatrical productions of the student body.

After next week, the couple will be at home at New Moore.

Randall Couple Is Married Last Week

(Intended for last week.)
Culminating a romance of several months duration, D. M. Estes performed a quiet but impressive marriage ceremony Thursday evening, December 21, uniting Miss Audrey Stokes and Mr. Lewis O'Conner.

The bride is the attractive and accomplished daughter of F. M. Stokes, and is one of the most popular young ladies of the Randall community. Mr. O'Conner is the foster son of Mr. and Mrs. Davis of that community and is respected and esteemed for his many admirable traits. The couple will make their home in the Randall community where Mr. O'Conner is engaged in farming.

The Index joins with other friends in extending hearty congratulations and best wishes.

(Editor's Note: Mrs. O'Conner has for the past year been our correspondent from the Randall community, so that we feel a deep personal interest in the happiness and welfare of this couple. We sincerely hope that she will continue to send in the news from Randall.)

Morton Couple Is Married Sunday

Justice of the peace D. M. Estes performed the marriage ceremony Sunday which united Miss Velma Owens and D. D. Burke of Myerton.

These young people are not generally known in O'Donnell, but they chose a sacred day, a good town, and a good man for the ceremony, and the Index joins with their many friends in extending wishes for their happiness and prosperity.

Sunshine Shower For Mrs. Saleh

Honoring Mrs. N. Saleh, Mrs. J. Irvin Street was hostess and employees of the Economy store were guests at Wednesday evening at a lovely sunshine shower at the Street home.

The Christmas motif was carried out in all appointments. Gifts for Mrs. Saleh were placed on a Christmas tree as were small gifts for each of the guests.

Mrs. George Shumaker favored the group with a delightful and appropriate reading, after which the packages were unwrapped. Dainty refreshments of prunella cake and hot chocolate were served to Misses Frances Scott and Hazeline Lawson, Misses Calvin Fritz, George Shumaker, James Pierce, George D. Foster, A. C. Lambert, Glen Everett, and Partner and the honoree.

Heathingtons Hosts At Family Dinner

Mr. and Mrs. W. R. Heathington were hosts Wednesday evening of last week at a family dinner at their home, entertaining all their children and a number of friends.

The traditional Christmas menu was carried out as only Mrs. Heathington can, and the occasion was enjoyable in every way.

Those present were Mr. and Mrs. Farris Heathington, Mr. and Mrs. B. J. Howell of Owen, Misses Foy and Fawell Heathington, Mr. and Mrs. John Johnson, Mr. and Mrs. G. P. Bray, Mr. and Mrs. John S. Fritz, Mrs. Montgomery, Dr. O. H. Shepard, and D. M. Ester.

ON TEXAS FARMS

By W. H. Darrow
Extension Service Editor

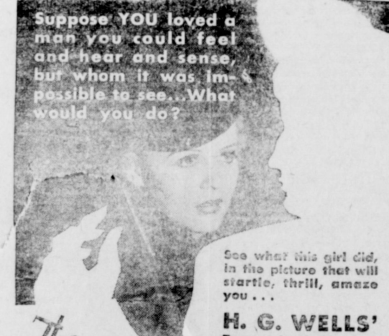

"People are crying that the depression is terrible, that they cannot get as much to eat as formerly. I believe if they will grasp opportunity by the horns and put forth every effort there is no reason for their pantry shelves to be empty, their children crying for food, and their husbands out of sorts." So speaks Mrs. O. C. Barlow, a Kaufman county farm wife who has 984 quart of fruits, vegetables and meats on her pantry shelves as a result of her work as a home demonstration club 4-H pantry demonstrator at Prairieville.

Twenty-eight Nolan county 4-H club boys put baby beaves on home grown rations of ground milo heads, bundle sorghum and cotton seed meal in November in preparation for a cattle show May 15th.

From a 2-acre pecan orchard put out 18 years ago, but which really started 7 years ago when he began top working unprofitable trees to improved varieties S. R. Buchanan of Saratoga, Hardin County, has sold \$200 worth of pecans and has several hundred pounds on hand to sell.

Starting at 10:00 o'clock Sunday Night
New Year's Eve

A local canning record has been established by Mrs. Y. R. Gaither, home demonstration club 4-H pantry demonstrator in Johnson county. She has 1633 containers of food. Everything in the pantry was produced on the farm except a half bushel of apples.

A small farm poultry flock, if properly managed, is still a good paying investment, says the county agent of Blanco county, who points to the year's records of four demonstrators. A total of 929 hens laid an average of 157 eggs each at a feed cost of 4.8 cents per dozen. Total income per hen was 84 cents.

Marion county farmers are said by the county agent to be planting more home orchards this winter than at any time in 20 years.

WHO READS....

the INDEX?

When we say that our guaranteed circulation proves that 900 families read the O'Donnell Index, we mean that that number of men comprising merchants, business men, farmers, professional men, and THEIR WIVES AND FAMILIES have selected the O'Donnell Index as their choice.

These men are the breadwinners, their wives the purchasing agents, for their families

and a newspaper that appeals to them is worthy in every respect.

That is why advertising in the O'Donnell Index brings guaranteed results... this paper goes into the homes of breadwinners who are the backbone of the consumer public in O'Donnell. We are proud of the place we have in their homes. And you, too, may have a place in their daily plans by advertising your merchandise in this prepared area of buyers.

Let the car speak for itself

HUNDREDS of thousands of people now own and drive Ford V-8 cars. Some neighbor or friend of yours has one. If we told you what we think of the car, you might say we are prejudiced, so we let the car and its owner tell you.

Economy of operation is one of the first points they will emphasize—the owner will boast of it and the car will prove it.

The 1934 car is even better than the 1933—and that was our best car up to its time. The new car is more beautiful—faster—more powerful—gives more miles to the gallon—better oil economy—is easier riding—cheaper to own and operate than any car we ever built.

You owe it to yourself and your pocketbook to ask our Ford Dealer to let you see this car, and let our drive it for yourself. At the wheel of the car you will be sure to reach a right decision. The Ford V-8 will tell you its own story.
