Long on looks and load space ... Chevy's new Fleetside!

Here's the new pickup that brings you clean-lined Fleetside styling and increased load capacity . . . both in the same model!

From their dual headlights to their projectile-like taillight housings, these-new Chevrolet Fleetside pickups are beauties to behold. And-even more important to your business - they're built for more load.

The new Fleetside pickup box -available in 78- or 98-inch lengths-is a full 6 feet wide. This means you have a choice of 59.5 or 75.6 cubic feet of cargo space-larger in either case than that of any comparable pickup

Your dealer will also give you the details on the fast-stepping Stepside, America's lowest priced popular pickup.

First in buyer preference since 1937

to prove Mercury the Performance Champion for 1958

OUTPERFORMS EVERY CAR IN AMERICA, REGARDLESS OF PRICE!

The one factor that counts most in automobile performance is power-per-pound. And Mercury, with up to 83.08-hp per thousand pounds dominates any other fullsized car. Even in horsepower alone, Mercury's 360-hp V-8 surpasses every car except one costing almost \$1000 more. Yet there's no sacrifice in economy. Cool-Power engine design delivers more power from less gas. But make us prove Mercury is Performance Champion for '58. Take a 10-minute road test today.
