FARMERS HOLD BANQUET IN TAHOKA TUES

TAHOKA, TEXAS (SPECIAL)
That the Triple-A program has been highly beneficial both to the farmers and the business men of Lynn county, that it is not subject to most of the criticisms that have been leveled against it, and that it should be made a permanent program was the sentiment strongly voiced by the numerous speakers at the county-wide banquet held in the school gymnasium here Monday night.

With Marshall Stewart acting as toastmaster, there were about 125 or 130 farmers and business men present. These came from almost every nook and corner of the county. Possible 7500 them were real dirt farmers and they constituted a fine group. Some of them proved to be most effective speakers. With scarcely an exception, they appeared to be well informed respecting many phases of agriculture and particularly with respect to the Triple-A program.

Cliff Day of Plainview, now connected with the general office of the Triple-A set up in this state at College Station, was booked as the main speaker of the evening, but Emanuel of the Garolia community was introduced. B. J. J. was called upon by the toastmaster to give a resume of the Triple-A work in this county.

He had at his command a long list of interesting facts and figures and stated in a clear and concise manner many of the benefits derived from the Triple-A program.

In the first place, he pointed out that there are 700 miles of terraces in Lynn county and 275,000 acres of cotton crops, while there are 103,000 acres of soil-conserving crops.

During the year 1939, government payments of all kinds to the farmers of Lynn county aggregated \$1,250,000 Mr. Emanuel stated. He gave the figures also for each of the years since 1933, showing a total of more than \$4,700,000.

Mr. Day proved to be a most effective speaker. Using homely illustrations and giving home his points with unusual force, he made out a good case for the Triple-A.

He attributed the farmers' plight chiefly to the high protective tariff, which he said had been working to the benefit of the manufacturer for a hundred years. The Triple-A affords the means by which the farmer may even up with the manufacturer, he contended. His address was well received.

Various business men had been requested in advance to ask written questions respecting the farm program and quite a number of them had complied with the request, and these questions had been referred to various farmers for answer and discussion.

Mrs. Steve Anglin and a group of Tahoka friends attended the show "Gone With the Wind" in Lubbock Tuesday.

CANDIDATES SET SPEAKING DATES

Practically all of the candidates running in the 1940 primary election in a meeting recently, asked County Superintendent Lenore M. Tunnell, whose term does not expire this year, and is therefore not a candidate, to arrange a speaking schedule for Lynn county.

The candidates have requested that speaking dates not be scheduled before April 12th. Any school or individual wishing the candidates to meet with them is asked to contact Mrs. Tunnell at an early date so the schedule may be worked out satisfactorily for everyone concerned.

BAPTISTS PLAN REVIVAL START ON MARCH 24

Preparations have begun toward the holding of the First Baptist church revival, beginning March 24, so members say, with plans calling for the pastor, the Rev. J. L. Lunsford, to be in charge of the preaching and A. C. Hamilton directing the singing.

"We hope to make this revival a very successful one, and to do so we need the co-operation of every member," so the Rev. Mr. Lunsford said this morning. "Whenever possible, it is by constant devotion to the work to which Christians have dedicated themselves that brings about maximum results."

REX THEATRE INAUGURATES BARGAIN BILL

Entertainment plus will be offered the patrons of the Rex Theatre beginning Friday March 15 when a two feature picture program for the price of one program is to be started, according to Harvey Gardenhire, local manager.

The same program will run continuously on Saturday, and will continue the same each Friday and Saturday thereafter.

Some of the sure-fire hits of the motion picture world have been booked, so Gardenhire says, for the bargain programs, and as the bookings are released for publication, the patrons will be informed in order that no one will miss the featured entertainment.

WRIGHT EDWARDS MOVES TO WOLFORTH
Wright Edwards recently sold his farm the Three Lakes community to W. L. Gardenhire of O'Donnell and the first of this week he and his family removed to Wolforth, where he purchased an unimproved half section of land.

Mr. Edwards has been a citizen of Lynn county and a resident of the Three Lakes Community for many years and has been one of our best citizens. Many friends regret that this good family has moved away.

Mr. Edwards is now having a residence built on his Wolforth tract of land and having it otherwise improved.

Mr. Gardenhire is a prominent man and land owner in the O'Donnell section.

ATTEND LODGE MEETING IN LAMESA TUESDAY
Secretary Ben Moore, Will Ed Tredway, Charley Wells, G. C. Ater and Wilford Gates were in Lamesa Tuesday night and attended a meeting of the Entered Apprentice lodge.

ENUMERATORS FOR CENSUS ARE NEEDED IN AREA

Although numerous applications in the forthcoming Population-Ag have been received for Census work, it is believed that in some Counties more Enumerators will be needed than have applied to date. With this in view it is desired that all who may be interested in working as Enumerators please write or call for Official Application forms and file applications with District Supervisor before March 10th.

HARVEY LINE, CLIFF LAMBERT BUY GROCERY

In a business deal transacted one day last week, E. D. Holman's Self-Serve Grocery was purchased by Harvey Line and Cliff Lambert, two experienced grocers well and favorably known to the O'Donnell trade territory.

The new owners are to assume charge March 11.

A stock reduction sale is announced in this issue of the Press by Mr. Holman, and is to be in effect until Saturday, March 9.

Customers of the present ownership will be glad to know that the new owners expect to pursue policies that have been popular with the Self-Serve, and that they intend to restock the store throughout with the wanted foods.

Mr. Lines, who was in business here with his father for years, is thoroughly experienced in all phases of the grocery business, and was always in the forefront to introduce modern merchandising methods. Too, he assumed an active part in O'Donnell's business and civic life.

Mr. Lambert came to O'Donnell in the early 1920's, and has been employed with Mansell Brothers, grocery, hardware and furniture, throughout that time. He, too, is among O'Donnell's business builders, having served as city secretary for several years.

Any changes which the new owners contemplate making in the store will be announced prior to their assuming charge March 11, so they declared this morning.

FORMAL OPENING OF NEW OFFICE QUARTERS FOR CICERO SMITH LBR. CO. PLANNED FOR MAR. 8-9

A cordial invitation to attend the formal opening of their new office and supply quarters on March 8-9 has been extended to the public by the Cicero Smith Lumber company of this city.

Refreshments will be served to all.

Ultra-modern fixtures have been installed in the new office, and the entire front part has been arranged for greater convenience to the public as well as making it a place of beauty.

Don Edwards, local manager, has issued the public invitation personally and assures a cordial greeting to all.

ATTENDED SHOW
Among those attending the show "Gone With the Wind" in Lubbock this week were Mr. and Mrs. Guy Bradley, Mesdames J. Mack Noble, C. L. Hafer, J. W. Davis, William G. Forsy, Grant Winston, Roy W. Gibson, E. T. Wells, Burley Brewer, and Misses Claire Ruth Nichols, Beverly Wells and Jim Ellen Wells.

Gene Gardenhire was a business visitor in Tahoka Tuesday.

WILLIAMS RIPS HOT BOWLING SCORE OF 279

Bowling as it should not be done was offered spectators at the O'Donnell Bowling Alley Tuesday night when the Corner Drug team smared the Whitsett crew three straight matches. Weird shots were the usual thing and not the exception.

Blocker's Grocery emerged a two-game out of three over Higginbotham's, and allowed the first named five to come within two games of the second-place Whitsett pinpointers.

Only a blistering 279 score saved the Corner team from defeat in the first game, and Ed Williams was the man behind the ball. Williams chalked up nine straight strikes, but managed only a spare in the tenth, lacking just one pin from making it a perfect 300 game as he struck again in his extra shot. The Corner Drug team, with William's score, won by only 30 pins. In the second affair, they copped by five pins—and in the third game practically every player went haywire. Dr. Homer Hanscock, Corner captain, was off his usual form.

In the Blocker-Higginbotham set, to Wade (Clitrate) Christopher and Fred (Magnesia) Buchanan, as opposing players, suffered low scores. Too much pre-game action was blamed.

City Bowling League

Corner Drug	16	2	883
Whitsett Drug	8	7	523
Blocker's	7	11	383
Higginbotham	3	13	133

IN LUBBOCK
Mrs. Harvey Gardenhire and Mrs. Madelyn Morrison spent the week end in Lubbock at the home of Mrs. Gardenhire's brother.

They also attended the show "Gone With the Wind" Sunday.

THANKS
Our thanks to Clyde Edwards Rt. 2, Sterling W. Beardon Rt. 1, Jesse Barnes, city and Mrs. W. H. Ritzenthaler of Salsbury, Missouri, for their recent subscriptions to the Press.

SOCIETY

SEW AND CHATTER CLUB NEWS

The Sew and Chatter club met Thursday at the regular hour with Mrs. Loy Frazier acting as hostess for the afternoon.

Those enjoying the afternoon of sewing followed by refreshments of sandwiches, pickles, fudge muffins topped with whipped cream and coffee were: Meses. Jones, Conger, Treadway, Fritz, Line, Johnson, Huff Miles, Harris, Cheairs and the hostess.

The club will meet February 29 with Mrs. Calvin Fritz.

METHODIST W. M. S. MET MONDAY

An enjoyable program from the World Outlook was given Monday with W. M. S. members of the Methodist church met.

Mrs. Belle Knight was director for the program and Mrs. C. C. Coffee and Mrs. Namon Everett had topics.

In a business meeting plans for the zone meeting to be held here March 13 were discussed.

"Songs of Zion" is the title of the new study course book. Present were Mesdames Everett.

Stark, Carroll, Coffee, Koeninger, Knight, Gales, Moore, Jones, Curtis, Sherrill, Johnson and Ballew.

THE NAZARENE W. M. F. SOCIETY

The Nazarene W. M. F. Society met at Mrs. Jennings February 27. Devotional was conducted by the president reading the first division of the Psalms.

We had a work day cut and pieced on a quilt. 14 ladies were present, also several children.

Our next meeting is to be on Tuesday, March 12 at the Nazarene parsonage as we plan to be having our The hostess, assisted by Mrs. Jasie Gross served refreshments. church remodeling to be in progress at that time. Come visit with us.

IN LUBBOCK

Others seeing the picture "Gone With The Wind" in Lubbock were Mr. and Mrs. Marshall Whitsett, Mr. and Mrs. Harvie Jordan and Mrs. C. H. Cabool.

Mrs. W. L. Palmer, Mrs. W. A. Emerson, Mrs. Fay Westmoreland and Misses Thelma Palmer and Yvonne Westmoreland attended the show "Gone With The Wind" in Lubbock.

HARRY HINES

Harry Hines Tosses Hat Into Ring

Austin, February 21.—Tossing his hat into the ring with an announcement as a candidate for Governor of Texas, Harry Hines, member of the Texas Highway Commission for the past five years, last night raised the curtain on the 1940 gubernatorial contest.

Hines, announcing that he would later issue a platform and discuss every issue pertinent to the campaign in full detail, put himself on record on several burning issues.

He pledged himself: 1. Against the sales tax, which he termed a tax on poverty and opposed to his understanding of the meaning of Democracy.

2. In favor of fulfillment of the social security program, including payment of adequate old age pensions, and aid to dependent children, needy blind, the State's part of the teachers retirement program.

3. The raising of the additional money needed to pay these obligations by cooperative effort with the legislators, spreading the cost without "dealing a death blow to any one group."

Hines indicated he will be a conservative candidate, and declared he will not try to "out promise the promisers," and promised to be a "doer instead of a promiser."

Mrs. Joe Whigham and small daughter, Mary Jo, of Avoca were guests the fore part of the week of Mr. and Mrs. Harvie Jordan and other friends.

Bargains Galore In Our Sensational

New Legislation Extends Benefits Of FHA-Insured Mortgage Plan to Farms

Farmers may now use an insured mortgage to build or repair houses, barns, sheds, poultry houses, silos, put up windmills or other farm structures.

As much as 90% of appraised values can be loaned in some cases. Land may be either bought or refinanced on this plan when 15 per cent or more of the loan is used for materials and labor on the construction or repair of buildings... These loans are made by lending institutions, they are not government loans, but private capital insured by FHA.

The interest is 4 1/2 percent, payments can be made monthly, semi-annually or annually, in equal installments, depending upon the distribution of the farmer's income throughout the year.

At the discretion of the lender the loan may be paid over a period of 20 to 25 years.

This means that the responsible farmer can provide his family with a modern attractive home without waiting years to accumulate the cash—a tenant farmer can buy his own farm—and the farmer burdened with short-term high-interest mortgages can replace them, moderate his farm, and clear the debt completely in convenient payments.

For Appraisals and Applications, See or Write,

Alvin R. Allison
States Views On Truck Load Limit

Ed. Note—
Article below was written by State Representative Alvin R. Allison, who as candidate for Texas Senator, wants the people to know how he stands on the present truck load limit in Texas.
"It is my policy, always, to be guided by the wishes of the people, whom I represent. As State Representative and member of the House Committee on Highways and Motor Traffic, I received hundreds of letters beseeching me to vote for increase of the truck load limit in Texas.

I voted for such increase because a survey of opinion in my district prompted me to do so. And personally, I am of the opinion that truckers, especially those of small activity, have been discriminated against under the present limit. Of vital concern to me is the truth that under present load limits, individually owned farm trucks work under a hardship and disadvantage. Farmers and cattlemen, under the 7000 lb. limit, are forced to make a number of trips to deliver products. This adds to the cost of marketing and production; lowers the farmer's profits; and increases his labor cost. I am against such harmful discrimination to the backbone of West Texas—the farmer and the rancher.

SCHOOL TRUSTEES

School trustees from 25 West Texas counties, including Lynn, which comprise the West Texas Teachers' association, are urged to attend the second annual meeting of the trustees' section at Plainview Friday afternoon, March 8, 2 to 4 p. m. in the Junior High School building.

Frank P. Hill, Tahoka newspaper man and school board member, is chairman of the meeting. About 125 trustees attended last year's meeting, and even more are expected this year. Hill states:

Among those who will appear on the program are: Fred Sanders, Lamesa school board member; Walter L. Young, president, Witharrall board; E. Esten Day, deputy state superintendent; Dr. Harris M. Cook, professor in West Texas State College and member of Canyon school board. Following these four talks, the meeting will be open for discussion of school problems by the trustees.

Gas Gas All Time

Mrs. J. A. Fuller says: "Gas on my automobile was so bad, I couldn't get out of sleep. Gas even prevented relief. Now, I get as I wish. I sleep the better."

SOCIETY

TUESDAY CLUB MET WITH MRS. CAMPBELL

Mrs. Joe Whigham of Arcoa was an out of town guest at the Tuesday club this week when Mrs. Pauline Campbell was hostess.

In contrast games Mrs. Whigham won high and guest prizes and with Mrs. Bradley also won slam game. A salad course was served at the conclusion of games.

Present were Mesdames Bradley, Hafer, Hughes, Henderson, Forky, Jordan, Noble, Whitsett, Cabool, Thompson, Whigham and Miss Thelma Palmer.

Mrs. C. L. Hafer will entertain with a one o'clock luncheon at her home on East Eighth Street next Tuesday.

ACE HI CLUB MET WEDNESDAY

In her home on East Seventh St. Mrs. Grant Winston was hostess to Ace-Hi club members and guests.

Mrs. Homer Harbarger won high score prize and Mrs. Floyd Thompson won second high and bingo.

A delicious refreshment plate was served at the conclusion of games. Present were Mesdames, Gardenhire, Harbarger, Howard, Oates, Thompson, Cathy, Gibson and E. L. Sturges of Brownfield.

Mrs. Gardenhire will be hostess next week.

BAPTIST W. M. U. HAD BUSINESS MEET

For a business meeting, members of the Baptist W. M. U. met Monday at the church.

Mrs. J. A. Edwards presided during the meeting when plans were made for an all day "Home Mission" program at the church Monday

March 4th.

Present were Mesdames Edwards, Lunsford, Debonport, Yandell, Lambert, Emerson, Goddard.

HAD TONSILECTOMY

Cynthia Rae Forgy, two year old daughter of Mr. and Mrs. William G. is recovering from a tonsilectomy in a Lubbock hospital Saturday February 24.

LANDSCAPE BEAUTIFIED

More than 181,000 shrubs and trees were planted by Texas home demonstration club women and 4-H club girls during 1939 in an effort to beautify rural landscapes. At least a third of the shrubs are native to the Lone Star State.

A report of Sadie Hatfield, specialist in landscape gardening for the A. and M. College Extension Service reveals that 107,991 shrubs planted by these two groups are still living. A total of 73,162 shrubs were planted and cared for by the women and 34,829 by the girls.

Plantings during 1939 show a decided increase over 1938 when 72,472 native and nursery shrubs were planted by the specialist points out. However, native and nursery shrubs weren't all Texas rural women and girls planted by any means. There were more than 100,000 plants grown from seed or rooted from cuttings and there were more than 44,000 trees planted to give shade, provide background for the home, or to serve as a windbreak.

Roses, too, came in for their share of attention, for nearly 40,000 were

planted in Texas and are reported to be living still. Sodding lawns and planning yards for members and non-club members were also included in the landscaping activities of people cooperating with the Texas Extension Service.

The outdoor living room is becoming a familiar term and a familiar sight in Texas rural communities, and nearly a thousand of these living rooms or recreation areas made life more enjoyable for rural families in 1939. Hundreds of pieces of recreational equipment were made for use in Texas homes.

To obtain these improvements nearly \$20,000 was spent in 1939, Miss Hatfield says.

CANYON STUDENTS EXCEL IN MEDICINE

Canyon, Feb. 27—Evidence of the high quality of pre-medical training offered at West Texas State College has been pointed out by President J. A. Hill in the report of the Association of American Medical Colleges.

In a study of first year students at Texas Medical colleges over a 9-year period, the Association statistics found that West Texas State ranked fourth for the percentage of its students making good in medicine, with no course failures. The local state college was exceeded only by Rice Institute, the University of Texas and Texas College of Mines at El Paso.

Graduates of West Texas State ranked higher, however, than University of Texas graduates who enrolled in some medical school other than the U. of T. branch.

The report, published at Chicago, was issued to give colleges a comparison of the students who enter medical schools. Pre-medical work has been stressed at West Texas State for several years under the direction of Dr. C. A. Pe'le, head of the department of chemistry. Aptitude tests for those hoping to enter the profession of medicine are given here each year.

Similar work is being offered as a preparation for law, engineering, journalism, public service, and other professions. Several students have prepared for the ministry.
