Local Schools To Adopt Many Changes For Fall Curriculum Update

Emphasis Is Placed

Superintendent of Schools, H. John Fuller, believes that the new state mandated curriculum will have a significant impact on the schools in Muleshoe. The following is a summary of the new law that resulted from the passage of House Bill 246 (now Chapter 75 Section 21.101 of the Texas Education Code).

House Bill 246 will revise and upgrade the curriculum in all Texas Public Schools. The new law repeals all former laws (such as teaching the protection of young birds, career education, etc.) requiring the courses to be taught. The new law establishes twelve subject areas which constitute a well-balanced curriculum. The law also delineates the minimum essential elements (concepts) maintaining accreditation.

The following implementation schedule must be met by all school districts.

During the 1984-85 school year, all provisions of the bill regarding time allocations shall be implemented fully at the elementary level. All provisions regarding the essential elements shall commence implementations during the 1984-85 school year and be fully implemented beginning with the 1985-86 school year to grades kindergarten - six.

All provisions of a well-balanced curriculum at the secondary level and graduation requirements will be fully implemented in the 1985-86 school year. Students who enter the ninth grade in 1984-85 must meet the graduation requirements of HB 246.

All of the essential elements for grades seven through twelve will be implemented fully beginning with the 1985-86 school year.

Each school district is required to offer a well-balanced curriculum which includes English language arts, other languages (to the extent possible), mathematics, science, health, physical education, fine arts (including art, music, and theater arts), social studies, economics (with an emphasis on the free enterprise system and its benefits), business education, vocational education, and Texas and U.S. history as individual subjects and in reading courses. Computer Literacy is also a requirement in the new curriculum law.

The essential elements which are established as a minimum for instruction may be added to, but the law states, "schools shall not delete or omit instruction in the essential elements required by the State Board of Education."

School districts are allowed to modify the essential elements to meet the needs of special populations including students involved in bilingual education and other special language programs, gifted and talented programs, compensatory education programs, special education and migrant education programs. The modifications must be made in accordance with the law and must still ensure that the special populations are provided with a well-balanced curriculum involving instruction in the essential elements in a manner appropriate to the needs of the student.

The State Board of Education established a system for review, evaluation, and modification of the essential elements every five years starting during the 1990-1991 school year. Modification of the essential elements will be made based upon evaluative data provided to the State Board by the Commissioners of Education, who shall secure the data from the school districts of Texas.

It is the responsibility of each district to provide a well-balanced curriculum to all of the students enrolled. In order for this to happen, local school boards are required to adopt and establish policies which give direction to the total instructional program and which delineate procedures for evaluating the effectiveness of the instructional program. School districts are also required to provide and ensure adequate planning and preparation time for teachers to prepare for effective instruction.

The requirements of the new law are summarized by grade levels below:

Kindergarten Level - Use of Instructional Time;
Daily no less than 40 percent for English language arts.
No less than 20 percent for mathematics.
Daily physical education instruction.
Weekly attention given to instruction in fine arts, health science, and social studies.
Grades One - Three - Use of Instructional Time;
Daily no less than 120 minutes for English language.

Christian School Has Award Dinner

The third annual awards banquet for the New Covenant Christian Academy was held at the Civic Center on Monday, May 21. Guest speakers for the evening were Don and Faith Dunlap of Roswell.

This year, the theme of the banquet was taken from Phillipians 2:15-16 "You shine like stars in the universe as you hold out the word of life." Decorations centered around the theme of the universe. Colored lights spotlighted glitter-covered balls hung from the ceiling representing the solar system.

The buffet style meal was served on tables covered with black paper, highlighted with colored stars and white candles.

Carolyn Wiseman presented music students, and the NCCA choir sang several selections at the banquet. Mrs. Wiseman gave special certificates to those students who participated in music competition during the year.

Carolyn Smyer presented ribbons to the girls who participated in sports this year. The NCCA girls' tennis team won a trophy for tennis and the girls' track team won a third place trophy in the High Plains Christian Athletic Association this year. Mike Stockard also presented ribbons to the boys who participated in sports.

Honor roll certificates were given out by Teresa Stockard. "A" honor roll (95-100) students were Walter I. Dackey, Justin Bradley, Anthony Handy, Craig Smyer, Dusty Stock-

ard, Misty Stockard, Jerry Jaquess, Johnny Jaquess, and Joanna Jaquess.

Those students who made the "B" honor roll (90-94) were David Ballard, Jack Bradley, Sharon Bradley, James Campbell, Tracy Hatla, Brad Helton, Carolyn Con't Page 8, Col. 5

Soil Stewardship Week Theme Is: 'Commitment'

Blackwater Valley Soil and Water Conservation District will join the nationwide celebration of Soil Stewardship Week to take place on May 27-June 3, 1984, according to an announcement by James Wedel.

Theme of this year's celebration is "Conservation: A Common Commitment." The National Association of Conservation Districts (NADC) has sponsored Soil Stewardship Week since 1955, in cooperation with the nation's nearly 3,000 Soil and water conservation districts.

The thirtieth annual reference booklet published by NADC cites the reluctance of the human race to fully accept its primary role as caretaker of God's earth.

"We are prepared to eat the fruit but the task of dressing the garden is left to the few among us who sincerely care about the perpetuation of the forests, the preservation of the rivers that water the garden and the renewing of the topsoil from which the plants gather their nutrients," according to Wedel.

Materials especially designed to promote the Soil Stewardship Week theme are distributed each year through local conservation districts to churches participating in the observance, concluded Wedel.

Congressional Candidate Here On Wednesday

Republican Ron Fleming, who will face Larry Combest for the right to represent the Republican Party on the general election ballot for U.S. Representative, District 19, was in Muleshoe Wednesday afternoon.

Fleming, who says he is the better qualified candidate to replace Kent Hance in Washington, said he firmly advocates two major changes in the way government is handled.

He says that first of all, taxes should be 10 percent, across the board, for everybody. He believes this method would go a long way in balancing the budget.

Secondly, Fleming says all elected officials in the U.S. government should be limited in the number of years they serve in Washington. An outspoken advocate against 'professional politicians', Fleming said he believed that no one should be elected to more than eight to 12 years total for any office.

A certified public accountant, Fleming said economics and taxes are the key issues in the campaign, and any one seeking the

Durr Survivors Are Recovering From Accident

According to reports from the family of Laverne (Carpenter) Durr, and her five year old daughter, Heather, the two are beginning the long road to recovery from an accident last Friday night near Odessa.

Killed in the accident were Mrs. Durr's husband, Wesley, and two Durr children, Erica Durr, age three and Cody Durr, age three weeks. Funeral services for the Durrs were conducted Friday afternoon at Canyon.

Both Mrs. Durr and her daughter underwent further surgery at the Odessa hospital on Wednesday, and both came through with 'flying colors,' according to her mother, Betty Carpenter.

They are expected to spend the next several weeks hospitalized at

DOUBLE FATAL RECORDED FROM THURSDAY ACCIDENT--Sheriff Bob Henderson, left, and Deputy Sheriff Jerry Hicks picked up tools, clothing and debris from the scene of a pickup rollover on FM298 at the New Mexico state line that claimed the life of two victims at the accident site, and hospitalized nine other persons, all believed to be from the Portales area. At least two of the injured were reported to be in critical condition at presstime.

County Wreck Kills Two; Nine Victims Hospitalized

A pickup truck, carrying 11 Portales residents overturned just inside the Texas line on FM298 Thursday.

Around 10 a.m. Thursday, the east bound pickup went out of control on NM235 near the stateline, veered into the stateline, overturning just inside the Texas state line, according to officials.

Although the accident occurred at 10 a.m. it was not reported until Thursday afternoon to the sheriff's office in Muleshoe. Bailey County Sheriff's secretary, Jan Pierce, received the first call of the accident at 1:54 p.m. Sheriff Bob Henderson and Deputy Jerry Hicks went to the accident site when they were notified.

New Mexico State Police in Portales had been notified of the accident after the victims all arrived at the Roosevelt General Hospital in Portales and Deputy Medical Examiner of Portales pronounced 19 year old Concepcion Saenz and Miguel Coronado, nine, dead of massive head injuries.

Receiving unclear directions to the accident, which was at the state line west of Stegall, between Stegall and Rogers, N.M., NM State Police officer Jerry Varnell was delayed in finding the accident, until a passerby told him of the overturned pickup at the state line.

Officer Varnell drove to

immediately killing two of the passengers of the pickup, and leaving nine others hospitalized at presstime.

around 10 a.m. Thursday, the east bound pickup went out of control on NM235 near the stateline, veered into the stateline, overturning just inside the Texas state line, according to officials.

Although the accident occurred at 10 a.m. it was not reported until Thursday afternoon to the sheriff's office in Muleshoe. Bailey County Sheriff's secretary, Jan Pierce, received the first call of the accident at 1:54 p.m. Sheriff Bob Henderson and Deputy Jerry Hicks went to the accident site when they were notified.

New Mexico State Police in Portales had been notified of the accident after the victims all arrived at the Roosevelt General Hospital in Portales and Deputy Medical Examiner of Portales pronounced 19 year old Concepcion Saenz and Miguel Coronado, nine, dead of massive head injuries.

Receiving unclear directions to the accident, which was at the state line west of Stegall, between Stegall and Rogers, N.M., NM State Police officer Jerry Varnell was delayed in finding the accident, until a passerby told him of the overturned pickup at the state line.

Officer Varnell drove to

the accident site, and determined that although the vehicle went out of control in New Mexico, it did not overturn and become an accident until it was inside Texas. He notified the Bailey County Sheriff's office at that time.

DPS Trooper Bob Heckerman of Littlefield was called to the accident, and later drove to Portales to talk to survivors in the hospital there. The DPS trooper said both Saenz and his wife said Saenz had veered off the Highway to the left as he approached the state line, overcorrected and hit his brakes after coming onto gravel on the Texas side of the line. After braking, the pickup went into a sideways skid on the gravel and overturned one and one half times, coming to a rest on its top in the edge of a wheat field.

One person from the accident walked to a farm house, approximately one-half mile from the site, and finding no one at home, drove a pickup owned by the

Fiddler Contest Will Highlight Celebration

An amateur fiddler's contest will be held in conjunction with the Sudan Pioneer Independence Celebration on Saturday, June 30, in the Sudan Community Center on the city square, according to Carl L. Burnett and Alton Wimberley.

Scheduled from 12 noon until 2 p.m., there will be no age limit for entry and contestants will play one "Breakdown" plus one waltz or tune of the fiddler's choice.

First through fourth place prize money will be awarded and the three Sudan area judges will be determining the time, clarity of tune, and good presentation. Each contestant will appear on the stage just one time, and there will be no playoff.

There will be no entry fee and no professionals will be allowed to enter this amateur contest, explained the co-chairman of the event.

Entries will be accepted up to 10 a.m. on June 30. Send entries to Sudan Pioneer Independence Day Committee, 412 Austin, Sudan, TX. 79371, or call Carl Burnett, 227-2153 or Alton Wimberley, 997-2108.

Around Muleshoe

Youth of Calvary Baptist Church will hold a garage sale and bake sale on Saturday, June 2, 9 a.m. - 5 p.m. at 309 West 9th St.

W.J. Lancaster reported that his brother, Fred Lancaster, died on May 20, at Oakland, Ore. where he had made his home for a number of years.

Darlene Powell, formerly of Clovis, and wife of Brian Powell, was listed on the Dean's Honor Roll at Texas Tech University for the spring semester.

A mass communications major, she is a senior at Texas Tech and had a 3.8 grade point average.

Jack Reeves from Maple was graduated from South Plains College during SPC's commencement ceremonies May 11. He received an associate in applied science degree in agriculture technology.

Another SPC graduate was Benjamin Delarosa of Enochs. He received an associate of arts degree in business administration.

From Lazbuddie, another graduate, Terry Jesko received an associate in applied science degree in agriculture technology.

Eight students from Muleshoe were among SPC graduates. They included Yolanda Hernandez, associate in applied science degree in accounting; Cindy Turner, associate of science degree in business administration; Charles Wales, associate in applied science degree in computer information systems and Mary Williams, certificate of proficiency in vocational nursing.

Also, Tammy Buckner, associate in applied science degree in computer information systems; Susan Free,

Rotary And Lions Face Challenge

On June 23 at 8 p.m., in the Muleshoe Junior High gym, the Muleshoe Lions Club and the Muleshoe Rotary Club will "meet for the battle of the fit-in a basketball game we will never forget."

The contest of wits and skill has already begun. The Lions Club has already spotted Rotary Club 10 points, according to a Lions Club member.

A challenge has been made by the Rotary Club. The losing team will make a \$50 donation to the Chamber of Commerce and Agriculture in the name of the winning team.

In a further effort to continue the earnest involvement of both teams, another challenge has come ringing forth. The team which has the largest percent of their club to participate in the game will be honored by the opposing team, in the form of a \$50 donation to the CoC in the winning team's name.

Tickets have gone on sale from members of the Muleshoe Chamber of Commerce and Agriculture or at the CoC office. They are priced at \$2 each or three for \$5. Your ticket to the game also gives you an opportunity to win an RCA disk player from Gordon Wilson Appliance.

A summons has been delivered to a well known Muleshoe resident. Jess Winn has made a challenge to Frank Ellis. Jess will show up on court in his shorts, if Frank will concede and make his bold appearance in his shorts.

All proceeds go to benefit the Muleshoe Chamber of Commerce and Agriculture.

Join the fun -- bring the entire family and be prepared for an evening of fun and entertainment.

Co-Ed Tourney Slated Here Next Weekend

Women's Softball League of Muleshoe will sponsor a Co-Ed Tournament on the weekend of June 2-3. Each team will need to furnish two playable Blue Dot balls and entry is \$75 per team.

Trophies will be awarded the first and second place teams with individual trophies for the first second and third place individual players.

Deadline for entry will be Wednesday, May 30. For additional information call Evelyn Pope at (806) 272-4023 after 6 p.m. or mail entries to Evelyn Pope, 301 East Elm, Muleshoe, TX. 79347.

HERB GRIFFITHS GREETING CANDIDATE--Herbert Griffiths welcomed Republican Congressional Candidate Ron Fleming, of Lubbock, to Muleshoe Wednesday afternoon. Fleming spoke briefly on his candidacy for the 19th Congressional District Representative seat being vacated by Kent Hance.

PASTEL WINNERS--Winners in the Pastel Division of the Art Show recently were: Barbara Burk, Gary Ward and Merle Doose. The Art Show was sponsored by the Muleshoe Art Association.

Buy Texas

Grown Produce

The "fresh approach" is the in-thing again this year. Fresh vegetables are plentiful in Texas now, so make sure you get your share. "Ask for fruits and vegetables grown in Texas," suggests Tom Longbrake, horticulturist with the Texas Agricultural Extension Service, Texas

A&M University System. "You'll be supporting Texans who earn their livelihood from growing your groceries." Texas supplies broccoli, cabbage, carrots, spinach, lettuce and potatoes in early spring followed by cantaloupes, cucumbers, honeydews, squash, peppers, and tomatoes. Blackberries, plums and early peaches will be available in late May and June, along with watermelons, blackeyed peas and

okra. "Buying vegetables direct from growers at 'you-pick' operations and roadside markets is increasing in Texas," notes Longbrake. "Cost savings can be passed on to consumers by farm markets who sell locally grown produce through reduced costs in transportation, packaging and refrigeration." Tomatoes are the most popular vegetable bought at roadside markets followed by watermelons, peaches, blackeyed peas, okra, squash, new potatoes and green beans, says the horticulturist. "If you're in the cost-cut-

ting mood, consider buying fresh produce by the bushel for canning or freezing at home," suggests Longbrake. So, "get fresh" with Texas produce. Local radio and newspaper ads can tell you where fresh produce is available.

Because the air at the end of the day is generally dustier than it is at the beginning of the day, the setting sun usually appears redder than the rising sun.

WATERCOLOR WINNERS--Winners in the Watercolor Division of the Art Show recently sponsored by the Muleshoe Art Association were: Cara Juan Schuster, first; Kathy Embry, second and Debbie Rogers (not pictured) third.

The Journal has been authorized to announce the following candidates for public office:

Home Improvement: Should You Do-It-Yourself

As summer approaches, thousands of do-it yourselfers will grab their tool boxes and start attacking long lists of home repair and improvement projects. If you're one of them, it could be worthwhile to take a second look at your list and consider the true costs of each job, says housing specialist Dr. Jane Berry.

"Many dedicated do-it-yourselfers will tackle any project without hesitation, regardless of its complexity or the time involved. Yet sometimes a particular job might better be left to a professional," says Berry, a home economist with the Texas A&M University Agricultural Extension Service.

For example, if you plan to purchase carpeting that costs \$15 a yard installed or \$13 a yard of the roll, the carpeting will account for 86% of the total expense. That means only 14% is saved by doing the job yourself. In addition, laying carpet requires renting or buying special tools, and a small mistake could ruin the entire job.

So where materials count for the majority of the expense, and your own skills are questionable, it's often better to use the services of a professional, says Berry. But labor-intensive repair

and improvements are another matter, notes the specialist. Finishing an already framed-in attic area, for example, requires relatively inexpensive gypsum board (sheet-rock) and only a few special tools. It is also simple and inexpensive to correct any mistakes. Generally, sheet-rock accounts for 20% of the cost of the job, so the do-it-yourselfer can save about 80% over what a contractor might charge for drywall installation and finishing.

Even for labor-intensive projects, not all do-it-yourself jobs will result in saving money, she says, since the cost of materials is often increased due to overestimating the amount needed and waste.

The value of your time is another cost to be considered, says Berry. It can take the amateur 50-100% longer to do a job than it would take a professional.

As you gain confidence, also be careful about attempting jobs beyond your skill level, which can result in accidents, injuries or "botched" jobs that can cost even more to repair, she cautions.

With money, time and quality of the finished product at stake, it pays to consider the pros and cons before starting each do-it-yourself project.

PURCHASE AWARD---(L-R) Debbe Brooks, Gary Ward and Marie Tidwell, all received the Purchase Awards at the Art Association's Annual Spring Show. Ms. Brooks received the Muleshoe State Bank Purchase Award. First National Bank Purchase Award went to Ward and the Farm Bureau Purchase Award went to Ms. Tidwell.

SUDAN YOUTH WINS SPC HONORS---Gary Fields of Sudan was among about 100 students recently honored during the South Plains College departmental awards ceremonies in Texas Dome. Fields, sophomore animal science major, was honored for outstanding achievement in livestock judging and also was named to Who's Who in the Rodeo Club. A 1982 graduate of Sudan High he is the son of Mr. and Mrs. Louis Fields of Sudan.

Ruth Sunday School Class Social Held

Members of the Ruth Sunday School Class of the Sudan First Baptist Church met Monday night for their May social in the home of Mary Hanna with Frances Gardner as co-hosts.

Winona Dudgeon gave the invocation with a salad supper following. A devotional on "Love" reading from John 15, was given by Frances Gardner.

Plans were made for the May birthday party at the Amherst Manor. Tentative plans were made for a luncheon to be held some Sunday during September, honoring other church members.

Others attending included: Elsie Seymore, Zetha Young, Mutt Hanna, Norma Poe, Pat Cummings, Gwen West, Libby Mudgett, Jean Harvey, Edna Seymore, Mary Harper, Evelyn Ritchie, a guest and former class member, Dottie LaGrone and the hostesses.

Mercury is the only metal that is liquid at room temperature.

Sudan Track News

Mr. and Mrs. Ray Joseph of Windsor, Calif. arrived Monday to visit her sister, Mrs. Estelle Lowe and granddaughter, Mr. and Mrs. John Williams.

Carla Meisner and children of Lubbock attended church services Sunday morning at the FBC with her mother, Mrs. Rene Cole.

Becky Byerley, Shanda Vernon, Lisa Wood, Sheila Summer are among college students who were home during the weekend. Joseph Kessler is also home for a few days.

Mrs. Francine Bowling and son of Okla. City spent the Mother's Day holiday with her parents, Mr. and Mrs. Kenneth Noles and also Mr. and Mrs. Marvin Bowling.

Lynn Perry of Lubbock was a Mother's Day guest at the FBC with her mother, Mrs. Esther Meeks.

Grain Sorghum

Through Crop Physiology Management (CPM)™, Burst Yield Booster can help your grain sorghum more nearly reach its genetic yield potential.

Grain sorghum response to CPM includes improved root growth, increased plant vigor, more efficient head development, increased tolerance to stress, and increased grain yield.

In 1983 tests by users of Burst Yield Booster, an average increase of 710 pounds per acre was reported — an increase of 20 percent!

Your Burst-trained CPM Technician can provide you with all the information you need to apply Burst properly and at the right

growth stage, so contact your Burst Authorized Distributor. Do it today! Remember, it's *your* yield to gain!

Sunflowers

Seedtec..

Attention Sunflower Growers
 Why Not Plant The Best?

In 1983 Tests At Clovis:*

Under irrigation, SeedTec Hybrid Sunflowers ranked number 1, 2, 3, 4 and 5 out of 15 hybrids tested in both yield per acre and pounds of oil per acre.

Under dryland conditions, SeedTec ranked number 1, 2, and 3 in both yield per acre and pounds of oil per acre.

SeedTec Hybrids ranked number 1 and 2 in yield on average for both irrigated and dryland.

At Tucumcari* in 1983, SeedTec ranked number 1 for yield and oil in dryland and number 1 average yield for both dryland and limited irrigation.

On average under four environments; full irrigation, limited irrigation and dryland at Clovis and Tucumcari, SeedTec Hybrids ranked number 1, 2 and 3 in yield per acre and number 1, 2, 3 and 4 in pounds of oil per acre.

*New Mexico has the most extensive Sunflower data available for this area. Complete reports available on request.

Twenty-Two GA Girls

Receive Adventure Badges

Twenty-two girls from the First Baptist Church received their "GA Adventure Badges" during morning worship services on Sunday, May 20. These girls are members of Girls in Action Mission group.

Work for Mission Adventure Badges consist of reading mission stories, memorizing certain scripture verses, doing mission actions for others and regular attendance to their GA group.

Leaders of the younger GA group (grades 1-3) are Wanda Wiley and Delores Scott. Receiving Badge 1 were Angela Crawford, daughter of Mr. and Mrs. Jim Crawford; Barbie Stout, daughter of Mr. and Mrs. Paul Stout; Lacey Neptune, daughter of Mr. and Mrs. Steve Neptune; April Sawyer, daughter of Mr. and Mrs. Lehmon Jacobs.

Receiving Badge 2 were: Amy McManis, daughter of Jane Ponder and Kenneth McManis; Courtney Tanksley, daughter of Mr. and Mrs. Spencer Tanksley. Not present was Stacey Duncan, daughter of Mr. and Mrs. Sid Duncan.

Those receiving Badge 3

Kasey Humphreys

Celebrates

Second Birthday

Kasey Rae Humphreys, daughter of Mr. and Mrs. Kevin Humphreys, was honored recently on her second birthday with a family get together.

A "Care Bear" theme was carried out with a Care Bear cake and punch being served to the guests.

Attending were her grandparents, Mr. and Mrs. John Humphreys of Amherst, Mr. and Mrs. Pete Phillips and Bobby and Pam Humphreys and Mindy all of Sudan. Also her parents and brother, Kris.

were: Stacie Harris, daughter of Mr. and Mrs. Rex Harris; April Hugg, daughter of Mr. and Mrs. Gary Hugg; Natalie Stout, daughter of Mr. and Mrs. Paul Stout; Summer Wiley, daughter of Mr. and Mrs. Kent Wiley; and Lori Williams, daughter of Mr. and Mrs. Windy Williams.

Leaders of the older GA group (grades 4-6) are Karen Harris and Marsella Jennings. Receiving Badge 4 were: Tiffany Angeley, daughter of Mr. and Mrs. R.D. Angeley; Burnley Riley, daughter of Allison Riley and Joe Riley; Jennifer McManis, daughter of Jane Ponder and Kenneth McManis; and Misty Sawyer, daughter of Mr. and Mrs. Lehmon Jacobs.

Also receiving Badge 4 but not present were: Monica Swint, daughter of Kay Wales and Ronnie Swint; Michelle Sisemore, daughter of Beverly and Tommy Sisemore; and Shanice Goff, daughter of Mr. and Mrs. Cliff Goff.

Receiving Badge 6 was Michelle Finney, daughter of Mr. and Mrs. Bob Finney. Receiving Badges 6,4, and 3 was Kimberly Harris, daughter of Mr. and Mrs. Rex Harris. Receiving Badges 6,4, and 3, 2, and 1 was Mia Jennings, daughter of Mr. and Mrs. Hoppy Jennings.

Kimberly and Mia have completed all 6 levels of Mission Adventures and were presented a Mission Adventure pin by their mothers.

Kimberly, Mia, and Michelle were presented Acteens Members Hand book by the present Acteens Queen, Janna Wuerlein, to welcome them into the Acteens group (Grades 7-12).

Maybe So
Many of the world's difficulties today seem to be due to too many retail minds trying to deal with wholesale problems.

YOUNGER GA GROUP---(L-R) front row: Lacey Neptune, Barbie Stout, Angela Crawford, April Sawyer, Amy McManis; middle row, Wanda Wiley (leader), Natalie Stout, Stacie Harris, Summer Wiley, Courtney Tanksley, Dolores Scott (leader) back row, April Hugg and Lori Williams.

Todd Young Receives Arrow Of Light Award

Cub Scout Troop 620 met Tuesday night at 7 p.m. at the Bailey County Civic Center. The opening was given by Den 9.

Scout Master, Jim Lutz, presented the following awards: Wolf Badge, David Settano, Scott Minamontes, Chad Freeman, Ryan Wilson and Randy Singletery; Gold Arrow Point, Chad Freeman, Randy Singletery, Thomas Watson, David Serrano, and Ryan Wilson.

And Silver Arrow Point, Chad Freeman, two arrows; Neal Watson, one arrow; Thomas Watson, four arrows; David Serrano, four arrows; and Charlie Villarreal, three arrows.

Those receiving Spring Camporee patches from Camp Bull Lake were: Chad Freeman, Thomas Watson, Charlie Villarreal, David Lutz, and Jason Ziegenfuss.

Johnny Ziegenfuss gave the Webelos awards. Todd Young received a two year pin, Webelos Activity Badges, Sportsman, Athlete, Travelers, Engineer and a Spring Camporee Badge from Camp Bull Lake.

Todd was also presented the Arrow of Light Award. This is the highest rank in the Cub Scout program. Earning this award took a lot of effort, determination and strength of character. Some of the things he did to earn this rank was demonstrating a knowledge of emergency first aid, memorizing the oath or promise and the Scout law.

Todd earned his Webelos Badge and four more activity badges including the citizen, athlete, sportsman, traveler, engineer, outdoorsman and artist. He did especially well on the athlete activity, participating in a

variety of sports. For his traveling activity, Todd did all the planning for a family ski vacation. He also built a catapult for his engineer activity.

Judy Watson was presented a Den Leader Training Award and a Den Leader Coach Award.

Joe Moser gave a report on the District Field Day and Swim Meet scheduled for June 30 in Sundown at 9 p.m.

It was reported that the Lad-Dad Campout at Camp Post will be held on June 15 and 16.

The closing was presented by Den 9.

OLDER GA GROUP---Front row (L-R) Marsella Jennings (leader), Tiffany Angeley, Burnley Riley, Jennifer McManis, Misty Sawyer, Karen Harris (leader), back row, Michelle Finney, Kimberly Harris and Mia Jennings.

Q's Vs A's
Anyone who thinks he knows all the answers isn't up to date on the questions.

Right?
If a man gives in when he is wrong, he is wise. If he gives in when he is right, he is married.

Selecting Low Salt Cheese

When it comes to salt, not all cheeses are created equal. So careful selection from among the many natural and "low-sodium" cheeses on the market is needed if you want to reduce your salt intake, says Texas A&M Agricultural Extension Service nutritionist Dr. Alice Hunt.

Salt has an important part in producing the distinctive flavors of many varieties of cheese, she explains. It may be added to curds during mixing, as it is with some soft cheeses, or it may be sprayed, sprinkled or rubbed on the rind of a cheese as it ages.

But not all natural cheeses are equally salty, says Hunt. For example, one ounce of swiss contains 74 milligrams of sodium while one ounce of edam has 274 milligrams. Cheeses produced in different dairies may also vary significantly in sodium content.

It's possible to moderate your salt intake by selecting those cheeses naturally lower in sodium, suggests the nutritionist. A switch from creamed cottage cheese to ricotta, for example, or from edam to gruyere or swiss will save 100 milligrams or more of sodium per ounce. Dry curd cottage cheese and uncreamed farmer or pot cheese should also be low in sodium since the salt is usually added in the creaming mixture, she adds.

Some natural cheeses are available in no-salt versions. But they will still contain small amounts of sodium, since that mineral is found in milk, says Hunt. Gouda,

swiss cheddar, colby and a few other varieties made without salt generally have a sodium content of fewer than 10 mgs. per ounce.

A number of "low-sodium" and "reduced-sodium" cheeses are also on the market, she says. But because of natural cheeses have different sodium levels to begin with, the variation in reduced sodium levels can be large. That's why it's helpful to read and compare the nutrition labels, cautions Hunt.

One market survey found that the sodium content of low-sodium products ranged from less than 10 mgs. per ounce to 200 mgs. per ounce.

Processed American cheese products are also sold at two levels of sodium reduction: 90 mgs. and 200 mgs. an ounce. However,

the regular process cheeses, cheese foods and cheese spreads are high in sodium. So even when the salt is

reduced, they will still contain more sodium than many natural cheeses, notes the nutritionist.

"Burst made a believer out of me!"

High Plains cotton growers are discovering that Burst[®] Yield Booster[™] greatly increases cotton yields! First tests of Burst in this area, conducted in 1983, were impressive — just ask Dennis Cowen!

"On one field, Burst increased my lint production by 135 pounds per acre and seed production by 327 pounds per acre. That amounted to an overall increase in money of \$100 per acre where I treated with Burst! The cotton I treated was planted June 12th, and I wasn't really expecting to make half a bale out of it. But it ended up making a bale where I treated it with Burst. I plan on putting Burst on all of my crops this year."

An exciting product of biotechnology, Burst helps crops achieve more of their genetic yield potential. Cotton responds to Burst with increased root growth, improved vigor, more fruiting branch development, earlier and greater boll set and increased stress tolerance.

—Dennis Cowen
Amherst, TX

Your Burst Authorized Distributor is fully trained in the use of Burst Yield Booster, and is ready to help you get better cotton yields this season!

HAPPY BIRTHDAY—Residents of the Muleshoe Nursing Home celebrating birthdays during the month of May included: Clara Rickert, who was born May 16, 1898; Annie Dunn, born May 25, 1892; and Lowry Lewis, born May 25, 1900. They were honored with a party Thursday afternoon, hosted by the Needmore Community Club. Opal Robinson provided the music and Decorators Floral and Gift provided flowers.

SENIOR CITIZENS OLYMPICS—Ora Roberts, Cleo Bellar, Daniel Gage and Lois Ethridge, all residents of the Muleshoe Nursing Home, brought home several ribbons from the Friona Senior Citizens Olympics at Prairie Acres Nursing Home Saturday, May 19. Ora brought home a third place win in Bean Bag Throw and a third in Horse Shoes; Cleo received a first in Horse Shoe Pitch, second in Bean Bag and third in Balloon Burst; Gage received a second place ribbon in Balloon Burst; Lois received a first place ribbon in Balloon Burst and second in Horse Shoe Pitch. Everyone received a ribbon for participating.

KENW Tele/Auction Starts Monday Evening

More than 700 items worth over \$70,000 will be sold to the highest bidders during the KENW's annual Tele/auction. The auction begins Monday, May 28th, and runs through Saturday, June 2. The action begins each weekday evening at 6:30 p.m. and on Saturday at 1 p.m.

Once again area artists have donated some of their best work to the Tele/auction. Over 100 pieces of art, including paintings, pottery, photography and leather work will be sold.

Viewers can see a preview on Channel 3 of the Tele/auction art Sunday, May 27 at 2 p.m. Hosts for the preview are LaWanda Calton and Sheryl Borden, both of Portales, and Charlotte McMurry of Clovis. The Broadcast Center on the ENMU campus will be open at 3 p.m. on Sunday for viewing of the art. La Escalera Art Guild of Portales will be hosts to visitors and contributing artists.

A wide variety of items

Quite An Idea

"I'm all out of sorts. The doctor said the only way to cure my rheumatism was to keep away from all dampness."

"What's so tough about that?"

"You don't know how silly it makes me feel to sit in an empty bath and go over myself with a vacuum cleaner."

Proof of the Allment

A Chinese was telephoning a dentist to make an appointment to have a tooth pulled.

"Sir, what time you fixee tooth fo' me?"

"Two-thirty all right?"

asked the dentist.

"Yes, tooth hurtee all right but what time you fixee?"

LITTLE BROWN JUG—Back row (L-R) Regan McElroy, Lachelle Morris, Sarah Reynolds, Carolyn Schuster and Sarah Templeton; Front row, Heather Hooten, Heather Engelking and Melissa Mata all participated in the "Little Brown Jug" at the Muleshoe School of Dance and Gymnastics First Annual Spring Dance Recital held recently at the high school.

Out To Lunch Bunch

The Out To Lunch Bunch met at the City Park on Tuesday, May 22 for their weekly luncheon.

Those attending were: Donna Noriega, Pat Mudford, Kathy Mudford, Rhonda Hugg and Aimee and Josh, Mark McGuire, Deanna Rasco, Bryan and Jason, Karen Wooten, Missy Gabbert, Tyson Moncrief, Milissa and Michael Thompson, and Kathy Ward.

The next luncheon will be held at Summit Savings and Loan.

Bearcat 15 scans the information you need including aircraft... even when you need to be on the road.

Sometimes the most important information you need is on the air while you're on the road. So whether you normally monitor communications at home or at work, it's often just as important to be able to monitor from your vehicle.

The Bearcat 15 has all the mobile performance you'll probably ever need—and more. Including up to 10 crystal-controlled channels in any combination, on up to seven bands. Even the VHF-AM aircraft and UHF "T" bands. Bearcat 15 also features rugged metal cabinet and a special mobile mounting bracket. Ready to go whenever and wherever you need to go.

AC/DC operations from standard 12 Volts DC negative ground automotive systems or from 117 Volts AC, 60 Hz household current.

Seven band frequency coverage includes VHF and UHF Public Safety bands, plus UHF "T" band, AM Aircraft, 2-meter and 70-centimeter Amateur bands.

Automatic scan or manual step operation with convenient push-button controls.

Individual lock-out buttons for bypassing channels not of current interest.

Built-in scan delay holds for 2 seconds after message is complete to hear reply calls.

Built-in speaker plus external speaker and antenna jacks for flexible installation.

Creative Woman

By Sheryl Borden

On May 29, "The Creative Woman" show will be on make-up analysis and application and it will be presented by Barbara Acker, an esthetician with ImaJanation Beauty Salon in Lubbock. Using a model, Mrs. Acker will discuss contouring, layering and basic skin care as well as make-up application. The show will not be repeated on June 2 for this week only.

Three topics will be presented on May 31 and June 3 on "The Creative Woman" show and these will include low calorie rice, storage units and making desserts in the microwave oven.

Diane Duncan, home economist and spokeswoman with The Rice Council in Houston will share recipes for low calorie rice dishes.

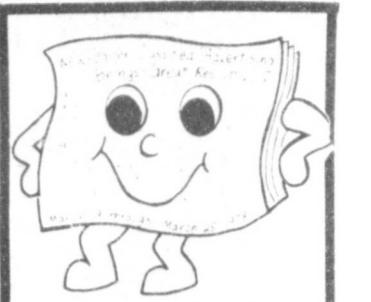

Storage units will be featured by Linda Newberry, kitchen designer with T-Bird Home Centers in Artesia. Examples of different storage units will be shown.

Completing the show will be a demonstration on making desserts in the microwave oven by Marcia Schwall, home economist with Litton Co., in Dallas, Texas.

"The Creative Woman" is produced and hosted by Sheryl Borden. The show airs at 12:00 noon on Tues. and Thurs., at 2:00 p.m. on Saturday and at 5:00 p.m. on Sundays on KENW-TV. (All times are Mountain Standard).

Viewers can request copies of printed materials offered on the show by calling on KENW-TV's toll-free telephone lines. The numbers are: New Mexico: 1-800-432-2361, out-of-state: 1-800-545-2359 and Portales and Roosevelt County: 562-2112.

No less than 60 minutes daily for mathematics. The equivalent of 100 minutes per week of science. The equivalent of 100 minutes per week in social studies. Daily instruction in physical education. Weekly instruction in the fine arts and health. Grades Four - Five - Use of Instructional Time; Daily no less than 90 min-

utes of English language arts. Daily no less than 60 minutes of mathematics. Daily no less than 45 minutes for instruction in science and social studies. The equivalent per week of: 60 minutes of health. 120 minutes of physical education and 120 minutes of fine arts. Grade Six (at the Junior High School)

*One unit is equivalent to 45 minutes of academically engaged time per day for at least 175 days a school year.

English Language arts, 2; (1 unit of Reading) Mathematics, 1; Social Studies, 1; Physical Education, 1/2; Fine Arts, 1/2. Grades Seven and Eight *One unit is equivalent to 45 minutes of academically engaged time per day for at least 175 days a school year.

English Language Arts, 2; Mathematics, 2; Life Science, 1; (must include a three week unit on Health) Earth Science, 1; Physical Education, 1; Texas History/Geography (grade 7), 1; US History/Citizenship (grade 8), 1; Computer literacy, 1/2; (may be in either 7 or 8) Reading Improvement or ESL, 0, 1, or 2; Electives, sufficient to complete 12 units.

The law also allows courses designated for grades nine through twelve to be offered in grades seven and eight if the student successfully has completed the pre-requisites for grades seven and eight. While the academic records must reflect satisfactory completion of the high school courses in grades seven and eight, the student must still complete the required number of units in grades nine through twelve for graduation.

High School Diploma Requirements; Graduates of each high school are awarded the same type of diploma; All units for graduation shall be earned in grades 9-12;

A maximum of two of the four units of English may be ESL;

Special Education students may graduate under special provisions;

Unit requirements may be modified for students in Coordinated Vocational Academic Education, Vocational Adjustment Cooperative, and Vocational Education for the Handicapped programs with the approval of the commissioner of education;

Out-of-state transfer students must complete the specified requirements necessary for graduation unless such requirements can be met through examination or through award.

All students must complete a minimum of twenty-one (21) units of credit to receive a high school diploma. The specific unit requirements are outlined.

English Language Arts, 4; Mathematics, 3; Science, 2; Social Studies, 2 1/2; Economics, 1/2; Health, 1/2; Physical Education, 1 1/2; and Electives, 7.

School districts may offer advanced programs which shall be of two types: (1) advanced high school program (22 credits for graduation); and (2) advanced high school honors program. Twenty-two units of credit are required and five of these units must be designated as honors courses. School districts wishing to offer such courses must have them approved by the commissioner of education.

The required units and course options for the

advanced high school program and advanced high school honors program must include courses as presented below.

English Language Arts, 4; Mathematics, 3; Other Languages, 2; Social Studies, 2 1/2; Economics, 1/2; Physical Education, 1 1/2; Health, 1/2; Computer Science, 1/2; Fine Arts, 1 and Electives 3.

According to Fuller HB 246 also requires school districts to provide and maintain evidence that students in grades nine through twelve have a well-balanced curriculum.

Also where ten or more students indicate that they will take a course which is required, it must be offered. Where fewer than ten students request a particular required course, the district must employ options such as:

Cooperatives between two or more districts; Contracting for services with other districts or institutions approved by the TEA;

Technological forms of instruction such as computer assisted instruction, television, and video-taped or audio-taped courses;

An adjusted school week using a plan approved by the commissioner of education; or

Other procedures as may be identified by the district and approved by the commissioner.

Fuller further revealed that local board of trustees may adopt local policies in the following areas.

75.161 Schedule for implementation;

75.162 Options for offering courses;

75.163 Correspondence courses;

75.164 Experimental courses and magnet programs;

75.165 Courses for local credit only;

75.166 Credit by examination;

75.167 High school credit for college courses;

75.168 Summer school program;

75.169 Award for credit, grades 9-12;

75.170 School district policy on promotion, retention, remediation and placement; and,

75.171 School district hardship.

Muleshoe I.S.D. has already taken several steps toward full implementation of the new curriculum law and plans early implementation in most areas. The high school will have seven periods of instruction (55 min. periods) while the Junior High will have eight periods (45 min. periods) starting in the 1984-85 school year. This will allow students to meet the new graduation requirements and still have opportunities to take meaningful electives. Muleshoe High School has already pre-enrolled 85 students in Spanish and 40 students in French for the 1984-85 school year.

Anyone having questions about the new curriculum laws may contact the superintendent's office.

If you lend, you either lose the money or gain an enemy. -Albanian Proverb.

A good man showeth favor, and lendeth. -Psalms 112:5.

County Wreck...

Cont. From Page 1

farmer back to the wreck where all the injured and dead were loaded into the pickup and were taken to the hospital in Portales.

The owner of the pickup taken from the farm home, Steven Barnes, recovered his pickup at the hospital in Portales on Thursday night.

One of the injured, Jesus Saenz, four, was transferred by air ambulance late Thursday to the burn and trauma unit at the University of New Mexico Hospital in Albuquerque.

The others injured were Manuel Saenz, 22; Anastacio Saenz, 10; Juan Saenz, eight; Marisa Saenz, five; Bertha Lisa Saenz, six; Valentina Saenz, eight; Maria Jesus Saenz, 34; and Cruz Saenz, 34. Their injuries included multiple broken limbs, along with cuts and abrasions.

Saenz told the investigating officers the group was headed to Texas to look for employment at the time the accident occurred.

DPS Trooper Lacie Kirk, stationed in Muleshoe, said this was the first fatal accident in Bailey County in nearly two years. He said there were no fatal accidents in the county in 1983, with three being recorded in 1982 and one in 1981.

All of the fatal accidents have either been on State

Cont. From Page 1

Hurtado, John Hurtado, Janie Kiser, Deborah Lackey, Misty Ott, Stacy Sadler, Malessia Smyer, and Janae Zamora.

John Hurtado received a leather Bible for scripture memorization and Sharon Bradley received a book for her efforts.

Beginning students Meri Ott, Brandon Rawlins, Felicia Santiago, and Sarah Watson each got an ABC's certificate and an honor roll ribbon from their teacher, Lynda Low.

Mike Stockard presented Janie Kiser and Laura Bradley with cameras for being chosen the most improved students. In the junior division, highest PACE average ribbons went to Anthony Handy and Dusty Stockard, while Craig Smyer and Malessia Smyer received awards for most PACE's completed.

In the senior division, Stacy Sadler won a trophy for highest PACE average and John Hurtado won a plaque for most PACE's completed. A PACE is a packet of Accelerated Christian Education curriculum. Sixty PACE's is considered a year's work. Several students received certificates for completing 75 PACE's or more.

The presentation of the Christian Character Award by the pastor, Jimmy Low, was the highlight of the evening. Berna Hurtado was chosen for this year's award and was given a radio-cassette player. Berna is the 17 year old daughter of Julia Hurtado of Muleshoe.

Road 214 or one of the FM roads in the county, according to records.

associate in applied science degree in computer information systems; Gracie Garcia, associate in applied science degree in accounting and Diana Gonzales, certificate of proficiency in vocational nursing.

First United Methodist Church will have their Vacation Church School June 4-8 from 9-11:30 a.m. Youth eligible to attend the church school will be from four years of age through sixth grade.

The runoff candidates for the 19th Congressional District seat will be featured in a televised debate at 6:30 p.m. Wednesday, May 30 on KAMC Channel 28.

Sponsored by Lubbock League of Women Voters, the program will spotlight the Democratic candidates, Don R. Richards and Thomas M. Richards, in a question and answer session, followed by the Republican runoff candidates, Ron Fleming and Larry Combest. The runoff election for each of the party primaries will be Saturday, June 2.

Monti Vandiver and Staci Vandiver were both named to the Dean's List for the 1984 spring semester. They are both children of Mr. and Mrs. Butch Vandiver.

Monti compiled a 3.64 GPA on the 4.0 grading scale. During the 146 credit hours of his LCC career, he had maintained a noteworthy 3.57 cumulative GPA.

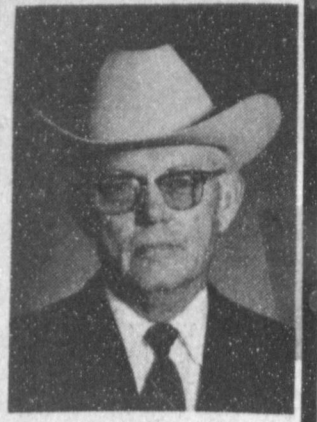

Staci compiled 3.50 GPA on the 4.0 grading scale.

A recipient of the ARCS Scholarship, Monti was also recognized as the Outstanding Junior Agriculture Student. He also served as a President's Ambassador.

NONDISCRIMINATION POLICY

In accordance with Title VI of the Civil Rights Act of 1964 and its implementing regulation, West Plains Medical Center Health Agency will, directly or through contractual or other arrangements, admit and treat all persons without regard to race, color or national origin in its provision of services and benefits, including assignments or transfers within the facility and referrals to or from the facility. Staff privileges are granted without regard to race, color or national origin (where appropriate).

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulation, West Plains Medical Center Health Agency will not, directly or through contractual or other arrangements, discriminate on the basis of handicap in admissions, access, treatment or employment. Judy Jacobs, D.O.N. has been designated

Robotics research at Texas A&M assisted by IBM

COLLEGE STATION — The IBM Corp. has turned to Texas A&M University for research on robotics applications.

IBM's Austin plant has loaned Texas A&M's Engineering Technology Department an industrial robot system valued at more than \$150,000 and will provide \$50,000 a year for three years to fund various research projects, said department head Dr. Kenneth Gowdy.

Texas A&M is the first Texas university to be included in IBM's joint studies programs which involve MIT, Stanford, Purdue, Carnegie Mellon and several other leaders in high-technology research.

as the coordinator for implementation of this policy. In accordance with the Age Discrimination Act of 1975 and its implementing regulation, West Plains Medical Center Home Health Agency will not directly or through contractual or other arrangements, discriminate on the basis of age in the provision of services, unless age is a factor necessary to the normal operation or the achievement of any statutory objective.

Henry Services Pending At Canyon

Services for Ben Lee Henry, 6, son of Mr. and Mrs. Ron Henry of Umbarger, are pending with Schooler - Gordon - Herring Funeral Directors of Canyon.

Ben died of massive head injuries Thursday afternoon in an accident near his home 12.8 miles west of Canyon. He was apparently picking up some papers just after 4 p.m. when a car, driven by his mother, ran over him, Randall County Justice of the Peace Phil Woodall said.

He was a kindergarten student in Canyon. Survivors include his parents; one brother, Clay of the home; his grandparents, Mr. and Mrs. Jim Ward of Canyon and Mr. and Mrs. Eugene Henry of Umbarger; and great grandparents, Mr. and Mrs. Clyde Henry of Canyon.

Beatrice Mahoney of Antlers, Okla., and Mrs. Betty Jackson of Plainview.

BIBLE VERSE

It was revealed unto him by the Holy Ghost that he should not see death before he had seen the Lord's Christ.

1. To whom does this verse refer?
2. Where was he at the time?
3. Upon what occasion?
4. Where may this verse be found?

- Answers to Bible Verse**
1. Simeon.
 2. In the Temple at Jerusalem.
 3. When Mary and Joseph brought the Baby Jesus to the Temple, according to Jewish custom.
 4. Luke 2:26.

Local Woman's Sister Dies At Pampa

Services for Bertie M. Brown, 77 of Pampa were held at 10:30 a.m. Saturday, May 26 in Carmichael - Whately Colonial Chapel with Dr. Richard Whitwam, pastor of the First United Methodist Church of Pampa, officiating, assisted by the Rev. Claude Cone, pastor of the First Baptist Church of Pampa.

Interment was in Memory Gardens Cemetery. Mrs. Brown died Thursday in Amarillo.

A native of Morris Chapel, Tenn., Mrs. Brown moved to Pampa in 1940, from Muleshoe.

She was a member of the First United Methodist Church and the Pampa Chapter of Eastern Star. She was also a member of Pythian Sisters and Woman of the Moose. She received a lifetime teaching certificate from East Texas State University and was a long-time school teacher and a

former principal in the Muleshoe area. She married William C. "Buck" Brown in 1924, at Greenville. He died in 1982. Survivors include two daughters, Mrs. Joe (Norma) Autry and Mrs. Sam (Brenda) Condo, both of Pampa; three sisters, Mrs. Joe Hutchinson of San Marcus, Mrs. Leslie Bruns of Muleshoe and Mrs. Murry Young of Greenville; one half sister, Mrs. Joe Landers of Sulphur Springs; one half brother, Bill Morris of Sulphur Springs; five grandchildren; and three great grand children.

Dillman Elementary Perfect Attendance

Students having a perfect attendance record for the 1983-84 school year at Dillman Elementary included: Kindergarten, Rebecca Toscano; First Grade, Gerald R. Reyna and Robert Toscano, Jr.; Second Grade, Jaime Barron, Kristopher John Fuller and Mark Garcia.
