

**Highway Patrol
Reports 14 Accidents
For Month Of May**

The Texas Highway Patrol investigated 14 accidents in Lynn County during the month of May. The first five months of 1966 shows a total of 42 accidents resulting in 15 persons killed, 15 persons injured, and an estimated property damage of \$21,315.00.

The number of traffic deaths in Texas has risen steadily since 1960 with 2254 deaths to 3028 deaths in 1965. "For the first five months of 1966, 1137 persons have died in traffic compared to 1032 deaths for the same period of 1965," the Sergeant stated. This 10% increase is very alarming, and when you realize our heavy volume traffic months are still ahead, we must anticipate increasing problems in the accident picture.

The Sergeant appealed to the motoring public to assist in the reduction of this trend, otherwise, the death count at the end of the year will far exceed the record number of 3028 deaths in Texas during 1965.

Mr. and Mrs. Clifton Buchanan and family of Andrews and Mr. and Mrs. J. C. Harris and family of here visited in the home of their mother, Mrs. F. M. Page, July 4th.

Mrs. George Lindley returned home Tuesday from a Lubbock hospital.

Mrs. Eric Burleson is visiting in Flomont this week while Mrs. E. A. Wright of Maple is staying in the home of Mr. and Mrs. C. B. Mansell.

Mr. and Mrs. Herman Lawhon and family and Mrs. W. W. Williams are visiting in San Angelo, Calif. this week. Mrs. Williams and Adrena will stay for several weeks. Mr. and Mrs. Lawhon and Wanda will return this week.

Mrs. Grace Motley, Mrs. Mary Tucker, and Mrs. P. A. Dugger of Lamesa visited Mrs. Tom Tyler last Wednesday.

Mr. and Mrs. Sterling Bearden of Stephenville visited Mr. and Mrs. B. B. Street Monday.

PEACHES for sale. See R. R. Ballew, phone 439-2256.

Word was received here of the passing of the mother of Cliff Lambert Monday. A more detailed obituary will follow next week.

Girl Scout Day Camp Is Being Held At Tahoka City Park This Week

The Girl Scouts of Lynn county this week held the Mary Poppins Day Camp in the Tahoka City Park, with Mrs. Stewart Rice of New Home as director.

Mary Phifer of New Home has been assistant director, Nona Nieman program director, and Mary Norman finance chairman. Mrs. Nieman and Mrs. Norman are both from New Home.

Headquarters and the First Aid Unit were in one unit called the "Nannys".

Unit I was the first-year Brownies, Chimney Sweeps. Mary Louder of New Home was the unit leader with Laura Sealy, also of New Home, and Joy Anderson of O'Donnell, aides. Members included Sharon Earnst, Camille Rice, Donna Armes, and Debbie Airhart, all of New Home; Belinda Williams, Ann McLaurin, Angelia Beckham, Darla June Dorman, and Kimberley Burleson, all of O'Donnell.

Unit II, the Bird Ladies, consisted of the second-year Brownies. Unit leader was Jackie Beckham of O'Donnell. Debbie Moore of New Home and Paula Carroll of O'Donnell were aides. Scouts included Sheila McNeely, Nancy Louder, Peri Phifer, Susan Evans, all of New Home; Teresa Owens, Kem Hash, Thressa Ann McMillan, Cindy Cook, Wendy Stewart, and Sandra Swinney, all of O'Donnell.

The Jr. Girl Scouts composed Unit III, the Super-Cali-Fragi-Listics. Zola Mae Owens of O'Donnell was the unit leader. Sidney Sealy and JaJean Jaquess of Tahoka were aides. Members were Kim Cartwright, Michelle Smith, Elaine Taylor, Mary Alice Thompson, Linda Caswell, Connie Kizer, Carla Cook and Sonja Arnold, all of O'Donnell.

Boys and smaller children of workers in Day Camp made up Unit IV, the "Willing Waiters". Willie Mae Caswell of O'Donnell was the unit leader, and her aides were Linda Yarbrough of O'Donnell and Yonna Moore of New Home. Unit members were Rodd Nieman, Rand Nieman, Kim Rice, Ricky Rice, Sam Louder and Phil Phifer.

The daily schedule included: 9:00 a. m., flag ceremony; 9:15, put up lunch lines to hold nose bag lunches; 9:30 a. m. set up tents; 10:15 a. m. snacks; 10:45 a. m., crafts, songs and games; 12:00 noon, lunch; 1:00 p. m., rest; 1:30 p. m. songs, games and hikes; 1:45 p. m., clean-up; and 2:15 p. m. flag ceremony.

The week's activities included nature hikes, crafts, butterfly nets, twine covered cans, terrariums and bird feeders. Monday name tags were made, as were unit flags and paper charts.

Tuesday all units cooked out. Beanie-weenie was fixed along with salad, and marshmallows were roasted.

Friday at 1:00 camp will be open for visitation from parents or any other interested people.

Rotary News

The program for the luncheon was an "Around the World Visit" with Rotarians and their families. Colored slides were shown of Rotarians Douglas Menzies of Edinburgh, Scotland, Hayo Wingerden of Varsseveld, The Netherlands, Antony Manuelpillai of Colombo, Ceylon, Sigurdur Jonsson of Isafjordur, Iceland, Karl Kaiser of Thalwil, Switzerland, and Magnus of Petersens of Nacka, Sweden.

The Douglas Menzies write from Edinburgh, Scotland that golf is the main sport that is popular in Scotland now. The Rotarians and their Rotary Anns are arranging golf tournaments for the coming Rotary District meeting to take place at the very famous golf course, Lefloneagles. The Menzies write of the exchange of manes, cars, etc. between their minister and the minister of the Augusta Stone Presbyterian Church which is in the Shenandoah Valley for the next three months.

Thought for the week: "It is up to the individual to keep his heart warm and loving, or let it grow cold and indifferent."

CARD OF THANKS

We want to express our appreciation to all of you who helped in our drive to collect Kool-Aid for our boys in Viet Nam. Thank you who contributed money and Kool-Aid, and thank you, the business people who displayed the posters and collection boxes. 700 packages of Kool-Aid was collected and is being shipped to our boys on the front lines from the community. Your cooperation made this possible. — O'Donnell Young Homemakers.

Folks You Know

Robert Marcom, son of Rev. and Mrs. Howard Marcom, former Methodist pastor here, was wed recently to Miss Glenda Sheppard at the Methodist Church in Clarks-ville.

Charley Boles, long-time Santa Fe agent here, has accepted the agency at Tahoka. Tom Ledbetter is the new agent. The Boles family remains to live here indefinitely.

Rotary News

The O'Donnell Rotary Club met Tuesday with President Truett Hodnett presiding. Visiting Rotarians were H. F. Hall of Downtown Lubbock Rotary and N. H. Price, J. T. Headen, Clyde Branon, Wesley Mickey, Tom Branon, and R. B. Shell of Lamesa. Guests were Mrs. Harvey Line, Mrs. Homer Hardberger, Cecil Royce and Harold Hohn.

Scouting News

Part of Troop 789 has been enjoying a week of camping at the very beautiful Camp Post. The O'Donnell Scouts well represented their town and community by all receiving badges of various skills and merit. One of the main trophies that Troop 789 won and brought home to display was "Gizmo". "Gizmo" was awarded to the Troop that maintained the neatest table at all meals for the entire week. Troop 789 is particularly proud of the members of the Troop as they have played well in their ball leagues this summer and carried the true ideals of Scouting in their camping. As always a delight to a Scoutmaster, and a bon to any Scout Troop, is the backing and aid of the parents. Troop 789 is particularly blessed with the kind of parents that can be depended on in any emergency.

The Highlight of Camp Post is always the "Tapping Out" ceremonies on Friday night. Troop 789 was particularly proud of Scoutmaster Lanny Brewer as he was "Tapped Out" for the Order of the Arrow. In this very colorful and solemn ceremony which is always staged down in the canyon theater, Scouts and their parents are reminded of the Great Father above and of His Goodness and Mercy. In the quietness of the hour and as the drum "Tapped Out" the Service, the Texas Mockingbird seemed to approve the Service as he gave forth with song for the entire hour. As the Arrow was set aflame on the hill, and the drum "Tapped Out", and Texas' own State bird sang his beautiful song. Camp Post closed another week.

Mr. and Mrs. Otho McClendon of Odessa spent the holidays with his parents, Mr. and Mrs. O. L. McClendon.

Mrs. Wayne Mott will have surgery at Lubbock Methodist Hospital next Tuesday.

Charles Tyler of Austin visited his mother and sister, Mrs. Tom Tyler and Mrs. Laverne Gardenhire over the week end.

O'Donnell Rodeo Will Open With Parade At 6:00 P. M. On July 7th

It is rodeo time again in O'Donnell. It is time to put aside our usual routine and devote it to plain enjoyment. It is time to renew old friendship—and welcome our neighbors from surrounding territories, as the Annual O'Donnell Rodeo gets underway July 7 and continues through July 9.

We also remember those that will not be attending the show that did so much to help lay the foundation for this sport that has furnished many hours of entertainment.

Through the years literally countless spectators have enjoyed the O'Donnell Rodeo, and hundreds of cowboys and cowgirls have competed for the traditional prizes. We like to feel that our town always projects hospitality to these visitors.

Of particular interest is the race for the Rodeo Queen. Each year has a new girl to be crowned. The girls are selected by various organizations.

The four attractive young ladies for this year are: Debbie Askew, Judy Caswell, Cathie Franklin and Tonia Beckham.

The coronation itself displays delightful contrast with its beauty and color.

The one day parade will be July 7, at 6:00 p.m. It is made up of cowboys and cowgirls, riding clubs and sheriff posses and colorful floats that are presented by the civic clubs of the town. All floats and other various entries will draw prizes and will be judged by out of town judges.

The parade will start at the First Baptist Church, winding down the streets of the town, so if you wish you can see it more than once.

All entries will register floats and other novelty entries with Mrs. F. M. Jones at Ellis Chevrolet Co.

All stores will close for the parade.

A group of young people from the O'Donnell Church of Christ attended a two-week religious census in Hamilton Ontario, Can. They all stayed in different residential homes while working and visited points of interest as Niagara Falls. Those attending were Shiela Singleton, Libby Cook, Marilan Allen, Ruby Putman and Mr. and Mrs. Howard Swinney.

Mr. and Mrs. Phil Bairrington and family of Dallas visited their parents, Mr. and Mrs. Cleave Bairrington and Susie, over the week end.

Mrs. Gus Sherrill and Paula of Draw visited Mr. and Mrs. Leo Bairrington in Dallas over the week end.

Mr. and Mrs. Charles Johnson and family fished at San Angelo over the week end.

ASCS Report

Reporters will be contacting farmers who have paid for the measuring service within the next few days. The farmer or his representative should be there to assist the reporter in making the measurements. Your cooperation in this matter will be greatly appreciated.

Remember this office must be completely through with all compliance work by no later than August 15, 1966.

June 20, 1966, is the final date for farmers to sign up for measurement service. If you want the ASCS to measure your cotton, feed grain, or diverted acres, be sure to sign up by June 20, 1966; otherwise, you the farmer will certify your acres for the 1966 crop year. For the farmers who certify, at least 25% of the farms will be spot checked for accuracy.

Letters have been mailed to all cotton farmers in Lynn county requesting production records for 1965 crop year and where possible 1963 and 1964. Any records such as insurance claims, adjustor's estimates, dates, etc., that you may have which will help you to substantiate any abnormal year should be attached to these letters with an explanation. Lynn county farmers turned down the right to sell or lease cotton outside of Lynn county for 1967 by a vote of 218 for and 563 against.

Farmers are reminded that July 31, 1966, is the maturity date on cotton placed under loan for the 1965 crop year. These notes may be redeemed at the ASCS office by paying the face value of the notes plus interest, which is 30c per \$100 for each calendar month.

Boyce Allen and A. J. Barnes Jr. visited Mrs. Boyce Allen at Galveston this week end. She is improving.

Mr. and Mrs. Gaylon Bishop and sons and Jeanie Taylor and a friend visited Mrs. Ruby Tidwell during the holidays.

Howard Swinney and wife and girls who went to Canada with them returned home Friday night. Everyone had a very enjoyable trip.

Mr. and Mrs. M. B. Allen Sr. spent the 4th in Lovington. Mr. and Mrs. Allen and Mary Schooler returned from Galveston last Wednesday. Mr. Allen's condition is the same.

Mr. and Mrs. Jesse Lane and Mr. and Mrs. Leland Lane and children and the four Allen children from Odessa and Jerry Hestand of Odessa spent the 4th at Lake Thomas.

County Plans Tax Rate Cut

County taxes are almost certain to be reduced this year and the tax rate may be cut as much as 70 cents on the \$100 valuation, members of Lynn County Commissioners' Court inform the Index-Press.

The rate reduction will become possible principally because final payment on the 1946 road bond issue of \$850,000 was made in March of this year.

For a number of years the county tax rate has been \$1.90. The Court hopes to cut this rate to \$1.30.

Exact amount will not be determined until the firm of tax equalization specialists who have been working on valuations for several months complete their figures.

DR. O. H. NANCE

Optometrist
210 N. Houston
Ph. 554

The TB X-ray Unit has been requested for Lynn county for four days in succession in October. It will first be at New Home, then Wilson, Tahoka and O'Donnell. By doing this, those unable to have the X-rays made on the day it is in their town can go to the neighboring town one of the following or succeeding days.

Those attending the meeting were Mayor J. W. Edwards, New Home; Rev. Benny Hogan, Wilson Baptist Church; Mrs. Dorothy Kenley, Tahoka Garden Club; Mrs. Daphne Snellgrove and Mrs. Patsy Sanders, both of O'Donnell Young Homemakers; Mrs. Jean Harvick, Tahoka School nurse; Mrs. Lillian McCord, O'Donnell School nurse.

Mrs. McCord and Mrs. Harvick were elected to make the necessary plans to announce them at a later date.

Summer Classes For Homemaking Students Underway

Mrs. Warren Smith, homemaking teacher in the local high school, has completed plans for the program of work in her department for the summer months.

Classes for high school girls will begin June 1 in the homemaking department. These classes will be meeting during June in the mornings, and provide the student with one-half credit toward high school graduation.

An extended home experience is carried on by the student for the remaining summer months.

County HD Council Holds Final Meeting

Lynn County Home Demonstration Council met in the Lyntegar board room Thursday afternoon of last week for the summer's final meeting. Thirty ladies were present to hear Williams C. Tucker give a talk on welfare and Medicare in Lynn county.

Following the program, a business session was conducted, with Mrs. W. C. Maeker, chairman, in charge.

The Council will be in charge of refreshments and decorations for the 4-H Dress Revue to be held July 26 at Lyntegar.

Mrs. Maeker was elected to serve as chairman of the county THDA for 1967.

Elected as delegates to the State convention to be held in Corpus Christi Sept. 20, 21 and 22 were Mrs. Benny Ross, Mrs. Guy Witt and Mrs. Roy Poer. Mrs. J. H. Lambright and Mrs. E. B. Gaither were elected alternates.

New Officers For 1946 Club Installed

Lynn County TB Meeting Held

Representatives from the four areas of Lynn County were present for a meeting with the Tuberculosis Program Director, Mrs. Ella Harriage of the Area Tuberculosis Association this past week. The meeting was set up with the hope of opening the eyes of the public to the situation we have here, and the things we can do as individuals and organizations to cut down on this disease.

Later this summer a County Tuberculosis Committee will be appointed with a representative from each part of the county unit. This is an educational type program consisting of things such as skin tests and X-rays, etc. The Tuberculosis X-ray unit has been requested for Lynn County for four days in succession in October. It will first be at New Home, then Wilson, Tahoka and O'Donnell. By doing this we are unable to have the X-rays made on the day it is in their town may go to the neighboring town on one of the following or succeeding days.

Those attending the meeting were Mayor J. W. Edwards, New Home; Rev. Benny Hagan, First Baptist Church, Wilson; Mrs. Dorothy Kenley, Garden Club, Tahoka; Mrs. Daphne Snellgrove, Young Homemakers, O'Donnell; Mrs. Lillian McCord, school nurse, O'Donnell; Mrs. Jean Harvick, school nurse, Tahoka.

O'Donnell Ladies Seek Highway 87 Intersection Change

The O'Donnell Young Homemakers have been investigating the possibility of a safe intersection on State Highway 87 just north of O'Donnell, adjacent to Jackson's Cafe.

A letter from Governor Connally has been received and also one from Mr. Greer, State highway engineer from Austin. Mr. Greer assured the group the intersection and its possibilities would be investigated and their findings reported to the organization.

Should you be contacted concerning this community project the Homemakers have started, and your support is needed, we trust you will back them.

Pre-School Starts Here On July 5

Under Title I, a Federal School Grant, the O'Donnell School District is sponsoring and will administer a pre-school for 5 and 6-year old boys and girls as a preparatory step for regular public school attendance and work.

In this school, non-English speaking children will be assisted in developing concepts of English words in the hope that they will be communicating satisfactorily in English upon entering the first grade. All children attending will be acquainted with acceptable social behavior, as playing athletic and non-athletic games together, eating in the cafeteria, and developing muscular coordination.

The school will run 34 days beginning July 5 and closing August 19, with 5 day weeks (Monday through Friday), each day beginning at 8:00 o'clock and closing at 11:00. Lunch will be served in the cafeteria each day, also transportation will be furnished.

June 15, Wednesday, has been set up as registration day for the pre-school and all parents interested in having their children attend are urged to come to the Elementary School office on that day between the hours of 9:00 and 12:00.

Rodeo Plans Being Made

Plans are now being made for this summer's rodeo to be held here July 7, 8 and 9. Workers are needed, and if you can help in this project please see Mrs. F. M. Jones, The Entre Nous Study Club will sell the programs at the three day show. To be named in the near future will be four queen candidates who will sell advanced tickets to the show. The candidates are sponsored by local civic groups.

Girls Working On Clothing Projects

O'Donnell 4-H Club girls who are working on clothing projects met Monday in Fellowship Hall of O'Donnell Methodist Church. Plans were made for the summer clothing program. The group received and discussed information on selecting material and patterns and each girl present will be making a garment and participating in the country dress revue July 26.

The next meeting will be June 25 at 2:30 p. m. LaNita Wood and Sharon Payne, junior leaders, will be giving a program on appropriate occasions.

TB X-Ray Unit Coming In Fall

Representatives from the four areas of Lynn county were present for a meeting with the Tuberculosis program director, Mrs. Ella Harriage of the Area Tuberculosis Association this past week.

The meeting was set up with the hopes of opening the eyes of the public to the situation we have about us and the things we can do as individuals and organizations to cut down on this disease. Later this summer, a county TB committee will be appointed with a representative on it from each part of the county. This is an educational type program consisting of things such as skin tests, X-rays, etc.

Highway Patrol Needs Recruits

Texas Department of Public Safety is desperately in need of 125 new enlistees from 21 to 35 years of age who would draw \$400 per month during a 16 week training period and a starting salary of \$468 per month, plus expenses and uniforms. C. A. Dempsey, district safety officer states.

Any young man interested should contact Patrolmen Marvin Hagens and Ray Priest at Tahoka immediately. June 6th is the final date for accepting applications for the training school beginning August 9. A written examination will be given applicants June 11 in Lubbock to determine fitness for training.

There are many advantages to serving with the State Highway Patrol, Mr. Dempsey says, including job security, opportunity for advancement, salary advances for longevity of service, paid vacations, insurance and sick leave, 12 holidays each year, and retirement benefits. All uniforms and equipment are furnished.

Now is the best opportunity for a young man to get into the work since there are 125 vacancies in the Highway Patrol, 16 in drivers license division, nine in weight and license, and three in vehicle inspection.

NO FROST

BUILD-UP...EVER

YOU'LL NEVER DEFROST AGAIN WITH A NEW NO-FROST REFRIGERATOR-FREEZER

Retirement Only SS Benefits Not

Remember the Titan II missile site fire near Searcy, Ark., in August of 1965, when 53 men died?

John G. Hutton, Social Security Administration District manager in Lubbock, has just received an actuarial study of the expected total payment from social security to the 53 families. It will amount to \$1,631,000 if the 72 minor children attend school through age 21, and \$1,402,000 if they do not.

All 53 men were insured for survivors benefits. Only one had such scanty coverage to bar his widow from benefits at age 60, but she and her child are currently receiving payments. Her widow's benefits still end when the child reaches 18.

The other 52 widows can be ex-

pected to receive \$662,000 in payments after age 60. Four are past 60 now. The 33 widows and the minor children in their care will receive \$956,000 if the children attend school through age 21 and \$727,000 if they do not.

The 37 families being paid at this time have this monthly benefit range: 3 at less than \$100; 7 at \$100-\$149.90; 6 at \$150-\$199.90; 6 at \$200-\$249.90; 10 at \$250-\$299.90; and 5 at \$300-\$306.

In addition to monthly benefits now and in the future, \$13,000 was paid in lump sum death benefits. On the average, the Searcy family with one child or more under age 18 will receive \$38,620 if the children are in school after 18; \$31,700 if they are not. The average expected for the widows without minor children will be \$17,820.

Mr. Hutton says that some people still think of social security as only a retirement program. He feels the above rather graphically

illustrates the potential value in the survivorship area. The value of the disability program, a third portion of social security protection was increased when the 1965 Amendments removed the requirement that the impairment(s) be expected to continue indefinitely or result in death. He explained that disability benefits are now payable if the impairment(s) have lasted, or can be expected to last, 12 months or more.

operating costs if it cost \$40 per acre to produce the replanted cotton and \$30 per acre to produce the soybeans.

"There's no way to be sure of yield, price or quality of a crop," Seibert says, "but a little figuring at different prices and yields can give some idea of the alternative that looks best in most situations."

Farmers Should Consider Beans

When adverse weather severely damages seedling cotton, a farm management specialist says it will pay to do a little figuring to learn if it is most profitable to replant to cotton or to some other crop such as soybeans or castors.

Government programs, available irrigation water, length of the growing season, and expected net returns from the cotton and the alternative crop all should be considered when deciding which crop to plant, says John Seibert, Extension farm management specialist, of Lubbock.

To find the most profitable crop, Seibert says to estimate the returns above operating costs from cotton and from the replacement crop under consideration.

Late planted cotton might bring 16-cents per pound if the quality is below normal, he said, so a bale per acre would bring only \$80.

Soybeans yielding 28 bushels per acre and selling for \$2.50 per bushel would bring \$70 per acre.

The management specialist says both crops would return \$40 above
