## Coach Protests Game With Stanton Friday

Declaring that he valued the welfare of his players too highly to permit them to engage longer in prizefighting, Coach M. D. Conger abruptly halted the O'Donnell-Stanton game last Friday afternoon and called his men off the field in the third quarter.

This summary cessation of hostilities came as a result of almost continuous questioning of decisions on plays, said decisions always being in favor of Stanton. Coach Conger had made every effort to be agreeable, even to the point of taking out one or two of his men who had brought penalties to the Eagles for so-called unnecessary roughing, but all such efforts proved unavailing.

Just what will be the outcome of the game has not yet been determined. The Eagles were all ready to play the game to a finish, but agreed graciously to their coach's decision. Coach Conger declared that he would rather forfeit this, the first conference game than risk serious injuries to more of his men.

Your Index editor, who happened to be on the sidelines throughout the so-called game—did we hear somebody laugh when we said happened to be?—hesitates to comment on the brawl at Stanton; we are afraid our postmaster wouldn't let this issue go through the mail if we said all we feel like saying. To boil it all down, we'll merely say that we never saw a more flagrant exhibition of unfairness on the part of officials. We'll back the Eagles to win against any other eleven players in their weight and class. BUT no eleven players in the world have a fair chance of competing with fourteen opponents, especially when the three extras have the final word in all decisions. For the first five or ten minutes, we tried to be charitable and think that the officials really didn't see the slugging, and gouging on the other side; after that we decided that either none of the three had ever seen a foot-

ball game before and wouldn't know a football from a hard-boiled egg or that they all had up sizeable bets on Stanton. If an Eagle wiggled his foot to get a better stance for a take-off, his team was promptly penalized from five to fifteen yards; but when a Stanton man kicked, hit, bit, or slugged, the officials were quiantly and conveniently looking somewhere else. Turning to more pleasant features of the afternoon, however, we wish to compliment the Stanton High School band on a splendid performance. Their formations and their music were a credit to a much larger city. Furthermore, the majority of the Stanton fans were most courteous and hospitable and we cannot believe that school authorities were cognizant of the attitude of the officials.

What we want now is another chance to play the Stanton Buffaloes on neutral ground and with unprejudiced officials.

**Andrews Here Tonight**

The second conference game will be played on Johnson Field tonight and players and coaches are ready for the fray. With one of two exceptions, the Eagles have recovered from last week's injuries and will be back in the line.

Our relations with Andrews have been uniformly pleasant in the past and we are looking forward with much pleasure to welcoming the team, their coach and Andrews fans to O'Donnell tonight. We are expecting homefolks to profit from our experience last week, and to learn over backward seeing that the visitors receive every consideration and fair play from every angle.

**O'DONNELL TEACHER IS OPERATED ON SATURDAY**

Miss Nell Guttrick, high school Spanish and English teacher, was taken to a Lamesa hospital early Saturday morning, and underwent an operation for the removal of her appendix soon after reaching the hospital.

Miss Guttrick is reported doing well as we go to press. Miss Mabel Harris is taking her classes during her illness.

## Universal Credit Office for Lubbock

In an interview with Mr. G. B. Strong, Dallas Branch Manager of Universal Credit Company, on the announcement of the opening of a new Universal office in Lubbock, Mr. Strong stated that this office will be of tremendous value to the dealers in Ford products and their customers who reside in this trade area.

Nationwide public acceptance of "Universal's" low cost, exclusively Ford Finance Plans and Ford Dealer cooperation has made possible the continued expansion of "Universal" service throughout the past eleven years. More than 4,000,000 buyers of new and used cars from Ford Dealers have used "Universal" time payment plans. This remarkable growth is largely due to "Universal's" interest in the goodwill and satisfaction of the customer. More than 50% of the customers of "Universal" represent repeat users of the service and repeat buyers of Ford products.

"Universal" has been repeatedly responsible for the reduction of finance costs for Ford product buyers. The large volume of business developed has made possible constantly improved plans, providing low cost financing for the Ford purchaser desiring to buy out of income.

Ever since Universal Credit Company commenced operations, financing costs on Ford products have been materially reduced. It is estimated that time payment buyers of Ford cars and trucks have thus been served in excess of \$75,000,000 through the lower financing costs made available by the Exclusively Ford Finance Plans of Universal Credit Company. These lower credit costs have been and continue to be constructive contributions toward national economic recovery.

Families buy Ford products today as they have for over thirty years because of outstanding value. Outstanding quality, at low cost, has made the new Ford the

choice of millions. Operating offices now total 173 complete units throughout the nation, 126 of them having been placed in operation in the past four years.

Lubbock, Texas, is in the location of the one hundred seventy-third office of "Universal." Universal Credit Company serves the time sales requirements of Ford Dealers and Ford purchasers exclusively. Through Universal Plans the customers of Ford Dealers are assured of a courteous, confidential service. A truly helpful treatment, in the business philosophy behind "Universal" credit operations.

With the favorable outlook for increasing Ford, Mercury and Lincoln-Zephyr sales among all Dealers, and continuing economic recovery, opportunities are indicated for making 1940 a great year for Ford Dealers; and in view of these favorable sales prospects Universal Credit, with retail installment financing plans and Dealer financing service devoted exclusively to the Ford market, contemplate the addition as needed of other offices to meet the ever-increasing use of "Universal" Plans by Ford buyers and to bring "Universal" operations in the field ever close to Ford Dealers and their customers.

The Lubbock office of Universal Credit Company will be located at 1015 Avenue J. Telephone: 4336 and 4337, J.D.H.

Mr. W. E. Mowery, a man of long credit experience and with a knowledge of modern motor car merchandising, will be in charge of the Lubbock activities of "Universal."

## OPEN HOUSE THURSDAY HONORS VISITORS

Mrs. Carl Richter and Miss Dimple Hancock of Los Angeles, Cal., who are visiting home folks and friends here, were guests of honor last Thursday afternoon when open house was held at the home of their mother, Mrs. Walter Hancock.

Mrs. Douglas Ballew presided at the punch bowl in the dining room, where refreshments were served throughout the afternoon. Thirty guests called during the reception hours.

## 1939 GINNINGS TRIPLE THOSE FOR LAST YEAR

Ginnings for Lynn county up to October 1 have more than tripled those of last year, according to a report given us this week by E. W. Holloway, special agent of the Census Bureau.

Figures for 1939 totalled 20,782 bales as compared with only 6,355 bales for the same period last year. It is estimated that approximately 65 per cent of this year's crop has been gathered.

## 1940 CHEVROLETS ON DISPLAY HERE SATURDAY

First of the 1940 Chevrolts on display here Saturday at Ellis Chevrolet Company attracted much favorable attention and comment from O'Donnell people. Floyd E. Schooler purchased the sedan.

Mr. Ellis states that new shipments of the 1940 models will be arriving frequently now, and invites the motoring public to come in and discuss bargains.

## J. W. NELSON PURCHASES 800-ACRE LAND TRACT

J. W. Nelson of the New Moore community has recently purchased 800 acres of land out of Block O from the Kansas Life Insurance Company. Mr. Nelson has worked the place for the past several years.

Approximately 600 acres are in cultivation, excellent sandy loam soil.

## MODERN CLEANERS SHOP HAS NEW TAILOR

Mr. Jack Nance of Stephenville has arrived to be part of the staff of the Modern Cleaners tailor shop and is ready to solve all your tailoring problems. Mr. Nance has had twelve years' experience in his work, and is considered one of the best.

Kenneth Golightly, proprietor of the shop, cordially invites patrons of the territory to come in and get acquainted with Mr. Nance.

Miss Juanita Luttrell is spending the week here with her sister, Miss Vergie Luttrell.

## SCHOOL PLANT MUCH IMPROVED

As so few of the parents have an opportunity of visiting the school, we believed that a brief comment concerning various activities outside of class work might be of interest.

During the past year we are very glad to report, the grade school building was remodeled and improved. New curtains were put up at all windows in the building, and the auditorium was re-arranged and repaired so that it is usable. Walls were calcimined and all woodwork repainted. A number of new books were added to the library as well.

As a part of this same improvement program, high school was also changed and improved in many ways. With so many new students entering O'Donnell Public School for the first time, additional lockers were necessary, and as there was not enough space for some 200 new ones in the downstairs hall, Sophomore and Freshmen lockers were moved upstairs.

All the walls have been calcimined and woodwork painted so that ink pots may be more easily removed. The Home Economics laboratory has been put into shape by the girls in that department. Some new dishes were bought, new cooking utensils, an ice box, and various other necessary equipment.

As several pieces of equipment were bought last year for the general Science and Biology labs, only a few charts and test tubes were needed this year.

Downstairs in the high school building the office of the superintendent has been completely re-arranged. Walls have been painted white, the floor is covered with linoleum, and venetian blinds were installed in the two large windows. In this office book-room are all kinds of textbooks, more than half of them being new English books. Public Speaking texts, Junior Business texts, Home Economics references and many others.

Mr. Eldon Hancock of Chillicothe spent the week-end here with his mother, Mrs. Walter Hancock, and other relatives.

### SPORTS NEWS

The O'Donnell Junior High football team will tackle a severe task when they play the Slaton Junior team Thursday at Slaton. The Junior Eagles met more than they could handle last Thursday when they played a much heavier and a more experienced team from Lamesa. The score was 33 to 6. The locals escaped the game without

injury and will be going full tilt against Slaton. Plans are being made to have a night game here within the next two or three weeks.

The Senior team is sorry to admit their defeat last week but promises the Eagle fans they will take the spite out on Andrews. This will be the second conference game for the Eagles.

### ACTIVITY NEWS

The band students are getting ready for a program November 3. The program will be made up of tap dancing, the rhythm band, voice chorus, drum corp and the school band. There will be no admission and we hope to see the entire community attending.

Some 35 pep squad girls went to Slaton Friday. As we had not planned to attend this game we were unable to make a formation but hope to have a nice one for the game Friday night when the Eagle star with the Andrews Mustangs.

### GENERAL SCIENCE NEWS

The General Science club met October 18 and had a short program. Each member of the class except those who held the office entertained two minutes each. We had a good program with jokes, songs, and piano solos.

### CIVICS CLUB NEWS

At the organization of a Civics Club in Mr. Snodgrass' civics class the following students were elected by majority vote of the student body as officers for the club:

President, Doris Nell Gates; vice-president, Blewett Davis; secretary and treasurer, Averil Henderson; reporter, Velia Walden and Sergeant of Arms, Hilman Maxwell.

Virginia Mae Shumaker, Ross Smith, Oleta Whyche, Weldon Hancock and Margie Lee Buchanan were appointed by the president to serve on the entertainment committee.

She also appointed as the program committee, Margaret Lucille Johnson, Nelson Devel, and Mary Frances Fowler. They are to present a program.

The club will meet every Friday and the dues are ten cents a month.

### BIOLOGY NEWS

The biology club met Friday, October 13, 1939. Due to the foot-

ball game at Slaton several of our members were absent. Our regular program was postponed until a later date. The decision for the period was "football." We learned many new and interesting things about this sport.

### ENGLISH III CLUB NEWS

The second period English III class met Friday, October 12, and elected officers for their club. The following officers were elected: President, Billie Etter; vice president, June Gibson; secretary, Geraldine Clark; reporter, Drucilla Case; sergeant of Arms, Nila Rae Miller. The program committee appointed by the president are: J. V. Burdett, Hornaday McLaurin, Dorothy Miles, and Mary Louise Singleton. The club will meet twice a month.

Mrs. G. W. Kyle dropped by the office Saturday to tell us she is moving to Lamesa to make her home. While we regret losing this good friend, we sincerely hope that she will be happy in her new home.

Mrs. I. N. Gather and daughter, Janice, of Strawn, arrived Tuesday for a few days' visit with relatives and friends.

**RECENT BRIDE HONOREE AT SHOWER IN ROSWELL**

Mrs. John H. Jewett, who was Miss Betty Lynne Middleton before her marriage on October 5, was honored with a number of prenuptial affairs here and at Roswell. We are indebted to the Roswell paper for the following account of one such event:

"Miss Betty Middleton was honored Tuesday evening at a charming prenuptial party and miscellaneous shower at which Miss Jane Spencer was hostess.

A lovely blue and white color scheme was reflected in the shower appointments and decorations. White roses were used in house decoration while the lace-covered and candle lighted dining table was centered with a beautiful wedding cake circled with tuberoses and ferns. Feet moulded into bride's slippers were served with the cake. Favors were wedding bells and sprays of orange blossoms.

The young hostess was assisted in entertaining by her mother, Mrs. Myra M. Spencer and her aunt, Mrs. Thornton H. Boswell. Those who shared the compliment with the lovely honoree were Misses Helen Jewett, Frances Martin, Mary Frances Destree, Wanelle Norton, Bernice Dammann, Gayle Armstrong, Joan Mallarney, Ann Cox, Maudelee York, Helen Terhar, Beverly Hodges."

**WELLS SCHOOL PATRONS TO ORGANIZE PTA**

At a meeting held Monday evening at the Wells school, patrons started organization of a Parent-Teacher Association for that district. This organization is a part of the standardization program for the school this year.

County superintendent Lenore M. Tunnell met with the group, and briefly outlined steps necessary for the program. Mr. Calloway Huffaker made an interesting talk on Educational co-operation.

A nominating committee was appointed to offer names of officers for the new association. Members were Misses J. E. Etter, P. E. Askew, and Virgil Bolch. A second meeting will be held at the school Monday night of next week for the purpose of perfecting organization.

Mrs. Everett Day of Alford spent the week-end here with her parents, Mr. and Mrs. J. T. Middleton. Mrs. Carl Richter and Miss Dimple Hancock were in Lubbock on business Monday afternoon.

**WELLS PTA PLANS HALLWEEN CARNIVAL**

A Halloween carnival will be held at the Wells school building on the night of October 27. Funds raised to be used in purchasing the equipment for the school. While it wouldn't be permissible

to outline any of the plans, we can tell our readers that the evening will be packed with fun and excitement. Go to Wells that night for your Halloween celebration.

**SNOOPER**

What's this we hear about a certain sophomore girl trying to make a hit with Nelson Doyal? How about it, Thelma.

Nila Rae, what's this we hear about you going with Lewis Glynan again?

Dorothy, what do you mean "Love isn't what it's cracked up to be"? Is it Buck?

Jo V. who were you with Saturday night? Could it have been Alvin's Colightly?

I wonder Why. Ruth always looks for her name in the Snooper?

Babe "doesn't" want her name in the Snooper?

Jeraldine sits with Ouida Mell so much in the 7th period study hall?

Booker is always seen in the office. Could you know Bonnie?

Frettie Jo sits close to Clifton in the 7th period study hall. Wonders will never cease.

Clodell is always winking at the girls. Is it because the boys wink at her?

Mr. Conger has to call Ruth and Wanda Zell down so many times in the 3rd period.

Alle Joe and Terry are always exchanging such loving glances? Who was that freshman girl that was with Alvin Rae Moore last Saturday night? Could it have been Myrtle Daniels?

Wonder why Tech was so anxious to know if there was a law against "kissing"?

Won't Dorothy A. M. ever learn to keep her initials off her Public Speaking box?

Did Margaret Lucille and Mary Frances ever decide which one laughed the silliest?

Who was that cute little seventh grade girl with Sonny Kaiser Saturday night?

Why does George Childers nearly break his neck to get to sit with Aubra Lee Shook in Math class?

What's this we hear about Margaret Lucille bringing Miss Guthrie an apple?

Could that have been June we saw with Nolan Friday night?

Thelma, who was it if you had a little boy shooting at Wanda Z. E. and Dorothy A. M. in the show Sunday. Could it be because they were with Junior Hash?

What's this we hear about Shorty and June going together Saturday night? Where was Lewis Glynan, June?

Wonder who Anne is getting letters from? Couldn't it be an old flame? Could it Anne?

Wonder why W. H. was feeling so happy Friday night. Could it be a certain girl that he was with?

What is the matter with "Red" Maxwell this year. He doesn't seem to be interested in school or football? Sure, enough, he's "Gone With the Wind."

What does Dorothy Allen mean by wearing a Senior class ring with a "red" set in it? Is it because it matches that red-haired full-back's hair?

Buck, can't you make up your mind who is going to wear your ring or have you decided the safe thing to do is to wear it yourself?

What does Margie mean by "I Ain't Got Nobody"?

Who is it that just can't make up their mind how to fix his hair? What about it, Tech?

Why did Guy look so tired Monday morning? Could it be because he climbed the Gail mountains Sunday? Ask Margaret Lucille.

What's this we hear about June wearing a certain Senior ring? How about it Lewis Glynan?

Wonder why Nila Rae won't tell who she was with last Sunday night.

Why doesn't Thelma like Shorty any more? Why did Clodell want to play hooky from school Friday?

**SEE THIS NEW GOODRICH TIRE WITH THE SUPER-POWER TREAD**

**IT BITES! IT DIGS! IT PULLS!**

**SUN-RESISTING RUBBER**

**START SAVING NOW**

Here's the new tire every tractor owner will want. It's the new Goodrich Hi-Cleat Silvertown — the tire with the SUPER-POWER tread.

Each cleat is built to cut into the soil like a spade lug. Shoulders are extra high for added traction. The tread works like a gear with the lugs forming the teeth. As the tire rolls over the ground these "teeth" dig into the soil. Between the rubber lugs the dirt is formed into upright "teeth" meshing with the rubber teeth of the tread.

With this new tire you can save enough on fuel and repairs to pay for a new plow, a washing machine, or a cream separator! Why not start to get these big savings now? Let us give you prices on changing over your tractor. We have an easy-payment plan which will give you plenty of time to pay for the tires.

What's more, Goodrich Silvertowns are built of Sun-Resisting Rubber, a discovery that makes tires last longer. It prevents quick deterioration from constant exposure to sunlight. It's a Goodrich discovery — it's a Goodrich feature.

**LOOK! SEE THIS NEW FRONT WHEEL "SKID-RING"**

You never saw anything like this before! It's the new Goodrich "Skid-Ring" for front wheels. There's a rubber flange on the center of the tire. It cuts through the soil, makes the tractor easy to steer, easy to turn. The new Goodrich "Skid-Ring" lets you turn sharper. It does not cake up with mud. Because of the cantour and smooth sidewall, it does not pick up soil and bind at the fork.
