TAKING OUT TWO AT A TIME--Muleshoe Mule Mark Moton, No. 22, waits for Sergio Leal, No. 50, to take out a couple of Indians to clear the path for Moton to make some of the nearly 200 rushing yards he had Friday night. To the right, David Vela, No. 64, looks on as the action is underway. The Mules will take on Frenship on their home field Friday night for homecoming.

Indians' Late Rally Overpowers Big Mules

Once again, the Mules fell victim to their mistakes Friday night and dropped their second game of the season to the Morton Indians.

Coming out in full war paint, the Indians downed the Mules by a 22-16 score.

Morton got on the scoreboard first, with 8:12 left in the first when Keith Hawkins slammed over the end zone line on a five yard plunge. An attempt for the extra point failed.

This was followed almost one minute later by a 60 yard dash by Mark Moton with 7:14 left in the first. Moton broke through the line and raced downfield to add six points for the Mules. Ray Vinson booted through the extra point, and the Mules led at the end of the first, 7-6.

Undaunted, the Indians came back and Hawkins again found paydirt from the one yard line. With 1:21 showing on the scoreboard clock, the attempt by Hawkins to run in an extra point failed, and the halftime score showed Muleshoe 7-Morton 12.

In the third, with the wind at his back, and after the Morton tough defense had held the Mules out of the end zone, Ray Vinson booted through a 23 yard field goal with 1:44 left to play in that quarter.

Again in the third, Vinson tried a field goal of 55 yards. With five seconds left on the clock in the third, his 55 yard attempt fell short of the goal.

At the end of the third quarter, it was Muleshoe 10 and Morton 12.

In fourth quarter action, the Mules took the lead on a 24 yard scramble by Moton. He broke through tacklers and added the points to bring the Mules out to a 16-12 lead over

the Indians.

Moton got trapped behind the end zone to add two points to the Indians' score with 30 seconds left on the clock to play in the game. This was followed by a kick off to the Morton Indians. They took over on the Mules 41 yard line.

With 16 seconds left in the game, Keith Hawkins made it 37 yards to the Mule three and with only four seconds left in the game, slammed over for the

winning score.

The Indians then added two points to make the final score of 22-16.

During the game, the Mules had four fumbles and one interception, to add to their woes.

Quarterback Todd Jones completed three of seven passes for 27 yards and the Mules had 226 yards on the ground, led by

Farm And Ranch Safety Encouraged By Officials

Bailey County Judge Gordon H. Green has proclaimed September 16-22, 1984, as "Farm and Ranch Safety Week" in

Bailey County, at the request of J.L. Dale, Bailey County Farm Bureau president.

This year marks the 41st annual observance of National Farm Safety Week, co-sponsored by the National Safety Council and the U.S. Department of Agriculture. Farm Safety Week was founded in 1944 to fight accidents impairing wartime food and fiber production. The theme, Manage for Better Safety and Health, recognizes that safety and health must be a management goal if losses due to farming accidents and illnesses are to be controlled.

In the proclamation, Judge Green said, "I urge every man and woman engaged in farming and ranching to make basic safety and health a priority in every activity and task on the job, in the home and on the highway."

Bailey County Farm Bureau President Dale said, "We wish to emphasize this year's Farm Safety Week theme--'Manage for Better Safety and Health'--Successful farmers and ranchers know that how well they use their heads at the desk is just as important as how well they use their hands in the field. There's just no substitute for good management. They also know accidents and work-related illnesses cost time, money and sometimes life, and that there's no substitute for making safety and health a top management goal."

Ambulance Operating Without State Permit

Bailey County Judge Gordon H. Green was in Lubbock Friday and met with Roger Mitchell, Program Director for Emergency Medical Services for the Texas Department of Health.

Judge Green met with Mitchell in an attempt to get an extension on the temporary permit issued for the ambulances based in Muleshoe.

According to Judge Green, the ambulances which had officially been 'stopped' from service at midnight on Thursday, were going back into service at 5 p.m. on Friday, "for the weekend."

It was expected that a necessary piece of equipment for the ambulance, a traction splint, had not arrived, and West Plains Medical Center Hospital administrator Bob Haralson told Judge Green the splint had been re-ordered from another source and was due to arrive in Muleshoe on Monday or Tuesday.

Staffing the ambulance for the weekend, according to Judge Green, were Todd Ellis and Wayne Wauson, both Texas-certified Emergency Medical Technicians.

Both Ellis and Wauson, according to Haralson, had agreed to operate the ambulance during the entire weekend. It was expected that the splint in question would be borrowed from another ambulance operation and would be used in the local ambulance until the ordered splint arrives.

Unofficially, the ambulance was 'shut down' at 2 p.m. on Thursday when Ambulance Director DeAnna Rasco submitted her written/resignation to the WPMC administrator, Bob Haralson.

From that hour, no ambulance was moved until after 5 p.m. on Friday, when Ellis and Wauson took over operations of the ambulance service.

Earlier last week, on Tuesday evening, most of the Emergency Medical Technicians (EMTs) who operated the ambulances, had notified the hospital they had resigned and would no longer be available to make ambulance calls.

Members of the local EMT Association, along with several nurses and LVN's from West Plains Medical Center, have operated the ambulance service since the hospital signed a contract with Bailey County on July 2.

Bailey County owns both the ambulances currently housed behind West Plains Medical Center, and provides all expenses for operating the ambulance, plus a subsidy of \$1,800 per month.

According to the contract between the county and the hospital, the rates established

Sudan Gets Stung By Wolverines On Home Field

It wasn't a good night in Sudan for the Hornets, as they got 'stung' in a late rally by the Springlake-Earth Wolverines, who came to visit. The Hornets fell victims in a 12-7 score by the visiting team.

Late in the Friday night game, the Wolverines managed to fend off a late Hornet rally and go on to win the game.

In the first half, Springlake-Earth scored both their TD's, one a 35-yard scramble by Billy Smith, followed by a three yard ramble by Carey Dayton.

The PAT attempts failed and the Springlake-Earth scoring ended.

Sudan's score came in the third quarter on a nine yard dash. Jaime Ingle made the extra point.

Muleshoe High School FFA Booster Club will hold their first fall meeting on Monday, tomorrow, at 8 p.m. in the High School ag building.

Carl Wheeler, vo-ag instructor, said all parents of vo-ag students are asked to attend if they are interested in their child's activities.

"Your children need your help and supervision, especially with the new laws in effect affecting your student," said Wheeler.

On the agenda will be to discuss the new school policies, discuss new school policies and discuss ways and means to support FFA in Muleshoe.

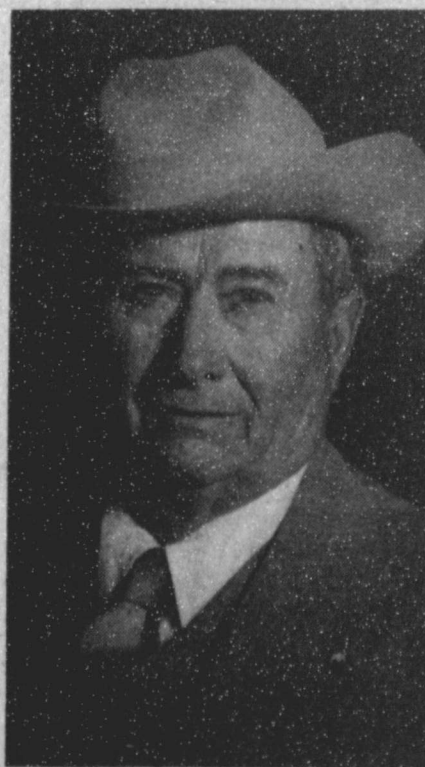

Also, new officers will be elected for the 1984-85 school year.

Wheeler said refreshments will be served.

The Grady (N.M.) senior class is sponsoring a 10-K, one mile and Fun Run, along with a Superstars competition, on Saturday, September 22, at 8 a.m.

R.O. GREGORY

R.O. Gregory Runs 'Write-In' Candidacy

R.O. Gregory, Long-time Bailey County resident, has authorized the Journals to announce his candidacy as a 'write-in' candidate for the position of Bailey County Commissioner, Precinct One.

Gregory will be seeking the seat during the general election in November. He was a candidate for the position in the May Primary, and lost in a runoff election to incumbent R.L. Scott by 13 votes.

In the May primary election, Scott had 44 percent of the vote at 210 and Gregory had 28 percent with 137 votes. The other vote was split between two other candidates, Catfish Williams and Hoss Gibson.

In June, Gregory lost to Scott by the 13 votes with Scott receiving 236 votes to 223 for Gregory.

Gregory commented, "I have been approached by a number of citizens who said they believe it is time for a change in the operation of the county government. They said they will back me all the way as a write-in candidate."

Gregory's name will 'NOT' appear on the ballot, but he said he sincerely solicits your vote and support. He asks that the voter write in his name 'R.O. Gregory' under Precinct One Commissioner on the

Candlelight Ceremony Unites Miss Williams, Ford

MR. AND MRS. JAY FORD
(nee Jon Ann Williams)

In a candlelight ceremony, Saturday, Aug. 25 Jon Ann Williams became the bride of Jay Ford of San Angelo.

Rev. Truman Johnson of Lubbock, former pastor of the Baptist Church in Sudan read the double ring vows that were exchanged in the home in the bride's parents, Mr. and Mrs. John Williams. Parents of the groom are Mr. and Mrs. Robert Ford of San Angelo.

The living room was decorated with two arched candelabras holding mauve colored candles with greenery and hanging baskets of swedish ivy

Sudan Young Homemakers Elect New Officers

The Sudan Young Homemakers held their annual salad supper Monday, Aug. 27 in the homemaking department of the school. A large variety of salads were served to members and their guests.

The theme was country, with the tables being covered with faded denim accented with red bandana napkins and little chickens that held recipes from wedgest. Everyone took recipes to exchange and displayed them in the holders.

Door prizes were given throughout the evening. A memory game was played following the meal. A tiebreaker was played to determine the winner. The prize was awarded to Kathy Gatewood.

A short business meeting was held following the meal to elect officers for the 84-85 year. Margaret Williams will be president, vice presidents, Ann Gaston and Julie Rigsby; Secretary/reporter, Deanna Humphreys; treasurer, Cindy Wiseman; historian, Jodee Tennyson.

Members attending were: Ann Carson, Jodee Tennyson, Kim McClanahan, Rita Conley, Margaret Williams, Cindy Wiseman, Neal Malherbe, June Pierce, Ann Gaston, Deanna Humphreys and Mechele Edwards.

Guests attending included: Lee Gipson, Denece McDonald, Mary Ann Brotherton, Ginger Richie, Kathy Gatewood, Mary Kay Baker, Debbie Phillips, Debra Lopez and Susan Donnell.

flanking either side.

Precious Johnson of Lubbock sang "Twelfth of Never" and "The Wedding Prayer" accompanied by Laura Powell at the piano. Laura Powell also lit candles. Gena Gustin registered the guests.

Given in marriage by her father, the bride wore a formal gown of white silk organza trimmed in Chantilly lace. The Queen Anne neckline was outlined with a ruffle of organza and lace and embroidered in seed pearls. The fitted bodice was embroidered also in seed pearls over lace. The full sleeves were lace with a fitted cuff edged in a ruffle of organza.

The full skirt was styled with two wide flounces of organza at the hemline, each bordered with a row of Chantilly lace. A row of organza and lace swept up the sides and came to a bustle effect at the waistline in the back where a wide satin bow with streamers completed the effect. The skirt flowed into a chapel train in the back.

Her fingertip veil of illusion was gathered with white ribbon on her picture hat and adorned with white miniature flowers. For her bridal bouquet she carried a cascade of white flowers atop her white Bible which served for something old. Something new was her hat. Something borrowed was her gown. She wore the traditional blue garter. In her shoes, she wore pennies minted in the years of their births.

Pam Dawson of West Brook served as matron of honor and

Library News

BY ANNE CAMP

Librarian Anne Camp and Izetta Shain, attended a meeting of the West Texas Library System at the Mahon Library in Lubbock, Thursday, Sept. 13. This was the annual fall meeting of Lay Representatives, and Council members for the purpose of election of officers for the 1984-85 fiscal year, along with other business. Mrs. Shain was elected Vice-Chairman of the Advisory Council Board. Librarian Anne Camp was appointed on the Audio-visual Committee for the system. The group enjoyed lunch at the New Holiday Inn. Appreciation goes to Izetta Shain for her participation as a lay Representative, and Advisory Council member, and now for her acceptance as an officer on the board.

Storyhour was held Wednesday morning for the children from the Methodist Day Care Center with 26 attending.

New rules for the use of the computer at the library are: use will be by appointment only. This should eliminate some of the confusion caused by a large group of children having to wait their turn. Children on their way from school should go home first, then bring a written note from a parent, or a phone call giving them permission to use the computer, before they will be allowed to use it. Also small children who are unable to read the instructions on the screen, must be accompanied by an older person to help them. The Library would like for adults as well as children to be able to use the computer, and these rules should help in that way.

Thompson Family Reunion Held Here

The Thompson family reunion was held Sunday, Sept. 9 at the American Legion Hall in Muleshoe. Mrs. Edith Gilliland was honored, along with her brothers and sisters.

Attending from Claude were Mr. and Mrs. Evert Johnson, Mrs. Gilliland's sister; and Mr. and Mrs. Lloyd Thompson and Mr. and Mrs. Sam Thompson, all of Plainview and brothers of Mrs. Gilliland.

Also attending were a number of children, grandchildren, and great grandchildren of the honored guests and several cousins.

"In all, 55 persons registered during the day and enjoyed lots of good food, games and visiting" said Margaret Stevens.

Family members attended from Amarillo, Lubbock, Claude, Plainview, Shallowater, South Plains, Boise City, Earth, and Estancia, N.M.

The family reunion is held each year the Sunday following Labor Day. This is the first year for it to be held in Muleshoe.

The Gilliland family who attended were: Mr. and Mrs.

Sudan CofC Plans Trip To Cowboys Game

The Sudan Chamber of Commerce met Tuesday, Sept. 4 at 7:30 p.m. in the community room of the bank for a meeting with Tom Rigsby, president, presiding. Minutes of the previous meeting were read and approved.

Plans for the chartered bus trip to Dallas were finalized. The Cowboys will be playing the St. Louis Cardinals at noon on Sunday. The bus will be leaving Sudan at 8 a.m. on Saturday, Oct. 6 at the city park by the Community Center. Final payment is due for the trip and may be given to either Tom Rigsby or Tommy Moss.

A discussion on the gazebo at the City Park was held. The gazebo has been almost destroyed by vandals and the group suggested that Jerry Brotherton, industrial arts teacher and his students may finish taking it down and make something that may be used by the entire community.

Another Something Special for the near future was also discussed.

Attending were Pete Lance, Hoyt Robertson, Kenneth Richards, Pitts Davis, Pudd Wismen, Tom Rigsby and Jonelle Bandy.

MR AND MRS MARC LENAU
[nee Tammy Niles]

Tammy Niles, Lenau Exchange Marriage Vows

Miss Tammy J. Niles became the bride of Marc N. Lenau in a candlelight ceremony at 6 p.m. July 28 in the Unitarian Universalist Fellowship of Columbia, Missouri. Vows were read by the Rev. Gertrude Lindener-Stawske.

Parents of the couple are Billy and Delores Niles and Charles and Linda L. Lancaster Lenau, all of Columbia. Lenau is the grandson of Julian and Lois Lenau of Muleshoe and D.B. and Mary Lou Lancaster of Austin, formerly of Muleshoe.

Ann White provided traditional wedding music at the piano.

The bride wore an original creation in white taffeta, featuring a portrait neckline accented with a taffeta ruffle trimmed in French silk Venice Lace and long fitted sleeves with lace at the cuffs.

The full skirt fell from a Basque waistline and it was bordered by a taffeta and lace

ruffle which flowed into a diminutive sweep train. The matching fingertip veil of imported English bridal illusion was secured by a lace cap accented with seed pearls. The bride carried a bouquet of white carnations and baby's breath accented with blue ribbon.

Debbie Stone, sister of the bride, served as maid of honor and Penny Burks was bridesmaid. Jessica and Jenifer Lancaster of Dallas, cousins of the groom, served as candlelighters. Christy Stone, niece of the bride, dropped flower petals down the aisle.

The groom was attended by Alan Marston, best man, and Ricky Burks, groomsman. Robert Wood and Joe Kennedy, cousin of the bride, served as ushers. Craig Stone, nephew of the bride, carried the rings.

Charlotte Lenau, sister of the groom, presided at the guest book and Joan Railton acted as hostess for the champagne reception which was held at the church. After the reception, the bride and groom hosted their family and friends at a western dance held at Good Time Country in Columbia.

The groom is a graduate of Linn Technical College, Linn Missouri, and is presently employed as an auto mechanic at K-Mart in Columbia. The bride is a graduate of Columbia College of Hair Styling. Both are graduates of Hickman High School in Columbia, Missouri.

ENGAGEMENT ANNOUNCED--Ms. Dianne Gustin of Muleshoe and Ronnie Gustin of Anton announce the engagement and approaching marriage of their daughter, Debbie Gail to Bret Dale Brown, son of Mr. and Mrs. Bobby Brown of Lorenzo. The couple plans an Oct. 19 wedding in the First Methodist Church in Anton. The bride is a 1984, graduate of Anton High School and will be attending Jessie Lee's School in Lubbock. Brown is a 1981, graduate of Lorenzo High School and is engaged in farming. The couple will make their home near Lorenzo.

William Brandon Smith

Mr. and Mrs. Ronnie Smith of Clovis, N.M. are the proud parents of a son, William Brandon, born at 11:42 a.m. (MDT) Sept. 11 in High Plains Hospital at Clovis.

The young man weighed seven pounds 13 1/2 ounces and was 21 1/2 inches long. He is the couple's first child.

Nursing Home News

by Joyce Stancell

Residents having a birthday in Sept. are Ernest Kerr 9-18-1914, Claudia Cannon 9-6-1900. I'm sure a card or visit from you would bring "sunshine" to their day.

Happy GrandParents Day to all Grand Parents. Sept. 9th is your day, have a happy one.

We are happy to welcome our new resident. He is Mr. Fred Peat. He is from Minnislka Ks. He was born Aug. 24, 1891 Conway Springs, Ks. He is a member of the Christian Church.

Thank you, thank you thanks auxiliary ladies. We are so proud of our new microwave oven and cart. It is so nice.

Lois Ethridge was visited by her brother Bruce Slayden.

We were all so happy for a sweet but short visit by Effie Smith last week.

Our thanks to the Harris family for sharing the beautiful fall bouquet of flowers.

A delayed, but nevertheless,

a special big thank you to the volunteers for their donation of a new gas grill. We are so proud of it & plan to put it to good use.

Thank you Truth Seekers of the First Baptist Church for your generous donation for our craft class.

The Spudnut Shop brought a great big box of Spudnuts to the Nursing Home. Fri. Thank You Spudnut Shop.

Josphine Winner made all of the employees a wrapped coat hanger. We are very proud of them.

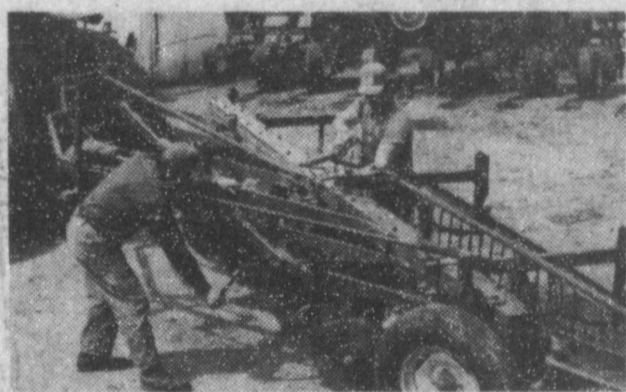

Wed. morning in the Day Room was a very educational and tasty occasion for the residents and visitors of the Nursing Home. We took a trip to the Orient by way of food, lecture, and decor. Ruth Hall prepared a very tasty oriental dish. It was served with hot tea. Doc Goucher was our guest speaker. He gave us a lot of interesting information on the Orient.

Elizabeth Harden visited Grace Morris Wed. Her family visits her everyday.

Mrs. Charles Lewis & Jeff visited Demp Lewis Wed. Eve.

Thank You Skeet Bradshaw for helping decorate the dining room Fri. The leaves and quail really give us a feeling of fall.

Moton's 192 yards on 22 carries. Jerry Gleason carried nine times for 53 yards and Smiley Orozco carried for three times.

Leading rusher for the Indians was Keith Hawkins who had 17 carries for 122 yards.

Indian quarterback Jimmy Moore completed seven of 21 passes for 116 yards.

Muleshoe had 12 first downs to 15 for Morton and the Mules had six penalties for 35 yards, while Morton tallied up 15 penalties for 75 yards.

Sergio Leal appeared to have an outstanding night defensively as he was all over the field, and even in one instance, was

knocked flat on his back, got up and still managed to 'sack' the Indian quarterback well behind the line.

Next Friday night, the Mules will be taking on the Frenship Tigers on their home field in homecoming activities for Muleshoe.

Develop a safety and health plan tailored to your operation and those who live and work on your place.

Keep informed about safety and health. Attend local events that include them. Encourage children to take part in 4-H, FFA and other safety project.

Carry out regular safety inspections of equipment and facilities.

Buy quality products, then use and care for them as directed in product manuals, on labels/or as instructed by product suppliers.

Train your help, then see that they work safely.

Take needed precautions before starting a job. Have the right tools. Check out equipment. See that shielding is on, that correct personal protective equipment is worn.

Take care of your health. Be fit and ready for a safe day. Avoid activities that require normal competence if ill or taking strong medication or alcoholic drinks.

Respect limitations of mind and body. Take action to reduce stress. Get enough rest and take work breaks to reduce fatigue.

Keep children off and away from machinery. Give youngsters chores they can safely handle.

Be prepared for medical, accident, fire and weather emergencies.

Gregory...

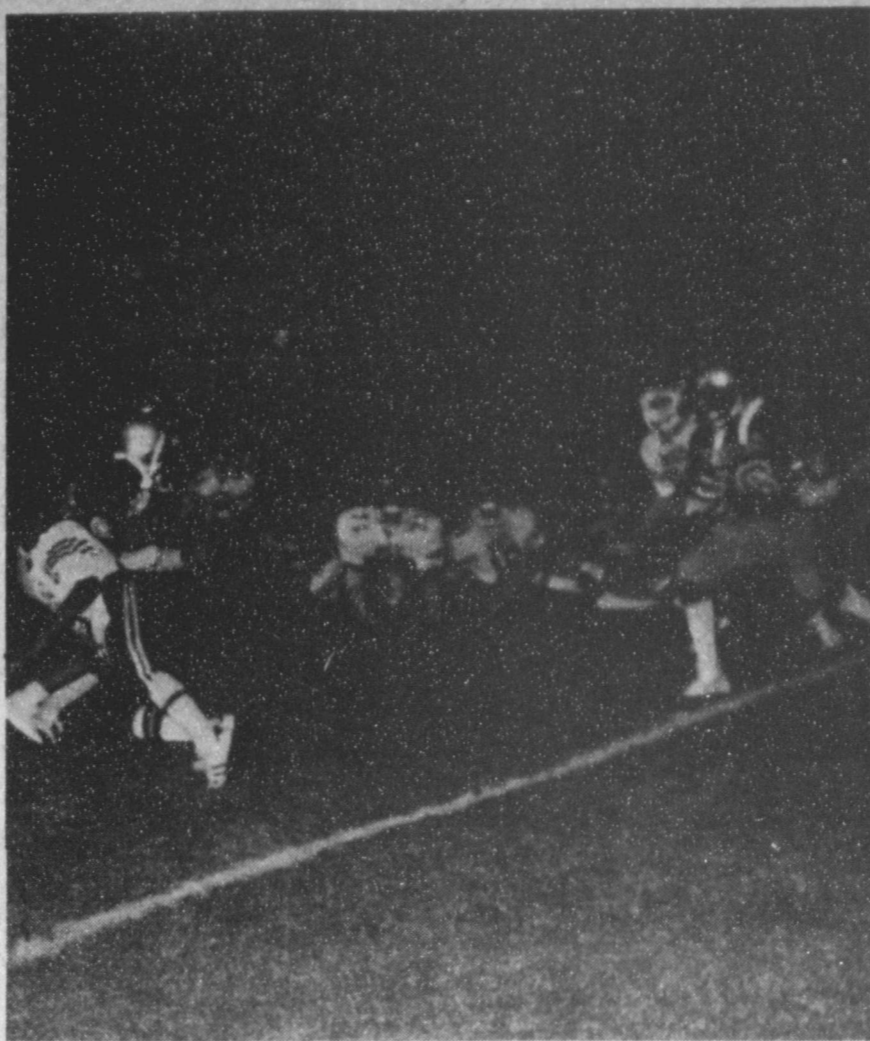

con't from Page 1

Leon Lewis of Route One, Box Five, Muleshoe, is treasurer for the write-in campaign.

Gregory is a native of Idalou and graduated from Idalou High School, moving to Bailey County in the fall of 1946 where he engaged in farming. He has been active in farming for 39 years, in Bailey County and Precinct One.

About 15 years ago, he also became involved in the blacksmith business and is currently the owner of Leo's Blacksmith. The business is managed by his son-in-law, Butch Vandiver.

The candidate is the father of three children, all graduates of Muleshoe High School. Gregory and his wife, Fern, are members of the First United Methodist Church of Muleshoe.

DEFENSE IN ACTION--Friday night at Morton, the Mules' defense was good, but not good enough to stop the Indians as they were on the prowl in a victory hunt. The Indians overpowered the Mules and won the game by a score of 22-16.

Donae Parker State Winner

Donae Parker, 17-year old daughter of Mr. and Mrs. Don Parker, of Maple, recently received first place in the state 4-H Record Book Competition. Her entry was in the Home Environment category and competed against entries from all across Texas. Donae has been in 4-H nine years and is

currently a senior at Three Way High School.

Donae received the award based on her outstanding home environment projects which include woodworking, furniture refinishing, and interior decorating.

Donae's record book also highlighted her outstanding leadership activities, such as serving as president of the Three Way 4-H Club and serving as a member of both the Bailey County 4-H Council and the South Plains 4-H Council.

She has won an opportunity to attend the National 4-H Congress in Chicago, Ill. in November. The award is sponsored by the National 4-H Council.

Besides her 4-H activities, Donae is a cheerleader for the Three Way Eagles, and an honor student. Her other 4-H projects include sheep, horticulture, clothing, food and nutrition, swine and citizenship. Donae plans to attend college and study accounting and math.

September 15, and after that time, entry fee is \$7.50. Both the 10-K and Superstar run can be entered for \$10. For information contact Don Reynolds at 505-357-8790, or write Grady High School, P.O. Box 71, Grady, N.M. 88120.

The Texas Tech University Health Sciences Center School of Medicine has admitted 100 students into the Class of 1988. The students represent the thirteenth class to begin study at the School of Medicine.

In the entering freshman class is Stephen O'Grady, the son of Mr. and Mrs. James O'Grady of Muleshoe. He graduated from Southwestern Oklahoma State University with a Bachelor of Science degree in Pharmacology.

The students will spend the next two years at the Texas Tech University Health Sciences Center Lubbock campus, studying the sciences basic to medicine. Their third and fourth years will be spent at the Regional Academic Health Centers in Amarillo, El Paso or Lubbock clinical rotation through the various medical specialties.

Members of the Texas A&M Club are currently taking donations in the amount of \$1 on an opportunity to win a Remington Model 1100, 12 gauge shotgun.

Proceeds from the project will be used for the A&M scholarship fund, and the drawing is scheduled for Thursday, October 18.

For tickets contact, Max Crittenden, Gary Hooten, Dr. Barry Cowart or Sheryl Kimbrough.

Muleshoe Elementary P.T.A. once again is offering the Mini-Mule T-shirt for sale. The T-shirt range from size extra-small to adult sizes.

Cost is \$6 per shirt. T-shirts may be purchased to Dillman Elementary School from Mrs. Hicks; DeShazo Elementary School from Mrs. Perez; or contact Jean Richardson, Rhonda Hugg, Toni Eagle or any P.T.A. officer or chairman.

Richland Hills Baptist Church WMA will hold a Bake Sale on Wednesday, September 19, at Pay and Save Grocery. They encourage you to purchase your baked goods, and save your time and energy.

For special orders, call by Monday, and they will have your order ready for you. Call 272-4088 or 272-3186.

Lana Copp of the Lazbuddie Young Homemakers, said their annual pecan sale is getting underway, and they are currently taking orders. Del Cerro Pecan Halves will again be \$3.50 per pound this year, and you may place your order by calling Debbie Magby at 965-2793 or Mandi Seaton at 965-2438.

DECA Will Serve

Sausage, Brisket

For Homecoming

Next Friday night, preceding the Muleshoe-Frenship Homecoming game, the Muleshoe High School chapter of Distributive Education Clubs of America (DECA) will host a German Sausage and Barbecue Brisket supper.

They will be serving at the Muleshoe High School cafeteria from 5:30-8 p.m. Friday, September 21. For just \$4 for adults and \$2.50 for children age 11 and younger, the meal will consist of German sausage, barbecued brisket, potato salad, red beans, homemade rolls, fresh garden vegetables, cobler, tea or coffee. The sausage and brisket is prepared by Winkler's Meat Market and the meal includes "all you can eat."

Tickets are now available through any DECA student or at the door of the High School cafeteria. Muleshoe DECA students, parents and training sponsors said they would like to invite you to join them Friday, September 21.

Ambulance...

Comptroller

Plans Seminar

State Comptroller Bob Bullock said this week Bailey County residents with questions about changes in state tax laws can get answers during a special seminar to be held 2-4 p.m. on Thursday, September 20, at the Commissioner's Courtroom in Muleshoe.

The state sales tax rate is going up and a number of new items and services will be taxable for the first time beginning October 2," Bullock said. "We are holding seminars across Texas so that these changes won't come as a surprise to anybody."

Comptroller representatives will explain the changes and answer questions during the seminar. The meeting is open to the public, Bullock added.

Bailey County residents who cannot attend the seminar should contact the Comptroller's Field Service Office in Lubbock at 806/795-0691 or call the Comptroller's toll-free tax hotline at 1-800-252-5555 for answers to their tax questions.

Class Of 1965

Slates Reunion

Next Weekend

Muleshoe High School's Class of 1965 is planning their 20 year class reunion on Friday and Saturday, September 21 and 22.

Seats have been reserved for the class members to sit together at the Homecoming game Friday night, September 21. Also, a dinner and program will be held at 7:30 p.m. on Saturday, September 22, at the Catholic Center.

An attempt is being made to contact all members of the 1965 class, so if you know of anyone, you are asked to invite them to the reunion.

For additional information, contact Gene Atkins at 946-3334 or Wanda Horn or Julie Bruns at 272-5501.

Steps Can Reduce Tractor Thefts

(EDITOR'S NOTE: This is the second of three articles on farm equipment theft.)

COLLEGE STATION---There was a time when farmers and ranchers didn't worry much about locking doors on their barns or homes. Unfortunately, times have changed--so much so that the rural crime--particularly theft--is now outpacing urban crime.

Despite the rapid increase in rural crime, farmers and ranchers still don't take many steps to prevent theft, says Dr. J. Fred Cross of Stephenville, a community development specialist with the Texas Agricultural Extension Service, Texas A&M University System. Tractors, in particular, are a major theft item due to their high price tags--\$45,000 and more.

"Farmers and ranchers can do a lot to prevent the theft of tractors and other equipment," notes Cross. "Every thief has to have three things: the motivation to steal, a victim and an opportunity. Farmers and ranchers can control the 'opportunity'."

The specialist lists a number of things that can be done to remove the opportunity for tractor theft:

1. Remove the rotor. On gasoline or LP fuel tractors, this will disable the ignition system. Even though many professional thieves carry extra rotors, this step will discourage amateurs who like to "hot wire" the ignition.
2. Shut off the fuel line. On diesel fuel tractors a locking

fuel line cut-off can be installed. These cut-offs will prevent the thief from starting the tractor.

3. Lock in gear. Many tractor thieves use tilt bed trucks or trailers and a winch line to load a tractor. If the tractor's transmission cannot be put in neutral, then the wheels will not turn readily, making loading difficult. A hinged metal plate can be welded onto the tractor that can be folded across the transmission and then padlocked to keep the shift in gear or park position. A long shanked, heavy duty padlock, such as one used to lock motorcycle wheels, also can be used to lock the gear shift and steering wheel together to keep the tractor in gear and to prevent steering.

4. Chain the wheels. A heavy duty ardened chain and good padlock can be used to chain together the front and rear wheels or both rear wheels. This will keep the wheels from rolling and will make loading difficult. The wheels or frame also can be chained to immovable objects, such as a large tree.

5. Watch it. If a tractor or other equipment has to be left in the field, park it so that it can be watched by someone, possibly a neighbor.

6. Hide it. If a tractor or equipment must be left where it can't be watched, then park it out of sight behind a hill, trees or brush.

Following these practices may not completely halt thieves, says Cross, but it will deter them in many instances.

A lot of exhibits were entered in the Bailey County West Plains Fair last weekend, and a large number of ribbons were awarded. Below are listed the categories, and the ribbon winners, in order, as to first, second or third place.

SANDHILLS PHILOSOPHER

Editor's note: The Sandhills Philosopher on his Johnson grass farm on Sandy Creek discusses rivers and politics approximately this week.

Dear editor: At their conventions this past summer both Republicans and the Democrats claimed they're "in the mainstream of American life."

I don't believe either party has given proper attention to that figure of speech.

Anybody caught in any main stream or any of its tributaries would be wise to get out as fast as he can and be sure not to swallow any of the water. It might be a good idea also to immediately take typhoid and polio shots. Who'd want to swim in the Mississippi? Or the Hudson? Or, right there in Washington, the Potomac? Or most any river or creek anywhere else?

Anyway, if they'll get out of the main stream, dry off and take their shots, politicians ought to turn their thoughts to the deficit, which is now over 175 billion dollars. And every day of the week, including Sundays, the government goes deeper in debt. The deficits run up in the last three years total more than all the deficits compiled since the nation was founded.

The Democrats say the way to whittle down that awful deficit is to raise taxes, but they don't say where.

The Republicans say no, the way to do it is to cut spending, but they don't say where.

Another group says the way to do it is to close the tax loopholes. I'd like to see them closed, but if they can't close 'em I'd like at least to have 'em pointed out.

Four years ago Mr. Reagan said he was going to wipe out the deficit. Now Mr. Mondale says he's going to reduce it by two-thirds.

I tell you, if they keep making promises like that it's going to bankrupt us.
Yours faithfully,

CLEAN UP DURING YOUR JOHN DEERE DEALER'S CLEAN OUT SALE

The John Deere factories are offering us tremendous allowances and we're passing them on to you. Some are in the thousands of dollars. And on top of that, you can choose cash rebates or interest-free financing periods on many items. It all adds up to big bucks. Look over these deals, then stop by our dealership and look over the equipment. We're cleaning out and you can clean up.

NEW TRACTORS. Special allowances on 50 Series (4050, 4250, 4450, 4650, 4850) worth up to many thousands of dollars. Generous allowances on utility and 4-WD models, too. If you finance with John Deere there are even greater savings: pay no interest until March 1, 1985... or take a cash rebate as described in the chart.

USED TRACTORS. Finance a used tractor of 40 or more horsepower with John Deere and get it interest free until March 1, 1985.*

NEW COMBINES. All models carry special factory allowances of multi-\$1000s.

USED COMBINES. Interest-free to January 1, 1985*, if financed with John Deere.

HAY AND FORAGE EQUIPMENT.
OFFER #1—Pick-A-Team cash rebates up to \$1600 on new John Deere hay and forage tools. Buy one now and receive a cash rebate. PLUS a certificate entitling you to a double cash rebate if you purchase a second tool anytime before April 30, 1985.

OFFER #2—Interest-free financing until January 1, 1985, on new and used SP and PTO forage harvesters.*

OFFER #3—Interest-free John Deere financing until 1985* season of use on new and used round and square balers, SP windrowers, mower/conditioners, mowers and rakes. (Cash in lieu of waivers on new units only, except mowers and rakes).

There'll never be a better time than RIGHT NOW to make this kind of savings. The factories have authorized it. Your dealer is waiting for you.

PUBLIC NOTICE
BRIEF EXPLANATORY STATEMENTS OF PROPOSED
CONSTITUTIONAL AMENDMENTS
GENERAL ELECTION
NOVEMBER 6, 1984

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 29 proposes a constitutional amendment that provides to state-chartered banks the same rights and privileges that are or may be granted to national banks of the United States domiciled in this state. For example, if national banks become authorized to maintain branch offices, this amendment would extend the same privilege to state banks.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide state banks the same rights and privileges as national banks."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that restructures the Permanent University Fund to provide: (1) for the expansion of the institutions eligible to participate in the bonding capacity of the fund to include the components of The University of Texas and Texas A&M University systems that have been added to those two systems of higher education since the Permanent University Fund was last restructured by constitutional amendment; (2) for the expansion of the purposes for which bond proceeds can be expended from new construction to include major repair and rehabilitation projects and the acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials; (3) for an increase in the bonding capacity from 20% (3% for The University of Texas System and 1% for the Texas A&M University System) to 30% (20% for The University of Texas System and 10% for Texas A&M University System) of the value of the assets (exclusive of real estate) in the Permanent University Fund in order to provide sufficient bond proceeds to care for the addition of 10 new institutions to those authorized to participate in the Permanent University Fund bonding program and to care for the expanded purposes for which the bond proceeds can be spent; and (4) for the dedication of the dividends, interest, and other income from the Permanent University Fund remaining after payment of principal and interest due on bonds and notes issued, to the provision of support and maintenance (over and above normal legislative appropriations) for Texas A&M University in Brazos County, Prairie View A&M University, and The University of Texas at Austin.

House Joint Resolution 19 also annually appropriates \$100 million in each fiscal year, beginning September 1, 1985 (from the first money coming into the state treasury that is not otherwise appropriated by the constitution) for the use of those

agencies and institutions of higher education which are not included in The University of Texas or Texas A&M University Systems and, therefore, not eligible to participate in the Permanent University Fund bonding program. The amount of this appropriation could be adjusted every five years by a 1/2% vote of the Legislature, but could not be adjusted in such a way as to affect outstanding bonding indebtedness. Each institution of higher education that is eligible to participate (i.e., those institutions of higher education outside The University of Texas and Texas A&M University Systems) would be authorized to expend directly its share (such share to be determined pursuant to an equitable formula) of the \$100 million appropriation for the purposes of acquiring land, constructing and equipping buildings or other permanent improvements, major repair and rehabilitation of other permanent buildings or improvements, and acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials. Additionally, each institution would be authorized to issue bonds backed by a pledge of up to 50% of its share of the \$100 million annual appropriation for the purpose of land acquisition, new construction, and major repair and rehabilitation projects.

Except in the case of fire or natural disaster and in other extraordinary cases, verified by a two-thirds vote of each house of the legislature, all institutions of higher education would be precluded from receiving appropriations of general revenue funds for the purposes of land acquisition, new construction, and major repair and rehabilitation projects.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to create from general revenue a special higher education assistance fund for construction and related activities, to restructure the Permanent University Fund, and to increase the number of institutions eligible to benefit from the Permanent University Fund."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 65 proposes a constitutional amendment which authorizes the legislature to provide for the payment of assistance to the surviving dependent parents, brothers, and sisters of officers, employees and agents of the state or its political subdivisions, including members of organized volunteer fire departments and members of organized police reserve or auxiliary units authorized to make arrests, who die in the course of performing hazardous official duties. Payments to surviving spouses and dependent children of

such officers, employees, and agents are already authorized by the Constitution.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for payment of assistance to the surviving dependent parents, brothers, and sisters of certain public servants killed while on duty."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 20 proposes a constitutional amendment which abolishes the office of county treasurer in Bexar and Collin counties if a majority of the voters in each of those counties vote in favor of abolishing the office of county treasurer in a local election to be held on the issue. All the powers, duties, and functions of the office of county treasurer in each of these counties would be transferred to the county clerk.

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 22 proposes a constitutional amendment which provides a new method of filling a vacancy in the office of Lieutenant Governor. The amendment requires the President pro tempore of the Senate to call together the committee of the whole Senate within 30 days after a vacancy occurs in the office of Lieutenant Governor. The committee would be required to elect one of its members to perform the duties of the Lieutenant Governor until the next general election. This individual would continue his duties as Senator at the same time that he performs the Lieutenant Governor's duties. If the Senator who is elected ceases to be a Senator before the next general election, another Senator must be elected according to the above procedure to perform the Lieutenant Governor's duties. The President pro tempore would be required to perform the Lieutenant Governor's duties pending the election of one of its members by the committee of the whole Senate.

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that permits the use of public funds and credit for payment of premiums on non-assessable life, health, or accident insurance policies and annuity contracts issued by a mutual insurance company authorized to do business in this state. The constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company has limited life and health group policies of political subdivisions to non-mutual insurance companies. The amendment would permit mutual insurance companies to bid for those policies.

The proposed constitutional amendment will appear on the ballot as follows: The constitutional amendment to permit use of public funds and credit for payment of premiums on certain insurance contracts of mutual insurance companies authorized to do business in Texas."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment to change the membership of the State Commission on Judicial Conduct to include one Judge of a Municipal Court and one Judge of a County Court at Law, who shall be selected at large and appointed by the Supreme Court with the advice and consent of the Senate.

The amendment also provides additional grounds for removal from office of judges or justices of Texas courts, and provides additional disciplinary actions that could be taken in lieu of removal or censure. The amendment would extend the Commission's disciplinary authority to masters, magistrates, and retired or former judges who hear cases by designation. The amendment creates a tribunal to review recommendations of the State Commission on Judicial Conduct for removal or retirement of a judge or justice. The review tribunal would be composed of seven (7) Justices or Judges of the Courts of Appeals selected by lot by the Chief Justice of the Supreme Court. The amendment also provides for appeal of the review tribunal's decision to the Supreme Court of Texas and grants an accused judge the right to discovery of evidence.

The proposition will appear on the ballot as follows: The constitutional amendment relating to the membership of the State Commission on Judicial Conduct and the authority and procedure to discipline active judges, certain retired and former judges, and certain masters and magistrates of the courts."

PROPOSITION NO. 8 ON THE BALLOT

House Joint Resolution 22 proposes a constitutional amendment which increases the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount set in federal income tax statutes as of January 1 of that same year as a deduction for ordinary and necessary business expenses incurred by a state legislator. Current per diem is \$30; the maximum deduction is now \$75.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide a per diem for members of the legislature equal to the maximum daily amount allowed by federal law as a deduction for ordinary and necessary business expenses incurred by a state legislator."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitucion que apareceran en la boleta el dia 6 de noviembre de 1984. Si usted no ha recibido una copia de los informes en español, podra obtener una gratis por llamar al 1/800/252/9602 o por escribir al Secretario de Estado, P.O. Box 12887, Austin, Texas 78711.

Texans Conscious Of Colds, Flu

With cold, wet weather here, many Texans are becoming more conscious of "colds" and "flu". Some rely on home remedies to cure their diseases, while others take unreasonable steps to avoid them — such as becoming virtual hermits or wearing garlic around the neck.

It has been estimated that at least 227 million acute coldlike illnesses occur each year in America. This number only accounts for those people who seek medical treatment or who restrict their work or school activity for at least one day.

The major factor in determining who will catch a cold is the variety and amount of antibodies within the body. A person who has had colds in the past will have more antibodies — this is why adults seem to have fewer colds than children. Children have not had the chance to develop resistance to many types of viruses and may have 10-12 colds per year. Also, children may not have the antibodies to fight the virus and their colds may seem worse than an adult's.

Common ways to transmit cold viruses are through hand-to-hand contact or through inhalation. There is little chance of preventing the inhalation of viruses — even wearing gauze masks is not beneficial. Transmitting of virus by hand-to-hand contact may be lessened if the person with the cold washes his/her hands frequently and avoids touching the nose or nasal secretion.

The incidence of colds seems to increase in winter and rainy weather. However, this is due more to our behavior than to the environment — on wet cold days, people gather indoors where the virus can easily be spread.

What should you do if you catch a cold? (1) If you have a fever, take aspirin or acetaminophen as directed on the package. (An aspirin substitute is preferred for children.) (2) Drink plenty of fluids — juice, hot beverage, chicken soup — to help loosen secretions. (3) Get plenty of rest. (4) Wash hands frequently. (5) Keep hands/fingers away from eyes and nose. (6) Keep dishes, eating utensils, and towels separate from those of healthy persons. (7) Cover mouth and nose when sneezing or coughing and wash hands after the sneeze/cough. (8) Wash hands before preparing food and wash hands after "reaching for the Kleenex." (9) If you have any chronic disease, check with your physician before taking over-the-counter drugs. (10) Over-the-counter drugs may help relieve symptoms but they do not cure the cold — the best relief still seems to be drinking plenty of liquids and getting plenty of rest.

You should call the physician about your cold if (1) your cold lasts more than 7-10 days, (2) your cold worsens, (3) a high fever develops, (4) your cough or sore throat is severe, (5) ear-pain develops, or (6) it becomes more difficult to swallow.
