

Board Completes Election Of 1934 Faculty Thursday

Completion of the election of the faculty for the local public board of education Thursday week.

H. A. Lattimore was re-elected of the English department; Mack Noble was elected of Speech Art, and Mrs. A. Gibbs piano. Mrs. Lattimore and her place for the past two and her work has been far above the average. News of her return will be most gratifying to all students alike.

Gibbs has also been connected with the school at various times several years. She has taught grammar school, both regularly a substitute, and has also taught music here previously, is now filling out the term for Alice Busby. The quality of work and her ability as a teacher is the highest, and the piano department is expected to be a great factor in school activities this year.

Mrs. Noble has also been connected with the school, having headed the music department here in 1931, and at that time she was principal since she has done further study in that line, so that students in department next term will have all opportunities.

Home Economics Dropped

After long deliberation, the board decided to drop Home Economics courses for the coming year, and to substitute Vocational Agriculture instead. No one was elected for this department, however, as it had not been formally announced that this study would be resumed this year.

Announcing the change, superintendent Gilbreath, who is also secretary of the board, explained that finances would not permit retaining both departments, so that seemed most necessary to alter them.

Planning Summer Term

Mr. Gilbreath also states that he now planned to have a summer school for the benefit of those students who wish to advance their education. Further announcements concerning this will be made, possibly week.

Neal Addresses Local Citizens

Mr. O'Neal, district manager of Crop Production Loan Corporation with offices in Lubbock, spoke to a crowd of some seventy farmers and business men here Saturday afternoon.

Such interest was shown by those assembled to hear him, Mr. O'Neal stated that the C.P.L. plan is not for emergency relief alone, but a time limit in which to file applications, but a permanent organization which is to function the year around.

H. A. Lattimore, manager of the local office said Monday that applications for loans here continue to come in daily.

Billie Frank Gibbs Has Broken Arm

Billie Frank Gibbs, five year old daughter of A. W. Gibbs received a fractured right arm Friday afternoon when she fell from the banister of the front porch at her home. The injured member was given immediate medical attention, and Miss Billie is doing as well as could be expected.

The accident occurred when she and other children were playing a game on the front porch. Billie Frank was standing on the banister, which is broad enough to be a secure foothold, but slipped and fell, with the resultant injury.

Disposal Plant Not A Canine Cemetery

The City Council asks that we here notify the general public that the sewer disposal plant that is not intended for use as place of disposal for stray dogs, and that we ask and advise that this practice be stopped immediately.

During the past few days a number of dead dogs and cats have been taken from the pit by plumbers at some expense and inconvenience for the city, and all of it is absolutely uncalled for.

If you kill a dog or cat, either leave it in the street to be hauled away by the trash collector, or take it to the dump ground southeast of town.

Mose Sanderson Is Injured in Accident Thursday at Loop

Mose Sanderson, son of Mr. and Mrs. W. R. Sanderson, is in a Lubbock Sanitarium this week in an exceedingly serious condition as the result of injuries received last Thursday as he was operating a feed mill at Loop.

His right leg was amputated between the knee and the hip, and surgeons at the Sanitarium state that other injuries he received are perhaps even more serious.

The injured man was working about the mill, and in some manner his boot laces were caught in the grinder dragging him into the machine. The leg was crushed and mangled and the flesh torn away even into the abdominal cavity.

Morris Sanderson, his brother, stopped the machinery and dragged him from the grinder, his quickness alone being the only factor which saved his brother's life. He was taken to the sanitarium immediately, and every surgical and medical aid was rendered him.

Members of the family have been with him constantly, and his condition is still considered dangerous.

Fields Ready For Rain: Some Planting Under Way

With fields all listed and implements ready to go, farmers in this territory are ready and anxious for rain. Scattered light showers during the past ten days have not been of much benefit so far as planting season is concerned, and a decided rise in temperature is bringing the question of moisture very much to the front.

Some few farmers are dry-planting, especially maize and other small grains, but so far as we have heard very little or no cotton has been planted.

But, though rain and when we are likely to get it is the chief subject for conversation, nobody seems much worried yet. Cotton planted the last of this month or even up in June has been known to yield the greatest crop in the history of the South Plains. As we still have plenty of time.

Nevertheless, we hereby place our order for a nice gentle, three-inch rain between now and Sunday.

Mother's Day Pageant Planned Sunday Night

The public is invited to be present at the Methodist church Sunday evening when a special Mother's Day program will be given. A pageant entitled "Mother's Memories" will be carried out in songs and pantomime, the whole being a beautiful and impressive service.

A quartet composed of Mr. and Mrs. Carey Shook, Mrs. T. M. Garner and F. M. McLendon will sing the songs, and the characters will be as follows:

Scene I.—Mrs. M. E. Pearce (the Mother)

Scene II.—Mrs. Tom Garner and baby.

Scene III.—Mr. and Mrs. Roy Gibson and son.

Scene IV.—Mrs. J. P. Bowlin and James Jr.

Scene V.—Mrs. J. B. Curtis and son.

Scene VI.—Guinn Line.

Scene VII.—Naymet Everett and Mrs. M. E. Pearce.

Songs: "Home Sweet Home", "Sweet and Low", "Sweet Hour of Prayer", "My Mother's Bible", "Faith of our Mother's", "God Be With You Till We Meet Again", "There Is My Wandering Boy Tonight", "Mother Prayers Have Followed Me", "Tell Mother I'll Be There."

Will Observe National Cotton Week at Tech

National cotton week will be celebrated at Texas Tech with a second annual cotton Carnival sponsored by the Lubbock Textile department in the Lubbock High School auditorium on May 11th at 8 o'clock.

"The show is free and everyone is invited," Prof. M. E. Heard, director stated. There will be a style show in which all of the clothes worn will be made of cotton. This is not a contest, but is to be an open house in keeping with the National Cotton Week.

Miss Lucille McCrammen of Lubbock, president of the Tech Forum, will be Carnival queen, reigning with King Elliott Knox of Roby, a member of the Phi Psi, honor Textile fraternity.

Horse Throws Boy; Head Is Injured

L. J. Howery, son of Mr. and Mrs. Dee Howery, sustained painful and serious injuries late last Wednesday afternoon when he was thrown from a horse. He landed on his head, and was unconscious for several hours, with a hemorrhage from his ears.

He and two classmates were on their way to the school building to rehearse a play. The horse on which they were mounted began capering about, and young Howery fell off.

We understand that he is doing well this week.

For Congress

Judge, 99th District Court, Lubbock, Candidate for Congress, 1934 District.

Road Meeting To Be Held In Tahoka

Highway No. 9 Association to Hold Annual Meeting At Tahoka May 10; New Officers Will Be Chosen

J. E. Vickers of Lubbock, president of Texas State Highway Number 9 association has announced that an annual meeting will be conducted at Tahoka, today.

Outside of the election of officers selection of the next meeting place, the usual discussion of securing additional traffic on the highway by better advertising and cooperation of towns in the route, principal business will be a discussion of ways and means of rushing construction on the remaining gaps, Vickers said.

Work Accomplished

Much work has been accomplished since our last meeting at Plainview in 1933, Vickers said, but it is imperative that the remaining gaps be paved to secure the maximum amount of travel.

Since the 1933 meeting at Plainview, a 17 mile unit one construction job has been completed on the 35 mile gap in Swisher county next Monday or Tuesday the State Highway commission will let the unit one contract on the balance of this gap and the paving contract on the 17-mile stretch ready for topping.

Except for a 15 mile stretch from Tahoka to O'Donnell, the unit 1 job is complete on the 75 mile stretch through Lynn, Dawson and a part of Howard Counties.

County Judge W. E. Smith at Tahoka has been appointed by Vickers as chairman of local arrangements there at Tahoka for the meeting and Smith has promised to have everything in readiness for the annual meeting and to have a large number of Tahoka and Lynn county good road enthusiasts present for the meeting.

Carl Roundtree of Lamesa is the vice president of the association and W. J. B. Gouldy of Plainview is the secretary for the association.

Each town along the line has a director of the association. From 75 to 1000 delegates from Amarillo to San Antonio are expected at the meeting.

Will Observe National Cotton Week at Tech

National cotton week will be celebrated at Texas Tech with a second annual cotton Carnival sponsored by the Lubbock Textile department in the Lubbock High School auditorium on May 11th at 8 o'clock.

"The show is free and everyone is invited," Prof. M. E. Heard, director stated. There will be a style show in which all of the clothes worn will be made of cotton. This is not a contest, but is to be an open house in keeping with the National Cotton Week.

Miss Lucille McCrammen of Lubbock, president of the Tech Forum, will be Carnival queen, reigning with King Elliott Knox of Roby, a member of the Phi Psi, honor Textile fraternity.

PUBLIC NOTICE

O'Donnell School District Warrant No. 2246 in the amount of \$168.88, issued April 20 to Mrs. W. A. Trendway has been declared VOID and another issued her in its place. The above described warrant will not be honored if presented for payment.

T. J. Yandell, President of Board
E. E. Gilbreath, Secretary.

J. S. Fritz is able to be up this week after an illness of several days.

TO THE PEOPLE OF THE 19 CONGRESSIONAL DISTRICT

For nearly a year you have had before you my announcement for Congress from this new District.

Believing that the people generally are groggy with the many words, tid, time worn, inflated structures in American politics we call 'Platforms' that so often become the funeral biers of numerous forgotten promises. I formally submit my candidacy to you in four simple sentences: "To keep faith with my fellow man. To ever be mindful of my trust. To remain loyal to those I represent. To do, always, the very best I can."

No man in this race can say more, nor should he say less.

These four sentences pledge me to support every emergency measure of the President's recovery program consistent with the needs of those who live in this district.

They also pledge me to sincere and profound consideration of every future question of Government tending to promote the welfare and happiness of the people who live in this district.

Were I to detail a platform several times as long I could say no more. The multiple problems of Government that are perplexing the greatest minds in the world cannot be properly discussed in a political announcement, nor can they be solved in a political campaign.

Questions of currency, Revenue, Economy, Taxes, Tariff, Foreign Relations, National Defense, Commerce, Banking, Pensions, Transportation, Labor, Unemployment, Industry, Farming, Stock Raising, Marketing, Law enforcement, and many other subjects are far above the average, affect all mankind and 434 other congressmen will have an equal voice. All my life I have been a student of law and Government. I shall expect to apply my knowledge and experience to the best thought, to those matters as they arise.

However if there are some who desire an expression of my views on National subjects, I invite and welcome your inquiry, personally and otherwise, and assure you a courteous reply. Before the campaign is over I hope in some manner to acquaint every interested person with my views.

So far as I am able to observe at the number of words used, is running candidate in the race, regardless of the number of words used, is running on the same platform, which is "A full measure of representation in service to the greatest number of people." This being true, the only ISSUE raised or that can be raised is "THE PERSONAL ABILITY and the POWER TO PUT OVER the things he advocates and undertakes." That is the only question for your determination, and one you must answer if you expect a full measure of representation in your law making body.

Whether I fill the requirements in meeting this issue is for your determination. If I am not qualified to be a member of the body, you will understand man to man with any who oppose your interests, then I do not want to go to Congress. That is fair to you and fair to me.

I am conducting my campaign my own way, and concede the same privilege to the other candidates. I have no controversy with any man, and do not propose to engage in a contest of the high politics that might lead to one. To me, the Congress of the United States is a sacred institution, second only to the flag, and I expect to deport myself with a dignity and respect of the high office I seek.

With an abiding faith in the sincerity and ability of our Democracy to choose for the best interests of all concerned, I humbly submit my candidacy to you in a deliberate and careful consideration.

CLARK M. MULLIGAN
Democratic Candidate

IMPROVEMENTS TO BE MADE AT TWO-DRAW LAKE THIS YEAR

POST April 29—A new bath house and a sand beach are to be constructed at Two Draw Lake near here, among other improvements. The place, one of the few recreation centers of the South Plains, is sponsored by the Post Chamber of Commerce.

Improvements, under way, in addition to the two, include barbecue pits, new sanitary tables for picnics and benches. New boats have been ordered.

The bath house will have ample locker room and showers, a diving platform with three boards of various heights and there will be a 75 foot sandy beach.

Joyce Max Maxwell has been attending school this week with the aid of crutches. A nail thrust in her right foot several days ago became infected, and she has suffered quite a bit of pain and inconvenience.

Baccalaureate Day To Open Commencement Week Program

Approval of Most Cotton Contracts Expected by May 15

Cotton acreage reduction contracts from 33 Texas counties had been approved by the state Review Board at Texas A and M College and certified to Washington for payment up to April 27. The bulk of the counties will be certified by May 15, Review Board officials estimated. It will probably take until June 1st to complete all counties, they added.

Seventh Grade Play Unusually Good

The Seventh Grade play, "Raspberry Red" was well received last Friday when a large audience saw the presentation. Each role was well portrayed, the direction was careful and very good, so that the entire production was far above the average.

The Low Seventh assisted the graduates in singing "Beautiful Texas" and "The Old Spinning Wheel" as between act numbers, both of which were much enjoyed.

Proceeds amounted to slightly more than \$15, and will be used to defray expenses incident to commencement.

Paul Goode and his teacher, Mrs. Nettie Smith for her interest and help in the music, the other teachers for the use of the stage and for their assistance and suggestions, and the public for the interest and attendance at the play itself.

Lamesa Invites Fiddlers To Contest

County Judge Phillip Yonge of Dawson County asks that all fiddlers in this part of the country be invited to the annual Old fiddler's contest which is to be held at Lamesa on the evening of May 17 in the American Legion Hall.

The affair is sponsored each year by the Allen Houston Post of the American Legion at Lamesa. Judge Yonge is in charge of the program and old time fiddlers should send in their names either to him or to Carl Baldwin, post commander.

A number of local fiddlers have taken part in this contest before, and it is believed that at least two will do so again this year.

Legionaires To Meet At Lamesa In June

Announcements recently received at Lamesa by Carl Baldwin, commander of the Allen Houston post of the American Legion there are that the fifth division of the American Legion will hold its annual meeting in Lamesa on June 23 and 24.

A number of local fiddlers have taken part in this contest before, and it is believed that at least two will do so again this year.

New Town Is Being Started on Highway

LAMESA, April 30.—Another new town for Dawson county is being started by V. O. Barron of Lamesa, and the name of the new town will be No. 9, between Lamesa and Big Spring.

Location is 10 miles southeast of here on the Barron land. M. C. Lindgren arranged the details of the titles. He states reports that he is interested in the new town are correct.

Andy Brown, Ackerly winner is erecting a new gin at this point. Several new buildings are planned for business purposes.

Receives Head Injury In Collision Sunday

John Solesby of Abernathy, a guest in the Hayes home at Wells, was knocked unconscious by a blow on the head as a result of a collision between his car and another, the accident occurring Sunday night.

The other car was passing Solesby's on the highway and the bumper hung on a fender. The other driver, endeavoring to free the cars, raced his motor and jerked into reverse, the jar snapping Solesby's head against some part of his car.

He was taken to a Lubbock sanitarium for x-ray examination, but is able to be brought back today.

Sisters Meet Again After Twenty Years

This week is a happy one at the J. M. Payne farm home, because Mrs. Payne and family are entertaining her sister, Mrs. W. I. Wilson of Bastavia, Ohio, after a twenty-year separation.

The sisters grew up and married and made their homes in different states, so that they have numerous stories to tell and many gaps to span.

CARD OF THANKS

We are truly grateful to all those who were so kind to us in the great bereavement which we recently suffered in the tragic death of father, brother and son. To the doctors, the ministers, those who gave flowers

and to all who did any kindness or spoke a word of comfort, we tender the sincere thanks a four hearts. Iris, Euna, Marie, and Vance Tredway, Mrs. Ira Kriebbe, Mr. and Mrs. E. J. Tredway and family, brother and son. To the doctors, the ministers, those who gave flowers A. M. Tredway and T. G. Tredway.

Three Lakes
Mona Rae Edwards
Correspondent

Our meeting closed Sunday afternoon. We had a good crowd most every night. Brother Obrain who is holding a meeting at Tahoka preached for us Sunday afternoon. The church was full, and everybody enjoyed the service.

Mr. John Hickerson of Tahoka visited W. E. Sikes and family Sunday.

Mrs. Weldon Marton of Draw visited her parents Mr. and Mrs. J. W. Edwards last week.

Edwyna Vermillion of O'Donnell spent a few days with Mona Rae Edwards last week.

Mr. Tom Ellis made a business trip to Lubbock last week.

Mr. and Mrs. J. A. Edwards and family and C. J. Edwards of Odonnell visited Carroll Edwards Sunday afternoon.

At a trustee meeting some time ago the trustees re-elected Miss Opal Lawrence as primary teacher.

Mesquite News

Miss Almarine Nunnally
Correspondent

A match game of baseball played Sunday between Mesquite and Randall resulted in a score of 12 to eight in favor of Mesquite.

Miss Mamie Bearden had as her guests Sunday Misses Iva Lee Bradshaw and Aline Nunnally.

Mr. Hubert and Miss Roberta Stamps are visiting in the Lamb home.

Miss Iva Lee Bradshaw was the guest of Almarine Nunnally Sunday afternoon.

A play "The Mystery of the Third Gate" will be presented here sometime soon. Watch for a definite date.

Everyone enjoyed singing at the Mesquite school house Sunday night. Preaching services will be held here next Sunday, May 6. Bro. Geo. Fletcher will preach.

A program will be staged here Tuesday night, May 22nd. Two short plays entitled "Dora's Kidnapper," and "Punkin Hill Grammar School." Other entertainment will be presented.

GRAMMAR SCHOOL NEWS

All interest this week is centered on the close of the school session. Review, notebooks, and themes are the subjects of discussion for the four higher grades, and the three primary grades are working every minute on the operetta. For this reason we know it is scarce this week. Seventh Grade: We wish to thank everyone who helped in any way toward the success of our play, and we extend a hearty invitation to everyone to attend our commencement exercises next Thursday evening.

Sixth Grade spelling honor roll: Lewis Crane, Lois Perry, and Inavay Burdine. Arithmetic honor roll: Lenis Crane, James Bowlin, Jr., Lendon Russell, Max Harris, Elizabeth Ann Gantt, Frances Barrow Opal DeBask Inavay Burdine, Lloyd Shcemaker, and James Royal Toney.

TO INSPECT FARMS OF CONTRACT SIGNERS BY NOVEL METHOD

Some idea of how Government cornhog contract signers farms may be inspected this spring to insure compliance with contracts may be gained from the wheat farm inspection now beginning in Texas and M extension service.

County agents are being trained in Wheat counties in a unique method of acreage measurement which they in turn will pass on to the inspectors. Both the rented wheat acres and the total wheat acres are to be measured, and inspectors are also to make note of the uses made of contracted acres. The field notes are to be checked with the contracts by the county wheat production control association officers. The cost of the inspection is to be paid by the associations.

The method of measuring acreage was worked out by the U. S. Bureau of agricultural engineering. It consists of pushing some kind of old wheel about the sides of the field and recording the number of revolutions. The wheel is properly calibrated and clicks off each revolution loud enough for the inspector to count. As 100 revolutions are counted the inspector shifts a marble from one pocket to another and thus gets the total for each side of the field. The angles at each corner of the field are also measured by a home made device. These figures together with notes on the crops growing on contracted acres are delivered to the county wheat allotment committee for checking.

This same system of measuring acreage and of checking compliance with contracts will probably be used with cotton and corn, Mr. Williamson states. Wheat contract compliance work in Texas is in charge of John R. Edmonds, extension services district agent who has made temporary headquarters in Amarillo.

County Attorney Truett Smith was here on business Wednesday.

**H. D. Club Has
Interesting Program**

One of the most interesting pro-
grams of the year was given Tues-
day afternoon when eleven members
of the Home Demonstration club met
at the home of Mrs. Roy D. Smith.
Miss Sylvia Robb county home dem-
onstrator agent, was present and
gave a demonstration on making
light rolls.

The next meeting will be at the
home of Mrs. S. M. Clayton on Tues-
day, May 22.

**Sewing Club Has
All-Day Meeting**

The Needle Club enjoyed an all-
day meeting at the home of Mrs. W.
H. Veazey in the New Moore com-
munity last Thursday.

Quilting was the order of the day,
and two were almost completed by
afternoon. At lunch time an old-
fashioned barbecue spread was en-
joyed, with the accompanying pick-
les, salad, cake and iced tea.
Those present were the hostesses
Mmes. W. H. and Jack Veazey and
Kate Everett, and Meses, Ted Rogers,
Lehman, Roy Adams, Merrett, Bran-
don, Manor and Miss Mary Adams.

**Plainview Ladies
Organize Club**

Mrs. Gertrude Brandon was host-
ess last Wednesday at her home in
the Plainview community when a
number of friends met to organize
a Quilting Club.

The charter members are Mmes.
Vergie Heard, Florence Walker, Opal
Riley, Marie Holland, Ima Smith,
Inez Walker Pearl Glegghorn, Alice
Smith, Maggie Austin, Willie Gleg-
ghorn, Verna Lane, and Miss Celeste
Austin.

The club is to meet on Wednesday
of each week, the meeting being
held yesterday at the home of Mrs.
Vergie Heard. A full report will be
given next week.

**Picnic Friday Honors
Departing Guests**

As a farewell courtesy to Miss
Louise Glen of Dallas and Miss Char-
lotte Ballew of Levelland a picnic
and outing were enjoyed at the park
at Lamesa last Friday evening by a
number of young folks.

Those present for the occasion
were the honorees and Meses Be-
atrice James, Anne and Toye Thomp-
son; Messrs. Rundell Foster, Ben
Morrison, Melvin Moore, Ira Page,
and Raymond James.

**TAXES ARE ALWAYS
PASSED ON**

"I wish to heaven that we could
once realize that every tax laid is a
burden upon industry upon agri-
culture, and upon commerce. I wish
that we could get out of our minds
that we can lay a tax on a big bank,
or a big corporation, or a rich man

and run the government. The taxes
are passed on, and always will be. If
I understand the laws of the United
States aright, they are intended to
be passed on. They are described in
the Constitution as imposts and ex-
cise and imposts and excises are,
in contemplation of the law, always
to be passed on."

"Big Business Man" It is found in
the Congressional Record, and it was
said by Senator Bailey, Democrat, of
North Carolina.

Mr. and Mrs. D. A. Edwards and
son Terry, were here from Crosby-
ton over the week end. Mrs. Edwards
was superintendent of the school sys-
tem here for several years, while

Mrs. Edwards was a member of the
faculty, and they have many friends
here. AUBRA M. CADE of Tahok
here Monday in the interests
W. T. Burk, who was brought
from a Lubbock Sanitarium

**aturday
es Birthday**

the sixteenth birthday
nger daughter, Jim Ellen,
Wells was hostess Satur-
at an informal reception

and dance at her lovely home in the
central part of town.

The occasion was a complete sur-
prise to the honoree, and her reac-
tion to the situation was amusing to
the entire party. Music and dancing
were enjoyed until a late hour when
delicious punch and cake were ser-

ed.
Out-of-town guests were Misses
Vanabel Clark, Evelyn Burnside,
Edith Mae Collins, Roberta Lee Han-
son, Jack Hart, Ruth Lee Stewart,
Elizabeth Arnett; Messrs. George
Gable, Red Moore, Sonny Treadway,
Lloyd Morgan, George Garden, and
Buddy Smith.

Home guests were Misses Kitty
May Garner and Lorene Beach; Mes-
srs. Wayne Clayton, Russell Foster,
and Ben Morrison.

**T. E. L. Class
Meeting Friday**

Mmes. Hobdy and Vaughn were
hostesses last Friday afternoon to the
members of the T. E. L. class of the
Baptist Sunday School at the regu-
lar social and business meeting of the
class.

The living room of the Hobdy
home was cool and attractive with
spring flowers in bowls and vases,
and here the program was enjoyed.
Mrs. Vermillion gave the devotional,
and Mrs. Goddard gave a sketch of
the life of Job.

At the close of the pleasant four
hour refreshments of lemon punch
and pound cake were served to Mmes.
Greenwood, Goddard, Hodges, Ver-
million, Middleton, Edwards, Mary
Hobdy, Warren, Debenport, Cab-
ness, Alton Hobdy, Mixon, Cummins,
Hubert Mixon, McDonald, Yandell,
Lambert, Mansell, Anderson, Brun-
son and the hostesses.

Mr. and Mrs. Raymond Womack
of Lubbock were guests Saturday of
his parents, Mr. and Mrs. H. R. Wo-
mack.

Dr. O. H. Sheppard and Marshall
Whitsett are enjoying a fishing ex-
pedition the first days of this week.
In case they have returned today,
come in and hear the latest fish stor-
ies.

Mrs. B. E. Painter and children
former residents of O'Donnell were
visitors here a short time Friday.

WINTER'S OVER for Your MOTOR

Change now to Summer Grade of

New and Improved
**CONOCO Germ
Processed
MOTOR OIL**

GUY BRADLEY
Agent

**4,729 MILES ON A TOTAL OF
FIVE QUARTS OF OIL!**

Here is the winner—
the car that cov-
ered 4,729 miles at
117 1/2 miles an hour,
lubricated with New
and Improved Cono-
co Germ Processed
Motor Oil.

**THE "HIDDEN QUART" PRINCIPLE OF PENETRATIVE
LUBRICATION PROVES GREATLY SUPERIOR IN
COMPETITION WITH FIVE NATIONALLY KNOWN MOTOR OILS!**

CONOCO has a New and Improved Germ Processed Mo-
tor Oil. Its many advantages were so evident to us, that
we arranged with the Contest Board, American Automobile
Association, to test five other widely advertised and na-
tionally known motor oils along with Conoco's new and im-
proved oil in a daring "Destruction Test." By letting the
results speak for themselves, we are able to present to Amer-
ica's motoring public for the first time proved facts of
superiority, not empty claims.

These six oils, with a single fill of five quarts, with no more
oil added in six strictly new stock cars, were driven until the
motor in each car was destroyed from lack of lubrication.
Here are the results: the first oil failed at only 1713.2 miles;
others failed in rapid succession. The best of the competing
oils went only 2318.8 miles... while New and Improved
Conoco Germ Processed Oil completed 4729 miles... more
than 3000 miles farther than the first oil to fail... and more
than 1400 miles farther than the second best oil! The "Hid-
den Quart" had proved superior again!

Conoco wrecked these motors to show you which oil has
the lowest consumption and true economy. Drive into a Red
Triangle Station, drain and fill with this new and improved oil.
Whether your car is new or old, you need this extra mar-
gin of economy and safety.

Warning

TO NEW CAR OWNERS

Some car manufacturers use other new
types of bearings which will stand
greater stresses and temperatures, re-
sulting from increased power and speed.
New and Improved Conoco Germ Pro-
cessed Motor Oil has been scientifi-
cally tested on these new bearings. The
results show that it gives them greater
protection against damage than many
leading motor oils now on the market.
Protect your new car by using the
motor oil you can be sure of.

Ran to Help Me When ... My Mother"

From Jane Taylor's Poem "My Mother"

MOTHER'S DAY

hardboiled world. All of us have thrown an armor of reserve about us - grown-ups and children alike. We have grown immune to the civilization's hurried bustle. But through all of this there remains in us a tender spot for MOTHER. Sunday, May 13, we set aside to go to the wonderful woman who guided our first cautious footsteps, who defended us in all our rights and wrongs, and who today is posing wistfully that she may have just a little attention from those to whom she gave ALL.

With this sincere spirit that the advertisers represented on this page offer their many attractive and appealing suggestions.

It Sweetly

is Mother's Day of course you'll remember your of all sweethearts sweetest way.

We suggest candy in a beautifully appropriate box or novelty container?

Stock of perfumes and cosmetics is ample, and would offer practical. Before you make your selection in our costume jewelry and novelty items. Mother will appreciate a remembrance from

Whitsett Drug
"Nothing But The Best"

PRODUCTION LOANS PASS MILLION MARK

The 50 recently organized production credit associations in Texas have made or approved more than 4,450 loans for their farmer members amounting to over \$1,000,000, according to figures released by the production credit division of the Farm Credit Administration.

This has required prompt and efficient action on the part of all units of the new short term credit system. The secretary-treasurers of these associations have received applications for thousands of loans during recent weeks. In each case the secretary treasurer gives a copy of the application to the local loan inspector who visits the farm to determine if the security offered for the loan is adequate. Then the application for the loan has to be approved by the loan committee of the local production credit association before sending it to the Federal Intermediate Credit Bank of Houston. This is necessitated by the fact that the associations obtain their funds for making loans by discounting the loans with this bank. Of course some

loans cannot be made because of the inability of the applicant to offer sufficient security or his failure to give satisfactory plan for repayment.

Many farmers in Texas borrowing from these associations are saving money their year by obtaining their loans from the production credit association in a series of advances timed to meet their expenses as they arise during the season rather than in one payment at the beginning of the season.

FOR SALE: 100 lb. capacity ice box in good condition. \$10.—H. A. Lattimore.

Miss Louise Glen, who has been the guest several weeks of Mr. and Mrs. Ed James and family, returned Saturday to her home in Dallas. She was accompanied to Big Spring by Misses Toye and Anne Thompson and Beatrice James, Messrs. Raymond James and Ira Page.

Miss Charlotte Ballew of Levelland spent the latter part of last week with Misses Toye and Anne Thompson.

MOTHER'S DAY

Will be a happy one for the mother whose children remember her.

ENTERTAINMENT GALORE FOR THOSE WHO ATTEND WTCC CONVENTION MAY 14-16

San Angelo, —Entertainment galore has been arranged for the registered delegations at the West Texas Chamber of Commerce convention in this city, May 14-16.

Walter E. Yaggy, Chairman of the registrations committee has written the two hundred cities and towns in West Texas through their West Texas Chamber of Commerce directors and local chambers of commerce, advising them of the entertainment features and of the registration plan of the convention.

Yaggy said "The registration fee at the convention will be one dollar per person. The registration fees bear the expense of the convention and to register is to become a part of the convention."

"Payment of the one dollar registration entitles the registrant to an official identifying badge, an official program, a map of the business section of San Angelo locating all the convention meeting places and features of the program, and a book of tickets to the following entertainment events: (1) Banquet Round-up in the City auditorium each night; (2) Carnival of Venice on Concho River each afternoon; (3) motor boat racing on Lake Nasworthy, Sunday afternoon, May 13; (4) old fashioned square dance each

night of the convention; (5) dances at hotels each night; and (6) golf privileges at three golf courses."

Yaggy has asked that the local chamber of commerce and directors to aid his committee in getting their respective delegations registered at the convention either registering them in advance of coming to San Angelo, or collecting the fees and buying the registrations at one time for the entire delegation.

He also states there will be no free registrations - following a rule of long standing at West Texas Chamber of Commerce conventions. For several years, Yaggy stated, West Texas Chamber of Commerce conventions have been financed exclusively by the registration fees, costing neither the host city or the organization any money from other funds, and it is the aim of his committee to see that this record is preserved at San Angelo.

Mrs. F. G. Wheeler has suffered much pain from a deep burn on her right hand, which became infected in some manner. She has been under the care of a physician this week.

Misses Vanabel Clark and Evelyn Burnside of Lamesa spent the week end with Miss Jim Ellen Wells. They came up via Santa Fe train.

G. C. McPherson was in Tahoka Saturday on business.

Churches

CUMBERLAND PRESBYTERIAN CHURCH

The pastor, Rev. W. H. Cheatham, will preach at 8 o'clock on the second Sunday, which is Mother's Day. The evening service will be one suitable to the day.

Sunday School at 10 o'clock. It is hoped that a large attendance will be had for these services. The public is invited.

BAPTIST CHURCH

A. Loper, Pastor

Services each Lord's Day at 11:00 o'clock and at eight o'clock.

Sunday School at ten o'clock, with Drew Hobby, superintendent.

W. M. S. meets each Monday afternoon at 3:30. Bible Study, led by Mrs. J. W. McDonald each second Monday afternoon.

Our Sunday School is still growing. We had more than one hundred present last Sunday. Several new classes have been organized and teachers elected. John Anderson, John A. Edwards, Mrs. Goddard, Mrs. Lambert, and Mrs. Debonport have been added to our corps of teachers. We are providing classes to care for all our boys and girls, and invite them to be present next Sunday at ten o'clock.

There will be no worship services at eleven o'clock Sunday, due to the fact that all churches will join in the baccalaureate services at the high school auditorium.

The evening service will be a program and sermon dedicated to Mother. We invite the public to join us in this service.

CHURCH OF THE NAZARENE

Mrs. Pearl Keeton, Pastor
The public is invited to our Mother's Day service Sunday evening.

U. S. RENTS LAND TO CUT PRODUCTION NOT JUST TO SHIFT IT

COLLEGE STATION May 8.—Misunderstanding of government regulations as to when and may not be grown on contracted cotton, corn and wheat acres has resulted in confusion in some places, reports to the Texas A & M College Extension service indicate. The corn-hog rulings about permitted pasture planting has been misunderstood by some, it is reported.

It is not true that any and all grazing crops may be planted on contracted acres, declares E. M. Resenbretch, extension swine specialist. The AAA listed certain pasture crops which might be sown, but that list does not include grasses and legumes that can normally be grazed during the first year they are planted. Thus it is that lespedeza or rescue grass, for instance, may be sown on retired corn acres, but sudan grass is forbidden. Sudan could be grazed this year and if permitted would not help the national reduction program.

Farmers should get in mind the fundamentals of the adjustment program to understand what the contracts will permit in the way of seedings on contracted acres, extension officials say. During the present emergency and until international trade can be built up again to take farm products in large quantities, it has been decided a wise national policy to take 43 million acres of good farm land out of production. Farmers are being paid good money to do this. Insofar as this retired land can be used to help the farm family live at home where they have not previously had enough land to do this, the government is willing that it be done in the case of cotton and wheat programs. The administration also knows it to be sound national farm policy to swing cultivated land to pastures, and therefore encourages that land be sown to permanent pasture crops that normally do not furnish much grazing the first year after seeding.

The Agricultural Adjustment Administration has brought millions of dollars to Texas farmers and in return asks cooperation in restricting all farm production during this trying transition period. The administration is generous but it has never at any time given permission to plant retired acres to any thing and everything.

Mrs. Bryan Jordan of Albany has returned home after a brief visit here with friends and relatives. Mrs. Jordan was formerly a member of the public school faculty and has scores of friends here.

BUSINESS RESEARCH DATA SHOWS GAIN IN PAYROLLS AND EMPLOYMENT

AUSTIN Texas, May 8.—For the week ending April 14, reports from 2,008 Texas establishments to the University of Texas Bureau of Business Research showed a gain of 16.4 per cent in the number of workers

employed and a rise of 15.5 per cent in payrolls in comparison with the same firms during the corresponding period last year.

An increase of 1.5 per cent in payrolls and less than one per cent in the number employed occurred in the same establishments between March and April.

Cities in which the increase in the

number employed was the largest in comparison with April, 1933, were Fort Arthur, San Angelo, El Paso, and Wichita Falls.

Mr. and Mrs. Carl B. Bledsoe spent Friday night with their parents, Mr. and Mrs. Hancock, and other friends.

LOW FIRST COST... LOW OPERATING COST... ELECTRIC REFRIGERATORS

When you buy your Electric Refrigerator, you pay much less for it than you would for an UNTRIED mechanical refrigerator of comparable size. And you know what you are buying—millions of homes are equipped with Electric Refrigerators, many of which have given absolute satisfaction for fifteen or more years.

Operating costs, too, are low. Small models of electric refrigerators operate for as little as a nickel a day or less.

You Take No Chance of Being Disappointed When You Buy an Electric Refrigerator

TEXAS SERVICE ELECTRIC COMPANY

Notice to the Public

At the suggestion of the U. S. Treasury Department in combating the "Daylight Hold-up" menace, we solicit the cooperation of our customers in observing the following regulations:

(1st) We will carry only enough cash in our vaults to meet the demands in the normal transaction of the business of the community. Any customer needing a substantial amount of cash will, please, anticipate their needs a day or two in advance, so that we may procure it for them without additional cost, to them or ourselves. As a safety measure, we suggest

that you transfer funds by personal check, draft, or cashier's check when possible.

(2nd) We will not leave either door unlocked nor answer the ordinary knock or alarm at the door, before and after banking hours. When really necessary to get in the bank during these hours get in touch with us by phone.

These precautions are being taken for your protection and benefit, as well as ours, for we are advised that, unless we take steps to combat this growing menace, Burglary Insurance may be cancelled.

We will appreciate your cooperation in these matters.
