Walter Vaughn Is Killed In Dawson County Mishap

Services for Walter Vaughn, 58, of Denver City, was at 10:30 a.m. at the First Baptist Church here with the Rev. Calvin Partain, pas- tor officiating. Burial was in O'- Donnell Cemetery under the di- rection of White Funeral Home of Tahoka.

Vaughn died Monday night at Medical Arts Hospital, Lamesa, of injuries suffered about 6 a.m. Monday, in a four-vehicle accident 1.8 miles east of the Welch Com- munity of Dawson County.

Vaughn was born in Lou, Tex- as, and lived in O'Donnell form 1914 to 1940. He was a Denver City resident since 1944.

He was a Baptist and an em- ployee of the Tom Brown Drilling Company, Midland.

Surviving are his wife, Mrs. Esther Vaughn; five sons, Bruce L. Vaughn and Donnell D. Vaughn, both of Dallas; James D. Vaughn, Mount Laguna Air Force Base, Calif.; Doyle D. Stewart, Seagraves, and Jim Ed Stewart, Deming, N.M.; two daughters, Mrs. Bobby Spradlin, Arlington, and Mrs. Eva Hindman, Weather- ford; a brother, Lee Vaughn, Al- buquerque; two sisters, Mrs. N. M. Jennings, O'Donnell, and Mrs. Winnie Gentry, California, and a grandchild.

Sergeant Harper Helps Win Trophy

Sioux City, Iowa—Staff Ser- geant Jerry E. Harper, son of Mr. and Mrs. Ray W. Harper of 111 Gwaltney St., Jacksboro, Tex., has helped his organization win the coveted Smith Trophy as the best air defense ground unit in the U. S. Air Force.

Sergeant Harper is a member of the Air Defense Command's (AD- C) 30th Air Division, which re- ceived the trophy during cere- mony at Sioux City, Iowa, Nov. 19. The sergeant is assigned at Hutchinson Air Force Station, Kan., as a computer repairman.

His division, headquartered at Sioux City Air Base and com- posed of 23 widely-scattered units, maintains air surveillance over the U. S. central plains with the Semi-Automatic Ground Environ- ment (SAGE) radar system.

Dennis Woolam of Texas U. spent Thanksgiving at home.

COMMUNITY HOUSE

Meeting 7:30 p.m. Dec. 1st (Thursday) for discussion of pos- sibility of building a County Hos- pital for Lynn County.

W. G. Thornton of Tahoka will lead the discussion. Purpose of the meeting is to get the feeling of the community about the mat- ter, study the cost of construction, chances of getting doctors, and the amount of costs to the tax- payer.

All interested citizens are urg- ed to attend.

Jimmy Forbes nabbed a trophy size bob cat one day last week while bird hunting. The cat was jumped at a vacant farm house west of town. Jimmy knocked the animal down with the first shot but the cat was still fighting. Two more shots ended his long career of chicken and quail hunting.

Mr. and Mrs. O. G. Smith Jr. and Carol spent the weekend with the O. G. Smith family.

Mrs. D. S. Todd, Mr. and Mrs. Snooks Ellis and Jimmy Carrol, Mr. and Mrs. P. L. Perkins of Tahoka, Mr. and Mrs. Earl Calhoun and Holli, and Mrs. Bill Goad of Ft. Worth spent Thanksgiving with Mr. and Mrs. Bill Gardenhire and family.

Association Gives Their Appreciation

The Cemetery Association takes this means of expressing appreci- ation to those who gave of their time and so generously contribu- ted to the cemetery fund. The up- keep and over all expense of the cemetery depends upon your will- ingness to contribute. Unfortunat- ely we do not have enough people who can give the time to make the traditional Thanksgiving dinner a success. We appreciate L. D. Jack- son for catering the dinner this year and commend him for serv- ing one of the most delicious plates ever to have been served. It is only regrettable that so few came and participated.

A meeting for all interested person will be held in the near future to make some decisions as to the feasibility of carrying on the dinner.

O'Donnell YH Has Meeting Thursday

The O'Donnell Young Home- makers met Thursday, Dec. 1, 19- 66, in the Home Economics Cot- tage for their monthly meeting. Mrs. Clarence J. Williams present- ed the program on "The Art of Making Candles."

Members of the club collected and assembled clothing, sheets, diapers, bottles and other needed items for babies. They will be sent to the Can Tho Orphanage in Viet Nam.

Recently twelve members of the club participated in a course of learning how to knit. Mrs. Wayne Clayton and Mrs. Roddy Doss in- structed five classes of knitting.

The inspiration, a Christmas se- lection, was given by Mrs. Lanny Brewer. After a business meeting conducted by Mrs. Jim Burkett, president, Mrs. Harold Sanders and Mrs. Carolyn Stephens enter- tained the club members with re- freshments.

Total of 22,106 Bales Are Ginned Here

A total of 22,106 bales were gin- ned here thru Tuesday, 9 a.m. The next ten days should see the ginning taper off nearing a close. Estimated total for O'Donnell will near 30,000 bales. Harvesting wea- ther has been near perfect.

Mr. and Mrs. Geno Jones of El Paso spent the holidays here with home folks.

Mr. and Mrs. James Thompson and family of Canyon spent the holidays here with relatives.

Producers To Vote On Cotton Research Dec. 5-9

Vote On Cotton Act

Dec. 5th thru 9th cotton pro- ducers will vote by mail on the pro- posal to allot one dollar per bale in the Cotton Research and Pro- motion Act. All area farmers or- ganizations are backing this pro- posal and urge producers to give a favorable nod. The best opinion of farm groups is that only thru chemistry can natural cotton fiber outsell man-made fibers. The life of cotton is at stake, farm men tell the Index. As the cotton eco- nomy goes down so will go bus- iness on the Plains.

The proposal must carry by a simple majority if a majority of the vote is that of cotton pro- ducers. Area Farm Bureaus are backing the proposal but at the re- cent state meet of the Bureau, other chapters voted against rec- ommendation.

The Index has been carrying ads explaining the plight of cotton and two ads appear in this ad- dition.

The proposal is expected to re- ceive a heavy majority over this area.

National Honor Society Meets

James Hollars, minister of mu- sic and education at the First Bap- tist Church in Tahoka brought the program for the November meet- ing of the National Honor Society.

"The Gospel According to Ray Charles" was the name of a film presented, which Mr. Hollars edited and produced. It contrasted the philosophy of life of Ray Charles—misery and despair, to the philosophy that Jesus Christ taught—hope and peace.

One of the projects of the NHS is a Career Day, which will be held in December. People in eight different occupational fields will speak to groups of students inter- ested in that particular field.

Terri Taylor was hostess for the meeting.

Girl From Finland Visits In O'Donnell

Guest in the home of Mr. and Mrs. Warren Smith during Thanksgiving holiday was Miss Anniki Ylikojola from Helsinki, Finland.

Miss Ylikojola is a teacher in public schools in Finland and is presently attending the Universi- ty of Texas and will return to her home country when she finishes her studies in this country.

Members of O'Donnell Young Homemakers were privileged to attend an informal birthday tea for Miss Ylikojola last Friday af- ternoon in the Smith home. Mrs. Billy Russ, Mrs. Harold Sanders, Mrs. Tommy Gardenhire, and Mrs. Jim Burkett enjoyed chatting with the pretty 22-year-old blond and learning of her country and its customs.

Children of Finland learn to speak English and to do hand- crafts such as sewing and wood- work in the first grade.

Mr. and Mrs. Buddy Brock of El Paso visited their father the other week end.

SIDNEY HARTS ARE PARENTS OF SON

Mr. and Mrs. Sidney Hart are the parents of a 6 lb. 14 oz. son born Monday, Nov. 28th in La- mesa and named Danny Jay.

Grandparents are Mr. and Mrs. Darrell Parker and Mr. and Mrs. J. D. Hart.

Miss Carolyn Reed And Jimmy Aldridge Are Married Thanksgiving At O'Donnell

MRS. JIMMY ALDRIDGE (nee Miss Carolyn Reed)

Double ring vows were pledged by Miss Carolyn Jean Reed and Jimmy Lynn Aldridge at 8:00 o'- clock Thursday evening, Nov. 24, in the First Methodist Church of O'Donnell. The Rev. C. R. Nixon, pastor of the Hermleigh Metho- dist Church, officiated.

Parents of the bride are Mr. and Mrs. James W. Reed of O'Donnell, and Mr. and Mrs. T. O. Aldridge, route 2, Tahoka, are parents of the bridegroom.

Given in marriage by her fa- ther, the bride wore a formal gown of white velvet with empire waistline, long tapered sleeves, a bateau neckline, and a floor- length train extended from the shoulders. A cathedral Spanish mantilla of silk illusion, trimmed with Alencon lace outlined with small seed pearls attached to a small self covered pill box hat de- corated with small seed pearls and crystal stones, covered the gown.

The bride carried a white Bible sent by her father to her mother 22 years ago from Honolulu. Atop the Bible was a lace fan with a large orchid outlined with white roses.

Matron of honor was Mrs. Judy Boykin, cousin of the bride from Nacogdoches, and bridesmaids were Mrs. Judy Crabtree and Mrs. Sarah Masten of Plainview. They wore dresses of deep gold velvet with A-line skirts hanging from the empire waistline. The sleeve- less dresses were accented by long white gloves and shoes. They wore small caplet gold mantillas and carried small white Bibles given to them by the bride. Their bouquets, which hung from the wrists, were balls of multi-colored mums with tones of greens and golds of net and ribbon mixed.

Tom Hoskins of O'Donnell was the best man and groomsmen were Terry Colley of Klondike and Donald Richardson of O'Don- nell.

Seating guests were Johnny Anderson, Bill Cook and James Williams, all of O'Donnell, and Jimmy Koehler of Klondike.

Candlelighters were Greg Reed, brother of the bride, and Miss Charla Cook, both of O'Donnell. Gift bearer was Richard Cook of O'Donnell, and Miss Cindy Cook was flower girl.

Entre Nous Meet on November 22

Mrs. Sandra Cox and Mrs. Sher- ry Gleghorn were hostesses for the Nov. 22 meeting of the Entre Nous Study Club.

Refreshments of coffee, juice, Ham and Pineapple tarts, Banana nut bread and broiled Peaches were served to the members and one guest, Mrs. Bill Davis.

A business meeting followed the social hour. The group will have their annual Christmas Din- ner on Dec. 9 at 7 p.m. in the Community House.

ROTARY NEWS

The O'Donnell Rotary Club met with president Wayne Noland pre- siding. Visiting Rotarians were George Wonell, Nobie Price, Le- Roy Olsak and Philip White of Lamesa and Fred McGinty and W. O. Wharton of Tahoka. Special guest of the O'Donnell Club were Jerry Barton and Dwight Craw- ford. Jerry and Dwight are sen- iors in the O'Donnell Schools.

Again, a nation has so much of which to be thankful. These Unit- ed States, so marvelously blessed by the Heavenly Father, again has bowed in humbleness at this season of Thanksgiving. Howard Swinney, Minister of the O'Don- nell Church of Christ, presented to the O'Donnell Club at its noon luncheon, "Thanksgiving Down Through History in the United States."

A letter from George Antippas family of Athens, Greece tells of the recent car wreck involving their daughter, Nitsa. A mule jumped out of a ditch in front of the car in which Nitsa was a pas- senger running its head through the windshield of the car. A splin- ter of glass entered the Iris of Nitsa's eye.

A letter from Antony Manuel- pillai family to O'Donnell tells of the closing of many businesses in Ceylon due to heavy strikes de- manding higher wages that the businessman cannot pay.

Thought for the week: "For ev- ery right there is an obligation."

Letter To Santa:

I want a play chest of jewels for Christmas. These are the names of the books I want. Poems to Read to the Very Young, The Wild and Wolly Animal Book, and Shirley Temple's Nursery Tales, and A Little Miss Traveler. I would like Jan.

Number of Farms Show Decrease In This Area

A total of 851 farms were counted in Lynn county during the 1964 Census of Agriculture, the U. S. Department of Commerce's Bureau of the Census reports.

In the last previous Census of Agriculture (1959), the total counted in the county was 962 farms.

The 1964 total is published in a preliminary report on the county just issued. The report also shows that average farm size in the county was 675.3 acres and that the average value of the county's farms (land and buildings) in 1964 was \$176,458.

Other important county statistics in the report are:

1. Value of all farm products sold by farms in the county in 1964, \$17,244,708; in 1959, \$20,790,991.

2. Value of all crops sold by county farms in 1964, \$1,140,123; in 1959, \$1,648,046.

3. Value of all livestock and livestock products sold by county farms in 1964, \$1,104,485; in 1959, \$1,142,945.

Information obtained for the first time in an agricultural census included the amount of income received by the county's farmers from recreational services as well as data on the use of pest control chemicals in the county in 1964.

A Census of Agriculture is taken every 5 years in years ending

"4" and "9" to gather information on the nation's agricultural resources and production. The data is needed to make decisions affecting many segments of the U. S. economy. The 1964 farm census was the 13th in a series that began in 1840.

The preliminary report for the county contains more than 500 facts about agriculture in the county. Among additional facts it contains are the number of farms by size, type, and economic class; the number of farm operators by method of tenure, age, color, off-farm work, and number of school years completed; land in farms by use and by land-use practices; data on equipment and facilities; farm expenditures; number of hired workers; and number of farms reporting poultry and livestock production and those reporting crop production by acres and quantities as well as sales.

Pesticide Use Warning Given

The wise use of pesticides inside your home is your personal responsibility says County Home Demonstration Agent Ann Duncan.

When actually using pesticides inside the house, be sure to read the label first, and understand all of the information. Use only the amount called for on the label. Provide adequate ventilation. Don't let the children help. Keep them away from where you are mixing or using a pesticide. Put the family pets outside while you are spraying and take their food and water dishes with them. Remove birds, bird cages, aquariums and fish bowls.

Take everything out of the dish cabinets, shelves and cupboards before you spray. Wait until the spray dries and then cover the shelves with clean paper or foil before you put things back. Never allow pesticides to get on food, dishes, pots or pans. Never spray the insides of a refrigerator or oven.

Pesticide products designed for use in the home are not automatically safe. It's how you handle them that makes their use safe or unsafe in your home, says Miss Duncan.

Keep home-type pesticides in locked-safe storage before and after their use. These pesticide products—and other potentially poisonous products—can be dangerous unless they are safely locked away.

SCOUT NEWS

Boy Scout Troop 789 has changed its meeting time to Tuesday nights at 7:30 at the home of Truett Hodnett. Lanny Brewer is Scoutmaster.

"Clean-up-and-put-out" is a slogan that Troop 789 thinks all citizens should adopt. Point 10d of Scouting is to "Properly dispose of garbage, put out your fires, and clean-up the cooking area." It is criminal to leave a fire that is still alive. Be positive the fire is out and that the last spark has been drowned. Sprinkle, do not pour, on the embers. Stir with a stick

until soaking-wet ashes remain. Turn logs and sticks and drench both sides. Finally cover the spot with dirt or bury the wet ashes. "Make the place look as if no one had been there."

Boy Scout Troop 789 of O'Donnell reminds the citizens to keep trash in the trash container where it belongs.

Pontiac Motor Division

What'd you expect us to put our Overhead Cam Six in?

An ordinary car?

Our revolutionary 165-hp OHC 6 is so revolutionary we had to do something special with it. So we made it standard in all Tempests and LeMans.

You see, it was inspired by those famous overhead cam engines in expensive European sports cars. With a few Pontiac refinements, of course. And with a power reserve for expressway passing you'd normally expect from a V-8.

We even offer a 215-hp version that makes a

lot of big V-8s seem awfully extravagant. Which is why we say, with a six like this who needs an eight?

Incidentally, a four-way hazard warning flasher, backup lights, and GM's energy absorbing steering column are some of the safety features also standard in Tempests and LeMans. How can you resist seeing your Pontiac dealer today?

Man Finds He Has Tuberculosis In Both Lungs, Result of X-Ray Picture

A West Texas town very near there once lived a man who had a steady, full-time job. Call it a week or so ago, Joe spent a day something like this: He was at the drug store. He was at the doctor's office. He was at the bank. He was at the car lot. He liked cars, and he visited with a customer and a salesman. Later more he was at another Main Street bar.

Because everybody else seemed to be lining up at the Tuberculosis Association mobile x-ray unit lined up too. He had the x-ray Number 31. It took just a second. In minutes he was back on the street, going the rounds.

A few days later, a doctor scanned x-ray Number 31,602-b. He looked short, looked again, and made a careful check of this chest picture.

He marked it "Urgent" and made a telephone call.

The chain reaction set in. The doctor's call led to a stir at the Tuberculosis Association offices in Lubbock. More x-ray messages - all including the word "urgent" - until the

wandering Man on Main Street was located.

His home town doctor confirmed the urgency of this case. Joe had an advanced case of tuberculosis, both lungs showing severe damage.

Within hours, he was en route to a hospital where he will live several months, until he can no longer endanger Main Street with the tubercle bacillus - the big name for the deadly germ that travels on a breath of air.

Approximately 50 persons in 23 West Texas counties already this year have learned that they have suspected cases of active TB. Judging by the figures, close to 3,000 Texans will be found to have active TB this year. They will be among 50,000 Americans to make the same discovery and among 2 or 3 hundreds of millions of infected persons in the world. In the developing countries, health authorities estimate that 10 to 15 million active TB cases are able to transmit the disease to one another and travelers. In the U.S. alone, the disease kills 9,000 persons annually—434 in Texas last year.

It is the business of Christmas Seal gifts to reduce these numbers, and they are being reduced. A seal on a letter says that some-

body, somewhere cares to eradicate tuberculosis.

Citizens Reminded 29 Days Left to Mail

We of the Post Office Dept. would like to remind our area residents that there are only 29 mailing days before Christmas.

While that may seem like a long time to most people, it is frighteningly short to those of us in the Postal Service. Postmaster General Lawrence F. O'Brien has predicted that well over 8 billion pieces of mail must be delivered between now and Christmas eve, a new record.

Use ZIP code on all mail. Wrap your packages well. Include sufficient padding. Include a card or piece of paper inside the parcel with your name and address and also that of the person you are sending the parcel to in case the wrapping should become loose & come off. Also, insert a list of the package's contents.

Address your gift and greetings clearly and completely so that there will be no difficulty in reaching the destination.

Use first class postage on greeting cards as we have a special 5c Christmas stamp that will decorate your holiday mail. This stamp will also assure your card of being forwarded if the recipient has moved and left a forwarding address.

"We are asking everyone to start thinking about their Christmas shopping and mailing now."

If all the holiday mail were to hit the postal system at one time, it is obvious that we would have difficulty delivering every piece of mail on time. Mailing early and spreading the mail flow out along the entire pre-Christmas season is the key to better mail service at this time for the year.

Your cooperation along with others in the past years has made it possible that virtually every

piece of holiday mail was delivered before Christmas day. With this year's volume increase we are hoping to see that fine cooperative spirit again.

May we offer these mailing tips.

ROTARY NEWS

The O'Donnell Rotary Club met Tuesday with president Wayne Noland presiding. Visiting Rotarians were Noble Price, Bower Purcell, Dallas Woods, and Sam Richardson of Lamesa. Special guests were Roland Barrera, and Alan Barrett. Alan and Roland are Seniors in the O'Donnell schools. Bussy Barnes and Ronny Barnes, also Seniors, were guests of the Club on Nov. 8.

The O'Donnell Rotary Club was again honored at their luncheon

hour with another phase of work

among O'Donnell's very fine youth. Miss Donna Moore, charming daughter of Mr. and Mrs. Ben Moore, brought to the Club the Projects of the O'Donnell Chapter of the Future Homemakers of America. This very active chapter of the O'Donnell school system plans (and carries them out, which is as important as the planning) many projects during the school year. The O'Donnell chapter spends many weeks during the summer months to plan these projects. The O'Donnell Rotary club salutes this very fine chapter and its capable sponsor. The O'Donnell Rotary Club wishes, also to commend the officials of the O'Donnell school system for its backing of this phase of school activities, for without the school's backing the O'Donnell Chapter of Future Homemakers of America could not function.

CARD OF THANKS
We sincerely want to thank ev-

eryone for the kindness and love that was shown to us and our family during the time of the loss of our loved one.

We want to especially thank everyone for the food and beautiful flowers.

May God bless each and every one of you.—The Mauldin family.

CARD OF THANKS
Words of appreciation to each for the many prayers, visits, cards and flowers while we were in the hospital.
May God bless each of you.

The L. U. Barton family.

tired identically to the attendants with a Spanish mantilla and had a wristlet bouquet. The boy candlelighter had on dark trousers with a soft green coat to blend. The flower girl was dressed like attendants but had a halo of flowers instead of the mantilla, and carried a basket of flowers.

Mrs. Carl Sprayberry, organist, accompanied W. J. Buchanan in wedding selections.

The couple greeted guests at a reception in the Fellowship Hall of the church before traveling to parts of New Mexico for a wedding trip. The bride wore a pink light weight wool fitted A-line dress with three-quarter length sleeves and a pink wool mohair sleeveless fingertip jacket. Her shoes and bag were multi-colored of pinks, wines, greens and black to blend in with her dress and jacket.

The couple is at home at 2408 Auburn, Lot 116, Lubbock, where Mrs. Aldridge is attending Texas Tech in the school of business administration. Her husband is employed by Dunlap's in Town and Country Shopping Center and will start to Tech in the spring.
