

THE DAILY NEWS

O'DONNELL, LYNN COUNTY, TEXAS, FRIDAY, OCTOBER 14, 1932

NUMBER 2

EAGLES' SCREAM

Illness in high school has but a very slight increase since opening day. Three more new this week bring the total up to 2, which is almost equal to last year.

Special Class Day
Over 241 have sat aside as members when Seniors will select class rings and Juniors their pins. Efforts are being made to use a standard ring for the year but this question will be set at day.

Pop Squad Plans Suits
Members of the Pop Squad have decided upon black and white suits, and hope to have them made at the first game with the Fay Tomlinson and Kimme Pearce are yell leaders, Edwards and Mary Hamilton leaders. Mrs. E. E. Gilbreath pastor.

They Address H. E. Class
Members of the Clothing H. E. class enjoyed some expert advice from W. S. Cathey in connection with their study of Business Organization of the Home. Mr. Cathey connected with the bank and much interested in every member of the school, led a group on the reason for saving, investing incomes, and methods.

Small Senior Class
Containing only fifteen members, Mrs. graduating class is one of the smallest O'Donnell High School has had. However, seniors say they are operating on a basis of quality rather than quantity.

Candidates for graduation are Anderson, Jerry Bean, Temple, James Cathey, Estelle, Mollie Harris, Frances B. George, McCracken, Hazel, Beswome, Kimmie Lee Pearce, R. Ratliff, Vera Seely, Georgie Smith, Mary V. Shook, and Warren.

Fish Observe Class Day
Friday was officially observed as Fish Day in the high school. Freshman girls were combed to school wearing dresses hind part before, with freckles painted on, and still bawled about the hair.

Grammar School News
The Hanching has this week the ranks of Low Seventh. The fact that six new students from three different states recently enrolled in school is of great interest among the girls. They are Elizabeth and Ruth Blake from Quemado, N. A. and J. W. Gore of Clovis, Juanita Pollock, Oklahoma, Diablon and Gerald and Lois Shook from Los Angeles, Cal.

Grade pupils have named members of their room for cities in United States, and are contesting for honors in cleanliness. The English Club has had its secretary, and members plan to send a newspaper to be read at school.

Several of the boys are on for football squad. Fifth Grade has a total enrollment of 33. LaVerne and Mary Giddard each made 100 rings every day.

Grade pupils have elected L. Davis as room mother, Mrs. Lawler reporter. Every day when the given name is called every last week, and to keep up the record this week.

Grade pupils averaging 100 rings last week are Len Malone, Jennie Mae Shoemaker, and Lucille Johnson, and Mary Gant.

Grade attendance has been good indeed, though the class that one member, Margaret has been ill and unable to attend several days.

High School Wrote
are reliably informed that no incidents really took place in high school recently, so we are on to our readers.

LAMESA YOUNG PEOPLE INJURED IN WRECK

Miss Faye Jacks, daughter of Mr. and Mrs. W. Jacks of Lamesa and a niece of George D. Foster of this place, was one of the young people who were injured Sunday afternoon when their car overturned on the highway just south of town.

Miss Jacks sustained fractured ribs on both sides and a badly sprained shoulder. Another of the girls, whose name we were unable to learn, was more seriously injured, receiving fractured ribs and a shattered left arm, as well as a severely wrenched back. Both young ladies were cut and scratched by flying glass. Their three companions were not so badly injured, though the entire party was considerably bruised, shaken up, and cut.

The accident took place about four-thirty Sunday afternoon as the young people, driving a Ford touring sedan, were en route to O'Donnell. Just at the top of a hill near the cemetery, they met two special busses filled with football boys who were driving through the dust and lost control of the car, which was traveling at a high rate of speed.

The two busses stopped as soon as the accident occurred, and the highway was quickly jammed with cars and spectators, so that offers of help were plentiful.

The two badly injured girls and their companions, one of Mr. Sprayberry of Lamesa, were brought into town. Mr. Foster was called to the doctor's office, and he and friends took the young people back to Lamesa.

Mr. Foster stated Wednesday that the girls were doing very well, but that a month's time would hardly be sufficient for their complete recovery.

TIDWELL'S PARTNERS GET PRISON SENTENCES

After pleading guilty in the 106th district court to the charge of robbing the bank, with firearms, last spring, Bill Tidwell was sentenced to the penitentiary Wednesday afternoon.

Tidwell was identified as the bandit by J. Mack Noble, who was acting as cashier at the bank. He is reported to be one of the survivors of the infamous Starr gang of Oklahoma.

At the time Bill Tidwell was facing charges in district court at Tahoka, last week for robbery of the bank here, his alleged partners were receiving prison sentences in courts in other states.

He is now under a 99-year sentence for the murder of Harvey Bolin, an officer, a Portales court placing the sentence.

Pleading guilty to a charge of participating in the robbery of the Halleyville bank last February, Lacy Roy Brown was sentenced to twenty years imprisonment at McAllister, Oklahoma, last Monday.

STOKES IMPROVING AT HEALTH RESORT

Reports received here this week are that E. G. Stokes is showing a fair degree of improvement in health since he was taken to Marlin several days ago.

Mr. Stokes, a prominent farmer of this territory, has been in poor health for more than 10 years, suffering from what is thought to be an ailment of local physicians. Recently, however, local doctors diagnosed the trouble as gall stones, a diagnosis with which Marlin physicians agreed.

LUCAS CHILD INJURED IN FALL SUNDAY

The five-year-old daughter of Mr. and Mrs. Lucas of the Bailey family was severely injured last Sunday afternoon when she fell against the iron wheel of an implement as she was playing at the farm home, placed.

The little girl struck the wheel full force, the blow bursting the upper lip, breaking the upper plate of the jaw, knocking the teeth loose so that they protruded almost straight outward.

She was brought immediately to the office of a local physician for first aid treatment. Several stitches were necessary to close the wound in the lip. The doctor forced the teeth back into position, but Tuesday afternoon it became necessary to call on dental aid to wire one of them home, placed.

Fortunately, the child still has her baby teeth, so that her permanent teeth will not be affected.

Shock and pain have made her very ill, but attendants report that she seems to be somewhat improved.

DISTRICT LEAGUE RALLY TO MEET HERE SATURDAY

More than one hundred delegates are expected to be in O'Donnell this week-end to attend a rally of the Epworth Leagues of the district. The local League and their friends will be the hosts for the visitors and extensive plans are under way for their entertainment.

This is the first time in several years that O'Donnell has entertained so many visitors, and the community as a whole is joining with the Methodist church in carrying out plans for the comfort of the delegates.

The program planned for the two days will be as follows:
Saturday
4:00 p. m. Registration.
7:00 p. m. Supper and Recreation.
Sunday
7:00 a. m. Morning Watch, led by Getrude Evans of Meadow.

10:00 a. m. Committee meetings.
10:00 a. m. Sunday school.
11:00 a. m. Morning Worship.
12:00 noon - 1:30 p. m. Lunch.
1:30 p. m. Devotional service led by Corbin Dought of Tahoka.
2:00 p. m. Business meeting and pep rally.

All the young people of the town are cordially invited to come and help in the service. The local League, and to meet the visitors from towns all over the South Plains.

BULLINGTON SCHEDULED TO SPEAK HERE

Advance press notices received this week by the Index state that Orville Bullington, Republican nominee for governor, will speak in O'Donnell at 9:30 Thursday morning, October 27th.

A number of local people have already heard Mr. Bullington on previous occasions, but he is still comparatively unknown to the greater portion of our folk. It is hoped that a good crowd will be present to hear him.

STREET'S BROTHER INJURED IN HIGHWAY ACCIDENT

Mr. and Mrs. Irvin Street were summoned to Abilene Friday by news that his brother, M. R. Street, had been seriously injured in a highway accident three miles west of Tye early in the morning. They left immediately to be at his bedside, and returned Monday afternoon with news that, though he is in a very serious condition, he will live unless further complications arise.

The accident occurred on the highway between 4 and 5 o'clock Friday morning. Mr. Street was driving with a trailer attached to the wagon. The trailer having become disconnected, he had stopped to fasten the hitch, taking the lantern from the rear of the trailer to see how to do the work. H. E. Martin, Sweetwater oil operator who was driving a Chrysler limousine, failed to see the vehicles, and crashed into the rear of the trailer, pinning Mr. Street's head between it and the wagon. He was struck in the face, and an eye torn from the socket.

GINNING REPORT SHORT OF LAST YEAR'S

With a total of only 295 bales ginned, O'Donnell up to Wednesday afternoon, this year's report is 1636 bales short of that at this time last year. The October 16th issue of the Index last year listed a total of 1931 bales ginned by the seven gins.

The prolonged rainy spell is held responsible for the drop.

MINOR TAKES OVER LUBBOCK PRODUCE

A business transaction of some importance was completed here Friday afternoon when J. A. Minor became local agent and manager for the Lubbock Poultry & Egg Company.

This concern has maintained a branch office here for a number of years, with J. A. Cornett in charge until two weeks ago, when he resigned to return to farming. V. C. Harless of Littlefield has looked after the business of the company until Friday, when it passed into the hands of Mr. Minor.

NEW COTTON OFFICE TO OPEN HERE

J. I. Stimson of Lubbock, well-known to farmers throughout the South Plains, is supervising the arrangement of a cotton office for himself this week.

The office will be located in the Federal Bank Building, next door to the Co-Op office. Extensive alterations and repairs are being made this week by local carpenters and the office will be ready for occupancy on their side, by Monday.

STARTING LINE-UP FOR FIRST GAME

Announcing that a game has been matched for today with Tahoka, making O'Donnell's first tilt with the capital city rather than Lamesa, coach Fletcher Johnson said Tuesday that the Eagles are in good condition and ready for the fray.

The game will be played at Tahoka this afternoon, and both teams are eager to have as many fans as possible accompany the squad for the initial game. The Tahoka men have the advantage of weight and experience on their side, but Johnson declares that he has the fastest, gamest, and trickiest team of featherweights he has ever seen in action on a football field, and more than optimistic over chances for bringing home the big end of the score.

Starting line-up for the Eagles will be Joe Pugh, L. E. M. Webb (captain) LT; B. B. Clayton, LG; Herman Whitehead or R. E. Stokes, RT; Robert Line, RE; Lawrence Tredway, Q; Russell Foster, L half; Ben Morrison, R half; Ray Debusk, Fullback.

The entire squad is expected to see service in this game, the coach said Tuesday, so that all can make their official debuts on the gridiron.

COUNTERFEIT BILLS ARE PREVALENT IN SECTION

Local merchants have been warned during the past several days to watch for counterfeit bills being passed in other towns in this immediate section.

Though it is believed that all members of the alleged counterfeiters' gangs have been rounded up within the past few days, a number of spurious bills may have been scattered throughout the territory.

Sudan and Lubbock seem to have been the chief sufferers, one man being held enough to get change for a bogus \$100 bill at the bank at Sudan. A bill of the same denomination was passed on a Lubbock business man, but since the warnings have been broadcast, \$100 bills have been scarce in O'Donnell.

Born to Mr. and Mrs. W. H. Ritzenthaler on Wednesday, October 11, an eight and one-half pound daughter, at the Lubbock sanitarium. Mother and baby are both doing well. The young lady will appear to the name of Dorothy Anna.

B & O STORE PURCHASES POULTRY PEN

The produce department of the B & O Store has received added equipment this week in the form of a poultry pen and shed.

The building was purchased from the Lubbock Poultry & Egg Company when that firm closed its branch office here last Friday, and has since that time undergone complete repairs and rebuilding.

ROBINSON ELECTED LEGION POST COMMANDER

At a business meeting of the Fern Allen Post of the American Legion last Thursday evening, L. E. Robinson was unanimously elected post commander for the coming year.

The meeting was called especially for the election of a commander. It will be remembered that Mr. Roy Wilkes was elected to this office early in the summer, and that place was left vacant when he moved to Abilene recently.

Mr. Robinson has become well acquainted during the three years he has lived in O'Donnell and is considered a strong executive as well as being popular personally. It is confidently expected that the post will do well under his leadership.

The organization has been somewhat handicapped for the past year or so by stringent financial conditions and has consequently been unable to do as much as its leaders would have liked, but it has nevertheless been an important factor in the community.

Reorganized a little more than two years ago after several years of inactivity, the post has seen one of the most important events of the territory. Its efforts in the matter of employment and aid for the needy are still gratefully remembered by those who have seen the boys of seventy or more is still talked of by those who attended either as guests or as spectators. The Memorial Day Program was one of the most impressive events of the kind ever rendered here, and the entire community joins in hoping that a similar one will be arranged next spring. A dramatic production using some talent was one of the outstanding projects of the post, and in this line the community again joins in hoping for another presentation.

Cutting short the lengthy list of accomplishments successfully put over by the post, citizens of the town and country remember with much pleasure the series of community socials sponsored and arranged by the post and the Auxiliary, and the well-planned and conducted work of the Auxiliary itself.

It will be remembered that the local committee for the commendable work in which their work has been conducted. New officers for the coming year will be elected for this year at the annual meeting.

Other officers of the post are: post adjutant, Cliff Lambert; vice-commander, W. C. Sauls; sergeant-at-arms, Grady Gantt; post historian, W. W. Burnett; post chaplain, L. F. McAffee.

COUNTY VALUATION CUT MILLION DOLLARS

Property valuations in Lynn county have been cut more than a million dollars this year, according to figures given the Index this week by A. I. Thomas, county assessor. Rolls have been completed and turned over to tax-collector A. M. Cade, who is now prepared to receive taxes.

Valuations this year will be \$5,404,665, or \$1,025,218 less than the 1931 valuation of \$6,429,883.

The county rate is 80 cents on the valuation, just as it was last year, but land valuation has dropped from \$7.50 to \$6.50 per acre this year.

SPECIAL SERVICES SATURDAY AT CHURCH OF NAZARENE

Rev. V. B. Atterbury of Abilene, district superintendent of the Church of the Nazarene, will be in O'Donnell Saturday, and will preach at eight o'clock.

LIBERALIZED CROP LOANS TO BENEFIT FARMERS

The Agricultural Department announced a plan Friday for liberalizing crop production loans in cotton states by accepting the staple as collateral on the basis of nine cents per pound on middling 7-8 inch.

W. H. Clark, manager of the local office, was highly gratified at the news, saying that such a course will not only ease the burden of repayment of such loans, but will also give the cotton market a boost upward.

Cotton will be accepted as collateral on loans of this year and on unpaid balances of loans made prior to 1932. In certain areas not specified in the announcement, the department will allow 9 1/2 cents per pound on middling 7-8 inch. Differentials are to be paid, Mr. Clark said, to provide premiums of cotton to collateralize the loan at nine cents per pound.

Those who obtained crop loans for cotton production will be required by the department to deliver their cotton to the Cotton Co-Operative Association or to federal bonded warehouses.

In the latter case, the cotton must be insured and warehouse receipts delivered to field agents of the department or to the regional crop loan collection office. Receipts must be sufficient to collateralize the loan at nine cents per pound.

The borrower must sign an agreement reserving the right to sell the collateralized cotton at any time prior to March 1, 1933, and authorizing the secretary to sell it at his discretion at any time subsequent to that date. When it was sold, the borrower would be credited with the sale price of the proceeds. If the amount obtained is more than his loan, he would be refunded the balance; if insufficient to pay the loan and interest, the balance would remain as an obligation of the borrower.

Mr. Clark is anxious that all borrowers call at the local office and discuss this proposition with him, especially so since the balance of the year sold their cotton at prices far below those they could have received by placing it with the Co-Op Association.

This provision was largely brought about through efforts of General Manager R. J. Murray, through telegrams and other communications to Texas Congressmen and Representatives.

Mr. Murray stated this week that this plan will mean millions of dollars to Texas farmers, as it means at least fifteen dollars a bale more at 100,000 of this year's crop of cotton on Seed Loan cotton.

Furthermore, it will mean the withholding of some 400,000 bales of this year's Seed Loan cotton from the market during the usual heavy marketing season, thereby giving substantial support to the market.

Special Seed Loan pools have been set up to cover this cotton, and the complete services of every branch of the organization are available to secure the collateralization plan.

Mr. Clark also stated that sometime in the immediate future, J. M. Tanner of Lamesa and P. F. Murray of Lubbock will call a meeting of all borrowers and other interested parties, the purpose of the meeting to be the clear explanation of the plan in all its aspects, so that there may be no misunderstanding of any respect.

Further announcement concerning this will be made later.

The local manager further emphasized the fact that the nine cent price is the fixed price for middling cotton, adding that inferior grades will be penalized and better grades will carry a proportionate premium.

PASTOR CALLED AWAY TO CONDUCT FUNERAL

Rev. L. S. Jenkins, pastor of the First Baptist Church, was called to Gore Sunday night by news of the death of a former parishioner, Mrs. Ed Bowman of Gore.

The pastor left immediately for that place to conduct the funeral services and to comfort the family.

He left word, however, that he would return Tuesday, and that all services of his church will be conducted at the usual hours Sunday.

Everyone is urged to be present for any or all of them.

Mrs. Bill Patton, who has been the guest of her father, J. W. Chandler, for the past several weeks, was called to Post late Wednesday evening by news of the death of her husband's mother, Mr. Patton was in New Mexico on business and could not be present in time to attend the funeral; in fact, did not know of his mother's death until Sunday.

J. M. Tanner of Lamesa was in O'Donnell Monday afternoon on business.

BIRTHS

Mr. and Mrs. Lon McKenzie on
September 9, a 9 pound daughter.
Mr. and Mrs. Gus Porterfield, Sep-
tember 16, an 11 pound son.

Mr. and Mrs. Billie Thompson,
September 19, a 7 1/2 pound daugh-
ter.

Mr. and Mrs. Douglas Saint, Sep-
tember 20, a 6 pound son.

Mr. and Mrs. Stripling Pettijohn,
September 21, a 6 1/2 pound daugh-
ter.

Mr. and Mrs. Pratt Oliver, Sep-
tember 22, a 7 pound son.

Mr. and Mrs. H. C. Beattie, Sep-
tember 22, a 6 pound daughter.

Mr. and Mrs. Murel Riley, Sep-
tember 23, a 9 1/2 pound son.

Mr. and Mrs. L. E. McMillan, Sep-
tember 26, an 8 1/2 pound son.

(Editor's Note—For the past
three weeks the reporter was unable
to make connections with some of
our local physicians, so that report
of the arrival of these young ladies
and gentlemen has been somewhat
delayed. However, their welcome
is none the less warm and sincere,
and we hope they have all learned to
like their new homes.)

Mr. and Mrs. C. H. Cabool and Mr.
Casey Cabool were in Lubbock Sat-
urday, visiting friends.

Mr. and Mrs. E. L. Sorrels were in
Lubbock Friday afternoon.

Mr. and Mrs. O. P. Harland of
Stamford were guests of friends here
Tuesday afternoon.

Miss Alice Joy Bowlin, who is a
student at Texas Tech this year, spent
the week-end here with her parents,
Mr. and Mrs. J. P. Bowlin.

Mrs. Fanny Pierce returned Thurs-
day from an extended visit with rel-
atives at Texarkana.

Mr. and Mrs. C. Burns and family
of Gore were guests Sunday of Rev.
and Mrs. L. S. Jenkins and family.

Mr. and Mrs. C. E. Ray, E. M.
Hobson, and Mr. and Mrs. W. E.
Hobson and son, Bobby, spent Sun-
day in Meadow with relatives.

In SOCIETY

**P. T. A. SOCIAL TUESDAY
WELL ATTENDED**

Opening the year's work Tuesday
with a social meeting for members
and prospective members at the high
school building, officials of the local
Parent-Teachers Association were
hostesses to more than thirty-five
guests.

Mrs. C. H. Westmoreland, presi-
dent of the organization, had charge
of the interesting program, which was
opened by the Lord's Prayer. Miss
Alice Busby, piano teacher, favored
the guests with a lovely musical
number, after which Rev. W. R. Burn-
ett, pastor of the Methodist church,
addressed the assembly with an in-
teresting and forceful outline of the
work and importance of the associa-
tion in a community.

Miss Morene Huff, Speech Arts
teacher, gave a delightful reading,
and Mrs. A. B. Blake sang a beauti-
ful song. A clever reading by little
Miss Pauline McAtee, a piano solo by
Miss Faye Tomlinson, and a short
talk from superintendent L. F. Mc-
Afee concluded the formal program.
Mrs. McAfee had charge of the so-
cial hour, and directed the guests in
contests.

Punch and sandwiches were served
at the refreshment hour.

In a short business session, Mrs.
Cathey, Gooch, Lattimore, Miss Mil-
lwee and Mr. McAfee were appointed
as a committee to make out the year's
program.

**W. M. S. TO ASSIST
IN ENTERTAINING**

At a meeting of the W. M. S. of
the Methodist church Monday after-
noon, it was decided that the ladies
will assist the Epworth League in en-
tertaining the delegates to the dis-
trict rally here this week-end.

Committees were appointed to ad-
vise and help with placing of visitors
in homes, and in planning and pre-
paring supper Saturday evening.
Twelve members were present.

**COUNCIL MEETING IS
HELD TUESDAY EVENING**

Stewards, teachers, and officials of
the Methodist church were delight-
fully entertained Tuesday evening in
the home of Mrs. Belle Knight when
she was hostess at the regular month-
ly meeting.

Several matters of business were
discussed, and plans for favorably

closing up the work of the church
year were further dev. oped.

After a pleasant social hour, dainty
refreshments of sandwiches and cof-
fee were served to Messrs. and Mmes.
Ben Moore and Carey Shook; Mrs. D.
M. Estes; Misses Oleta Moore, Annie
Belle Estes, and Mary V. Shook, Min-
nie Hood, and Christine Willwee;
Messrs. Guy McGill and B. M. Hay-
mes, and Rev. W. R. Burnett.

**JAMES ROYAL TONEY
HOST TO FRIENDS**

A number of the friends of James
Toney were guests Saturday evening
when he entertained with a marsh-
mallow roast on the open section just
in the edge of town.

The entire party met at his home,
and the pleasant walk to the appoint-
ed place was one of the most enjoy-
able features of the evening. The am-
ateur chefs proved themselves to be
adept in the art of toasting the con-
fections to just the proper shade of
brown, and if a few of them did taste
rather gritty, they were good just the
same.

Those present were Messes Leona
Holman, Merl Miles, Veda Shumake,
Connie McConal, and Beatrice James;
Bearl and Earl Tune, William Edward
Clington, L. E. Robinson, Henry
Toney, and the host.

**W. M. U. MEETING MONDAY
UNUSUALLY INTERESTING**

Attendance and interest at the reg-
ular weekly meeting of the W. M. U.
of the First Baptist church was un-
usually good this week, according to
reports from members.

Mrs. P. M. Vaughn conducted the
Bible study based on the tenth chap-
ter of Second Corinthians. Eleven
members were present.

WELLS HONOR ROLL

The following students of Wells
elementary school have made an av-
erage of 90 or above since the open-
ing of school: Sylvia Aldridge, Blain-
ton Lamar McLaurin, Lucy Alice
Baucum, Mary Smith, Blubs Allen,
Geraldine Askew, and Clota Rae
Jones.

Mr. and Mrs. Dave Scott returned
Friday from Rochester, where they
had been called by the illness of a
niece. We are glad to report that the
little lady is much improved.

**FARMERS URGED TO
HAVE SEED TESTED
BEFORE PLANTING**

AUSTIN, TEXAS, Oct. 7.—All Tex-
as farmers are especially urged by
the Commissioner of Agriculture,
J. E. McDonald to take advan-
tage this season of the free ser-
vice of the State Department of
Agriculture in the testing of plant-
ing seed. Unfavorable climatic
conditions during the growing
and harvesting seasons has caused
low germination in seed this
year, he pointed out.

Because of rather unusual
weather existing in Texas this
year, there being a drouthy con-
dition during the crop growing
season, and excessive moisture
during the harvesting season, it
 behooves farmers planting various
kinds of seed to have their plant-
ing seed analyzed and tested in
the laboratory of the State De-
partment of Agriculture to deter-
mine the germination per-
centage," he said. "If a farmer
knows the germination per-
centage of the seed he is planting,
then he can regulate the amount
of seed to be planted per acre so
as to insure the stand.

"Numerous conditions would per-
mit poor germination. Grain seed,
such as wheat, oats, rye and bar-
ley, may have been harvested in
little too green; excessive rains
while the grain was standing in
shocks might have made possible
heating; the grain may have been
threshed before the seed was suf-
ficiently shock dried; or it may
have been placed in bins with ex-
cessive moisture, which could
cause heating.

The fact that many cotton
fields suffered from drouthy con-
ditions being followed by excessive
rainfall during the harvesting
season, coupled with the fact that
because of an abundance of labor,
cotton was picked as soon as it
opened, or a little too green,
which permitted of heating, makes
it possible that there is a more
than usual amount of planting
seed of low vitality, or inability
to germinate properly.

It is urged that the citizens of
Texas send representative sam-
ples of the seed which is for
planting purposes to the State
Department of Agriculture for
testing. This service is maintain-
ed for the benefit of the abso-
lutely free. Just send by parcel
post one pound of cotton seed;
one pound of large grain, such as
oats, wheat and barley; five ounces
of clover, rye and similar seed;
seed; or two ounces of small
seeded grasses, and the Depart-
ment will analyze and return a
complete statement of the test to
the farmer or seedsmen, with-
out cost to him."

METHOD CHURCH NEWS

W. R. Burnett, minister

Next Sunday is to be a big day at
the Methodist Church. In addition to
our own people we are expecting 75
or 100 visitors from other points in
the district. The District League Bal-
ly is to be held in our Church Sat-
urday night and Sunday. Saturday
night our visitors will be served with

GIBSON AND MAY
• O'DONNELL AND LUBBOCK •
• TRUCK LINE •
• General Hauling •
• Phone 21 or Phone 48 •
• O'Donnell, Texas •

Why buy any
second-choice tire
when a
GOODYEAR
costs no
more?

The experience of tire-users
is that Goodyear Tires give
greatest value at every price—
every year the public buys
more Goodyear tires than any
other make. That's a
pretty definite indication of
superior value.

Sept. 12th Goodyear Built
its 200 Millionth Tire

Highway
Garage
JOHN EARLES, Prop.

a banquet at the Church, and after-
wards directed recreation will be en-
joyed by the young people. The first
service Sunday morning will be held
at 7 a. m. This will be the Morning
Watch. All young people of the com-
munity are invited to come and join
in this service. At 8 a. m. Committee
meetings will be held. At 10 a. m.
Sunday School will convene. There
were 120 present in Sunday School
last Sunday. We are expecting many
more next Sunday.

At 11 a. m., the morning worship
service will be held. We are planning
for a great service at this hour. An
excellent program is being arrange-
d. The pastor plans to bring a mes-
sage on the subject, "Making a Liv-
ing and Living a Life." The Metho-
dist Church extends a cordial invita-
tion to all of our friends in our com-
munity to be present for this service.
In the afternoon the Leaguers will
meet back at the Church for a busi-
ness meeting.

At 3 o'clock Sunday afternoon the
stewards of the church will meet at
the church to lay plans for finishing
out the year's work. We are anxious
to have every official of the church
present for this meeting. It is now
Sunday that the Annual Confer-
ence, and much remains to be done
to finish out the year. By every one
pulling together and doing our part

we will be able to make a fine
able report at Annual Conference.
Let us not wait until the last
minute to make any sort of arrange-
ment for the Church at this time. At
next Sunday and place it in our
velopes that are available at this
time will be very helpful indeed.
At 6:45 p. m. the Epworth League
will meet in regular session. The
growth of the young People's League
has been very gratifying indeed.
Average attendance of the young
people at the League at this time
is about 30.

7:30 P. M. Evening worship
service. We will appreciate your
presence at this service.

Seven new members were pre-
sented into the Church last Sunday
morning. They were Mr. and Mrs.
Blake, Mary Ruth Blake, Mr.
Mrs. H. A. Lattimore, and Mr.
Mrs. Sam Singleton. We are
glad to welcome these new mem-
bers into the fellowship of our
church. The Woman's Missionary
Society will study last Chapter in
book, "What Every Methodist
Should Know."

Every one will find a hearty
welcome at the Methodist church,
and worship with us.

PRODUCE

We are now agents for the Lubbock Poul-
try & Egg Company, and will pay highest
market prices for your produce.

National Agriculture Notes

by R. H. MATHIS

FEEDING THROUGH HOGS

Many farmers around O'Fallon are thinking of marketing their feed crop this year. This idea arose as a result of the high prices and the extreme market price of most all feed grown in this area. The recent drought has made it almost impossible to market these feeds at a profit. These farmers believe that to deal more profitably they can realize more on their feed crops if they can market to cattle and hogs which seem to require comparatively higher priced feed.

Very little information on the feeding of hogs has been given in the State Experiment Station, local College Station, Texas. From many feeding trials, some very interesting and valuable facts have been uncovered. For the benefit of farmers who are planning to feed this Fall and Winter, this information is being given in this article. In these facts a sixty pound pig can be fed out to a weight of 559 pounds on 165 pounds of supplement. At 25¢ per hundred weight for the feed, the total feed cost for the 165 pounds of gain only \$2.72. Allowing \$2.50 original value of the 60 pound pig and a total cost of the 225 pound pig of only \$5.22. If hogs can be fed as much as 4¢ per pound, the 225 pound hog would be \$9.00 leaving the feeder a profit of \$3.78. This \$3.78 net profit represents what would actually be paid for the 559 pounds of

threshed maize. Figuring this on the ton basis, it appears that the maize thus fed would bring \$13.52 per ton instead of \$5.00 per ton which is the selling price of the threshed grain at this time. In other words, it is altogether possible for a farmer to receive \$8.52 more for his maize by threshing it and feeding it to hogs.

The hog feeder must keep in mind that the above results were obtained under ideal feeding conditions. The pigs which made those remarkable gains were fed the threshed maize and protein supplement in a self-feeder so that they could eat as much of each feed as they wanted. The pigs were of good breeding and were given ideal care during the feeding period. They were not given any milk because that part of the ration was supplied by the protein supplement feed. The protein supplement was composed of 50 pounds of tankage, 25 pounds of alfalfa leaf meal, 30 pounds of finely ground limestone, and 2 pounds of salt. The average daily gain made by the pigs was 172 pounds and only 339 pounds of maize and 37 pounds of protein supplement was eaten for each 100 pounds of gain.

From other feeding trials conducted by the Experiment Station, it was found that pigs fed on maize heads in the dirt gained only 85 per cent as fast as the trough fed pigs and required 65 pounds more feed per 100 pounds of gain. Pigs in both troughs were given the same amount of maize heads each day. Pigs fed whole threshed maize were ready for a market weight of 200 pounds at least two weeks ahead of the pigs fed heads. These figures indicate that it certainly does pay to thresh the maize if it is to be fed to hogs.

PEOPLE INTERESTED IN POLITICAL MESS

Injunctions and law suits and sundries and other legal grinds on Texas gubernatorial discussions concerning the election of a new governor are every day among our political experts. In fact, there has almost approached the boiling stage several times. The benefit of some one who is not so much interested in the political arena recently, the editor has gone back through the files for the past several months with this result: Mr. Miriam A. Ferguson, who fought it with Ross S. Sterling and the present governor by being better than 3,000 votes, is officially nominated as the candidate at the Lubbock convention last month. At the gubernatorial contest, she must be termed the product of democratic unorthodoxy. And because of this, the Sterling forces are to fight all the harder. Further, knowing that there is a representation of Texas in 1900 or so who did not vote for Jim's wife, up come the beans in an attempt to get these votes for their candidate. Bullington of Falls, also, George W. Ferguson, independent who withdrew from the democratic fold, is following.

It is to furnish plenty of this governor's race in the to be long remembered. The candidates are beginning to quarrel to be found in story of the in Dallas recently of a mass meeting for the organizing voters to the defeat of Mrs. Ferguson. A convention which split Armstrong led his followers to a separate meeting. This was when his motion picture division of time between and representatives of the division was voted down. Armstrong claimed then and in radio since that the convention was controlled by Bullington.

who remained at the contended that they were for a single purpose. against Mrs. Ferguson, at neither the candidates men nor any other matter should be allowed to interfere with that party then organized themselves under the name of "League of the Fusion Democrats." passed resolutions endorsing Sterling in his election, and promised to him in the general election 8 if he should win now pending.

A fifty-fifty break. Some Democrats, dissatisfied with the way things went in the August primary, assert that they will vote for Bullington. These figures indicate that their ticket will read a vote for Roosevelt and Garner as democrats and a republican for governor of the state.

And still others claim themselves to believe in the principles set forth by Thomas Jefferson. Even, it is cited, Jim himself on one time refused to support the ticket of the democratic party and he had to be bolted to run on the American party ticket, or something like that.

Quite a mess, any way you look at it, and one which is keeping speculators as to what Mrs. Ferguson's authorities busy with Callum will decide to do, or what she will be allowed to do.

Well, only a month from today and the tale will be told. And personally, we wonder whether or not it will make very much difference to any of us which way it ends.

H. J. Hahn of the United States Employment Service bureau, now stationed at Lamesa, was in O'Donnell Tuesday on business.

Morris McIlroy of Lubbock was the guest of friends here a short time Tuesday afternoon.

Mr. and Mrs. J. C. Christopher of Amarillo are spending a few days here with friends and relatives.

Mrs. H. R. Womack spent Tuesday in Mahoka with friends.

Mess Claire Ruth Nichols presided at the teller's window at the First National Bank during Mr. Shoemaker's absence.

J. C. Durham of Knox City arrived Sunday evening to stay through the fall with his grand-parents, M. and Mrs. B. R. Stovall.

Rev. and Mrs. L. S. Jenkins and the boys, accompanied by Mr. and Mrs. W. R. Heathington, visited their daughters, Misses French and Opel, at Wayland College at Plainview last

weeding had a family of Goree were guests Sunday of Mr. and Mrs. Tom Yandill and family.

Mrs. Arnold, who has spent the summer here with her daughter, Mrs. R. C. Carroll, and family, returned Saturday to Goree. Her many friends here will miss her until she returns next summer.

Miss Wynona Huff, who is a member of the Freshman class at Tech this year, spent the week-end here with her parents, Mr. and Mrs. W. T. Huff.

WANT TO BUY—Your maize. See me at Minor Feed Store. C. W. Gravett.

J. C. Scott of Gilmer is visiting his brother, M. A. Scott, and family.

Mrs. J. W. Hodges of Lamesa was the guest Sunday of her daughter, Mrs. Cecil Tredway.

Mr. and Mrs. Otto Jones of the Spade ranch near Midland were guests last week of Dr. and Mrs. J. F. Campbell.

FRESH FISH AND OYSTERS—For sale at the Recall Cafe on Fridays and Saturdays.

WANT TO BUY—Your maize. See me at Minor Feed Store. C. W. Gravett.

Mrs. Eva Harper of Gatesville is visiting her daughter, Mrs. David Taylor, and her sister, Mrs. J. F. Campbell.

Misses Christine Millwee and Minnie Hood visited friends in Lubbock and Tahoka Saturday afternoon and evening.

The many friends of Mr. and Mrs. Cecil Westerman will be interested to know that they have bought a drug store in Big Spring and are moving from Lamesa this week. Mr. Westerman was at one time connected with the Corner Drug store here, and Mrs. Westerman will be remembered as Mrs. Hazel Gary, who taught piano in the school three years ago.

J. L. Shoemaker, Jr., was in Austin the first of the week on business.

The Semi-Annual Singing convention will meet at Klondike next Saturday evening and on Sunday, October 15 and 16.

LEGIIONNAIRES TO MEET IN PLAINVIEW SOON

Department Commanders from three Southwestern states have been invited to attend the convention of the American Legion of the 18th Texas District to be held in Plainview October 15 and 16, according to information reaching us from local legionnaires.

Acceptances of invitations have been received from Carl S. Nesbit of Mincola, Commander of the Texas.

like Magic!

We only wish we could show you actual "Before and After" photographs of every garment we clean. It would be a revelation even to the most ardent advocates of our profession. Like magic, our expert touch transforms soiled, wrinkled, bed-ragged apparel into visions of perfect cleanliness and good looks.

And remember that our low prices are also especially pleasing.

C. E. RAY

Phone 66

Department, and from Everett Gramham of Clifton, N. M., Commander of the New Mexico Department.

The 18th district is composed of 60 posts in the territory composing the 18th Congressional district, extending from Chillicothe, Quannah and Haskell west to the New Mexico state line and north from Snyder, Lamesa, and Seminole to the north boundary of the Panhandle.

Eight posts in the immediate vicinity of Plainview are aiding that post in preparations for the program and will act as joint hosts. These posts are Lubbock, Lockney, Floydada, Petersburg, Tulia, Dimmitt, Littlefield and Silverton.

The program for the convention promises to be a varied one and one which will be enjoyed by all who attend. Registration will begin Saturday morning, with that day filled with all kinds of entertainment, closing with a dance in the evening. A school for service officers will be conducted the second day, a barbecue at noon and an address by Dr. Bradford Knapp of Texas Tech at 1:30.

Concurrently with the Legion convention, the Legion Auxiliary will hold its convention. A reception and bridge party will feature the opening afternoon, followed by supper served by the Plainview ladies. Sunday afternoon the business session will be held immediately after the public meeting. Mrs. James Trent of Clarendon will preside.

The convention business session will also meet Sunday afternoon to hear reports from the National Convention and to transact business. G. Ward Moody of Perryton will preside.

EPWORTH LEAGUE ELECTS NEW OFFICERS SUNDAY

At a business meeting of the Epworth League Sunday evening, election of officers for the ensuing year was the chief feature of the program.

They were elected as follows: president, Miss Louise Edwards; vice-president, Miss Mary V. Shook; secretary, Hollis Hunt; treasurer, Vernon Kirkland; counselor, Mrs. Carey Shook.

Chairmen of committees will be appointed later by the president. The new officers are efficient and interested in the work, so that the prospects of the Epworth League are expected to go forward without a pause.

W. L. Palmer made a business trip to Lubbock Monday afternoon.

This Woman Lost 45 Pounds Of Fat

"Dear Sirs: For 3 months I've been using your salts and am very much pleased with results. I've lost 45 lbs., 6 inches in hips and bust measure. I've taken 3 bottles—one lasting 5 weeks. I had often tried to reduce by dieting but never could keep it up, but by cutting down and taking Kruschen I've had splendid results. I highly recommend it to my friends."—Mrs. Carl Wilson, Mantion, Mich.

To lose fat SAFELY and HARMLESSLY, take a half teaspoonful of Kruschen in a glass of hot water in the morning before breakfast—don't miss a morning. To hasten results go light on fatty meats, potatoes, cream

and pastries—a bottle that lasts 4 weeks costs but a trifle—but don't take chances—be sure it's Kruschen—your health comes first—get it at any drug store in America. If not joyfully satisfied after the first bottle—money back.

JUST TO BE CERTAIN

Little Mary had just been to a military funeral and she was all excited. In telling her grandmother about it she said: "And Granny, the man wasn't dead so the mens all took another shot at him."

The best golf is generally played at night on the street corners and in the corner drug store.

Williams' Dairy

"We Save for Those We Serve"

ABSENTEE VOTING PLANS UNDER WAY

With the general election less than a month away, machinery has been set in motion for absentee voting, which will begin October 19 and close on Nov. 4.

Absentee voters have been instructed to send their poll tax receipts, and their home address as well as mail address, and 20 cents postage with applications for ballots.

The law provides that the general election in each county shall be conducted under the supervision of a committee consisting of the sheriff, county judge, and county clerk.

pendent. The eighth column will be blank. With the certification of Mrs. Ferguson as Democratic gubernatorial nominee, printing of the ballots will be taken up immediately.

EMPLOYMENT AGENCY LOCATED AT LAMESA

Mr. H. J. Hahn, special agent for the U. S. Employment Service, is located in Lamesa with the local Chamber of Commerce, and will serve the Lamesa territory. Gaines, Terry, Martin, and Lynn counties, with labor needs for cotton picking and feed harvesting. Lamesa being strategically located at the foot of the South Plains on Federal Highway 385, and State Highway 9, it is practical, so the Department believes, to serve those counties from this point. Farmers in this area may receive help by making direct application to Mr. Hahn through the Lamesa Chamber of Commerce.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON

REV. P. H. FITZWATER, D. D., Member of Family Bible Union, Institute of Chicago, Ill., © 1932, Western Newspaper Union.

Lesson for October 16

THE HOME AND THE COMING GENERATION

Genesis 18:17-19; Deuteronomy 6:4-9; I Samuel 1:24-28; Mark 10:12-16; II Timothy 3:14.

GOLDEN TEXT—Train up a child in the way he should go; and when he is old, he will not depart from it. Proverbs 22:6.

PRIMARY TOPIC—Timothy's Home.

JUNIOR TOPIC—Honoring God in Our Homes.

INTERMEDIATE AND SENIOR TOPIC—Helping to Make Our Homes Better.

YOUNG PEOPLE AND ADULT TOPIC—Home Ideals for Today and Tomorrow.

I. The Home Which is to Be (Gen. 18:17-19)

The particular home in mind here is Abraham's. He was not only to become the head of a home, in the ordinary sense, but also the head of a nation through which particular blessings should come to the whole world.

1. Abraham to be the head of the home (v. 18). The husband is the head according to divine arrangement. How blessed it is when the lawful head of the home recognizes his responsibility, and in the fear of God seeks to discharge it.

2. Abraham's responsibility for instruction of his family (v. 19). God was about to destroy Sodom. The interests of humanity were at stake in the judgment upon this wicked city. It was God's purpose that Abraham should teach his descendants as to God's purpose through them. It is a father's solemn responsibility to teach his children the purpose and ways of God so that they may in turn take their place and become a blessing to the world.

II. God's Word, the Foundation of the Home (Deut. 6:4-9)

The home has a vital teaching function. The child develops slowly. It remains in the home for a long time, to give an opportunity to be taught the things of God. To teach God's Word to the children is a solemn obligation imposed upon parents.

1. The central truth to be taught (vv. 4, 5).

a. The unity of God (v. 4). This fundamental truth should be lodged in the mind of the child in its tender years.

b. Man's supreme obligation to God (v. 5). It is to love God supremely—heart, soul, and mind.

2. How the truth of God is to be kept alive (vv. 6-9).

a. It is to be diligently taught to the children (v. 7). This is a responsibility that dare not be delegated even to the Sunday school and church.

b. It should be talked of to the children everywhere and under all circumstances (v. 7). Impressions will thus be made upon the mind which cannot be effaced.

c. It is to be bound upon the hands and placed as frontlets between the eyes (v. 8).

d. It is to be written upon the posts of the house (v. 9).

III. Children Should Be Dedicated to the Lord (I Sam. 1:24-28)

The union of man and woman in holy marriage is for the propagation of the race. Parents have a solemn responsibility and should esteem it a great privilege to give their children to the Lord. The example of Hannah in giving Samuel to the Lord should encourage all parents to follow her example. According to her vow, she took Samuel to the sanctuary and gave him over to the priest, to assist in the ministry in the Lord's house.

IV. Jesus' Attitude Toward Children (Mark 10:13-16)

1. Mothers desired that Jesus might touch their children (v. 13). Doubtless they had witnessed the healing power of His touch and coveted it for their children. All Christian parents want their children to come into contact with Jesus Christ.

2. The disciples rebuke (v. 13). Thinking the children were too insignificant to engage Jesus' attention, they rebuked the mothers for bringing them to him.

3. Jesus' reply (v. 14). He declared that of such is the kingdom. Therefore, the children have a right in the presence of the King.

4. Jesus blessed the little children (v. 16). He took them up in his arms and blessed them. Christianity is peculiarly a religion of children.

V. The Godly Home (II Tim. 3:1, 6)

Timothy's wise and faithful mother and grandmother carefully nurtured him in God's Word. He knew the Scriptures from childhood through their training. His faith came to him not through laws of heredity but through the careful teaching of God's Word. The factors involved were godly ancestors, a Christian home, and diligent study of the Scriptures.

WORDS OF WISDOM

Love never covers. . . .
Self-conceit is always a hard master. . . .
Pride is always hard on a man's clothes. . . .
Many a man behaves himself because he has to. . . .
Continue to wink at a sin and you will fail to see it.

MORE BROOM CORN GROWN HERE THIS YEAR

Broom corn is proving to be one of the most popular as well as most profitable crops for farmers in our immediate territory and in the north part of Dawson county, with much larger acreage this year than last.

Yield was better this year, and prices were also considerably higher, ranging from \$40 to \$60 per ton.

Though many farmers planted from ten to twenty acres, the chief growers this year were W. H. Truett with 90 acres, C. A. Miller, M. W. Stokes, C. B. Burdine, Hamp Thompson, George McCorkle, and Claude Tomlinson, with acreages varying from 40 to 50 each.

The crop was somewhat later this year than last, but has been a money crop for several farmers just at the time they needed it most. The greater part of it has been sold and shipped to other points, though our broom factory has used quite a bit.

COTTON CONSUMPTION 402,601 BALES IN AUGUST

Cotton consumed during August was reported recently by the Census Bureau to have totaled 402,601 bales of lint and 47,620 of linters as compared with 278,656 of lint and 37,210 of linters in July this year and 425,930 and 61,807 in August last year.

Cotton on hand August 31 was held as follows:

In consuming establishments, 1,090,421 bales of lint and 282,747 of linters compared with 1,218,863 and 201,869 on July 31 this year, and 840,783 and 230,100 on August 31 last year.

In public storage and at compresses, 6,547,563 bales of lint and 56,276 of linters, compared with 7,002,453 and 53,082 on July 31 this year, and 4,426,399 and 42,285 on August 31 last year.

Imports for August totaled 7,223 bales, compared with 8,264 in July this year and 7,236 in August last year.

Exports for August totaled 452,154 bales of lint and 10,606 of linters, compared with 419,476 and 9,169 in July this year and 211,030 and 5,255 in August last year.

Cotton spindles active during August numbered 22,022,490 compared with 19,758,252 in July this year and 25,630,136 in August last year.
