## Funeral Service Was Held Here Saturday For Mrs. Cline

Mrs. Effie C. Cline, 38, of O'Donnell, died enroute to a Lubbock hospital Thursday afternoon, death occurring about 3:30 o'clock.  
Funeral services were held Saturday from the First Methodist church.  
Rev. J. H. Crawford, Methodist pastor, and Rev. J. G. Taylor, Nazarene minister, officiated. She suffered from an asthma and heart ailment.  
Survivors include two sons, A. J. and Murle and a daughter Janie, all of O'Donnell; her mother, Mrs. Amanda J. Cox of O'Donnell; five brothers, W. M. and Roy Cox of Portales, N. M., Floy and Loy Cox of a New Mexico town and Walter Cox of Douglas, Ariz.; and six sisters, Miss Edna Cox of O'Donnell, Miss Helen Cox of Denver City, Mrs. Florence Foster of Borger, Mrs. Emma Cribbs of a New Mexico town, Mrs. Hazel Atkinson of Washington, Oklahoma.

## McDonald Will Vote For Willkie

J. E. McDonald, commissioner of agriculture and the Democratic nominee for re-election, has announced that he will vote for Wendell Willkie for president.  
So far as we know, this is the first time in this state since the primary election method of nominating candidates was inaugurated, that a nominee of the Democratic party has openly opposed the election of another nominee. It might have happened at some such time as when the Ku Klux Klan was a matter of bitter contention in this state, but it certainly has not happened often.  
The indications are that many Democrats will scratch McDonald on November 5, feeling that they are under no further obligation to vote for him as the party nominee.

## Local Merchant Hurt In Wreck

Sam Goldsobel, 50, local merchant, suffered three broken ribs and numerous bruises when his car collided with another on the Tahoka-Brownfield highway. He was later taken to a hospital for an x-ray examination.  
Goldsobel's Ford automobile was badly wrecked, and the driver of the other car sustained practically the same damage.

## Guest Speaker At BPW Club Dinner

Miss Vaneta Cross of Plainview director of District One of the State Federation of B and P W clubs, was honor guest of the Tahoka club at the monthly dinner meeting Tuesday night. The dinner was held in the O'Donnell Hotel in O'Donnell.  
Miss Cross spoke briefly following a program on Citizenship. Mesdames J. W. Sinclair and Myrtle Rochelle conducted a Citizenship Quiz. Miss Hattie Server was awarded first prize and Mrs. Inez Knight consolation.  
Table decorations were dahlias and autumn leaves.  
Other guests were Mrs. Anna BALLENGE of Plainview, Mesdames Charles Cathey and Pauline Campbell and Miss Thelma Palmer of O'Donnell. Club members present were Mesdames Sinclair, Rochelle, Lois Daniel, Knight, Gladys M. Stokes, A. A. Minor, Misses Arden Hill, Serv, Edho Mulliken, Ethel Calahan, all of Tahoka and Misses Claire Ruth Nichols and Beverly Wells of O'Donnell.

## Home Economists Are Registered

All these are being registered so that they may be readily available whenever and wherever needed by the Government, it is said.  
Dr. Upright, Professor of Home Economics in the State College for Women, popularly known as the C. I. A., at Denton, is in charge of registration in this state.

## Commissioners At State Convention

Judge P. W. Goad and county commissioners George Small, Sam Holland, Tom Hale and Waldo McCarran and their families left early Thursday morning for Waco to attend the three-days convention of the County Judges and Commissioners Association of Texas.  
They also expected to witness the football game between the A. & M. College and Baylor University teams in Waco Saturday afternoon.  
Judge Goad and other members of the court were expecting one of the most entertaining and profitable sessions of the convention in years. Senator Tom Connolly was scheduled to speak some time during the day Friday and ex-Governor Pat Neff, now president of Baylor University, was to speak Friday night. Both enjoy the reputation of standing at the top among the orators of Texas.

## Will Have Tonsilectomy

Mrs. Charles Hoffman and Helen Jean went to Lubbock Thursday, where little Helen Jean will have her tonsils removed Friday.  
Mrs. W. L. Palmer and Miss Thelma Palmer shopped in Lubbock Wednesday.

## Draft Numbers To Be Printed In Press

Names of men from ages 21 to 36 in the O'Donnell territory were posted on the windows of the First National Bank late Thursday afternoon.  
Despite the request of a few subject to the draft, no names nor numbers are published in this issue of the Press following information furnished by the Selective Service Board in Tahoka.  
The names and numbers as listed at present are not to be confused with the numbers which will be sent out following the drawing in Washington, and by next week, so board members say, information which is absolutely correct may be furnished.

## No. 13 Registrant Draws 1313 Number

TAHOKA, Texas, Oct. 23 (Spl.)—The luckiest registrant in Lynn county apparently is a young Negro, Charlie Phillips, colored, who works at Reed Parker's service station, has registration No. 1313. Furthermore, Jake Leedy, who filled out Charlie's registration card for him, states that it was the thirteenth card he filled out.  
Charlie's friends are predicting that he will be one of the first called into the military service, and if it should be his happy lot to give life for his country, they promise him a grand funeral.

## ACE-III CLUB MET WEDNESDAY

Mrs. Hervey Gardenhire won high score prize, Mrs. J. W. Bubany second, and Mrs. Floyd Thompson bingo at the Ace-III Club Wednesday when Mrs. George Oates was hostess.  
At the tea hour refreshments were served to Mesdames Middleton, Caldwell, Goughly, Bubany, Hervey Gardenhire, and Thompson.  
Mrs. Thompson will be hostess next week.

## Special Trainload of Fans To Go To Slaton Today For Eagle-Tiger Battle

At least 250 reservations are expected to be made by tonight by football fans here on the special train to Slaton according to Superintendent S. F. Johnson. Many others will go by motor.  
Prepped over the showing which O'Donnell's average weight Eagles made two weeks ago against the bulky Post squad, fans here are backing the feathered squad from a "cheering" standpoint, and whether they win or lose, they believe all townspeople who can should accompany the team to Slaton.  
Slaton school officials have notified Johnson that plenty of cars will be available there to transport O'Donnell train riders to the football field from the station.  
All arrangements, locally, have been made in order that fans may go "in comfort". A special watchman will be on deck to watch all cars left at the station, and two "laws" (officers to you) will ride on the train and will keep the "excitable" element within due bounds.  
Dope regarding the game's outcome is still riding heavily on the Slaton Tigers to win, but Coach DeBusk and his charges will pull a few tricks of their own accord which might turn the tide O'Donnell way.

## 363 Checks Received, Total May Reach A Half Million

Up to Wednesday afternoon 363 soil conservation checks for 233 farms in Lynn county had been received at the office of C. A. Lawrence, Triple-A secretary for this county. These checks aggregate the sum of \$75,484.42.  
The first batch of soil conservation checks for this year were received on October 9. They have been arriving at frequent intervals since. The total is expected to mount up to several hundred thousand dollars.  
Most of the parity checks for this year have been received and distributed, but checks for about 45 Lynn county farms are still outstanding, according to attaches of the local office.  
Parity checks received to date amount to \$478,840.40. The outstanding checks will probably boost the total up to approximately \$490,000.

## F S A Officials Meet In Tahoka

TAHOKA, Texas, Oct. 23 (Spl.)—Three meetings were held in Tahoka Monday, October 21, in which local, district, and regional officials of the Farm Security Administration participated. Monday morning, Don Turner, County Agent, conducted a "Water Facilities" discussion. A health program under the leadership of Mrs. Beatrice Morehead, of Washington, D. C. and a Tenant Purchase meeting directed by Mr. Homer Pobbins, Chief of Tenant Farming Division were held Monday afternoon.

## "Gallon of Coffee", But More To Be Served!

"A gallon of coffee", so reads a special mention in Line-Lamberts grocery ad this week, will be served Saturday, but dear reader read on, please.  
That word "gallon" belongs in another item, and you are assured that Line-Lambert will serve a lot more than just a gallon. They may even serve you a gallon right then and there if you can take it. But it would be a bit more polite if you should be contented with a cup or two.  
"Drink the coffee—and rest assured there is plenty for all, including the person who would like to catch the gallon on the press proof!"

**Cards Are Mailed**

Not all of those registered in Lubbock county, or others over this area, were all actual residents of that particular county. In many instances a large proportion of those who registered were transient, temporarily employed, who happened to be there on registration day.

Draft boards are sending to the several counties the card of non-residents. In turn, Lubbock boards are receiving cards from other counties.

**Figures Released**

In this area Lubbock led with 9,000 registrants; Hockley was second; Lamb third; Dawson, fourth; Terry, fifth; Hale sixth; Lynn, seventh.

County totals were as follows:

County	Registrants
Bailey	1,734
Borden	183
Brewster	523
Castro	574
Cochran	1,019
Crosby	1,643
Dawson	3,497
Dickens	1,142
Floyd	1,369
Gaines	1,488
Garza	780
Hale	2,608
Hockley	3,696
Lamb	3,572
Lubbock	9,000
LYNN	2,521
Motley	882
Parmer	832
Scurry	1,660
Swisher	783
Terry	2,948
Yoakum	1,013
Total	43,464

Eight hundred of the Lynn county registrants gave their residences in other counties, mostly in South, Southwest, and central Texas. The great majority of them were Mexicans, who come out here each cotton-picking season.

Quite a number of registrants elsewhere have been transferred to this county since registration day, as they gave Lynn county as their home.

**ARMY IS STILL ACCEPTING VOLUNTEERS: JOIN NOW**

The United States Army is still accepting Volunteers and the opportunities offered at this time are splendid. Now, more so than ever before, specialized schooling is given every man. Also the number of years service that a man has is no longer the yard stick for promotion. The strength of the Army has been doubled since May of 1940 and many of these new men are wearing the chevrons of Corporals and Sergeants, and earning the added pay. If they can why can't you?

With the approach of the vast training program, now seems to be the logical time to volunteer. You can receive your training now and be in line for a promotion to place you in position to train others. Army Recruiting Stations are located in Lubbock, Amarillo, Pampa, Plainview, and Childress. Vacancies now exist in the Quartermaster Corps, Cavalry, and Infantry. Others will probably be available in the next few days. Don't Delay, Enlist Today.

**INTERMEDIATE G. A.**

A program on "Prayer" was given Monday when members of the Intermediate G. A. met at the Baptist Church with their counselor, Mrs. Floyd Thompson.

An offering for state hospitals was taken. Present were LaMoyné Line, Pat Burns, Julia, Edna and Joyce Edwards and John Ellen and Ina Merle Beach.

OIL-PLATES YOUR ENGINE

**Bad days ahead. But here's how Winter OIL-PLATING maintains needed lubrication in advance—for Safe Quick Starts . . .**

Auto repairers speak of the engine parts "breaking away" from dead cold standstill . . . harsh moments when your engine's cold steel needs lubricant fearfully fast. And that's why it needs to be OIL-PLATED today by the economical change to Conoco Germ Processed Oil.

Faster than any mere fast flow of oil, OIL-PLATING is up to its topmost point in your engine! For OIL-PLATING is kept surface to precious parts, by a strong "power of attraction" processed into Conoco Germ Processed Oil. Hence OIL-PLATING doesn't all drain down during parking—doesn't wait for the oil-pump to restore lubrication at every start. That's why OIL-PLATING doesn't let your engine suffer Winter's worst. Always there ahead of starting wear, OIL-PLATING helps your engine to keep its fine fit . . . your big help toward oil mileage. Mileage has won the Conoco man his proud title of Your Mileage Merchant. Today have him put in your Winter Germ Processed Oil. Continental Oil Company

**Texan Family Wins National Honor**

**HERE'S** the happiest family in the entire United States. They're (left to right) John Leathers, 19; Margaret Jean Leathers, 16; and Mr. and Mrs. D. E. Leathers. The Leatherses own and farm a 200-acre homestead at Clarendon, Donley County, in the famed Panhandle cattle country of Texas. Last May they won the Fort Worth State-Telegram's newspaper contest to pick the Typical American family of West Texas and were given a week's entertainment on the New York World's Fairgrounds. The Ford Motor Company provided round trip, and at the Fair, in all 48 Typical American families were similarly selected in various parts of the country and brought to the Fair by the Ford Motor Company at the rate of two families a week.

In mid-October a board of judges named by seven New York newspapers picked a Super-Typical American family, and the Leatherses were it. The Ford Motor Company then telegraphed them to fly to the Fair on October 22 as the Company's guests. And at the

seven-acre Ford Motor pavilion, largest attended of any industrial exhibit both in 1939 and 1940, a splendid gift awaited them. It was a shining 1941 harbor grey Super Deluxe fordor Ford V-8 sedan, equipped with radio and white wall tires—Ford's present of a Typical American car. Not only were the Leatherses to help close up the big Fair on October 27, but as the Ford Motor Company's guests were to visit President Roosevelt at the White House, and see Ford's mammoth plant at Dearborn, Michigan, and wonderful Greenfield Village. D. E. Leathers' ranch is just a mile from the spot where he was born, 29 years ago. John Leathers, almost six feet tall, is a 4-H Club leader. His steer, Willie, was judged best of all the entries from 32 counties. Vivacious Margaret Jean writes music, and one of her piano compositions was published when she was only 14. This photo was taken at the Ford pavilion last May, when the Leatherses tried out the powerful new lightweight Ford tractor.

**DICTIONARY FOR COOKS**  
 COLLEGE STATION, Oct. 24—You may know when meat is fried but the odds are stacked that you don't know when it's "panbroiled," "sauteed" or "braised". Yet every good cook should know these distinctions and adj these terms to her vocabulary.

Nora Ellen Elliott, specialist in food preservation for the A. and M. College Extension Service, has explained that "panbroiling" is cooking without added fat, without water, and without a cover on the skillet. This is the method to use for tender chops and steaks which have fat of their own and are quickly cooked. "Frying," she says, means actually to cook in fat. Sometimes the fat is deep enough to cover the food entirely, as in frying chicken or croquettes. In addition, one can also fry with shallow fat in a skillet such dishes as hash or meat patties. Some meats, sausages and bacon for instance, fry in their own fat.

"Sautens", principally because it's a French word, is another puzzler. It is a cross between panbroiling and frying. It means to brown the food in a little fat and turn it often to keep it from sticking. "To braise" means to brown in a little hot fat, and cook with a small amount of water added. Swiss steak and pot roast are good examples of this method of preparation. These meat cuts are not so tender to start with, but if properly braised can be cut with a fork.

## REGISTRANTS MAY ENLIST IN ARMY

### Judge J. W. Elliott Explains Procedure For Registrants

Judge J. W. Elliott, chairman of the Lynn county draft board, announces that on Thursday morning he received blank forms to be filled out by registrants who wish to volunteer for service in the army.

He states that he has had several inquiries from registrants but had no forms at the time these applicants appeared.

Persons who choose to volunteer, according to statements frequently made through the public press, may receive better assignments than they

would likely receive if finally inducted into the service program.

Of course most registrants probably will not be called upon to do military duty at all even after being given a years training, but nobody knows what is going to come.

The big drawing for the order in which registrants who are not deferred may be called for training will be held in Washington next Tuesday.

Secretary of War Stimson, blindfolded, will draw the first number from the great mass of names placed in a jumble in the big bowl, and this registration Number, whatever it may be, will be Order Number 1. The next number drawn will be Order No. 2, etc.

To illustrate, if Secretary Stimson should draw from the bowl Registration No. 527, then every registrant throughout the entire United States whose registration No. is 527 would be placed in order No.

1. If the second Registration No. drawn should be 36, then every registrant throughout the United States whose registration No. is 36 would be placed in Order No. 2.

Registrants who are not deferred on account of having dependents or for other causes will be called for training in the order of these Order Numbers.

On some basis not yet explained each state, and probably each county in a state, will be assigned a quota, and recent enlistments and those who may yet enlist will be deducted from the quota.

For instance: The goal in the nation is 800,000. If Texas should be assigned a quota of, say, 40,000, and Lynn county a quota of, say, 500, then the number of recent enlistments and of volunteers from Lynn county will be deducted from this 500, thus reducing by that much the quota from this county.

## Tahoka Plans Armistice Fete

TAHOKA, Texas, Oct. 23 (Spl.)—

At the Rotary luncheon Thursday, Frank Hill, chairman of the committee on Rotary Information, conducted a quiz respecting the work, purposes, aims, and other data of Rotary International. He also gave a resume of the work accomplished by the local organization during the past year, which showed that the club has not been idle.

Superintendent W. T. Hanes also made announcement that the School and the American Legion were planning to observe Armistice Day here with a program, which will include a parade, and business firms will be invited to enter a truck or car in the parade.

President Kenneth Durham also announced that the board of directors had decided to present a play or minstrel or other form of entertainment some time soon as a means of raising a little money to be used by the Rotary Club for the good of the town.

Mr. and Mrs. Waldo McLaurin were in Lubbock last Saturday night to attend the ball game.

Mr. and Mrs. Fred Henderson are spending a short vacation in Taos, New Mexico.

Placing Texas' oil reserves in underground storage tanks will not only serve as defense against bombing but, because of reduction in loss of hydrocarbons through evaporation, will result in a long-run economy, a University of Texas geologist believes.

Huge city-maintained, downtown parking areas which will remove every automobile from metropolitan streets were envisioned for the future at a recent University of Texas conference on traffic engineering.

Educational broadcasts rank thirteenth in popularity with Texas school children, and will not become effective until school broadcasters can combine information with entertainment, a University of Texas radio expert told a recent conference on the Austin campus.

To prove that his feet were good enough for the job, a miner walked 200 miles in Melbourne, Australia, to join the army.

Hunting is not allowed, under the law, on public highways, nor from motor cars.
