Air Conditioning—temperatures made to order. Get a demonstration!

The beautiful Delray 2-Door Sedan, one of three budget-priced Delray models.

Chevrolet's dollar-stretching DELRAY
YOU JUST CAN'T TIE THIS BUY!

Here's surefire proof Chevrolet always knows how to give you more for
your money—from longer, newer, lovelier bodies to a wider range of
engines, transmissions and suspension systems. The more you look
the more you'll find to like in Delray—THE LOWEST PRICED
OF ALL THE LOW-PRICED CHEVROLETS!

Chevy doesn't have any "smaller"
models. The big, beautiful Chevrolet
Delray is just as long, just as wide, just
as softly sprung on the same 117-inch
wheelbase as the luxurious Bel Air
models. Like every other Chevrolet,
it has the extra solidity and quality of
Body by Fisher. There's no stinting
on optional equipment, either. You
can get anything from Fuel Injection*
to Level Air* ride, any Chevrolet
transmission, any Chevrolet engine,
just as you choose. Take a long, long
look at this one next time you drop in
at your Chevrolet dealership—because
the more you demand for your money
the surer it is you'll decide on Delray!

*Optional at extra cost.

They're Full-Size Chevrolets
No skimping in seat width, leg-
room, wheelbase—Delray gives
you every generous dimension
offered by any Chevrolet.

A COMPLETE CHOICE OF
ENGINES

You can order a Delray with Chevy's
top Fuel Injection V8 if you like—or
get any one of the five V8's or the
Blue-Flame Six!

AUTOMATIC DRIVES
Choice of time-proved Power-
glide* or supremely smooth
Turboglide*—the only triple-
turbine drive in Chevy's field.

UNIQUE
Full Coil Suspension

Delray's standard suspension system
puts a cloud-soft coil spring at each
wheel, blends this with the beautiful
roadability of four-link rear control arms!

and Delray is the only
car in its class with the extra
rigidity of an all-new Safety-Girder
frame, the extra clarity of Safety
Plate Glass all the way around, the
extra convenience of crank-
operated vent windows!

Drive with care... everywhere!

LOOK...a FORD with Air Conditioning costs less than many medium-priced cars without it!

Depend on Ford to find a way to bring air conditioning within reach of nearly every new car buyer

If you ever have said, "Some day I'm going to own a car with air conditioning" ... here is the most welcome news in a long while: A comparison of manufacturers' suggested retail delivered prices shows that a 58 Ford with air conditioning costs less than many medium-priced cars without it!

So why wait?
 Your Ford Dealer is ready now to show you just how pleasant ... how comfortable ... how fatigue-free your summer driving can be in an air-conditioned Ford. No matter how high the temperature soars, you'll ride cool and comfy as an arctic polar bear!

Something else you'll appreciate almost as much as Ford's air conditioning is its spirited performance. Ford offers you a Thunderbird-powered V-8 engine, that is new from oil pan up ... new from machined combustion chambers to silent-working hydraulic valve lifters. It's the Thunderbird's own V-8 so naturally it gives the Thunderbird's own special brand of V-8 skedaddle—up to 300 horsepower-worth of it!

Just team this V-8 with Ford's all-new Cruise-O-Matic Drive transmission and you'll get as much as 15% better gas mileage. It's like getting back 15¢ on every gas dollar!

So add it all up: low-cost air conditioning, Thunderbird GO, thrifty operation. Can any other car offer you so much real value? Then why not see your Ford Dealer today? He'll show you how to stop perspiring and start living!

There's Thunderbird magic in every **FORD** PROVED AND APPROVED AROUND THE WORLD
