Many Visitors Here For L. L. Tournament

As we go to press Tuesday noon Tahoka and Slaton are set for the championship game of Little League to be played here Tuesday night. Tahoka defeated Lamesa Monday night in the nitecap 5 to 2 to win the place and Slaton played a beautiful game earlier that night to drop Jay-ton 8 to 9. Slaton had a lefty pitcher that was plenty good. The tournament opened Saturday with Tahoka slashing Post 13 to 2 and Jay-ton stopped O'Donnell 18 to 2 for the nitecap Saturday. Tuesday nite Jay-ton will play Lamesa for the nitecap and runner up honors.

The tournament attracted extremely large crowds with standing room only and cars parked four deep. Monday's crowd was estimated at over 1,000. The L. L. project has drawn big crowds all summer and has been one of the best good will projects the town has ever had. It has been so successful as to be unbelievable and Shorty Vestal and his dads have done a fine job.

German Rotary Student Arrives Over Week End

Above is Bernd Blank, 20, a German exchange student, who is here as a guest of the O'Donnell Rotary Club for a two month visit. He arrived Saturday from New York City and is currently a guest in the home of Supt. and Mrs. John Criner. He is a pre-law student.

5 Youths At FFA Meet

Five boys returned over the week end from the 32nd annual state FFA convention at Houston. Jimmy Garrett and Billy Russ received their Lone Star Farmer degree last Thursday nite. FFA's highest award. Others from here attending the convention were Buster Snellgrove, Dale Finch and James Roy Moore, a voting delegate and Mr. Harold Reed. Besides attending the convention, side trips were made to San Jacinto Monument, Battleship, "Texas", Galveston and A and M College.

Also receiving this degree in years gone by are — Harold Hohn, Raymond Hancock, Wendell Edwards, Billy Ingle, Homer Vaughn, Bobby Cox, J. D. Evans, Lanny Brewer, Jerald Dickey, Ken White, James Roy Moore, Wednell Edwards also holds the American Farmer degree, the nation's highest.

Letter From Mahon --

A busy Congress headed for a recess until after the national conventions of the two major political parties, early this week cleared several important measures and sent them to the White House for the signature of President Eisenhower.

One of the most important and far-reaching of these bills was the \$40 billion Defense measure, handled in the House by George Mahon of the 19th Congressional District of Texas. Speaking of the Defense bill, Mahon said:

"I think we produced a good bill. We kept politics out of the bill, as attested to by the fact that all Republicans and Democrats on the Appropriations Committee except one supported it.

"We exceeded the budget in order to make up for certain deficiencies in the defense program. Many significant changes were made in the President's program in order to add needed strength to the defense effort. Congress took the position that this was no time to let down our guard."

Just prior to recess, after heated debate, a wheat and feed grain farm bill was voted down in the House by a vote of 171 to 236. According to Mahon, the defeat of this measure means that no major farm legislation will be enacted at this session. Mahon said that the atmosphere was unfavorable and the conflicts were so great between Congress and Secretary Benson and among the farm organizations that it would be much better to consider the farm problem under the changed atmosphere of the new Administration, Democratic or Republican, which will take over next January, following the November elections.

The House passed a bill extending the Bracero farm labor bill for two years. Favorable Senate action is expected in August. The final action on most of the appropriation bill for the session was taken prior to the recess. Indications are that appropriations in the overall will approximate the amount of money requested by the President in his January Budget, but major readjustments, both up and down, were made, the Defense addition accounting for the major increase.

John Saleh, local attorney, received word Monday that he had been named by Sen. John Kennedy presidential candidate of Democratic Party, to serve on the Texas Committee For Kennedy For President.

Mike Barnes had a tonsillectomy at Lamesa hospital last week.

Mrs. Haskel Davis of New Mexico is visiting Mrs. Henry Harris.

Billy Edwards address is — Scottish Rite Hospital, 2301 Welborn St., Dallas, 13, Texas

Funeral services were read one day last week at Seagraves for Cecil Smith, step son in law of Mrs. W. C. Stubblefield.

Mrs. and Mrs. Buri Koeninger of Albuquerque visited home folks here last week.

Index To Take Children Pictures Thursday

PRIZES OFFERED IN CHILD PHOTOGRAPH CONTEST

The time is almost here for the opening of this newspaper's Big Child Photograph Contest and we're urging all of our readers to have their children ready for the big day.

Winston B. Lucas of Irving, Texas, will be in O'Donnell on Thursday, July 28th from 1 p. m. to 6 p. m. at the Index-Press office for the purpose of taking pictures in this vicinity.

In addition to having their pictures printed in this newspaper the children will be competing for \$20.00 in prizes, which are being offered for the three best photographs made during the day.

The photographs will be made absolutely free of charge, and there is no charge for their publication in The Index-Press. Proofs will be shown and from those you may select the picture of your child which you would like to appear in this paper. If you wish extra photographs, they may be purchased, but no purchase is necessary in order to have your child's picture printed in this newspaper, or in order to compete for the prizes. It is entirely up to you, whether you buy pictures or not.

There is no age limit on the contest, and every child's photograph in this section is wanted so that they may all appear in The Index-Press. However, it is necessary that all pictures must be of uniform size, so they must be made by Winston B. Lucas on Thursday, July 28th, 1 p. m. to 6 p. m.

Don't wait until little Mary gets married or baby brother is elected to some political office to see their pictures in the paper—make plans now to have these photographs made on Thursday, July 28th. Tell your friends and neighbors — the more, the merrier.

Mr. and Mrs. Art Dodd, Mrs. Homer Hardberger and Mrs. W. E. Tredway sponsored a group of young people to Glorietta encampment.

Rev. and Mrs. Bill Burton has as guest his mother from Houston

IN DRESS REVUE

Thirty girls participated in the 1960 County 4-H Dress Revue held Tuesday July 19th at the Lyntegar Conference Room when two sisters, Marcheta and La Nita Wood, were selected winners of the senior and junior divisions respectively.

Marcheta modeled a coffee Irish linen suit featuring a box jacket and slim skirt with a white linen blouse. She wore a white straw bucket type hat with bow matching her suit. She had gloves to match the suit and tangerine shoes and bag for color interest.

La Nita modeled a skirt and blouse as the second place winner. The blouse was a shirtwaist type of light blue cotton. The gathered skirt of polished cotton had large blue flowers on white background. She also wore white sheeks and blue socks.

The sisters will represent Lynn county in Lubbock at the District II Dress Revue July 28 and 29 to be held in the Tech Student Union Ballroom. The Dress Revue will be during a luncheon and escorting Marcheta will be Lester Ford.

SALESMAN WANTED — START A RAWLEIGH BUSINESS. Real opportunity now for permanent, profitable work in East Lynn Co. See Ollie Riddle, Box 1, Wilson or write Rawleigh's, Dept. TXG 560-29 Memphis, Tenn.

Town Given Aerial Spraying Last Friday

Last Friday Ralph Gary and an employee sprayed the town by plane with commercial insecticide. Cost of the spray was \$310 and Mr. Gary's services cost the city very little as he did it as a public service to his many friends here. The City as well as its citizens certainly appreciate the favor, Mayor Hash said Tuesday.

The insect kill was near perfect as beetles, moths, "squeeters" and some flies bit the dust. Residents should control the flies by spraying their garbage containers, and general cleaning of the home site. Control of the pesky, and dangerous squeeter can best be done at home by keeping grass and weeds cut, only moderate irrigation, removal of all water-catching items in the yard and spraying of shrubs. Most squeeters you have come from your immediate block as they do not travel far unless blown by the wind. The insect problem is generally well under control thanks to the work of the City.

BIBLE SCHOOL SET AT BERRY FLAT

The Berry Flat Baptist Church is having their Vacation Bible School August 1 thru 5th at 8:30 a. m. each morning. Registration is Friday, July 28th 9 a. m. Commencement will be Friday, August 5th at 8 p. m.

Their summer revival will be August 12 thru 21. Bro. M. W. Lander, professor of speech at Wayne Baptist College, Plainview, will be the guest preacher. A cordial invitation is extended to all by the pastor, Johnny Warren.

Mrs. Wilbur Line is to have surgery Friday at Lubbock Meth. hospital.

Mrs. Paul Gooch will leave Wednesday for an extended tour of the East Coast as part of a field trip in an English literature course.

MISS RUTH JONES TO WED IN SEPTEMBER HERE

Mr. and Mrs. F. L. Jones of O'Donnell announced the engagement and approaching marriage of their daughter, Ruth Adeline, to Emory Leo Lampp, son of Mr. and Mrs. E. G. Lampp of Seagraves.

The wedding will take place Sept. 10th at 8 p. m. in the First Baptist Church here.

Miss Jones is a graduate of the local high school and is employed by General Telephone Co. of Lamesa. Mr. Lampp is a graduate of the Seagraves High School and is also employed by the General Telephone Co.

BELIEVE IT OR NOT

Connie Pearce, daughter of Mr. and Mrs. Marvin Pearce of Draw has 9 grandmothers, and 6 grandfathers.

For sale, cheap, 15 cuft chest type deep freezer, E A Wright ph. 280

Wayne Christopher To Marry Soon

Mr and Mrs. R. G. Pope of Hobbs, N. M. announce the engagement and approaching marriage of their daughter, Bobbie, to Wayne Christopher, grandson of Mr. and Mrs. Jim Christopher of O'Donnell.

Miss Pope is a graduate of Texas Tech and is employed as a teacher by the Seminole schools. The prospective groom attended Abilene Christian College and is presently employed by Amerada Petroleum Corp. The wedding will take place in the home of the bride's parents August 14th.

Mary Kathryn Stubblefield celebrated her 6th birthday with a party last Friday at her home. Guests present were Mike Cathey, Terry Parker, David Wingfield, James Thompson, Judy and Jan Caswell, Sarah, Jane and Joan Thompson, Mary Ann Farrington and Faye Ann Stubblefield.

Mrs. Gladys Quinn and two daughters of Athens are visiting with her sister, Mr. and Mrs. Ben Carpenter.

Tom Calaway of Draw, who suffered a heart attack on July 10th and has been a patient in Methodist Hospital in Lubbock, is expected to be sufficiently recovered to come home soon.

Wells Revival To Open

Wells Baptist Church will begin summer revival services Friday night, July 29, according to Roy E. Martin, pastor. Services will conclude on Sunday, August 7.

Rev. Jack Skelton of Coleman will be the evangelist.

Morning services have been set for 10:00 a. m. with the evening messages to be brought at the 8:00 o'clock services.

The church and pastor extends an invitation to everyone to attend the revival services.

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

SENATE JOINT RESOLUTION NO. 4 proposing an Amendment to Section 49-b, Article III of the Constitution of Texas, increasing to three and one-half percent (3 1/2%) the maximum permissible interest rate on bonds hereafter issued by the Veterans' Land Board; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: That Section 49-b, Article III of the Constitution of Texas, be amended by adding thereto the following:

"The foregoing notwithstanding, bonds hereafter issued by the Veterans' Land Board pursuant to the authority of this Section, the maximum permissible interest rate on rates of interest not to exceed three and one-half percent (3 1/2%) per annum.

"This Amendment shall become effective upon its adoption."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held throughout the State of Texas on the first Tuesday after the first Monday in November, 1960, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas by adding thereto a provision authorizing the Veterans' Land Board to issue the bonds authorized under such Section to bear interest at a rate or rates not to exceed three and one-half percent (3 1/2%) per annum."

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas by adding thereto a provision authorizing the Veterans' Land Board to issue the bonds authorized under such Section to bear interest at a rate or rates not to exceed three and one-half percent (3 1/2%) per annum."

If it appears from the returns of said election that a majority of the valid cast votes in favor of said Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of the state.

NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

HOUSE JOINT RESOLUTION NO. 6 proposing an Amendment to Section 11, Article XVI of the Constitution of the State of Texas, so as to give the Legislature authority to classify loans and lenders, license and regulate lenders, define interest and fix maximum rates of interest, and provide for a maximum rate of interest of ten per centum (10%) per annum in the absence of legislation setting maximum rates of interest; providing that the rate of interest shall not exceed six per cent (6%) per annum in contracts where no interest rate is agreed upon; providing for the right of appeal and trial de novo in the event any regulatory agency cancels or refuses to grant any permit; providing for the necessary election and the form of the ballots; and providing for the necessary proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: That Section 11, Article XVI of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 11. The Legislature shall have authority to classify loans and lenders, license and regulate lenders, define interest and fix maximum rates of interest; provided, however, in the absence of legislation fixing maximum rates of interest all contracts for a greater rate of interest than ten per centum (10%) per annum shall be deemed usurious; provided, further, that in contracts where no rate of interest is agreed upon, the rate shall not exceed six per centum (6%) per annum. Should any regulatory agency, acting under the provisions of this Section, cancel or refuse to grant any permit under any law passed by the Legislature; then such applicant or holder shall have the right of appeal to the courts and granted a trial de novo as that term is used in appealing from the justice of peace court to the county court."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1960, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment giving the Legislature authority to classify loans and lenders, license and regulate lenders, define interest and fix maximum rates of interest; and providing for a maximum rate of interest of ten per centum (10%) per annum in the absence of legislation fixing maximum rates of interest."

"AGAINST the Constitutional Amendment giving the Legislature authority to classify loans and lenders, license and regulate lenders, define interest and fix maximum rates of interest; and providing for a maximum rate of interest of ten per centum (10%) per annum in the absence of legislation fixing maximum rates of interest."

Sec. 3. The Governor shall issue the necessary proclamation for the said election and have the same published as required by the Constitution and laws of the state.

Not a single cracked egg since Chevy took over the route

That '60 Fleetside pickup you see takes whatever kind of road comes along, and makes about 250 stops a day delivering eggs house to house for Mr. Harry Hansen of Missoula, Montana. "With my previous truck," Mr. Hansen writes, "I always had some cracked eggs. Cargo damage always cut into my profits. But the new Chevy eliminated that problem completely. I haven't had one cracked egg with my new truck and I've had up to a ton of eggs in it without any difficulty. . . I didn't know a truck could ride so nice."

Chevy rides nice, all right: takes good care of fragile cargoes. But that's not even the half of it. Torsion-spring suspension also means longer life for the truck, extra thousands of working miles, because the sheet metal and body components take less of a beating. You can run off-the-road or over back trails at faster safe speeds, too; get in more trips a day, make more money. Those facts are as true of the big Chevrolet heavyweights as they are of the pickups. Any model you name. Get one on your job and you've got the world's most efficient, most economical way to haul any load over any road. Your dealer will be happy to prove that statement any day you say.

"I'm getting close to 20 miles to the gallon," Mr. Hansen states, "and that's on stop-and-go delivery."

Tips On Farm Ponds --

The farm pond or stock tank has become a familiar sight in Texas. These ponds are important sources of pleasure and that indispensable commodity...water. Unless properly safety precautions are taken, however, these same useful ponds can become a source of tragedy, says the Texas Farm and Ranch Safety Council.

To emphasize the seriousness of farm pond hazards, the Safety Council points to a nation wide tabulation of causes of farm deaths. Texas ranked sixth in the number of deaths caused by drowning. This is one "Top Ten" list he added that Texas should not be on.

Anyone who has a pond or tank on his land should observe, and enforce, the following safety precautions. These measures could save a lot of grief, reminds the Safety Council.

Post safety instructions for boating, swimming and skating.

Mark safe swimming areas.

Place lifesaving devices such as ring buoys, ropes and long poles around swimming areas.

Do not allow anyone who cannot swim into the water.

Know accepted methods of artificial respiration.

Fence pond so that children cannot play around pond without supervision.

Make sure that an adult supervises all recreation around pond.

Shorter Work Days

Texas farmers and ranchers had an average workday of 10 hours, 6 minutes on June 1, according to the U. S. Department of Agriculture. That's a half-hour less than the average for farmers in all states of the nation, more than two hours less than the Wisconsin farm workday, but a full hour more than Nevada and Florida farmers put in.

On reports from federal-state Crop Reporting Service offices in each state. The national average was 10.6 hours. Wisconsin led with 12.2 hours, while Nevada and Florida were lowest with 7.1 hours. Colorado farmers averaged 11.2 hours; Kansas, 10.9; New Mexico, 11.7; Oklahoma, 10.2; Texas, 10.1; Arkansas, 9.8; and Louisiana, 9.3 hours. Farm operators in the nation averaged about an hour more each day than their hired hands. Seasonal length of the farm workday has changed very little in

this area, during the last three years, although a slowness in the crop season was evident in some locations when the June 1 survey was made. The June 1 average for Texas in 1950 was 11.6 hours. In the war year of 1943, it was 12.8 hours. Weather at this season seems to have little effect on the amount of time the farm operator works, even when he can't be in the fields. The number of seasonal hired lorkers is more sharply influenced by weather conditions, but the work-length for regular hired help is more consistent, even in undesir-

able weather. For sale — 3 room house and bath, 3 lots, 200 by 140 ft. Mrs. VENONA DAVIS, 306 SW 1st St., Mineral Wells, Tex. Phone FA5-3620 8-10 p. ORDINANCE FIXING THE MAXIMUM RATE OF SPEED FOR MOTOR VEHICLES; ALLOWING SPEED ZONES; PROVIDING PENALTY; AND DECLARING AN EMERGENCY WHEREAS, the City Council of the City of O'Donnell, Texas, upon the

basis of engineering and traffic investigation, find it necessary to establish maximum speed limits, and create speed zones in certain areas, all within the corporate limits of the City of O'Donnell, Texas. WHEREAS, the City Council of the City of O'Donnell also finds it necessary to immediate preservation of the public health and safety to provide for the immediate enactment of such measures, constituting an emergency. NOW THEREFORE,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF O'DONNELL, TEXAS:

SECTION 1. Speed limits of thirty (30) miles per hour: It shall hereafter be unlawful for any person to drive or operate a motor vehicle upon any street, roadway or highway in the City Limits of the City of O'Donnell, Texas, at a greater rate of speed than Thirty (30) miles per hour except where speed zone signs are erected indicating a higher or lower rate of speed, in which case the speed indicated by the speed zone signs shall be the maximum speed permitted. And it shall be unlawful for any person to operate a motor vehicle in excess to the speed limits indicated on any official speed zone sign.

SECTION 2. The speed zones established by the Ordinance shall include all of Loop 76 (9th street and Doak Street) within the Corporate Limits of O'Donnell, Texas; the maximum legal speed limits shall be as follows:

Beginning at the west city limit near the south end of Loop 76 the maximum legal speed limit for both eastbound and westbound traffic shall be 30 m.p.h. along said Loop 76 for a distance of 0.789 miles to 5th Street; thence 40 m.p.h. for a distance of 0.313 miles to the north city limit.

And all Ordinances and parts of Ordinances in conflict herewith are hereby repealed.

SECTION 3. The speed zones established by this Ordinance shall include all of F. M. 2370 within the Corporate Limits of O'Donnell, Texas; the maximum legal speed limit shall be as follows:

Beginning at Loop 76 (9th Street) the maximum legal speed limit for both southbound and northbound traffic shall be 30 m.p.h. for a distance of 0.146 miles to 11th Street; thence 45 m.p.h. for a distance of 0.202 miles to the south city limit. And all Ordinances and parts of Ordinances in conflict herewith are hereby repealed.

SECTION 4. Any person violating any of the provisions of this Ordinance shall, upon conviction thereof, be fined in any sum not less than Ten (\$10.00) nor more than Two Hundred (\$200.00) Dollars.

SECTION 5. That the hazards, dangerous to public health and safety, created by a necessity requiring all rules providing that no ordinance shall be finally passed on the day of its introduction be suspended; and this Ordinance is declared to be an emergency measure, to take effect from and after the date of its first publication.

AND IT IS SO ORDERED, PASSED AND APPROVED THIS 14th DAY OF JULY, 1960 APPROVED: L. J. HASH, JR., MAYOR ATTEST: MOODY EVERETT, CITY SECRETARY 2tc

Safety IS IMPORTANT IN INSURANCE, TOO!

You buy insurance for only one reason—to safeguard your property. That's why it pays to get the best protection possible.

worms were found in Hardeman, Howard, and Jones counties. Control measures should be taken while the worm is small to obtain satisfactory results.

Boll weevils are causing a lot of damage to cotton plantings in Childress, Collingsworth, Wilbarger, and Jones counties. The second generation emergence has begun in these counties. Cabbage looper infestations were common in many fields during the past week. It is very important to apply insecticides for the control of this insect when it is small. Lygus bugs, stink bugs, and grasshoppers were reported doing damage to cotton during the past week. However, no serious problems were found. For control recommendations please refer to the TEXAS GUIDE FOR CONTROLLING COTTON INSECT, published by the Texas Agricultural Extension Service. Copies of this Guide may be picked up at the office of your County Agricultural Agent. The information used in this release is compiled from reports received from various sources.

Turkeys and peaches are to get top billing on the OSDA's August plentiful foods list. Watermelons and cantaloups are plentiful as are onions and tomatoes, broilers and dryers and scallops and peanut butter. All are good picnic foods and top choices for outdoor cookery.

Deep plowing, 10 to 14 inches or more, followed by at least two weeks of hot dry weather can reduce cotton root rot to as low as two percent or less the following year, says Extension Pathologist Harlan Smith.

There's more to the production of a bale of quality hay than just planting and mowing a field of forage. George McBee, extension pasture specialist, says that hay quality is affected by harvesting, curing and fertilizer use. The crop should be harvested before it reaches the mature stage, cure as rapidly as possible and fertilize just the same as other crops.
