JUNIOR GIRL SCOUTS MEET

Troop 74 met Wednesday in room seven, October 8. We discussed where we were going to have our party. We went to Mrs. Cook's house and had a cook-out and took a hike. We also decided not to have a Girl Scout meeting October 13.
Reporter, Elaine Traylor.

MRS. CLINT TYLER HOSTESS FOR 1939 STUDY CLUB

The 1939 Study Club met last Wednesday, October 8, in the home of Mrs. Clint Tyler.
The president, Mrs. John Etter, presided for the business meeting. Mrs. H. L. Wood read the club collect.

Mrs. Guy Bradley gave an interesting and informative program on what the Club women in Viet Nam are doing.

Refreshments of pecan pie, coffee, and tea was served to the thirteen club members.

The next meeting will be October 20th, in the home of Mrs. H. C. Warren.

CADETTE TROOP MEETS

The newly organized Cadette troop under the leadership of Mrs. Pete Woolam and Mrs. Charles Boles met October 5. Officers elected were Linda Sumrall, president; Paula Carroll, vice president; Rosemary Brewer, secretary-treasurer; Joylene Anderson, reporter; and Harriet Cook, historian. Patrol leaders were Harriet Cook and Joylene Anderson.

The Cadette Girl Scouts held a sleep-out-cook-out, Saturday, October 9. We are all going to church together Sunday morning, October 10, at the Baptist Church here.

Herbert Pennington and sons of San Angelo visited his parents, Mr. and Mrs. Jesse Pennington, last week end.

Mrs. Opal Rogers, a sister of Mrs. Ruth Holman, was in a car wreck at Denver City Wednesday night. They are in a Seagraves hospital.

Mr. and Mrs. Jesse Lane visited their children at Midland and Odessa and saw their grandson Larry Allen play football Friday night.

"OUR YEAR IN EUROPE" PROGRAM PRESENTED TO YOUNG HOMEMAKERS

Mrs. Harold Sanders presented a program on Europe at the October meeting of the O'Donnell Young Homemakers held in the Homemaking Department.

Mrs. Sanders commented on her trip over and the joys, as well as hardships encountered while there.

Germany was the first country shown, as it was the land in which Harold and Patsy made their home while abroad. Harold was stationed with the 24th Inf. Div. at the time the film was made. "We found the people as a whole farm and friendly despite the communication difficulty due to language," said Mrs. Sanders as she began her film.

The tour included such places as Paris, France; Milan, Italy; Venice, Italy; Rome, Italy, and touched on Austria and Switzerland.

Some of the unusuals of the trip included the flooding of the canals in Venice, Italy, when the water flooded the buildings about 3 feet deep; the trip across the Mediterranean Sea to the Isle of Capri when the water became unusually rough and putting quite a damper on the day on Capri.

The world-famed Passion Play (the re-enactment of the story of the death and resurrection of our Lord) was also toured. The play is presented every ten years as a result of a pledge to God if He would lift the dreaded Black Plague from the village of Oberammergau, Germany back in the 1800's.

Mrs. Sanders finished her program with the summerization "It was a wonderful year but the lights of New York were quite comforting as our plane taxied up the runway of Idlewild Airport and we knew we would step down on American soil."

Following the program the business was attended and new members welcomed. The club voted to sell Stanley Bath Oil as a fund raising project beginning the middle of October. Other business included the possibilities of a weekly radio program on KPET in Lamesa, of which plans are pending completion.

The club welcomed Mrs. Kenneth Pearson and Mrs. Bobby Cox into membership. Twelve attended the meeting.

Mrs. Kenneth Williams served the refreshments.
The November meeting will be a program on Tailoring, which will be followed by a week of workshop on Tailoring.

ROTARY GOVERNOR VISITS O'DONNELL CLUB

The O'Donnell Rotary Club met Tuesday with President Truett Hodnett presiding. Visiting Rotarians were Stansell Clements, President of Lamesa Rotary Club, LeRoy Olsak, Bowers Purcell, and Noble Price of Lamesa and Harold Roberts, Harold Reynolds, and E. L. Short of Tahoka.

"Service to Others" was the message that District Governor Jimmy Willson of Floydada brought to the club. A very grave concern of Governor Willson is the apathy, seemingly, of the citizens of these United States.

On Monday night, the Club Assembly and Mexican Supper, honoring Governor Willson, was held at the home of Truett Hodnett. Tea from India and a "wee bit of Scotland" in the form of Heather and slides presented the International side of Rotary.

The Ramesh Tandon family write from India that Civil Defense measures were taken and Black-outs were observed during their troubled days of conflict. The Rotary Club of Bareilly has a new project called "Drug Store Scheme" to provide life savings drugs for the needy. Another project is to contribute treatment for the crippled children in the Mission Hospital.

The Menzies family write from Scotland that the Heather that was sent to the Rotary Anns stays green all summer and comes into flower in August. During the winter months, it cannot be seen, but when Spring arrives, the Heather again covers the Highland Hills.

Thought for the week: "We are only a little cog in Life's vast wheel, yet, but for us trying to be a "first class cog," the wheel might slip."

Archery Hunting Season Opens

Austin—The second phase of the fall archery season, which opened in many counties in October for buck deer only, begins October 14 in eight Edwards Plateau counties for deer, including antlerless deer, and turkey gobblers.

P. B. Uzzell, wildlife coordinator for the Texas Parks and Wildlife Department, said a ninth county in that area—Kendall County—will open its archery season on deer, including antlerless deer, and turkey gobblers three days later on October 17.

The eight counties opening October 14 are Blanco, Burnet, Gillespie, Llano, Mason, McCulloch, San Saba and Travis. All nine counties will close their archery seasons before the regular gun harvest.

In these nine counties only, antlerless deer may be taken by special permit available from landowners. Also, buck deer in the nine counties are defined as those having a hardened antler protruding through the skin. Buck deer in the counties with an October 1 opening date must have pronged antlers.

Opening October 1 and extending through October 31, buck deer with pronged antlers may be taken in Anderson, Andrews, Bastrop (part of county closed), Brazos, Brooks, Brown, Cameron, Cherokee, Clay, Coleman, Collin, Concho, Crane, Dawson, Denton, Eastland, Falls, Gaines, Harris, Henderson, Hidalgo, Hockley, Jefferson, Jim Hogg, Kaufman, Kerr, Kimble, Lee, Liberty, Limestone, Loving, Lubbock, Lynn, Madison, Milam, McLennan, Navarro, Orange, Parker, Refugio, Robertson, Runnels, San Patricio, Starr, Tarrant, Terry, Upton, Van Zandt, Victoria, Ward, Webb, Wharton, Willacy, Williamson, Winkler, Wise, Yoakum and Zapata.

Other dates: Blanco, Oct. 14-Nov. 12; Burnet, Oct. 14-Nov. 12; Gillespie, Oct. 14-Nov. 12; Culberson, Oct. 1-15; El Paso, Oct. 1-15; Gray, Oct. 1-16; Hudspeth, Oct. 1-15; Jack, Oct. 1-23; Jeff Davis, Oct. 1-15; Kendall, Oct. 17-Nov. 15; Llano, Oct. 14-Nov. 12; Mason, Oct. 14-Nov. 12; Montague, Oct. 1-23; McCulloch, Oct. 14-Nov. 12; Palo Pinto, Oct. 1-23; Pecos, Oct. 1-18; Potter, Oct. 1-16; Presidio, Oct. 1-15; Randall, Oct. 1-16; Reeves, Oct. 1-15; San Saba, Oct. 14-Nov. 12; Stephens, Oct. 1-23; Travis, Oct. 14-Nov. 12; Wheeler, Oct. 1-16; and Young, Oct. 1-23.

O'Donnell Sets Homecoming

Oct. 15 has been set as the annual Homecoming at O'Donnell High School, according to Mrs. Mary Pelts, president of the Ex Student Association.

A coffee will be held in the homemaking building in the afternoon, followed by a pep rally in the gymnasium at 3:15.

A banquet has been set for 6:00 p. m. in the school cafeteria and the O'Donnell-Stanton football game will get underway at 7:30 p. m.

Following the game, there will be a reception in the Community House.

This year the Class of 1940 is honored class on its 25th anniversary.

O'Donnell FFA Award Winner

During the O'Donnell High School assembly program this past week the O'Donnell Future Farmers of America chapter was presented the first place award for the farm electrification program sponsored by the Big Spring Division of Texas Electric Service Company.

Roy Olsak, Lamesa manager of TESCO presented the first place award which consisted of a \$150.00 check and an award certificate. The chapter plans to use the fund to help defray the cost of sending Bobby Caswell of the O'Donnell FFA chapter to the National FFA Convention in Kansas City next week.

Other awards presented by Olsak included the Electric Utility Companies of Texas awards to the individual students who had excellent farm electrical projects in FFA Area II to the following O'Donnell FFA students: First place award, Eddie Joe Moore; second place award Gregg Reed; third place award, Randy Allen; fourth place award Allen Barrett.

Olsak congratulated the boys for their outstanding work and pointed out that the competition in Area II was very keen and included schools from the Southwestern part of Texas in an area extending from El Paso to Stamford and from Tahoka to the Rio Grande and includes 90 FFA chapters.

Others participating in the presentation were James Reed, O'Donnell FFA instructor; W. B. Mitchell, TESCO O'Donnell manager; and Conrad Miller, TESCO Division Agricultural representative from Big Spring.

EARLY START ON TAX PAYMENTS

Many property owners are taking advantage of the three percent discount during October by paying their state and county property taxes, states George McCracken, Lynn county tax assessor and collector.

On the first day of October, tax payments totaled \$5,687.84, and others are making their payments daily. Last year, only \$1,291.05 in taxes was collected the first day, Oct. 1.

Mailing of tax statements was completed last week for a total of \$266,466.14 in taxes due in county and state taxes on a total valuation of \$11,810,962.00.

Broken down, \$224,412.09 will go for local county operation, improvements, etc., \$40,457.81 will go to the state, and \$1,596.24 will go to the High Plains Underground Water District.

Those who pay their taxes in October will receive a three percent discount, there is a two percent discount for November payment, and one percent for December.

The full amount becomes due on January 1, 1966, and if not paid by January 31, unpaid taxes will draw penalty and interest.

Taxpayers are reminded that poll taxes were not figured in the statements mailed to property owners.

MRS. SANDERS PRESENTS PROGRAM AT YOUNG HOMEMAKERS MEETING

The O'Donnell Chapter of Young Homemakers met Thursday night in the Homemaking Department, Mrs. Harold Sanders presided at a business session. Two new members, Mrs. Bobby Cox and Mrs. Kenneth Pearson, were welcomed into the organization.

Future plans of the chapter were discussed. Members accepted a plan of helping needy or underprivileged high school girls in an effort to lessen the chance that they might be future "drop-outs". Members were also willing to help any interested group organize into a Young Homemaker Chapter. Mrs. Warren Smith, advisor, outlined for the group a fund raising plan. The Chapter will sell bubble bath as a fund raising project.

After the business meeting, Mrs. Harold Sanders presented a program entitled "My year in Europe". While in service, the Sanders were stationed in Germany. On weekends and on an occasional furlow they would board a scenic tours bus which would take them to the popular tourist spots of Europe. Oberammergau, Germany, was high on the list of places to go for Mrs. Sanders. This is the village where the world famous Passion Play is presented each tenth year.

Paris, Rome, Milan, Venice, Austria, and Switzerland all became real places as members view the slides and listened to the narration.

JUNIOR GIRL SCOUTS

Troop 74 met Thursday afternoon after school was out. We elected officers: president, Charla Cook; vice president, Connie Kizer; secretary, Treva Jackson; treasurer, Pam Brewer; reporter, Elaine Traylor. Palo Duro Sheep Shoot Scheduled

San Angelo—Approximately 50 issued sheep hunting permits will be issued to landowners in the Palo Duro Canyon for the December 10, 11 and 12 season, according to Richard DeArment, Panhandle wildlife biologist for the Texas Parks and Wildlife Department.

So much interest has been shown by the hunters during past seasons that permits will be difficult to obtain.

Sportsmen were advised to contact landowners in the Palo Duro Canyon well in advance of the December season.

Biologists plan to gather additional breeding habit information from animals taken during this year's hunt. Therefore, all animals must be checked at Texas Parks and Wildlife Department check stations at strategic locations around the Palo Duro Canyon hunting area.

In 1964, 13 soudad sheep were killed. The largest weight recorded was over 270 pounds.

O'Donnell Opens Conference Play

O'Donnell Eagles begin Conference 5-A warfare tonight by entertaining the Stanton Buffaloes, a team that has won only one ball game so far and that against Lorraine. The game is a feature of O'Donnell's annual homecoming day.

The hapless Eagles, hard hit by graduation last year, are trying to rebuild with a group of boys who are mostly inexperienced. The Eagles have lost all five starts but are still trying to get their football machine to moving.

The Eagles had an open date last week end, and fans are hoping the boys have gained by the much-needed rest after having been trampled by five foes.

All O'Donnell ex-students are urged to turn out and give the Eagles courage in this game, attend the pep rally in the gymnasium at 4:15 p. m., the banquet in the school cafeteria at 6:00 p. m., and the reception in the Community Center following the game. The class of 1940 will be honored at this year's Homecoming.

FFA MEETS

The O'Donnell FFA Chapter met Monday, October 11 at 7:30 p. m. at the Agriculture building. The officers for the following year are Jerry Haire, president; Dwight Crawford, vice president; Greg Reed, secretary; Kenneth Vestal, treasurer; Ronny Jordan, reporter, and Bobby Caswell, sentinel. Libby Cook was elected Sweetheart during the meeting. The following boys were initiated as Greenhands: Dennis Autry, Layne Birdwell, Danny Brewer, Bobby Cantwell, Wayne Crawford, Amos Davis, Wayne Kieschnick, Lynn McGruder, Johnny Turner, Ronnie Proctor, Bobby White, and William Parker. Bobby Caswell is attending the national FFA convention at Kansas City.

Mrs. Smylie, Mrs. Jones and Mrs. Prather attended market at Lubbock Sunday.

R. E. Hardberger has been here visiting relatives.

Mrs. Roy Line and Mrs. Horace Brunette visited their mother, Mrs. Cobb at Plainview, who is seriously ill and showing no improvement.

Breakfast, 1820

The "Batter-Cake Express"

Early American breakfasts apparently were a good deal more substantial than many modern American breakfasts.

At Monticello, the home of Thomas Jefferson, breakfast was a major meal of the day. According to Daniel Webster, who was a guest at Monticello early in the 19th century, Jefferson arose at dawn and spent the next four or five hours attending to the estate. Promptly at the hour of nine, the entire family and guests assembled for breakfast. Webster's particular breakfast included hot breads and cold meats, with bacon and eggs and fried apples. He noted that the "batter-cake express" ran at full speed between the kitchen and the dining room, keeping the diners supplied with hotcakes.

At Mount Vernon, Martha Washington served potted game, country hams, oysters and hot biscuits to George and the hunters before dawn by candlelight, so they could ride out at sunup fully nourished.
Too many modern Americans consider themselves lucky if they get more than juice and coffee on their way to work, according to nutrition experts. They declare that nearly half the adults in the country are in too much of a morning rush to eat an adequate breakfast. Recognizing this need, Carnation Company developed instant breakfast. One envelope of this new, dry product, dissolved in an 8-ounce glass of milk, makes a chocolate, coffee or plain-flavored beverage which supplies 25 per cent of the protein, minerals, and vitamins for which daily allowances have been established. Instant breakfast provides this needed nutrition in seconds, at a "cost" of less than 300 calories.

The Coyotes are a young squad this year with only four seniors. Lack of experience will be the main weakness. This will be made up for with a good overall speed

Leading the defense for the Coyotes is 193 lb. senior guard Larry Wallace and 175 lb. guard David Lansford.

Don Nunnally and Larry Isaacs are the halfbacks with Nunnally the fastest man on the squad. The starting unit is rounded out with Tommy Hancock at center and Kenny Hensley at guard. Wallace is the other guard.

The Coyotes have a 1-1 record for this season, defeating Forsan last week 14-2 and losing to Sterling City in the opener 22-6.

NOW! A WHOLE NEW SERIES OF ULTRA-LUXURIOUS CHEVROLETS

'66 CAPRICE

BY CHEVROLET

Caprice Custom Coupe—with exclusive formal roof line that comes on no other Chevrolet.

Caprice Custom Sedan—with superb new Body by Fisher elegance inside and out.

Caprice Custom Wagon—with fine new look of hardwood paneling on sides and tailgate.

Everything it takes to create a distinguished luxury car has gone into these new Caprices.

Beneath the formal styling elegance that sets the Custom Coupe apart, for instance, you'll find thick wall-to-wall carpeting, comfort-contoured seats and the look of hand-rubbed walnut on the instrument panel, glove compartment and inside door panels. You can order a finely instrumented console, together with new Strato-bucket front seats.

In the Custom Sedan, a new Strato-back front seat is available with bucket-type contours separated by a fold-down

armrest. And in the equally opulent Custom Wagons, offered in 2- or 3-seat models, you can even order carpeting for the cargo area.

Each model rides super Jet-smooth. And for incomparably smooth power, you can specify Chevrolet's advanced Turbo-Jet V8 in either a 396- or 427-cubic-inch version.

The price of it all? Somewhat more than you're used to paying for a Chevrolet. But less, as your dealer will happily confirm—than the select class of fine cars these new Caprices invite comparison with in every detail.

The 1965 version of the Borden County High School Coyotes can do nothing but prove on their 1-0 record of this season. The Coyotes have a new coaching staff this year in Head Coach Jack Aldridge and Assistant Coach Joe Neill.

Passing seems to be the key to a successful campaign this year with Brant Payne handling the quarterback spot and ends Dale Kite and Ricky Cunningham manning the end positions.

Payne has already connected with Cunningham twice and Kite once for TD aerials in the Coyote's first two games.

Most Drinking Starts Before College Days

NEW HAVEN, Conn.—Four out of every five college men who drink began their drinking before entering college, a researcher at Yale University's laboratory of applied physiology reported recently.

Robert Straus, research associate, disclosed for the first time preliminary results of a five-year study into the drinking habits of American college youth. This study was made by Mr. Straus and Selden D. Bacon, director of Yale's center of alcohol studies.

Of the American women students who drink, 65 per cent also started drinking before entering college, Mr. Straus said.

"The probability that a young person will drink at all," he continued, "is closely related to the practices of his or her parents."

"Of the men whose parents both drink, 90 per cent are themselves users. However, only half of the men (51 per cent) whose parents both abstain, drink."

"Where both parents are users, 83 per cent of the women drink on occasion. However, when both parents abstain, only 19 per cent of the women students drink."

He declared that parental advice on abstinence seems to be much stronger than advice from either church leaders or teachers.

Family income is a large factor closely associated with the probability that one will use alcohol. Among those whose family income is under \$2,500, two thirds of the men and only 30 per cent of the men students drink.

SS. AMENDMENTS FOR STUDENTS AGE 18-22

The Social Security Amendments of 1965 make an important change in the law as it applies to students age 18 to 22, which may enable many young people to continue to receive social security benefits while finishing their education. According to John G. Hutton, District Manager of the Lubbock Social Security office, "The son or daughter of a deceased worker or retired or disabled worker may now receive child's benefits up to age 22 if he or she is unmarried and a full time student." This provision is effective January, 1965, and enables a student to receive these benefits for several months retroactively in early 1965 even if they are no longer in school or have married since January 1965. Even though there were no children under age 18 at the time of the wage earner's death, monthly benefits may be payable to children under age 22 if in school. School can be any accredited high school, college or vocational school. "More than 400 applications have been filed in the local office," Hutton said, "but it is believed there are still many students who are eligible for these payments."

Information about this and other changes in the social security law is available at your local Social Security office at 3428 Avenue H, Family Park Shopping Center in Lubbock.

Account Offered Tax Payments

Lynn county taxpayers may receive a three percent discount on state and county taxes by paying these taxes before October 15, states George Meador, Lynn county tax assessor and collector.

The deduction will be reduced to one percent for November and two percent for December. In any event, the full price will be payable, and after January 31, penalty and interest must be added according to state law.

As citizens still pay poll taxes to vote in state, county, city and school district elections. Citizens are reminded that poll tax is not included in tax statements mailed out to property owners.

Each person may vote in national elections by registering as a voter.

DID YOU
KNOW THAT?

In 1951 the Texas Forest Service
launched an extensive program in
tree improvement research. It was
the first Southern state forestry
agency to undertake this type of
research. Much credit for financing
the program is due units of the
forest products industry. A labora-
tory and greenhouse on the campus
of Texas A&M University is the
operations center for this program.

SS AMENDMENTS FOR STUDENTS AGE 18-22

The Social Security Amendments of 1965 make an important change in the law as it applies to students age 18 to 22, which may enable many young people to continue to receive social security benefits while finishing their education. According to John G. Hutton, District Manager of the Lubbock Social Security office, "The son or daughter of a deceased worker or retired or disabled worker may now receive child's benefits up to age 22 if he or she is unmarried and a full time student." This provision is effective January, 1965, and enables a student to receive these benefits for several months retroactively in early 1965 even if they are no longer in school or have married since January 1965.

JUNIOR FIRE MARSHALS LAUNCH CAMPAIGN

To thousands of school children across the nation "back to school" will also mean back to their roles as Junior Fire Marshals for another year of fire prevention and safety in the home, at school, and at play. Schools in O'Donnell are among 15,000 that are participating in the annual safety program sponsored by The Hartford Insurance Group. The Junior Fire Marshal Program here is coordinated through Elvin R. Moore of the Moore Ins. Agency, in cooperation with local school and fire department officials.

Among the Junior Fire Marshal's first projects will be a thorough inspection of fire and other safety hazards in their homes. With the aid of a check list, and under the guidance of their parents, the boys and girls will be looking for such common causes of fires and accidents as frayed electrical cords, overloaded electrical outlets, paints, varnishes and other flammable liquids in open containers or stored too close to furnaces, loose floor boards, faulty staircases and the like.
