

Little Britches Rodeo Tonight

The O'Donnell Little Britches Rodeo is being held tonight and Saturday night, April 15th and 16th, with performances beginning each night at 7:30 p. m. Sponsored by the O'Donnell Jr. Gauchos and the O'Donnell Roping Club, contestants will include boys and girls 15 years of age and under.

No money will be awarded—trophies awarded only to the first high point contestant in each event and rosettes to second, third, fourth and fifth. Events include pony bronc riding, steer riding, ribbon roping, barrel race, goat typing and pole bending.

Deadline for entries is 1:00 p. m. April 15.

Rotary News

The O'Donnell Rotary Club met Tuesday with President Truett Hodnett presiding. Visiting Rotarians were Moody Neely, R. B. Snell, and Joe Spikes of Lamesa and Wilton Payne of Tahoka. Guests were Don Brownfield, Miss Janie Barnes of the Girls' Varsity Team of the O'Donnell High School and Miss Libby Cook, Sweetheart of the Future Farmers of America in the O'Donnell High School Chapter. Janie and Libby are seniors of the O'Donnell High School.

"A Physician Looks at Medicare" was the theme of the program for the luncheon. Dr. Noble Price of Lamesa was the speaker for this very important subject.

From Monterey, Mexico, comes the letter to O'Donnell telling of the lovely perfume that fills the air at night. This haunting aroma comes from the many orange trees that are in bloom in the city.

The Anthony Coldwells write from Broome, Western Australia that the Pearling industry that made Broome so famous has about died out, and is being replaced by "Culture Pearling." At one time there were as many as 400 Luggers (Pearling Boats) operating around Broome.

Dr. Gabriele Arthur writes from Austria that Spring is arriving in Vienna. Dr. Arthur always writes of the warm friendship, although just a tiny spark, between O'Donnell and Vienna.

Thought for the week: "to know even one life has breathed easier because you lived. This is to have succeeded."—Ralph Waldo Emerson.

Scout News

Camping time will soon be here and the O'Donnell Scouts are making plans to take more active part in camping and cook-outs this summer. The ideals and purpose of the Scout activities all wind up in the one desire to help to produce better citizens for America. Patrol Leaders Ivan Line and Louie Amaro, assisted by Senior Patrol Leader Johnny Boles and Instructor Mark Hardin are leading the O'Donnell Scouts in being of service to their community by being considerate, courteous, thoughtful of others. If these fine young men can help their patrols to attain these, then O'Donnell will be especially blessed.

News members for Scout Troop 789 are Wes Mitchell, Terry Parker, and Sam Mensch.

BROWNIE SCOUTS HAVE SUCCESSFUL COOKIE SALE

The Neighborhood Girl Scouts would like to thank everyone who participated in the cookie sale for making it the huge success that it was. A portion of this money goes to build and keep up Rio Blanco where our girls enjoy camping each summer and part of it remains in the troop. The girls and their fathers reported a very nice evening sharing their box supper and entertainment, last Monday night.

All Brownie girls must register for day camp with Mrs. Pete Woolam in her home on May 4 and May 5 between the hours of 3:45 p. m. and 6:00 p. m.

NOTICE

There are a number of people that are having their cemetery lots leveled so they can be kept by mowing and would take lots less hand work. Due to our short year for donations this will enable us to do a better job of keeping your property. The little garden tractor will not damage your property.—President, Mrs. H. L. Wood.

Mr. and Mrs. Price Parker of Lubbock visited relatives here for Easter.

MRS. DONALD CHAMBERS (nee Marigean Clayton)

Miss Marigean Clayton, Don Chambers Take Wedding Vows In O'Donnell Church

Miss Marigean Clayton and Donald Linwood Chambers pledged double ring vows in First Methodist Church in O'Donnell Saturday (April 9) at 7:30 p. m. Rev. Robert W. Brown, pastor of the church officiated.

Parents of the couple are Mr. and Mrs. S. M. Clayton, Jr., of O'Donnell and Mr. and Mrs. Luther L. Chambers of Griffin, Georgia.

An arch featuring wedding bells, bouquets of Easter lilies, candelabra and greenery formed a background for the ceremony.

Candles were lighted by the ushers, Wayne Alan Clayton of O'Donnell, cousin of the bride, and Clarence Losey of Abilene.

Mrs. Carr Spraberry, organist, accompanied Miss Jimmie Gay Gardenhire, who sang "Always" and "Only You."

The bride was given away by her father. She wore a softly pleated formal gown fashioned of white peau de soie, topped with an all-over lace jacket, with petal point sleeves, high neck and tiny buttons and loops at the back. Tiny seed pearls outlined the jacket. The gown featured a detachable chapel train.

Her veil of illusion flowed from a satin ring, re-embroidered with luster beads and seed pearls.

Her bouquet was cymbidium

orchids atop her white Bible.

Mrs. L. K. Clark of Canyon served her sister as matron of honor. Miss Sandy Garrett of O'Donnell and Texas Tech was bridesmaid. Their dresses were of blue peau de soie, identical to the bride's, with short sleeved jackets and street-length skirts. Matching bows of blue and circles of tulle adorned their heads. They carried single long-stemmed carnations.

The groom's father served as best man. Fred Womeldorff of Abilene was groomsman.

Following the ceremony, a reception was held in Fellowship Hall of the church. The table was laid with crystal and silver. The three-tiered cake was topped with a miniature bride and groom. The bride's bouquet enhanced its romantic appeal.

Mrs. Gerald Vieregge of Lubbock and Miss Jan Hardberger of O'Donnell and Baylor University, Waco, served.

For going away, the bride wore an aqua tulle ensemble with white accessories and an orchid from her bouquet.

The couple will live in Abilene, where the bride is a senior student at McMurry College, and the groom is stationed in the U. S. Airforce.

Karpe-O'Connell Vows Are Repeated

Miss Carol Ann O'Connell and Dale Howard Karpe were married in a double ring ceremony at 7:30 p. m. Saturday in Trinity Baptist Church in Lubbock with the Rev. Melvin Ratheal, minister, officiating.

Parents of the couple are Mr. and Mrs. J. B. O'Connell, 4310 42nd St., and Mrs. W. E. Huffines of O'Donnell.

Attendants were Mrs. E. D. Vinyard of Dallas, aunt of the bride, matron of honor, and W. E. Huffines of O'Donnell, the bridegroom's step-father.

Jimmy O'Connell and Johnny Walker seated guests and lighted candles.

Mrs. E. D. Clements provided organ selections and accompanied Fred McFarland, soloist.

The bride, given in marriage by her father, wore a floor-length peau de soie dress with a bell skirt accented with Chantilly lace and seed pearls. She carried cymbidium orchids with a small Bible.

Mrs. Vinyard wore a rose beige floor-length gown and carried a bouquet of orchids.

A reception followed in Reception Hall.

For traveling to Mexico, the bride wore a beige linen suit with matching accessories.

The couple will be at home in

PAIR PLEDGES VOWS IN ANTIOCH CHURCH

Mrs. Avonne V. Hacker and Ross D. Smith of O'Donnell were married at 8:30 p. m. Thursday in the Antioch Baptist Church, with the Rev. R. L. Porter, minister, officiating.

The couple was attended by Mrs. J. J. Hagan and Willie Gates of O'Donnell, and will make their home on an O'Donnell farm.

Randy Brown, son of Mr. and Mrs. Jerry Don Brown, received a laceration on his head that required six stitches, in a fall last Wednesday night.

Mr. and Mrs. Mack C. Bradley and children of Lubbock visited her parents, Mr. and Mrs. Oscar Veach, over the week end.

Lamesa.

The bride is a senior at Texas Tech, majoring in speech and drama. She is a member of Alpha Psi Omega, dramatic honorary fraternity. She is a graduate of Monterey High School.

Karpe is head of the speech department at Lamesa High School. He received a B. A. degree from Texas Tech and is a candidate to receive a master's degree in speech and drama from Tech in May. He is a member of Alpha Psi Omega.

Absentee Voting Begins Monday

Absentee voting in the May 7 first Democratic Primary election will begin Monday, April 18, and continue through May 3, in the office of County Clerk C. W. Roberts, states Calloway Huffaker, county Democratic chairman.

Those living at a distance who vote in Lynn county should mail in their ballot requests immediately. Those expecting to be away from the county on May 7 or too ill to come to the polls should vote absentee between April 17 and May 3.

Ballots for the election are being printed this week by The News.

Mason Workshop Set For Tahoka

A Masonic Workshop meeting has been scheduled for officers and members of four Lodges at 7:45 p. m., April 21, in Tahoka Lodge 1041.

Tullus V. Walker of Lubbock, who is the owner of Walker Insurance Agency and chairman of the eight-county Masonic Workshop Area E4, will conduct the meeting. He said that Tahoka, Post, O'Donnell and Southland Lodges are invited.

Nearly 200 Workshop meetings are held semi-annually for officers of over 970 Texas Masonic Lodges.

The meetings are authorized by H. W. Fullingim of Odessa, who holds the highest Masonic position in the state as Grand Master of Masons in Texas.

The Masonic Order is the state's largest fraternal organization with nearly 250,000 members. It is noted for its activities in the field of charity and in the self-improvement of its members.

Miss Schooler Is Married Saturday

Miss Barbara Sue Schooler, daughter of Mr. and Mrs. Kenneth Schooler of O'Donnell, and John D. Sturdivant, son of Mrs. Monroe Sturdivant of Denver City, were united in marriage in the Methodist Church at Seagraves Friday, April 8.

The ceremony was performed by Rev. H. O. Abbott.

Matron of honor was a sister of the bridegroom. Bridesmaid was Anita Beth Allen, a cousin of the bride from Odessa.

Best man was Damon Pearce. Ushers were Larry Allen of Odessa and Mike Allen of Lovington, cousins of the bride. Candlelighters were Dennis Lee Allen of Odessa and Rickey Allen of Lovington.

Expansion Planned By County Library

Plans for improving Lynn County Library were discussed at the monthly meeting of the board of directors Tuesday in City Hall.

Steve Thompson, chairman, has left, and Vice-Chairman Garland Thornton will fill out his unexpired term. Elvin Ray Moore of O'Donnell is secretary, and Mrs. Madeline Hegi is treasurer. Other board members include Mrs. Guy

Bradley of O'Donnell, Mrs. N. B. Hancock of New Home, Dan Cook of Wilson, Mrs. G. M. Stewart, Mrs. Gladys M. Stokes, Frank Hill, and Robert Abbe. Mrs. A. J. Kaddatz is librarian.

Among plans discussed was a proposal to form a "Friends of Library" association to help add books and extend time the library is kept open. Mrs. Abbe, Mrs. Hancock and Mr. Moore were named to a committee to make recommendations of the proposal.

Although short on financing, the County has backed the project and has offered much larger space for the growing library in the old ASCS office building at the northwest corner of the square if and when the same is remodeled. The County is now having plans drawn for remodeling the building.

There are now more than 10,000 books on the library shelves, and the latest best sellers are being added all the time. Present quarters in the Scout Hut are far too small for the growing library.

If and when moved, plans are to add more later reference books, have a reading room for benefit of those who need and desire such a place, and more effort will be put forth to make the library more available to all parts of the county.

A great many people check books in and out of the library each Wednesday and Saturday afternoon now, and some even from over at Post and other towns.

Methodists Open Meeting Sunday

First Methodist Church of O'Donnell opens a revival meeting this Sunday, April 17, to extend through the following Sunday, announces the pastor, Rev. Robert Brown.

Doing the preaching will be Rev. James G. Wayne, pastor of the First Methodist Church in Silver City, New Mexico. Leading song services will be Rev. David W. Binkley from the First Methodist Church in Slaton.

Services will be at 7:00 a. m. Monday through Friday, at 7:30 p. m. Monday through Saturday, and at the regular hours on Sundays.

Service Clubs Sponsor Clean-Up

Planning meetings for clean-up month are being sponsored by the Rotary Club. Perhaps the important thing in the community's Clean-Up is the cooperation of all of the Service Clubs in O'Donnell. Representing the O'Donnell Lions Club will be Hollis Swinney, Wayne Carroll, and Burley Brewer, President of the O'Donnell Lions. Mrs. John Etter will be representing the 1939 Study Club. Mesdames Carr Spraberry, J. W. Gardenhire, Harvey Line, and Truett Hodnett will be representing the 1946 Study Club. Mesdames Burley Brewer, Shorty McLaurin, and Raymond Hancock will be representing the Entre Nous Study Club.

Because the Service Clubs represent such a very small minority of the community, the need will be for each citizen to realize his individual responsibility. Not often, but sometimes, there will come the opportunity for O'Donnell to open the doors to new citizens, and if O'Donnell is run down and ugly because of the lack of interest on the part of her citizens, then the prospects of growth will go to a more desirable looking town. O'Donnell can and will be the cleanest town on the Plains, both morally and physical-

School Board In Official Meeting

The official board of the O'Donnell School District met April 7. Julian Pirtle was elected president for the 1966-67 school year. Dick Franklin was elected vice president, and J. C. Harris, secretary.

Other board members are W. W. Emerson, W. H. Cook and the two new members, Elbert Crawford and Harold Barrett.

Miss Betty Jo Davis of Roby will be added to the faculty for 1966-67. She will be the girls physical education teacher and basketball coach for girls grades 7 through 12.

Mr. and Mrs. Wayne Gleghorn of Lamesa, and Mr. and Mrs. Sidney Hart of here visited Mr. and Mrs. W. D. Parker, Easter.

ly, if her citizens so desire it, and these Service Clubs of O'Donnell believe in the citizens enough to put expense and time in the many efforts of their clubs to help make O'Donnell a nice place to live and raise her families.

LIBRARY WEEK IN TEXAS, April 17-23, was proclaimed by Governor John Connally at the statewide Library Conference recently, when he upheld the Conference theme, "Library Excellence: Today's Necessity," as the epitome of the goal and need for Texas libraries. He pointed to plans for 150 Post-Conference meetings to discuss local library problems as evidence of the determination of Texans to study and meet the needs of their libraries. Present for the proclamation signing were Heartsill Young, president, Texas Library Association, Austin; Doan H. Winfrey, Director, Texas State Library, Austin; Miss Elizabeth Karis, State Library field consultant headquartered in Abilene who is executive director of Library Weeks; and J. Bryan Bradbury, Abilene, state chairman.

WASHINGTON AND
"SMALL BUSINESS"
By C. WILSON HARDER

Any objective analysis of Big Labor in the United States must recognize the inherent paradoxes.

There is a school of thought that believes the Big Labor bosses are controlled by communism. Yet, viewing the support voted by the AFL-CIO meetings for the war in Vietnam, and the announced plan to refuse to handle ships of flags trading with North Vietnam, this charge does not ring wholly true.

But the leaders of Big Labor create a bad image when they take positions in social and economic matters. It is, of course, possible, to take some of their pronouncements and closely identify them with the Marxist line. However, these utterances are more due to ignorance of a free economy.

For example, at present Big Labor is beating the tom toms for guns and butter, too. One of the measures they advocate to afford money for both is repeal of the 7% credit against taxes for the purchase of new machinery by business up to \$25,000 in a year.

Yet data secured the past year by the National Federation of Independent Business shows that almost half of the smaller manufacturers expanded to produce 1,463,449 new jobs. What was the incentive to create new jobs?

Nationally 74.1 per cent
© National Federation of Independent Business

stated that this 7% credit on new machinery permitted them to expand.

Big Labor is also fighting to boost the minimum wage that can be paid under law. Yet surveys conducted by the Federation show clearly that any further increase will severely curtail the employment of teen agers, the people of no skills and the handicapped. Independent business is willing to hire and train these people, yet cannot afford to pay a high wage while training them.

They are also taking the position that the unemployed, who have worked for twenty weeks, should be able to draw as much as \$80 per week, tax free, for a period of one year, as unemployment compensation. This is quite unrealistic.

In short, Big Labor, takes a position on many different planes, but is strangely silent on the big issue except for the impractical one of cutting the work week. That is how to create more peace time jobs.

In fact, unions have apparently forgotten the basis of their existence. That basis is that before there can be a union, there must be people working. Unions never create jobs, they merely organize the workers of somebody who has created jobs. Yet, Big Labor's positions today are opposed to the creation of new jobs, and in fact, many of labor's policies are furnishing the incentives to cut down on unemployment. Their position with the workers is somewhat tantamount to the one that would exist if medical men prescribed to patients massive doses of strychnine saying "This will probably kill you, but it will solve your problems."

LADIES BE A FULLERETTE!

Lynn County Soil Conservation District News

E. R. BLAKNEY HAROLD PAYNE
ELMER OWENS BOYD BARNES
JIGGS SWANN

Good management of grasses and livestock is the key to profit and success with improved pasture programs, says Blake Lovelace, local Soil Conservationist.

Pasture Proper Use is necessary for continuous high production. Overgrazing may cut total production 50% or more and will gradually destroy a stand of grass. Removal of over 50% of the plant reduces its ability to reproduce additional top growth and stops root growth of the plant. The results are lower production and less vigorous plants that are unable to make the best use of water and fertilizer applied. Also overgrazed grass under irrigation has a very high moisture content. Animals have to eat more to get their daily nutrient requirements and make gains.

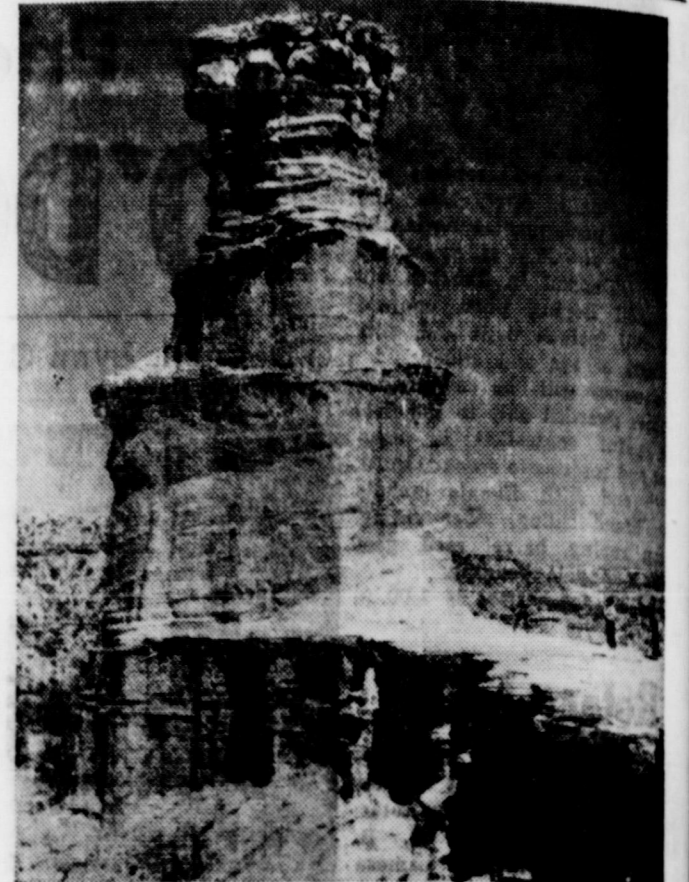

Rotation grazing should be used to allow grass a period of rest to fully recover, and to allow for irrigation and fertilization while livestock are off the grass. Rotation grazing will normally result in high producing pastures and better livestock gains.

Fertilization is necessary for both high production and plant nutrients which will put gain on livestock. Approximately 32 lbs. of nitrogen and 8 lbs. of phosphate should be applied per ton of expected dry forage. Heavy

nitrogen application should be split into 3 to 4 applications during the year. Phosphate may be put on with first nitrogen application just prior to growing season. At Iowa Park, unfertilized grass took 8 inches of water to produce one ton while fertilized grass took only 2.8 in. to produce a ton of dry forage.

Plan for every month's grazing and leave a little room in your plans for safety's sake. If you don't provide for an emergency feed supply in your program, you may be in trouble soon. You may want to buy sooner than planned; sell later on a better market; the irrigation well may break down; a hail storm may come; or you may make an error in judgment on the grazing potential of your pasture. A reserve feed supply can eliminate a lot of ifs, ands, buts, and profit losing situations in your program. It's that ounce of prevention, says Lovelace.

Personnel of the Soil Conservation Service, assisting the Lynn County Soil Conservation District and County Agent, Bill Griffin, will be glad to give you any help they can in planning your grazing program.

LIGHTHOUSE ROCK—Sculptured by wind and water, this natural stone tower keeps its vigil near Palo Duro Canyon State Park, 35 miles southeast of Amarillo. Palo Duro Canyon cuts a spectacular 120-mile gash through the Texas Panhandle. Six miles wide and more than 700 feet deep, the canyon is considered one of the truly geological wonders of the State.

THINKING ABOUT SUMMER?

THINK ABOUT GAS AIR CONDITIONING!

GAS answers all of your air conditioning needs. First and foremost, it does the job you want air conditioning to do... keeping every room in your house cool and comfortable. And, GAS is so economical. People who own GAS air conditioning know it costs less to operate. Maintenance costs are kept to a minimum, too, because GAS air conditioning has no moving parts to wear out. Should the need occur, you are assured of fast, dependable service because Pioneer stands behind every unit they sell.

Lady, you'll just love flameless electric cooking ...it's so convenient

When you cook with an electric range you are free from constant pot-watching and oven-tending. Automatic time and temperature controls watch over your cooking for you, giving you more time away from the kitchen. You can spend your time on

other constructive activities and then serve an entire meal that's ready and waiting. The extra hours of freedom from the kitchen provided by automatic controls is one of the many reasons why you'll just love flameless electric cooking.

Mr. and Mrs. Jesse Lane visited Mrs. Doyle Lane, who has been in Methodist Hospital with an arthritic condition of the heart. She is slowly improving and is at home now.

O'DONNELL INDEX-PRESS
Thursday, April 14, 1966

On Sunday, April 3rd, the children of Roy D. Smith visited with him and Mrs. Smith. The occasion was Mr. Smith's 82nd birthday. Those attending were Mr. and Mrs. Claude McKee and Ula of San Angelo, Mr. and Mrs. Bill Hays and daughter Cynthia and their son of Tech (the Hays live at Ballinger), Mrs. Avonne Haeker and Cynthia of Lubbock, Ross Smith, Roy F. and Georgia and Mr. and Mrs. Dick Harris.

Mr. and Mrs. Buster Harris of Lubbock, Mr. and Mrs. Max Harris of Denver City, Mr. and Mrs. Don Smith and Doniece and Mr. and Mrs. Dick Harris spent Easter Sunday with their mother, Mrs. Susie Harris.

Mr. and Mrs. Weldon White from California and Mr. and Mrs. Buddy Brock from El Paso visited Mr. and Mrs. C. R. Brock during Easter.

Mr. and Mrs. Weldon White visited her sisters, Mrs. W. W. Williams and Mrs. Gus Owens and family. The Douglas Owens family of Fort Worth also visited in the Gus Owens home during Easter.

Mr. and Mrs. Charlie Minton of California visited Mr. and Mrs. Gum Minton last week.

Mr. and Mrs. Robert Ryan visited relatives in Hawley during Easter.

Mrs. John Nichols of Rochester visited her mother, Mrs. W. D. Stubblefield over the week end.

Mr. and Mrs. C. M. Pearce left Thursday for Cape Girardeau, Mo. to visit their daughter, Mr. and Mrs. Nolan Porterfield and Kelly.

Mr. and Mrs. Willie White, Virgil White, Mr. and Mrs. Luther Kenley and Mrs. Beatrice McLaurin and Fran visited Alta White in Lubbock, Sunday.

Mrs. Dorothy Bowlin of La Feria visited friends here during Easter.

WILL DO HOUSEWORK, ironing. Next door east of Bud Pugh. 1p.

Mrs. Opal Rogers of Seagraves visited her sister, Mr. and Mrs. Denton Holman Easter week end.

Mr. and Mrs. Elzey Griffis of Odessa visited Mr. and Mrs. M. B. Allen Saturday and Sunday.

Mrs. Daisey Celsair is a patient in a Lamesa hospital.

Mrs. H. C. Warren was in Dallas last week to be with her sister, Mrs. J. B. Hibbert, who had eye surgery. Mr. and Mrs. John Hibbert of Sherman returned Mrs. Warren home Friday.

Week end guests in the home of Mrs. Vera Etter were Mr. and Mrs. Bobby Sumrow of Canyon, Mr. and Mrs. Bob Dickson, Janet and Don of Plainview and Mrs. Sarah Dickson of Chicago, Ill.

Mr. and Mrs. Tommy Priddy from Texas University, Austin, and Mr. and Mrs. Charles P. Hoffman of Dallas visited their parents, Mr. and Mrs. Charlie Hoffman Easter.

By E. M. Schwetz, Noted Texan

ROTUNDA, STATE CAPITOL
Austin

When you visit the rotunda directly under the dome of the State Capitol in Austin you can see Texas in the past, present and future.

On the stone floor are the seals of Spain, Mexico, France, the Republic of Texas, the Confederacy and the United States. On the walls hang portraits of all Texas heads of state — presidents of the Republic and governors since 1846.

Then, looking some 300 feet straight up, one has an uninterrupted view inside the great dome. You can dream what the future has in store for Texas, as you lift your eyes.

Memories make Texans proud of their heritage. The present, too, is a challenge to continue Texas' great role in the affairs of our Nation. We all want our children to have a secure and safe future.

U. S. SAVINGS BONDS STRENGTHEN AMERICA!

One way we can all contribute to a safe and secure America is through the purchase of U. S. Savings Bonds. Bond purchases help our Nation to become stronger financially and economically.

This means added strength for all.

Baylor U. Camp Program At Post

Dr. Bobby E. Parker of the Baylor University Recreation Camp will be in Post Thursday, April 21, to show films and slides and explain the camp to parents and youngsters 8-16 interested in Baylor's recreational program. The meeting will be at 4:00 p. m. in the Fellowship Hall, First Baptist Church, Post. All interested individuals are invited to attend.

Baylor Recreation Camp is on the North Bosque River near Waco and the community of China Spring. Summer recreation, leadership and learning opportunities for girls 8-14 and boys 8-16 are offered. The program is sponsored by the Baylor University Department of Health, Physical Education and Recreation.

Camp dates this summer will be

June 12-25 for boys 8-16 and June 25-July 9 and July 17-30 for boys 8-12 and girls 8-14. Recreation camp and a baseball school for boys 8-16 will be conducted July 31-August 13. The baseball school is supervised by Dutch Schroeder, Baylor varsity coach.

A complete program of recreation is offered on attractive 650-acre site. Further information about the camp can be obtained by writing to Baylor Recreation Camp, Union Building, Box 346X, Baylor University, Waco, Texas.

Mr. and Mrs. eo Barrington and family of Dallas visited their parents, Mr. and Mrs. Gus Sherrill of Draw and Mr. and Mrs. Cleave Barrington and family over the week end.

Mrs. J. P. Bowlin had surgery at St. Mary's Hospital in Lubbock last week.

REV. UZZLE AT FOLLETT
Rev. and Mrs. Charles Uzzle have recently moved from Mobeetie to Follett, where he is pastor of the First Baptist Church. They have been at Mobeetie the past six years. Mrs. Uzzle is the former Miss Ann Brewer of O'Donnell, and Rev. Uzzle was reared at Draw.

Visiting Howard and Jo Swinney for Easter were her family, Mr. and Mrs. Bob Berry and family of Leonard, Mr. and Mrs. N. O. atinier and family of Big Spring, Mr. and Mrs. Donald Parks, Mrs. Larry Greenfield and daughter, Mrs. C. A. Williams and children and Miss Kathy Spangler.

Charles Wayne Simpson of Grand Prairie visited his parents, Mr. and Mrs. Holland Simpson over the week end.
