Entre Nous Study Club

Mrs. Clyde Blair and Mrs. Don Truolove were co-hostesses for the November 6th meeting of the Entre Nous Study Club. Mrs. Bobby Cox, Parliamentarian, presented a program on fundamentals of parliamentary procedure. Mrs. Jack Minter, president, presided in the business session. Refreshments of pie and coffee were served to twenty one members and one guest.

Eagles Play Wink Here

Seagraves clinched at least a tie for the District 5-A championship with a 50 to 28 win over O'Donnell at Seagraves Friday nite. Seagraves made 466 yards to O'Donnell's 258 yards. Clyde Keltner was a stand-out for Seagraves with 28 points and 199 yards rushing.

Fen Taylor scored first for O'Donnell on a two yard trip in the first period. He passed to Wendell White for extra points.

Taylor opened the second quarter with a pass to Charles Burleson for 51 yds and a TD. In the 3rd period Burleson returned the kickoff 70 yards to score for O'Donnell. In the 4th period Taylor dived across from the one for O'Donnell's final TD for the nite. Seagraves made 21 first downs to 17 for O'Donnell.

O'Donnell played a very good game and all the team deserves credit for a good start against one of the better teams in the state.

The game was very hard fought on both sides. O'Donnell suffered three injuries: Lyndol Askew, a severe cut below the ear requiring seven stitches, Rex Graves, a head injury and Jim Barton, an injured knee.

The Eagles close the season here this Friday nite hosting the Wink Wildcats. Wink has had an "off and on again" team this year barely taking Tahoka and fumbling badly last Friday with Plains. Wink will enter the game as a favorite but is ripe to be upset.

Huffhines-Karpe Vows

Mrs. Zelda Karpe and Wallace E. Huffhines were united in marriage at 3 p. m. last Wednesday in the First Presbyterian Church in Post.

The Rev. Ed Herring, pastor of the church, officiated at the double ring ceremony which was attended by the immediate family. Mrs. B. J. McLaughlin, the groom's daughter, was matron of honor. Dale Karpe, the bride's son, served as best man.

The bride wore a sheath dress of peacock blue wool made of material brought from Spain by her son. She wore a black velvet picture hat and silk-printed shoes and carried a linen and lace handkerchief. Her corsage was of white carnations trimmed with seed pearls. Mrs. McLaughlin's dress was of avocado green silk worn with brown accessories and an avocado and blue hat. Her corsage was of white carnations.

For a trip to the Gulf coast and points in the valley, Mrs. Huffhines chose a gray double knit suit from Italy, also brought to her by her son, and with it she wore peacock blue and black accessories.

Mrs. Huffhines, a former resident of here, has resided in Post the same few years. Mr. Huffhines has lived in O'Donnell since 1929 and is farming north of town where they will reside.

TWO ROTARY PROGRAMS HELD

On October 30th Rev. Calvin Partain was the speaker for the luncheon of the O'Donnell Rotary Club. Rev. Partain told of the Northwest area of the nation and of the Rotary International record using as his topic "The Active Citizen".

Partain is doing a good job in publishing the ROTARY ROUNDUP. A thought taken from this publication is "When Did You Last Offer your personal services to help someone in your community? When did you last sit down and give real thought to your friends and fellowmen?"

Dr. Mattox of Lubbock Christian College was speaker for luncheon on Nov. 6th. He told of how Communism can creep into our educational program. Visiting Rotarians were Robert Abbe, Mack Mauldin and Wendell Strahan of Tahoka, Buddy Smith, Swanson Hurt, Virgil Williams and John T. Agee of Lamesa. Ode Prescott is program chairman.

OES Meets

The O'Donnell Chapter of the Order of the Eastern Star met Monday nite with Edna Mae Haney, Worthy Matron, presiding. The chapter members heard the report of the 80th Grand Chapter session which took place in Houston two weeks ago. Eight members from here attended the meeting.

The "Gateway March", music for the ensuing year, was played by Willie Mae Mires and sang by Mary Peltz and Wanda McLaughlin. An inspiring Thanksgiving reading was given by Carole Edwards. The nineteen members attending were served pumpkin pie, whipped cream and coffee from a table decorated with an overflowing horn-of-plenty and fall flowers by the hostesses for the evening, Johnnie Grutcher, Ivy Adams and Ada Webb.

The first frost of the year was registered here Tuesday.

Cemetery Dinner Is Thanksgiving Day Here

The Cemetery Association takes this means of thanking you for your loyalty in the years past and to express our pleasure in serving you and your friends at the annual Thanksgiving Dinner.

Once again it is time to extend an invitation to you to enjoy good food and good fellowship at the school cafeteria in the traditional way. Serving will begin at 11:00 and continue thru 1:30 p. m. at the price of \$1.25 per plate. Coffee will be served early for those who care to come and visit with old friends.

Each year the group is serving larger crowds which requires more food, so if you receive a card notifying you to bring a dish, please have it there before serving time.

Miss Patsy Cook and Stanley visited friends in Canyon over week end.

Mr and Mrs. Roy Line and girls visited relatives in Plains over week end.

Mr and Mrs. Clay Shock and Sylvia visited her brother Mr and Mrs. Charlie Grant at Rails over week end.

Pfc. and Mrs. Doyle Parks of Albuquerque visited her parents. Mr and Mrs. Glen Gibson and his parents at Welch over week end.

Mr and Mrs. F. M. Page attended the dedication Sunday of the new Grassland Church of Nazarene.

Card Of Thanks

I wish to thank all of you, my friends for your prayers and standing by me during the recent custody hearing. Such friends will always be remembered by me and my family. God bless you.

OWNERSHIP OF WOUNDED GAME

Suppose you are hunting and shoot a deer or a duck which falls mortally wounded. Before you can set it, another hunter beats you there and claims the fallen game as his own. What are your rights? Jim had been hunting all day without success and had headed for home when he finally saw a deer. He took careful aim and hit the deer with his first shot. Although mortally wounded, the deer managed to run a short distance with Jim in hot pursuit.

Roy was also deer hunting. He heard Jim's shot and saw a deer running toward him. However before it reached the spot where he was standing, the deer fell to the ground.

Although it was obvious that the deer was about to die, Roy walked to within three feet of it, delivered the finishing shot, and quickly put his tag on it. When Jim ran up and claimed the deer, Roy said that such there and claims the fallen game as his own. What are your rights? Roy claimed that it belonged to him. Which hunter has legal title to the deer?

In this case the deer belongs to Jim. Jim was the first to stand it, and did so before Roy appeared on the scene. He had mortally wounded the deer and had it in such a situation that its escape was improbable if not impossible. The prevailing rule is that the instant a wild animal is brought under the control of a person so that actual possession is practically inevitable a vested property interest in it accrues which cannot be divested by another's intervening and killing it or reaching it first.

Jim had delivered the shot which so crippled the animal as to cause him to cease trying to escape, thus permitting Roy to walk up to the animal and deliver the finishing shot. Jim had effectually brought the deer under his control before Roy took a hand in the matter. The deer legally belonged to Jim and he can enforce his claim in court.

Lindly Golden Wedding Set Nov. 22

Mr and Mrs. George C. Lindly will observe their Golden Wedding Anniversary at an open house Nov. 22 from three to five o'clock in the O'Donnell Community House.

Hosts for the occasion will be their sons and daughters: Mrs. Carl Sanders, O'Donnell, H. B. Lindly of Lubbock, G. R. Lindly of O'Donnell, Mrs. Arvol Thompson of Kermit, J. C. Lindly of Levelland, Mrs. Carl Page of Lubbock, and Mrs. C. A. Moore of O'Donnell.

Granddaughters of the couple will register guests and preside at the table highlighted by wedding and family pictures. Crystal appointments will be used on a gold netting over gold satin cloth. A floral arrangement of bronze and gold Pom mums will be used as a centerpiece.

The former Miss Mary Ellen Hicks and Mr. Lindly were married Nov. 19th, 1912 in Hillsboro in Hill County by Horace Bishop, D. D.

Mr. Lindly is a long time farmer here and both have been active members of O'Donnell Methodist Church. The couple have 19 grandchildren and four great grandchildren. All relatives and friends of the family are invited.

Early Mailing Urged

The O'Donnell Post Office expressed its thanks to all for the fine cooperation during the year - especially last Christmas. The Office has several helpful hints about holiday mailing this year.

From Nov. 1 to Nov. 20th overseas shipments to Armed Forces should be completed. These parcels should contain a list of contents plus the address and your return address. Parcels and cards for distant states should be mailed no later than Dec. 10th to be delivered on time.

The use of 4c postage stamp on Christmas cards may contain written matter plus the priority of forwarding without additional charges. The use of a special delivery stamp will affect delivery on Christmas Day. The Post Office has issued a new 4c Christmas stamp that you may wish to place on your Christmas cards. The importance of a legible address is important since there was a heavy volume of Christmas mail in 1961 undelivered.

Your Post Office has had a number of inquiries about the new postal rates which will not go into effect until Jan 7th.

"PACKAGE" HOSPITALS ARE A DEFENSE MEASURE

Texas has 90 "packaged" hospitals on hand, ready for almost instant use following enemy action or a major natural disaster. Most of them are located at least 15 miles from assumed strategic target areas.

The hospitals, costing \$21,000 a piece, were provided by the federal Office of Civil and Defense Mobilization as part of a nationwide stockpile program. They are administered in Texas by the Office of Defense and Disaster Relief, with technical co-operation from the Texas State Department of Health.

Outgrowths of the mobile army hospitals developed and tested during the Korean War, they can be completely installed by 40 people in four hours. In one test exercise an installation was made in 70 minutes by experienced personnel. Local civil defense organizations in designated locations store and otherwise manage the hospitals and equipment. Emergency conditions such as the Cuban crisis are occasions for making sure the hospitals are in a high state of readiness. Each unit, already crated for instant shipment into stricken areas, is a complete 200 bed affair with facilities for three operating rooms, a pharmacy, x-ray service, clinical laboratory, sterilizing room, central supply room and electrical power supply.

The days of the horse are gone, but their value in Texas is greater than all the state's goats or all its hogs. Horses are generally becoming fewer yet Texas can still brag that it has the most, with the largest total farm value and worth more than the nation's average horse. Texas horses are valued at 31 million dollars.

'68 Chevrolet Trucks

THEY'VE ALWAYS BEEN TOUGH BUT NEVER STRONGER THAN NOW!

You can be sure that new engines, frames, suspensions that licked Mexico's Baja* Run will work for you long, faithfully and at traditionally low Chevrolet cost.

A Chevrolet truck has always been a sound investment because of its quality construction. This is what makes it give you an honest day's work every day at very low cost and—when you are finished with it—return more resale money to your happy pocket.

This year stronger frames, engines that can pull more, and practically tailor-made suspension systems make Chevrolet trucks a better buy than ever. If you're in the market now, we'd welcome the chance to tell you about, and let you drive, the new trucks. Just give us a call.

Soil testing is the best possible guide now available to help agricultural producers to get top production. General fertilization recommendations may be far accurate for many elements. With fewer acres in cultivation it is more important than ever that the most efficient production per acre be obtained.

This is the season of the year when the tempo of farm activities soar toward their peak. And, points out the Texas Farm and Ranch Safety Council, it is also the season when rural residents should put their best safety practices into use. Tractors and harvesting equipment are rolling, trailers, trucks and farm machinery are using the highways in record numbers and the chances for accidents are multiplied. Be careful and be around to finish the harvest, advises the Council.

Fall armyworms are still on the prowl in Texas. These insects may continue to be a problem until a period of prolonged cold weather.

It is time to think about next year's cotton planting seed, says Fred C. Elliott, extension cotton specialist. Cotton planting seed should be stored only in bins which have been cleaned thoroughly and regular checks should be made to see that insect pests don't move in.
