September 2nd Is Opening Date For O'Donnell Schools

Monday, September 2nd has been set as the opening date for O'Donnell public schools, according to announcements made this morning at a business meeting of the school board last Thursday evening.

Parents and patrons are cordially invited to attend the formal opening program at nine o'clock in the high school auditorium and students will register immediately after the close of the program.

Enrollment this year will be the largest in the history of local schools, records of the secretary's office showing a total of 515 students. Many of these, particularly in high school, are transfers from neighboring school districts. To more adequately care for transportation, the school board has recently purchased a new bus, a handsome Chevrolet with a special view in school colors of blue and gold.

Football Prospects Good.
Coach Ray DeBusk is most optimistic over athletic prospects, having said recently that some thirty-five or forty men have already been lined up for preliminary work for the football team. While they will be rather short in experience, their enthusiasm and willingness is expected to go a long way toward building up a team which will rival those famous teams of '34, '35, and '36.

With buildings and equipment in excellent repair and the addition of various new items in several departments, the school plant itself is ready for an active term. Further announcements concerning plans will be made from time to time.

The faculty, with some few changes, is much the same as last year, when the school enjoyed one of the most successful terms in years. Headed by S. F. Johnson as superintendent, the high school faculty will be composed of Mrs. Charles Cathey, Misses Nell Guthrie, Olea Moore, and Allene Nunnally; Messrs. Jack Snodgrass, Olin Hutz and Ray DeBusk.

In grade school, Mrs. Paul Goehs is principal, and other teachers are Mrs. Elizabeth Morris, Miss Mabel Harris, Mrs. Carl Reavis, Mrs. John Vermillion, Mrs. Fay Westmoreland, Misses Mary Paul Long, and Vergie Hanes.

Dorothy Giddings will again teach the colored school, there being 22 scholars for that school.

Mrs. L. N. Nichols and Miss Claire Ruth returned Sunday from a short visit with relatives in East Texas.

Hackney Makes Statement to Voters

TO THE VOTERS OF THE 106TH JUDICIAL DISTRICT:
After a week's delay waiting for the official checking, I am in the run-off in the race for District Attorney, and wish to take this means of expressing my thanks to the people of the 106th Judicial District for their expression of trust and confidence.

To you who helped put me in the run-off, may I ask your continued support. I deeply appreciate your friendship, your vote, and your influence. To you whose first choice did not win, I earnestly solicit your consideration and support in the second primary.

Covering the entire district in three weeks is an impossible task, but I shall try to see as many of you as possible before August 24th.

BURTON G. HACKNEY
(Paid Political Adv.)

HACKNEY WILL SPEAK HERE SATURDAY AT 2 P. M.

Burton Hackney of Brownfield, who will contest Rollin McCord in the August primary for the office of district attorney, will speak here Saturday afternoon at two o'clock according to information received from him Monday.

Results of this race in the first primary kept 106th judicial voters on their toes all last week. When returns were first compiled, it appeared that the run-off would be between McCord and Alton Freeman. Ballots were canvassed, however, with first Freeman and then Hackney in the lead for second place.

Official count Saturday resulted in placing Hackney in the second primary.

CHURCH OF NAZARENE HOLDING REVIVAL

Summer revival services at the local Church of the Nazarene began Wednesday night of this week, with Rev. and Mrs. George Gardner of Dallas in charge of services. A most gratifying attendance has been reported so far, but even better crowds are expected from now on.

The meeting will continue through August 18th. Services are being held twice daily, at ten each morning, except Saturday, and at eight each evening. Everyone is cordially urged to come and take part.

STRAYED: From my place near Welch, about two weeks ago, one 4-year-old blue horse, stringhalted in hind legs. Any information appreciated. Notify O. W. Lightfoot, Welch, Texas.

Railroads Pay Nearly Million A Day in Taxes

Class I railroads in 1939 paid \$338,445,076 in taxes to federal, state and local government, or an average of nearly one million dollars per day, according to American Railroads announced today.

This was the greatest amount for any year since 1929 when the railroad tax bill amounted to \$396,264,711, although the net operating income of the Class I railroads in 1939 was only about one-half of that ten years ago.

Railway taxes in 1939 were an increase of \$13,251,286 compared with 1938, and an increase of \$29,044,122 compared with 1937.

The railroads in 1939 paid in taxes 37.7 cents out of each dollar of net earnings before taxes as compared with 24.1 cents out of each dollar of such net earnings in 1929.

Taxes paid to the Federal government by the Class I railroads for the most part, represent income taxes for corporations and payroll taxes. The principal taxes paid to state and local governments are assessed on roadway and other property.

New Heat Record Set For July

A new record was made by the July heat. Maximum temperature of 109 degrees recorded July 10 is new absolute maximum over a 26-year period said Don L. Jones, superintendent of the Texas agricultural experiment sub-station in Lubbock.

There were two hot periods of the month, from the 7th through the 11th and the 22nd through the 26th, with temperatures climbing over the 100-degree mark.

Mean temperature of 82.6 degrees, 3.3 degrees above the 26-year average, Jones said.

No measurable rainfall was recorded in July. Other July data reported by Jones:

Minimum temperature, 56 degrees; maximum relative humidity, 64 per cent; minimum relative humidity, 34.5 per cent; total wind run, 4,384 miles; normal wind run, 4,500 miles; total evaporation, 10,545 inches; number clear days, 16; number cloudy days, 2; precipitation departure from normal, 1.97 inches minus; total precipitation, Jan. 1 to July 31, inclusive, 7.84 inches; normal precipitation for above period, 10.27 inches; departure from normal, 2.43 inches (minus).

SNYDER RODEO BOOSTERS VISIT O'DONNELL MONDAY

Accompanied by a typical cowboy band, several lasso-twirlers and dancers, and plenty of noise, a party of boosters for the Snyder Rodeo visited O'Donnell shortly before noon Monday, and extended a cordial invitation to everyone here to be on hand when that event is opened Thursday night with a street dance. The rodeo itself will be held Friday and Saturday, August 9-10.

A good time and plenty of prize money is promised, and we understand that a number of local people plan to attend.

ANKLE IS BROKEN IN WRECK SUNDAY

James Turner Barnes is in the market for some way to drive a car even though he has a broken ankle; if anyone has such a system, please contact him at once.

He received the injury late Sunday afternoon when his car overturned on the curve about four miles north of town. His companion Miss Wanda Zell Everett received a slight cut on the hip and sundry bruises and contusions, but was not otherwise hurt.

The accident occurred while the two were on their way to the Barnes home in the Wells community. Young Barnes' foot caught in the door, which burst open and then slammed shut. Passers-by quickly succeeded in righting the car and removing him from under the wheel after which he was taken to a lab-book hospital for medical treatment.

GOVERNMENT COTTON IS BEING MOVED TO PORT

A crew of ten or twelve husky workmen spent several days here this week loading cotton from the bonded warehouses here for shipment to Texas ports.

Mr. Frizell of the B and F warehouse is supervising the work.

Mr. and Mrs. Hafford Smith, Mrs. A. H. Koeniger and Miss Letta Merle returned Friday night from a short stay in the mountains of New Mexico.

Mr. and Mrs. Cliff Lambert have as guests this week her mother, Mrs. W. C. Alverson, and her sister, Hattie Dean Alverson, from Itasca.

To the Voters Of Lynn County:

I wish to express my appreciation to you for the good vote that you gave me in the July Primary. I have no ill feeling toward anyone, and I am sure that you would not even those who would persecute me or spitefully use me. That is your sacred privilege if you desire to do so.

Now, it has been rumored by some that I have withdrawn from the race. May I say here and now that all such reports are false. My father taught me when I was just a lad to always how my row out, so I am definitely in the race to the finish. I feel that this is a matter for the people themselves to decide and I am leaving it up to you, the people of Lynn County, to determine by your sacred ballot on August 24 whom you desire to serve you as your County Judge.

Due to the fact that County Judge is now in session and it having never been my policy to neglect my duties of office to promote my political ambitions, it will be impossible for me to see you personally during this run-off campaign, however, I will surely appreciate your vote and influence on August 24.

I promise you, if re-elected to the office of County Judge, to continue to render you honest, faithful, and efficient service. I shall strive at all times to represent the interest of the masses against the interest of the classes in the future just as I have done in the past. Again I thank you for all past favors and I hope to continue to serve you in the future.

As ever yours,
P. W. GOAD, County Judge
(Paid Political Adv.)

Miss Drusilla Casey is here from Pennwell to spend a few days with friends.

Mr. and Mrs. C. Bohannon and daughters of Knox City were weekend guests in the home of Mr. and Mrs. F. M. Page.

MISS RUTH SUDDARTH WEDS PRENTISS WINDSOR

Friends here have received news of the marriage at Tahoka last Friday of Miss Ruth Suddarth and Mr. Clyde Prentiss Windsor of Plainview, the ceremony having been held at the Methodist church at Tahoka with only members of the families present.

The bride is the daughter of W. E. Suddarth, and made her home here for several years. She is a graduate of the college at Canyon, and taught at Muleshoe last year. Though she was away at school much of the time, she has many friends among O'Donnell people, all of whom will join with us in extending best wishes for their happiness and prosperity.

MISS SOPHIA JEFFRIES
W. F. WHITE MARRIED

Miss Sophia Jeffries of Lamesa and Mr. W. F. White of this place were quietly married at the First Baptist church here Sunday after-

noon. Rev. J. A. Lunsford, pastor of the church, said the ceremony in the presence of only members of the family and a few friends.

The bride wore a becoming tailored ensemble in navy blue, with harmonizing accessories. She is

the daughter of Mr. and Mrs. George Jeffries, and graduated from Lamesa high school with the class of 1939.

Mr. White has been connected with Singleton Appliance company here for several years, and is much esteemed by friends here. The couple is at home in O'Donnell.

News was received here Friday of the birth of a daughter, Madge

Ella, to Mr. and Mrs. Wm. M. Rosister, Jr. of Albuquerque. N. M. Mrs. Rosister will be remembered here as Miss Irma D. Palmer.

TUESDAY BRIDGE CLUB
WITH MRS. WELLS

Mrs. E. T. Wells was the gracious hostess Tuesday afternoon to members of the Tuesday Bridge club. Mrs. C. L. Hafer won high score

consolation and bingo prizes going to Mrs. Wm. G. Forgy.

Delicious apricot ice and angel food squares were served to Mmes. Bradley, Campbell, Forgy, Hafer Hoffman, Hughes, Jordan, Noble, Whitsett, Thompson, Cathey, and Miss Thelma Palmer.

Mr. and Mrs. J. C. Christopher

and son of Pampa, accompanied by Mr. and Mrs. J. M. Christopher and Wayne, left last Thursday to spend several days at San Antonio.

Miss Nila Rae Miller attended a band concert in Brownfield Tuesday evening, the guest of friends there.

MANY THANKS

To you who helped put me in the run off for County Judge. Your continued support will be sincerely appreciated.

To you whose first choice did not win, may I take this means of soliciting your support in the election August 24th. If I am elected I shall do all in my power to prove my worthiness of your trust and confidence by FAIRNESS, EFFICIENCY, and ECONOMY, in the performance of the duties of the office.

THANKS AGAIN!

McCord and Hackney Will Run It Off
 Voters of the 106th judicial district hung up a record of some kind or other in the first primary, when for a week after the election nobody knew for certain which of two men, Freeman or Hackney, would be in the run-off with Rollin

McCord for the office of district attorney.
 The official count see-sawed back and forth until everybody—including the two candidates—had a first class case of the jitters. On the face of first reports, Mr. Hackney telephoned his congratulations to Mr. Freeman, and left on a fishing

trip. By Wednesday afternoon both had been in the lead two or three times by a margin of one, two and three votes. Mr. Hackney left the fish alone and came home. Now Mr. Freeman has gone fishing.
 But now Lynn county folks are congratulating themselves that three of the men who ran good races may be called homefolks, and that the two high men—so far—are Lynn county products. In view of the fact that both Tom Price and Burton Hackney are former residents of Lynn county, young Mr. McCord is to be congratulated on the splendid vote he polled.

County attorney for the past two terms, McCord has made more than his oath of office made it necessary for him to go against his own personal inclination, but when it has fallen cases to the best of his ability, he has gone ahead and done his best.
 Both McCord and Hackney have settled down to hard campaigning and results of the race will be awaited with much interest.

INTEREST IS GROWING IN LOCAL GOLF CLUB

With twenty-six members already enrolled and an avowed goal of thirty, interest in O'Donnell's Lakeside Golf Club appears to be increasing daily. Laying out of the nine-hole course a mile south and a miles east of town was practically complete Wednesday, according to reports from officials.
 R. O. Stark is president of the club, Stansell Jones secretary-treasurer, and directors are Bedford Caldwell, Marshall Whitsett, and Eldon Carroll.
 Members will pay nominal dues annually, but the course will be open to the public on payment of a small greens fee.

WELCOME HOME!

The many friends of Mrs. J. P. Bowlin and James will be glad to know that they are back at home again, having returned from Lubbock Tuesday.

GENERAL SHOWERS BRING RELIEF FROM HEAT WAVE

O'Donnell folks thoughtfully considered the perils of pneumonia Tuesday morning following breaking of the heat wave by fairly general showers Monday afternoon and night. Cool, brisk breezes and promising-looking clouds were a welcome relief after the sweltering heat of the past month.

While rainfall was hardly enough to insure crops, said several farmers Tuesday morning, there was

enough moisture to at least let row crops hold their own for several days. Estimates of precipitation ranged all the way from half an inch to an inch and one-half, just take your choice.

BUILDING NEW HOUSES

Work of clearing the site for three new rent houses was begun Wednesday morning, according to E. M. Heblson, who is building the houses for C. E. Ray. The houses will be small, but will have every modern convenience.

MARGARET GIBBS HOSTESS AT CLUB MEETING

Junior Sub-Deb club members enjoyed a delightful meeting last Friday afternoon in the home of Margaret Gibbs. Music and games were enjoyed during the afternoon. Refreshment of sandwiches, frosted cakes and cookies were served to Misses Myrtle Daniels, Juanita Cargal, Jo Anne Campbell, Alvilda Goughlight, Juanita Swinney, Joyce Edwards, John Ellen Beach, Minnie Jean Hodges.
 The next meeting will be Friday afternoon of next week, with Juanita Swinney and Alta Deane Fortner hostesses.

Miss Dorothy Miles spent the week-end in Big Spring with her grandmother, Mrs. F. O. Allen.

Mr. and Mrs. W. T. Huff spent the week-end with relatives in Comanche.

B. L. Parker was down Tuesday, just visiting around.

Mr. and Mrs. Perry Howard have as guests this week his mother, Mrs. M. L. Howard.

Mr. and Mrs. C. A. Eiland of Larmer were here on business Tuesday.

Mr. and Mrs. Fred Henderson are enjoying a fishing trip up in the mountains of northern New Mexico.

Miss Janice Gaitler is visiting her cousin, Miss Dimple Hancock, and other relatives and friends here.

Mrs. J. R. Miller and Truett Hodnett were in Lubbock Tuesday afternoon.

Mr. and Mrs. W. A. Hinkle and Emma Jo returned Friday from a trip back to Tennessee, and reported a most enjoyable vacation, without even so much as a flat tire to spoil the trip.

Mrs. Tex Johnson was here on business Saturday, and also visiting relatives and friends.

Raincoat With Eye Appeal

SUMMER frocks this season do not need to hide their light behind the bushel of an unattractive raincoat should clouds gather. This year, raincoats are designed with so much of style inspiration they are fitting companions to the love-liest of summer frocks. This one, of pastel colored silk, obtainable in all summer shades, has been waterproofed with a synthetic known as krossol which also makes it spotproof, stainproof and fire resistant. The fetching hood is no mean part of its charm.

to what owners say about the Silent Gas Refrigerator

Says Mrs. George S. Allison, Brady, Texas:

"For seven and one-half years we have had a very large size Servel Electrolux. Words can't describe its convenience on a ranch, for storing a lamb or half a calf, or as much as twenty pounds of butter, eliminating unnecessary trips to town. We have saved more than enough food to pay for ours."

"I have often kept vegetables garden-fresh more than two weeks," so says Mrs. Joe Faircloth, Ranger, Texas. "Servel Electrolux cold is dependable."

"How our Servel Electrolux makes ice!" says Mrs. Jesse Craft, Swenson, Texas. "All last summer I furnished a quilting club of sixteen ladies with plenty of ice—regularly."

"I make ice cream almost every day," says Mrs. R. L. Mistead, Hamlin, Texas. "It's so easy—and costs practically nothing in our Servel Electrolux."

- No moving parts to wear in its freezing system.
- Permanent silence.
- Continued Low Operating Costs.
- More Years of Dependable Service.

Part of every Texas oil dollar finds its way INTO YOUR POCKET

EVERY merchant in our State—every business and professional man—every worker, shares in Texas oil's huge expenditures. Many Texas cities with all their varied businesses and employment exist and prosper today because of oil. Last year petroleum created a direct buying power in our state of 550 million dollars. Of this, Texas retail merchants received 324 million dollars, landlords 44 million, utilities 38 million and professional men 22 million, while 83 million more went for insurance and savings. This huge sum is distributed and redistributed in an endless chain of income for our State and its people. Texas oil payrolls are over 60 per cent of all the wages paid to all Texas workers. Directly or indirectly, you get a part of your income from oil. *If you're a Texan, you're in the oil business.*
