MISS EDWYNA VERMILLION ENTERTAIN WITH PARTY

Miss Edwyna Vermillion was the
guest of honor at a party at the
home of Miss Maudine Crawford,
Wednesday evening.
Each guest bringing a beautiful
birthday gift. The guests assembled
at about 8 p. m., after a lot of snap-
y interesting games each boy chose
his partner and marched into the
dining room for refreshments.

Delicious Lolly Pop, cake and
suckers were served to the following:
Misses Kathryn Venzler, Margaret
Miller, Verma Mae Anderson, Evelyn
Lawler, Gwendolyn Lawler, Cleo
Lawler, Mary Dell Vermillion, Lois
Nelson, Maudine Crawford Edwyna
Vermillion, Messrs Jack Glenn
Cathy, Hobart Jordan, Newman Cad-
dell, Pete Crawford, Claude Tate,
John Vermillion, Lee Vaughn, Cecil
and Alvis Treway, J. Y. Everett,
Curtis McMillan.

Mr. W. M. Mask spent the week-
end with his family at Haskell.
Mrs. Arnold is the guest of her
daughter, Mrs. R. C. Carroll.

Entertaining Program Promised at Tahoka

Elsewhere in this paper you will
find a copy of the program which
will be held in the English Theatre
next Wednesday morning and con-
tinued in the building recently oc-
cupied by the Connolly Motor Com-
pany in the afternoon. If you will
study this program you will find that
it promises to be very entertaining
and instructive. We should feel for-
tunate in getting people of talent
such as we have on this program to
come to our city and help us put
over this wonderful program. It is
the duty of every man, woman and
school boy or girl of Lynn County
to attend these programs for the en-
tertainment and education which it
affords.

The people of Tahoka and
Lynn County should attend it to show
our respect and appreciation to the
people who have so graciously agreed
to come here and help us entertain
the great number of people who will
be our guests on that date. You
will notice that we have some of the
finest speakers and entertainers to
be had in this section of the state.
Some of which you would have to
pay good money to hear if they were
not on just such a program.

The entire program is free with
the exception of the luncheon which
will be free to all registered dele-
gates and to our own people upon
payment of \$1.00 for the registra-
tion badge. This registration badge
will entitle those outside of Tahoka
to vote for the election of the next
Convention City. Citizens of Tahoka
will not be allowed to vote on
where the next convention will be
held.

This Convention was brought to
Tahoka through the co-operation of
not Tahoka alone, but the various
other communities and towns in the
county. Wilson and O'Donnell helped
to bring the Convention here and we
appreciate their co-operation and
hope they will join with us in help-
ing to entertain the many who will
be here on April 24th.

Every person in Lynn County has
been placed on the Reception Com-
mittee and your duty is just that. Try
your best to act the part of a host
and meet just as many of the visitors
as you can and extend to them a heart-
ly welcome to Tahoka and Lynn
County and make them feel that they
are glad that they came and that
they will want to come to see us
again.

If the weather is favorable there
will be somewhere between eight and
twelve bands, choral clubs, glee clubs,
quartets, and various other organiza-
tions here for the convention. The
Boy Scouts of Tahoka will be on
duty to render whatever service that
may be called upon to do. This is
the real spirit of the Boy Scouts of
America and we should feel proud
to have this organization in our city.
The County Home Demonstration
Clubs under the direction of Miss
Greenwade will serve the Luncheon.
Miss Greenwade states that plans are
well made and that she is having
splendid cooperation. The Home
Demonstration Clubs are alive and
wide away or they would not be able
to put on such a program as this and
the Better Homes Week program as
has been put on here this week.

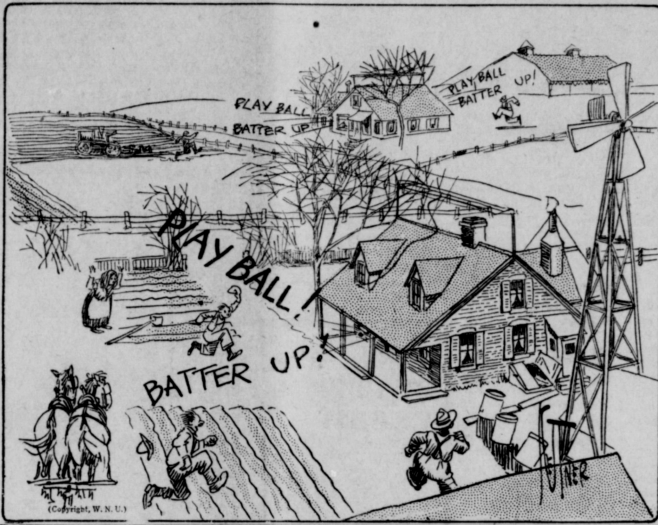

MISS EDWYNA VERMILLION ENTERTAIN WITH PARTY

Miss Edwyna Vermillion was the
guest of honor at a party at the
home of Miss Maudine Crawford,
Wednesday evening.
Each guest bringing a beautiful
birthday gift. The guests assembled
at about 8 p. m., after a lot of snap-
y interesting games each boy chose
his partner and marched into the
dining room for refreshments.

Delicious Lolly Pop, cake and
suckers were served to the following:
Misses Kathryn Venzler, Margaret
Miller, Verma Mae Anderson, Evelyn
Lawler, Gwendolyn Lawler, Cleo
Lawler, Mary Dell Vermillion, Lois

Cathy, Hobart Jordan, Newman Cad-
dell, Pete Crawford, Claude Tate,
John Vermillion, Lee Vaughn, Cecil
and Alvis Treway, J. Y. Everett,
Curtis McMillan.

Mr. W. M. Mask spent the week-
end with his family at Haskell.
Mrs. Arnold is the guest of her
daughter, Mrs. R. C. Carroll.

Spring Work Gets Its First Setback

Week of Community Festival and Civic Betterment Will Be Staged

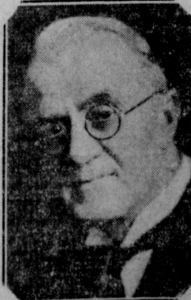

Rev. Toby to Speak Here Next Sunday

Arrangements have been made for
a service at the School Auditorium,
at 8 p. m., Sunday, April 21st, Rev.
A. R. Toby to speak.
Mr. Toby was educated at John
Tarleton College at Stephenville,
Howard Payne College at Brown-
wood, and at Southwestern Seminary.
He spent three years with a party of
United States engineers in the South
Sea Islands making a survey of those
Islands, after which he was returned
to the United States by the govern-
ment and stationed at Washington
City in the Secret Service depart-
ment of the government and assigned
to guard the White House thru the
administration of President Taft. Af-
ter this he resigned from the govern-
ment service and engaged in busi-
ness for a couple of years. He was
then licensed to preach and has been
in the service of the Baptist Church
since that time.

Mr. Toby is a strong speaker of the
evangelistic type and will bring our
people a great message on law en-
forcement.

CARD OF THANKS

We wish to thank the people of
Newmore and O'Donnell for the
kind help and donations we received
during and after the fire which de-
stroyed our home last week.
Mr. and Mrs. Marvin Shaw.

CAPT. C. S. NUSBAUM

Who will conduct a week's program
beginning Sunday, April 28th in the
interest of Community Betterment.
His programs are highly entertaining,
inspirational and constructive. So
don't fail to hear him at each even-
ing's program.

A week of Community Festival and Civic Betterment will be staged

O'Donnell, beginning Sunday, April
28th, and extending to May 4th, by
Capt. C. S. Nusbaum, nationally
known lecturer and town builder. It
will be a big get-together week for
town and community sponsored by
the Chamber of Commerce and busi-
ness men of O'Donnell who are co-
operating 100 per cent in the week's
program. The programs will be free
to the public each of which will be
inspirational and constructive, giving
the people of O'Donnell and commu-
nity a vision and suggestions as
well as plans in detail for an en-
larged organization of the Chamber of
Commerce.

Capt. C. S. Nusbaum, the lecturer
and community specialist, will give a
program each evening beginning at
8 p. m. at the Baptist Tabernacle
providing the weather is suitable and
if the weather does not permit,
the programs will be held at the High
School Auditorium. The first of
these programs will be on Sunday
evening, April 28th at 8 p. m. With
each of the programs plenty of music
and other entertainment will be pro-
vided that will amuse both old and
young.

Capt. Nusbaum will not use high
pressure methods, but in a series of
interesting lectures will present and
endeavor to solve problems that will
be a revelation to business men, citi-
zens and every interest of a town as
well as the country surrounding
from which the town draws. His
only returns will be what the meet-
ings are considered worth by those
sponsoring the movement. All citi-
zens are urged to attend these meet-
ings which are free.

Severe Hail Storm Does Damage Here

A severe hail storm that visited
O'Donnell and territory last Sunday
afternoon almost destroyed the fruit
crop in the territory covered by the
hail storm. The territory damaged
included the residence section of the
town and a narrow strip northwest of
town, ranging southeast from the
city. The fruit crop which was pro-
mised the best in several years in
this section suffered the heaviest
loss. It is conservatively estimated
that seventy-five per cent of the
fruit crop was destroyed. Hundreds
of acres of feed and some cotton had
already been planted but very little
of it was up, consequently the dam-
age to row crops was small.

New Ford To Be On Display Here

The Lynn County Motor Company,
dealers in O'Donnell for the Ford
Automobiles, announce this week that
they will have on display for one day
only, Thursday, April 25th, the New
Ford Town Sedan. This is the high-
est priced car in the Model A Ford
line, and this will be the first of this
model to be shown in O'Donnell.

"The Town Sedan" is a three-win-
dow automobile and is one of the
most luxurious, stylish and comfort-
able cars ever offered in the low or
medium field," states the local deal-
ers. The Town Sedan is distinguish-
ed from the Ford Town Car in the
respect that it is owner driven, while
the Town Car is modeled as a chauff-
eur driven car.

The Town Sedan is longer than the
other Ford passenger cars and the
interior is unusually roomy, making the
car a most convenient kind of family
conveyance, powerful to meet the re-
quirements of present day traffic
conditions. It has four doors, and in
appearance is most imposing.

The general public has a cordial in-
vitation to visit the show rooms of the
Company on Thursday and inspect
the new model, which will be on dis-
play on this date only.

MRS. GARNER ENTERTAINS W. M. S. LAST MONDAY

Mrs. Mack Garner was the charm-
ing hostess Monday afternoon to
members of the Women's Missionary
Society when she entertained them at
their regular social meeting.

An interesting voice program was
followed by Music from Mrs. Garner
and Mrs. L. P. Hardy.

"Delicious refreshments of ice cream
and cake were served to Mesdames
Johnston, L. E. Robinson, J. W.
Gates, Belle Knight, L. P. Hardy, Dee
Harris, Pierce, Ben Moore, J. P.
Bowlin, D. M. Estes, Bob Debenport,
R. O. Stark, Carey Shook, and Har-
vey Jordan.

Baseball Players-Fans Will Meet Monday

The Index has been authorized to
announce that all baseball fans and
players are requested to meet Mon-
day night at 8 p. m. at the City Hall
for the purpose of organizing a base-
ball team for O'Donnell.

All players, fans and supporters
at the City Hall on next Monday
at 8 p. m.

LITTLE OPPOSITION TO PAVING OF STREETS

Practically no opposition has been
heard towards paving the streets of
O'Donnell since the Index opened a
campaign for such a movement. As
we stated last week only one man
has told the writer he would vote a-
gainst such a proposition and since
our last issue we have consulted a
number of tax payers in regard to
the matter and every one who has
been asked the direct question, "Will
you vote for paving the streets of
O'Donnell?" has answered in the
affirmative. Less opposition has
been heard than the Index expected
to receive.

Paving the Highway from city lim-
its would eliminate the fear of hav-
ing the highway department leave
O'Donnell off the highway by short-
ening the route by going west of
the main business section, should
they see fit to do so. That alone
would be worth much to the property
owners of O'Donnell. That is some-
thing for you to think about.

Last week we opened the columns
of the Index to all who wish to dis-
cuss the proposition whether you are
for or against it. So why not ex-
press your opinion. Who will be
first.

W. F. Pelts Passes Away Thursday

As we go to press we are grieved
to hear of the death of our fellow-
townsman, Mr. W. F. Pelts.
Funeral services were conducted
at the Baptist church by Rev. Craw-
ford of Lamesa, apt interment took
place in the local cemetery.

Mr. Pelts was born in Georgia, De-
cember 1, 1846. He came to Texas
when he was twenty-one years of
age, and settled in Hood County,
where he married Miss Ellis Fowler,
on December 20, 1885. To this union
ten children were born, nine of
whom survive their father. Mr.
Pelts came to O'Donnell some four
years ago. He and his good wife have
endeared themselves to all who know
them, especially to the school chil-
dren.

A severe attack of influenza some
three months ago left him much weak-
ened. He took his bed last Friday and
had been very ill since death occur-
ing about three o'clock Thursday
morning.

He is survived by his wife, Mrs.
W. F. Pelts, of this city, and his
children, Mrs. Lela Reynolds, O'Don-
nell; John Pelts, Boscoe; Arthur Pelts
Ada, Okla.; Mrs. Mittie Akers, also
of Ada; Fred Pelts, Morton, Mrs.
Ruth Gilliland and Ben Pelts, Sweet-
water, Mrs. Winnie Watts, Seagraves
and Rochelle Pelts, O'Donnell.

The Index joins in extending deep-
est sympathy to the bereaved fam-
ily.

JUNIOR McLAUREN CELEBRATES BIRTHDAY

A birthday is always important,
but when it is one's fifth birthday,
that's an event. Any way, that's
Junior McLauren thought Monday
afternoon when his mother planned
a whole party just for him and his
new pony, Midget.

The pony was a source of entertain-
ment to the small guests, who
took turns riding him. After view-
ing the lovely gifts the children
played games on the lawn. Ice cold
pop, strawberry ice cream, and a
gorgeous birthday cake were served
to Charles and Billy Cathy, Allen
and Arvid Cornett, Lucile Moore,
Sonny Boy Bowlin, Mary Louise
Conway, Margaret Lucille Johnson,
Billie Jane Johnson, Elsie Bernice
and Billy Louise Etter, Nanelle Hart,
Wanda Bell Eyerett, Yvonne West-
moreland, Doris Cornett, Aubra Lee
Shook, Martha Marie Ayler, Nelson
Forkner, Mary Louise and William
Singleton, Shirley Mae Coon, Lena
Mae Singleton, Madeline McLauren,
Mesdames Johnson, Everett, Ayler,
Pierce, Shook, and Hart.

Miss Oma Farley, who is a student
in the Sanitarium at Lubbock,
spent the week-end with her parents,
Mr. and Mrs. A. C. Fairley. Miss
Oma has been one of the most popu-
lar and successful students in her
class, and will merit her diploma
which will be awarded her in May.

TIRES Vulcanized at Foster's, Inc.

**WEST TEXAS C.C. CONVENTION
TO BE LATER THIS YEAR**

**Dates Postponed Until Fall So That
President Hoover May Attend;
Was Set For May 13, 14 and 15.**

STAMFORD, April 11.—The 1929 Annual Session of the West Texas Chamber of Commerce will be held the latest in the year of any of the ten previous conventions as a result of the recent postponing of the dates until fall, in order that President Hoover may attend.

The President has expressed a desire to attend but has informed WTCC officials that it would be impossible for him to be out of Washington May 13, 14 and 15, the original dates set for the convention in El Paso.

Another celebration in which it is planned that the President participate was postponed to be held at the same time as the annual convention of the regional organization. This is the proposed unveiling of a monument to commemorate the 75th anniversary of the buying of the Gadsden Purchase, a strip of land amounting to 45,325 square miles of land now forming parts of Arizona and New Mexico, from Mexico.

WHY CRIME SUCCEEDS

In an article in the North American Review, Howard McLellan states that the cost of policing American cities has doubled within the past ten years, while during the same period of time crime has increased faster than ever before in our history.

The cost of providing protection for persons and property now totals approximately \$6,000,000,000 a year. In Mr. McLellan's opinion, the reason for failure to cope with crime is police inefficiency caused by the lack of a unified system such as prevails in England.

We have a great number of forces, all working separately, while in that country the celebrated Scotland Yard is at the disposal of all communities.

It is interesting to note that Governor Roosevelt has recommended such an organization to serve the state of New York and almost every penologist and criminologist has testified to the need of a centralized police force.

Unfortunately this is but one of many changes that are necessary if we are to successfully cope with the criminal class. Probably the principal deterrents to law enforcement are the conflicts and absurdities and technicalities that perplex our entire legal structure. Instead of a few workable and necessary laws, we pass such legislative hodgepodge as the anti-poll ordinances, which do more harm to the good citizen than to any one else.

Many authorities have repeatedly pointed out the palpable laws in our legal system. What we need is science, not sentiment, and law enforcement, not a legal burthen.

**SHADOW-ADDER COUNTS
PEOPLE AS THEY PASS BY**

A shadow adding machine that clicks the number of people passing a given point has recently been perfected. Persons to be counted are routed past a beam of light, and as the body of each interrupts the beam and casts a shadow a sensitive relay operates a meter such as is used by street car conductors in registering fares. The shadow counter is built around a "photoglow" tube.

**UTILIZATION OF STRAW
FOR INSULATION BOARD**

The utilization of wheat straw for insulation board is now a practical process and this year one factory at St. Joseph, Missouri, has purchased 30,000 tons of straw which is being manufactured into insulation board at the rate of 125,000 square feet daily, according to Prof. O. R. Sweeney, Iowa State College.

It has been found that wheat straw after steel fingers in a shredder have separated it, produces long tough fibres which can be fabricated into a board that has great structural strength and will provide insulation in building that saves 25 to 40 per cent in fuel for used heating.

The practical application of insulation is recognized by engineers everywhere and farmers, too, are learning that insulation of poultry houses, hog houses and other buildings brings direct returns in saving of feed and fuel.

A hen will brood from 10 to 15 chickens successfully early in the season and from 15 to 20 in warm weather, depending on her size.

One of the best temporary pasture crops for sheep where the soil is thin is the soy bean. This crop has the desirable ability to make new growth after being grazed and can be pastured from July until the first frost.

The Boy Scout

Act I—Place: Store.
Characters: L. A. G. C. James, Marvin, Billy, Clark, Scoutmaster.
G. C.: How much is this flag worth?
Clerk: That flag is worth thirty five cents.
G. C.: I'll take that one.
L. A.: How much is this badge worth?
Clerk: We have them from twenty to seventy five cents.
L. A.: I'll take one for sixty five cents.
Clerk: (Wrapping up badge and hands it to L. A. Your bill is thirty-five cents.

ACT II
Place: City Hall.
Scout Master: G. C. that is a good flag you have. (How much did it cost?
G. C.: It cost thirty five at the Drug Store.
Scout Master: I want everybody to get a flag and badge at the Drug Store.

ACT III
Place: Drug Store.
Characters: G. C. L. A., Billy and Marvin James.
Billy: I would like to buy some scout things.
Clerk: Right back here, boys.
G. C. This boy wants to get a Scout Flag and a badge and a scout book. (Clerk wraps up the things.)
Billy: How much is this flag worth?
Clerk: That one is worth thirty-five cents.
James: How much is this book worth?
Clerk: wraps up book and hands it to James. Your bill is fifty cents, James.
Marvin: How much is this badge worth?
Clerk: It is worth sixty-five cents.
Marvin: I'll take it then.
Clerk wraps it up and hands it to Marvin.
L. A.: That is all for us today.
—W. L. Parr.

Mary Helen Goes Shopping
ACT I
Place: Mary's home.
Characters: Mary and Helen.
(Mary and Helen are playing dolls in the bed room.)
Mary: Helen I need a new doll dress for my doll don't you?
Helen: I need one too let's go to town and get some goods for them.
Mary goes and asks her mother if she can go to town.
ACT II
Place: At town in the store.
Clerk: What is it for you please?
Mary: We want some of this twenty-five cents over here.
Clerk: How much?
Mary: Two yards, please. How much will that be?
Clerk: Fifty cents.
Clerk: I thank you.
ACT III
Place: Mary's home.
Mary: Now we have our goods and we must make our clothes.
Helen: Go and get a pattern from your mother.
(Mary goes to her mother and gets a pattern.)

THE ACCIDENT

One morning Fred and Tom wanted to go fishing so they got their fishing poles ready while their mother fixed their lunch. While on the way to the creek they stopped and dug some worms for bait.
When at last they came to the creek they threw rocks in the water and the boy that threw the farthest got to set on the limb that hung over the water.
When Tom Climbed out on the limb the cork in the water began to move about and he was excited so that he broke the limb.
And at that moment a farmer passing by and saw the boy and waded out in the water and got the boy and carried him home.
After he had got home his mother wrapped him up in a quilt and set him by the fire to dry. She thanked the farmer.

THE Looking Glass

Art, 'tis said, holds a mirror up to nature. Similarly, advertising holds a mirror up to industry. Every time you read the advertisements you get a glimpse of the world of merchandise, as a whole—on display for your information.

Can you afford to ignore this daily exhibition of goods and service? Not very well. Business changes rapidly. New and better products outmode old ones. Nearly every day some scientific improvement, some "better way" or new convenience is announced in the advertising columns of your paper. You shouldn't miss these things—they are milestones in the forward march of civilization. Adding comfort and smartness to the home—contributing zest and flavor to the science of joyful living.

Cultivate the habit of reading advertisements. Read them every day. Gather the information that helps you compare and choose wisely when you buy. Be up to date.

ADVERTISEMENTS FORM THE MIRROR THAT REFLECTS THE PROGRESS OF INDUSTRY.

DOING IN WEST TEXAS

Enterprise, local weekly has changed hands, Geo. Breckenridge becoming the paper which Ralph published twenty years

ago, and has been managing ever since. No change will be made in the personnel of the organization.

BRECKENRIDGE school children are taking part in the Clean-up program being observed in the town this week. They spent their time beautifying the school campuses and buildings, along with the rest of the town. The observation was started off with a parade in which every school was represented.

STEPHENVILLE will soon have its new Movie Talking Machine installed and vitaphone pictures will be shown. This necessitated the remodeling of the projection room. Several big features of the modern talkies have been booked.

BRADY'S Chamber of Commerce Secretary points out that 10 Wolfe Clubs have saved the Heart O' Texas area \$2,000,000. Clubs in McCulloch, Comanche, Brown, Mason, Kimble, Runnels, Calahan, Coleman, San Saba and Taylor Counties have collected 2400 wolves and 1000 wildcats.

Messrs E. M. Whitaker, Charles Miller and L. B. Campbell of the staff of the West Texas Chamber of Commerce were in our city two days last week looking after the various interests of the Organization. Mr. Miller was here in the interest of the South Plains Convention which is to be held here next Wednesday, April 24th. He stated that the prospects were good for the largest Convention ever to be held in this District.

Practically every town on the South Plains has notified the Secretary of the Tahoka Chamber of Commerce that large delegations are going to attend the Convention from each town. The "My-Home" speaking contest has received great interest and twenty entrants are expected before closing time, which is midnight of April 23rd. Slaton has reported that they have held a local contest to select their representative who will represent their city at this Convention at El Paso.

A splendid program has been prepared. The program will be of special interest to the farmers and all interested in the Agricultural development of the South Plains. Messrs. B. M. Whitaker, Manager of the Agricultural Department of the West Texas Chamber of Commerce and Col. C. C. French of the Ft. Worth Stockyards will be on the Agricultural Program. Both of these men are spending their full time toward the development of the Agricultural resources of West Texas.

Tahoka has prepared to be a real host to the visitors on that date, and the town has been decorated and the city will be thrown open to the visitors.

AMERICA'S FIRST RAILROAD WAS LOCATED IN THE SOUTH

The First Successful Steam Locomotive in the United States was put Into Operation by a Southern Railroad.

In his search for facts relating to the industrial development of the Southern states, Arthur Coleman, Associate Editor of Hollands' The Magazine of the South, learned that the first railroad in the United States chartered for general use was in the South. Beginning with a brief mention of the historic "Tom Thumb"

locomotive, followed by the "Best Friend," which exploded after six months of successful operation on the South Carolina Railroad. Mr. Coleman brings his readers down to modern Southern good roads and airways and show what the South's transportation system means toward developing Southern business.

In the current issue of Hollands' The Magazine of the South, he states that over 34 per cent of the total mileage in the country is in the Southern states and that since 1860 the South has shown an increase in railroad mileage of 845 per cent, as against 165 per cent for all remaining states. The first steamship to cross the Atlantic, according to Mr. Coleman, was owned by Savannah capital and sailed from Savannah, Georgia. He says that last year Southern export values more than double those of the Pacific coast, while import values through Southern ports, in the past quarter century, increased more than 840 per cent as against approximately 350 per cent for all remaining parts in the Nation. Southern ports handle 42 per cent of the country's total water-borne tonnage. Export values from Galveston and Houston alone exceed the combined ports of the Pacific Coast. Navigable rivers of the South handle over 17,250,000 tons of commerce annually. Texas buses carry 4,500,000 passengers annually, and operate over 21,000 miles of highway. In 1928 there were, in the Southern states, a total of over 2,900 miles of air mail routes and more than 300 air ports and landing fields.

"As these various phases of the commercial world are expanding, so is expanding this entire region—industrially, socially, economically—rising high and shoulders above every other section of the Nation until its preeminence, so swiftly and so soundly attained, is the wonder of the United States today. But as its people prosper in the world of business and trade, they are giving thought, too, to those things in life which make for cultured and happy minds; for beauty and charm and grace of living. They are giving their attention more and more to the planning and esthetic improvement of their cities and their towns and even their rural sections. Their forethought is repaying them richly in dividends immeasurable in terms of

financial gains; and, as is always true when men do worth-while things without thought of money, they are being repaid in money, also. Money which, in turn, is put back into further service for an appreciative people."

Medical remedies have thus far proved of no value in curing infectious abortion of cattle, and cattlemen must rely on excluding the disease from healthy herds and suppressing it in herds already infected, says the U. S. Department of Agriculture. The disease can be detected in animals by two different blood tests. Farmers' Bulletin 1536-F, procurable from the Department of Agriculture, contains practical information on this problem.

A good-sized piece of seed potato is preferable to a small-sized piece. Seed pieces with 1 to 3 eyes and weighing 1 to 2 ounces will, if planted from 12 to 14 inches apart in the row, give better results than smaller pieces cut to single eyes. Cut seed pieces are liable to rot if the ground is cold and wet after they are planted. Under this condition the small-sized pieces will not furnish as much plant food to the young plant as the larger pieces and they are also more likely to dry up and fail to germinate if the ground is very dry or poorly prepared.

About 450,000 electric irons are used in Texas homes. This is the most widely used electrical appliance.

SPRING SHOWING

See the
NEW CHEVROLET SIX
- a Six in the price range of the four!

You are cordially invited to visit our special display of the new Chevrolet Six—arranged in conjunction with the nationwide Spring Showing of General Motors cars.

Here, in a price class that has hitherto been occupied exclusively by four-cylinder automobiles, you will see displayed a line of beautiful models that bring you every advantage of six-cylinder performance. Yet, due to the greatest array of mechanical advancements that Chevrolet has ever announced, the new Chevrolet Six delivers better than twenty miles to the gallon of gasoline with extremely low oil consumption.

And this amazing six-cylinder performance is matched in impressiveness by the beautiful new Fisher bodies. Come in. See for yourself that no other car in the world can give you so much at prices within the reach of all.

CONSIDER THE ANT
He never pays rent. He doesn't move from place to place, month after month. He builds his home. Day after day, week after week, he digs away until he has a commodious and comfortable habitat. And—**His Home is His Castle!** He loves it. He will defend it to the death. Woe to the enemy that intrudes.

WHY?
not be as wise as the ant. Why not build your own home? We can help you plan it. We can help you finance it. And when completed it will be commodious and comfortable. It will be your Castle.

SCHOOL NEWS

Professor Zanni "The World's
Greatest Magician" will be here Fri-
day the 19th at the High School Au-
ditorium at 8:30 p. m. Every one
invited to come, admission twenty-
five and thirty five cents.

The seventh grade have begun
working on their graduation exer-
cises. We are very proud to have Lois
Ash as our valedictorian and Ray-
mond Debenport as our Salutatorian.

One of the cleverest programs pre-
sented in chapel this year was given
Thursday morning by Miss Rodgers'
room. The main number was a play
entitled "The Pink Parrot." The
characters were as follows:

- Captain Zip—L. A. Green.
- Harvey Crawford—Hee Hee.
- Earn Tune—Ha Ha.
- Merl Miles—Ho Ho.
- (Pirate brothers and sisters)
- Mr. Burkum—G. C. McPherson.
- Ebenezer—Parrot's owner—W. L. Parr.

Tweedies, bootblack—Cullen New-
some.

Other retired pirates and their
sisters—Pearl Tune, Donald Ballew,
Billy Sutton, Jimmie Shoek, Lucille
Lawler, Monette Mansess and Rox-
cene Terry.

The Parrot—Norma Ruth Vermil-
ion.

The following pupils in the high
fourth and low fifth grades have
made 100 in spelling every day for
the past week: Dorothy Walls, Mar-
garet Vermillion, Ray De Busk, Rob-
ert Gary, Bob Cowden, Frances Fos-
ter and Roy Elnio Everett.

Mrs. Martin's room, the low 7th
grade, R. E. Barnett has the honor
of making the highest grade in the
arithmetic examination this month.
This is also the highest grade made
in the room on examination. The
grade was 99.

In the High 6th the following pu-
pils made 100 on their monthly spell-
ing examination: Kitty Mae Garner,
Veda Shumake, Lawrence Tredway,
Wayne Clayton and Lorene Beach.

N. B. Cathey and daughter, Mrs.
Zettie Preston, of Portales, N. M.,
visited Mr. and Mrs. W. S. Cathey
early in the week.

BAPTIST MISSION STUDY INSTITUTE

The Brownfield Association W. M. U. will have its annual Mission Study Institute at Brownfield on April 25 and 26.

The purpose of this Mission Study Institute is to train women of our churches who will come back home and help to organize and carry on the W. M. U. The W. M. U., when fully graded, has an organization for children and young people of all ages, as well as for the women. Thus the women have the privilege of training in missions and of studying how to promote missions. Mission Study also emphasizes Prayer, Stewardship and Bible Study.

The W. M. S. and Y. W. O. will have their class together and will study "The Story of Missions" by White. This class will be taught Mrs. E. W. Providence of Lubbock. The Intermediate Workers will study Livingston the Pathfinder by Matthews, and their teacher will be Mrs. H. P. Cavensness of Tahoka. The Junior Workers will study "The Upward Climb" by Sara Haskins, and their teacher will be Mrs. Joe Wilson of O'Donnell. The Sunbeam Workers study "The Call Drum" (Teacher's Edition) by Entwistle and their teacher will be Mrs. E. C. Foster of Slaton.

These books may be had from the Baptist Book Store, 1019 Main St., Dallas, Texas. The price of the first book is sixty cents and the price for each of the other books are seventy five cents. Please get these books and read them before you come to the Institute. If it is not possible for you to do this we will have some books for you to get at the same price at the Institute.

The following is the suggested program:

Morning

- 9:30-10:15—Class Period.
- 10:25-12:35—Recess.
- 10:35-10:55—Devotional.
- 10:55-11:50—Class Period.
- 12:00—Lunch.
- 12:10-12:30 — Inspirational Ad-
dress—Miss Annie Long.

1:00-1:55—Open Class: The why and how of Mission Study—Mrs. E. W. Providence.

- 1:55-2:05—Recess.
- 2:05-2:55—Class Period.
- 2:55-3:05—Recess.
- 3:05-4:00—Class Period.

We will have an address on the night of April 25. Come and stay for all of it if possible, but if necessary you can come each day from home.

Let us make this Second Annual Mission Study Institute one which will greatly advance Christ's Kingdom among men.

Mr. and Mrs. N. M. Wyatt of Tahoka spent the week-end with Mrs. Wyatt's parents, Mr. and Mrs. W. L. Rodgers.

OF ALL KINDS
O'DONNELL, TEXAS

KNOW TEXAS

Most of the Texas honey crop comes from cotton blossoms and the millions of acres of cotton put Texas in second place in honey production, excelled only by California.

Texas leads the United States in the number of domestic livestock animals on farms and ranches.

Two Texas counties—Brazoria and Matagorda furnish most of the world's sulphur.

In addition to the public schools and state supported higher institutions of learning, there are in Texas more than 100 educational institutions of university, college and sub-college rank supported by churches, private individuals and endowments.

Messrs B. M. Whitaker, Charles Miller and L. B. Campbell of the staff of the West Texas Chamber of Commerce were in our city two days last week looking after the various interests of the Organization. Mr. Miller was here in the interest of the South Plains Convention which is to be held here next Wednesday, April 24th. He stated that the prospects were good for the largest Convention ever to be held in this District.

Practically every town on the South Plains has notified the Secretary of the Tahoka Chamber of Commerce that large delegations are going to attend the Convention from each town. The "My-Home" speaking contest has received great interest and twenty entrants are expected before closing time, which is midnight of April 23rd. Slaton has reported that they have held a local contest to select their representative who will represent their city at this Convention and also at the General Convention at El Paso.

A splendid program has been prepared. The program will be of special interest to the farmers and all interested in the Agricultural development of the South Plains. Messrs. B. M. Whitaker, Manager of the West Agricultural Department of the West Texas Chamber of Commerce and Col. C. C. French of the Ft. Worth Stockyards will be on the Agricultural Program. Both of these men are spending their full time toward the development of the Agricultural resources of West Texas.

Tahoka has prepared to be a real host to the visitors on that date, and the town has been decorated and the city will be thrown open to the visitors.

WEST TEXAS C. C. CONVENTION TO BE LATER THIS YEAR

Dates Postponed Until Fall So That President Hoover May Attend; Was Set For May 13, 14 and 15.

STAMFORD, April 11.—The 1929 Annual Session of the West Texas Chamber of Commerce will be held the latest in the year of any of the ten previous conventions as a result of the recent postponing of the dates until fall, in order that President Hoover may attend.

The President has expressed a desire to attend but has informed WTCC officials that it would be im-

possible for him to be out of Washington May 13, 14 and 15, the original dates set for the convention in El Paso.

Another celebration in which it is planned that the President participate was postponed to be held at the same time as the annual convention of the regional organization. This is the proposed unveiling of a monument to commemorate the 75th anniversary of the buying of the Gadsden Purchase, a strip of land amounting to 45,535 square miles of land now forming parts of Arizona and New Mexico, from Mexico.

COMMUNITY CONFIDENCE IS A VALUED ASSET

Upon the confidence which the people of this community have in its present and its future, depends on the growth and prosperity of each one of us.

Confidence leads on to all worthy developments which tends toward making this community a better place in which to live.

Confidence in the ability of the local business men to supply our needs with reliable merchandise at reasonable prices is likewise a most important factor in the prosperity of the community. Since it is of such vital importance to all of us to keep our confidence in our neighbors and their confidence in us, let us each do every possible thing to warrant confidence. It will help up to build our home community into a busy prospering town—a home town of which we will all be proud.

BRADY'S Chamber of Commerce Secretary points out that 10 Wolfe Clubs have saved the Heart O' Texas area \$2,000,000.00. Clubs in McCulloch, Comanche, Brown, Mason, Kimble, Runnels, Calahan, Coleman, San Saba and Taylor Counties have collected 2400 wolves and 1000 wildcats.

BRECKENRIDGE school children are taking part in the Clean-up program being observed in the town this week. They spent their time beautifying the school campuses and buildings, along with the rest of the town. The observation was started off with a parade in which every school was represented.

LUNCHEON CLUB TO ENTERTAIN CITY SCHOOL FACULTY

LAMESA—The Lamesa Luncheon Club has arranged to entertain the local city school faculty and the wives of the members. A committee headed by Owen C. Taylor, Dyrel Kirk and C. M. Borden will arrange a program for the occasion and K. G. Weeks, C. H. Hurst and J. L. Teal will make arrangements for the tickets and place of meeting. More than 100 are expected at this meeting. The date will likely be Monday the 22nd, and the program will be held in the evening of this date. An invitation has gone out to John Lee Head of the chair of Public Speaking of the University of Oklahoma to be the principal speaker for this occasion.

Billy Dale, infant son of Mr. and Mrs. B. A. Yarbrough of Wells, is seriously ill with whooping cough.

THE STATE OF TEXAS) COUNTY OF LYNN)

IN THE 106TH JUDICIAL DISTRICT COURT, LYNN COUNTY, TEXAS, C. L. Davis, Plaintiff, vs G. A. Haney, Defendant, No. 747.

WHEREAS, by virtue of an execution issued out of the Honorable District Court, in and for the 106th Judicial District, Lynn County, Texas, on a judgment rendered in said court on the 22nd day of February, A. D. 1929, in favor of the said C. L. Davis, and against the said G. A. Haney, No. 757, on the docket of said Court, I did, on the 1st day of April, A. D. 1929, levy upon the following described lots, tracts, or parcels of land, situated, lying and being in the County of Lynn, State of Texas, and belonging to the said Defendant, G. A. Haney, to-wit:—

- (1) LOTS Nos. 10, 11, 12 in Block 59, town of O'Donnell, Lynn County, Texas; known as the old Haney home place;
- (2) LOTS Nos. 17, and 18, in Block 104, town of O'Donnell, Lynn County, Texas; business lots on 9th street;

Lynn Theatre Sunday & Monday Esther Ralston in "Case of Lena Smith"

(3) LOTS Nos. 1, and 2, in block 118, town of O'Donnell, Lynn County, Texas; known as Highway Garage property; And on the 7th day of May, A. D. 1929, being the first Tuesday of said month, between the hours of 10-00 o'clock A. M., and 4 o'clock P. M., on said day, at the Courthouse door of said County, I will offer for sale

and sell at public auction, for cash, all the right, title, and interest of said G. A. Haney, in and to said property.

Dated at Tahoka, Texas, this 2nd day of April, A. D. 1929.

The New Ford TOWN CAR

WILL BE ON DISPLAY AT OUR SHOW ROOMS

Thursday, April 25th

A special invitation is extended to all to visit us on the above date and see this new model—the highest priced car in the Model A Ford line.

This new car has all the refinements and qualities embodied in the highest priced cars. The body is designed after the small chauffeur-driven cars of France, and represents the first high quality body to be mounted on a small chassis in this country.

WE WILL HAVE THIS CAR ON DISPLAY FOR **ONE DAY ONLY**

Visit our show rooms and see this new model "A" Ford

Lynn County Motor Co.

"FORD DEALERS FOR FORD SERVICE"

LETTER FROM MISSIONARY IN CHINA

The following letter was received from a missionary in China and gives the reader some idea as to Chinese life. The letter follows:

C. P. O. Box No. 1234, Shanghai, hChina, February 15, 1925.

Dear Editor:

We are in the midst of the Chinese Big feast—Chinese New Year. Every one's birthday comes on this day. Should a child be born in even the last hour of the last day of the old year it would be two years old on New Year. New Years came on Sunday, February 10th. Every store was closed. All work stopped. But it was not quiet! It was like many Fourth of July's in one. Oh! the fire-crackers! At midnight I was awakened by a vast broadside of large and small fire-crackers and they kept it up for days. In the morning the ground was covered as by red snow—the "Confetti" of exploded fire-works. Fire crackers are but a part of the feast—the noisy part.

The last day of the year everybody is busy—the men at closing up their accounts. All bills must be collected and all debts paid. Woe be to the man who does not pay his debts. The women are very busy. The house must be made as clean as a pin and decorated, and the brooms hidden—bad luck if they appear on New Year. Before the New Year sun rises all kinds of food must be gotten ready! Guests many will come during those days and they must be feasted. Few people see slumber the last night of the old year. But when the sun rises, calm reigns over the household. As one walks out between 6 and 9 a. m. the whole town is asleep. Sunday indeed! But excitement arouses them and about 10:00 o'clock you'll find the streets alive with people dressed in their best "bib and tucker" and you hear, "Kong Hui Fah dzai!"—"Congratulations and abounding wealth to you!" shouted from one to another. The closed doors are plastered with appropriate sayings, written on blood-red strips of paper. Go to open spaces of the city and see crowds encircling puppet shows, acrobats, monkey performers, squir-

ring dragons, entertainers of all kinds, and pedlars of sweets and children's toys—Vanity Fair! Go to the temples and you find thousands burning incense and candles before all the idols, praying for wealth, old age and bliss.

One interesting god connected with the New Year is the god-of-wealth which is worshipped especially on the 5th—his birthday. The money spent on fire-crackers in his honor would pay China's national debt. Few begin work again until he is properly worshipped. Another is the kitchen-god. He is a paper god and sits over the stove in the kitchen where he spies on the doings of the family for a year. On the 23rd of the 12th month he is given a big feast. Sweet syrup is put on his mouth and he is put in a beautiful paper sedan chair and burned in glorious style, accompanied by fire-works—which is sending him to the Upper-god to report on their year's doings—all this fuss and sweetness is to bribe him to speak well of their family to his majesty. When he returns on the last night of the old year—a new idol is brought and placed with little ceremony—in the old nich—it will be a year before he reports again—why "taffy" him now?

Next to idol-worship gambling takes a big place in New Year celebrations—gambling everywhere! What they eat and drink, and the fire-crackers, and gambling, all in some way or other, symbolize or point to the sound "Kao-sen"—excelsior! in the sense of rising high in wealth and station—especially in wealth. It's indeed a wonderfully interesting time and is indulged in even by beggars—for they receive a harvest of alms.

The Nationalist Government ordered that Chinese New Year should not be observed this year. It might as well have tried to turn back the greatest tidal wave of history! National commands stop the observance of Chinese New Year's customs? Only by the conversion of these people to Christ will stop this idol worship and lead to the worship of the true God. And to us the glad part of it that each year more leave the false and adopt the true as the Chinese one by one are born anew. We are not dis-

couraged. Pray much for China. Kindest regards and best wishes, Yours in Christ's glad service, (Rev) H. G. C. Hallock.

MONTHLY REPORT OF STATE TREASURER W. GREGORY HATCHER

For the month of March showing total receipts \$17,828,444.68; Disbursements 16,450,972.52; and balance in treasury of \$28,372,570.86; This report gives balance in seven of the more important funds as follows:

General Revenue Fund
Receipts \$7,902,292.68; Disbursements \$8,161,610.05; Cash Balance \$4,358,454.64 with outstanding warrants estimated at \$1,165,678.40.

Available School Fund
Receipts \$5,036,940.96; Disbursements \$4,880,638.63; Cash Balance \$5,022,168.36. Estimated outstanding warrants \$375,177.90.

Permanent School Fund
Receipts \$341,110.31; Disbursements \$33,889.62; Cash Balance \$641,625.67; Estimated Outstanding Warrants \$182,056.75.

Confederate Pension Fund
Receipts \$805,079.72; Disbursements \$566,415.00; Cash Balance \$626,467.33; Estimated Outstanding Warrants \$73,210.83.

State Highway Fund
Receipts \$3,482,950.28, Disbursements \$2,364,779.12; Cash Balance

\$16,468,669.23; Estimated Outstanding Warrants \$467,880.92.

Special Game Fund

Permanent University Fund
Receipts \$136,006.01; Disbursements \$223,679.69; Cash Balance \$31,284.08; Estimated Outstanding Warrants \$78.13.

All Other Funds
Receipts \$110,026.01; Disbursements \$141,156.44; Balance \$783,585.58; Outstanding Warrants \$160,618.99.

The spotted garden slug makes trouble for the gardener by feeding on plants at night and then hides in the daytime, making it very difficult to destroy the pest. Garden slugs, whose work can be detected by the trail of slime they leave behind, thrive in dark, damp places, such as under old decaying lumber and refuges, and places such as these in the garden or field should be cleaned up and sprinkled with lime. Where practicable, lime should be applied directly to the areas and plants on which the slugs are feeding. Many people think the garden slug is an insect, but it is really a mollusk and related to the snail.

Texas has about 600 miles of street railways.

TEXANS!
let's talk Texas

—and make 1929 the most active year Texas has ever experienced

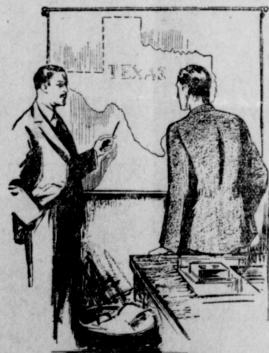

THIS IS an appeal to every Texan to study closely and understand thoroughly the possibilities of his state, and to pass on this understanding to every person with whom he comes in contact, so that everyone who seeks a location for a home, an office or a factory will know exactly what Texas has to offer him. Then Texas will ascend to her just place of leadership. But we must talk Texas—all the time.

Manufacturing must move to the doorways of large markets, where raw material, favorable transportation facilities, taxes and labor supply combine with abundant and economical electric power to afford ideal locations.

Texas cities and towns served by this Company supply each of these needs for a host of industries, but, since physical advantages do not always determine the selection of industrial locations, certain other vital things must be thrown into the balance.

Sound exploitation must be persistently used. The manner in which Texas tells its story will determine its industrial accomplishments in 1929.

The Texas Electric Service Company, employing several hundreds of Texas men and women, endeavors to give each of

them a clear conception of the natural resources of Texas and to impress upon them the importance of their development. Basically the purpose of this Company is to render an electric service to a large number of Texas cities and towns.

Having done this, and having charted courses of growth that anticipate vast developments in the Texas of tomorrow, this Company feels that its duty to Texas extends still deeper. Therefore it is telling the story of Texas' advantages to industries through the use of paid advertising in sectional and national trade magazines. The purpose of this advertising is to stimulate the movement of industries to Texas.

TEXANS LET'S TALK TEXAS

For many years the Texas Electric Service Company has worked not only to serve an appreciative public but to help build a greater State.

Texans! Let's make 1929 the greatest year of sound development Texas has ever had.

TEXAS ELECTRIC SERVICE COMPANY

The Silent Partner of Progress

Now is the time to fix up your **MODEL T FORD**

RIGHT now, after winter lay-ups and winter drive the time to go over your Model T and find out just what it needs in the way of replacement parts and adjustments. For a very small cost, you may be able to profitably maintain your investment in the car and get thousands of miles of additional service.

To help you get the fullest use from your Model T Ford Motor Company is still devoting a considerable section of its plants to the manufacture of Model T parts and will continue to do so as long as they are needed by Ford owners.

These parts are quickly available through Ford dealers in every section of the country. Note the list in the partial list given below:

- Piston and pin
- Connecting rod
- Crankshaft
- Cylinder head
- Cylinder
- Time gear
- Time gear cover
- Crankcase
- Magneto coil assembly
- Fly wheel
- Transmission gear shaft
- Transmission cover
- Clutch pedal
- Steering gear assembly (less wheel and bracket)
- Starter drive
- Generator
- Battery
- Carburetor
- Vaporizer assembly (with fittings)
- Rear axle shaft
- Differential drive gear
- Universal joint assembly
- Drive shaft pinion
- Front axle
- Splindle connecting rod
- Front radius rod
- Rear spring
- Radiator—less shell (1917-23)
- Radiator—less shell (1923-27)
- Hood (1917-1925)
- Hood (1926-27) black
- Gasoline tank
- Front fenders (1917-1925) each
- Rear fenders (1926-1927) each
- Rear fenders (1923-1925) each
- Burning board
- Horn (battery type)
- Headlamp assembly (1915-26) pair
- Touring car top (1915-25) complete
- Touring car top (1926-27) complete, includes curtains and curtain rods

These prices are for parts only, but the labor is equally low. It is billed at a flat rate and in advance what the job will cost.

INBOUND AND OUTBOUND
FREIGHT BILL OF CHEVRO.
LETS ARE \$46,000,000

Striking evidence of the heavy de-
mands made annually on the rail-
roads by automobile manufacturers
came to light yesterday with the an-
nouncement of C. R. Scharff, general
traffic director of Chevrolet Motor
Company, that the company's freight
bill for 1928, representing inbound
and outbound shipments for 16 do-
mestic plants, totalled more than
\$46,000,000. This was an increase
of more than \$11,000,000 over the
1927 bill.

In making the announcement, Mr.
Scharff revealed that the 1928 bill
covered the movement of 272,368
carloads of freight, totalling 7,968,
047,324 pounds. Exclusive of this
poundage Mr. Scharff declared there
was an additional 221,403,427 pounds
of less than carload freight, 4,767,
738 pounds shipped by express and
331,040 driveways.

These figures show the immense
increase in the company's business.
Last year the company manufactured
the unprecedented volume of 1,200,
000 automobiles. This year will see
an output realized of 1,350,000.
These figures indicate that the auto-
mobile manufacturers are among the
railroads best customers.

Of our total freight shipment for
last year 111,087 carloads were in-
bound and 161,281 outbound. The
outbound shipments included finish-
ed automobiles and 394,804,171 lbs.
of export traffic.

Mr. Scharff in conclusion compli-
mented the railroads on their splen-
did co-operation and constantly in-
creasing efficiency.

Pasture for the farm horse saved
feed and labor, and the green grass
acts as a general tonic and laxative.
For horses at work, however, a light
supplementary grain ration high in
protein and non-laxative in nature is
advisable. When horses that are ac-
customed to a heavy grain ration are
turned on pasture for a long idle pe-
riod, they should be given a small
amount of grain for a few days; other-
wise they may gorge themselves on

the green roughage. If horses on
pasture are laid off from field work
for a few days at a time, the grain
ration should be reduced to about
half the usual amount. Irregularity
in feeding, with sudden changes to
green feed, is apt to result in diges-
tive troubles, and turning horses on
pasture regularly at night keeps their
digestive systems accustomed to the
pasture green feed. Horses put on
pasture at night should receive only
a small quantity of hay with the
evening grain ration before being
turned out.

BAPTIST ENCAMPMENT
DATES ARE SET

Rev. M. C. Bishop was in Lubbock
Monday to attend the Program Com-
mittee Meeting of the Post Encamp-
ment.

The date for the Encampment was
set for July 22-28 inclusive. They
have in prospects the greatest pro-
gram to have yet been rendered.—
Post Dispatch.

DID YOU EVER STOP TO THINK

By Edison R. Waite, Shawnee, Okla.
W. R. Ramsey, President of the
Ramsey Petroleum Company, says:

THAT there are two roads to life.
One is right and the other is the
wrong one. It is so easy to take the
wrong road and so hard to take the
right road and follow it, but there
is only one road that it pays to fol-

C. E. CAMERON

low and that is the right road, which
leads to success and happiness in
life; the wrong road leads to bitter-
ness, tears and unhappiness.

The young man starting out should
hesitate in the very beginning of his
business career and decide which road
to take. There will be many tempta-
tions along the line, but he should
consistently keep before him that it
is absolutely necessary to follow the
straight and narrow path if he would
have business success. However,
there are a great many more oppor-
tunities in the world today than ever
before; it depends on himself and
just how much effort he puts into
life as to what success he obtains.
The competition is harder and keener,
but the results are better than ever
before in the history of the
world for the advancement along all
lines of business, science and the
many pursuits in life to follow in
this day and age.

A young man should also select

"It Pays to Look Well"

The Fitch Shampoo is more than a
shampoo. Applied with our super-
service methods, it is a scientific
scalp treatment.

Super-service is our motto—which
means the very latest scientific

"CALIFORNIA MAIL" IS ORIGINAL STORY BY MARION JACKSON

Deals With Stage Coach Days And Highwaymen. Maynard And Tarzan Starred

Ken Maynard and his wonder horse Tarzan in "The California Mail," another of his wild riding and thrilling western outdoor features comes to the Lynn Theatre on Saturday, April 27.

"The California Mail" from all advance reports, is not only playing to capacity audiences everywhere, but winning new Maynard fans by the thousands. It is typical of this star's previous action films.

The theme of "The California Mail" is possibly the most romantic of all western stories, that of the stage coach express companies that flourished during the late '50s. The story is an original by Marion Jackson and deals with the crying need of gold of the Union Army during the Civil War and how California and the stage coaches were charged with keeping this supply in a steady stream to Washington.

Special stage coaches and equipment were built for this picture. The four most prominent stage lines of the day are reproduced in replica including the most thrilling coach race for the government subsidy prize of thirty thousand dollars.

Ken and Tarzan are right in the thick of the fights from start to finish. They have plenty of opposition to overcome to fulfill their duties, but in so doing provide the typical Maynard thrills and stunts.

Charles R. Rogers, producer of Ken's westerns for First National Pictures has provided his star with able and ample supporting players in Dorothy Dwan, Paul Hurst and Cap Anderson.

Albert Rogell is again the director handling the megaphone on "The California Mail" in the most able fashion.

Harry J. Brown supervised production.

LICE ON CHICKENS

Lice makes setting hens sick and leave their nests and kills many little chicks. Pruitt's Lice Powder is guaranteed to take lice off your chicks in less than two minutes or your money back. And don't forget Germ Get to put in the chickens drinking water to kill germs. Sold by CORNER DRUG STORE. 30-2tc

Mr. and Mrs. W. L. Rodgers, accompanied by Mr. and Mrs. N. W. Wyatt of Tahoka, spent Sunday with Mr. and Mrs. Major H. Rodgers at Levelland. This was their first visit to their new grandson, who is some three weeks old, and is the very finest young man in the whole United States. (If you don't believe it, just ask either of his grandfathers.) He is named for them, Charles for Mr. Doak, Louis for Mr. Rodgers. The many friends of Mr. and Mrs. Rodgers will be glad to know that she and the baby are doing nicely.

Mrs. Belle Knight, Miss Christine Millwee and James Millwee spent Sunday in Lockney with relatives.

Don't Let Dandruff Kill Your Hair!

DON'T think dandruff is harmless. It chokes hair roots and actually kills them. Specialists claim that it causes 91% of all baldness.

Here in our sanitary super-service barber shop, we have an extremely effective method of getting rid of dandruff. It consists of an 8-minute treatment with Fitch's Dandruff Remover Shampoo. This unusual discovery actually dissolves dandruff and removes it a surprising way. Leaves the hair in marvelous condition—lustrous and full of "life" . . . Why not try it today? Just ask for a Fitch Dandruff Remover Shampoo.

Hardberger Buys Gin at Littlefield

John Hardberger who recently sold his gin interests in this city completed a deal last week whereby he became the owner of the L. E. Davanary Gin at Littlefield. The consideration was announced as \$20,300.00.

At present Mr. Hardberger has no intention of moving to Littlefield, when the ginning season opens this fall.

RETAIL MERCHANTS ASSOCIATION MEETS

LAMESA.—The Retail Merchants Association of this city placed a bank of School House Curtain Advertising schemes in a meeting of its investigating committee here recently. The committee pointed out that the business men of this city was being called on to make donations in the form of advertising on curtains for schools of the trade territory and some was entirely too expensive. It was pointed out that in the trade territory more than fifty schools were located. At \$300.00 each this would amount to better than \$15,000, which would be a good size tax. It further pointed out that with every donation cut to a minimum the merchants of the city will be able to reduce their cost of doing business and therefore be able to furnish the farmers of the section goods at a lower figure than the merchants of Lamesa. The committee further suggests that an aid, better personal contact and a much nicer curtain and scenery can be procured by training local talent in the various communities, co-operating with the merchants of Lamesa for charging at programs for the purpose of securing this scenery. The business men of Lamesa will co-operate to the extent that they will furnish talent and a program to any rural community desiring stage scenery it is said.

Mr. and Mrs. Morris Sanderson and children spent Sunday with Mrs. Sanderson's parents, Mr. and Mrs. C. H. Doak.
