Football Set-up for This District

Seminole and Seaside admitted into this district. The halves were re-arranged at an annual meeting of the Football Committee. The meeting took place Tuesday night at the home of the division, Tahoka. The south half of the conference will play six conference games, with O'Donnell, Denning, Seminole, Post, Brownfield and Seaside. The north half will include Slusher, Littlefield, Muleshoe, and Sudan. The committee is expected to meet for the approval of the University League officials at a meeting likely that they will change.

MINISTER HERE

Rev. E. Hamilton of Lubbock will be at the church Sunday in the local pastor. The pastor, has been in hospital three weeks. A slight improvement in his condition is expected.

Mrs. C. O. Lawler and Sunday for Brownwood. Lawler will be employed at camp near there.

Most Radio Static Here Caused By Loose Wires, Motors

That cracking, crashing or popping sound you may have been receiving over your radio is "static," but it is not caused by Mother Nature so a local radio dealer claims.

Several boys have been throwing wires over electric light wires in O'Donnell, and while not causing "shorts" nor serious trouble, the consequent friction has caused static.

Such static has caused headaches to radio operators and radio dealers.

The Texas Electric Service company has been caused untold expense and trouble trying to educate persons to leave electric wires alone, but according to local radio dealers many boys are still thoughtless enough, or malicious enough, to interfere.

A drive for better radio reception on the part of radio dealers, the city administration, Rotary club and electric company was advocated by the dealer. All motors in town should be examined and a general cleanup made.

Auto Fire Rates May Be Hiked

Fire insurance rates on automobiles may be hiked throughout this territory as a result of an "unusual number" of automobiles being burned, according to an adjuster who was in O'Donnell Thursday.

No particular cases were cited by the adjuster, and O'Donnell has not been the scene so far of suspicious fires, but this territory, comprising Lamesa, Seagraves, Seminole, Brownfield and Tahoka has a mounting toll and rates may be raised accordingly.

"The honest citizen is paying his part in these automobile losses by fire, and if the rate continues action of a harsher nature may be forthcoming against persons suspected of burning automobiles," the adjuster said.

Some people have the idea that they cannot get a good rating if they have a car repossessed, and therefore "have a fire" in order that they might get something, but this is a mistaken notion, the adjuster pointed out, because many honest pay find themselves in a position which would cause loss of a car by repossession, and finance companies realize this. However, arson is not forgiven and any offender may find himself blacklisted by all companies in the U. S. A.

Pay Poll Taxes Or Lose Vote

Lynn county citizens are urged to pay their poll taxes before the last of January.

Though this is an off year politically, there will be elections of more or less importance unless this year is an exception. There is always the possibility of bond elections, or other special election, and, at least, there will be important school district and city elections.

MISS PALMER ENTERTAINED TUESDAY BRIDGE CLUB

For the regular meeting, Miss Thelma Palmer was hostess Tuesday to club members and one guest, Mrs. Charles Cabool.

Mrs. William G. Froggy won high score prize, Mrs. Guy Bradley, bingo and Mrs. C. L. Hafer low.

A salad plate with coffee was served at the tea hour.

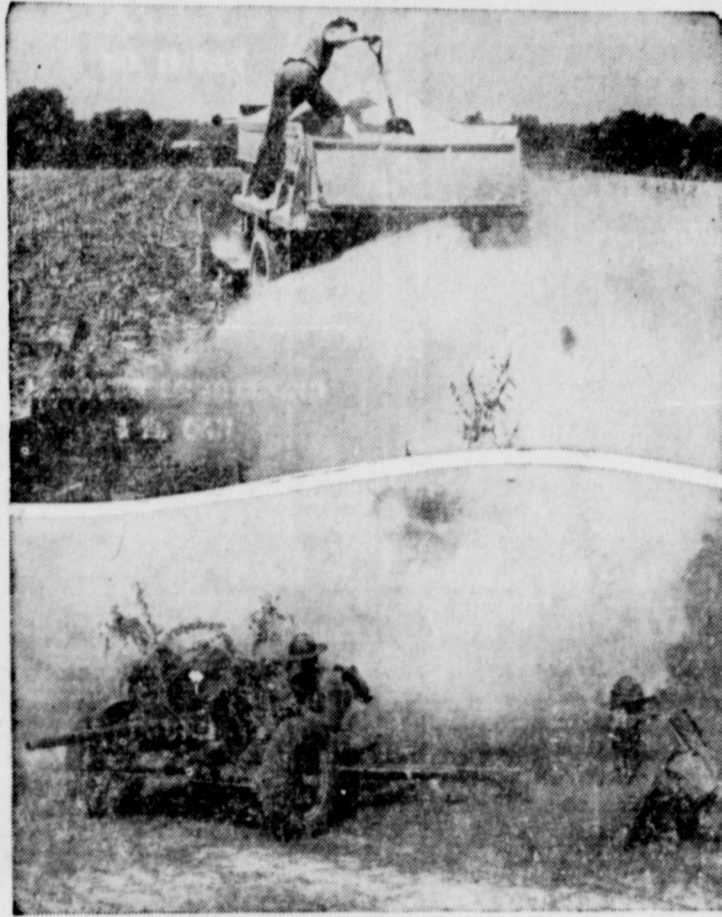

Playing, other than the above mentioned were Mesdames Noble, Jordan, Henderson, Whitsett, Hughes, Campbell and Wells.

Mrs. Noble will be hostess next week.

Maynard Eubanks Undergoes Spinal Operation

Maynard Eubanks, owner and manager of the Eagle Cafe, was operated upon for a spinal growth Monday in a Lamesa hospital. He returned to his home here Thursday and his condition was pronounced as satisfactory by attending surgeons.

These Clouds Mean Defense

Clouds arise as American farmers increase the fertility of their fields by sprinkling them with lime. Clouds arise as American soldiers increase their skill through artillery practice. Both fertile soil and skilled gunners are vital to the nation's defense. American farmers last year, cooperating with the AAA Farm Program, applied nearly six million tons of lime to their soil, enough to have powdered the face, at the rate of a ton per acre, of every acre of cropland in Maine, Vermont, New Hampshire, Massachusetts, Rhode Island, and Connecticut.

Seven Youths Volunteer

Tahoka, Texas, Jan. 23 (Spl.)—Another call for enrollees for training in the military service will be made soon, according to information given to the local board. It is understood that this call will be for four men from Lynn county, and seven men have already volunteered their services. Not all of the seven have been accepted yet, however.

The seven volunteers are: Edmund Victor Macha, son of Mr. and Mrs. H. A. Macha, residing two or three miles north of Dixie; Alvin Louis Shambeck, son of Mr. and Mrs. Louis Shambeck, residing near Wilson; Rosendo Lopez, a Mexican working on one of the W. L. Palmer farms west of O'Donnell; Pleasant Charles Spears, son of Mr. and Mrs. Watson Spears, residing out near Tahoka Lake; Woodrow Wilson Grider, son of G. C. Grider, former county judge of Lynn county; Thomas Robert Cathcart, son of T. R. Cathcart of Tahoka; and Danny Lee Vandyke, son of Joe Vandyke of the Midway community south of Tahoka.

It is not known to what training camp these volunteers will be assigned.

Fourteen volunteers from Lynn county, filling the January call, left for Lubbock on Thursday, where they will receive about ten days training and then be assigned to some training camp.

One colored volunteer left for Lubbock last Saturday.

FROM NEW JERSEY

Mr. and Mrs. William Ball and seven year old daughter, Joan, and four year old son, Donnie arrived here Friday from Linden, New Jersey to make their home.

Mr. Ball is with the Arizona Chemical plant.

The family is residing in the home of Mrs. J. P. Bowlin on East Ninth Street.

Mrs. Lewis Thomas and two sons of Plainview have been visiting her parents, Mr. and Mrs. J. T. Middleton this week.

Mr. and Mrs. Ed McKee and children left this week to make their home near Seminole.

Methodists Plan S. S. Institute Here Sunday

A Christian Workers Institute for the O'Donnell, Draw, and Grassland Methodist churches is to be conducted in the Methodist Church in O'Donnell Sunday, according to announcement made by the pastors.

Rev. W. E. Hamilton of Lubbock, executive secretary for the Northwest Texas Conference, will be in charge of the program. One service will be held at 11 o'clock in the morning and another at 3:00 in the afternoon.

The public is cordially invited and all Methodist workers are urged to attend.

LUNCHEON GIVEN IN RANCH HOME

Mrs. G. B. Johnson, formerly of this city entertained a coterie of her friends with a luncheon last Friday at her ranch home near Lamesa.

At the noon hour, the delectable luncheon was served at quartet tables.

In the afternoon coca cola's and home made candies were served during bridge games.

Mrs. William G. Forgy won high score prize, Mrs. C. L. Hafer and Mrs. C. H. Cabool won slam prizes.

Those enjoying this delightful luncheon were Mesdames Noble, Jordan, Whitsett, Robinson, Bradley, Cabool, Boyd, Henderson, Hafer, Forgy and Miss Thelma Palmer.

MRS. JOHNSON HOSTESS TO SEWING CLUB

Mrs. S. P. Johnson entertained members of the sewing club at her home last Thursday.

Needlework was the diversion for the afternoon.

A dainty refreshment plate was served to members and one guest, Mrs. S. M. Minton.

Members were Mesdames Oates, Miles, Hunt, Fritz, Frazier, Line, Chairs and Tredway.

Mrs. Stansell Jones entertained the Club this week with a luncheon celebrating the fourth anniversary of the club.

JOLLY TWELVE SEWING CLUB MET TUESDAY

Mrs. Ben Moore was hostess to members of the Jolly Twelve Sewing Club at her home Tuesday.

The afternoon was pleasantly spent with needlework.

Delicious refreshments were served.

Attending were Mesdames Wheeler, Goddard, Howard, Earles, Koeninger, Edwards, Fortner, and Burns.

The Club will meet Feb. 4 with Mrs. F. G. Wheeler.

Mr and Mrs. D. M. Conger of Farwell visited here last week end.

Last Rites Held For Uncle Ras Cathey Monday

By Ben Moore

Funeral services were conducted at The Church of Christ Monday afternoon for T. E. (Uncle Ras) Cathey, with Higginbotham Funeral directors in charge. Cathey had long been a member of The Church of Christ. Eulogies were delivered by Elder John T. Overby, assisted by Rev. J. H. Crawford pastor of the Methodist church at Seminole and former pastor here.

Mr. Cathey became ill last August while on vacation with his daughter, Mrs. W. McLaurin at their summer home in Ruidosa, and was rushed home. For more than five months he lay waiting patiently for the end, and that still small voice whispering, "enough". Born Jan. 1, 1860, he spent his earlier years in Arkansas, in which state he became wedded to Railroad work of various sorts. In 1901 the family removed to Gail. About 1902 Cathey filed on land in the Pride community west of the present town of O'Donnell. His five brothers engaged in the cattle industry in that section, but he returned to his great love, railroading. Some time was spent in the employ of the short line from Roscoe to Fluvana. A long period was spent with the T & P at Big Spring and later with the Santa Fe at Clovis.

About 14 years ago Cathey came to O'Donnell, where he was employed as janitor for the public schools. In this position he filled a rather unique role. Every teacher and board member, recognizing his long and useful career as a citizen sought his counsel upon many occasions. Every pupil who came in contact with him at school became his friend.

Some like to reward their friends, others enjoy punishing their enemies, so he had much time for making it pleasant for all his acquaintances. He was pretty nearly all heart.

Survivors are three brothers, William and Barksdale, of Dora, N. M., and Matt, of O'Donnell, one sister, Mrs. Mary Arnold; one son, Jack and one daughter, Mrs. Waldo McLaurin. His wife preceded him in death a few years.

O. K. H. D. CLUB MET

The Home Demonstration Club of the O. K. Community met Wednesday at the home of Mrs. V. B. Hohn. Miss Phenix, Home Agent, made cookies. Those present were Misses Phenix and Akins and Mesdames Walls, Norris, Snellgrove, B. Ballard, A. Vandiver, C. Wright, E. Vandiver, P. Reavis, J. Burkett, E. Wright, and T. Hodnet.

The next meeting will be Jan. at the home of Mrs. H. L. Hohn.—Reporter.

Mrs. Merle Schooler, who recently was operated on in a Lubbock hospital, was reported in a serious condition Thursday.

Mrs. Stansell Jones was in Quanah last week visiting her parents.

New Income Tax Law In Effect

The Revenue Act of 1940 has made important changes with respect to the liabilities of individuals for the filing of income tax returns. Individuals under the following circumstances are required to file returns covering the calendar year 1940:

Single individuals, or married individuals not living with husband or wife, having a GROSS INCOME of \$800.00 or more. Married individuals living together having a combined GROSS INCOME of \$2,000.00 or more.

The net income is no longer to be used in determining the liability for the filing of a Federal income tax return. The liability of a citizen or resident of the United States to file a return is dependent upon his status as a married or single person, and the amount of his GROSS INCOME. Therefore, every citizen or resident of the United States will be required to file a return for the

taxable year 1940 if his GROSS INCOME in 1940 regardless of the amount of his net income, comes within the amount specified above for his particular status. A return must be filed even though, by reason of allowable deductions from gross income and of allowable credits against net income, it develops that no tax is due.

Form 1040A should be used for GROSS INCOME of not more than \$5,000 derived from salaries, wages, interest, dividends, and annuities. Form 1040 should be used for GROSS INCOME from salaries, wages, interest, dividends and annuities of more than \$5,000; or if any part of your income is derived from other than salaries, wages, interest, dividends, or annuities, Form

1040 should be used regardless of the amount of your income. While returns must be filed on or before March 15, 1941, with the collector of internal revenue for the district in which you reside, it is urged that they be filed as soon as possible after January 1st.

If in doubt as to your liability for the filing of a return and if your employer has no blank return forms available, make request of the collector of internal revenue for the district in which you reside, or of any deputy collector stationed in your vicinity, for the 1940 individual income tax return and the printed instructions accompanying the form.

Failure of individuals, under the circumstances outlined above, to file returns will subject them to the imposition of the penalties prescribed by law.

Mattress Making Program Starts

A mattress-making program is to be conducted throughout Lynn county again this year, according to Miss Maurine McNatt, home demonstration agent. Work centers for the purpose will be established at convenient points in the county.

Families, with the help of friends, will make their own mattresses, as they did in 1940, at these work centers established in the designated communities. A charge of 65 cents per mattress will be made to assist in paying necessary expenses of the project.

Every family who receives a mattress will be entitled to ten years of percale and four pounds of cotton to be used in making a comfort. The comforts will also be made at the centers and a charge of 25 cents will be made for expense of same.

Applications will be received at the A. A. A. county agent's and home demonstration agent's offices.

Rules of eligibility for participation in program: Any low-income rural family, as hereinafter defined, is eligible to participate in the program. In this connection, the following definitions will apply:

"A family" consists of two or more persons having a common or pooled income and living together as an interdependent economic unit in one household, or one person maintaining a separate independent household.

"A low-income rural family" is any family which had for the latest preceding calendar year a total income of not more than \$500, plus \$50 for each member of the family in excess of four persons, and which lives in the country or lives in a village, town, or city, and derived at least one-half of its total income during the latest preceding

calendar year from agricultural occupations.

"Total income" means the cash income received from all sources or earned and collectible, plus the local market value of unsold farm products raised for sale or received as payment for services or rent and held for sale, minus farm rent paid or to be paid in cash.

Maximum number of mattresses per family: Each eligible family may receive one mattress for each two persons in the family, but not to exceed a total of three mattresses. Where one person constitutes a family under the provisions of this program, such person is eligible to

receive one mattress. If the individual has already received a mattress, he has made application for a mattress, or has received a mattress, or has made application for a mattress from the Security Administration or the welfare agency, this is to be included in determining the number of mattresses which the family may receive under the program.

SOUTHERN COOKING

PULLED PEPPERMINT CANDY

At every crossroads store in the South as in most other sections of the country, big striped peppermint sticks are still displayed prominently on candy counters. Always a favorite, a homemade variety of peppermint that the whole family will like is

Pulled Peppermint Candy
2½ cups sugar
1 cup water
2 tablespoons corn syrup
2 tablespoons margarine
peppermint flavoring
green coloring
Put the sugar, water, corn syrup and cottonseed oil margarine in a saucepan over moderate heat and stir until dissolved. Cover and cook to long thread stage (248-254° F.).

Pour into pans which have been greased with cottonseed oil margarine, and let cool only until it can be handled; then pull, adding peppermint flavoring and a little green coloring, if desired. While still soft pull in strips the size of little finger, and cut into desired lengths, dropping on waxed paper. Let stand until hard. The longer this candy stands, the creamier the sticks will become. It can be stored in air-tight tin boxes. Yields about 1½ pounds.

Other favorite Southern recipes are presented in a large, full-color, 100-page free cook book, "100 Southern Recipes." Send to National Cotton Council, Box 18, Memphis, Tenn.

Author of Infantile Paralysis Fight

Clare Boothe Luce, author of "Kiss the Boys and Margins for Erasmere recently the book "Spring", based on her

that unhappy condition. She has written the editorial as part of the celebration of the President's birthday, which opened on Monday and will reach its

close on January 30, President Roosevelt's 59th birthday.

By CLARE BOOTHE

The spirit of sacrifice today is the only climate in which our besieged democracies can hope to survive. All of us who live in this still free land, where our lot is so blessedly better than that of citizens of other lands, should be imbued with a dynamic emotion of gratitude for our comparative well-being. We must express our thankfulness with as much help to the suffering in other lands as we possibly can give. That help we have not held back, nor will we.

But there are those who need help, and need it badly, right here at home. War has not put its brutal touch upon our land. Famine and pestilence remain outside our borders. Yet, we have sinister enemies who take a yearly toll of our citizens, and against whom our medical factories are not yet armed for total defense.

Among the most important of the diseases which we fight year after year is that of Infantile Paralysis. Though it kills comparatively few in numbers every year, it maims and cripples the young flower of our human crop—the children of the country. Every year parents in some parts of the United States must stand by, in an agony of helplessness, and pray that the virus which, unheralded, attacks anybody's children anywhere in the land, will not do its devastating worst on our boys and girls. It is a situation which cannot help but turn apathy to sympathy in the breast of any man or woman. It is a challenge on the peace front we dare not ignore.

What can we do about it? Organ-

ize for defense against it. The National Foundation for Infantile Paralysis was started three years ago, to coordinate efforts to find out the secret nature of the disease, to seek a preventative or cure, to relieve the most extreme suffering and deformity resulting from an attack. This foundation has initiated a vigorous program of research, study of after-care, epidemic control, education. Because of its work, hundreds of boys and girls who were stricken last summer will be made to walk again, hundreds of others will escape without permanent deformity, useful citizens for the world of tomorrow will be saved.

The record of what the National Foundation has done is an inspiring message to Americans who truly desire to demonstrate their gratitude for the rich democratic blessings we all enjoy. Let us help to our utmost those who are afflicted in lands across the seas, but do not let us lose sight of the need for help on the home front. Surely, if we are convinced in our hearts that it is worth sacrificing money, time and energy to preserve the political way of life we hold dear, we must be willing to sacrifice in the same way, to insure the health of our own American youngsters, who are the leaders of tomorrow.

With the spirit of sacrifice and humility and a decent gratitude in the air, all of us will join the army of defense against Infantile Paralysis, by supporting the campaign of the Committee for the Celebration of the President's Birthday for the National Foundation for Infantile Paralysis.

Big Crowd At Boxing Contests

Tahoka, Texas, Jan. 23 (Spl.)—Fully three hundred fans last Friday night saw an eleven-bout boxing show here between Lynn county fighters and the Littlefield CCC camp. The CCC failed to bring a complete team, and the program was filled out with contests between other boxers.

Taylor of the CCC won a decision over Kelley King in a middleweight contest; Woody Culpepper of the CCC lost to Florence of Draw, in the light heavyweight division; Robert Warren outpointed Kiser of the CCC, in a flyweight match; Melvin Proctor, O'Donnell, knocked out

Brown of Tahoka in the first round in the featherweight class.

Todd of O'Donnell defeated Gilliam of T-Bar, bantamweight; G. W. White of Tahoka won the decision over Yenez of CCC in a flyweight contest. W. D. McCarty of CCC won a close decision over Mutt Sessums of Tahoka in the bantamweight class. McCarty is district olden Gloves champ.

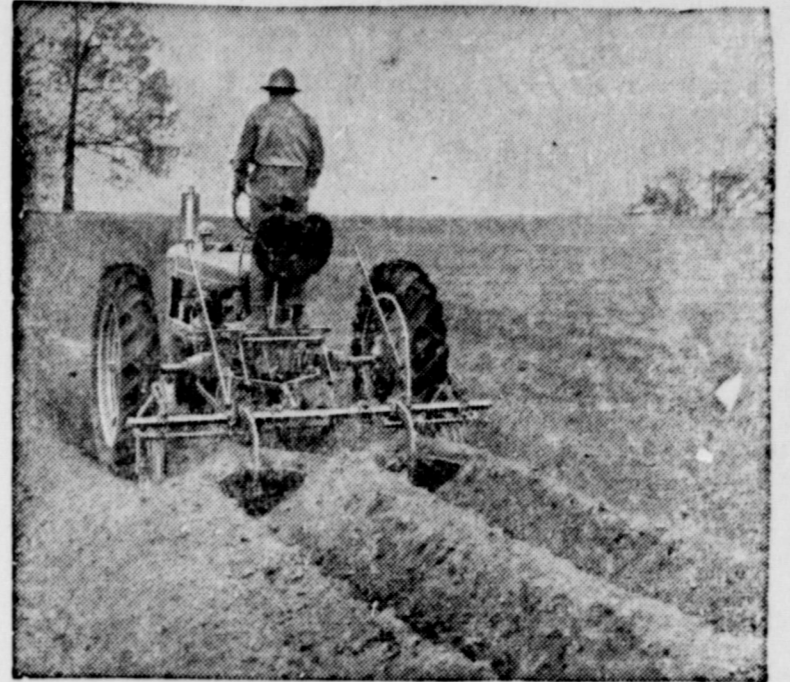

James Stotts, another champ of Slaton, knocked out Hatchell in the first round. Sport Pendleton of T-Bar won a decision over Wayland Hughes of Tahoka in another flyweight match. Jake Weathers of Tahoka won over Pat McKibben of O'Donnell in a lightweight bout.

A fight of special interest was the one between Junior "Tech" McLaurin, district Golden Gloves and State TAAF champion, and Dale Odum, Lubbock Westerner quarterback, fighting in the welterweight division. McLaurin was the winner.

Did you ever stop to think?

Dental Unit Is Coming

A mobile dental unit from the State Department of Health will be in the schools of Lynn county from January 31 to February 11.

The program of the mobile unit is made possible through the cooperation and efforts of the Five County Health Unit. This unit is a complete, modern dental office set up in a large trailer and is operated by a staff dentist of the State Department of Health. Its program as conducted in the public schools is both educational and corrective for a limited number of children of the lower grades. The educational features reach the children of all grades and teachers are furnished materials and information for teaching dental health.

Only a limited number of children can be given free dental work—these to be selected by nurses and teachers in cooperation with the local dentists. The plan is that prior to the arrival of the Unit the local dentists will examine all children of the schools where it is to go and the parents of the children selected for the free dental work are required to sign a card requesting that the necessary work be done.

The mobile unit and its programs are attracting a wide spread attention over the State and it is serving to stimulate greater interest in dental health education as an important phase in the program of general health.

On the first afternoon in a given school an educational program will be held, at which time all patrons are invited to attend. Sound motion pictures will be shown and a lecture given on the importance of the teeth and dental health.

It is desired by the State Department of Health and the Health Unit that the Mobile Unit be received as a part of the community life and of the public school when in a given locality. Citizens and patrons are invited to visit and inspect it at any and all times.

FOUR TECH DIRECTORS TO BE APPOINTED

LUBBOCK, Jan. 22. — Terms of three Texas Technological college directors expire February 19, and a vacancy caused by the death of Chairman Joe T. Sneed, Jr., of Amarillo brings the total directorate appointments to be made by Governor W. Lee O'Daniel to four.

Scheduled for expiration this year are the terms of Mrs. W. R. Potter of Bowie, Tomas G. Pollard of Tyler, and James M. West of Houston. West was elected chairman in December to succeed Sneed. Six-year terms of three directors expire every other year.

Other board members are Mark McGee of Fort Worth, Spencer A. Wells of Lubbock and L. L. Steele of Mexia, whose terms expire in 1943; Milburn McCarty of Eastland and Charles C. Thompson of Colorado City, whose terms expire in 1945.

IN SEMINOLE

Mrs. Belle Knight was in Seminole Sunday evening to visit the Rev. and Mrs. J. H. Crawford formerly of this city.

Fred Buchanan and Homer Hancock were in Brownfield Sunday.

Mrs. Belle Knight will spend the week end with her daughter, Miss Christine Millwee, in Abilene.

Mrs. Delores Burks returned home from Abilene Tuesday. She was reported as improving.

OLD TIME COOKIES

Still a tradition in many Southern homes is the big stone cookie jar. Visitors as well as members of the family are invited to reach into the jar "as often as you please" for a between meal snack or before going to bed at night. With a brimming glass of sweet milk you'll like

Plain Old Time Cookies
1/2 cup margarine
1 cup sugar
1 egg
2 tablespoons mill.
1 tablespoon baking powder
2 1/2 cups flour

Cream margarine, add sugar and then well-beaten egg. Add milk gradually. Sift baking powder with one-half the flour and add, then add more flour a little at a time. Beat and add flour until mixture leaves sides of bowl. Store in a cool place for an hour or more to stiffen. Break off small pieces of dough, roll out on floured board and cut in fancy shapes. Bake in tins greased with Cottonseed oil margarine in a hot oven (400° F.). This recipe may be varied by dividing the dough and adding a little cocoa to part of it; a few spices to another; and a little grated coconut to the remainder. Yields 3 1/2 dozen.

Other favorite Southern recipes are presented in a large, full-color, 100-page free cook book, "100 Southern Recipes." Send to National Cotton Council, Box 10, Memphis, Tenn.

SINGERS MEET IN CONVENTION AT GRASSLAND

Tahoka, Texas, Jan. 23 (Spl.)—The Garza-Lynn County Singing Convention met with the Grassland singers Sunday under the direction of Billie Baker, president.

We had visitors from O'Donnell and surrounding communities. Had some extra good singing; not such large crowds, but it was the singing people, and we certainly enjoyed it. It being time to elect a new president, Mr. Harrison Davis was elected to succeed "Billie the Kid".

Everybody is invited to come and meet with us the third Sunday in each month.

The next convention will meet with the New Lynn Club.—Reporter.

The Surplus Marketing Administration of the Department of Agriculture announced that an estimated 2,000,000 pounds of butter were bought with blue stamps in September. Approximately 100,000 cows would be required to produce the milk needed.
