## Prominent Ladies Compete For Car

**RICH PRIZES AND CASH COMMISSIONS WILL BE AWARDED "CAMPAIGNERS" IN BIG CIRCULATION DRIVE**

Another thing is long term subscriptions. The longer the term of subscription the more votes. For example, you get 12,400 votes for a one-year subscription, but for a two-year subscription you get 26,000 votes, giving more votes for a two-year subscription than for two one-year subscriptions, and the longer the term of subscription the more difference in the ratio of votes. If a subscriber's time is out in December, 1925, and he pays up to date and a year in advance, that would make three years, and a 3-year subscription would entitle the contestant to 40,000 votes during this period, figured as follows:

The regular schedule gives for 3 years, \$4.50.....10,000  
 Extra schedule for the period is 10,000 votes on each \$1.50 paid on subscriptions, making 3 x 10,000, or.....30,000  
 Total number of votes.....40,000

It is important that this be explained to friends, so they will not wait until the last to help. Votes are lowest then. At the last period the above would only be 28,000 votes. Workers get the votes, but do not vote them unless desired. They can be held in reserve until the close of the campaign if desired, as they are not counted until deposited in ballot box.

To the public in general we want to say that The Index wants your cooperation in this campaign that we venture the assertion that costs us a good many hundred dollars a week passes that you could save the cost of subscription by going through the advertisements, and making a saving from advertised prices on necessities you buy.

Try this, Mr. and Mrs. Careful Buyer—Give your subscription to one of the workers, then when the Index comes, turn to the advertisement by O'Donnell merchants and see how soon you can get your money back. The sequel will work like this: You get the paper, the merchant gets the trade, the ladies get the prizes and the Index gets the circulation—absolutely necessary for a paper to have these days.

**Extra Votes**  
 Up to and including Thursday, November 24, 1927, 10,000 extra votes will be given with each \$1.50 paid on subscription, next period, 9,000 extra votes will be given. This is in addition to regular schedule.

**Regular Schedule During Campaign**  
 1 year, \$1.50.....2,400 votes  
 2 years, 3.00.....6,000 votes  
 3 years, 4.50.....10,000 votes  
 4 years, 6.00.....15,000 votes  
 5 years, 7.50.....25,000 votes

### Notification Committee

### 5,514 BALES COTTON GINNED TO DATE

The seven gins of the city are turning out something like 200 bales of cotton a day. This week's ginning report dropped slightly from what was expected, however 967 bales have been ginned since our last Thursday's report, bringing the total for the season up to 5,514 bales. The season's total will probably be below what most cotton men estimated at first. The majority of the ginners and farmers estimate fifty-five per cent of this season's crop has been gathered.

The report from the seven gins of the city is as follows:

J. P. Bowlin	816
Henderson-Boone	825
Harrison-Williams	428
McDonald-Ely	1366
A. Y. Pemberton & Sons	569
J. H. Hardberger	726
A. D. Brown's Gin	584
Total	5514

### MRS. BEN MOORE STILL SERVING FRESH VEGETABLES

A person who could have had the privilege of taking lunch with Mrs. Ben Moore Nov. 15, would have felt that they were eating an early spring meal. The table was covered with dishes of delicious vegetables, such as fresh butter beans, snapped black eyed peas, okra, baked sweet potatoes, egg plant, Irish potatoes which were dug that very morning, tomatoes, onions and fresh sweet peppers and pumpkin pies. As every one knows Mrs. Moore is a "canning fiend," we want to assure you that none of this was canned food, but absolutely fresh from the garden. Some boost for O'Donnell, Lynn County and West Texas in general.

### W. R. SANDERSON'S GRAND-SON KILLED FRIDAY NOV. 11

Francis Lyons, grandson of Mr. and Mrs. W. R. Sanderson, was killed in a car wreck on Friday night, Nov. 11, at nine o'clock, between Texico and Muleshoe. Francis was driving to Muleshoe when the car in some unexpected manner, became overturned resulting in Francis' death. The other young people were not hurt. Mrs. Lyons, Francis' mother, had just arrived here at nine o'clock for an visit to her parents, having been here only about 30 minutes when the sad news was received, whereupon Mrs. Lyons, Mr. and Mrs. Sanderson and Morris Sanderson left immediately for the scene of the accident. Francis was born at Gail, Sept. 14, 1903, was a splendid boy with wonderful possibilities, being in the employ of the New Mexico Utility Co. Interment was made in the Portales cemetery, Portales being the home of the deceased. Loving sympathy is extended to the bereaved ones in their hour of darkness.

### REV. W. B. HICKS TO GO TO MULESHOE

Rev. W. B. Hicks who has been pastor of the Methodist church here for the past three years will go to Muleshoe, Texas for the coming year. It is a splendid town in a splendid country and Bro. Hicks is to be complimented on the fine place which he will have as a pastorate.

The Hicks' have many friends in O'Donnell who regret to give them up.

### Mrs. W. L. ROGERS WAS TAKEN SUDDENLY ILL SUNDAY NIGHT ABOUT NINE O'CLOCK. UPON SUMMONING DR. CAMPBELL, THE FAMILY PHYSICIAN, HE PROMOUNCED THE ILLNESS AS PTOMAIANE POISONING. Mrs. ROGERS WAS VERY ILL ALL NIGHT, THOUGH SOME BETTER MONDAY, SHE WAS STILL EXCEEDINGLY WEAK.

## Council Calls Election For Water Bonds

The City Council in regular session on Thursday night of last week issued an order calling an election to be held on Monday, December 19, 1927, submitting to the property tax payers of O'Donnell the proposition of whether or not the City shall issue bonds to the amount of \$40,000 for the purpose of building a water system. All councilmen voted in favor of the proposition. The proposition follows: "Shall the City Council of the City of O'Donnell, Texas, be authorized to issue bonds of said City of O'Donnell, Texas, in the amount of \$40,000.00, maturing serially within forty years from their date, bearing interest at the rate of 5 1-2 per cent per annum, and to levy a tax sufficient to pay the interest on said bonds, and provide a sinking fund with which to pay the principal at maturity, for the purpose of construction of Water-works for said city as authorized by the Constitution and laws of the State of Texas, including Chapter 1, and 7, of Title 22, Revised Civil Statutes of 1925."

Every qualified voter of the City of O'Donnell should read the Order of Election carefully so that on December 19th they will be able to go to the polls and vote intelligently for the betterment of O'Donnell and community.

### "ROUGH HOUSE ROSIE" GAL WHO TREATS 'em ROUGH!

Clara Bow reaches the Lynn Theatre Wednesday and Thursday in her first starring vehicle for Paramount since "It", the highly successful Elinor Glynn production. Her new picture "Rough House Rosie" is the tale of an east side girl who "treats her men rough." For instance when "sweetie", a professional prize fighter, tries caveman tactics, she gives him a "right to the head" and he falls unconscious.

Not that the reader should think she's always that way. Far from it. You see, Rosie really loves Joe; that is, she loves him until Arthur Russell starts showering attentions on her. Now what would any ordinary mortal do when a wealthy young man says that he loves you? And then, when Joe starts getting out of bound Rosie has only one resource,—she becomes a "cavewoman."

### NEGRO MAN FATALLY STABS WIFE SUNDAY

City Marshall J. Y. Everett was called to Wells one day this week to take over a colored man who had stabbed his wife in the left side, barely missing her heart. The man was taken to Tahoka and placed in jail to await the development of his wife's condition. The injured woman is in a hospital at Lamesa and at this date, though still alive, is not expected to recover.

### MARSHAL EVERETT FINDS PURSE IN FEED SHOCK

A young man employed on a farm four miles south of town called Marshal Everett to his assistance Tuesday to aid him in recovering his purse with \$78.00, which had been stolen. Mr. Everett searched several of the other hired boys and failing to find the lost purse, was on the point of returning to town, when seeing some shocks of feed in a field nearby, he told the young man to look in those shocks which he did, finding his purse with the \$78.00 intact. Some thing kinda spooky about having a marshal with an insight like this boys! Mr. Everett called it a "hunch."

### S. G. FRENCH IMPROVING BUILDING ON WEST SIDE

S. G. French, owner of the building on the West side now occupied by the Electric Shoe Shop and Pirtle's Cafe, is making extensive repairs which when completed will add greatly to the appearance of the building. The roof is being raised to a standard height and a fourteen foot extension is being added to the rear of the building.

### W. M. SMITH, GINNER AT THE BROWN GIN VERY UNFORTUNATELY GOT HIS LEFT HAND CAUGHT IN A BELT CAUSING A VERY PAINFUL INJURY AND ALMOST THE LOSS OF HIS ARM. HE REPORTS THAT IT HAS CAUSED HIM A GREAT DEAL OF PAIN, BUT HE THINKS IT IS DOING AS NICELY AS COULD BE EXPECTED.

### GREAT CAST IN FIRE PICTURE

Fighting the Flames, which comes to the Lynn Theatre tonight, has a very remarkable cast assembled to play the exciting fire story which form the basis of the picture. The lead is played by William Haines who will be well remembered for his success in the Midnight Express, another action picture depicting railroad life. With Mr. Haines is Dorothy Devore, who is a great favorite with film-goers. David Torrence is the brother of Earnest Torrence of Covered Wagon fame, but happens to be a very excellent actor in his own right. Sheldon Lewis need no words. He is a villain and every one knows him for those parts.

The rest of the cast includes Frankie Darrow, who though a little boy, plays one of the largest parts in the production. Charlie Murrayay takes one of his inimitable character parts. Max Davidson and William Welsh are the other two well known actors who also play in the cast. The production was directed by Reeves Eason.

Besides, there are other prizes and cash prizes limited by the number of active workers. The size of the cash prize, if you draw one, depends on the interest you take in the campaign. The beauty of the campaign is that it requires no investment to secure dividends. A little energy and ambition is all you need. Any lady, young or old, is eligible to enter. A friend may nominate you, or, better still, nominate yourself. The announcements tell you how to do it. The O'Donnell Index campaign is absolutely a sure thing for you. With it you ought to win the automobile, your time and effort will be rewarded with 15 per cent commission on the amount of subscriptions you turn in, provided you are active to the close. This feature alone closes every avenue of argument and compels you to enter the campaign at once, as you have nothing to lose and everything to gain.

We are giving the women and girls of the surrounding territory the opportunity, and in return for their efforts along this line, will reward them handsomely by giving them beautiful prizes. The campaign starts Today and will close Saturday, Dec. 17, at 7 p. m. The time is short—only a few week's work—but the reward is great. REGULAR VOTE SCHEDULE		EXTRA VOTE SCHEDULE	
These are the regular votes and remains the same throughout the campaign			
1 year	\$1.50	2,400	votes
2 years	3.00	6,000	votes
3 years	4.50	10,000	votes
4 years	6.00	15,000	votes
5 years	7.50	25,000	votes
Beyond first zone the paper is \$2.00 year and votes be issued as though for \$1.50 subscriptions.			
In addition to the regular vote schedule, and decreasing each week, will be an Extra Vote. This will begin with 10,000 votes for each \$1.50 paid on subscription, and will decrease 1,000 votes each week, making it work as follows: The first week, 10,000 extra votes are given with each \$1.50 paid on subscription; the second week, 9,000 votes are given; the third week, 8,000; fourth 7,000; and so on to the end of the campaign.			
Votes are on a declining scale. A special ballot, good for 50,000 extra votes, will be issued on every club of \$21.00 turned in. This will be in effect throughout the campaign and is to be considered as part of the regular schedule.			

### Plan of Contest

Any person of good character, residing in the vicinity, may become a candidate. You do not have to be a subscriber to the Index in order to enter. Just fill out the nomination blank and send to the Contest Manager, or deposit in the sealed ballot box in the Index office.

Votes cannot be bought. They can only be secured by clipping them from the Index and securing cash subscriptions to the paper.

Candidates may have anyone work for them. All have an equal chance of winning. The campaign manager will decide questions which may arise, with fairness to all concerned. No one connected with the management of the O'Donnell Index can enter, nor any salaried employee, but this does not prevent correspondents of the Index from competing. The list of candidates and the number of votes cast will be published in the Index each week. The official count at the end of the contest will be made by a committee of business men to be selected by the contestants and the contest manager.

Any collusion on the part of the candidates to nullify competition, or any other combination formed to the detriment of candidates or this newspaper will not be tolerated. Any candidate taking part in any such combination stands liable to forfeit all rights to a prize or commission.

Votes are given to contestants for each cash order taken, whether it is a new or old subscription to the paper. The votes are given as each subscription is turned into the contest department, and cannot be transferred. No person can win more than one prize, except the nomination prize.

Organizations, fraternal or otherwise cannot enter as a body name, but they can assist anyone they wish.

The vote schedule given on this page is what you go by. There are no deviation or special offers. The prizes will be awarded to the persons having the highest vote standing at the close of the campaign on Saturday, December 17.

Vote ballots issued workers can be held in reserve by them, and will not show on unofficial weekly standings published until they are deposited in ballot box at the office of the Index. This method precludes any possibility of the votes being public. The vote standing with your name will be given weekly to coincide with your wishes. Total voting strength of contestants is not public property. By publishing as you desire, you can hold a reserve vote to be published the last day.

Out-of-town men and women (married or single) and boys and girls can enter the same as any one else and will be given the same consideration. There is no special territory reserved for anyone. Work where you please.

In accepting nomination all candidates must accept and agree to abide by the rules and regulations as printed in this announcement.

Ambition is the one and only thing necessary for you to own this brand new Chevrolet Coach—without a cent of outlay.

Come in today and see the campaign manager and get the supplies to start to work.

### Plan of Contest

To enter the contest, simply fill out the nomination blank on the first page and send it to THE INDEX.

Then call or send to The Index office for a subscription receipt book with which to write subscriptions you can secure. The Campaign Manager will be glad to have you call, phone or write him, so that he can explain the contest to you in detail and put you on the road to win that CHEVROLET COACH.

The two big prizes will be awarded to the two candidates who have the MOST VOTES to their credit at the close of the contest.

Votes are secured by clipping the free 100-vote coupon appearing in the paper, and by getting renewals and new paid subscriptions to THE O'DONNELL INDEX.

See your friends, neighbors, and every one you can, at once and get their subscriptions to THE O'DONNELL INDEX. Use your telephone, and let everyone know that you are a candidate before they promise their subscriptions to some more enterprising candidate.

Let your friends know that you expect their aid. It will be given if you show them right at the start that you are ambitious and determined to earn one of these valuable prizes.

You can get votes and subscriptions anywhere in the United States.

No matter where you live YOUR chance to EARN one of these prizes is JUST AS GOOD as anyone's. You can earn one of them in five weeks if you start now. Why not do it?

**MRS. E. T. WELLS ENTERTAINS  
 HONOR HUSBAND'S BIRTHDAY**  
 No little ten year old boy could  
 have demonstrated the characteris-  
 tics of a child to better perfection  
 than Thurman Wells did on Monday  
 evening. When he came in for supper  
 and his wife did not have the steam-  
 ing hot supper waiting his August  
 arrival and when she refused to let  
 him in the kitchen the "little boy"  
 crooped out in full sway, for Thur-  
 man puffed up and went off to  
 "read the paper." At eight o'clock  
 sharp the guests to a birthday party  
 begun to arrive and by the time the  
 invited number arrived, the "panting  
 boy" childlike was hopping on first  
 one foot and then the other, for with  
 the guests, the gifts came, cigars,  
 candy and gifts that only men can  
 appreciate. And when Mrs. Wells  
 served the delicious supper of fruit  
 salad, chicken sandwiches, olives,  
 angle food cake and coffee, Thur-  
 man felt more than appeased for the  
 lack of the regular meal and each  
 guest voted the hostess a past mis-  
 tress in the culinary art, for only  
 those who have the privilege of din-  
 ing with Mrs. Wells realizes the art  
 she applies in her preparation and  
 serving of foods. To get partners for  
 the evening's entertainment of game  
 of "42" the guests drew, matching  
 dates of the great events in the  
 world's history, one of the greatest  
 being the honoree's birthday and he  
 evening's fun with Mrs. Gorge Shu-  
 was fortunate enough to begin the  
 make. The ones who enjoyed this  
 lovely party were Messrs and Mes-  
 dames Guy Bradley, Geo. Shumake,  
 Barley Brewer, D. A. Edwards, J.  
 W. Roberts, E. T. Wells.  
 Mr. Wells says it was a perfect  
 surprise as well as a perfect party  
 with the one exception, B. J., Harve  
 and Ben weren't there.  
 Mr. E. L. Bennett of the Tonsor  
 Barber Shop left Monday for Eureka  
 Kansas.  
 Mrs. Judge W. H. Crunk returned  
 Tuesday from a six week's visit with  
 her mother, Mrs. Gibson in Dallas.  
 Dr. Kenneth Campbell and C. F.  
 Malone of Midland were the week-  
 end guests of Dr. Keeneth's parents,  
 Dr. and Mrs. J. F. Campbell.

Miss Jewel Horn, who has been  
 ill with neuritis and autointoxication  
 resulting from bad tonsils, was taken  
 to Lubbock to the West Texas Hos-  
 pital Tuesday. Dr. Campbell report-  
 ed Wednesday that she was doing  
 nicely and every hope for a speedy  
 recovery was given.  
 H. M. Anthony was a business  
 visitor in Breckenridge last week.

 were given slips of paper with di-  
 rections on them to look in the dif-  
 ferent places for further instructions.  
 After having looked in machine draw-  
 ers, under vases, in the back yard,  
 in the piano bench and a dozen other  
 unheard of places the last instruct-  
 ions were for Margaret to look in  
 the summer house and she would  
 find a "box of love" and W. E. was  
 under the east bed room window,  
 told he would find a "box of love"  
 each child found a box filled with  
 pretty little gifts from the Juniors.  
 They expressed themselves in very  
 sweet childlike words of their ap-  
 preciation. Kathryn Veazy was joint  
 hostess with Ina D. Everett and as-  
 sisted in serving hot chocolate and  
 cake to the following: Misses Mar-  
 garet Hicks, Kimmie Leo Pearce,  
 Thyra Painter, Mary V. Shook, Jim  
 Ellen Wells, Hope Shook, Beverly  
 Wells, Alice Joy Bowlin, Lois Ash,  
 Kathryn Veazy, La Rue Ross, Annie  
 Bell Estes, Ina D. Everett, Harvey  
 Ann Everett and W. E. Hicks and  
 Jimmie Lee Shook.

**MR. AND MRS. CLAUDE TOM-  
 LINSON HONOR LITTLE FAYE**  
 The pretty little country home of  
 Mr. and Mrs. Claude Tomlinson was  
 the scene of joyous festivities Sun-  
 day where they gave a lovely twelve  
 o'clock luncheon honoring their little  
 daughter, Faye's eleventh birthday.  
 The dining room was one of beauty  
 with profusion of cut flowers of bo-  
 quets of dahlias, roses and chrysan-  
 themums for decoration in connec-  
 tion with the red, white and blue,  
 in honor of Armistice, which was  
 carried out in the color scheme.  
 The luncheon was perfect from  
 the baked chicken, dressing and  
 salad to the delicious dessert. The  
 huge birthday cake was a beautiful  
 decoration in itself, with its twelve  
 tiny candles, eleven for the number  
 of years, and the mother explained  
 "th extra one was to grow on."  
 The little honoree's delight knew  
 no bounds over the happy when the  
 gifts were presented which consisted  
 of everything from a lovely white  
 gold wrist watch from her parents,  
 to an "all day sucker," given by one  
 of the guests as a consolation gift.  
 The guests of the luncheon were  
 Messrs and Mesdames J. B. Miles  
 and Raymond Tomlinson and Miss  
 Mary V. Shook, Sarah Fulton, Ivy  
 D. Hancock, Edwina Vermillion,  
 Veda Shumake and Margaret  
 Lucile Johnson.

Mrs. H. C. Day of San Antonio is here for a short visit with her brother, Bea L. Cowden and family.

Mrs. T. A. Harris of the Joe Bailey community was shopping in our city Wednesday.

**News From The O'Donnell Schools**

**LOW FIRST**

School is progressing nicely. New books have been issued to pupils and each child is eager for the new stories. Mrs. Music came to visit us last week and read us a very interesting story, then helped us with some new songs. We always know that something good and new is going to happen when we see her coming.

Mrs. Guy Brady made us happy with a window box of beautiful flowers last Monday. Mrs. Everett came as a pleasant surprise to our room and told us a real live story. We hope she will come again soon. Bill Hubbard and Sidney Guy Preston report that they visited the brakes during the holiday and saw lots of Christmas trees.

Mack Bradley spent Sunday with his cousin, Morris Payne. Elsie Bernice Etter spent Sunday at Wells with her auntie.

**HIGH FIRST and LOW SECOND**

We welcome Gladys Manning to our room as a new pupil. We surely do miss Perry Cox and hope he is happy in Crane City school.

Delbert Pemberton isn't in school this week as he had his tonsils removed last week, in Lubbock.

**HIGH SECOND**

Hope Shook and Glen Sutton are absent because of illness.

The high second got two new readers last week.

We surely enjoyed the holiday Friday and we were glad we got to help with the P. T. A. program Wednesday.

**LOW THIRD**

We are sorry to report that W. B. Hicks, Jr., is leaving this week. He will continue in school in Muleshoe. We hope he will visit us often and that he will like his new home.

We are going to have a little Fire play in Chappel next week. There are 13 characters in the play.

Merl Miles was absent from school Monday on account of sickness.

**HIGH THIRD**

We are all so happy to have Willis Vaughn back in school after several week's absence. We are glad to say that we only have three pupils out picking cotton. We are trying our best to win the banner for our room but we can't do it by ourselves. The mothers will have to help us by seeing that we get to school on time and attending the P. T. A. meetings. That counts 25 points toward the banner. So come to the next meeting and help us win the banner.

**HIGH and LOW FOURTH**

Miss Sargent's room is glad to welcome Randell Foster back to school after being absent on account of work.

One of our pupils, Raymond Stoke had the misfortune to break his arm, of which we are very sorry.

We are very proud of our new maps as we can tell more about where we are in South America. We lack only one country in South America before we come back to the United States by way of the Panama Canal. That country is Venezuela.

We certainly enjoyed the program Mrs. Gooch's room gave last Friday about Armistice.

Estelle Eubanks, Reporter.

**HIGH SIXTH GRADE**

We will help put on a program at Chapel Friday morning. We wish that all our mothers might be here.

Our "Big Sister," Miss Roxie Hancock, will help us with our program. Won't you come?

Lois Burdett was absent Monday and we sure do miss her.

**LOW AND HIGH SEVENTH**

We had a little excitement on last Monday afternoon. Old Witch Frigal paid us a visit. She brought us some of the most delicious oranges, apples and candy. Of course we enjoyed her visit.

Mrs. Shumake, our room mother, called on us last Friday afternoon and reading to us a most interesting story. We were all in on giving Mrs. Shumake a handkerchief shower. We hope she will come again soon.

We entertained in chapel Tuesday morning with two readings. We sang a song "Lullaby Land." We concluded our program with a story of the World War. Mr. King told us how the boys had to do in France during the great war.

Because last week was dedicated "Educational Week," and Governor Moody asked every teacher in the State to observe the week in some form Mrs. Gooch asked us to write themes on "The Value of an Education." Because we think this one exceedingly good, we are going to print it that you may enjoy it.

**The Value of an Education**

Low 7th Alvis Treadway

A good, all around education is one of the finest things that can be had in life, as it equips one to meet the rough places in life.

Some boys and girls go away to College, but do not get the real benefit of the school, because they go for a good time.

When they finish College, they are not prepared to meet the responsibilities that may come to them.

An education is of more value than anything when one is looking for work, because one that speaks good English is more likely to get work than one who doesn't.

An education helps us appreciate the finer things of life.

One who has an education looks on the bright side of things more than one who has no education.

**FRESHMAN NEWS**

Miss Sorrells took the Freshman class on a picnic Thursday evening. We had plenty to eat and it was enjoyed by everyone. We also enjoyed the holiday Friday as we have been working hard the past week.

**SOPHOMORE NEWS**

There were several sophomores who attended the foot ball game at Tahoka last Friday. The touchdown was made by a sophomore, Eugene Gardenhire.

O'Donnell is also having a game

here next Thursday. We hope to have a large crowd out to yell for us.

You will find plenty of Neat oil and shoe polish at the Elmer Shoe Shop. Now is a good time to get that set of harness.
