

Nunnally In Borden Co. Race

I am this date announcing my candidacy for re-election to the office of County Judge of Borden County.

I will appreciate your consideration and support in the forthcoming primaries and I am indeed grateful for your past support and cooperation.

If re-elected I shall continue to work for the interest of Borden County and its citizens, with fair and courteous treatment of all, but with favoritism to none.

PTA To Meet

A very interesting program is planned for the O'Donnell P.T.A. Thursday, Feb. 10. Dr. Stanley Madeja, Associate Professor of Applied Arts at Texas Tech will be the guest speaker. Dr. Madeja will use "Art of Children" as his topic to speak on.

During the program for the adults the children will be shown a film in the Study Hall.

The P.T.A. executive committee would like for all parents and interested school patrons to please keep this date in mind. The local P.T.A. needs everyone's support and asks for your attendance at all meetings. This will be an interesting and worthwhile program.

Please come to P.T.A. Thursday, Feb. 10 at 7:30 — and bring the family!

Gauchos Place Third Nationally

O'Donnell Junior Gauchos received their trophy Monday night for having placed third in the nation among junior riding groups. The awards were announced back in December at the national convention of American Association of Sheriff Poses and Riding Clubs in Little Rock, Ark. according to W. H. (Punk) Cook, president of the Gauchos.

They received the 21-inch silver trophy at the district meeting in Lubbock Monday night.

Mr. Cook says this West Texas district made almost a clean sweep of junior awards in the national judging in junior events. Lubbock Rangers was first, Hart Riding Club second, O'Donnell third, and a Brownfield girl was named national junior "queen" among 151 districts in the nation.

O'Donnell Gauchos participated in eight events last year. Judges fill in score sheets which are sent to the District organization, which in turn are sent to the National organization, where they are graded.

The Gauchos take members from any age up to 21, from "the time a child is able to handle a horse." There are about 30 members now, but new members are being sought, and Mr. Cook says they would like to have some more riders from Tahoka.

In addition to Cook, Boyd Barnes is vice president, and Mrs. Cecil Kizer is secretary. The club meets each third Monday night at 7:00 o'clock at Jackson's Cafe north of O'Donnell.

Rotary News

The O'Donnell Rotary Club met with President Truett Hodnett presiding. Visiting Rotarians were Happy Smith, Jerry Cain, and Harold Reynolds of Tahoka, and Joe Spikes, Clyde Brannon and B. J. Vaughn of Lamesa.

Special guests of the O'Donnell Rotary Club were Armando Amaro and Denzil Smith. Armando is a senior in O'Donnell High School and has the scholastic rating of "the Upper Ten" in the senior class. Denzil, also a senior, is a member of the National Honor Society and was elected the Favorite Band Beau.

From Bonnie Scotland, the program for the luncheon originated. Mr. and Mrs. Wayne Clayton, guest speakers, presented Scotland to the Club with pictures and very interesting "high-lights" of their recent visit to Scotland.

I received a letter from the Regional Post Office Dept. stating a decision has been made to consolidate the 3 routes into 2 routes starting February 26, 1966. Your routes will be known as Route 1 and 2. Route 1 will consist of all former Rt. 1 boxes plus 41 boxes, from the former Rt. 3. Route 2 will consist of all former Rt. 2 boxes plus 65 additional boxes off of the former Rt. 3.

This consolidation will make a few patrons receive their mail earlier while some will receive their mail about the same time and the rest in the afternoon. When this goes into effect all former Rt. 3 patrons living west of the McMillan Rd. will receive their mail off of Rt. 2 Carrier. All former Rt. 3 patrons living east of this road will receive their mail off of Rt. 1 Carrier.

If you have questions about this change ask your Carrier or personnel in our office.

O'Donnell 4-H Girls Meeting Saturdays

O'Donnell 4-H Club girls met recently in the home of Mrs. Jack Wood to organize a foods subject matter group. LaNita Wood gave a demonstration on making candy, using a recipe from the Foods and Nutrition Unit One guide.

Plans were made to meet each Saturday in two separate groups, according to Miss Wood. The girls will learn new ideas and skills in foods and nutrition according to accepted Extension Service methods. To conclude the series of meetings a County Foods and Bake Show will be held in Tahoka, March 19, where the girls will display their favorite food.

Girls attending the meeting were LaNita Wood, Sharon and Rhonda Payne, Harriet and Charles Cook, Pamela Allen, Beth Franklin, Tandy Barton, Connie Kizer and Belinda Harris.

All interested girls are invited to attend and may contact LaNita Wood for time and place.

G. C. McPherson Buried Monday

Funeral services were held in Tahoka Monday at 11:00 a. m. for Grover C. McPherson, 48, resident of Fort Stanton, N. M., but formerly of Lynn county, who died Saturday afternoon in a Roswell, N. M. hospital following a long illness.

Services were conducted in White Funeral Home Chapel by Rev. Jim Turner, pastor of the First Baptist Church, and burial followed in O'Donnell Cemetery.

Born in Kansas City December 19, 1915, Mr. McPherson came to Lynn county with his parents in 1924 from Corsicana. He last lived here in about 1948 in the Newmoore community.

He is survived by three sons, Travis of Hereford, Grover Allen of Ft. Rucker, Ala., and David Lynn of Clovis; his step-mother, Mrs. G. C. McPherson of Tahoka, and two grandchildren.

Pallbearers were A. G. Crutcher, J. G. Rogers, Virgil Adams, Jack Hoskins, Alton Snider, and Hubert Webb.

County Teachers Meeting Monday

A representative of the Texas State Teachers Association, Mr. John H. Lovelady, is scheduled to speak to the Lynn County Unit of TSTA on Monday, February 6, at 7:00 p. m. in the Wilson High School auditorium, according to Harold Reynolds, Tahoka superintendent.

Mr. Lovelady's subject will be "Future TSTA Legislation and the Committee of Fifteen."

A former classroom teacher, coach, principal, and assistant superintendent before becoming a member of the headquarters staff of TSTA, Lovelady is well versed in the various phases of public school education and challenges facing our school today. He is Director of TSTA's Professional and College Relations and is the staff consultant for the State Teacher Education and Professional Standards Committee. He has appeared before teachers organizations, parent-teacher associations, and other interested groups throughout the state of Texas.

Mr. Lovelady is a graduate of the University of Texas and received a Masters Degree from Texas Western College in 1948.

Still more new cars and diesels, too, for Santa Fe.

Our \$145-million improvement program for 1966 includes 60 high-horsepower diesels and 5,000 freight cars. That brings our investment—in just 4 years—to more than \$360-million for 18,000 modern cars and diesels. All to serve still better our busy Santa Fe Country.

Soon more than 20 per cent of Santa Fe's huge fleet will be less than four years old. But this does not tell the whole story. Many new cars are longer; others have capacities multiplied 2½ times; many haul double the tonnage of cars they replace. Our fleet of giant 100-ton covered hopper cars for grain, and other bulk commodities is being expanded. Soon 5,600 of them will be in service—with the carrying capacity of 11,000 conventional box cars! Half of Santa Fe's diesel freight

power is in new high-horsepower units—and more keep coming to move our trains on fast, dependable schedules. How can we help you? Just call your local Santa Fe Agent.

Job Corps Needs Male Trainees

The Texas Employment Commission office in Lubbock is again recruiting for Job Corps applicants. The Employment Commission is the official screening agency for male applicants for the Job Corps.

Qualifications for the Job Corps include the passing of a physical examination and certain educational level tests. In addition, a boy must be between the ages of 17 and 22 to be eligible for enrollment. Boys who are in school as a general rule, are not eligible for enrollment in the Job Corps. In all instances the boy must be able to secure written consent of his parents or guardian for enrollment.

The Job Corps gives a boy who has dropped out of school a second chance to complete his education and to learn a trade at the same time. There are many types of training available to Job Corpsmen such as automobile mechanic, welder, radio mechanic, truck driver, clerical, butcher, and many, many more, too numerous to list.

War On Weevil Proves Success

Abbeok—The 1965 High Plains Boll Weevil Control Program has been deemed highly successful by Texas A&M University entomologists who have monitored effectiveness of the project since it began in 1964.

The latest spraying effort resulted in a 99 percent reduction in overwintering boll weevils, according to Dr. Perry L. Adkisson, professor of entomology at Texas A&M and head of the research effort behind the program.

In 1964, the diapause control program resulted in a 90 percent reduction in overwintering weevils.

It is credited to a two-phase program developed from research findings of Texas A&M entomologists.

In the second phase of the attack, applications were scheduled at 10 to 14 day intervals as in the 1964 effort, he said.

Adkisson presented the report Jan. 4 at a luncheon here hosted by Plains Cotton Growers, Inc. for cotton compress officials. The compress men have been instrumental in helping gather farmer's contributions for the program.

The control effort is designed to keep the weevil from attacking the rich cotton of the South Plains area. Under the program, aerial made to kill diapausing or hibernating weevils in an eight county zone bordering the eastern edge of the South Plains.

Adkisson estimated that with latest campaign against the cotton applications of insecticide are the greater effectiveness of the program almost 4,800 weevils per out the last two year's control program would have gone into hibernation.

Thanks to the project, an esti-

tem featured applications at five to seven day intervals during September which, in theory, prevented female weevils from laying eggs that might have later developed into overwintering adults, Adkisson said.

Adkisson said the boll weevil has become well adapted to the conditions of the area and would have advanced westward if there had been no massive control effort.

The noted entomologist cited the Plant Pest Control Division of the U. S. Department of Agriculture for their efficient job of planning and executing the spray campaign.

The only hitch in 1965 program came when heavy rains in September reduced the effectiveness of the second insecticide application. The rains came at a critical time, Adkisson said, and so the cost of the program was pushed up because a wider area had to be sprayed in the later phase of the attack.

New Quarters For Library, Agents

Plans are underway by the Commissioners Court to redecorate and improve the former ASCS building for use of the County Agents and the Lynn County Library.

The county bought the former Security State Bank building originally for the ASCS office, which moved out last week to a new building erected across the street south of First Baptist Church by W. T. Kidwell.

When reconditioning of the building is complete, offices of County Agent Bill Griffin and Home Demonstration Agent Billie Carr will be moved to the front, or east portion of the building.
