Contract Is Let For Lynn County Oil Test

Specifies 5,000 Ft. Hole C. O. Edwards Land

Another proposed test stilling fire because of the death of promoter, Mr. McCuskey, a number of local people are this week notably excited over prospects Lynn county will have another well in the immediate future. The well is to be drilled within a mile of the other test well drilled by the Hart people several years ago and will be, we understand, on the corner of the SW 1-4 of section 29 or the C. O. Edwards land. H. Doak tells us that J. B. Hart has been busy some time procuring a block of oil leases for the people, and it is believed that proposed test is the result of his idea. E. B. Germany of Dallas built the 5,000 ft. well.

As far as we can learn, no further attempts have come up in the well which was to have been drilled just southeast of O'Donnell. It will be remembered that Lindsay of Lamesa and Mr. Doak worked together in securing a block of leases, and that they as Mr. McCuskey had gone to ship the rig out. He left Lynn Thursday night, and died on Sunday night. However, some have indicated that will carry out his plans, so Lynn and Dawson counties may soon be another oil field.

Gilbreath Undergoes Major Surgery

E. E. Gilbreath, wife of the president of O'Donnell public school and herself a member of the Y, underwent an emergency operation for appendicitis at a Lubbock hospital Sunday morning. As we go to press are that she as well as could be expected. E. Gilbreath had not been well several weeks but had stayed in bed all last week. She was seriously ill early Sunday morning and was taken to the hospital at five o'clock.

Palmer Returns To Temple Hospital

A. W. L. Palmer, accompanied by his daughter, Miss Thelma, returned to a Temple sanitarium Saturday last week for examination and possible surgery.

Palmer Returns To Temple Hospital

Palmer has not rallied from a recent surgery and is still in serious condition for some time.

Index Joins with other friends in hope that she may soon be recovered.

Work Great Aid To Relief Projects

Beginning with Tuesday of last week 94 men on the relief roll of the county are being employed on highway 9 caliche basing north of Tahoka. Friday 12 additional men were put to work with the 94, and 112 more men were put to work. Commissioner Waldo McCreary states that approximately 300 men will be used in this work through the winter.

she is being taken from the depot on the Leody land just in the city of Tahoka. This work will be several month's time, and it is hoped that the topping work will be done as soon after as weather permits.

114 Students Have Perfect Attendance Record Last Month

An all-time record for perfect attendance was set in the local school last month when 141 students qualified for that honor. Ninety-six were from the Grammar School and 45 from High School.

However, Superintendent E. E. Gilbreath reports that tardies are increasing to an alarming degree. Last month there were 148 tardies in the entire school, 92 in the grades and 56 in high school. This month there were 245 out of 370 students enrolled. Of these the grades had 117 tardies for the 239 pupils, and high school had 128 out of 131 enrolled. This number is increasing rapidly especially among the freshmen and sophomores.

Attention of the parents is called to this situation and their cooperation in relieving it is earnestly solicited by the faculty.

Those making the perfect attendance roll are listed by grades as follows:

First Grade: Ruth Marie Vandell, Katherine Lackey, Billy Joyce Smith, Billie Mae Simpson, Nedda Ruth Marshall, William Wood Hodges, Wyman Jones, J. E. Lackey, Billie Eugene Rodgers, and Delbert Wade Vandell.

Four Die at Bridgeport When Big Settling Basin Caves in

Here is the scene of the cave-in at Bridgeport, Texas, where four men lost their lives. The big hole was a settling basin for the Bridgeport filter plant, under construction. After being buried alive, four workmen were drowned when water came up while they were working to dig them out. The dead are Bud Shaw, 29; Claude Mader, 29; Nolan Gohr, 21 and C. H. Furr, 54. In the picture workers are shown vainly seeking to rescue the four doomed men. (Texas News Photos.)

Plains Pioneer Dies; H. T. Gooch Dies November 18th

Sunday, November 18, marked the passing of another pioneer and builder, when H. T. Gooch died at the family home west of town.

Funeral services were conducted Monday afternoon at the Methodist church, and he was laid to rest beside his wife, who preceded his in death some seven years.

The church and grounds were filled to overflowing as friends, old and young, gathered to pay their last respects to one who had been a leader in the opening up and developing of the South Plains. Rev. J. O. Haymes of Lubbock, Rev. W. K. Horn of Meadow, Rev. W. C. Hart, Rev. G. W. Montgomery and Rev. A. Loper pastors and friends of the deceased, paid eloquent tribute to him as a man and a citizen, and a church member, he having been a member of the Baptist church for more than 60 years.

Mr. Gooch, who had passed his seventy-sixth birthday, came to this section of West Texas more than a quarter of a century ago. He acquired extensive land holdings, and became well established as a cattleman. The old Gooch ranch comprised hundreds of acres, and the ranch home has been a landmark for years.

As time passed, however, and the range was turned into farms, Mr. Gooch led the march of progress, and the vast ranch as divided into farms. Planners in every sense of the word, the Gooch family has meant much to the growth and development of this territory, while no mere word could express the esteem and honor in which the father has been held by everyone with whom he came in contact. In the homely phrases of a lifelong friend "they're just about quit making men like him."

Brownfield-Lamesa Game Friday Night

So many local football fans have asked concerning the date of the Brownfield-Lamesa game that are saving time by publishing the fact that it will be played at Lamesa tomorrow evening (Friday, Nov. 23), and the game will be called at the high school football field at 7:30 p. m.

This game will be the deciding one for the championship of the southern half of the district, with the winner to play to northern champion on Thanksgiving Day.

The executive athletic committee of District 3, Class B, ruled Saturday that another Levelland player was ineligible, and as a result of this ruling Levelland forfeited a game to Littlefield, which leaves Littlefield and Ralls tied for the northern half championship.

Fans who have followed the Lamesa and Brownfield games remember that Lamesa has never had a walkover in contests with the Cubs even though the Tornados have defeated apparently stronger teams easily this year. The Tornados sustained injuries in the Stinson game which may influence the outcome of Friday's game. McKinnon, Berry, Burdine, Morgan, and Boswell have been recuperating from injuries, and as these men are counted among the most formidable of the Tornado lineup, the game may prove to be an up-set.

Government Will Buy More Cows

County agent V. F. Jones has received word from officials that five hundred more cows will be bought from Lynn county owners some time soon, but no definite date has been set. Mr. Jones believes that no stock under a year old will be bought this time.

Returned Missionary To Lecture Friday

Mrs. E. L. Conyers, a missionary recently returned from the field in Gall, Columbia, South America, will speak at the Cumberland Presbyterian Church at 7:30 Friday evening.

Mrs. Conyers is a fluent and forceful speaker and her address should be extremely interesting. Everyone is cordially invited to come and hear her.

Santa Fe Burglar Killed By Officers

Reports from the office of Sheriff B. L. Parker last week were that Walter Bush, charged with burglary of the Santa Fe depot here some time ago, was fatally wounded by officers at Covington, Ky., on November 10, dying the following day.

Local Pastor Returns For Another Year

Appointments for Methodist pastors of the Northwest Texas Conference were read Sunday evening at the session closed at Abilene. Rev. G. W. Montgomery, pastor of the local church for the past year, was returned for the coming year also.

Rev. and Mrs. Montgomery have made many friends in O'Donnell during their service, and the church as a whole welcomes their return.

There were few changes in the Lubbock district, the most important being the transfer of Rev. J. O. Haymes from First Church at Lubbock to Amarillo as presiding elder of that district.

County agent V. F. Jones has received word from officials that five hundred more cows will be bought from Lynn county owners some time soon, but no definite date has been set. Mr. Jones believes that no stock under a year old will be bought this time.

Merchants Plan Variety of Seasonal Bargains

With Wednesday's northern ushering in some real winter weather, plans for O'Donnell's Trades Day were going strong. Merchants have piled up their counters and display windows with some of the greatest bargains residents of this territory have ever seen, and the drop in temperature promises that you and your family will need plenty of these bargains.

Entertainment for the day will depend largely upon the weather. If it is cold and disagreeable, you will not care to bring your family from the comfort of home until late in the morning, and in this case there will probably be no morning program arranged.

In the event that it is cold, every merchant and business man eagerly offers his place as headquarters for Trades Day visitors, and you will be cordially welcomed into any store in town while you rest and thaw out, whether you buy or not.

Christmas and Thanksgiving wares are on display now, and you can find the answer to every one of your gift problems right here on the shelves of our home merchants.

COME TO O'DONNELL MONDAY - BUY FROM YOUR HOME MERCHANT - AND YOU'LL SAVE MONEY.

Pension Bill Meeting Is Well Attended

Several hundred persons attended the mass meeting at the Methodist church Monday evening when the Townsend Pension Bill was discussed and plans formulated whereby local people may be of assistance in getting the measure passed through Congress.

Rev. A. Loper, pastor of the Baptist church, Rev. G. W. Montgomery, pastor of the Methodist church, D. M. Estes, J. R. Mayo, and others led the discussion.

Briefly explained the bill proposes that every man in the nation over the age of 60 years be retired from active business for gain, and paid a pension of \$200 per month on the condition that this money be spent each month, thus placing many millions of dollars into circulation annually.

To finance the measure, a sales tax would be assessed on the nation. According to statistics quoted, there are more than ten million residents of the United States who could come in the sixty-year classification, which would mean no little bit of spending.

Petitions were distributed among several men present, to be signed and sent to our congressman asking that he use all possible influence to bring about the legislation.

C. C. Dry Goods Opens Great Expansion Sale

Along with other Trades Day ads which appear in this issue, C. C. Dry Goods store has a double page spread announcing the opening of their Expansion Sale here Friday morning. Special attention of our readers is directed to this ad.

Mr. Cahoon has been in O'Donnell for more than eight years, and during that time he has never failed to give his customers the very best merchandise money could buy, and at as low prices as he possibly could. In addition to this, he has cooperated in every way in the building of our community, and has stood by our folks in every way.

When a merchant of this character announces that he is going after business in the good old fashioned way, giving extra value for less money, we believe the trade territory will nominate his methods and his spunk and will back him to the limit.

Along with the bargains, Mr. Cahoon is offering some amusing and interesting prizes, and also some valuable ones. Be one of the first 25 customers in the store Friday morning, and get a prize. Save your Trades Day tickets with the store name on the back, and maybe you will win another valuable gift.

Come to C. C.'s Expansion sale Friday and all the days thereafter—you won't regret it.

Eugene Debenport left Friday morning for Canyon, where he will work and go to school.

Slumber Party Honors on Friday Night

Naming as hostesses Mrs. Golden Simons and Miss Alice Rachelson of Lorenzo, Mrs. H. A. Lattimore entertained a number of slumber party set with an informal party Friday evening, with the feminine sets remaining for a slumber party remainder of the night.

A theatre party and impromptu singing about in town filled the early part of the evening, with music and games at the Lattimore home later. After the departure of the gentlemen, the young ladies popped corn, played cards, and enjoyed games until about four o'clock. As they were all growing sleepy by that hour, the hostess prescribed a brisk run around the block in the mist, which was decidedly effective in rousing sleepy-heads. Breakfast and moon exercises on the porch completed the program.

With the hostess and honorees present were Misses Tempie and Sibyl Bolch, Ruth Marie Howard, Wynna Vermillion, Varma Mae Anderson, June Gary, Kimmie Lee Pearce, Margaret Miller, Iva Dimple Ancock, Novell Ratliff, Josephine Morrison and Jewell Bean; Messrs. Don Hensley, Dick Egggett, Vernon Kirkland and Pat Gary.

Needle Club Honors Departing member

When members of the Needle club met with Mrs. E. U. Manor last Saturday the hostess found herself an honoree at an informal farewell party.

Each club member brought a hand-picked gift of some sort, and these were presented to Mrs. Manor with the best wishes of the club. Two quilts were placed during the hour, at the close of which refreshments of cake and hot chocolate were served to Meses. W. H. Veazey, Ek Veazey, Buchanan, McKenzie, Day, Weatherly, Brandon, LaGrone, Rogers, J. F. Rogers, Holt, Dungey and Thomas.

The club will meet with Mrs. Leban this afternoon at three o'clock.

Friends Enjoy Evening of Sing-Song

Friends and relatives of Mr. and Mrs. G. G. Vaughn were guests last Sunday evening at an old-fashioned sing-song.

Those enjoying the hospitality of the Vaughn home were Mr. and Mrs. Marcus Pearce and family, Mr. and Mrs. Perry Clayton and family, Mr. and Mrs. Monroe Vaughn and daughter, Mr. and Mrs. L. C. Autrey of Modesto, Cal., Mr. and Mrs. Dallas Vaughn and son, Mrs. Emma Pearce, M. Estes and the hosts.

Mrs. Charlie Shook, who accompanied her parents, Mr. and Mrs. E. Bean, on a vacation trip to South Texas, returned to her home at Morristown, New Mexico, Tuesday of this week.

Mr. and Mrs. Harm Bean left Tuesday for Estancia Valley, in New Mexico, where they will spend the winter.

Misses Grace Hasley and Jewell Bean and Mr. Odwin Hasley spent the week end in Lovington, N. M., attending a house party. They return Sunday night.

Mr. and Mrs. L. C. Autrey and daughter of Modesto, Calif., were guests of Mr. and Mrs. G. G. Vaughn and family a few days last week.

Misses C. C. Caldwell and Fay Westmoreland and Miss Thelma Palmer were in Lubbock on business last Friday.

Mrs. L. C. Autrey of Modesto, Cal., Miss Effie Vaughn were guests of Mr. and Mrs. Perry Clayton last Sunday.

J. M. Christopher and D. M. Ester were in Lubbock this week on business.

Mr. and Mrs. Calvin Fritz visited Sunday at Edulou Sunday.

Mr. and Mrs. L. W. Smith of Monaca were week end guests of relatives and friends here. Mrs. Smith will be remembered as Miss Ina D. Servis.

Mrs. Harvey Everett and little daughter, Harvey Ann, of Wink, spent the week end here with relatives and friends.

Mrs. F. E. Norton, who has been here for the past month attending to her mother, Mrs. E. H. Schooler, returned Sunday to her home in Dallas.

P. A. Anderson made a business trip to Lubbock Monday.

Miss Fay Gooch of Bay, Arizona, has been here several days, having been called home by the illness and death of her father, H. T. Gooch.

Judith B. P. Maddox was here Monday on relief business.

Mr. and Mrs. Roy Everett and little daughter, Wanda Zell, returned from Amarillo, where Mr. Everett had attended a Phillips 66 dealer's meeting.

Mr. and Mrs. Charles Cathey were in Lubbock Sunday.

Mr. Mac Wilson returned Friday from Rule, where he had been called the illness of his mother. She was slightly improved when he left.

surprised us Friday afternoon of last
week with a big box of candy, which
we sorely did appreciate.

We will be glad when our English
teacher, Mrs. Gilbreath, is able to
return from the hospital.

One of our pupils, Frances Barrow
has been called away because of the
illness of an aunt.

L. E. Robinson, Herman Stokes,
Max Harter and Nichelle Howard
went to Post Friday to the football
game.

Sixth Grade: We enjoyed a visit
from our room mother, Mrs. C. C.
Caldwell, and appreciated the theatre
party she gave us.

We have had several of our six-
weeks' exams this week.

Miss Anderson suggested having a
Good English box to try to keep us
using correct English.

We have completed a border of
Autumn leaves for our room.

Fifth Grade: We have a new pu-
pil, Reba Grace of Tahoka. This
brings our enrollment up to 36.

We are much interested in our
school work, and are getting ready
for exams. Three of our students,
Mary Jane Jordan, Lena Mae Single-
ton and Junior McLaurin, have made
100 in spelling every day this week.

We would enjoy visits from our
parents, so they can see what kind
of work we are doing.

Miss Howard and Mrs. Gibbs have
taught our room this week, as our
home teacher is in a Lubbock sani-
tarium.

Fourth Grade: We have a new pic-
ture of President Roosevelt that Mrs.
Farrington gave us, and we are very
proud of it. We are taking our six
weeks' examinations, and are trying
hard to make good grades.

Our spelling honor roll for the
week includes Wanda Zell Everett,
Martha Jean Houchin, Marcell Lambert,
Allie Jo Schooler, and Betty

**WEEKLY COTTON GRADE
AND STAPLE REPORT FOR
WEEK ENDING NOV. 8, 1934**

The report released today by the
Division of Cotton Marketing at Aus-
tin, Texas, giving the quality of cot-
ton produced in Texas shows that, of
the total classed during the week,
28.4 per cent is Extra White, Extra
White Strict Middling and better
comprises nearly 32 per cent of all
grades for the week.

In the White Standard, Strict Mid-
dling and better grades amount to
one fifth of all grades, Middling 12.2
per cent and those grades below Mid-

dling, 2.6 per cent. This means that
slightly under one-third of the cot-
ton for the week is reported as White
in color.

All Spotted Cotton this week is
reported as 26.3 per cent. Strict
Strict Middling and better is 21 per
cent, while grades below Middling
total less than one per cent. The re-
port indicates that less than .05 per
cent is found in the other colored
section.

The cotton classed this week is di-
vided into staple lengths approxi-
mately as follows: Shorter than 7-8
inch, 28 per cent; 7 1/2 inch, 49 per
cent; 15-16 inch 16 per cent; one

inch 3 per cent and longer than
14 per cent.

The percentage of tenderable cot-
ton is estimated at slightly less than
that reported last week, being 71.6
per cent. Of the total cotton classed to
date, 84.7 per cent is tenderable.

Miss Effie Vaughn was the guest
Sunday of her sister Mrs. M. A. Scott
Vaughn.

Howard Scott, who has been at
Hobbs, N. M., for several months,
spent the week end here with his pa-
rents, Mr. and Mrs. M. A. Scott.

WARD OF THANKS

Though words could never express
how much our friends have meant
to us in our grief and loss, we take
this method of trying to tell you, in
small measure, how we appreciated
everything you did for us during the
illness and death of our beloved father,
H. T. Gooch. Your interest in his
welfare while he was with us, and
the words and deeds of kindness and
sympathy at the end were all that
friends could have done. The floral
offerings were beautiful, and we ap-
preciated them all.

May our Heavenly Father bless
each of you, and send you the same
kind of friends in your hours of sad-
ness.

The Gooch family.

Eagles Defeat Post 10-7 In Final Game

In spite of a referee who apparently was seeing his first football game that afternoon, the O'Donnell High School Eagles closed out an undefeated season last Friday when they defeated the Post Antelopea 10-7 on the latter's home field.

Some 300 fans accompanied the team and the pep squad over to Post a fact which is much appreciated by Coach Johnson and the football boys.

This game was the most closely contested one the Eagles have played this season, and the second time this fall that an opposing team has scored.

In all fairness, we gladly say that the Post players themselves were clean fighters, but spectators declare that this was one of the most heart-breaking games our boys have ever played. Heart-breaking because of the manifest partiality of at least two of the officials. We do not give this as our personal opinion; our own feelings on the matter would not be allowed to go through the mails.

The Eagles made three third downs in the first three plays, but the game was delayed considerably because of the frailty of the Post players, several of whom were taken out in the opening minutes of the game. Captain Stokes was forced to call his boys down, reminding them not to play so roughly or they soon would be minus any opponents.

However, the referee got on the job immediately after these gains by the Eagles, and began his duty of calling penalties. Because of his distinguished and unequalled talent for calling blocking "clipping" the Eagles were penalized 65 yards with other penalties for similar offenses.

In spite of his efforts, however, the boys succeeded in running up 19 points before the Post team scored. DeBusk made all the ten, kicking a beautiful field goal in the second quarter and making the touchdown and kick for extra point in the same period. The fight for the touchdown was the occasion for some of the prettiest team work our boys have shown the entire season. Every man was right in his place at exactly the right time, and the combined efforts of the other ten hoisted DeBusk over the line.

He was rather severely banged up himself, having enjoyed the combined attention of the Post eleven immediately after his field goal, and was not rational enough to know what he was doing. With this handicap however, he went by instinct and made a pretty kick for the extra point. A little later he received a twisted knee when tackling and was carried off the field. As a Post fan remarked, "it took three tries to get him, but he finally had to get out."

With this exception, all the men who started for the Eagles finished the game, though Coach Johnson sent in seven substitutes for short periods each.

The game lacked the usual speed and brilliance which has distinguished Eagle performances of this season. Antelopea ends played too wide for the sensational end runs of Morrison and Burnett, neither of whom could get clear for their customary 40 or 60 yard runs for touchdowns. Both these men turned in good solid games however, and Morrison can off his black and gold uniform with the knowledge that he has done a good job this year.

Bob Line and Moody Gibson played their hardest games at ends, and both men did work that saved the day for the team. Pirtle used some of his basketball tactics in flying tackles and stopped the Post players before they cleared the line "Booger Red" McGee was right in there with his partner and before the game was over his stocky figure was a dreaded one for the Antelopea. Captain Stokes and "Trapper" John Stephens held their places in the line with a drive and force that meant the Stop sign for the opposing team, while "Pup" Davis at center nailed the Post ball toters numerous times to prevent gains.

Ray DeBusk has already been mentioned as high point man for the day. Pig Hunt made several of his spectacular passes, and was in the game every minute, while Morrison and Burnett did some good old plain football playing.

All in all it was a hard game, with the local boys working under a handicap such as they have not faced this year. It is a matter of pride to the home folks that they could still get in there and play their best under such conditions, and that they were in spite of adverse circumstances.

Such a situation is in marked contrast to that which has prevailed when visiting teams have come here. The one time that a visiting team has been penalized on Johnson field was in the Crosby game, and on that occasion Captain Stokes personally requested the referee to recall the penalty. That, dear reader, is the spirit of our team we have, and we're prouder of that one display of sportsmanship than we are of the undefeated season. We'd far rather our boys would lose than see them unfair-ly.

Sideline Excitement

Another regrettable feature of the afternoon was the fact that some Post citizens were looking for a little trouble—and they found it. Two of them wandered across to the O'Donnell side of the field and took exceptions to the encouragement being offered to the team by the home folks. Their wisecracks were brought to a sudden halt, however, when an O'Donnell man knocked one of them down and eagerly offered to whip everybody in Post who wanted it.

Further hostilities were stopped immediately by local people who stepped into the fray, and the Post delegation of two went back to the other side of the field, sadder and wiser.

Out of justice to the good people of Post, however, we hasten to say that this display of bad manners was deplored and regretted by the better element of the town.

No Further Games

As the Post game was the last one on schedule this season, there will probably be no other, according to Coach Johnson. The boys have played nine straight games since the opening of the season and several of them are somewhat banged up. It had been hoped that a game might be matched with Stanton, but as this is being written nothing definite can be announced.

For the most part, fans agree with the coach that the boys are entitled to a rest. They have hung up the best record in the history of the school, and it seems to be tacitly agreed that they can lean back and take it easy until next year.

(Personally, we doubt whether the fans could live through another game we'd have to try it.)
