VOLUME XIII

O'DONNELL, LYNN COUNTY, TEXAS, THURSDAY, AUGUST 13, 1936

NUMBER 42

## Rodeo Will Open This Evening With Parade

of Visiting Comedians; Congressman Mahon Will Crown Rodeo Queen

With a number of out-of-town comedians already on the grounds, all preparations for the first Rodeo are nearly complete as we go to press, according to the promoters, Elmo McCann and O. L. Harris.

The rodeo will open with a parade of visitors and contestants, with the coronation of the Rodeo Queen, the coronation of the Rodeo Queen, the coronation of the Rodeo Queen, and the presentation of her ladies-in-waiting will be the opening number of the evening performance. Congressman Geo. Mahon has wired his acceptance of the invitation to crown Her Majesty, and he will be here early this afternoon. The coronation will have special seats for the platform at the end of the arena, and she will herself welcome guests to O'Donnell and officially crown the Rodeo.

promoters are much gratified to receive their invitations to stars from over the entire South and they believe that they will show which will be well worth nominal admission fee. Calf roping, steer riding, calf penning, bronco riding, wild horse races, trick roping, every other cowboy rodeo feat with some new ones arranged for this occasion, will be in each performance. Stock is in shape, some of it imported from distances, and all indications are that this will be a rodeo that's really good.

After the performance itself, the ball will be held on the open pavilion just off the town square. The Queen and her court will open dance with the Grand March, at which time will be open to the public. Thanks to the courtesy of Hoppy, candidate for representative, pavilion will be wired with loud-

## WOODMEN CIRCLE IS ORGANIZED SATURDAY

For the first time in several years, O'Donnell will have a Woodmen Circle, this group having been organized last Saturday. The local organization was named O'Donnell Grove No. 2171, and meetings will be held each second and fourth Wednesdays.

Officers were elected as follows: Past Guardian, Jennie V. Bowlin; Guardian, Fieta Allen; Advisor, Myrtle McDonald; Captain and reporter, Ann Thompson; Secretary, Belle Knight; Banker, Molly Lee Pacer; Chairman of Auditors, Merle Womack; Second auditor, Gladys Gibson; Third auditor, Bonnie Rochelle; Attendant, Toye Thompson; Assistant attendant, Loree B. Franklin; Outer Sentinel, Mildred Giddard.

## UNDERGOES APPENDECTOMY

Katherine Allen, 13-year-old daughter of Mr. and Mrs. E. D. Allen, was taken to a Lubbock hospital at three o'clock Wednesday morning after being seized with an attack of acute appendicitis. She underwent an operation for the removal of her appendix Wednesday afternoon, and is doing as well as could be expected at this writing.

E. J. Bean has authorized us to send the Index to Mr. and Mrs. Thomas Howard at Bluffdale for the coming year. Mr. and Mrs. Howard are former residents of this section, and will recognize much of our local news. We thank you, Mr. Bean.

they have been instrumental in putting on a good, clean, show for the town, they will be more than satisfied. Any support and cooperation will be remembered by the boys and by their relatives, and there will perhaps be a time and an opportunity when they will be able to repay those who have helped them.

We refuse to give any more details of their plans now—come to the rodeo tonight and see for yourselves. The field will be lighted with electric reflectors and flood lights, and it will be a lot cooler at the arena, than sitting at home. We'll see you at the rodeo.

## Uncle Jimmy Pratt Is Buried Tuesday

Uncle Jimmy Pratt, resident of this section for almost half a century, passed away at the family home near Indian Canyon Monday afternoon about five o'clock after an illness of only a few days. Funeral services were conducted from the home at eleven o'clock Tuesday morning, and interment was made in a Lamesa cemetery that afternoon.

Survivors are three daughters, Mmes. Bill Stephens of Hobbs, Jim Calcutt also of Hobbs, and Elmer Hollar of Gall, and his widow. A son died several years ago.

Uncle Jimmy was a native-born Englishman, but loved his adopted country with an unwavering loyalty which would finally reach the age when he could join a crew of the hard-hitting, rough and ready men who built the railroads across the continent, fighting summer sun, winter blizzard, and all the hazards of Indian warfare as they worked. Uncle Jimmy was a member of the crew which laid the first thin lines for the Santa Fe across the Panhandle, and after the job was complete, he came back to the Staked Plains to make his home.

Here he married and reared his family. Uncle Jimmy spent almost half a century right here among the weather-beaten canyons of the Caprock. He was injured in a car wreck about ten or twelve years ago, and those old injuries, with his advanced age, were contributing causes to the end of a romantic and colorful career.

Rough and plain in his speech, Mr. Pratt was the living picture of the average Englishman, the John Bull of fact and history. All the indomitable courage and determination of that race was epitomized in his one frame, with the adventurous spirit and daring of those hardy seamen who took the new world from the Latin races and from the Indians. He was an entertaining conversationalist, and could talk by the hour of experiences in old England, the England of another century, as well as thrilling and hair-raising yarns of the days when the United States were being carved out of mountain and plains.

His death took a picturesque member from the fast-thinning ranks of the real pioneer not only of this particular section, but of the nation as a whole. Uncle Jimmy was one of our most faithful subscribers, never failing to Indian Canyon Monday afternoon at the time his subscription had expired, and we always enjoyed his visits and his talk. We shall miss him next spring when it's time for his regular visit.

Scores of O'Donnell people, along with friends from Gall, Snyder, Big Spring, and Lamesa, were present Tuesday for the funeral services and for the interment service later, and each one paid a simple and human tribute to a sturdy old character.

The Index joins with other friends in extending sympathy to the bereaved family.

## CHURCH OF THE NAZARENE

Rev. V. B. Attebury, district superintendent, will be here this evening, (Friday) to hold the regular church conference. All members are urged to be present.

The annual summer revival will open next Thursday evening, with Rev. R. M. Hocker in charge of preaching services. It is somewhat unusual to open a revival in the middle of the week, but the evangelist writes that he can be here from that date until August 30, and it was deemed best to utilize his services the full time possible.

Mr. and Mrs. J. C. McCarley were in Lubbock Wednesday at the bedside of their niece, Katherine Allen, who underwent an appendectomy in a Lubbock sanitarium about eleven o'clock.

## Light Shower Monday Brings Little Relief

A light shower which fell, apparently only on the town section, brought little relief Monday afternoon from the intense heat wave under which the South Plains has sweated for the last week. None of the farming territory received any moisture Monday, but practically every section is urgently in need of rain, and without delay.

Crops are burning as they stand, and while there has perhaps been no material injury as yet, a continuation as this drought and heat wave for a week longer would be serious. In the Middle Western states, and in certain sections of our own state, there have been several deaths because of the heat. We sincerely hope that we may report general rains by next week.

C. H. Doak, our local weather prognosticator, is predicting rain on or about the 26th, but this is one time we hope Mr. Doak is looking too far ahead; rain today would be more to our use.

## SALEH RETURNS FROM FALL BUYING TRIP

N. Saleh of the Economy Dry Goods company returned Friday night of last week from a buying trip to Kansas City, St. Louis and St. Joe, having spent a week or ten days in those market centers.

Anxious to have new Fall merchandise, and especially that which will be needed at the opening of school, Mr. Saleh ordered lavishly of the new prints and novelty materials which are suitable for school dresses. Children's shoes, sweaters, etc., as well as several cases of piece goods, have already arrived and dresses, coats, hats, and other merchandise will be coming in daily.

He extends a cordial invitation to all his customers and to rodeo visitors to come in and inspect the new Fall goods.

Mr. and Mrs. Boyd Keeton from son returned Wednesday night from a two weeks' vacation, which they spent with her sister at Balmorhea. They stop in Big Spring for several days to take part in a revival meeting there.

Who opens a revival at the church of the Nazarene here next Thursday evening.

## Beauty Shoppe Will Change Location Soon

Carpenters and handymen have been hard at work since noon Wednesday making preparations for an extensive rebuilding and redecorating program in the basement quarters of the First National building, which will be occupied in the near future by Mermel's Beauty Shoppe. Walls and ceiling will be sheetrocked and finished a pure white, electricity will be installed, booths built, lavatories and basins installed with a water heater, and various other improvements made.

Miss Womack, whose shop has for three years been located in the Everett Barber shop, states that she has purchased several items of new equipment, such as dryers, facial chairs, chairs to be used with the dryers, etc. This new equipment will be finished in silver and black, and this color scheme will be followed in all decorations.

It is now thought that all work will be completed in time for the change to be made about September 1st.

Mr. and Mrs. Rudolph Middleton announce the birth of a fine 8½ pound son on Wednesday, August 12. Mother and baby are doing well and it is believed that Rudolph will recover eventually.

## VISITORS AND FRIENDS

We join with the community in welcoming you to the rodeo, with the sincere hope that you will thoroughly enjoy every moment of your stay with us.

To add to your pleasure, we have ordered special shipments of new Fall goods, including lovely new dresses for ladies, shoes for men, women, and children, and hundreds of other items. These frocks include the clever new tunic styles, pencil-slim suits, softly feminine afternoon creations. All the new colors and in a wide range of sizes. We invite you to come in and see them.

Several shipments of new shoes have arrived this week, featuring the new high-cut ties and straps in all the beauty of suede, kid, and combinations. You can't keep from buying them when you see them.

## Why Gulf is the Gas for August

WHY NOT BEAT AUGUST HEAT by driving someplace for a swim? And if you want to keep your gas bills down, don't forget you need a fuel with a formula that fits hot weather. Otherwise your gas doesn't burn completely—part of it escapes through the exhaust unburned, wasted. Delayed from last week's issue, the twenty-ninth birthday of the local church of the Nazarenes was celebrated on Saturday afternoon, August 1, with an informal luncheon and shower of gifts at the

parsonage. The Keeton family was packed and ready to leave for a vacation when the guests began arriving, saying that they had come to say good-bye.

When all had arrived, the gifts, one for each year, were brought in and presented in a beautifully decorated basket. The birthday cake was served and the gifts were distributed.

Mr. and Mrs. Mac Wilson, former residents and business people who moved away into the wilds of New Mexico two years ago, have returned to O'Donnell to make their home. For the time being Mr. Wilson is at the home of Mr. and Mrs. E. J. Bean, while Mrs. Wilson is visiting a sister at Haskell. They will probably go into some kind of business later.

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto immediately after Section 48, a section to be known as Section 48a, and to read as follows:

"Section 48a. In addition to the powers given to the Legislature under Section 48 of Article III, it shall have the right to levy taxes to provide a Retirement Fund for persons employed in public schools, colleges and universities, supported wholly or partly by the State; provided that the amount contributed by the State to such Retirement Fund shall equal the amount paid, for the same purpose from the income of each such person, and shall not exceed at any time five per centum of the compensation paid to each such person by the State, and in each school district, and shall in no year exceed the sum of One Hun-

**MISS RUBY LEE WILLIAMS AND ELMER DANIELS MARRIED**

Coming as a complete surprise to their wide circle of friends, Miss Ruby Lee Williams and Mr. Elmer Daniels were quietly married Tuesday at the Methodist parsonage. The pastor, Rev. M. R. Pike, read the vows in the presence of only members of the contracting parties and a few friends.

Both young people are well known in O'Donnell. The bride is the charming and attractive daughter of Mr. and Mrs. W. W. Williams, long-time residents of this district, and has spent the greater part of her life here. She has been a student in the local public schools, and was active in athletics during the past two years.

Mr. Daniels has been connected with the Lynn County Motor company

as mechanic in the repair shop for the past seven or eight years. He is a considered one of the most capable and substantial young men in town, near to Mr. Daniels.

The Index joins with others in extending hearty congratulations and best wishes for their happiness and prosperity.

**DAVIS DRUG**

The owners are happy to announce the connection of Mr. and Mrs. Marshall Whitsett with the store again.
