

## Around Muleshoe

The Bailey County chapter of the American Heart Association raised approximately \$2,000 during their annual Radio Day auction held Saturday, February 19, on KMUL. Their next meeting is scheduled for Friday, March 4, at the Corral Restaurant.

Little League sign-up is just around the corner. Anyone wanting to play ball will need a copy of their birth certificate at sign-up. It is suggested that a parent accompany. For more information, contact Brock Sanders at 272-3229 or Bill Liles at 272-3010.

Lazbuddie Schools will observe their annual "Spring Break" beginning February 28 and running through March 5, according to school officials.

The Bailey County Farm Bureau will be holding their Board of Director's meeting on Thursday evening at 7:30 p.m., March 3, 1983 in the Bailey County Farm Bureau office. Any members are urged to attend this meeting.

State Comptroller Bob Bullock has announced that Phillip Land from his Lubbock Field Office will be at the Bailey County Courthouse in the County Commissioner Courtroom on Tuesday, March 8, 1983 from 2:00 p.m. to 4:00 p.m. A Comptroller's Representative is available to assist local residents at the courthouse the second Tuesday of each month.

The public is welcome to the Caprock Council sponsored Girl Scout E.T. (Extra Terrific) Fair, scheduled for Saturday, March 5. Cont. Page 9, Col. 5

## Jennyslippers Plan March Skateathon

The Women's Division of the Muleshoe Chamber of Commerce and Agriculture (Jennyslippers) will sponsor a "Skyrocket Skateathon" on Saturday, March 26 at the Bailey County Civic Center beginning at 9 a.m. and going until 5 p.m. Sign-ups for the event will be held on Friday, March 4 from 7 p.m. until 9 p.m. The "Skyrocket Skateathon," as it has been dubbed will have pledge returns on April 8, Friday from 7 until 9 p.m. so that all pledges can be turned in at one time.

There will also be skating on Friday, March 4 from 7 until 9 p.m. during the sign-up period.

Prizes total over \$500 and skaters who fulfill their pledges and turn in all their pledge funds will be

FARMERS IN A QUANDRY--Farm producers have begun lining the halls and forming lines inside and outside the Bailey County ASCS office the past few days in a last minute attempt to get signed into the PIK program. Only 11 working days remain until the March 11 sign-up deadline. There will be no extensions. Local Director Rusty Williams advises Bailey County producers that the time is growing short and sign-up takes a while to complete.

## '83 Varsity Cagers Better Than Season Play Shows

After all is said and done, scoring stats show that the Muleshoe High School Varsity Basketball team played a closer season than their 11 to 15 season record would reflect. Coach Jim Pope's Mules scored a total of 1393 points for the season, while their opponents scored 1472 against them - a mere 79 point difference. Average scoring for the other teams in the playing was 57 points per game and compared to the Mules' average of 54 - the Mules look better all the time.

Final District 2AAA standings ended up with the Dimmitt Bobcats, 1982 defending State Champs in first place with a 10-0 district record and a 30-0 season-wise.

Abernathy finished second in District with 8-2 and 23-8 for the season. Littlefield was 5 and 5 in District and 13-10 for season play. Friona finished fourth with 3-7 district and 12-15 for season. Tulia finished behind the Mules in sixth place with 2-8 in District and 10-18 for the season.

Basketball stats on final season standings for the Mules show Darin Shaw as leading scorer for the Mules with a total of 263 points, averaging 10.1 points per game. Shaw played 26 games and attempted 284 field goals, completing 108 of them for 38 percent. He had 80 free throw attempts with 43 of them good for 54 percent there. Shaw picked up 72 rebounds, but had 80 turnovers and incurred 69 fouls for the season. Shaw will return next year.

Michael Isaac was second highest scorer for the Varsity totaling up 251 points overall averaging 9.7 per game. He hit 111 out of 251 field goals and a 66

percent average and attempted 66 free throws making 31 of them for 47 percent. Isaacs was also second leading rebounder for the Mules with a total of 214 rebounds to his credit. Michael had seventy turnovers and 86 fouls during the season in 26 games.

John Isaac came up as third high pointer for the Mules and leading rebounder for the 1983 season. John stacked up 236 total points hitting 95 out of 258 field goal attempts with 36 percent and zeroing 48 out of 101 free throws for 48 percent. Isaac rebounded 319 times for the

## March 4 Scheduled For World Day Of Prayer

The "World Day of Prayer" will be celebrated this year on March 4, 1983. Sponsored in the United States by Church Women United, this annual observance unites women of faith in 170 countries on six continents around the globe.

World Day of Prayer observance in Muleshoe will be held Friday, March 4 at 7 p.m. in the Chapel of the First United Methodist Church.

1983 marks the 96th consecutive year in which untold thousands of women will gather to be part of this worldwide prayer witness. World Day of Prayer, translated into many languages, may well be the most widely used Christian literature in the world apart from the Scriptures.

The service for 1983 was written by Christian women from the island countries of the Caribbean on the theme, "New Persons in Christ," representing a

## Farmers Swamp Local ASCS Office

### School Board Rehires Coaches; Supports UIL

The Board of Trustees of the Muleshoe Independent School District met in a specially called meeting on Monday, February 21 in the School Administration office.

The majority of the meeting was convened in executive session regarding personnel, with coaching staff members being the subject of discussion. In actions which resulted from the executive session, the Board elected to employ Kevin Wiseman, assistant high school coach for the 1983-84 school year; also employed on the same basis was Jerry Robinson, High School assistant coach; Scott Murray, High School assistant coach; and Kent Hargis, Junior High coach.

In other executive decisions, the Board elected to re-assign Jim Pope, formerly head boy's basketball high school coach, to the position of Junior High Athletic Coordinator. The Board also approved a re-assignment request submitted by Robert Brandon, pending a position for which he is certified is available for 1983-84 school year. Brandon had requested a full time teaching position with no coach-

ing responsibilities for 83-84.

Other items on the regular agenda included the Board's approval of a resolution supporting the University Interscholastic League's present organizational structure. This resolution indicates that the School Board, all department heads of the school and administrators are opposed to the altering, elimination or restructuring the UIL in any form. And, that they also oppose House Bill 556 which would establish an interscholastic league under the State Board of Education.

No action was taken following Page 9, Col. 1

Waiting lines have gotten consistently longer this past week and many Bailey County farmers are spending a lot of time at the local ASCS office in order to get in on President Reagan's "crop swap" plan before the deadline of March 11.

Bailey County farm producers have only eleven working days in which to get their farms signed-up into either the regular farm program or into the "Payment-In-Kind" plan.

While some farmers still procrastinate the sign-up, their delays could be the cause of them not being in any type farm program, thereby eliminating any program or farm benefits. Producers who have exceptional amounts of land have been spending as much as

six to eight hours in the county ASCS office to complete their applications according to one farmer who happened to be waiting in line at the time.

Congressman Kent Hance in an effort to clear up a shortcoming in the PIK program, testified before a key committee on Wednesday, stating that many farmers in the West Texas district were refusing or backing off from the PIK sign-up because of the possible adverse tax consequences. Hance's newly introduced bill, H.R. 1296, which would allow farmers to have the option to declare PIK commodity certificates on their taxes in the year they receive them or in the year they sell them, was reported to have been approved late Wednesday, thus removing the stumbling block from the PIK program.

By way of explanation, in an earlier statement, spokesmen for the IRS had issued a ruling that farmers must declare PIK commodity certificates as income in the year they receive the certificates. Hance said "Under normal circumstances, the IRS will not require the farmer to declare income from a crop except in the year it is sold. Under the PIK program, however, the IRS attempted to turn the tables."

Bailey County ASCS Executive Director Rusty Williamson stated Friday that "Time is running out for farmers who are not in the program yet." He also emphasized the fact that "on March 11 at 5 p.m., the County ASCS doors would be closed and

## Law Officials Busy Over Past Week

Muleshoe Police have had a fairly busy week from February 11 through February 20, with a number of traffic violations.

On February 20, City officers arrested Alonzo Melendez Sigala on a charge of DWI near the Alsup's Convenience Store after he failed to pass sobriety tests. On February 15, a 1980 Chevrolet owned by Scott Murray was parked and was backed into by another auto driven by Jerry Mick.

Taylor Express Mart reported the theft of \$5 worth of gasoline by a white female on February 11. Employees reported having seen the woman in the business prior to that time.

On February 12, Danny Kelly reported a criminal mischief incident where someone threw eggs on his house and vehicle.

On February 13 Sergio Sigalom reported an incident aggravated assault which occurred in the Agricultural Housing Complex. An unknown party broke out windows in the complainants home and cut at him with a knife. No suspects were named in this incident.

Police arrested Jessie David Sotelo on February 13 on charges of DWI and evading arrest after he was observed northbound on First street and driving erratically. He was taken to Cont. Page 9, Col. 3

## Nursing Home Residents Have Birthday Party

Eleven residents of the Muleshoe Nursing Home were honored on Thursday, February 24 with a birthday party. A party is held once a month in the home for residents having a birthday in that particular month.

Those who were honored Thursday ranged in age from 93 to 47 years young, with some having identical birth dates. The celebration was hosted by the Needmore Community Club and special musical entertainment was furnished by Mrs. J.C. Shanks. Corsages and boutonnieres were presented to each resident celebrating their birthdays which were provided by Flowers Unique.

The celebration was in honor of the following nursing home residents: Jerry Mudgett, February 22, 1896; Margaret Beard, February 2, 1910; Josephine Wenner, February 14, 1890; Russ Duncan, February 20, 1904; and Marie Ingram, February 12, 1916, Rosemary Pool born February 15, 1936.

Also honored were Ernest Holland, born February 26, 1891; Frank Butler, born February 21, 1893; Chellie Bradley born February 26, 1899; Louise Sullivan born February 27, 1924 and Ruby McCamish born February 17, 1905.

Each fourth Thursday in the month is reserved for nursing home residents' birthday celebrations.

CELEBRATION TIME--These members of the Muleshoe Nursing Home were part of eleven adults who celebrated February birthdays on Thursday of this week. The party was hosted by the Needmore Community Club. Shown here are: (standing) Russ Duncan and Marie Ingram; from left to right: Josephine Wenner, Margaret Beard and Jerry Mudgett.

FEBRUARY HONOREES--Ranging in age from 47 to 93, eleven residents of the Muleshoe Nursing Home celebrated their birthdays last Thursday, with a party and all the trimmings. From the left: Chellie Bradley, Frank Butler, Ernest Holland, standing: Louise Sullivan and Ruby McCamish and not pictured Rosemary Pool.

YOUNG SHOWS RESERVE CHAMP--The reserve grand champion Polled Hereford steer at the Southwestern Exposition and Fat Stock Show was this entry shown by Chris Young of Muleshoe, Texas, who is pictured at the halter. Judging the 47-head Polled Hereford steer show in Ft. Worth, Texas, was Russ Danielson, Fargo, N.D.

## Commissioners Will Meet Wednesday

The Bailey County Commissioners Court will meet in a special session in the Courthouse on Wednesday, March 2, beginning at 10 a.m. and will continue through the day, until all business is concluded.

Bob Blackwood will meet with the Court for discussion regarding cancer policies for county employees.

The County Treasurer will give her monthly report for review by the Court. Requests for indigent medical assistance in Bailey County will be heard by the Court.

Other items include the approval of previous minutes, payment of routine county bills and other miscellaneous items.

## FTA Convention Held In Dallas

The Texas Future Teachers of America convention was held last week and Mr. Stephen Johnson, Darin Shaw, Michael Isaac, Jeff Hamilton, Scott Campbell, Crista Taylor, Sherri Bessire, Rhonda Dunham, and Kacy Henry left for Dallas on Thursday morning at 5 o'clock a.m. After a long, rough drive to Dallas they checked into the Hyatt Regency Hotel where the convention was held. There were approximately 3200 FTA members attending the convention. The Muleshoe students and Mr. Johnson ate at a super nice restaurant, Southern Kitchens, where they had food, food, and more food!

On Friday morning the convention started with people campaigning for their nominee, hoping that their persons would win a state office. Muleshoe FTA'ers all campaigned for Darin Shaw who was running for financial secretary. Friday night, skits were acted out for each candidate. Muleshoe did a parody of "Batman" that was very successful. The candidates gave speeches on why they wanted to be an officer and why they thought that they would be the best one for the job. Afterward, there was a big dance held in the Hyatt Regency Ballroom for all 3200 kids. The Muleshoe FTA members especially enjoyed this.

On Saturday, Crista Taylor and Michael Isaac gave their speeches on "Goals Begin With Dreams" to 3 judges with hopes of becoming Mr. and Miss FTA. At this time they both were competing against 20 other speakers running for Mr. and Miss FTA. The preliminaries round boiled the 20 speakers down to 6, which were the finalists. Michael and Crista both made the finals round and they gave their speeches to 3 different judges hoping to make it to be one of the top three. Crista did and she had to give her speech to the rest of the convention of 3200 students. The judging was already done before she had to deliver her speech to the audience so it was not judged on her performance there. Crista placed third in the State Miss Texas Future Teachers of America. Both Michael and Crista were happy with what they achieved.

Darin Shaw won his campaign and he is the new Financial Secretary of the Texas FTA organization. He will attend all FTA conventions, both district and state.

The Muleshoe FTA'ers who went to the state convention all went ice skating Saturday night. They started home on Sunday, February 20, and stopped by to tour the Wax Museum and Water Gardens.

The Junior Class of MHS has completed its final money making project for the year. The "Computer Fun" questionnaire consisted of each student filling out a questionnaire and then, after computer evaluation, purchasing a list of his or her top ten companions the opposite sex. Some people were thrilled with their list, others were more doubtful!

The questionnaire was filled out by 428 students, 214 male and 214 female. The majority of these "average" looking people would prefer a brown-haired date of average height. On their first date some 301 people would prefer to go out alone. Two hundred eleven students enjoy dating one person regularly. Some 318 people at MHS feel that there is nothing wrong with some public affection, greatly outnumbering the 35 that feel it is wrong. A concert is the choice for the best place to go with a date.

Most people prefer to dance most dances or to dance slow when they attend a dance. However, if they were at a dance and only one couple was on the floor dancing, some 210 would wait until more people began dancing before they started.

Two hundred eighty-nine students said that sports is their favorite school activity. Going on to further education is most important for 274 people. One hundred twenty-nine will find a job and 22 would like to get married.

DARIN SHAW

The convention was a great success and the people who went enjoyed it thoroughly. The Mule's Tale Staff congratulates Darin, Crista, and Michael on their achievements.

## FFA Chapter

### Proclaims

### National Week

Monday night, February 21, the Muleshoe Chapter of the Future Farmers of America hosted a calf fry. Mayor Charles Bratcher attended, and signed a proclamation declaring National FFA week in Muleshoe. Representatives from the Lazbuddie and Three Way Chapters also attended. Muleshoe Ag Boosters had several representatives, as did parents of MHS Ag students.

A good time was enjoyed by all and the delicious meal was greatly appreciated.

## Calendar Of Events

Saturday March 5, 1983 7-8-9 track-Hereford, Girls track-Plainview

## Home Economics Classes View Demonstration

The Home-Economics Classes of Muleshoe High School were visited by a representative from the Texas Department of Agriculture to demonstrate how to make bread. This was called Bread-in-a-Bag, and with a partner, each made

a loaf. These breads were made with Texas wheat flour.

The classes also saw a film strip on Texas wheat. The flour from this nutritional grain is being used by more and more American cooks interested in improving the taste and nutritional value of thin baked goods. Bread and cereal products are an inexpensive source of energy, providing necessary carbohydrates.

For the bread-in-a-bag you need: 4 cups of yeast, 2 1/2 c. warm water (divided), 1/4 c. honey (divided), 1/4 c. nonfat dry milk, 2T. vegetable oil, 1T. salt, 3/4 C. whole wheat flour.

## Prom Theme Committee Selected

This year the junior class has had the homecoming mum sale, the Thanksgiving turkey supper, the cake walk, the Valentine carnation sale, and the Computer Fun questionnaire as their major money-making projects. With each project there were pre-sales, preparation, sorting, and clean-up duties. By virtue of their hard work on at least six aspects of the projects that the junior class has undertaken this year, the following students have been selected to serve on the theme committee for the Jr. - Sr. Banquet. Their job is to review all suggestions for themes by looking into the feasibility, estimated cost, available materials, etc., for each idea. The committee will be responsible for making the final decision based on their conclusions and made by a majority vote of the twenty-three committee members.

Any junior who has a good idea for a theme needs to fill out a suggestion form and turn it in to one of the sponsors, Mrs. Pat Black or Mr. Stephen Johnson. They need all suggestions by Wednesday, March 2nd after school. The committee will meet Thursday night to make the final decision. Members of the committee are officers: Jeff Hamilton, Darin Shaw, Sherri Bessire, Melissa Wilbanks, and Jay Gleason. Also serving on the theme selection committee are John David Agee, Mary Ann Ybarra, Deena Burris, Jay Cage, Melissa Wagnon, Chad Williams, Ronald Briggs, Sharla Morrison, Tonda Gunstream, Jimmie Lee, Dana Splawn, Jason Scoggin, Perry Whalin, Kelly Hamblen, Kacy Henry, Candy Long, Rachel Hodges, and Keisha Johnson.

HOMER PEREZ

In Memoriam HOMER PEREZ

June 6, 1966-

February 20, 1983

He served his high school well and took part in all he could, giving of his best. Beloved by those who knew him, he was our classmate, our friend, and we mourn his passing.

## Mules End Season Play

The Mules traveled to Dimmitt to take on the top-ranked Bobcats and were defeated by a score of 85-46. The Mules shot poorly for the game, connecting only 33% of their shots from the field. In the first half the Mules came out ice cold hitting only 7 of 28 shots (25%) from the field. They came out a little warmer in the second half but still shot below 50%. They hit 13 out of 32 (41%) shots in the second half. The Mules hit 50% of the shots from the charity stripe connecting on 6 out of 12. The Mules grabbed 25 rebounds for the game with John Isaac getting 11 of those boards. The Mules kept control of the ball turning it over only 17 times. Leading scorer for the Mules was John Isaac pouring 16 points. Michael Isaac and Jeff Hamilton each had 8 points. Other scorers for the Mules were Darin Shaw 6 points, Rob Donaldson 4 points, and Trent Hysinger and John David Agee each chipped in 2 points.

The Mules ended the season with a record of 11-15 and 2-8 in district. Dimmitt was the 1st place team in the district with an unblemished record. They were 30-0 overall and 10-0 in district. Abernathy came in 2nd with an overall record 23-8 and 8-2 in district.

## Golden Gleams

A man plunges into politics to make his fortune, and only cares that the world shall last his days.

-R.W. Emerson.

## HERO Met

### Thursday

Thursday, February 17, the members of HERO held a meeting in the Home-Ec department. President, Beth Harmon, conducted the meeting. Seven members were present and they discussed the HERO Area Meeting which will be held in Lubbock, March 4th and 5th. The ten members with the highest amount of points will be attending. These people will be announced at a later date. Next, the sales of pocket calendars were discussed. It was voted that the members would sell these and the beginning date of this calendar sale will be announced at a later time. After the short business meeting the members enjoyed refreshments which they all took part in preparing. They also had a free discussion.

## MHS Honor Nominations Due

At the beginning of third period Tuesday, March 1, every class will nominate one candidate for each of the following honors: Mr. MHS, Miss MHS, Prince of Friendship, and Princess of Friendship. Mr. and Miss MHS are chosen from among the senior class and Prince and Princess of Friendship may be taken from any grade. The Student Council sponsors these contests each year and students should be thinking about the people they would like to nominate.

Also, class favorite nominations in all four classes are being taken and elections will be held next week. Winners will be announced in next Sunday's Mule's Tale.

## Field Trip

### Date Changed

The English IV students will be going to Portales on Wednesday, March 2. They will leave Muleshoe at 8:30 and return at 3:00. The students were supposed to go March 23, but the field trip was postponed.

The students will go to the ENMU Library to look for one source on the topic of the research papers they are writing.

## TSTI Mobile Center Visits Muleshoe

The TSTI Amarillo Mobile Career Information Center visited MHS Thursday. All juniors and seniors visited the van between 8:30 and 3:30. They were given cards to fill out in order to receive information from TSTI and also were given a check list to indicate what fields of business they were interested in. The representative talked about TSTI and then showed a video tape. This helped the juniors and seniors to see the advantages of TSTI.

clean-up time. The whole wheat flour used in this recipe provides protein, minerals and fiber while the white flour adds Vitamin B and gives the bread its lightness. There are different ways of varying this recipe into different forms.

The whole project proved to be both educational and fun for the students.

JAMIE THRASHER

## MHS Teachers Will Have Poetry Published

Mrs. Jamey Thrasher, Freshman English teacher at MHS, received word last week that two of her poems, "Verbal Cartwheels" and "Hinges" will appear in "Cedar Rock," a journal of contemporary poetry. Mrs. Thrasher will also have another of her poems, "18", published in the literary journal "Separate Doors" this spring.

Mrs. Thrasher began writing poetry in the third grade with the encouragement of her teacher. Her first published poem, "18", was published in the "Poets of '74 Anthology." She also had a poem in Exordium Magazine while she was attending Texas Tech. At the Panhandle Plains Writers Workshop at Wayland Baptist University last July, "18" also won second place in the poetry competition there.

Mrs. Thrasher commented that her Andrews High School English teacher, Mr. Bill Neeley, introduced her to the "Writer's Market" and "Writer's Digest" in high school. These are the publications that she uses to find out where to send her work. Neeley is a poet and novelist now living in Saudi Arabia. He was a great help to her and very encouraging.

The Mule's Tale staff asked her how she ever finds time to write with her job and her large family. She said that she "makes time" and Steve, her husband, helps a great deal by doing the cooking so she can have some free time. Steve also does all of her typing for her when she is submitting her work ready to get to publishers. The Thrashers have three children, Chris age 4 1/2, Jada age 3, and Gabe age 2.

When asked where she finds her inspiration to write poetry, Mrs. Thrasher answered, "Raising a racially mixed family in a con-

servative environment has inspired me to put much of my emotions into my writing. Children express themselves so freely and openly that much of this can be applied to writing."

Mrs. Thrasher was also asked how she teaches poetry to her English classes. She said that she first introduces different types of poetry: romantic, pastorella, free verse, blank verse, perfect iambic pentameter verse, etc. that can be illustrated with artwork. Her students then put together an illustrated poetry notebook with examples of each type of creative writing including haiku, diamante, shaped, whimsy and concrete poetry. She also teaches that songs are poetry and has someone come to her class to do folk music and ballads.

In her final comment, Mrs. Thrasher said, "I mainly write for me because it is an escape. It helps to see it in print. I think more people should write for the therapy of it whether they ever publish." The Mule's Tale staff would like to congratulate Mrs. Thrasher and wish her luck with her writing!

## Drivers Ed Classes Offered

All students interested in taking Drivers Education this year need to sign up in the Principal's office. You must be 15 years of age at the time of the starting of the classroom phase which will be approximately April 1. The cost will be around \$55.00.

## Puppet Show Coming To Muleshoe

Muleshoe educators are in for a treat! The "Kids on the Block" puppet show, presented by the Region XVII Service Center in Lubbock, will be in Muleshoe on Wednesday, March 2nd at 4:00 in the high school cafeteria. The local unit of TSTA is sponsoring this informative program that deals with the special problems of handicapped kids. Each life-size puppet is handicapped, either crippled, blind, deaf, or restricted in some other way. The program also brings out one of the most prevalent problems of the handicapped, that of being accepted by the "normal" kids on the block. The program will help educators learn to facilitate the entry of these special kids into the normal routine and it will be FUN! TSTA invites every educator in the community to attend and bring a friend. Refreshments will be served and following the 45 minute program, there will be a brief business meeting and election of the TSTA officers for 1983-84. Don't miss out!

## FFA Prepares For Houston Stock Show

Several Muleshoe FFA students are leaving for the Houston Livestock Show Monday, February 28. They will be in Houston the entire week and return home on Saturday, March 5. Craig Hunt is the 16 year old son of Bill and Mary Hunt. He is a junior. Lupe Rejino is a freshman. He is the 16 year old son of Mr. and Mrs. Lupe Rejino. Sr. Jeff Vinson is a 14 year old freshman and he is the son of Mr. and Mrs. Buria Vinson. Kim Farmer is a senior and the daughter of Mr. and Mrs. Charles Farmer. Cheyenne Bickel is the son of Bennie and Helen Bickel. He is a 16 year old junior at MHS. Dee Kinard is a 17 year old junior. She is the daughter of Hattie Kinard. Michelle Stevenson will also accompany the FFA group to Houston. All of these students will be exhibiting barrows at the show. The Mule's Tale Staff would like to wish these students GOOD LUCK!

**TWISTERS IN PAMPA**--Carolyn Liles (Back) and Brenna Matthews, gymnasts from Hawkins and Purdy School of Dance and Gymnastics attended a meet in Pampa recently and brought home numerous wins as well as a medal.

**Epsilon Delta Names New Committees**

The Epsilon Delta Chapter of Epsilon Sigma Alpha met on Tuesday, Feb. 15, in the home of Louvenia Garlington. Ginger Caldwell was the co-hostess.

President, Lisa McElroy called the meeting to order. The role was called and Pat Young, treasurer read the minutes of the last meeting.

Tentative dates were then set for a bake sale and a radio, Channel 6 action was discussed.

New groups were named for the Food Committee, Social Committee and Awards Committee.

Sue Holt is the new chairman for the Awards Committee replacing Magann Rennels. Ginger Caldwell was named to the Social Committee.

The committee for the

Mother-Daughter Banquet will be Elaine Burgess, Pat Young, and Ginger Caldwell. The Auction Committee will be Dianna Harrison, Jan Crawford and Sylvia Vourazeris. The Nominating Committee will be Louvenia Garlington, Shirley Hicks, and Dianna Harrison.

Turkey finger sandwiches, Mexican dip with nachos and raw vegetables were served at an informal buffet following the business meeting. The dessert was a 30 day cake.

Members present were: Ginger Caldwell, Louvenia Garlington, Sue Holt, Lisa McElroy and Pat Young.

The next meeting will be held on March 7. Dianna Harrison and Sue Holt will be the hostesses.

Why?  
Why is there never enough time to do it right but always enough time to do it over?

**Two Twisters Win At District Meet**

Two gymnasts from Hawkins and Purdy School of Dance and Gymnastics attended a meet in Pampa last weekend.

The two girls were up against 37 other gymnasts from 22 West Texas teams. Caroline Liles, daughter of Mr. and Mrs. Bill Liles, competed in the 12-14 age group class 3CO division. Caroline scored very high in the vault competition, according to her coach.

Brenna Matthews, daughter of Mr. and Mrs. Darrell Matthews, competed in the nine to 11 age group class 3CO division. She placed sixth on the floor exercise in both the compulsory and optional competition.

Brenna brought home a third place and a medal in the vault competition.

The girls will travel to Midland this weekend to compete.

Their coach, Bob Cowley, traveled with these girls last weekend.

The girls will travel to Midland this weekend to compete.

**WOTS Weekly Meeting**

Thursday, Feb. 24 was "Eat Out Day" for the WOTS group. The group met at the Pizza Hut for their noon luncheon.

**Rhonda Dunham AAUW Girl Of The Month**

Miss Rhonda Dunham, a Muleshoe High School senior has been selected as the Girl of the Month for February by the Muleshoe branch of the American Association of University Women.

Rhonda is the daughter of Mr. and Mrs. Jack Dunham and is a member of the First Assembly of God Church.

She is serving as head varsity cheerleader. She has been a cheerleader from the 8th grade through the 12th. This year she is Senior class secretary-treasurer and has been a class officer every year in high school. She has served as secretary/treasurer of the Future Teachers of America Blackburn/Moore Chapter for two years. She has been a member of the Fellowship of Christian Athletes all four high school years and is the President.

Rhonda was selected for membership in the National Honor Society during her Junior year and is secretary/treasurer of the Society.

As a member of 4-H, Rhonda shows pigs in the stock shows and will attend the Houston Livestock Show during the first week of March.

Congratulations Rhonda on your selection as the AAUW Girl of the Month. The members are happy to have selected you.

**Creative Woman By Sheryl Borden**

Topics to be presented on "The Creative Woman" show on March 1 and 5 include information relating to interior design and sewing information. The show airs at 12:30 p.m. on Tuesdays and at 2:00 p.m. on Saturdays on KENW-TV, Portales.

Joanne Weston, interior designer for Hollons' Home Furnishings in Lubbock will be a guest and will discuss the procedure involved in using an interior designer's services, new trends in design both for commercial and residential buildings and will show some new fabrics especially appropriate for different styles of design.

Clotilde, sewing instructor and lecturer from Dayton, Ohio will also be on the show and will discuss important considerations in cutting, marking and sewing tools as they pertain to home sewing. She has co-authored the sewing book

**"Sew Smart." LATEST ARRIVALS**

**Zachary Adam Chester**  
Mr. and Mrs. Curtis Chester are the proud parents of a son, Zachary Adam, born at 6:20 p.m. Feb. 16 in the Methodist Hospital in Lubbock.

Zachary Adam weighed seven pounds and seven ounces and was 21 and a fourth inches long. He has two older brothers, Chad, three and Josh, two years of age.

Grandparents are Mr. and Mrs. Jim Bob Hargrove and Mr. and Mrs. Glen Chester, all of Sudan.

Great grandparents included Mr. and Mrs. Clayton Wells and Mr. and Mrs. Dorman Chester, all of Sudan and Mrs. Polly Hargrove of Lubbock and Mr. and Mrs. A.A. Sedgewick of Kress.

Mrs. Annie Chester of Sudan is great great grandmother.

**Andrew Weston Messamore**  
Mr. and Mrs. Haldon Messamore are the proud parents of a son, Andrew Weston, born at 12:01 a.m. Feb. 11 in the South Plains Hospital in Amherst.

Andrew Weston "Andy" weighed seven pounds and six ounces and was 21 and a half inches long.

Great grandparents are Mr. and Mrs. H.L. Messamore and Mr. and Mrs. V.R. Stagner, all of Amherst.

will be outdoor barbecuing, mail order gimmicks and decorative machine stitching. The show airs at 12:30 p.m. on Thursdays on KENW-TV.

June Norman, Home Economist with the Associated Milk Producers, Inc. in Albuquerque will demonstrate barbecue techniques on the indoor Jenn-air grill for the out door flavor.

Jackie Martin, Extension Family Finance Specialist with the Cooperative Extension Service in Las Cruces will discuss the techniques of mail order campaigns that entice consumers, and show the quality of some mail order products and the free gifts they offer. She will also discuss some of the laws protecting the mail order shopper and some helpful tips to follow when ordering merchandise through the mail.

Another portion of the show will be on decorative machine stitching, and the guests will Kaye McCown and Ann Silva. They'll demonstrate using the sewing machine's decorative stitching to resemble hand work, but done in half the time or less. These

ladies are with Ann Silva's Bernina Sewing Center in Albuquerque.

"The Creative Woman" is produced and hosted by Sheryl Borden for KENW-TV. Viewers can request copies of printed materials offered on the show by calling on the toll-free telephone lines. The numbers are: New Mexico: 1-800-432-2361; Out-of-State: 1-800-545-2359 and Portales and Roosevelt County: 562-2112.

**BIBLE VERSE**

"Where the spirit of the Lord is, there is liberty."

- Who is the author of the above statement?
- To whom was he writing?
- Has this statement proved to be true?
- Where may it be found?

Answers to Bible Verse

- Paul the Apostle.
- The Christians at Corinth.
- It certainly has.
- II Corinthians 3:17.

**Local Talent In 37th Annual German Play**

More than 30 students studying German at Texas Tech University will gain conversational experience as participants in the 37th annual German play in March.

"The Caucasian Chalk Circle" is set in a Caucasus Mountains village and involves a governmental coup which results in a social dilemma. The conflict for one family and a community is resolved through a controversial form of justice.

Students performing in the play from this area include: Arnold Muyschondt, son of Dr. and Mrs. Enrique Muyschondt of Muleshoe.

He is a Texas Tech freshman and plays the part of a soldier in the German play.

**REVIVAL**  
Evangelists Steve & Cozy Dixon Will Be The Guests Of The First Assembly Of God Church, 521 S. First

**Steve & Cozy Dixon**

Rev. Steve Dixon was born in Covina, California. Rev. Dixon has been traveling, preaching the Gospel since 1972, and has held crusades all across the United States and in most of the South American countries.

Steve Dixon, who was married in 1975, is a talented singer and pianist. He, along with his wife Cozy, minister the Gospel in song in every service. Most of their musical selections have been written by the evangelist, many of which have attracted the attention of internationally known Gospel music artists. Gary S. Paxton Publishing company is serving as Dixon's publisher.

In addition to the revival ministry, Steve and Cozy Dixon minister at youth camps, retreats and various conventions.

Summing up the thoughts of Steve and Cozy's ministry, Dixort said, "We minister the exciting Word of God and believe for signs to follow."

## Interstate Talent, Beauty Contest Set

Festival of Beauty, Inc. of Hollywood, California announces its interstate talent and beauty pageant for the Texas Charisma Girl of the Year which will be held June 16 to 18, at the Northpark Hotel Convention Center in Dallas.

Contestants will be judged on Poise, Personality and Talent. There are seven age divisions of competitions: one, two, three, four, five, six, seven, eight, 10, 11, 13, 14-16, and 17-22. An Overall Queen, a Talent Princess, a Modeling Princess and a Beauty Princess will be chosen from each age division.

Winners will receive paid entry fees to the National Finals, crowns, banners, trophies and other prizes.

Interested young girls should write Charisma Girl Pageant, P.O. Box 1766, Seminole, Oklahoma 74868, or may call (405)382-4194 for further information.

TUMBLING MEET--Three and four year old boys from Hawkins and Purdy School of Dance and Gymnastics competed in a Lubbock Tumbling Meet recently. (L-R) Vikas Mittal, Aaron Purdy, James Cox and Jason Barron. Not pictured, Tyson Moncrief.

*In Fashion*

Casual quilted warmers are popular with both men and women. Some of these handsome coats and jackets feature zip-off sleeves.

Found in this fall's men's wear collection is the classic styled wool cardigan and the pure cashmere sweat shirt. Sweaters and sweater vests are designed for comfort in the young man's casual wear.

## Commission On Arts Accepting Advisory Panel Nominations

The Texas Commission on the Arts is accepting nominations for new members of its nine advisory panels. The nine panels -- Community Arts, Dance, Education, Literature, Media, Music, Theatre, Touring, and Visual Arts/Architecture are composed of at least twelve members each, with the exception of the Touring panel, which has six members.

The 1982-83 Texas Arts Plan, which describes TCA's goals, programs and services, defines panelists as "experts or professionals in their respective fields who may be artists, arts administrators, trustees of arts organizations, or others knowledgeable in the arts." They come from differing geographic locations, ethnic origins, and arts disciplines, and meet twice a year in Austin to review grant applications submitted by Texas arts organi-

zations. Advisory panel members may be nominated by any interested persons or organization throughout the state. To be eligible, nominations must include a resume and be received by the Commission no later than April 1, although the Commission welcomes nominations in advance of

the deadline. Final selections are made by Commission members, and will be announced at the April 28 Commission Meeting. Appointments are made for three year terms.

Nominations should be sent to Jane Koock, Texas Commission on the Arts, Box 13406, Austin, TX 78711.

TWISTERS ATTEND MEET--The Muleshoe Twisters from Hawkins and Purdy School of Dance and Gymnastics attended a Lubbock Meet recently. (From left) Timmy Shipman, Kevin King, Michelle Finney, Jay Hawkins, Donnie Nowlin and Michael Angeley.

It is surprising how people can be manipulated by the dollar.

## Nursing Home News

By: Joy Stancell  
Wednesday afternoon Glenda Jennings, Brother Lewis Crenshaw and Jackie Johnson came to have a Sing-A-Long with the residents.

Friday afternoon Mr. and Mrs. John Boar and children, LaNell Stancell from the Muleshoe Church of Christ came to have a Devotional with the residents. Songs were sung, Bible scripture was read and thoughts and feelings were shared. Home made cookies baked by Mrs. Boar, were served to all the residents.

Sunday afternoon the Methodist Church came to sing to the residents.

Bunnie was visited by her son Ed Edmiston.

Lindy and daughters visited Mr. Kerr Monday.

Tuesday morning the residents attended a Resident's Council meeting in the Day Room of the nursing home, to discuss ways to improve the nursing home, to make it a better place to live and enjoy life.

Marie Ingram was visited by Nelda Merriott, Susie Vela, Jerry Hutton, Wilma Waddle, Barbara Swanski, Pattie Smith, Carman Leena, Kenneth Precure, Jennifer Davis, Vance Free, Maud Kersey.

Official Nebraska test have been completed on all five of John Deere's new 100- to 190-hp tractors. According to Tuffy Dent of Dent-Rempe, the new 50 Series Tractors set records for PTO-measured fuel efficiency, drawbar pull and low sound levels. The 4850 shown above on the test track at Lincoln recorded 20,810 lb. of drawbar pull, the most ever for a 2-wheel-drive tractor.

TEST RESULTS PROVE THAT THE 190-hp 4850 IS THE MOST FUEL-EFFICIENT TRACTOR AVAILABLE IN THE OVER-100-hp CATEGORY

# Producers Request Soybean PIK

The American Soybean Association (ASA), a farmer-controlled commodity organization, has asked Congress and the Reagan Administration to implement an export payment-in-kind (PIK) program to reduce U.S. soybean supplies.

"The Soybean Association commends the Administration for implementing the PIK program for corn, cotton, wheat, sorghum and rice," Ralph Weems, a Mississippi farmer and ASA First Vice President, said in a Thursday (February 3) hearing before the Production, Marketing and Price Stabilization Subcommittee of the Senate Agriculture Committee. "We believe PIK will help restore profitability to these crops. We understand why soybeans were not included in this program. While soybeans have the least surplus of all major crops, we ask Congress and the Administration to consider an export PIK program that will reduce soybean supplies and help re-build soybean farm income."

Weems outlined a 5-point ASA emergency program proposal that included:

- 1) An export PIK program for soybean oil similar to the recent wheat flour sales program to Egypt.
- 2) Expand PL480 recipient nations to purchase more of their commercial imports from the U.S.
- 3) Combine PL480 loans with blended credit and loan guarantees to provide "mixed-credit" programs that will help the U.S. compete with other exporting nations.
- 4) Expand use of soybean oil as a carrier for agricultural chemicals on national forest and range lands.

Responding to farmer concerns that soybeans are not included in the current payment-in-kind program, Weems said federal law prohibits a soybean PIK program. Weems also said USDA does not own enough soybeans to offer a soybean PIK. He said current CCC-owned stocks would limit a soybean crop swap of only 1 acre or 32 bushels of soybeans per U.S. soybean farmer. Weems said the projected soybean carry-over represents only 18 percent of the total estimated 1982-83 soybean usage. Projected carry-overs of other crops represent about 43 percent of the rice demand, 46 percent of the corn demand, 61 percent of the wheat demand and 81 percent of the cotton demand.

"Farmers are tired of selling soybeans at garage sale prices," Weems said.

It might pay some parents to know a little bit more about what their offsprings are doing and where they do it.

It is excusable to get tired when you work hard but the trouble with the average person is a tendency to get tired before working.

"We understand and support the Administration's decision not to include soybeans in the current PIK program. But, we believe the Administration should offer soybean farmers a creative international export program that will help reduce supplies and re-build soybean farm income."

## Sandhills Philosopher

Dear editor:

As everybody knows, the courts are so clogged with cases these days it takes almost forever to get a case tried, and even the Supreme Court is suggesting a sort of Semi-Supreme Court to take some of the load off it.

I'll tackle only one part of the problem—the time it takes to get a jury. It's not easy to find 12 people who don't read the newspapers or listen to the news on TV or even listen to gossip, or, if they've heard about the case, don't have an opinion on a man who has admitted butchering and burying 15 or 20 people in his spare time. Frequently it takes a couple of months to find 12 such people, longer if the defendant has enough money to hire enough lawyers.

What we need are Professional Jurors, people who do nothing but try cases and are ready to be sworn in the minute the judge takes his seat. They'd have to be kept in a sort of closed environment where news doesn't penetrate or gossip corrupt. They should be moderately educated but not so highly educated that they prefer theorizing to reasoning. All crime news would be out of their newspapers and their television programs would be taped re-runs. We couldn't have them listening to a regular program where some announcer might break in with a new bulletin announcing the outbreak of nuclear war right while they were deliberating on the guilt or innocence of a Congressman photographed in a hotel room taking a bribe. Such a news bulletin would have a tendency to take the jurors' minds off the matter at hand, causing justice to go away and further clogging the courts.

You might think it would be hard to find a group of people so open-minded, opinion-less and uninformed and willing to spend their lives as Professional Jurors, but if the pay is adequate they could be found.

I don't know how justice would be served under this system, but maybe it could come up to the kind where the man who discovered the burglary that produced Watergate has now been sent to the pen for a year for shoplifting a pair of \$12 tennis shoes and the top man in the Watergate scandal was given a pardon without even being tried.

Yours faithfully,  
J.A.

**By Spencer Tanksley  
County Extension Agent**

Farmers in Bailey County have been battling increasing numbers of soil insect pests in recent years due to the loss of some effective seed protectants and a general increase in pest populations.

Soil insects generally attack plants at, or slightly below, the soil surface, points out Spencer Tanksley, county agent with the Texas Agricultural Extension Service, Texas A&M University System. They feed on germinating seed, tender shoots and on roots of developing plants. Some tunnel into the crown of young plants. Heavy infestations can reduce stands and make replanting necessary.

Common soil insects included several species of cutworms, such as the variegated cutworm, black cutworm and climbing cutworms; wireworms and false wireworms; soil maggots; rootworms; and white grubs.

Wireworms and false wireworms often cause severe problems for grain sorghum and corn producers, notes Tanksley.

Soil maggots, including the seedcorn maggot and onion maggot, often cause seedling losses, especially in cool, wet soils.

Corn rootworms are severe pests of corn and grain sorghum. They reduce stands on thousands of acres each year and are probably the most serious soil pests in Texas.

White grubs attack corn, sorghum, small grains, vegetables and other crops. One white grub per foot of row will cause a stand loss in grain sorghum.

If damaging soil pest populations are detected, apply an approved pesticide according to label directions, suggests Tanksley.

Treated seed are effective against light infestations of wireworms and corn rootworms while broadcast or row-band applications are required for heavy infestations. Broadcast applications are usually necessary to obtain effective control of white grubs.

A list of crops, pests and pesticides are available in the County Agent's office.

**18. LEGAL NOTICES**

**LEGAL NOTICE**

The Texas Corn Producers Board will hold its biennial election on May 2, 1983. The terms of three present Board members will expire at that time. Any person within the following counties who is engaged in the business of producing, or causing to be produced, corn for commercial purposes, is eligible to vote, including owners of farms and their tenants and share croppers, if such person is required to pay the assessment that is collected on corn within the following counties.

The counties involved are Bailey, Castro, Deaf Smith, Hale, Lamb, Parmer & Swisher.

Any persons qualifying to vote in the election may place his name in nomination for membership on the Texas Corn Producers Board by application to the above organization, signed by himself and at least ten other persons eligible to vote in the election. Such applications must be filed

at least 30 days prior to the election date, in order to have his name place on the ballot.

The election will be held by mail ballot, which will be provided to all eligible voters not later than 15 days prior to the election. Ballots must be mailed to the polling place at 112A West Bedford, Dimmitt, Texas 79027, before midnight on the date of the election.

Any person qualified to vote who does not receive a ballot prior to April 11, 1983, may obtain one at his local County Extension Agent's office. pub. not. 18-9s-3ts

"Well, I'll tell you what I'm doing. I'm cutting back on my corn acres. How 'bout you?"

**"Planting less corn, but more XL-73 and XL-72aa."**

"Do you really have that much confidence in them?"

"Sure do. Can't beat them for the way they yield and stand up in the weather. And that XL-73 produces top-quality grain every time."

"Sounds good to me. But do you have any kind of performance data?"

"Right here. And take a look at T1230 while you're at it. It's another consistent hybrid you'll want to try."

"I see what you mean. This is mighty convincing."

"You'll be even more convinced when you plant them on your own farm, and prove it to yourself."

## Mules Stats

Cont. From Page 1

Mules, but allowed 58 turnovers and had 34 fouls. His average score per game was 9.1.

Totalling up 209 points for the Mules was Mark Moton. Moton also had the best average in shooting of any Mule on the court, according to statistics. He attempted 254 field goal tries and made 89 for 35 percent and looped through 29 out of 44 free throws for 66 percent, averaging 11 points per game for the 19 games he played. Moton also was responsible for 67 turnovers and had 33 fouls.

Also tied with Moton for fourth place high point for the 83 season is Jeff Hamilton, who also totaled up 209 points for the Mules, with an 8 point per game average in 26 games. Hamilton went for the field goal 222 times, hitting 122 times for 55 percent. He attempted 86 free throws for a 57 percent and a total of 49 points. Hamilton rebounded for the Mules 114 times, but caused 54 turnovers and had 46 fouls.

Macario Reyes, who only played ten games this past season managed to score a total of 93 points for the Mules, averaging 9.3 points per game. Reyes went to the basket 70 times, hitting 32 times for 46 percent. In free throws, he had the highest percentage of accuracy of anyone hitting 29 of 33 for 88 percent. He had 22 turnovers and 17 fouls, but added his share to the Mules efforts.

Trent Hysinger, a newcomer to the varsity squad added 426 total points to the Mules tally during the past season. Hysinger tried for 39 field goals hitting 17 and 44 percent. His average on free throws was much better, hitting seven out of ten for 70 percent. He picked up 29 rebounds, had 20 turnovers and 22 fouls, averaging 2.2 points per game in the 19 games played.

A boy who played a total of 16 games, Leroy Hur-

In other business, the board received a progress report on the renovation project at the High School. The report indicated that approximately 90 percent of the work is now completed.

tado, added 407 points to the Mule score sheet in overall records, with a 2.5 average points per game. Hurtado went to the well forty times, hitting 17 times for 43 percent. On free throws, he hit six out of twelve for 50 percent and had ten rebounds to his credit. Leroy had twenty turnovers and twenty-three fouls.

Rob Donaldson scored 288 points for the Mules averaging 4.7 per game in the six games played. Donaldson tried 21 field goals making 11 of them for 52 percent. He hit six out of seven on free throws for 86 percent and picked up 15 rebounds. Donaldson caused three turnovers and had four fouls.

Another player who had a short season was Chubby Ramos. Chubby played nine games and added 169 points to the Mules' score-board, averaging 1.8 point per game. He tried 34 field goals hitting 7 and six free throws getting two for 33 percent. Ramos rebounded 11 times, had 16 turnovers and 11 fouls for the season.

Other members of the Varsity Mules who contributed to the team included Hector Flores, Mike Pugh, John David Agee and Preston Langford.

All in all, the Mules went for 1457 field goals, making 578 for 39 percent; they had 445 free throw attempts and made 250 for 56 percent. Total rebounds were 911 with an average of 35, total turnovers were 419 with an average of 16 and fouls were 370 with an average of 14. Overall scoring tally ended up at 1393, with a 54 percent average for the Muleshoe High School Varsity basketball team of 1983.

locked," Williamson re- lented slightly by saying that those in the halls and inside the building would be waited on until everyone who was left was taken care of."

There will be no exceptions made, nor extensions granted - each and every application must be fully complete with all necessary signatures or according to Williamson, the application will not be considered.

The County Director expressed his desire, along with the County Committee's to be fair to everyone

and treat everyone the same. "These area farmers just need to get up and get on in here - we will do all we can to get them taken care of," he said.

Whole base bids will be opened by the County Committee on March 18, Friday in the Muleshoe State Bank Community Room. A farmer will know at that time if his bid has been accepted. Williamson told the Journal that complete figures and totals on the PIK sign-up, locally and nationally, will be available from Washington on March 22 but would not be released prior to that date.

will receive a three channel walkie talkie from Gordon Wilson Appliance and eighth, two handle instant cameras (or a Kodak Tele Ektra Camera from Western Drug.)

Special award prizes will be given to every skater who brings in \$75 in pledges, "not having won any of the ones listed.

These skaters will be given their choice of a watch from Lindsey's Jewelry, an AM-FM radio from Perry's, or a football, basketball or volleyball made by Rawlings from Sammy's Sporting Goods. All prizes will be awarded.

**APPOINTMENT ANNOUNCED**-Summit Savings Association of Plainview has announced the appointment of Darrell Turner as the Branch Manager of their Muleshoe office. Turner has been associated with Summit, formerly Tri-County, as a loan officer and Vice President for the past five years. Prior to that he was in the auto business for 13 years. He and his wife, Gayle have three children and have been Muleshoe residents for 18 years, moving here from Amarillo.

## Law Enforcement

Cont. From Page 1

the county jail and booked.

On February 14 Lorenzo (Buster) Kirvin was arrested by City Police on the investigation of a theft. Pay and Save Grocery Store reported to local police on February 14 that a party had entered the store and taken some batteries, then attempted to leave the store with them.

Cecilio Chavez was arrested on February 13 on charges of fleeing an offi-

cer and racing with another party. He was arrested and bond was set at \$200. The auto was impounded.

On February 13, Raul Rodriguez was arrested on a charge of public intoxication in the lobby of the Muleshoe Police Department. His bond was set at \$75. Also arrested on the thirteenth on a charge of public intoxication was David Ogas.

At the Bailey County Law Enforcement Center, DPS officials and Sheriff's deputies had some activity. On February 20, Sergio Garcia was arrested by Department of Public Safety officers on a charge of "no drivers license." He was later released on \$35 bond. Also, on February 21, Gilbert Ybarra was arrested by Deputy Hal Bynum on a charge of aggravated assault. Ybarra is still in jail, pending payment of a \$5,000 bond.

Several thefts and burglaries were reported to the Bailey County Sheriff's office during the week. On February 23, Johnny King who lives north of the Fairview Gin reported the theft of a radio from his tractor. On February 20 Sharon Lee reported the theft of a bicycle from the porch of her residence several miles north of Wilson Drilling.

On February 19, a burglary was reported at the VFW. Reports indicated that intruders had pried the doors open, broken into various coin machines and taken the money from them. An amount of cigarettes and liquor was also taken. Total value was not available.

## County Ground Water Maps Available Now

The most detailed and complete ground-water maps ever prepared for Bailey County residents within the District's service area are available in a Hydrologic Atlas published by the High Plains Under-ground Water Conservation District No. 1.

The Hydrologic Atlas for Bailey County, Texas consists of a packet containing a set of four maps and an explanatory text. The maps are contoured at 20 foot intervals. They illustrate (1) the elevation of the land surface; (2) the elevation of the water table in the Ogallala Formation in 1980; (3) the elevation of the base of the Ogallala Formation; and (4) the saturated thickness of the Ogallala in 1980.

The data for each map describing this formation is printed on a county highway base map at a scale of two miles per inch. Legal descriptions are also illustrated on the maps to assist landowners in proper identification of their property. A tremendous amount of data was used in constructing the maps and they should reflect a very accurate picture of the hydrologic conditions as of 1980 for Bailey County.

The text is short, concise, illustrated, and includes an explanation of how to read and interpret contour lines. Points discussed in the text include the Older Geological Formation in relation to the Ogallala, the composition of the Ogallala, its volume of

water in storage, chemical quality, recharge, movement and water-level changes.

The Water District has compiled and published hydrologic atlases for each county within its service area. The construction and drafting of these maps was made possible with support from the Texas Department of Water Resources. Production required over six years of effort by the Water District staff geologists and draftsmen. The atlases are the most detailed and complete ground-water mapping investigation ever completed in this area.

These atlases were prepared to help local landowners and operators and other county residents to better understand the fresh water resource available under their towns, cities, farms and industries. They should be a valuable planning tool to confirm available water resources and for locating future irrigation well sites. The maps are

intended for use primarily in providing general information to the public served by the District and are not warranted for use in real estate transactions or other legal matters.

Individual copies of the atlases for any of the counties served by the Water District may be obtained by contacting the High Plains Under-ground Water Conservation District No. 1 at 2930 Avenue Q, Lubbock, Texas 79405, 806-762-0181.

# 4-H Observe 75th Anniversary

The Texas 4-H program is celebrating its 75th anniversary this year, and the initial celebration was kicked off at the State Capitol in Austin, Feb. 16.

Curley Rankin, assistant Bailey County Agent states that within Bailey County there are 128 4-H members in 3 clubs which include Muleshoe, Progress and Three-Way. County 4-Hers are involved in numerous projects and activities throughout the year. With many activities will commemorate the 75th anniversary of 4-H.

Also, during the year, 4-H'ers will attend camps and shortcourses and participate in ongoing livestock projects.

One item of particular interest is the 4-H exchange program to take place in late July. This program has been designed to allow 4-H members to travel to another part of the nation and spend time learning about cultural and lifestyle differences and make new friends as well. This year, Bailey County will travel to Appomattox, Virginia, says Rankin.

Between 300 and 400 4-H Club members and their volunteer adult leaders took part in special ceremonies in the Senate and House relating to the introduction of a resolution commemorating the 75th anniversary

of 4-H. Following the ceremonies, 4-H members and dignitaries of state government observed the planting of a ceremonial pecan tree on the Capitol grounds near the north entrance to the building. Besides being the state tree, the pecan also is a symbol of the vitality and longevity of the 4-H program, says Kirby Rankin, county 4-H program coordinator with the Texas Agricultural Extension Service, Texas A&M University System.

Other special anniversary programs are planned in conjunction with the Texas 4-H Roundup at Texas A&M University, June 7-8; the Texas 4-H Congress in Austin, July 19-22; and at many district and county activities through the remainder of 1983.

The first pre-4-H youth club in Texas was organized in Jack County 75 years ago, notes Rankin.

In 1908, the late Tom Marks, a part-time newspaperman in Jack County who also worked as an agent of the federal government in a position which corresponded to that of today's county Extension agent-agriculture, organized the first "Corn Club" for boys residing in his county. He enrolled 25 boys and demonstrated to them the best practices in corn production then known.

Each Corn Club youth also was required to exhibit the corn he produced, with judging to be done on the basis of yield, profit, a story about the youth's corn demonstration project, and the exhibit itself.

Marks earlier had attempted to involve a number of the Jack County farmers in producing the most recently-released varieties of hybrid corn and had scheduled a corn show to demonstrate the results, but was disappointed when only a few adults took part in the educational effort.

As he reviewed what had happened, Marks decided that if he could not "teach old dogs new tricks, he would start with the pups" and thus began work with county youth through the Corn Clubs. He taught a number of farm boys corn production practices, and they followed up by exhibiting their results in Jack County.

The success of Marks' venture there triggered similar educational efforts in other counties and at the Texas State Fair in 1910 in Dallas. A feature of the first statewide rally for Corn Club boys at the Fair was a parade of 1,500 boys through the downtown section of Dallas, with each youth carrying a stalk of corn.

The present 4-H Club program in Texas is an outgrowth of these early Corn Clubs for boys, and Tomato Clubs for girls, which were organized in

1912 in Milam County by Mrs. Edna W. Trigg, whose position corresponded to today's county Extension agent-home economics. Each Tomato Club member grew one-tenth acre of tomatoes.

Today's 4-H Club program encompasses a wide variety of educational programs and activities, which were undreamed of before the present Texas Agricultural Extension Service was organized. On May 8, 1914, the U.S. Congress passed the Smith-Lever Act, which provided for establishment of a Cooperative Extension Service as part of the land-grant university system in each state, Rankin points out.

The Texas Legislature accepted provisions of the Smith-Lever Act on Jan. 29, 1915, and the Texas Agricultural Extension Service came into being. The 4-H program is the youth phase of Extension educational activities. Presently, some 187,000 young Texans are involved in 4-H work.

Most of the good things that come to individuals in life have to be paid for in some way.

Fussy people should be made to live alone so that they won't have anyone to be fussy with.

# Cotton Harvest Heads For Finish

High Plains farmers returned to finish the long delayed cotton harvest. Extended dry weather with spring-like temperatures dried fields enough to support equipment, reported Mack Bennett, Area Director for USDA's Marketing Services Office at Lubbock. Some cotton stored in modules had been harvested before Christmas and was finally ginned this week. About 95 percent of this season's estimated total has been classed, Bennett continued.

Lubbock's Marketing Services Office classed 10,800 samples during the week ended February 17. This brought the season's total to 667,800 and compares with 2,283,000 classed by the same date last year. (This season's total consists of 178,800 HVI and 489,000 manual).

## PCA Loans, Customers Down For Year's Time

In 1982 the Federal Intermediate Credit Bank of Texas loaned \$2.5 billion to Texas farmers and ranchers through 30 Production Credit Associations (PCAs) and 17 Other Financing Institutions (OFIs) in the state.

James A. Rogers, president of FICB, noted the figure was down slightly from the 1981 volume of \$2.6 billion due to adverse weather and economic trends in agriculture.

17 percent for an average of 31.3 thirty-seconds of an inch. Mike 35-49 was 65 percent, 33-34 accounted for nine percent, 30-32 was 11 percent, 27-29 amounted to eight percent while 26 or below was seven percent for an average of 36. High Plains growers sold mixed lots of mostly grade 42 and better, staples 30-32, mike 35-49 at about 150 to 300 points over '82 loan rates. Several thousand PIK bales

were contracted at 45 cents per pound, basis grade 42, staple 32, mike 35-49 with 1983 CCC loan premiums and discounts. Gins paid growers \$65 to \$85 per ton for cottonseed - mostly \$75.

USDA's Crop Reporting Board estimated on February 17 that U.S. upland cotton growers will plant 9.2 million acres next spring - 4.8 million in Texas.

predominant grades were grade 52 at 38 percent, grade 42 accounted for 24 percent and grade 53 amounted to 15 percent. About 56 percent was reduced one grade because of bark and five percent for grass.

Predominant staples were staple 30 at 22 percent, staple 31 amounted to 38 percent and staple 32 was

Number of borrowers served also was down to 17,316 from 17,366. "It is hard to dispute the fact that in 1982 Texas agriculture took some of its hardest blows since the Great Depression," says Rogers.

But the chief executive officer quickly adds, "We at FICB are taking steps to ensure the Texas Farm Credit System remains ready, willing and able to provide support to farmers and rancher."

## A Miracle

Modern medicine with its wonder drugs is truly miraculous; it gives protection against almost every disease of the body. But no doctor has any medicine to protect the human spirit from the stresses and strains of life.

There's only one protective medicine for the spirit; it is called faith in God. Not just any God, mind you, but the God whom the Bible proclaims, the Creator and Father of us all, the sovereign King of the universe. Faith in Him means to live by His will and make Him the one great purpose of life. For one who does that, life holds no fears and death is only the final doorway to fulfillment — that medicine protects the spirit for eternity; that is The Miracle.

### 18. LEGAL NOTICES

PUBLIC NOTICE Docket No. 5003 APPLICATION OF BAILEY COUNTY ELECTRIC COOPERATIVE ASSOCIATION FOR AUTHORITY TO CHANGE RATES WITH THE PUBLIC UTILITY COMMISSION OF TEXAS NOTICE OF PREHEARING CONFERENCE

On February 8, 1983, Bailey County Electric Cooperative Association (Bailey) filed a statement of intent to increase its rates within the unincorporated areas served by it. This application would result in a system-wide annual revenue increase of \$929,506, or approximately 8.39 percent over adjusted test year gross operating revenues. The adjusted gross operating revenues of the test year include an adjustment for the annualization of the Southwestern Public Service wholesale power cost increases in the amount of \$2,779,296, which the Utility is already receiving as a part of the power cost adjustment clause. The overall increase to actual gross revenue for the period ending September 30, 1982, based upon these proposed tariffs and schedules is \$3,708,802. All customers and classes of customers will be affected. A copy of its application, specifying in detail each proposed change, has been filed at the Commission offices.

The Commission has jurisdiction over this docket pursuant to Public Utility Regulatory Act (P.U.R.A.) Sections 17(e) and 37, Tex. Rev. Civ. Stat. Ann. art. 1446c (1980). Pursuant to P.U.C. PROC. R. 052.01.00.024(b) and 052.01.00.052, a prehearing conference will be conducted on Thursday, February 24, 1983, beginning at 9:00 a.m., at the Commission offices at 7800 Shoal Creek Boulevard, Austin, Texas. The following will be considered at the prehearing conference.

1. An appropriate timetable for discovery, pre-filing of direct testimony, and any other matters leading to the hearing on the merits.  
2. Scheduling of the hearing on the merits.  
3. Any motions for interventions, dismissal, suspension of the effective date of the proposed rates, or any other matters before the Commission at that time.  
4. Any other matters which may aid in the simplification of the proceedings and the disposition of any issues in controversy

including the stipulation of uncontested matters.

5. Any other matters falling within the ambit of P.U.C. PROC. R. 052.01.00.052 may also be raised at the prehearing conference.

In accordance with P.U.C. PROC. R. 052.01.00.024(b), motions to intervene shall be filed in this case on or before Friday, February 18, 1983, and written protests shall be filed on or before Friday, March 25, 1983.

In accordance with P.U.R.A. Sections 43(c), Bailey is hereby directed to provide a copy of this notice to the governing bodies of all municipalities and the Commissioners Court in each county affected by this proposed rate change. Bailey is also directed to comply in all aspects with the publication requirements of P.U.R.A. S43(a).

Requests for a court reporter, if any, shall be made in writing to this Examiner at least three (3) days prior to the prehearing.

ENTERED AT AUSTIN, TEXAS, on this the 9th day of February, 1983.

PUBLIC UTILITY COMMISSION OF TEXAS /s/ Angela Demerle Williams, Hearings Examiner

18-8s-4tc

NOTICE TO ALL PERSONS HAVING CLAIMS AGAINST THE ESTATE OF ALFRED WOOD PATTERSON, DECEASED

Administration of the Estate of ALFRED WOOD PATTERSON, Deceased, has been commenced by the issuance of original Letters Testamentary to LETHA LIONEL PATTERSON, on February 1983, by the County Court of Bailey County, Texas, acting in Cause No. 1541, styled IN RE: ESTATE OF ALFRED WOOD PATTERSON, DECEASED, in which court the matter is pending. All persons having claims against the estate are hereby notified to present them to the undersigned at the address shown below within the time prescribed by law.

DATED this 24th day of February, 1983.

/s/ Linda Guelker Linda Guelker, Of Counsel State Bar Number 08567300 THOMPSON, THOMAS, & BROWN 103 West Avenue D Muleshoe, Texas 79347 806/272-4276 pub. not. 18-9s-1tc

### RECIPE

By Sarah Anne Sheridan

#### Barbecued Meat Balls

- 2 lb ground beef
- 2 eggs slightly beaten
- 1/2 c milk
- 2 t prepared mustard
- 2 t salt
- 1/2 t salt
- 1/2 t pepper
- 1/2 t nutmeg

Mix and shape into 1 1/2 inch balls. Pan-broil. Serve with barbecue sauce.

#### Barbecue Sauce

- 1 medium sized onion
- 2 T fat
- 2 T vinegar
- 1 t chili powder
- 1 t salt
- 1/4 c lemon juice
- 2 T brown sugar
- 1 c catsup
- 3 T Worcestershire sauce
- 1/2 T prepared mustard
- 1 c water
- 1/2 c celery, cut up
- few drops Tabasco sauce

Brown onion in hot fat. Add remaining ingredients. Simmer for 30 minutes. Pour over meat balls.

#### DAVIS COMMERCIAL PUMPING

"If it's part liquid & not over 20 ft. deep we'll try to drain it."
