Eagles Beat Cowhands Here Friday Night

Even though a few feathers were ruffled and some pulled out in a grim contest, O'Donnell High School Eagles defeated the Lubbock Cowhands here Friday night 12-6.

A pass from Thompson to McLaurin early in the first quarter of the game checked the first marker for the Eagles, and an intercepted pass in the last three minutes of play was good for a forty-five dash down the field and enabled Crouch to go over the line standing up.

The game was a good one from every Eagle viewpoint, even though there were at least three times when the visitors were uncomfortably deep in the birds' territory.

However, even these threats were optimistically viewed by hometown rooters, because they proved that the boys can rally their forces and hold that line even when they're scratching their backs on their own goal posts. When they get in a tight, the Eagles rarely fail to answer that heart-felt chant from the sidelines: "Hold that line! Hold that line!"

The game was marked by a brilliant display of aerial fireworks from both teams, with the Eagles true to their name having a bit of the edge. The Cowhands also true to their name trusted more to plain old tackling and stopping them at the line of scrimmage. Quarterbacks for both teams showed some splendid field tactics.

The pep squad girls performed with their usual precision and enthusiasm. A new formation, a star from which they sang "The Eyes of Eagles Are Upon You," was greeted with cheers from fans.

Editor's Note: And while we're talking about the pep squad, folks, let's remember that we not only have one of the greatest football teams on the South Plains, but we also have one of the best-looking!

General Rains Over South Plains

Slow, steady rainfall which set in Saturday night continued through most of the day Sunday, going about the thorough drenching of the South Plains in a most business-like manner.

Radio and newspaper reports indicate that the rain was general over this section of the state. While the moisture will be good for winter wheat, delay in gathering of the cotton crop was most decidedly unwelcome to farmers and ginners.

Mrs. J. P. Bowlin and son, James were down from Lubbock Sunday visiting Mr. and Mrs. Harvie Jordan and friends here.

Best performing pep squads anywhere. When they do their squads right and left and go into those formations, it looks too easy for words. But those girls get out there and work for hours to bring their drills up to the perfect point we see, and they work during games almost as hard as the boys. So it's our personal and editorial opinion that they're entitled to some praise and recognition from the fans. Let's give those pep squad girls a great big hand next time; they'll appreciate it and try harder than ever!

First Conference Game Today

The Eagles go to Stanton for their first conference game today and also their first game away from home. They won the conference last year, but the Stanton Buffaloes were not at that time in this conference. The boys are in good shape for the tussle, but they will need the moral support of some homefolks on the sidelines. If you can possibly make the trip, go along with the Eagles and the pep squad today and give 'em a boost.

As we go to press Thursday afternoon the second string boys are playing Lamesa's junior team at McCollum Field at Lamesa.

Key, Campbell, Boyd, Brad, Henderson, Hoffman, Hughes, Wells, and Whitsett.

Mr. and Mrs. J. G. Cathey are visiting relatives and friends here.

The bride, youngest daughter of Mr. and Mrs. J. T. Middleton of this place and one of the most popular young ladies of the city were a teal blue frock with apron hat and gloves. Her flowers were a corsage of bride's roses and lilies-of-the-valley. She was attended by Miss Loretta Robinson, who wore moss green with black accessories.

The groom was attended by a very close friend, Robert S. Young, as best man.

Following a week's wedding trip to Albuquerque and Santa Fe, Mr. and Mrs. Jewett are at home in Roswell.

Troops are expected to attend the two-day affair from every district of the council which include the following towns: Post, Muleshoe, Tahoka, Lamesa, Loveland, Littlefield, Slaton, Lorenzo, Crosbyton, Ralls, Spur, Whitarral, Sudan, Oton, Brownfield, O'Donnell, Mor-

district for these counties. The hearing in Lamesa was called to order by chairman L. T. Middleton who introduced Judge Kennedy who presided over the meeting. Attending these meetings were Mr. Buckley, state supervisor for the State Soil Conservation Board, O. T. Williams, and E. E. Reynolds of the Soil Conservation Service Area office, Lubbock, and representatives of the Lamesa Soil Conservation Camp, Water Facilities, Extension Service, Federal Security Administration, and of the Wild life division of the State Game Park and Oyster commission. About 75 farmers were present at the Dawson County meeting and about 50 at the Lynn County meeting.

A series of lectures were made Monday, October 2 at the following schools: Ackerly, Five Mile, Klondike, Union, Lamesa, and Weleb. Mr. Vestel, superintendent of the Lamesa SCS Camp, talked on Soil Conservation. Mr. Collins of the FSA, talked on Farm Management and planning, and Mr. Baskin, the County Agent, talked on Feed Crops and silos. Eight additional lectures will be made running through April 1940.

Hearing of Soil Conservation Board

Hearings were held by the State Soil Conservation Board in the County court room, 8:00 o'clock Thursday evening in Tahoka and in the District court room 10:00 o'clock Friday morning in Lamesa. The purpose of the meetings were to determine if there was sufficient interest among the land owners of Lynn County and Dawson County to justify calling an election to vote a Soil Conservation

1940 FORDS ATTRACT ATTENTION HERE

First of the 1940 Ford cars on display at the Lynn County Motor Company here over the week-end attracted considerable attention from local people. The car was brought in Wednesday night, but was not put on display until Friday morning. So far as we can learn Mr. Guy Bradley, local Conoco agent, bought the first of the 1940's, his new truck having been brought out from the factory with the paint still wet. Manager Oil D. Harris states that shipments of the new models will be coming in regularly now for several weeks, and cordially invites everyone in the territory to come in and see them.
