

Marcheta Wood, daughter of Mr. and Mrs. J. M. Wood of here, participated in the State dress revue in Dallas over the week end at the State Fair of Texas.

Miss Wood modeled a coffee colored dress with a spring frock collar and a white straw hat trimmed with a coffee colored ribbon.

A senior in O'Donnell High School, Miss Wood last year was a district and district winner in the county "Make It Yourself With Wool" contest.

Friday night at Johnson Field the O'Donnell Eagles meet the district favored Plains Cowboys in a district set-to. Although the chances of victory seem remote, the boys are fired up and plan to give Plains a fight of it. A number of the better players are out this week due to injuries and the varsity team will be short handed.

Last week at Sundown the Rough necks measured the Eagles 44 to 6 in what was a better game than the score indicated.

MRS. NOBLE SPEAKS TO 1946 STUDY CLUB

The 1946 Study Club met Wednesday at 3:30 p. m. in the Community House with Mrs. Darus Sumrow as hostess and Mrs. Clyde Edwards as co-hostess. Theme of the program was carried out in the table decorations. The program theme "Author Of Liberty" was introduced by Mrs. Douglas Ballew. Prayer was offered by Mrs. C. A. Lacy. Mrs. Carr Sprabery introduced the guest, Mrs. J. M. Noble who spoke on "Where is My President?" It was an interesting discussion on woman's fight thru the years for equal recognition in politics. Sketches titled "The President's Ladies" were given by Mesdames L. M. Mires, Bill Davis, Bill Dorman, Elvin R. Moore, Joe Beckham, Harvey Line and Leel Gray. Refreshments were served to 25 members and one guest.

Mr and Mrs. Warren Smith entertained family members, members of the Ruth Sunday School class, Rev. and Mrs. Howard Marcom and Mr and Mrs. Jimmy Davis of Dallas with a supper Saturday night. Mr. Davis showed films on Alaska and Costa Rica where he visited as a layman minister of Methodist Church. The films were later shown the MYF of the Church.

MR. BRADLEY'S ARMY BUDDIES MEET IN LUBBOCK

Because an O'Donnell man remembered his World War I buddies, former members of the 89th Aero Squadron held a reunion in Lubbock over the week end. Guy Bradley was driving thru Aztec, N. M. one day when he told his wife "I had three Army buddies who lived here. Let's stop and see if we can find one of them." They found all three — and as a result a group of 11 met last October in Kansas for a reunion. They liked it so much that they decided to meet again this year. About 40 men and their wives from 25 states were present. The 89th Aero Squadron was with the 2nd Corps Aeronautical School in France in World War I training observers in aerial photography, aerial machine gunning and telegraphy. The reunion was in the Holiday Inn in Lubbock. A memorial service was held Sunday morning.

Burdetts Have Golden Wedding Anniversary

Mr and Mrs. George W. Burdett of here celebrated their golden wedding anniversary at their home Sunday. The couple was united in marriage on Oct. 16, 1910 in Baylor County.

Mr. Burdett was born on Dec. 1, 1887 in Irayson County and Mrs. Burdett was born on March 28, 1893 in Baylor County. They moved to Borden County in February 1915 and moved to O'Donnell in 1950.

The couple have five children: Mrs. B. B. Dunn of Seminole, Roy Burdett of Lamesa, Mrs. Roscoe Kropp of near here, G. W. Burdett, Jr. of Lubbock and Troy Burdett of Lamesa, eight grandchildren and two great grandchildren.

Mrs. J. F. Turner of Santa Anna is visiting her daughter, Mr and Mrs. Shag Garrett and family.

Mrs. J. F. Warren is spending the week end with Mr and Mrs. Homer Fannon and Mr and Mrs. Clint Fannon and family in Lubbock.

Teachers Are Honored

The First Methodist Church honored the local teachers and their husbands and wives with a dinner recently sponsored by the Woman's Society of Christian Service. Tables were decorated with a fall motif. The invocation was given by Rev. Howard Marcom and the welcome by Mrs. J. W. Gardenhire, president of the WSCS. Mrs. J. M. Noble introduced the teachers present and stressed the importance of the teaching profession and the relationship of the community and the teachers.

Mrs. Wayne Clayton sang two numbers accompanied by Mrs. Arol Moore. Mrs. Henry Smith gave the benediction. Also attending were chairmen and sponsors of the various organizations of the Church and their husbands and wives. Serving the meal were Mrs. L. L. Birdwell, chairman of local church activities, Mesdames Darus Sumrow, Ben Moore, sr., A. H. Koeninger, Elvin R. Moore, and D. J. Bessire.

Heavy Rains Cover South Plains

Harvest Continues Slow

A lazy cool front over the week end combined with a circulation of warm moist Gulf clouds netted 5.92 inches of rain in Big O. By Tuesday morning when the storm broke, the town was partly under water — especially the Flats and the lower portions of the town. Even paved streets were lakes — to say nothing of the unpaved streets.

The rains braked the harvest to a complete stop with much of the "dry lakes" filled and some cotton and grain under water. It is thought that the land will be too wet for field work before Friday or Saturday. September proved to be unusually dry with only widely scattered showers but October made the average up. The week end rain was up to 6 inches over most of the South Plains.

Thru Tuesday noon only 9200 bales have been ginned here and the harvest is guessed at about 30 per cent complete. Machine harvesting is expected within the next week as defoliation is now in progress. About 3200 Mexican Nationals are currently here — about 1,000 less than last year. Business was not quite so good over week end due to rain.

As we go to press Tuesday noon Mrs. O. G. Smith, Sr. remains critically ill although improved in the Lamesa hospital. She had major surgery last Tuesday a week ago and was given only a remote chance at time of surgery. Her chances are vastly improved now. The family appreciates so much the concern of all of you of her condition.

FIRE HITS COTTON AT AREA GIN

Fire early Saturday morning damaged about 30 bales of cotton. The local fire department answered the call. Cause was not immediately known.

Mrs. Nell Willett of Ft. Worth visited Mrs. Florence Carpenter recently and Mrs. C. R. Jewell of Fredrick, Okla. is visiting in the home this week.

JACKSON SPEAKS AT ROTARY

The O'Donnell Rotary Club met Tuesday with the following Rotarians — Jim Moody, Paul Goostree, Clyde Branon, of Lamesa and Clarence Cooper of Lubbock. Am. Dadds is a new member. Miss Joan Hardberger substituted for Miss Joann Lacy. Charley Jackson, manager of Bolyuda Farm Labor Ass'n, spoke on "Mexico and Impressions of the United States" Homer Hardberger is program chairman for October.

Miss Iris Prescott, daughter of Mr and Mrs. Ode M. Prescott, has been selected to sing this year with the Lubbock Christian College A Cappella Chorus, directed by Wayne Hines. In addition to various concerts on the LCC campus and in Lubbock, the chorus is planning numerous tours thruout the year. The chorus has about 65 members.

Lost: our fertilizer spreader. Please return to O'Donnell Farm and Ranch Store

Cotton should be produced, harvested and handled so that it reaches the gin as dry, loose and clean as possible. Mishandling of seed cotton can reduce lint quality of the bale by as much as a grade. This means dollars out of the farmer's pocket. A little care could prevent these needless losses.

Texas potato growers are being asked to reduce their 1961 spring acreage by 11 percent. This recommendation is part of the acreage marketing guides issued recently by the USDA for 12 southern states that grow spring potatoes.

GAS COMPANY ASKS RATE INCREASE HERE

Permission for a ten percent increase in gas rates is being asked of the O'Donnell City Council by the Pioneer Natural Gas Co. to meet rising costs of the product and its distribution. The same increase is being applied for in all other cities served by the firm. The petition for the increase, submitted by C. I. Wall, president of the company, points out that the last gas rate increase here was in 1957, a hike in the minimum bill of 25 cents per month.

The increase asked here and in the other cities would increase minimum bills from \$1.50 to \$1.65 and the 10 percent hike would continue in all brackets. Gas costs vary downward with volume used.

Present average price per 1,000 cubic feet of gas consumed is 57.6 cents while the requested average price per 1,000 cubic feet would be 63.4 cents — an increase of 5.8 cents per 1,000 cu. ft. A graph in the petition shows that the average rate for all Texas cities is 75 cents per 1,000 cu. ft.

DON'TS FOR HIGH SCHOOL PARENTS

Don't try to relieve your high school days thru your child. The mother-daughter team that looks "just like sisters" may do wonders for mother's ego — but irreparable harm to daughter's

Don't be taken in by wild rumors about your high school or about the students, that may sweep your town like a flash fire

Don't spread these rumors. Take them to the high school principal. He can give you the facts.

Don't just drop around when the notion strikes you to visit your student's classes — you are likely to embarrass him and make a problem for the teacher.

THE '61 PONTIAC IS HERE!

It's All Pontiac! on a new Wide-Track!

New track-to-body proportion! The track is the width between the wheels. Pontiac has the widest track of any car. And now that we've trimmed body width, more weight is balanced directly between the wheels. You ride with greater poise, maneuver with firmer control.

More room, more comfort inside! Headroom, legroom and foot-room have been increased. Seats are higher, yet there's more clearance under the steering wheel. Doors are wider, swing open farther with no jutting barriers to bump as you get in and out.

Powered by the new, fuel-saving Trophy V-8 Engine! New fuel induction system gives this new free-breathing engine more air, makes gas go further. Eleven versions to select from. Horsepowers range from 215 to 348. For best economy, specify the Trophy Economy V-8. Its lower compression ratio lets you use regular gas. It's the Wide-Track way to travel! Try it!

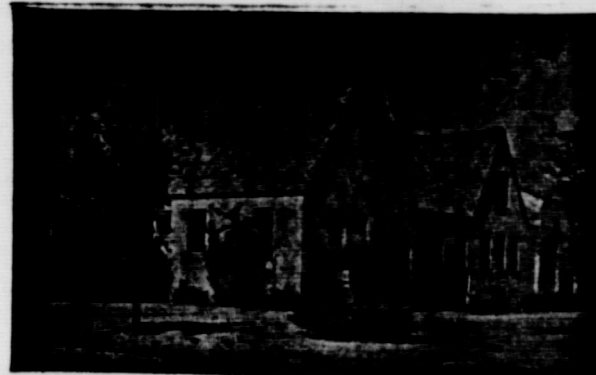

THE ONLY WIDE-TRACK CAR! Pontiac has the widest track of any car. Body width trimmed to reduce side overhang. More weight balanced between the wheels for sure-footed driving stability.

Commuter Snags Train But Can't Hold It

EUREKA, Calif.—Loafers around the railroad station here tell this for the truth. Seems the station agent heard a loud crash on the platform. He ran out and saw the rear end of a train disappearing around a curve. A disheveled gent lay prone on the ground, surrounded by the contents of his banged-up suitcases.

An owlish youngster stared at the gent, but made no effort to assist him. "Was he trying to catch the train?" the station agent asked the youngster. "He did catch it," replied the youngster, "but it got away."

 Will you harvest crops or accidents this year? Machine harvesting can be extremely dangerous if it is done in a hurry or if the equipment is not in the best possible condition. Be sure the seats, controls and steps are in good repair. Keep the shields and safety guards in place. Wear the right clothes for the job. Also the children are definitely out of place around harvesting machinery.
