JUNIOR EAGLES TO PLAY POST NEXT THURSDAY

The pinfeathered Eagles, under the coaching of Olin Huff, will tackle a like-sized squad at Post next Thursday night. The juniors played Slaton Thursday night. Probable starters for the Post game are: Davis, quarter; McLaughlin, half; Mires, half; Coff, full; Schoon- field, guard; McAllister, tackle; Wright, tackle; Boothe and Sloan, ends. Subs. are: Christopher, Gibson, Kaiser, McLaughlin, McAllister, Tyler, Tune, Teeter, Cathey, Harris, Oates, Moore, Barnett, Smith.

Draft Board Is Beginning Work

TAHOKA, Texas, Oct. 17 (Spl.)—Following up the work of the registration officials Wednesday, the Selective Service or Draft Board began work Thursday morning. This board consists of Judge J. W. Elliott, chairman, Marshall Stewart, and B. W. Baker. The first work of this board was to inspect the 2,521 registration cards sized in this county, one by one, and send to the respective counties of the registrants' residences all these cards to the Governor at Austin outside of Lynn county. The Lynn County Selective Service Board has the option of sending these cards to the Governor at Austin instead of these county boards if it chooses to do so, according to Judge Elliott, and he expressed the intention of using this option in all cases except where the registrants live in near-by counties. Board members stated that they would remain on the job continuously until this work is finished, and they expected to work all night Thursday night, therefore, without intermission. It is also the duty of this board to draw the registration cards one by one from some kind of container and write thereon the proper serial number in the order drawn. At a meeting of this board Tuesday, Mrs. Lois McMahon was chosen as clerk for the board. Other duties of this board will be revealed later. The board members and their wives attended a regional meeting at Amarillo on Friday of last week to obtain first-hand information as to their duties. In addition to the draft board, a medical examining board has also been selected for Lynn county, whose duties it will be to make examination of persons drawn for service to determine whether or not they are physically fit. Dr. E. Prohl and Dr. James W. Sinclair constitute this board.

Plains Leading In Enlistments

Radio reports a few days ago brought the information that there have been more volunteers for service in the army from the nineteenth congressional district, of which Geo. H. Mahon is the Representative in Congress, than from any other district in the entire nation. This is a record of which the people of this district have reason to be proud. There is probably no better nor more patriotic citizenship in the nation than the citizenship of the South Plains.

BAPTIST W. M. U.

For the weekly meeting, W. M. U. members met at the Baptist Church Monday. Mrs. Drew Hobby had charge of the Mission study. Members present were Mesdames Lambert, Goddard, Earles, L. Mires, Hodnett, Hobby, Beach, Vaughn, Stubblefield, Howard, Johnson, Mansell, Yandell, Warren, Burns and Hodges. Mr. and Mrs. John Burk of Anson were here visiting relatives Sunday.

EX-STUDENTS HAVE PART IN CEREMONY FOR 1940 QUEEN

Students and ex-students came in for a share of honors during the football game Friday night when the attraction was billed as the Homecoming game. At the half Miss Cassie Mae Newton was introduced as the 1940 queen in the coronation by co-captain Hall. Miss Newton's attendants were Miss Marjorie Buchanan and Lewis Clark, Misses Althea Deane Fortner and G. W. Burnett, Miss Lois Hamrick and Jim Joe Carroll. Yell leaders this year are Aubra Shook and Joyce Hines, while Thelma Tune, Ruth Hall and Clodell Dowell are the honorees. Pauline Middleton, Emma Jo Hinkle and Louis Singleton are flag bearers. Peggy Beach is band mascot.

Geo. Mahon Speaks To Confederates

Ex-Confederate veterans had their annual Reunion in Washington, D. C., last week, and we understand that by reason of the fact that their number has been almost entirely depleted by death they will not undertake to hold another reunion. Our own congressman, Geo. H. Mahon, we are informed, had been chosen as the principal speaker at this last reunion of the aged boys in gray. It was an honor of which he doubtless was very proud. A son of the New South, he yet is well versed in the history of the Old South, and few men know better how to touch the heart strings of the old Confederates than George Mahon. Of course he did a good job of it.

Light Frost Is Reported Here

Light frost was reported in many places early Tuesday morning when the mercury dropped to 34.5 degrees Fahrenheit, according to the weather Bureau thermometer kept by the News. On Wednesday morning, the thermometer registered 36 degrees.

KONGENIAL KLUB MET WEDNESDAY

Mrs. Irvin Street entertained members of the Kongenial Bridge Klub at her home Wednesday. Mrs. R. R. Adams scored high, Mrs. J. M. Bubany low and Mrs. Daniels bingo. Pumpkin pie and coffee were served at the tea hour. Those present were Mesdames Adams, Bowlin, Brewer, Bubany, Goughly, Daniels, Wall, Schooler and McLaughlin. Next Tuesday Mrs. Adams and Mrs. Bowlin will entertain with a one o'clock luncheon at the Bowlin home.

EASTERN STAR MET ON MONDAY

With several Lubbock visitors and also an out of state officer present, the local O. E. S. met at the hall Monday night. Following the routine work, refreshments were served.

CRACK SECOND DIVISION IS SEEN AT FAIR

The State Fair of Texas went military, Sunday, October 13. It was officially designated as "Army Day" and the crack Second Division of the United States Army from Fort Sam Houston was on hand. This is the only completely motorized division in the United States. The Division staged a parade in columns of four.

Record Average In 3 Games Set For By Hancock

Despite a slight mixup in the schedule, wherein two teams have not registered enough games, O'Donnell keepers are dishing out plenty of good bowling. A record for the alley was chalked up Tuesday night by Homer Hancock when he felled the pins for a 236 average for three games. Hancock became hotter each game, bowling 204, 243 and 259 in order. High game for the week, so far, is held by Hervey Gardenhire with a blistering 267. Whitsett's quietest, which tops the league in wins, wereuffed Tuesday night by the Corner Drug five in three games, yet still remain far in the lead, followed by the C-C Dry goods.

4,215 Brick Are Given Museum

TAHOKA, Texas, Oct. 17 (Spl.)—In Lynn county's "Give a Brick" campaign initiated last Friday as a part of the drive for common brick with which to complete the West Texas Museum on the campus of Texas Tech, a total of 4,215 bricks were donated. 4,000 of these came from the town of Tahoka. Nearly two brick to the citizen, 2,078 being contributed by Tahoka school children and teachers. The county committee, headed by Supt. W. T. Hanes, as chairman, W. S. Anglin, and Frank Hill has contacted every community in Lynn county, and schools in these communities have all promised to donate brick. New Lynn, Dixie, Grassland, and Edith have already made contributions. Other schools are expected to report soon. Tahoka business men contributed nearly 2,000 bricks last Friday when a committee of Rotarians called on them for donations. Mr. and Mrs. Tom Garrard led the list with 500 brick, and practically every business and professional man in town gave from one to 50 brick. Lynn county was given considerable publicity in the Lubbock papers as a result of the drive, this being the first county outside of Lubbock to stage a drive for benefit of the museum.

ILL AT HOME

L. T. (Tom) Brewer is reported as improved following an attack of flu last week.

IN HOSPITAL

Mrs. Roy W. Gibson was taken to a Lubbock hospital Sunday suffering from a severe cold. Her condition was reported as improved.

WILL VISIT IN MIDLAND

Mrs. C. L. Hafer went to Midland Wednesday for a visit with Mr. and Mrs. W. Pratt. Mr. Hafer will go to Midland Sunday to accompany Mrs. Hafer home. Mrs. Howard Lee and son David Lynn of Dallas have returned after a visit in the home of Mr. and Mrs. B. J. Boyd recently.

2521 Men, Between 21-36, Trek To Registration Booths In Lynn County

Mattresses, Comforts For FSA Families

The Farm Security Administration is to secure mattresses and comforts for its borrowers. The Crawford-Austin Manufacturing company of Waco has a contract with the State Board of Public Welfare and the Surplus Marketing Administration to manufacture these items. The FSA borrowers of Lynn county made application for these mattresses and comforts October 4th and 9th. These will be delivered sometime after November 1st.

REA Constructing Many New Lines

TAHOKA, Texas, Oct. 17 (Spl.)—The R. E. A. has recently approved a number of contracts for construction of rural electrification lines in Texas. Among these is a contract awarded by the Cap Rock Electric Co-Operatives, Big Spring, to R. W. McKinney of Naacogoches for the construction of 178.5 miles of lines in the vicinity of Big Spring to serve 314 members. The contract price was \$87,547.32. Contracts for the construction of a line of 394.5 miles to serve 675 members for the Taylor Electric Co-operative at Merkel; for the construction of 102 miles to serve 215 members of the Medina Electric Co-operative at Hondo; for the construction of 275 miles to serve 507 members for the Guadalupe Valley Electric Cooperative at and near the town of Cost; and for the construction of 121.5 miles for 229 members of the Fayette Electric Cooperative at La Grange have also been approved. All of these contracts were approved between September 19 and October 4th, 1940.

Weather Delays Cotton Harvest

E. W. Holloway, special agent for the Bureau of the Census, reports that prior to October 1 only 3,138 bales had been ginned in Lynn county from this season's crop as against 20,703 bales prior to the corresponding date last year. Picking has been greatly retarded by showery weather last Friday and a downpour of rain Sunday night. A total of 39 of an inch was registered during the first rain period and 47 of an inch Sunday night.

LEAVE FOR SOUTH AMERICA

Rev. and Mrs. J. A. Lunsford and children Jane and James Alan departed Monday for Abilene. From there they go to New Orleans where they will sail for Brazil, S. A. Several hundred miles of the trip into the interior, where they become Missionaries will be made by pack horses. Mr. and Mrs. P. O. Stark and Mr. and Mrs. A. C. Lambert visited in Lubbock Sunday afternoon.

Men between the ages of 21 and 36 trekked to the various registration places in Lynn county last Wednesday and placed themselves subject to army training at the call of the government.

A total of 2521 men registered in Lynn county in the first peace-time draft in the history of the nation and the O'Donnell voting box led all others in the county with 639 registrants. Tahoka followed with 539. Teachers in the local schools and other citizens offered their services to W. A. Tredway and P. O. Cabness, directors here, and unstinted praise was showered by Tredway and Cabness upon the co-operation they received. Several of the teachers remained at their posts fourteen hours. Splendid co-operation was also given by those registering, so Tredway says, with only one exception. A Mexican youth became slightly nettled at the registration booth and maintained he was not subject to the act—that he was a citizen of Mexico. Tredway just told him to register, but at the same time pointed out that Uncle Sam might use other persuasion unless he acted with better grace. The Mexican signed.

Registration in the county by precincts is as follows:

O'Donnell	639
North Tahoka	377
South Tahoka	256
New Home	277
Wilson	222
New Moore	133
Draw	128
Grassland	96
Lakeview	78
Dixie	78
Three Lakes	74
Morgan	58
West Point	43
Garnolia	32
Gordon	30

There were almost 5,000 registrants in the city of Lubbock and almost 9,000 in the entire county.

METHODIST W. S. of C. S. MET MONDAY

Mrs. J. P. Bowlin was director for the lesson Monday when W. S. of C. S. met at the Church. The new study course book, "Dangerous Opportunities," a study of China was discussed by Mrs. Irvin Jones and Mrs. R. O. Stark who reviewed the first chapter. Mrs. Namon Everett gave a report of the recent meeting held in Memphis.

Attending were Mesdames Bowlin, Jones, Ballew, Tucker, Gates, Curtis, Stark, Coffey, Hancock, Johnson, Moore, Everett, Garner, and McGregor. Next Monday the second chapter will be given.

Mrs. J. Mack Noble and son were in Lamesa Wednesday visiting her parents.

Classing Service On Cotton Is Free

Reports have recently come to the Board of Cotton Examiners, Agricultural Marketing Service, according to Leil O. Buchanan, in charge of the Lubbock office, that a better class on cotton could be ob-

tained by Producers who submit samples for classification through a Bonded Warehouse or Compress than through the medium of the Smith-Doxey or free classification service. This is absolutely without foundation and is untrue. There is no difference whatsoever in this type of classification service rendered, whether on the Smith-Doxey free classification or the Bonded Warehouse \$0.15 per bale classification. There is only one Board of Cotton Examiners in Lubbock, and Mr. Harry E. Blocker is Chairman of that Board.

Permanent offices of the Board of Cotton Examiners in Lubbock are located on the second floor of the Textile Engineering Building, at Texas Tech College. In order for the Agricultural Marketing Service of the Department of Agriculture to be able to give twenty-four hour classification service on all samples submitted it has been found necessary to lease additional office space. This additional space has been acquired at 1309 Texas Avenue. Two separate offices are therefore being maintained, but by one Board of Cotton Examiners only. Both offices are open from 7:30 A. M. until 6:00 P. M. every day in the week.

The Board of Cotton Examiners is named by a staff of fourteen classifiers at present, with more to be added if occasion demands. Some of these classifiers are on duty at the

Tech offices, so there is no difference at all in the type of classification. These classifiers, all of whom received their appointments from Washington, D. C. are qualified men of mature age, with many years of responsible experience. There have been a few reports that college boys and students were being allowed to class cotton in the office of this Board. These reports of course are utterly false.

It is the desire of the Agricultural Marketing Service that proper publicity be given to this statement for the benefit of all concerned, and that the Board of Cotton Examiners at Lubbock be notified promptly of the persistence of any other rumors or reports of a false or misleading nature.

Advisory Board Of Lynn Named

Members of the Advisory Board for Registrants under the Selective Service law in Lynn county were announced by District Judge Louis H. Reed a few days ago. This board had a meeting Monday night to familiarize themselves with their duties. Their main duty is to advise and assist the registrants in filling out the questionnaires that registrants will be required to fill out a little later.

- The board for Lynn county consists of 25 men distributed over the county as follows:
- W. E. Smith, Tahoka.
 - Truett Smith, Tahoka.
 - D. W. Gaignat, Tahoka.
 - Deen Nowlin, Tahoka.
 - E. H. McQuillan, Tahoka.
 - A. M. Cade, Tahoka.
 - Henry Maasen, Tahoka.
 - B. M. Haymes, O'Donnell.
 - Guy Bradley, O'Donnell.
 - W. C. Sauls, O'Donnell.
 - O. Harris, O'Donnell.
 - Shack Blocker, O'Donnell.
 - A. F. Pitts, (Dike community) Rt. 4, Tahoka, Texas.

Eagles Claw Out Win Over Post In Well-Played Game Friday

A scratching, spurring flock of Eagles landed on a surprised herd of Post Antelopes last Friday night and came up with their first victory of the season even though the game ended in a 0-0 tie. First downs 7 to 5, earned the necessary margin.

All comparative dope favored the much heavier Antelopes, but once pre-game predictions were knocked into a veritable cocked hat. A tough break in the opening stanza, (when Hall, center, flipped the pigskin back to McLaurin in punt formation and the ball sailed four feet over his head) put the Eagles into a desperate fighting mood which did not leave them until the game had ended. And how well those Post players remember the fact.

Hall's action looked disastrous at first when the ball finally rested deep into O'Donnell's ten yard territory, and those heavy Antelopes pranced in anticipation of the kill to come, but that same Hall, crying and "cussin'" a bit, joined in with his teammates to stop the drive cold. From that play on until the fourth quarter, the only "break" against O'Donnell came through Post's ability, and every Antelope charge was soon quenched.

The Eagles simply outplayed Post—and demonstrated that the team is now playing a brand of ball that will bring results. The Eagles pulled play after play out of the bag, showing a versatility which many "downtown" quarterbacks had not known they possessed.

As the score would indicate, no one player could be given credit for the win. No spectacular runs nor passes were reeled off, and the fans were given an opportunity to see extra fine defensive play—and could see that the "line" set up the plays or kills opponents plays and permits back field players to wait through with the ball and grab newspaper headlines. And sport writers are not to blame—touchdown plays must be recorded as they happen, and the backs generally carry the ball.

The substitute Eagles, (White, end;

Mays, tackle; Fortner, tackle; Pierce, guard; C. Smith, guard; Curtis, back) flashed a headsup play for Coach DeBusk when he called upon them and gave no quarter to the starters in their ability to "take it" and keep coming in for more. Curtis' ripping ground gaining.

Starting Line-up For The Eagles: Thompson, End; Aten, tackle; Dove, guard; Hall, center; Aten, guard; Moore, tackle; Pearce, end; McLaurin, quarterback; Crossch, half; Teeters, half; DeBusk, full.

Plains Leading In Enlistments

Radio reports a few days ago brought the information that there have been more volunteers for service in the army from the nineteenth congressional district, of which Geo. H. Mahon is the Representative in Congress, than from any other district in the entire nation.

This is a record of which the people of this district have reason to be proud. There is probably no better nor more patriotic citizenship in the nation than the citizenship of the South Plains.

STARS of STATE FAIR MUSICAL

Lester Cole and the Debutantes are the musical stars of "Americana," the spectacular musical extravaganza which will be featured in front of the Grandstand at the State Fair of Texas, October 5 to 20. Among the stars are the Nieto Troup, world's greatest tight wire and balance artists and Francine Dayton, premiere danseuse of the Garo Neilson girls. "Americana" will be presented twice nightly during the Fair period.

Williams, Shirley Ann Van Kirk, Rodger and Harrell Line and Jackie Dalin.

Several others sent gifts but could not attend.

FLOWER ARRANGEMENT

"In arranging flowers, the container is just as important as the bloom," stated Miss Maurine McNatt, home demonstration agent, at the home of Mrs. H. V. Everson October 10.

In selecting a container three things should be kept in mind. It should have simple lines, be rich in color, and have adequate water space.

Vases which have a great deal of design should not be used for flowers, because they are decoration enough within themselves.

It is always wise to select those without flowers or designs.

The container should also harmonize with the flower used. Sunflowers and other sturdy flowers should be placed in earthenware pitchers, mixing bowls, or some type of heavy container, while sweet peas and flint airy flowers should be used in dainty containers.

There were thirteen club members present. The club will meet again October 24 at Midway school house.

FATHER OF LYNN COUNTY RESIDENT BURIED FRIDAY

Samuel N. Moore, a resident of Lubbock county for the past fifteen years and well known in portions of this county, died of pneumonia in the West Texas Hospital on Thursday

afternoon of last week. Funeral services were conducted in the Baptist Church at Ropesville and the body was buried at Lubbock Friday afternoon.

Two of the three sons, J. W. Moore and Buford Moore, reside in Lynn county, as does also one of the six brothers, J. N. Moore.

Honor Culberson At Lubbock Sunday

The Press has received from Geo. W. Dupree and the Volunteer Firemen of Lubbock announcement of a meeting at which Olin Culberson, nominee for state railroad commissioner, and his wife are to be honored.

"On Sunday, October 20, at Mackenzie State Park near Lubbock," states the announcement and invitation, "Olin Culberson and his wife, Mary Lou Culberson, will be the guests of West Texas citizens in the 30th Senatorial District, meeting at 12:30 P. M. and having a basket dinner together, where everyone who desires to come may bring a basket, meet together, eat together, renew old acquaintances and make new ones."

Dr. Clifford B. Jones of the Technological College and Dr. W. E. Irv-

in, superintendent of schools in Lubbock, will head the welcoming committee.

"Let's make this old-time gathering of West Texans a real meeting, where we can all get together in unity and think together for the good of our West Texas. This will be no political meeting and no political speeches will be had", it is stated.

Rubber From Texas Through Chemurgy

The process of manufacturing Ameripol, the new synthetic rubber developed by Goodrich, is being demonstrated in the Hall of Chemurgy at the State Fair of Texas in Dallas. The lower photo shows pretty Virginia Verner comfortably resting in the huge Earth Mover tire on display at the B. F. Goodrich Company exhibit.

Lynn Health Unit Makes Report

TAHOCA, Texas, Oct. 17 (Sp.)—In a survey of health work in Lynn county, the Health Unit wishes to report the progress that has been made the nine months that it has been organized.

Communicable Disease Control
There have been six admissions to this service, fourteen home visits have been made to these cases and one hospitalization. Concurrent and terminal disinfection was attended.

Lectures, talks, newspaper articles, and films have been presented to the people of this county stressing importance of education regarding these diseases.

Maternity Service
One hundred forty-one admissions with four hundred thirty-nine visits to these cases. It has been pointed out to the mother the importance of medical supervision for herself and child. Instructions were given in maternity hygiene and infant care.

Eight public lectures and talks were given with three hundred and eighty-nine in attendance.

Lectures, talks, films, and newsreels were presented to the people of this county stressing importance of education regarding these diseases.

Two hundred twenty-nine children have been examined by physician and nurse. Four admitted to service with twelve home visits by nurse.

Inspections by dentists 2150. Many have had correction made since inspection. Lectures, talks, films, and a Dental Health Show have been presented to the schools. Several children have been fitted with glasses since eye inspections last spring.

The primary aim is to secure

maximum health for every school child through his own intelligent cooperation and that of all others who control his environment. All activities of the school health program are educational in character and the responsibility rests on the teacher to carry out an effective program. Literature has been distributed among the teachers in order that they might learn and recognize the early symptoms of the communicable diseases and thereby prevent the spread of these diseases.

Physical inspection of pupils to detect defects. Cripple Club. Five children have been examined. Morbidity 56% or buy. Four admissions. Visiting visits. The morbidity includes all cases thus classified as communicable diseases.

General Sanitation
Lectures and talks were made on sanitation. Educational work in sanitation has consisted of the following:
1. Showing need for safe water supply, both public and private.
2. Teaching proper handling of milk.
3. Instructing in danger of disease transmission by flies.
4. Showing need for proper disposal of human waste.

(a) Sanitation inspection of all school buildings by the sanitarian, also a complete sanitary inspection of all the tourist camps and eating establishments has been made by him. Inspection has been made of all dairies in the county in an effort to improve the quality of raw milk sold to the consumers.
(b) Sanitary Engineering Service. The sanitary engineer has consulted with the city officials in Tahoka and O'Donnell relative to improvements in water and sewage facilities in the county.
