Country Ed. . .

A Greek writer once wrote "Those whom the Gods would destroy they first make angry (sic. mad)."

In the same line of thought The Gods who would destroy our Nation first destroys our morals—not that of the older but the future parents yet playing on an old dime made into a swing.

Recently I talked with a man who quoted facts—Our Nation is breaking open in the fight for control of man's thoughts in southeast Asia—but we are rapidly losing the battle at home. It is football's classic play of ball deception.

My daughter, age 9, by all reasoning, can be expected to educate her grandchildren in a "godless" world. By all reasoning Michelle will be so guided as to let her children practice so called "free love" which is eating our nation now in the bark.

In twenty or so years here I feel that there could be no reasoning person that does not know the Old Ed. has feet of clay. In less than 25 years the difference will be that our children will believe it right to break God's law. My difference is that I know I am wrong . . . thereby lays the difference . . . when a wrong becomes a "right."

I have many times been angry with the soft treatment of our nation to Cuba—a sand and shell island within 75 miles of our waters. I was angry until I learned that our Nation has Cuba's leaders where they are afraid to sneeze without blowing their island apart—from land mines.

Next Week: Our children who have too much

Mrs. Mae Summers has had several of her children home for the week end and while here they were working on her home.

Mr. and Mrs. Leland Lane and Mark and Chris visited his parents Sunday evening.

Mr. and Mrs. Jim Briggs of Hollywood, Calif., Miss Thelma Wright of Midland and Mr. Virgel Wright of Ft. Worth, sisters and a brother of Mrs. John Ellis, have been visiting Mrs. Ellis and the group and Mrs. Ellis are vacationing in New Mexico.

Cleve Bairrington is ill at his home of a possible stroke, but is improving and will be home for a while yet.

Mr. and Mrs. Don Casey and boy and Jon Bray were guests of the Ham Thompson and Bill McMillan homes last week.

Mr. and Mrs. Jack Angelo of Houston are guests in the E. J. McMillan home for several days.

Mrs. Lois Hare and her son Charles and family of Lubbock attended the funeral of Mrs. Hare's brother at Paris, Tex., the first of last week.

Mr. and Mrs. L. D. Bingham visited relatives here Sunday.

Mrs. Rose Putman visited her sons in El Paso last week.

MISS JOLENE BOLCH SPEAKS ON "AMERICANISM" AT ROTARY MEETING

The O'Donnell Rotary Club met with President Truett Hodnett presiding. Visiting Rotarians were Harold Green, Harold Roberts, Jerry Cain, J. D. Atwell, Skiles Thomas, Kenneth Durham, and Emil Prohl of Tahoka and Tom Conners, Frank Liddell, Wesley Mieke, LeRoy Olsak, Guy Weeks, Marshall Crawford, B. J. Vaughn, Juleen Bolch, and R. S. Wilton of Lamesa. Harry Bolch and Mrs. Juleen Bolch of Lamesa were guests.

"America, America, God Shed His Grace on Thee"—Miss Joleene Bolch, daughter of Mr. and Mrs. D. H. Bolch of Lamesa brought a very inspiring message on Americanism for the noon luncheon. Miss Bolch believes that the American Ideals and Institutions founded many years ago are still sacred—still necessary—still must be cherished and followed and protected—"so that we might not perish from this earth."

American history will not and should not ever grow too old and out of date for the public school systems to keep always before the pupils. Miss Bolch was a delegate of Dawson county to the Forum on Americanism at Huntsville.

From Bareilly, India, the Tandon family write that it will be one year before the AC Electrical Current will be brought to Bareilly. They have only DC current. At a recent Rotary function a Magician entertained with many magical tricks and then showed the audience how the tricks were accomplished.

From Iceland the Jonsson family write that their daughter Elalfridur will attend school in Sweden which starts September 10. The Jonssons have recently returned from their vacation of four weeks in a tent on the north and east coasts of Iceland.

Thought for the week: "The Spirit of Americanism can survive unless the citizens of these United States nourish it, cherish it, and above all, remember its source."

Field Day Planned By Lubbock Station

Plans have been set for the annual field day at the South Plains Research and Extension Center north of Lubbock, according to County Agent Bill Griffin.

The event will start at 1:00 p. m. Tuesday, September 21 and the general theme will be "Today's Six Keys to Lowering Crop Production Cost," Griffin said.

The intention is to discuss research results producers can use to make management decisions about water, fertilization, timing operations, agricultural chemicals, mechanization and varieties.

The county agent said water conservation and efficient water use, two important fields of research at the center, will receive special emphasis at the field day

CLUB MEETS

The O'Donnell Young Homemakers met on Thursday, Sept. 2, for their regular monthly meeting. The program was presented by Mrs. A. C. Weaver of Lamesa, who is a representative of Lazer's Cosmetics. She showed how to apply makeup properly.

The meeting was attended by 13 members and our advisor, Mrs. Smith. Refreshments were served by Mrs. Harold Hohn and Mrs. Buster Snellgrove.

The club will prepare and present a booth at the local fair on Sept. 16 through 18. Mrs. J. M. Burkett is the chairman of the Fair committee.

The Young Homemakers will attend the Area II Convention in Brownfield, Saturday, Sept. 11. Miss Katie Garrett will be competing for the Little Sister Award from the local chapter.

SHIRLEY MOORE WEDNESDAY

Shirley Moore, nee resident of O'Donnell since shortly after her birth, died Monday night at Medical Arts Hospital in Lamesa after a prolonged illness.

Miss Moore and her parents moved to O'Donnell shortly after she was born in Stamford. She lived on Route 2.

Services were held at 2:30 p. m. Wednesday in the First Methodist Church of O'Donnell. Officiating were the Rev. Bob Brown, minister, and the Rev. David Hamblin, Memphis.

Burial was in O'Donnell Cemetery under direction of Branon-Phillips Funeral Home.

Survivors include her mother, Mrs. T. H. Moore, O'Donnell; a grandmother, Mrs. H. N. Cantrell, Stamford; one sister, Mrs. Jack Eicke, O'Donnell; one brother, Bob, Irving; four nephews and four nieces.

Pallbearers were W. O. Kelly, Vayne Mott, Howard Simpson, Bill Dorman, Sam Goad and Hamp Thompson.

Rural Accident Report Made

The Highway Patrol investigated five rural traffic accidents in Lynn county during the month of July, according to Sergeant A. E. Toberis, Patrol Supervisor of this area.

These wrecks accounted for one person injured and an estimated property damage of \$2,650.00.

The rural traffic accident summary in Lynn county for the first seven months of 1965 shows a total of 34 crashes resulting in

MASONIC WORKSHOP IN TAHOKA HALL

A Workshop has been scheduled for officers and members of Masonic Lodges in this area at 8:00 p. m. Sept. 14. The meeting will be held in the Lodge Hall in Tahoka. Officers of Slaton, Post, O'Donnell, Southland and Tahoka Lodges are especially invited.

The Workshop is part of a statewide, semi-annual program authorized by the Grand Master of Masons in Texas, J. Carroll Hinsley of Austin. The program is conducted for nearly 1,000 Texas Masonic Lodges with a membership of 250,000 men. The Masonic Order is the state's largest fraternal organization.

The purpose of the Workshop is to enable Masons to study common problems of Masonic Lodges and their operations. The Workshop will be conducted by R. A. Paschall, Jr. of Lorenzo, who is chairman of Masonic Workshop Area E-4.

Grand Master Hinsley stressed the importance of attendance by all Lodge officers and emphasized that other Masons are welcome.

WARNS OF SWINDLERS IN HEALTH INSURANCE

Swindlers are already at work selling "Early Bird" insurance to unsuspecting persons eligible for Social Security health insurance benefits, John G. Hutton, Manager of the Lubbock social security office informed the Press today.

Hutton states that no social security representative is collecting taxes or moneys for Hospital Insurance benefits or any part of the Social Security System.

Persons impersonating Social Security representatives have already been at work in our Antonio and Dallas, offering Health Insurance protection under Social Security at a cheaper rate for persons who sign up with them immediately rather than at a later date.

If you are contacted by someone who offers you Social Security Hospital benefits at a reduced rate or tries in any way to collect premiums for so-called Social Security Health Insurance, call the Social Security Office at Room 5-8541 in Lubbock. A call to the FBI or the local police giving a description of anyone attempting to prevent loss to you if you are asked to buy Social Security Health Insurance benefits at a lower rate or an earlier time, Hutton advises.

This week Bill Scholter, a long time resident and teacher, attended the Ed. thru the new building addition to the school and the addition to the gym. Coming up will be an open house in which every school patron will wish to attend. O'Donnell is second to none in this school addition. (Now we may dream of redecorating the older High School which can be done without a tax issue.)

JUNIOR CLASS ELECTS OFFICERS

The Junior class met Sept. 1 to elect officers and student council representatives. The new officers are: President, Dwight Crawford; vice president, Paula Beach; secretary, Kerry Barnes, and reporter, Donna Moore.

The student council representatives are Paula Beach and Lorne Goldston. The new sponsor for the year is Coach Jerry Brown.

Two persons killed, 15 persons injured, and an estimated property damage of \$15,943.00.

MOURNING DOVE SEASON

AUSTIN—The opening salvo in the 1965 wildlife harvest season will be fired at noon, Wednesday, Sept. 1, in 185 Texas counties.

That time marks the opening of the mourning dove season in the north zone, which covers about three-fifths of the state.

P. B. Uzzell, wildlife coordinator for the Texas Parks and Wildlife Department, said prospects are favorable for substantial numbers of the most popular upland game bird in Texas. He said reports indicate a generally good hatch in most areas and that food and water conditions have been adequate, except in a few scattered areas.

The opening mourning dove bombardment at noon September 1 will be reinforced within one week by two distinctive shoots. One will be the traditional white-winged dove shoot in Rio Grande Valley counties, September 4-5 and September 11-12. The other will be an experimental season on teal ducks, September 4-12. Special permits, already issued by deadline, are required for the teal hunt, for which there is a four-per day and eight in possession limit after the first day.

Uzzell cautioned hunters that dove hunting will be permitted from noon to sunset, that the usual regulations involving plugged guns to three shots and such, will prevail, and that the south zone season will not open until noon September 25.

The wildlife coordinator said the best time to hunt usually is late afternoon and that grain fields, wild seed areas and the stock tanks are favored shooting spots. He advised hunters to obtain land owners permission and to avoid shooting on highways or from cars.

The dove limit is 12 a day or 24 in possession, after the first day. The white-winger dove area limit is 12 mourning doves and 10 whitewing, with double that in possession after the first day. Each dove must retain one fully feathered wing until finally processed.

DID YOU KNOW THAT:

In 1951 the Texas Forest Service launched an extensive program in tree improvement research. It was the first Southern state forestry agency to undertake this type of research. Much credit for financing the program is due units of the forest products industry. A laboratory and greenhouse on the campus of Texas A&M University is the operations center for this program.

Joy of Golden Age . . .

After 65 Things Are Less Taxing

If you're one of the thousands of Americans who reached age 65 last year, you may have learned one of the fiscal joys of reaching that golden age—more liberal income tax allowances.

For the first time in your life, your drug and medicine bill, as well as your medical expenses, are completely and delightfully deductible. Samuel Boardman, director of Retirement Planning for Continental Casualty Company, reminds taxpayers that the 1964 Revenue Act dropped the limitation on medicine and drugs beginning with 1964's tax return.

Also, as an added incentive for people who reach 65, Uncle Sam permits an extra \$600 exemption, or \$1200. Boardman points out. On a separate return this additional exemption is also allowed for the spouse of the taxpayer, if the spouse has no gross income and is not claimed as a dependent by another taxpayer. And it is allowed on a joint return no matter how much income the spouse made, if the spouse is at least 65.

Actually, Boardman points out, a person who celebrated his 65th birthday on New Year's Day of this year is eligible as an "over-65" taxpayer for 1964. "An individual is assumed to have reached the age of 65 the

first moment of the day of his 65th birthday," Boardman stated.

Most people, regardless of age are aware that where there is total blindness, an additional \$600 exemption is allowed. However, Boardman states, older people, whose eyesight is extremely weak to the point of their being "partially" blind, may not realize that they may also claim additional exemption.

Where central visual acuity does not exceed 20/200 (20 is normal) in the better eye with correcting glasses, where the widest diameter of the visual field "subtends" an angle no greater than 20 degrees, for tax purposes, taxpayer is considered partially blind. He is eligible to claim additional \$600 exemption statement from a qualified physician on the condition of taxpayer's eyesight must be attached to the tax return, Boardman said.

Continental Casualty, Chicago, pioneered national health insurance plans for the aged.

New Hunting And Fishing Licenses Due September 1

Austin—One and one-half million "passports to paradise"—that is hunting and fishing licenses—have been put in the mail for distribution to Texas sportsmen.

J. Weldon Watson, executive director of the Texas Parks and Wildlife Department, said that a custom first installed last year has been pursued "with substantial refinements."

This, he said, means that the licenses were mailed a full three weeks before the September 1 beginning of the new state fiscal year.

New Board For County Library

Lynn County Library board has been recognized and approved by the Commissioners Court of Lynn County in order that new life may be injected into the project and in order that certain requirements may be met to conform to regulations of Texas State Library.

As a result of the reorganization and official approval by the Court, certain additional benefits may be received from the State Library.

At a recent meeting of people interested in the library, ten directors were proposed and these were approved Monday by the Commissioners Court. They include four old members, Mrs. G. M. Stewart, representing study clubs; Mrs. Gladys M. Stokes, representing business women; Mrs. Madeline Hegi, public schools; and Frank Hill, civic clubs.

New members named to the board include: Stephen Thompson, professional man; W. Garland Thornton, city of Tahoka; George Sealy, New Home; Dan Cook, Wilson; Elvin Ray Moore and Mrs. Guy Bradiey, O'Donnell.

The library was started 28 years ago by Phebe K. Warner Club of Tahoka with Mrs. Stewart in charge, and she has been the leading worker for the library ever since.

When the Rotary Club remodeled the old City Hall into a Boy Scout Hut, space was given for the library. The County and City of Tahoka have helped financially with the project over the years. For a number of years, Mrs. A. J. Kaddatz has been the efficient librarian.

The library now has 10,000 books. Through the summer months 140 to 160 people check out books weekly, and up to 7,000 a year are checked out.

Directors hope to extend the scope of book usage by securing greater interest over the entire county.

Mrs. Rosalyn T. Shamblin, field consultant of Texas State Library, has recently made recommendations which the board hopes to implement in the near future for more extended use of the library, which is free to all Lynn county citizens.

PRODUCERS WINNING

Battle of the Boll Weevil!

BOLL WEEVIL CAN BE BEAT

The efficiency and effectiveness of the 1964 weevil control program, together with the continued support of producers, strongly points toward a complete High Plains victory over this most dreaded and costly of all cotton insects.

20% LESS REQUESTED FOR WAR CHEST

Economies effected in the first year's spraying, plus the fact that over 97% of producers helped finance it, made possible a substantial carryover of funds from 1964 to be used in 1965. This in turn has made it possible to reduce the requested producer contribution in 1965 from 50 cents to 40 cents a bale. And there is hope this can be further reduced in 1966.

The following is a financial report from the Boll Weevil Steering Committee of Plains Cotton Growers, Inc. to those who are so wisely investing in this vital program.

BOLL WEEVIL STEERING COMMITTEE FINANCIAL STATEMENT

- (2) Paid to USDA in October and November, 1964, pending final audit
- (3) Reimbursed expenditures from PCG general fund
- (4) Less than 3% of total contributions
- (5) Interest on money borrowed to begin spraying before contributions started
- (6) Total cost of program in 1964 was \$1,188,435.20, with the difference paid from Federal and State funds
- (7) Required escrow fund to remain 2 years beyond termination of the program

PRESTIGE PLATES NOW AVAILABLE

Personalized, prestige auto license plates can now be secured on application, accompanied by a \$10.00 fee, through Lynn county tax office and George McCracken, tax assessor and collector. Mr. McCracken has received forms for the application under a new Texas law to help finance the Texas program for tourism, recreation and State parks. The fee for the special privilege is in addition to normal auto registration charges.

But, once a person has one of these plates approved he may

maintain such permanently on an annual renewal basis.

The applicant may submit three choices, each a combination of letters or numbers not to exceed six units. This may be his first name, last name, telephone number, dog's name, or a combination of letters and numerals, so long as such does not conflict with the Texas Highway Department's regular license plate number system or some such name, number or combination already issued to some other person.

Mr. McCracken has full detail on the new personalized numbering system.

New Hunting And Fishing Licenses Due September 1

Austin—One and one-half million "passports to paradise"—that is hunting and fishing licenses—have been put in the mail for distribution to Texas sportsmen.

J. Weldon Watson, executive director of the Texas Parks and Wildlife Department, said that a custom first installed last year has been pursued "with substantial refinements."

This, he said, means that the licenses were mailed a full three weeks before the September 1 beginning of the new state fiscal year.

Young Farmer Meeting Sept. 11

Young Farmers of Area II will hold their annual convention at Brownfield Saturday, Sept. 11, beginning at 11:30 a. m. The News is informed by Sid Long of Gail. Awards will be presented at the meeting to the outstanding Young Farmer chapter, outstanding new Young Farmer chapter, and outstanding Young Farmer of Area II.

Principal address will be by Wilmer Smith of New Home, long a leader in agricultural circles. Present Area II officers are: Ray Herring, Fluvanna, president; Stanley White, Klondike, vice president; Bill Gray, Welch, secretary; and R. L. Dulin, New Home, reporter.
