The Sighted and the Blind

by Mrs. Homer Anderson
In an attempt to establish a better understanding between the sighted and the blind, the Lioness club had as guests four members of the Beaconlights club. It is made up of visually impaired adults. Jim and Jewel Reich, Archie Tumlinson and myself led in this discussion. We represent four entirely different jobs.

The function of Beaconlights is to broaden the horizon with and for the blind as stressed in the slogan "Forward in spite of darkness."

Some of the needs of members of Beaconlights are job opportunities, recreational activities and transportation, and funds to carry out plans.

The club needs held in sale of light bulbs as the means of building a treasury. Any who would be interested in helping with this can contact Jim Reich at 766-1963 or the writer at 592-5757 after 5:00 p.m. Another project was started Friday to teach Beaconlights members various handicrafts. The club will be working on salable products which will also contribute to the treasury. Some need these handicrafts for therapy.

The general public does not realize how many adults have visual problems but even so can do things with the proper tools, guidance and funds. If anyone has any questions, please call one of the telephone numbers previously mentioned.

Much more can be done if a problem is understood. No one should feel uncomfortable to ask a visually limited persons questions about his condition and the visually limited person will be happy to explain as best he can. Understanding is the key to this big door. Won't you turn that key and walk in to receive your portion of understanding?

Some of the Beaconlights' needs:
Understanding
Publicity
Jobs
Transportation to meetings
Funds for purchase of bumper stickers and badges, to aid in publicity and to raise funds
Funds for the purchase of handicraft kits
Assistance in the sale of light bulbs

The band with its drum majors and twirlers, plus the green and white clad pep club are beautifully complemented at every Hawk football game by these six cheerleaders.

Front row, left to right, are Debbie Catlin and Connie Rasmus. The back row has Marcia Stubbs, Jody Frazier, Sherrie Anderson and Susan Teel.

Cafe Has New Owners & Name

Dan and Kate Deason and Ted and Betty Smith are new owners of Jay-Ray Restaurant and have taken over operation from Jimmy Miser. They have taken the name Fina Cafe.

Kate and Betty are managing the cafe. They have announced business hours from 6 a.m. to 9:30 p.m. daily. Sunday hours are from 9 a.m. to 4 p.m.

Both families will continue to reside in Wichita Falls for some time. Dan and Kate have five children: a daughter 17, and four sons 15, 9, and 7-year-old-twins. Ted is a plumber in Wichita Falls. The Smiths have three children: Boy 14 and two girls 11 and 9 years of age.

Asked about his plans, Jimmy said he will take a vacation and play some golf before he goes back to work in Wichita Falls.

Pete's TV Moves Uptown

Mr. and Mrs. Pete Shook have moved Pete's TV and Appliance from the corner of James Drive and Kamaay Road to 111 W. Cash, former location of Bogan Furniture, next door to Settle Drug.

Pete and Kathleen have been in business here since 1964. They added used furniture and appliances in 1967. They are happy to be back in the downtown area and plan to have more new furniture and appliances in stock. Pete said this week: "Come in and see our new place and shop around and visit with us. We have our Service Department set up and in operation."

On to Vernon . . .

Fans must remember, when they plan to hurry to Vernon, Friday afternoon, that the District 4-AAA games all begin promptly at 7:30. Get an early start and drive carefully. We can't afford to part with any Mean Green supporters!

The football team itself is not going on a picnic with hotdogs, pink lemonade and ice cream as the main source of enjoyment.

We know what the Hawks can do on a football field, and Hawk coaches saw what the Lions can do, when they attended the Altus game last Friday.

Every faithful football fan is well aware that the game calls for team play with everybody—from managers through the men on the field, the coaches and photographers, band, pep squad and cheerleaders, plus the cheering fans in the seats—pulling together and exerting every ounce of their collective abilities to bring home the victory.

That's what we are looking forward to this Friday night in the Vernon stadium.

We are not going to point out

this running back, that ball carrying wizard and those non-destructible defensive players are going to be performing for Iowa Park. All of us know they are primed and cocked and ready. We say to all, including ourselves—"Go, Hawks, Go."

Last week when Waditaka Koki Camp Fire group met at the home of Mrs. Kay Bennett, 210 Hope Lane, officers were elected: Cheryl Bennett, president; Sudda Griffith, vice-president; Jill Watts, secretary; Tessa Johnson, treasurer; Teresa Young, reporter; Shannon Vickers, historian; Lisa Demon, refreshment chairman.

Saturday evening and Sunday morning the unit enjoyed a camp-out at Harrell Park. They learned to build a camp fire, prepared a meal and went hiking. The girls are already working on gifts for Christmas.

Next meeting will be Wednesday, Oct. 11, at 3:30 p.m. Diene and Dorris Gard spent last weekend in Grand Prairie visiting their brother Jim Gard and cousins Mr. and Mrs. Jim Brown.

Beaconlights Tell of Visually Weak Adults' Problems

Members of Iowa Park Lioness club met last Thursday in Jay-Ray's restaurant with Mesdames Faris Nowell, D. O. James and H. L. Abernathy as hostesses. Mrs. Keith Aulds brought a devotion using fresh garden vegetables to represent the characteristics of officers and members.

Mrs. Nowell conducted the business. Members voted to take responsibility for food contributions for the Harold Swanson family. Containers will be placed in each church here and in grocery stores to receive food items. They will be gathered Sunday, Oct. 8 and carried by members of the Lions club to the Swanson home.

Lionesses also voted to give the \$30.80 they made in the bake sale at the Whoop-T-Do during the Homecoming on Sept. 23, to the Harold Swanson Fund being established at the State National Bank.

Mrs. Nowell named as projects committee Mmes. T. C. Berry, O. E. Lochridge, Sam Hill and Lester E. Brooks.

Mrs. Homer Anderson, a film instructor at Region IX Education Center, Wichita Falls, introduced the program "Forward in Spite of Blindness" presented by four members of Beaconlights. She said the organization was designed to help visually limited adults to achieve active and useful lives. They are seeking more recreational opportunities as well as working conditions.

On the program were Jim Reich, president of Beaconlights and supervisor of Opportunity Workshop; his wife, a homemaker; and Archie Tumlinson, who is totally blind and operates a concession stand in the Wichita Falls post office.

The speakers said that everyone is handicapped in some way and a better understanding of the needs of those with impaired sight is important.

Engaged

Mr. and Mrs. Jack F. Banks of Wichita Falls have announced the engagement of their daughter Vinita Yvonne and Leslie Gary Morgan, son of Mrs. Irene Morgan and the late C. T. Morgan. The wedding will be Feb. 2.

Yvonne is a graduate of Rider high school and is employed with Levine's Department Store. Leslie is also a graduate of Rider and is a junior at Midwestern university. He is employed with Falls Rental and Sales.

Mr. and Mrs. Banks are former residents of Valley Farms and are graduates of IPHS.

A new director for Zone 4 of Wichita Soil and Water Conservation District, will be elected soon, Chairman Donald C. Hill announced this week. The election will take place following the Stocker-Feeder seminar at the county agricultural building in Iowa Park on Tuesday, Oct. 10 at 7:30 p.m.

Zone 4 consists of all the land south of US Highway 28 and west of State Highway 368 in Wichita county.

Soil and Water Conservation District officials serve five-year terms. To be eligible a person must own land in the zone and be actively engaged in farming or animal husbandry. Present director of Zone 4 is Jack Stevens of Valley View. Other board members are Hill and John R. Jones of Iowa Park; Eddie Showers of Electra; Fred Dwyer of Wichita Falls.

Guest speakers were Barbara Guest, state little sister; and Linda Penn, past state president of Young Homemakers of Texas. Many door prizes were awarded and each member attending received a tote bag.

Oct. 10 at 7:30 p.m. is our next meeting. Mrs. Faris Nowell will discuss "Archeology." Nursery service will be provided and door prizes will be awarded. We meet in IPHS homemaking department.

Mrs. Travis Lee of Munday is visiting here this week with her daughter Mr. and Mrs. Bob Birk and four sons.

Thanks to Mrs. Lewann Terrapin for refreshments. Cheryl Barker was a new member of the group.

We thank Mrs. Brooks for her book donation. "Eleazar: The Years Alone" by Joseph P. Lash tells the story of this marvelous woman. The Table of Contents indicates the sweep of this book in which we see Eleanor Roosevelt, standing alone, free to say whatever she wished, earning from President and Man in the Street the title First Lady of the World.

For junior readers we have 8 books on the Happy Hollister family written by Jerry West. September circulation was 780; last year, 723 in September.

Rural Fire Preventi'n

County Judge Calvin Ashley and fire chiefs in the county have joined with Farm Bureau President Ed Foster jr., to proclaim the week Oct. 8-14 as Rural Fire Prevention Week in Wichita county. Ashley urges all rural citizens to be fire safety minded during this week and every week.

"Utmost care should be used in handling all petroleum products. All buildings should be properly protected from lightning; and fire hazards should be removed," said the judge.

Fire chiefs urged all to check their homes for fire hazards: "A large number of home fires are caused by faulty wiring, overloaded circuits, pennies behind fuses or circuits overfused, and appliances not properly grounded."

Rural fire usually are three to six times as destructive as city fires because of the time involved in getting to the fire.

Foster noted that "Texas Farm Bureau has been active in promoting fire prevention by sponsoring more than 200 graphic fire demonstrations to schools each year, by offering fire extinguishers to members at reduced rates, sponsoring some 100 volunteer firemen to the Firemen's Training School each year, as well as paying a fire department \$75 for answering fire calls involving Farm Bureau insured property.

Carl Barnhill, John Sibley and Robert Cole compose the fire prevention committee for WCFB. A poster contest is being sponsored in Kidwell and Bradford schools. Ribbons and trophies will be awarded.

Farm Bureau

Cemetery Assoc.

A devotional talk on the death of Jesus along with picture slides taken on a trip to the Holy Land, given by John Maples of the Iowa Park church of Christ, provided an interesting program at last Sunday's business meeting of Highland Cemetery association.

Maples commented on the supposed burial place of Christ, The Skull; on scenes in and around Jerusalem; and the ancient wall and gardens. Preceding the talk, singers from the church sang "Some Day He's Coming" and "What We Believe." Following the meditation they sang "He Arose."

Mrs. D. O. James directed business. Miss Dossia Smith acted as secretary in absence of Mrs. M. L. Hines. Miss Roberta Hill reported \$3,368.47 in the treasury.

Nominating committee including T. M. Clark, W. D. Vestal, Taylor George and Mrs. J. Louis Quick was elected. They will report at the first quarterly meeting in January. Officers named then will begin serving immediately.

Dave Cole Bridgers, caretaker, presented some of the problems facing the association, such as: Planting shrubs and flowers in alleys and on side streets. Who shall dispose of the surplus dirt after the graves are filled and have settled.

The group ratified a change in the price of the three-space lots in case a family wanted two burial spaces and sold the third one. The two spaces will be \$100 and the one remaining, \$75. A single space with no choice of location sells for \$50.

Fenton Dale pronounced the benediction.

Mr. and Mrs. G. B. Young returned last Friday from a three weeks visit in Hayden, Colo., with their daughter Mr. and Mrs. Wayne Butts.

Enroute home they noticed the rain turning to snow as they began climbing to higher elevation, and through the Rabbit Ears and Hoosier passes the scenery was beautiful beyond description. But it was hazardous driving. They dared not stop, so gave signs of relief when they overtook a snowplough and followed through on the path it made.

Gus enjoyed the vacation very much and rejoiced when the doctor told him Monday morning he was much improved in health.

Mrs. Johnnie Combs and daughter Tracy spent Friday and Saturday in Denton visiting another daughter Mr. and Mrs. Jim Nicks.

Bird Lore
by Lafayette Stankewitz

If you intend to feed the birds this winter, now is the time to begin. Do it consistently and regularly beginning before they really need it.

I try to feed in two locations so aggressive birds like sparrows, cowbirds, starlings and grackles will not get all of it. These I feed mixed grain at the back of the yard. I place sunflower seeds in a feeder near my window for my cardinals and house finches. not continued throughout the entire to capacity each day, for some will stay until the last seed is gone. Decide the amount you will feed and put it out late in the afternoon so they will find it first thing in the morning. Being able to find food early will help to replace heat and energy when the weather is cold; and will often save a bird's life.

You can feed birds many things besides seeds. I use peanut butter mixed with meal and rolled into balls, and place them on my window ledge for mocking birds, cardinals and wrens. I cut up apples and raisins for the robins.

Most birds like crumbs and suet. I grind suet and put small amounts out each day. It is nourishing, especially for insect eaters—and will not freeze. I keep a supply of bird pie on hand for times when we have snow and ice storms.

I also have natural food in the yard: holly, pokeberry, elderberry, cherry laurel, pyracantha, Russian olive, Chinaberry, honeysuckle and Virginia creeper.

Birds need water any time of year and cannot survive without it. Be sure to thaw out their water bowl if it has frozen overnight.

Just a word of warning: It is better not to feed at all if it is not continued throughout the entire winter.

Mr. and Mrs. Edd Penn visited last week with her brothers Pat and Joe Bailey in Decatur and Edd's sister Mrs. Nancy Roberts in the McKinney hospital.

Mr. and Mrs. J. A. Berg had as Sunday guests her two sisters Mrs. Mary Herron and Mrs. F. M. Stone, and a sister-in-law Mrs. Lola McKinney, all of Garland.

You're looking at one of the nice things about an electric dryer.

Drying a wet teddy bear, or other stuffed toys labeled "washable," is just one of many things you can do with a flameless electric dryer.

There are plenty of others. Like dusting draperies. Airing bed covers. Fluffing pillows. And many, many more.

Your instruction booklet is your best guide to the many unique capabilities of your electric dryer. Read it carefully and file for ready reference.

One of the big advantages of electric dryers is that you can get control features which automatically determine the temperature and drying time needed for various fabrics.

This fabric selector is particularly helpful in this modern age of care-free polyesters and other permanent press fabrics.

Versatility is just one more reason why flameless electric dryers are America's favorite.

Bradford PTA

Dr. Charles Hill of Midwestern faculty was the speaker at the Tuesday evening meeting of Bradford PTA. Topic he discussed was timely for the special interests in our school at this time, "Language Learning Disabilities."

Girl Scout troop 103 gave the pledge of allegiance to the flag. Mrs. Kenneth Young presided and introduced the Rev. Mr. Bill Norman of Grace Baptist church, who brought a devotional emphasizing the fair treatment of all children regardless of economic level or family status.

Mrs. Donald Thompson, budget and finance chairman, presented a budget of \$815.75 for the school year. It was approved.

A letter of information regarding aid to the Swanson family was read. Food contributions will be brought to the school.

Plans were made for Halloween 'e'en carnival. It will be on Oct. 21. The cafeteria will be open at 5:30 for serving hot dogs, cake, pie, coffee and tea. Money-making concessions will be ready for customers at 6:00, when variety entertainment galore will be offered. Mrs. Cole's fourth grade room

was awarded the September attendance prize of \$5.00.

Mr. and Mrs. Steve Berry of Wichita Falls, Larry Don Robinson of Phoenix, Ariz., Mr. and Mrs. Charles Griess and children of Denver, Colo., were Sunday guests of Mrs. C. C. Robinson.

Shower Honoree

A proxy stork shower for Mrs. Carmen Lozipone, formerly Miss Dona Sue Merriman, was given Saturday, Sept. 30. Hostess was Mrs. Wm. P. Orr, 1515 McGregor, with Mrs. L. E. Whetstone as co-hostess.

Pink and blue booties decorated the cake. Other decorations included planters in shapes of high-chair, bassinet and the like filled with flowers and ivy.

Gifts were displayed in a bassinet that will be sent on to Donna to be used by the first of the third generation using it, a great-grandchild.

A phone call to the honoree from the guests informed her of the shower. The Lozipones reside in Elbridge, N.Y.

A decoupage invitation is to be sent to the honoree. The invitation list included 15 guests.

AEO of BSP

Mrs. Louis Sawyer was hostess to Alpha Epsilon Omicron chapter of Beta Sigma Phi sorority Tuesday evening in the Texas Electric auditorium. Mrs. James Owens, president, directed activities.

As program, the group went to how motion pictures are made and viewed the uncut and unedited films that are being made in Iowa Park at this time.

On returning to the Sawyer home, Mrs. Gary Barker led the opening ritual. The sorority has received notice from International it has qualified as a three-point chapter.

Mrs. Bobbie Bradford, service chairman, announced the chapter will participate in Harold Swanson Week by contributing food.

Mrs. George Bludnick, ways and means chairman, told of the paper drive being made the next two weeks. Members will sell "Just a Note" recipe cards to make money for the Christmas service project.

The chapter elected Mrs. Louis to be Valentine Queen for the next year.

Mrs. George Bludnick read the closing ritual.

Others present were Mmes. Wilbur Garrell, John Fulfer, Jerry Guyton.

Night WMS

Mrs. J. A. Berg was hostess to Night group of Women of First Baptist church in regular meeting Monday. "Prayer is the key that opens many doors" said Mrs. Carl McKinnon as she opened the session with a Call to Prayer for missionaries.

Mrs. Mae Roby was in charge of the program on "Missions and Cultural Differences." She stated that in order for missionaries to share the faith effectively they must understand the cultural context in which they work. In answer to the question "What do missionaries do?" one of the answers is "They present the responsibilities of Christian people and set the examples in their living."

Mr. and Mrs. Carl Yarnell's work in Malaysia was presented and "People to People Responsibility" topics were given by Mmes. D. O. James, Virgil Woodfin, Lee Smith, Bill Curry.

The work of two other missionary couples from Iowa Park was also discussed: Mr. and Mrs. Larry George in Rhodesia; Mr. and Mrs. Jimmy Hooten in Uganda, Africa.

Others present were Mmes. Roy Smith, Carroll Duke, Homer Blacklock, Bratton Reaves, and Omega Harris.

W S C S

"New Life A-Borning" was the theme of the program at the WSCS meeting Tuesday morning in United Methodist church. Mrs. S. B. Keeter directed business and the program.

That was theme of the annual meeting of North Texas Conference Women's society at Sulphur Springs last week when Mmes. Keeter, Miles Thompson and Sam Hunter attended as delegates.

"We also should walk in newness of life" from the Letter to the Romans was scriptural background, setting the tone for program presentation.

Mrs. Keeter used a poster depicting a tree with new branches, with butterflies newly released from their cocoons to emphasize her remarks, suggesting that we must catch a new vision, tap our resources, and develop into the beautiful butterflies that are our potential.

Mrs. Thompson read the new purpose and defined the areas of work as they will be included in the new structure beginning in 1973.

Mrs. Hunter stated that the idea now is to make a pattern to meet the needs instead of conforming to a pattern established by tradition that does not fulfill the potential. Each must "give her gift" regardless of how small it might be.

Mrs. Otis Gay and Mrs. Delbert Todd directed the group in singing the theme hymn "Song of New Birth."

A certificate indicating a gift to missions in the name of Carrie Elizabeth Keeter, little daughter of Mr. and Mrs. Philip Keeter, was presented to Mrs. S. B. Keeter the grandmother.

Items of business included the decision to serve the ESA and husband a banquet on Nov. 21. Mrs. E. H. Pearce announced new members can obtain combination subscriptions to "Response" and "World Outlook" for \$4.95. All were urged to plan to attend district meeting at Electra on Oct. 24. A session to evaluate the year's work will be in Mrs. Keeter's home at 9:30 a.m. Friday, Oct. 13.

Circles will meet next Tuesday with the following hostesses: Mesdames Miles Thompson, Carl Sullivan, Wilbert Wynn, Sam Hunter.

Others present were Mmes. C. C. Robinson, Bertha McDonald, W. M. Owens, J. W. Farmer, C. L. Thompson, Julia Lindesmith, Martha Smith, Judy Baker, W. F. George, Emma Gauntt, Jo Ann Lewis, Patricia Jares, Mary Pike, Judy Oliver, Hazell Trammell, M. L. Hines, Andrea Barker, Etta Bennett, Allen Bennett, James Todd, Ray Low, Herman Mahler.

Dystrophy Fund

Muscular Dystrophy house-to-house appeal for funds is now underway in Iowa Park under direction of Don Hughes of the State National Bank.

Dystrophy, a disease for which there is as yet no known cure, results in early death for its victims. Most are children. Your help can bring the precious gift of hope, and perhaps even life itself to these youngsters.

Muscular Dystrophy Associations of America ask all concerned folk to support this campaign and help bring much-needed comfort to these less fortunate!

Mrs. Grady England was honored Sunday on her birthday with a family dinner. Those joining in the celebration were Mr. England, Mrs. Carroll Duke, Mrs. Mary Lou Meyers, Dr. and Mrs. Ben Huckaby and Hannah.

Hannah, who recently received a camera as a gift, recorded the event in color.
