REGIONAL QUALIFIERS -- Iowa Park High students qualifying for the regional UIL literary contests this weekend at Denton are, from left, Don Yeager, Nancy Miller, Ken Griffin, Mark Lemon, Paul Guyette, Cindy Rentschler and Billy James.

HERE AGAINST HIRSCHI

Hawks open conference baseball play Tuesday

The Hawk baseball team will enter District 4-AAA play here Tuesday with a perfect record, though they have played only four warm-up games.

North zone play begins at 4 p.m. Tuesday, when the Hawks host Burkburnett at Burnett Field. They play here again Friday against Hirschi.

After taking back-to-back wins over Windhorst last week, the Hawks hosted Hirschi and Burkburnett Monday and Tuesday in non-conference play, and won them both. The Hirschi game was a "down to the wire" type game which wasn't decided until the final inning, 6-5, but there was little doubt about the 7-1 outcome of the game with Burk.

Coach Greg Clarys saw action from every member of his team during the two games.

This is the first varsity high school team Iowa Park has fielded in almost 20 years.

All the scoring in the Hirschi game came in three innings, the first, fifth and seventh. The Huskies jumped to a 3-1 lead in the opening frame, though all four scores were unearned. A single in the fifth inning gave the Huskies their only earned run of the game.

In the bottom of that inning Kenny Franks walked and was driven in by a Robbie

Bosley hit, his second of the game, making the game 2-4.

Hirschi scored again in the seventh, again on Hawk errors.

But then the exciting action got underway. Franks grounded out to second base. Berry Spruiell singled and was brought in by another Bosley single. Bosley advanced to second on an error and Greg Frazier walked. Then Wayne Hallford doubled, sending the ball against the scoreboard in left field.

With the score 5-5, Hallford sitting on second base and two outs, Ross Riley drove a line drive into short center field. The Hirschi fielder made a determined dive for the ball, but it was laying in plain sight when the husky stopped rolling, and Hallford was crossing home base with the winning run.

Pitchers for the Hawks were Chuck Buikema, four full innings, and Malcolm Camp in relief the rest of the game.

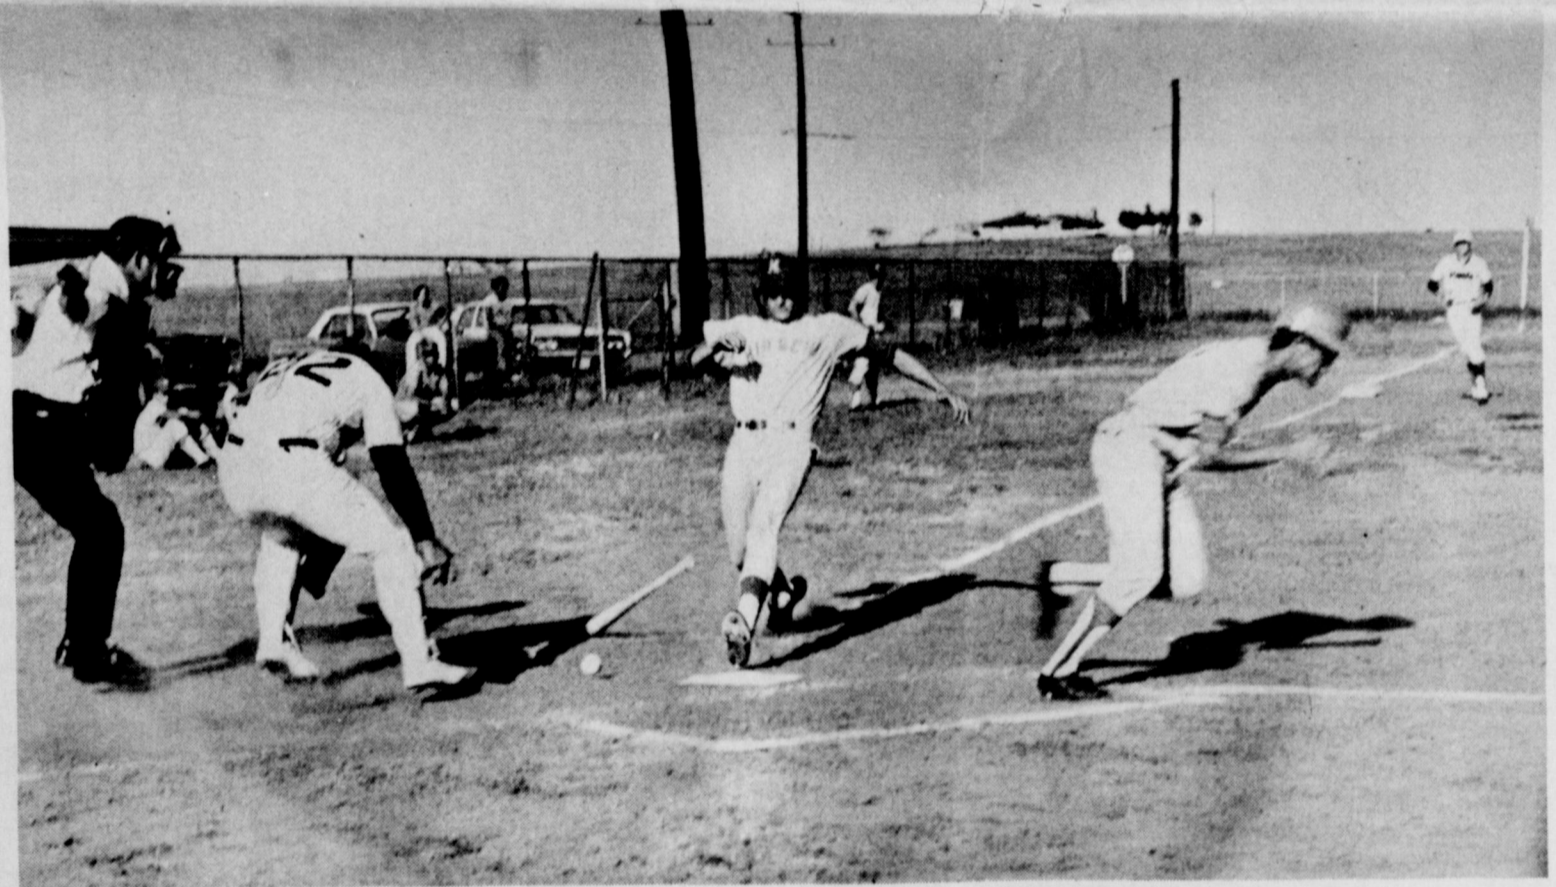

Bosley went the entire distance Tuesday against the Bulldogs, and Burkburnett

wasn't allowed its run until the final inning.

The Hawks scored three runs in the first inning. Randy Brown walked, Bosley grounded out on an infield hit, but advanced Brown to second. Danny Bilbrey walked, and then scored behind Brown when Buikema slapped the ball against the left center field fence. Buikema scored on a fielder's choice throw to put out Hallford at first.

In the fifth inning, with one out, Sam Morrison walked and then raced to third when freshman Daryl Frazier doubled into left field. Bosley singled to score Morrison, and then D. Frazier scored on a fielder's choice throw to put out Bilbrey.

The other two Hawk scores came in the fifth inning. Ross singled. He advanced to third when Hallford grounded out. Jerry Burkhardt drove him in, and then was safe when he beat out a fielder's choice throw from deep short stop. He advanced to second when Franks grounded out and then stole third base, finally scoring on a past ball at the plate.

FAST ACTION -- Hirschi Huskies thought they had a score on this play here Monday, but it failed. The runner approaching home base was attempting to steal in, but the batter apparently didn't see the signal, and fouled the ball attempting to bunt. Hawk catcher Jackie Perkins reaches for the ball. Iowa Park pulled the victory out in the final inning, 6-5.

Seven qualify for region in UIL literary contests

Seven Iowa Park High School students will be competing in the Regional University Interscholastic League literary contests this weekend at Denton, as a result of the placings last week in the District 4-AAA competition at Weatherford.

They are Billy James, Nancy Miller, Paul Guyette, Mark Lemon, Cindy Rentschler, Ken Griffin and Don Yeager.

Miss Miller placed first in Informative Speaking; Guyette was first in Number Sense; Mark Lemon was first in Typing and Yeager was first in Prose Reading.

The others placed high enough in their events to qualify. James was second in Slide Rule; Miss Rentschler third in Typing; and Griffin was second in Science.

Others placing, but not qualifying, were: George Knezek, third in Slide Rule; Evan Lington, third in Science; Richard Blair and Diane Johnston, each third in Poetry Interpretation; and Judy Watts, second in Persuasive Speaking.

The One-act Play entry from IPHS placed second to Brownwood Friday night. The local entry, composed of Yeager, Audrey Bushfield, Mike Kelly, Tim Hunter, Doug Blevins, Janet Fox, Rhonda Watson, Karla Weaver, Diane Johnston and Cathy Whittingstall, had placed first in north zone competition.

Yeager was named Outstanding Actor and Miss Bushfield was named to the All-Star Cast.

Boys' Doubles -- Johnny Roberts and Lloyd Harrison defeated Richard Adams and Madison Pedigo of Burkburnett 7-5, 6-4, but lost to Andy Duffie and Stan Steele 6-2, 3-6, 3-6. Hunter Nipper and Jeff Blaker lost to Randy Carter and Mark Hensley of Weatherford 6-0, 6-1 in the first round.

Girls' Singles -- Sherry Anderson lost to Melinda Roye of Graham 3-6, 0-6 in the first round; Diana Nipper lost to Kathy Curtis of Burkburnett 1-6, 4-6, also in the first.

Girls' Doubles -- Susan Teel and Pat Haynes went all the way to the semi-finals. They beat Susan King and Lindy Alexander of Brownwood 6-2, 6-0; Ann Stewart and Amanda Swope of Graham 6-3, 6-3, before losing to eventual champions Stovall and Gabbert 0-6, 0-6.

Boys' Junior Singles -- Robin Fox drew a first-round bye and lost to Mike Dye of Burkburnett 6-2, 2-6, 2-6; Sam Callaway lost to eventual champion Greg Graves in the first round 1-6, 4-6.

Boys' Junior Doubles -- Mark Hubner and Paul Tigrett lost to eventual champions Daie Berg and Tim Cochran of Hirschi 1-6, 3-6 in the first round; Tracey Twyford and George Teel lost to Bill Behrens and Jacy Salyer of Burkburnett 6-4, 3-6, 3-6.

Girls' Junior Singles -- Mary Ann Dawson lost to eventual champion Deana Wright of Vernon 0-6, 3-6 in the first round; Lisa Cosstick lost to Jane Burke of Graham 1-6, 2-6, also in the first round.

Girls' Junior Doubles -- Yvonne Reid and Susan Catlin drew a first-round bye, defeated Barbara Rogers and Lynn McGraw of Burkburnett 6-1, 6-0, but lost to Pam Hardin and Sheri Brown of Vernon 5-7, 6-3, 3-6.

The golf team, playing its third and final round of conference play, competed at Fort Worth's Benbrook Country Club Friday. Iowa Park finished in seventh place overall, with 1022 strokes, one behind Graham, but 119 ahead of last place Vernon. Brownwood took the district title with 963, one ahead of second place Hirschi.

In Friday's play, Sam Morrison was medalist for the Hawks with 83. Stan Blair had 84, Raleigh Hathaway had an 85 and Jay Meux an 89.

The Hawk track team finished in fifth place, their 33 points a long distance from Brownwood's total of 123. Other point totals were Weatherford 101.5, Graham 90, Vernon 73.5, Stephenville 32, Hirschi 31 and Burkburnett 12.

Randy Brown was the major point earner for the Hawks, placing in three individual and one relay event. He was fifth in the 220-yard dash, 24.1; fifth in the 100-yard dash, 10.8; and tied with teammate Daryl Frazier for fifth in the high jump, 5-6. Brown was also on the 440-yard relay team with Jerry Burkhardt, Ralph Dillard and Jack Gilmore which finished fourth with a 45.0 clocking.

Best placings for Iowa Park were turned in by sophomore miler Bob Aulds and the mile relay team composed of Dillar, Burkhardt, Allen Parkey and Gilmore. Though red-headed Aulds was clocked in 4:47.2, which was not one of his better times the 4:39.1 and 4:39.2 which placed ahead of him were well under his best. And he was almost three seconds ahead of the fourth-place finisher.

The mile relay team's 3:31.8 was its best of the year, and Gilmore, who runs the final leg, almost caught up with Stephenville's runner for second place. He finished only 2/10th of a second behind. Gilmore is another Hawk sophomore.

The freshman division of the district meet was even more lopsided in Brownwood's favor than was the varsity total. The Cubs amassed 143.5 points, well ahead of the 77 of second-place finishing Vernon. Other team totals in the division were Weatherford, 69; Hirschi 48.5; Burkburnett 46, Graham 45, Iowa Park 44 and Stephenville 21.

Industrial influx seen in 10 years

A prediction that within 10 years a large influx of industries relocating from the northern and eastern areas to Wichita County and other areas of the southwest was made Tuesday at the regular meeting of the Chamber of Commerce board of directors.

Making the prediction was Connie Sparks, representing the Wichita Falls Board of Commerce and Industry.

He pointed out that the industries were already studying this area for relocation because of unfair tax burdens and labor problems. "If we work together we can assist each other in growing," Sparks said of the communities in the area.

Sparks paid a high compliment to Iowa Park when he said the Hawk Stadium was a tribute to the community because of the way it was built. The stadium was constructed entirely from donations of funds, labor, equipment and special-priced supplies, and without cost to the school tax payer.

Don Hughes discussed marquee advertising for member businesses. He said business slogans and names will begin appearing on the marquee April 29.

State representative candidates go on line

The Wichita County Farm Bureau will sponsor a "Measure the Candidate" meeting Friday night at the county agriculture building, according to Ed Foster, Jr. of Electra, president.

Candidates for state representatives races who have accepted the invitation to participate are Vernon Stewart, Charles Fennell, Dave Allred, Kenneth Hill, Leo Cook, and Robert Edwards.

Moderator for the event will be Millard Shivers of Dallas, former organizational director for Texas Farm Bureau. Mr. Shivers is recognized for his outstanding ability to conduct this type of meeting on a fair and impartial basis, Foster said.

The candidates have been furnished with seven issues that will be vital to farmers and ranchers in the special and regular

sessions of the Texas Legislature. They will be given an opportunity to give their views and opinions on these issues, however, they will not be prohibited from mentioning any other issue or subject which they feel is important to their race for state representative.

The issues to be considered are: financing education; transportation; Farm-to-Market roads; minimum wage for farm labor; environmental control; agricultural chemicals and exemption of implements for agricultural production, according to the county leader.

The meeting is open to the public.

Rabies clinic is Saturday

A rabies vaccination clinic will be held Saturday at the high school Vocational Agriculture building. It is sponsored by the Future Farmers of America.

Shots will be administered by Dr. Thurman Reitz from 9 a.m. to 1 p.m.

FFA students are urging all citizens to have their animals vaccinated against rabies. The charge will be \$3.75 per animal.

The Vo-Ag building is the steel structure at the intersection of Johnson and West Highway. Entrance to the building is on the south side.

APRIL 24-29 City Clean-Up Day set

April 24-29 has been designated "Clean-up, Fix-up, Paint-up Week" in Iowa Park.

A proclamation assigning the period of observance was signed Tuesday by Mayor Gordon G. Clark, M.D., urging all citizens to participate in the project.

The final day, which is a Saturday will be the big push. That's the day which was begun two years ago when all the youngsters of the community are urged to participate in picking up litter along roadsides and on vacant lots.

Saturday's project will be organized by the Chamber of Commerce. Mike Schweikhard, Lone Star Gas office manager, has been named chairman of the event. He is contacting all youth organizations of the city to solicit their participation.

The youngsters, as in the past, will be fed lunch at noon. The meal will consist of sandwiches, potato chips and soft drinks, all at Chamber expense.

Bags for youngsters to put the litter in will also be provided by the Chamber. These will be stacked along the roadsides and city trucks, also manned by volunteers, will pick them up throughout the day.

City residents will have the privilege of free dumping at the city dump grounds during the entire week. This is done annually to encourage homeowners to haul

away debris and larger items which might have collected around their homes.

Mayor Clark, in his proclamation, also urged citizens to observe the week by repairing and painting their own buildings. . . . so that our community will be a source of pride to all citizens, thereby stabilizing the economy, character and spirit of our community."

Baseball Day nears

Little League Baseball Day is just around the corner for Iowa Park.

The League's annual Candy Sale will be held April 29.

Then Baseball Day will follow a week later, May 6, with a 9 a.m. parade and the rest of the day with baseball games to open the season. That's the day when all the Major and Minor League teams see competition.

The previous evening, Senior League season will open with ceremonies starting at 5:30. The first game will be played at 6, with another game following in a doubleheader.

All clubs and organizations interested in entering a float in the Baseball Day parade are requested to contact John Huff, Jack Hodges or Bud Reed.

Students selling project plants

The Annual Ornamental Horticulture Plant Sale is now underway, according to Jimmy Howell, instructor of the Vocational Agriculture course.

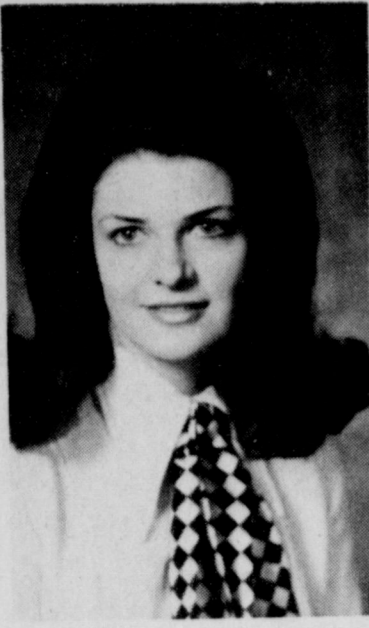

Plants, including tomato, bedding, pepper and nursery stock, have been produced by students of the class and are now on sale to the public. They can be purchased at the new greenhouse on the high school campus.

Offered for sale are: four varieties of tomato plants, Burpee Big Boy, Red Cloud, Homestead and Little Porter, for \$1 per dozen; bedding plants, Commanche (Red), Pink Cascade and Coral Satin, at \$1 per dozen; Pepper plants, Yolo Wonder (bell) and Sweet Banana, at \$1 per dozen; and nursery stock, Wax Leaf Liqustrum, Eunonymus, Pfitzer, Juniper, and Dwarf Eunonymus, at \$1 each.

Absentee ballot begins

Absentee balloting has opened in Iowa Park for the May 6 party primaries.

The school business office, on East Cash Street, has been designated by the County Clerk as absentee balloting poll for the city.

MISS BEVERLY CUBA

Engagement announced

Mr. and Mrs. Joseph James Cuba of Wichita Falls announce the engagement of their daughter, Beverly Joan, to Robert Edward Cashon, son of Mr. and Mrs. Lester-Claude Cashon of Celina.

The wedding will be Aug. 5. Miss Cuba is a graduate of Seymour High School and of Midwestern University where she majored in Elementary Education and special education. She was a member of Alpha Chi, Kappa Delta Pi and Sigma Kappa sororities. She is employed as a special education teacher at Kidwell Elementary School.

Cashon served four years in the Army Special Services and is attending Midwestern University.

60 YEARS Anniversary Celebrated

Mr. and Mrs. Will Spruiell celebrated their 60th wedding anniversary at their home Friday. Due to Mrs. Spruiell's health, the affair was a quiet celebration. Their three sons, Euell of Pottsboro, Lowell of Laredo and Durward of Van came for the day, and relatives dropped by to offer congratulations.

Mr. and Mrs. Spruiell were married in the home of her parents near Sweetwater April 14, 1912. They moved to Wichita County in 1922 and were engaged in farming and dairying for 37 years. They have lived in Iowa Park since 1948.

They have three sons; 12 grandchildren and 15 great-grandchildren.

Organic gardening is club program

Mrs. James A. Sewell gave an interesting program on "Organic Gardening" for the Friday morning meeting of the Iowa Park Garden Club in the home of Mrs. D.C. Bondurant.

She advised composting in the fall because of the availability of dry leaves and weeds and the importance of rebuilding the fertility in the soil lost during the past growing season. "Compost applied in the fall and winter months will have plenty of time to work and will not interfere with the growing plants," she said.

Mrs. Sewell recommended leaves as a good basic raw material to start with because they are plentiful, easy to cut up with a rotary mower and resistant to decay. However, because of their relatively low nitrogen content, she advised combining them with grass clippings and manure for optimum composting. After shredding these with a compost shredder or rotary mixer, Mrs. Sewell said that they should be mixed

and left to set to heat up actively. She explained the importance of turning every three days for 10 days.

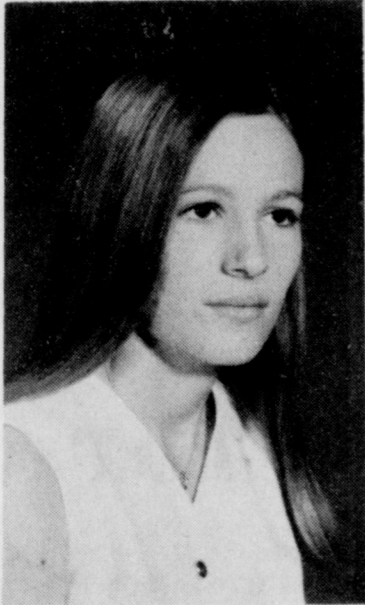

"If at the end of 10 days your heap begins to cool, you can feel satisfied for you have made compost in the minimum period possible under home gardening conditions," she concluded.

Mrs. Pete Koonce presided during the business. Plans were made for club members to tour the Japanese Botanical Garden in Fort Worth. Announcement was also made that a workshop meeting would be held next Monday at Kidwell Elementary School when club members will prune established shrubs and rose bushes and plan other landscaping improvements.

Mrs. Koonce announced that the club won first place on scrapbook and the Directors' Citation for the president's report at the District II meeting in Gainesville.

Mrs. Bill Griffin displayed an aloe vera plant for the horticulture specimen, explaining the many healing uses of the plant; and Mrs. Sewell brought a mass line arrangement for display.

Others present were Mmes. Bob Birk, Franklyne Fuller, W.A. George, W.F. Harlin, D.O. James, Roy Johnson, Dick Reilly, R.G. Warner, W.L. Yost, Paul Zink, Ida Parker and Miss Ethyle Kidwell.

MISS DEBORAH TUTCHER

Couple sets August date

Mr. and Mrs. T.H. Tutcher of Wichita Falls announce the engagement of their daughter, Deborah Susan, to Stephen Earl Sibley, son of Mr. and Mrs. John E. Sibley of Iowa Park.

The wedding will take place August 4 at the First United Methodist Church in Iowa Park.

Miss Tutcher is a senior at Rider High School in Wichita Falls. The prospective groom was graduated from Iowa Park High School in 1970 and is a sophomore at Midwestern University.

DISTRICT WINNERS -- Mrs. James Dyer and Mrs. David Padgett of Epsilon Eta chapter won honors for the chapter at a recent District VI Epsilon Sigma Alpha meeting. Mrs. Dyer was named Outstanding ESAer and Mrs. Padgett first runner up for Outstanding First Year Member of the district for 1972.

Sorority names outstanding members

Mrs. James Dyer was named the most outstanding ESAer of District VI Epsilon Sigma Alpha, and Mrs. David Padgett was named first runner up for the most outstanding first member at a recent meeting held at Arlington. Hostesses were mid-cities area chapters of the Hurst-Eules-Bedford area. Mrs. Luther Shaw presided over the meeting.

Others attending from Epsilon Eta chapter in Iowa Park were Mmes. Roy Johnson, D.W. Mercer, Frank Harlin and R.B. Faulkner.

Visiting state officers were: Mmes. Charles Ratcliff of San Angelo, parliamentarian; R. Durham, also of San Angelo, corresponding secretary; Mike Kindlinger of Dallas, a past state president and president of District I; Jack Hardin of Amarillo, disaster fund chairman, a past state junior president and an honorary member of District VI.

Epsilon Eta chapter was recognized as the first chapter being 100% in remitting all dues and contributions.

Mrs. D.A. Jones of Arlington, social service director, pre-

sented a check to Mrs. Hardin for Cal Farley's Boys Ranch, which was the selected recipient of the monetary gift from the district.

Mrs. Hardin, a teacher at the ranch presented to Mrs. Shaw a limited publication concerning the ranch by the staff and boys.

Mrs. John Ball of Eta Rho chapter in Ft. Worth and Mrs. Alton Hudnall of Beta Xi chapter in Hurst were named first and second runners up in the Outstanding ESAer competition. Mrs. R. Vaughn of Theta Epsilon chapter in Burkburnett was named the most outstanding first year member, and Mrs. R. Webb from Eta Rho chapter in Fort Worth was second runner up.

Mrs. Shaw, outgoing president, was given a lovely hour glass befitting her chosen theme "Take Time" from the membership of District VI.

Miss Carra Cauthon of Fort Worth conducted installation of officers for 1972-73.

MISS DEMETRA KAY BLEVINS

Announces engagement

Mr. and Mrs. Roy Blevins are announcing the engagement of their daughter, Demetra Kay, to Airman Stephen D. Young, son of Mr. and Mrs. Carl Lee Young of Xenia, Ohio.

Miss Blevins is a senior at Iowa Park High School, and the prospective groom was graduated from Xenia High School in 1971. He is presently stationed at Sheppard AFB.

An August wedding is being planned.

Clay modeling is program

A program on clay modeling was presented for Alpha Epsilon Omicron chapter of Beta Sigma Phi Tuesday evening by Mrs. Jack Jackson. The meeting took place in the home of Mrs. James Owens.

She enhanced interest in the program by showing illustrations of clay models and explained that the process begins with a raw common material which becomes something useful and elegant.

"Clay itself becomes brittle after the moisture is removed and can only be useful if the model is fired or baked in a kiln at 2000 degrees," she said. She explained methods of modeling, including coil molding and suggested the beginners should start with a slab or tile to decorate.

To conclude the presentation, she gave supplies to the members and asked that each one model a piece of clay.

Mrs. George Bludnick presided during the business meeting and announced dates for the Spring tea, rituals and banquet. The tea will be Sunday at the Woman's Forum; the Spring ritual will be at 8 p.m. April 26 at the Help Center, and the banquet and dance will take place May 6 at the Maskat Temple in Wichita Falls.

Installation of new officers will be May 2 in the home of Mrs. Earnie Reusch.

Other members present were Mmes. Louis Sawyer, Travis Bradford and Bobby Bradford.

WSCS topic is disciples

The concluding lesson in the Study of the Gospel of Matthew was given by Mrs. David Whittington for the W.S.C.S. of the First United Methodist Church Tuesday morning. The topic emphasized was "Being Disciples."

The leader suggested that members take inventory of themselves to determine what their mission was and their opportunities for service. She gave Scripture references to disclose opportunities for service.

She mentioned the characteristics of a disciple to include: called by God, trusting as little children, forgiven sinners, servants supported by the presence of Christ well trained to go to all people.

In making a practical application of areas of missionary endeavor in Iowa Park, reference was made to J.W. Farmer who spends each Sunday afternoon visiting the sick, bringing spiritual talks, reading the Bible to people in homes or in nursing homes.

Mrs. Ronnie Waters discussed "The Young Life Clubs and Neighborhood Evangelism" and the local possibilities for such witness.

Mrs. Bob McClelland gave a talk on "Block Evangelism," and a high point of program interest was achieved with a recording by Larry George on "You Are A Missionary or a Mission Field" in which he told of his and Mickey's decision to be missionaries to Africa.

Art pictures of the 12 apostles above the command "Go Ye" created an appropriate interest center. The pictures belonged to Mrs. Gordon G. Clark and Mrs. Whittington.

Mrs. S.B. Keeter conducted the business. It was announced that the Cleo Hines circle will assist Mrs. Clark in taking cakes to Sheppard AFB Hospital this week.

Also present were Mmes. Miles Thompson, M.L. Hines, Paul Zink, David Thomas, C.C. Robinson, Henry Johnson, E.H. Pearce, Ray Low, Carl Sullivan, Judy Baker, George Smith, W.C. Albright, L.A. Teal, M.O. Cheves, H.M. Mahler, W.M. Owens, Fred Widmoyer, Elgin Denny, C.L. Thompson, Carl Waldraff, Donald Cook, Delbert Todd, Al Bennett, W.F. George and George Trammell.

Seniors meet

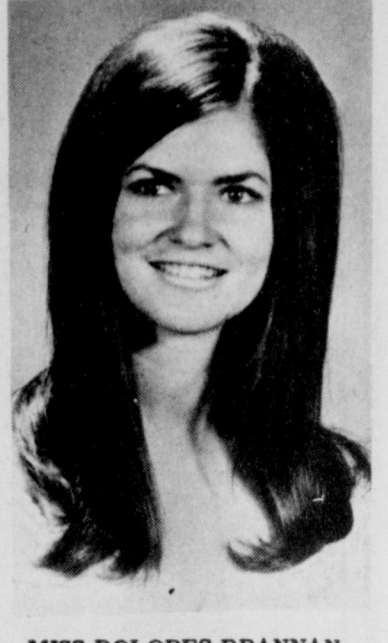

Twenty-two members and one guest, Mrs. Drushia Brown of Tucson, Ariz., were in attendance at the Senior Citizens meeting Monday afternoon.

Members present were Messrs. and Mmes. J.A. Berg, Herman Evans, Hill Spruiell and R.L. Good; Mmes. Lydia Hudson, J.J. Dwyer, Gladys Thompson, Myrtle Travis, Ruth Caldwell, Myrtice McDonald, J.C. Roby, Shirley Trimm, O. M. Jones, Amma Chesher, Johnnie Starnes, M.L. Hines; F.A. Mann and T.M. Clark.

Mrs. Evans and Mrs. Trimm served as hostesses.

ABOUT TOWN

Mrs. J.C. Roby returned Sunday from Lander, Wyo. where she spent two weeks with her daughter, Mrs. Quentin Roberts and family. While there she attended a piano recital given by her granddaughter, Roma, who has gained extensive recognition on the local, state and national level as a pianist.

MISS DOLORES BRANNAN

Wedding date is announced

Mrs. Elizabeth Brannan of Clyde is announcing the engagement of her daughter, Dolores Marlene, to Charles Darryl Blackwell, son of Mr. and Mrs. Odell Blackwell of Iowa Park. Miss Brannan's father was the late Clint Brannan.

The future bride is a graduate of Clyde High School and will receive a B.S. degree in physical education from Tarleton State College at Stephenville in May. She belongs to the D.S.T. Social Club and the women's varsity basketball and volleyball teams. She will be employed by the Stephenville Recreation Department during the summer.

Blackwell was graduated from Iowa Park High School. He is a sophomore at TSC where he is majoring in agriculture education. He is a member of TSC Rodeo Club and FFA.

The couple will exchange vows of matrimony in Stephenville in June.

FHA baking contest set

The Homemaking Department of Iowa Park High School will sponsor a baking contest for all students enrolled in the homemaking program. The contest will be held May 12, in the Homemaking Department.

Entries may be made in the following categories: breads, baked cream pies, fruit pies, refrigerator pies, candy, cookies, decorated cakes, chocolate cakes, and plain cakes.

Prizes will be awarded for first, second, and third places in each category. After judging the baked items will be placed on sale. Small samples will be removed for judging purposes and the items will be priced accordingly.

TOPS view demonstration

Mrs. Edwin Towne gave a cleaning demonstration at the TOPS Club meeting Monday night.

Chance Lavelle, an eight pound, twelve ounce son, was born to Mr. and Mrs. Gordon Lavelle McWilliams, 1006 Louisiana, April 7. He has a sister, Marla, 13, and a brother, Brian, 12.

Grandparents are Mr. and Mrs. L.H. McWilliams of Hearne, Texas and Mrs. Pauline Richards of San Angelo, Texas. E.E. Booth of Cisco is the great-grandfather.

Mrs. Roy A. Farr was the TOPS Queen of the Week; and Mrs. Lloyd Lowe earned the KOPS Queen of the Week honor and received the monetary prize for the week. In the Buddy System category, Mrs. G.V. Henderson and Mrs. George Boles were the winners.

Others present were Mmes. A.O. Beall, Bob Bush, Paul Callaway, Jesse Flick, Wilbur Garrets, J.C. Helms, Carl Hicks, O.S. McLemore, Harry Moore, Ron Plumley, Bobby Ray, W.D. Vestal, Gerald Walsh, Lucy Reck, B.J. Dickerson, A.J. Wood; Miss Rose Sefcik and Miss Rebecca Dickerson.

Students receive Sheppard awards

Larry J. Clapp and Mark A. Lemon of the Iowa Park High School received Air Force certificates of achievement from Maj. Gen. Robert L. Petot, commander of Sheppard Technical Training Center at Noon Review ceremonies April 12.

Seven area secondary school students received awards in recognition of the students' outstanding projects at the 1972 Regional Science Fair held in March at Midwestern University.

Clapp received the certificate for electronics and communications and Lemon received the certificate for mathematical sciences.

R Park PHARMACY

Mrs. Roby gives HD Club program
Mrs. J.C. Roby gave a program on making over garments for the Park Area Home Demonstration Club meeting at Mrs. W.G. Partney's Wednesday morning.

Mrs. J.E. Penn contributed the devotional thoughts to open the meeting.

During the business period directed by Mrs. O.B. Nolen, it was announced that the Friendly Homemakers of Burkburnett would honor the Park Area Club April 26. Mrs. Lee C. Turner gave the council report and Mrs. Nolen was voted a delegate to the council.

Others attending were Mmes. H.M. Mahler, Joe Cope, Allen Bennett, Carl Sullivan, Hattie Partney, James Oliver and Wendy, E.H. Pearce, A.H. Estes, O.M. Jones, Floyd Stermer and Ray Low.

Fidelis Class has monthly meeting

The Fidelis Sunday School Class of the Faith Baptist Church held the monthly meeting Monday evening in the home of Mrs. Hubert Thompson. Mrs. L.P. Adams presided during the meeting.

It was voted to continue the meetings during the summer months, and to adopt two grandmothers, Mrs. Ritter and Mrs. McAllister at Park Manor Nursing Home. Mrs. Donald Hallum, Mrs. Paul Callaway and Mrs. Adams were appointed on a committee to suggest services and kindnesses that the class members could render to the ladies.

Plans for a turkey dinner for class members and their husbands May 13 were discussed.

Mrs. Homer Anderson, who works with Beacon Lights, gave the devotion. She stressed the importance of helping the blind and teaching the families of those with impaired, or no vision, to give aid and comfort.

Mrs. Jacky Newton was a visitor.

Others present were Mmes. Don Jagger, class teacher, Larry Balsley, Roy Crabtree, Harry Moore and John Hatfield.

Ceremony held for sorority pledges

The Jewel Pin Ceremony for pledges of Epsilon Eta chapter of Epsilon Sigma Alpha was the highlight of the meeting Tuesday evening.

For the ceremony conducted by Mrs. Raymond Cope, president, the pledges stood and knelt before the ritual table covered with blue velvet and appointed with gold flowers and candles. Mrs. R.B. Faulkner and Mrs. D.W. Mercer pinned the pledges following the ceremony signifying that they had passed the test.

The new members are Mmes. Roy Boutwell, Harold Cowley, Donald Daugherty, Herman Escue, Wayne Kingcade, David Padgett, Mack Quarles and Donald Thompson. The group presented Mrs. Faulkner with two charms on which their names were inscribed.

The meeting was held in the home of Mrs. John Clapp Jr. and Mrs. Jim Medlinger was the co-hostess.

Mrs. Wm. Mattis gave a meditation on "The Search."

Mrs. Cope directed business. The ways and means committee report showed that chapter members had collected 78,298 pounds of paper for recycling during the year which had brought in \$310.78 for the tennis court project and saved 665 trees.

Group slates new projects

Mrs. John Reynolds presided during a business meeting of the Iowa Park Association for Special Education Tuesday night.

During the evening, the resignation of Mrs. Don Stafford, president-elect, was accepted.

Mrs. Benny Bagley, treasurer, gave a report. It was voted to sell Hawk decals and scarves as a fund-raising project during the new year.

Plans were discussed for the installation covered-dish dinner at Bradford School May 16 and for a picnic honoring special education students in June.

Mr. and Mrs. Reynolds, who were celebrating their wedding anniversary, were given special recognition.

Mrs. Roy Johnson, chairman of the junior high school youth awards project, reported that the winners would be announced on Awards Day. It was voted to give each finalist in the contest a ribbon. The names of the boy and girl who are first place winners will be placed on the permanent plaque in the school building.

It was voted to hold the installation dinner May 16 at the Country House in Wichita Falls.

Others attending were Mmes. Floyd Adams, Alan W. Berry, Tom Compton, James Dyer, Grady Graves, Bob Hamilton, Frank Harlin, Donald Lucy, Chester Morrison, Luther Shaw, Ron Woods, Frankie Hendrick and Homer Blalock.

125 attend first service of Lutherans

The Good Shepherd Lutheran Church held the first service Sunday morning with 125 in attendance. A pot-luck dinner and organizational meeting followed the morning service.

The youth of the church were organized under the leadership of Mr. and Mrs. Don Roy Klunker. The youth counselors will be Mr. and Mrs. Robert Horton and Mr. and Mrs. Richard Schroeder.

Rev. Victor Hellman, vacancy pastor, announced the beginning of the Adult Inquirers Course into the teachings and beliefs as practiced by the Lutheran Church. The first meeting will be held at the Youth Center at 7:30 p.m. April 26th. For further information, contact Rev. Hellman at 322-6112.

Cook of the Week

Mrs. Phil Anderson

One of Holliday's most popular teachers and vocalists, Mrs. Phil Anderson, has been chosen our Cook of the Week. In addition to her duties as a third grade teacher, she is full time organist at the First Baptist Church and she is often asked to sing at special occasions.

Mr. and Mrs. Anderson have taught school at Holliday several years. Their home is the setting for school and church parties since they have two daughters, Angie in the ninth grade, and Tracy, a sixth grader.

Mrs. Anderson is a member of PALS, a weight control club, and this week she graciously shares with us one of her low calorie dishes:

- DIET SOUP**
1 head cabbage
1 head cauliflower
3 or 4 zucchini squash
4 stalks celery
1 onion, if desired
1/2 tsp. GoodSeason's Low-Cal Italian Salad Dressing Mix
6 beef bouillon cubes
- MEXICAN BEANS**
1 lb. Pinto beans
1/2 lb. hamburger
Garlic powder, and salt to taste
1 tsp. black pepper
1 1/2 tsp. chili powder
1/2 tsp. sage
1 tsp. comino powder
1/2 tsp. oregano
1/4 bottle catsup
1 cup tomato puree

Soak beans overnight and put on to cook. Brown hamburger in skillet and add the remaining ingredients. Cook slowly until beans are done -- 3 1/2 or 4 hours. Serve as a side dish with Mexican food as a main course.

Roberta Hill is effective person

It is an established fact that some of the greatest lessons in life are learned from studying the character of others. For many years the people of Iowa Park have been learning great lessons from studying the life and character of Miss Roberta Hill, cashier at the State National Bank. They have learned the lessons of conscientious efforts, perseverance and patience in situations and experiences, whether they be easy or almost beyond human ability to solve.

An undergirding force for her family for many years, she has exemplified courage based on great faith in her daily life, and she has shown the merits of always being sensitive to the opportunities for service to others.

Whether at work, home, church or in society, Miss Hill is cautious in communicating her thoughts and feelings and never clamors for conspicuous positions before the public. She performs her work well and with courtesy toward all, never exhibiting haughtiness or rudeness in speech or manners.

A native of Mulrose, Okla., Miss Hill moved to Iowa Park in 1930 with her mother, Mrs. Lue Hill, two brothers and two sisters, upon the death of her father. She, like most everyone else who lived during the depression years, experienced hardship and privation. Being the oldest of five children and aspiring to finish high school, she probably remembers those years more vividly than the other children.

She was graduated from high school in 1934 and entered Byrne Commercial College at Dallas. Upon completing her prescribed business course, she returned to Iowa Park, but securing a job where she could use her business training in those days was something akin to the proverbial "finding a needle in a haystack."

Desperately in need of work, Miss Hill worked with the WPA Health Survey for a time; then she started working as a stenographer for Sisk Bullet Factory. From there, she started working part time for John C. Murphree, an attorney, and part time for the State National Bank. She went to work at the bank as a bookkeeper in 1939. She was later promoted to assistant cashier, and for the past 12 years she has been cashier where she is in charge of records and does accounting for the bank.

Off duty, she does income tax service and keeps a set of books at night. She is a member of and on the board of governors of the American Institute of Banking, an inactive member of Epsilon Sigma Alpha sorority, and she has been treasurer of the Highland Cemetery Association for 15 years.

Miss Hill is assistant treasurer and chairman of the counting committee at Faith Baptist Church. She is assistant superintendent and secretary of the young people's Sunday School department, and director of the elementary Training Union.

Her mother has been a patient at Park Manor Nursing Home for eight years, and Miss Hill visits her every day unless providentially hindered. Regardless of how pressed for time she is, she takes time to show an interest and generate happiness in the lives of other patients at the home.

One who observed her recently at the nursing home remarked, "Surely she exemplifies the spirit of compassion and helpfulness which ought to characterize the life of every Christian."

She has been a source of encouragement and help to her brother, Virgil, who is now serving as Justice of Peace of Precinct 3; her two sisters, Mrs. H.M. Pittman of Wichita Falls and Mrs. Ferman K. Hall of Archer City and their families; and two nephews, David and Ronnie Hill. Through the years, she has seen the best in them and come to their defense when they were in difficulty, and they have deep love and appreciation for her. She is reticent to take any praise or glory for any good that she has accomplished. Rather, she accepts it with the attitude "We should not measure the success of our lives by what we have done, but by what we have helped others to become."

MISS ROBERTA HILL

Plans are moving ahead nicely as the Oklahoma City Goodwill Tour delegation prepares to visit Southwest Oklahoma and North Texas the first part of May and make a stop in Iowa Park Thursday, May 4, at 9:45 a.m.

Goodwill tour to stop here

Oklahoma City will put its best foot forward in a prime area of Oklahoma with the 36-piece marching all-girl Kiltie Band which will perform on the streets here. Local officials and business leaders will exchange greetings with representatives of the Goodwill Tour delegation. A new entertainment attraction just added is Ho Ho Ho the Clown, seen on KOCO-TV.

Members of the Goodwill Tour will bring souvenirs with them for distribution to those who turn out here as the Kiltie Band parades and performs on the street. The visiting businessmen, 75 strong, will be headed by Dr. J.B. Pitts, Jr., chairman of the Chamber's Goodwill Tours Task Force.

District P-TA meet set here

The 44th annual 13th District P-T.A. Spring conference will be held in Iowa Park April 27th and 28th. Conference headquarters will be the Ramada Inn in Wichita Falls.

Mrs. Bob Pack of Wichita Falls, president of District 13, will be in charge of the sessions. Mrs. Ray Lunsford, president of Kidwell P-T.A. and Mrs. Kenneth Young, president of Bradford P-T.A., are serving as general chairmen of arrangements. Mrs. Charles Hickey is ticket chairman for the life membership banquet, and Mrs. John Frederick is publicity chairman.

A board meeting will be held in the First Presbyterian Church April 27 at 2 p.m. At 4 p.m., the teachers, administrators and board members of the local schools will be honored at a tea at the church.

The life membership banquet will be held at 7 p.m. in the Iowa Park High School cafeteria. The speaker for the evening will be the Rev. Harry S. Wright, Dean of Bishop Baptist College at Dallas.

Registration will begin at 8 a.m. April 28 for the first general meeting at the First United Methodist Church. Mrs. Jean Harris of Aqua Dulce, president of Texas Congress of P-T.A., will give the keynote address.

The afternoon session will feature a panel of area students, moderated by Harold Cowley, vocational director of the Iowa Park schools. The topic for discussion will be "Responses to Now."

Others appearing on the program will be Mrs. I.R. Adams of San Antonio, State Council chairman, and Mrs. H.B. Taylor, state vice president.

CARTER REUNION -- Four sons and six daughters of the late Mr. and Mrs. Alfred Carter posed for their picture at a reunion and family dinner at the home of Mr. and Mrs. Bill Carter in Iowa Park last Thursday.

Carter family holds reunion

The children of the late Mr. and Mrs. Alfred Carter held the first family reunion in 30 years last week. Approximately 55 relatives gathered at the home of Mr. and Mrs. Bill Carter for dinner last Thursday.

The daughters are Mrs. C.C. Moore of Iowa Park, Mrs. Frank Moore of San Francisco, Calif., Mrs. A.H. Walsman of Batesville, Ind., Mrs. J.H. Bulman of Hico, Texas, Mrs. Pauline Laufland and Mrs. Creola Chamberlain of Wichita Falls. Their four brothers are Bill, Mack and Jim of Wichita Falls, Owen of Pampa.

The reunion had special significance to Mrs. Walsman because it gave her an opportunity to see Owen and Mack

Vikki Payne wins second

Vikki Payne, 16, a junior at Iowa Park High School, was second place winner in the money division in the recent March of Dimes Walk-A-Thon, with \$309 pledged. She received a \$25 gift certificate. The awards were presented April 12 by the Rev. Paul Burleson, pastor of the Fairway Baptist Church in Wichita Falls, chairman of the annual event. He reported that \$12,000 had been collected from the Walk-A-Thon.

SHOP LEADER CLASSIFIEDS

ONLY ONE OF THESE IS HONEST GEORGE

Great people are always being imitated. And old George is certainly no exception. Can you pick the real one? Our counterfeit exhibit will give you that opportunity. In the exhibit genuine bills of denominations \$1, 5, 10, 20, 50, and 100 are placed beside counterfeit bills. There is a button under each bill. If you push the button under a good bill, a green light will flash. The button under a counterfeit bill will turn on a red light. It cannot tell a lie. Once again, honesty is the best policy. Right, George?

Sandra Skinner selected to twirl for WTSU band

Sandra Skinner, Iowa Park High School senior and head twirler for the Hawk Band, was selected Sunday to be a twirler for the West Texas State University Buffalo Band this fall. She will be a recipient of a twirling scholarship at the Uni-

versity, which is located at Canyon.

Competition was held in the Music Arts Building on WTSU campus Sunday afternoon, in which 24 young ladies tried out for 10 scholarships and twirling posts with the band.

Miss Skinner has been a twirler for the Hawk Band three years and has won numerous honors in competition.

Among requirements for the scholarships was an agreement that the selected girls would also be a twirling instructor during the WTSU summer music camp in July.

She was accompanied Sunday at the competition by her parents, Mr. and Mrs. Luther Skinner, and Darryl Jolly.

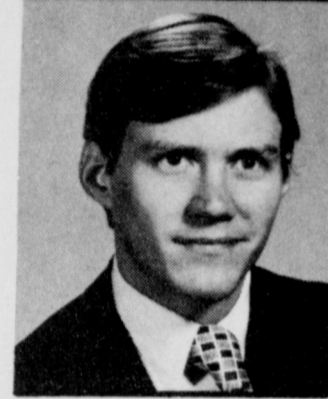

Students set paper drive

The sixth grade students will pick up paper and magazines for recycling Saturday between 9 and 11 a.m. Cars will be stationed at the First Christian Church to receive the papers and magazines.

Mrs. James Dyer, teacher-sponsor, stated this week that the sixth graders have collected enough paper since January to net \$85.83. The money is given to the city tennis court project. She said that if anyone did not have a way to get his paper to the church, he can call Mrs. Dyer at 592-4768 or any sixth grader.

Announcing the end of woman's grubbiest job.

Amazing new gas oven ends scrubbing.

You can cook with this oven 365 days a year and never have to scrub it. Because it actually cleans itself as it cooks! Think what this means. Never again will you have to go through the grimy job of scrubbing an oven (most women hate this job more than any other). Never again will you have to face an all day cleaning job—because you've put it off too long.

The gas continuous cleaning oven is just one of many exciting features on today's gas ranges. See them at your appliance dealer, or Lone Star Gas. And cross your grubbiest job off your list. Forever.

Lone Star Gas

RANDY JAMESON

BASEBALL

Monday the Iowa Park Hawk baseball team played Hirschi, and won by a score of 6-5.

Tuesday, the Hawk baseball team won over Burkburnett by a score of 7-1.

These were both non-district games.

FFA BANQUET

Tonight at 7:00 o'clock the

Iowa Park FFA chapter will hold its annual parent and son banquet at the high school cafeteria.

NHS

Members of the Iowa Park National Honor Society, as well as members of the honor societies from area schools were guests Monday evening at a get-acquainted party given by Midwestern's Alpha Chi, national honor society. Refreshments were served at the party, which was held in Clark Center Ballroom.

Tuesday a NHS meeting was held in the speech auditorium for the purpose of selecting officers. Officers chosen from the five members present were:

president, Alyce Bondurant; vice president, Don Yeager; secretary, Jan Spruiell; treasurer, Beverly Klinkerman; and historian, Billy James. Mrs. C.B. Smith, sponsor of the society, said that there will be no NHS Banquet this year. Date for the initiation of new members has been tentatively set for May 11.

CHEERLEADERS

As of press time, there was some confusion as to the way cheerleaders should be selected. As it now is, with the students choosing the cheerleaders they like best from the eligible candidates after they do a few yells, the election amounts to little more than a popularity contest.

Two methods that have been considered by the student council and that will be put to a vote by the school body in the very near future are: (1) judges from area towns will review the candidates and select the

3 junior and 3 senior cheerleaders; or (2) the same method already being used will be kept.

A third proposed solution was that judges from area towns would view the candidates and narrow the field down to six in each class, from which the student body would pick the top 3 of each class to be cheerleaders. This plan cannot be used this year, however, because the small number of eligible applicants (7 juniors and 8 seniors) make the time and trouble unnecessary, as only 1 junior girl and 2 senior girls would be eliminated.

OEA

Last week the Iowa Park chapter of OEA collected \$5.30 from the sale of paper to be recycled. The money will go towards the new tennis courts fund.

An executive board meeting was held at a Tuesday morning breakfast at Metz's Cafe. Five of the seven officers and their sponsor, Mrs. Jim Medlinger, were present.

A breakfast meeting of the whole chapter is planned for Monday, and is to be held in the VOE classroom.

SCHOOL CALENDAR

FFA Banquet April 20 in the cafeteria at 7 p.m.

Band Banquet April 29 in the high school cafeteria.

Senior Prom April 28 at Holiday Inn East

Band U.I.L. concert and sightreading contest at Vernon April 25-26.

PROM

Tickets are now on sale in the concession stand for the Senior Prom, to be held April 28 at the Holiday Inn East. The price of the tickets is \$2.75 each. They shall remain on sale until Thursday.

SHOT RECORDS

It has been announced that more than 300 students have failed to turn in their shot records. If they do not do so soon, grades may be withheld as an incentive.

Concert is held

The A Cappella Choir of the Iowa Park High School, directed by Darrell Dick, was presented in sacred concert Thursday evening at the First Methodist Church. The program was sponsored by the Modern Music Study Club for the annual Guest Night meeting of the club.

Selections included compositions by Christiansen, Durufle, Anon, Thompson, Sleeth, Gombert, Manz, Kjelson, Hairston, Hawkins and Lojeski. During the performance, the four sections occupied different positions in the balcony, auditorium and choir loft to produce sound effects of a music hall or cathedral.

Teri Singer was the piano accompanist for the finale numbers.

ALMOST QUALIFY -- Jack Gilmore, who runs the final leg of the Hawk mile relay, is shown almost catching Stephenville at the tape for second place, which would have qualified him, Allen Parkey, Ralph Dillard and Jerry Burkhart for the regional meet. The relay team ran a 4:31.8, their fastest of the season. But they were .2 seconds behind Stephenville. Graham won the event.

OBITUARIES

George Witherspoon

Services for George Grover Witherspoon, 55, of Kamay who died Thursday afternoon in a Wichita Falls hospital, were Saturday morning at the Iowa Park Church of Christ, John Maples, minister, officiated. Assisting was the Rev. Floyd Heard.

Burial was Saturday afternoon at Carter, Okla. under direction of Tanner-Aulds Funeral Home. Pallbearers were Orlin Dickerson, Babe Moore, Henry Coats, Joe Hancock, Reis West and Fritz Tennant.

Born Aug. 25, 1916 at Carter, he had lived at Kamay 26 years. He was an oil field pumper. He was a veteran of World War II and a member of the Church of Christ.

He married Ivy Unwin Dec. 17, 1943 at Macclesfield, England. She survives.

Other survivors are three sons, Leon of Iowa Park, Clay and Jack of Kamay; three sisters, Mrs. Naomi Smyth of Tonkawa, Okla., Mrs. Tommie Baker of Florida and Mrs. Peggy Savannah of Austin; and one grandchild.

Essay entry is 2nd place

Vickie Illingworth, senior at Iowa Park High School, has been named Second Place Regional Winner, conservation essay, in the Texas Conservation Awards Program.

The announcement was made this week by Don Gamel of Fort Worth, Chairman of the program.

Vickie will receive a silver cup at the Region V awards banquet to be held in Temple on May 20.

She had previously received honors for her winning essay in the district and tri-county contests.

Vickie is the daughter of Mr. and Mrs. Robert Illingworth of Iowa Park.

The Texas Conservation Awards Program is sponsored by the Fort Worth Chamber of Commerce. It has been described as the largest conservation effort of its type in the nation.

Price is guest

1972 outstanding teens announced

The recipients of the 1972 Outstanding Teenage Boy and Outstanding Teenage Girl awards given by the 23 Study Club will be honored at a breakfast and presented with plaques this morning in the Fellowship Hall of the First United Methodist Church.

Karen Watson, daughter of Dr. and Mrs. Earl Watson, and Don Yeager, son of Mr. and Mrs. Earl Yeager of Ogden, Utah, formerly of Iowa Park, have been named the recipients of the awards. Both are seniors at Iowa Park High School.

The 23 Study Club has sponsored the youth project since 1962-63, and this is the second year that two plaques have been given, one to a boy and one to a girl. The churches, clubs and interested individuals of the town, and not the 23 Study Club, choose the youth for the honors.

The youth committee of the club prepares and distributes nomination forms early in the year, affording organizations and individuals opportunities to nominate young people they deem worthy of the honor. When the forms are returned to meet the deadline they are taken to a panel of judges in Wichita Falls for judging. The judges for 1972 were Dr. Arthur Beyer, professor at Midwestern University, Mrs. M.K. Anthony and Mrs. J.C. Porter, teachers in the Wichita Falls High School.

Mrs. Rollins Woodall served as chairman of the youth awards committee of the 23 Study Club. Others on the committee were Miss Ethyle Kidwell, who will present the plaques this morning, and Mrs. Homer Blalock.

Other young people nominated for this year's awards were Janie Cogdell, Janet Fox, James Frazier Jr., Tim Hunter, Billy James, Keith Lance, Sam Morrison, Guin Johnson, Cindy Rentschler and Patti Roberts.

Karen's grade average for four years in high school is

88.06. During her senior year, she has served as co-editor for the high school annual. In this capacity, she assists in policy making, coordinates activities with the high school administration, and supervises 16 staff members in preparing sections for the annual. She and the other co-editor make all decisions regarding content, theme, cover design and page layout. She has served on the annual staff three years and was business manager last year.

She is treasurer of the Student Council and president of the Office Education Association. Karen has been a member of the Thespian Troupe two years and is currently serving as secretary. She was a member of the one-act play contest when she was a junior and was make-up chairman for the one-act play during her sophomore year.

When a junior, Karen won first place in the local photography contest, and she was assistant editor of the high school newspaper.

During her sophomore year, she was a member of the Spanish Club and pep club. She was fourth place winner in the Soil Conservation Essay Contest. Her activities as a freshman were belonging to Future Teachers of America and the band; and won fourth place on her conservation essay and honorable mention on her science project.

Karen was active in Camp Fire seven years and assisted with the Camp Fire Girls Day Camp two summers.

She is a member of the First Christian Church where she is presently secretary of the official board; she recently served six months on the pulpit committee. She has served as secretary and vice president of the Christian Youth Fellowship.

She took nurses' aid training during the summer of 1971 and is presently working one night each week as a nurse's aid at

Wichita General Hospital. She had cleaned Pauline's Beauty Shop and done baby sitting for three years and she has also cleaned houses for several ladies in Iowa Park.

The oldest of four children, Karen has many home responsibilities. In nominating her for the Outstanding Teenage Girl of Iowa Park, one of her teachers stated, "Karen is a highly capable person and discharges her duties with poise, efficiency and good humor. She always displays an humble Christian attitude in her consideration of others."

Karen plans to further her education at Phillips University at Enid, Okla.

Don Yeager has achieved success and brought honors to his school in many areas. He has a grade point average of 95.48. He is the first student in the history of the school to become a semi-finalist and later a finalist in the National Merit Test.

He was one of four students to be named Outstanding Teenagers of America for 1972 from Iowa Park High School and he was recently named Best Actor in one-act play contest in the North Zone. He has also been named West Texas Scholar this year.

A member of the First United Methodist Church, he has surrendered for the ministry and plans to further his education at Southern Methodist University. He is a member of the Council on Ministries and Administrative Board and he

assists the pastor with the services on Sunday. He has served as president and vice president of the Methodist Youth Fellowship and president of his Sunday School class. He attended the Bishop's Conference on the Ministry in February.

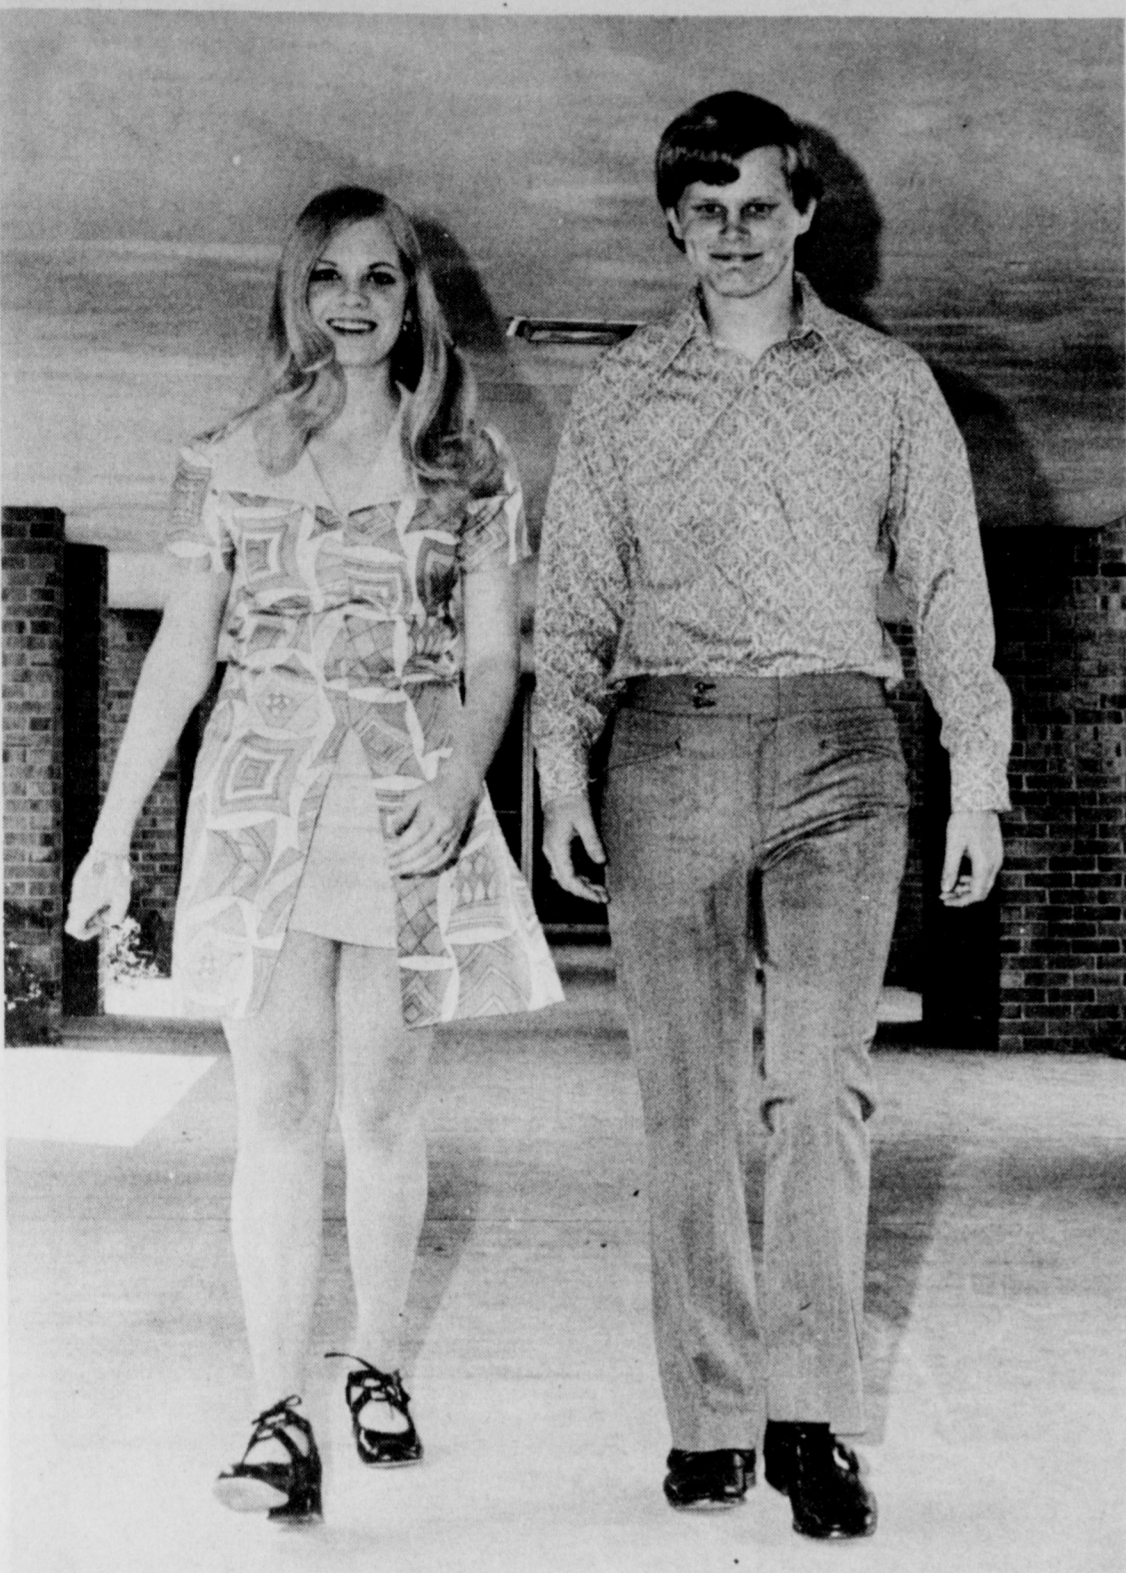

His other scholastic awards include Who's Who in Speech and Chemistry; Best Thespian of Troupe 1554; two first place wins in District UIL in prose reading and a second in Regional; second at Rider and Notre Dame Speech Meets in prose reading; and third place in District Slide Rule competition.

He has served as vice president and president of the Thes-

plans, president of the freshman and junior classes. He is a member of the National Honor Society and has belonged to the French Club. Don won \$350 in three years at the Midwestern University Regional Science Fair.

His most recent honors were won Saturday at the District UIL meet in Weatherford where he won first in prose reading and was named Best Actor of the district in one-act play performance.

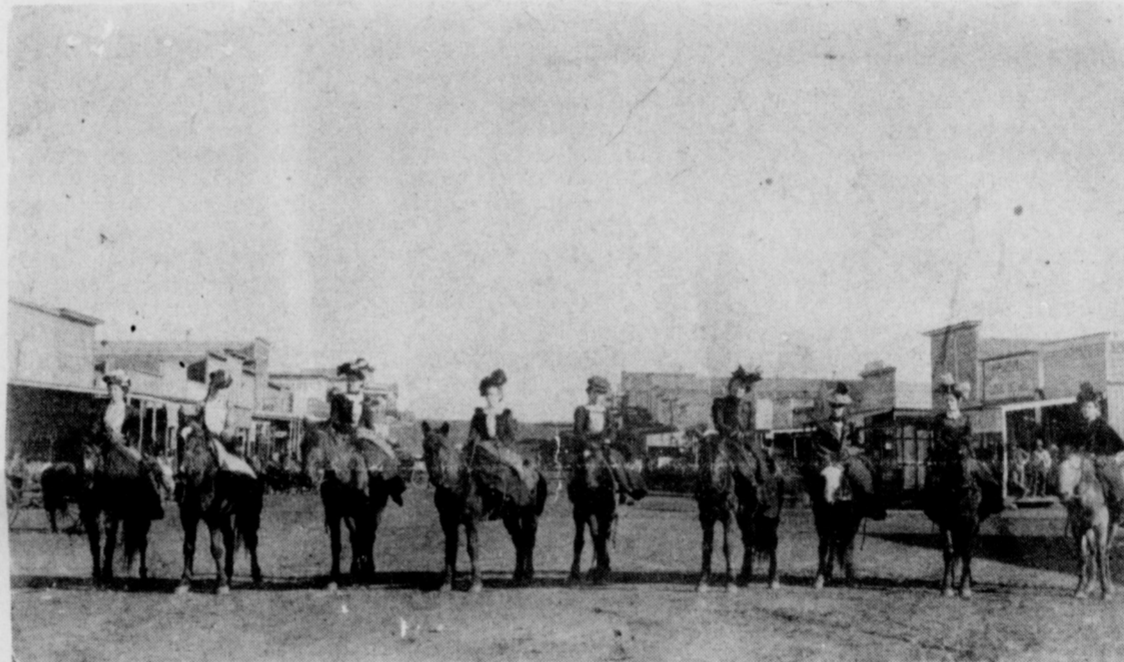

He has worked at Parkway Convalescent Center in Wichita Falls and Perma-Burns International at Portland, Ore. His hobbies are art, drama, golf and reading.

KAREN WATSON AND DON YEAGER

MAGIC SHOW -- Entertainment for the annual Blue Bird and Camp Fire Girl Father-Daughter Banquet, held here Friday, was provided in the form of a magic show by a Wichita Falls man, much to the delight of the youngsters and adults.

EQUESTRIENNE ENIGMA -- Can anyone identify any of the women riders, when and where the above picture was taken? It belongs to Mrs. Lloyd Lowe but she has no background information and there is some speculation as to the town where the women sat in their side saddles on their horses for the picture.

—1972 - IT'S UP TO YOU—
TO RE-ELECT
JUDGE TEMPLE DRIVER

LOGJAM of 2901 CRIMINAL-CIVIL CASES IS HURTING YOU

"AND WHAT CAN BE DONE ABOUT IT"

The present 89th District Judge has scheduled 3 Jury weeks for criminal trials this year. That's fifteen days, and there are 500 criminal trials (burglary, theft, check swindlers and robbery), that need to be tried. Those who commit crimes of this type are professionals. If they aren't tried promptly, they will think they've found a soft spot. Don't you agree with me that the 89th District Judge should have three Jury weeks a month until this backlog is cleaned up, and then set as many as are necessary to keep it that way?

There are approximately 2,400 civil cases waiting to be tried. The present 89th District Judge has set nine (9) Jury weeks for civil trials this year.

I think you and I both want the same things: to be safe and secure in our persons and property; to have a ready forum for the peaceful and prompt resolution of civil disputes; to have speedy criminal justice. Let's not let the phrase "Justice delayed is justice denied" apply to Wichita County.

Students do well at UIL contests

Jim Henson, Helen Alley and Randy Debler brought home four first places in the Literary UIL Events held Wednesday in Chillicothe.

Henson won a first in poetry interpretation and a first in persuasive speaking and Randy Debler won first in Number Sense. Rick Johnston and Loren Gilmore were second and third place winners in Typing, the only contest which calls for the second and third places to compete at regional meet.

The above students and their coaches, Mmes. Erma Barton, Linda Coleman and Mary Ann White, will attend the Region meet to be held this weekend in Lubbock.

Other high school contestants who placed in the Chillicothe meet were: prose reading, Lane Buder-third, Buzz Miller-second; poetry, Danna Berry-fourth; persuasive speaking, Ken Brackeen-second; informative speaking, Mary Kocks-second; ready writing, Debbie Stone - fifth; spelling, Eddie Lester - fifth; typing, Dee Ann Ferguson - fourth; shorthand, Danny Darr-fourth and Dee Ann Ferguson - sixth; slide rule, Dub Brackeen-sixth and Art Williams-seventh.

In the Elementary division, Molly Williams won first in ready writing, Lucretia Halenack first in story telling and Paula Beighley first in oral reading.

Other elementary contestants who placed were the picture memory team, Mindy Lowder, Nancy O'Neal, Ellen Parker, Kim Case and Karen Wilkerson - second place; oral reading, Ricky Foster - second and Sam Caldwell - third; number sense, Julie Rasmussen - second; spelling and plain writing, Mark Mankins - second and Cary Caldwell - fifth.

District 8-A Tennis champs, Gail Warren, winner of the girls' singles and Reggie Schmidt and Rick Johnston, boys' doubles winners, will play in the regional competition at Lubbock on Friday morning.

Tennis coach Dwight McNew and sponsor Mrs. Charles Warren will be with the students for the playoffs.

Holiday Golf team, Mack Potter, Loren Gilmore, Charles Wigington, Ricky Willis and Buzz Miller with Coach Dan Owen left Tuesday for the regional meet in Lubbock on Wednesday. The team came in second in the District 8-A contest.

NEW BUS was received this week by the First Baptist Church, with which ministry will be promoted to the community. Standing beside the 48-passenger, 1963 Ford are, from left, Rev. Clayton Hoffman, Billy Selph, T.D. Whitehead, Phil Anderson, B.W. Stone and Newland Black. The unit will be used to promote the youth activities, Vacation Bible School and other needs which arise in the church's activities. Rev. Hoffman noted that the bus was paid for within less than a month after the project was voted by church members.

1972-73 CHEERLEADERS - Posing for the Leader camera are the 1972-73 cheerleaders of Holliday High. Below, from left, are Debbie Stone, Andrea Lee and Pattye Haggerty, head leader. From left on stairs are Lisa Miller, Vickie Whitehead, Kim Borland, Susan Gulley and Dianna Cavener.

HOLLIDAY HAPPENINGS

School cafeteria menu for the week of April 24-28 is:

MONDAY -- Tuna salad, pimento cheese, potato chips, lettuce, milk, cake.

TUESDAY -- Hamburger steak, whipped potatoes, blackeyed peas, gravy, bread, milk, ice cream.

WEDNESDAY -- Chili beans, cole slaw, spaghetti-tomatoes, corn bread, butter, apple sauce and cookies, milk.

THURSDAY -- Chicken pie, green beans, green salad, bread, fruit salad and milk.

FRIDAY -- Barbeque on buns, French fries, pickles, cookies, milk.

All persons interested in helping with the kid baseball program are invited to meet

tonight at 7:30 in Room 55 of Holliday school to set up the Little League for the summer season.

Mrs. Virginia King and Mrs. Veda Rowell were among the grand officers of the state OES honored Sunday afternoon at a reception held in the Maskat Temple in Wichita Falls. The three chapters of OES in Wichita Falls were hostess for the event. Worthy matron Maxine Henke also attended the reception as a representative of her chapter. Mrs. King serves on the music committee and Mrs. Rowell on the visitation committee of the state organization.

The Holliday Band received a one rating and two two ratings at the Notre Dame Band Festival held Saturday in Wichita Falls. Director Ted Paddock reported a good representation of parents at the meet. Sponsors who attended with the band were Mmes. Dan Berry and Harold Wilson.

A.L. Ferguson reported the theft of a 25 h.p. Johnson outboard motor from his home on Bois D'Arc St. sometime over last weekend.

Deacons and their wives of First Baptist Church will have a dutch treat dinner at Furr's on Friday evening.

Rudy Molina Jr., represented the Wichita-Archer-Clay Baptist churches at the state Speakers Tournament held at First Baptist Church in Waco on Saturday. He was accompanied by his parents, Mr. and Mrs. Rudy Molina and Youth Director Jim Wright and Mrs. Wright.

Boy Scouts of Troop 133 with scout master David McMillan, enjoyed camporee at Camp Perkins Friday through Sunday. Scouts who attended were Paul Grebble, Eddie Wilkerson, Robert Haney, Doug McMillan, Sam Caldwell, Carey Caldwell, Terry Ayres and Mark Wells. Rev. Caldwell also spent a part of Saturday with the boys.

A Jr. High Acteen meeting of the Wichita-Archer-Clay Baptist Assn. will be held Saturday from 2 to 4 p.m., according to Acteen Associational Director Mrs. Herbert Todd Jr. All girls of Jr. High age are invited and asked to bring packets of unsweetened Kool-Aid as a gift to the patients in the state hospital. The high school Acteens of Lamar Baptist will bring special music and Don Coleman, BSU Director, will speak on "Come Alive."

Mrs. J.D. Sebring received a rattlesnake bite last Friday while gardening at her home south of Dundee. She was released from a Seymour hospital after a few days treatment.

Holliday FHA girls, Donna Craddock, Helen Alley, Debbie Stone, Kathy Woods, Andrea Lee, Sylvia Clark, Pattye Haggerty and Karen Henke left today for the State Convention of Future Homemakers to be held in Ft. Worth Friday and Saturday. Chapter advisor Miss Suzanne

Brackeen is Lion Boss

W.C. Brackeen was elected president of the Holliday Lions in the annual election held last week.

Serving with Brackeen will be Tom Hall, first vice-president; David McWilliams, second vice-president; J.B. Burke, third vice-president; Jess Lynch, secretary-treasurer; D.T. Walker, tailwister; and L.C. Adams, Lion tamer. Lonnie Brackeen and Donald Brackeen were named directors and Doyle Evans, reporter. Gail Brackeen was re-elected Sweetheart.

COMMISSIONER

Judging of Bowman slated Wednesday

Bowman Community, one of several communities entered in the Community Improvement Contest sponsored by Texas Electric Service Co. and A&M Extension Service, will be judged Wednesday.

A program and coffee is planned for 9:30 a.m. in the Community House, with the introduction of guests and judges. A tour of several homes and of the community will follow.

Curly Hays, of West Texas Utilities in Abilene; Miss Joy Riley, home demonstration agent of Wilbarger County; James Simmons, extension agent for District 3 and Miss Thelma Wirges, District 3 Home Demonstration Agent will be in charge of the judging.

Also present will be Archer County agent Marvin Henry and home demonstration agent Mrs. Judy Germany and members of the Archer County Commissioners Court, along with representatives of the news media.

Raymond Halenack is president of the Bowman Community

Honor roll is revealed

The nine weeks honor roll for high school and junior high school for Holliday has been released by High School Principal Grady Enis. They are:

Seniors -- Johnny Debler, Judy Ray and Buzz Miller.

Juniors -- Dee Ann Ferguson, Jim Henson and Becky Marushia.

Sophomores -- Helen Alley, Sue Davis, Randy Debler, Allen Gilmore, Mary Kocks, Rudy Molina Jr., Scott Slack and Art Williams.

Freshmen -- Dolph Buder, Noma Cutlers, Susan Gulley, Betty Henson and Eddie Lester.

8th Grade -- Lily Baughman, Milea Wilkerson, Sam Caldwell, Melissa Miller, Julie Rasmussen, Jim Stevens, Molly Williams and Randell Gibson.

7th Grade -- Paula Beighley and Bob Gilmore.

Band plans two events

Plans for attendance at the UIL Band Contest in Vernon April 26 and the Greater Southwest Music Festival in Amarillo April 27-28 were made at the recent meeting of the Holliday Band Booster Club.

Mrs. Don Brackeen, club president, was in charge of the business meeting and called for the election of sponsors to go with the band to the two meetings. Those elected were Mmes. Kenneth Williams, Charlie Cavender, C.W. Sanders, Paul Sorenson, Dan Berry, Kenneth Ferguson, Brown Rowell and Harold Wilson.

Band director Ted Paddock noted that the Amarillo meet will draw bands from six states of the southwest and offers an opportunity to the Holliday bandsmen to observe other bands' performances.

A nominating committee was elected to present a slate of officers to the club for voting at the next meeting May 8.

Elected to serve were Mmes. C.W. Sanders, Dan Berry and Harold Wilson.

Band club members were urged to report candy sales in order to close the project.

6 candidates enter race

Archer County Democratic Party chairman Eddie Triggs has announced that six candidates have filed for the office of County Commissioner for Precinct 1, with the close of the filing date, April 11.

These names will appear on the ballot for the office of commissioner: Precinct 1, in the May 6 Primary election: John Harrigal, Jimmy Willis, J.R. Franklin, Wallace (Moose) Skinner, G.R. Killian and Robert (Bob) Chesher.

With the exception of Skinner, who lives on the Jacksboro high-

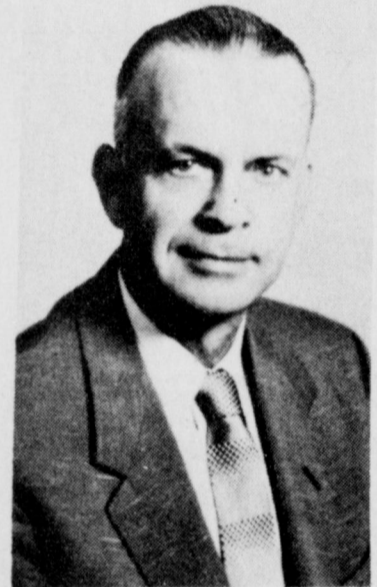

way, all are residents of the city of Holliday.

Harrigal is engaged in ranching; Willis is an employee of Archer County, Precinct 1; Franklin is a tank truck operator and is currently secretary of the Holliday School Board; Chesher is a self-employed oil field worker and has served on the city council and been active in civic organizations; Killian is self-employed in the oil field and has some real estate interests. He has served as mayor of Holliday and on the city council.

Skinner is a former oil field drilling operator and is now engaged in stock farming. He has served as Democratic precinct chairman for Lake Creek.

Patrolman is speaker here

Highway Patrolman John Brown spoke to the 4-H Club at Holliday in the regular meeting in the Community House Tuesday evening. The Education and Duties of a highway patrolman was the subject of his talk.

Marvin London Makes Statement To Archer Voters

To the good people of Archer, Clay and Montague Counties: I take this opportunity to announce to you my candidacy for re-election to the office of 97th district judge.

You will recall that I was appointed to this office on Nov. 9, 1970, by Governor Preston Smith. In order to accept the governor's appointment, I had to resign as county attorney of Montague County. Also, I had to close my private law office.

Since my appointment, I have assigned all of my law suits to other lawyers to complete. I have referred all of my former clients to other attorneys. I have disposed of part of my law library, and have discontinued the upkeep service on other portions of my library. To lose the office now would work an extreme financial hardship on me.

I have not previously had the opportunity to serve the people of Archer and Clay Counties, except during the past fifteen months as district judge. It has been my privilege to serve the people of Montague County as a member of the legislature, as county judge and as county attorney.

During my brief service as district judge, I have devoted my full time to the duties of the office. I have averaged from eight to ten hours per day each working day. I shall continue to devote my full time to the job. I have no other business, and am engaged in no other activities.

By way of personal history, I was born and reared in Montague. I have lived in Montague County all of my life, except for the twenty-nine months that I served as an enlisted man in the United States Army during World War II. More than nineteen months of this time was spent overseas. I am married to the former Miss Mary Lou Williams of Rosebud. We have one son, Billy Wade London. He is married and lives near Denton. He is a vice president of a chemical company in Dallas.

I was licensed to practice law in 1934. I have been actively engaged in the practice of law since, except during the period of my Army service. With all humility, I believe that I am qualified to serve you well as your district judge. I believe that my services the past fifteen months will bear this out. I respectfully invite you to inquire of my services and devotion to duty.

I shall make every effort to contact each of you personally during the campaign. However, the duties of the office, and the size of the district, may make this impossible. In such event, your sympathetic understanding will be appreciated. I earnestly solicit your support and influence during this campaign.

Respectfully submitted,
Marvin F. London

LOUIS T. HOLLAND

CANDIDATE FOR RE-ELECTION DISTRICT JUDGE Archer, Clay, Montague Counties

MY DEAR FRIENDS:

While campaigning over the District I have had several friends suggest that I should explain why I resigned rather than take a leave of absence when I had my heart operation. This appears to me to be immaterial and unnecessary but, since the answer is simple, I submit the following statement:

At the time of my illness the law provided that in the event a Judge should die in office, his beneficiaries would not be entitled to his annuity, but only to a refund of the money which the Judge had paid into the retirement fund. The law, since my retirement has been changed and now provides a beneficiary is entitled to the annuity if the Judge should die while in active service the same as if he were retired.

When the doctors explained the seriousness of my illness and advised that a very serious open-heart operation was immediately required, I readily decided that the only sensible thing to do, in order to protect the annuity I had earned for my family, was to immediately resign.

Since that time my doctors have advised me that I have completely recovered, I am now very eager to resume the duties of the office.

During the campaign, I have received much encouragement and I sincerely appreciate the hospitality of many friends.

Thank You,
Judge Louis T. Holland

DYNAMIC DEBBIES (Anderson, left, and Catlin) advanced to the finals in the District 4-AAA girls' doubles competition at Weatherford Saturday before being eliminated by a Hirschi team which was state finalist last season. They are shown in their semi-finals victory play.

First Baptist Church revival begins Sunday

Dr. Woodson Armes, Secretary of Christian Education Commission of the Baptist General Commission of Texas, will be the evangelist for a revival starting at the First Baptist Church Sunday and continuing through Friday. Glenn Schell, music director at the church, will direct the music. Dr. Armes was graduated from Slaton High School and attended Texas Christian University two years. He received a B.A. degree from Baylor University and a Th.M. degree from Southwestern Baptist Theological Seminary. He re-

ceived an honorary doctor's degree from Baylor University. He was Who's Who while attending Baylor University. He served as president of the Texas Baptist Union during 1936-37 and was president of the Texas Baptist Training Union Convention during 1949-50. He taught Bible at Baylor U. from 1938 to 1943. He is a member of the Baylor University Board of Trustees and director of T.A.N.E.

He has served as pastor of the Seventh and James Baptist Church at Waco, Polytechnic Baptist Church at Fort Worth and the First Baptist Church at El Paso. He preached the annual sermons for the Texas Baptist General Convention in 1953 and 1963. He was on a preaching mission to Hawaii in 1946 and toured Europe, Holy Land, Egypt and England in 1955. He assisted with the New Life Crusade in the Philippines, Hong Kong and Japan.

Dr. Armes and his wife, the former Sybil Leonard, have two sons and one daughter. The Sunday services will be held at 11 a.m. and 7 p.m., and the week day services will be held at 10 a.m. and 7:30 p.m. The members of different Sunday School classes will serve the noon meal each day at the church.

The Rev. Kenneth Flowers is pastor of the First Baptist Church.

Cancer fund workers set

Volunteer workers for the American Cancer Society's Crusade to begin Monday have been named by Crusade Chairman Harold Wunsch of Archer City.

Mrs. Walter Ford will canvas the Bowman Community in the drive to distribute literature dealing with the disease and collection of funds for research. Mrs. Shurman Stone will be the Community chairman for Blackflat and Mrs. Jack Robertson for Mankins.

In Dundee, Mrs. Jim Holmes, Mrs. Lucille Moseley and Mrs. Cecil Holmes will contact citizens for the Crusade.

Mrs. Dan H. Marshall has been named residential chairman for Holliday and Mrs. Howard Lyles, business chairman.

Block workers for the city of Holliday who will work with Mrs. Marshall are: Mmes. Buddy Wilmut, John Harrigal, Ola Mae Stone, W.D. Walker, Bill Brackeen, Verl Harper, H.W. Brackeen, J.D. Hewitt, Harold Wilson, Bill Chambers, Milford Baggett and Bobby Park. High School students Judy Ray and Debbie Stone will also work.

The goal of the crusade is to reach every citizen with the information of the seven warning signs of cancer and the news that cancers are curable if discovered in the early stages.

BOOMING SERVES took Greg Frazier all the way to the finals of the District 4-AAA boys' singles tournament Saturday at Weatherford. He lost to eventual champion Steve Burks of Brownwood, 6-3, 6-2.

"IT IS SO, TOO... 'CAUSE I READ IT IN THE PAPER"

Remember when you were a kid, and "I read it in the paper" was the best argument-stopper in the whole world? That simple declaration served as proof enough for anything... unless the other guy was a lot bigger and just naturally mean 'boot! There's a good point here... and that is that most of us grow up with respect for and genuine trust in what we "see in the paper."

107 WEST PARK

MESQUITE MUSINGS

By RUBY L. ROBERTSON

With all the hullabaloo over rising food costs, we might as well get in our two cents worth. Usually we look with suspicion on any project which the government decides to do for us, after somebody decides we are helpless, but in this case there may be some cause for complaints.

As a producer, consumer and former retailer, we feel that we have seen more than one side of food prices and the side we have seen which few officials discuss is the one dealing with giveaways. Does the housewife really hope to get something for nothing when she gets trading stamps or picks up a package marked with a ten cent coupon inside? Even if she goes to all the bother, and that is plenty, of redeeming the stamps, does she really get her money's worth? In our opinion, no.

What about the coupons which can be redeemed on the next purchase? If they are not redeemed, who loses, the manufacturer or the consumer? Why not investigate these angles and save money and time for the housewife?

If food is so expensive, compare the price per ounce of milk and cokes. What about eggs? For years we had a deal with a beauty shop owner, three dozen eggs every week bought us a hairdo. Do you know any operator today who would be interested in such a trade? Few people who have cleaned chicken houses or milked cows complain about the price of eggs and milk, two of our basic foods.

A word in defense of the retailer. Would you want to spend the endless hours, make the small profit margin, take the risk, involved in purchasing the perishable goods and battle delinquent charge accounts for the profit involved? These are just a few of the problems your grocer faces.

How grateful we are that we do have good food in such an abundance and to most of good health to enjoy the food. But, as a philosopher once said, some people would complain about the accommodations in heaven -- if they ever got there.

As I See It . . .

By BOB HAMILTON

Some sort of a record may have been set Saturday in Weatherford. And it wasn't one about which we can boast.

As far as I can find out, and I've challenged the memories of several lifetime residents and sportsfans, this just may be the first year since the mid 1950s Iowa Park High School athletics that not one athlete qualified for the regional meet in a sport. Not one will continue to compete this spring past the district meet in track, tennis or golf.

Now, don't get me wrong. I am not condemning the efforts of any one of those youngsters who gave their all for their school and town last weekend. Far from it. They each have my deepest respect, and gratitude.

But where are the reasons? Why didn't we win something? Whose fault is it? Who let who down? Maybe it was us all.

First of all, I believe spring sports are something to be tolerated, not supported, around the school. They're not football. Little emphasis is placed on any of them, mainly because there is frightfully little support and encouragement from the student body, school leaders and towns people.

I do believe there is an upswing of interest in track. But these flickering embers must be fanned and encouraged to burst into a full-blown flame of enthusiasm.

Why? Because our town is built around its school system. And if we lose pride in our school system, which has in the past been proudly represented by its athletics, our citizens will be hard pressed to find another rallying point.

Our tennis program can be encouraged only by providing facilities for practice and competitive experience. True, we have two courts. But we have more than 1,000 junior and senior high students, and there's just not enough space for them on either side of those two nets. We doubt that any school in District 4-AAA has fewer than six courts, for the high school alone! Our two, you'll remember, are at the junior high.

The golf program is on the encouraging level. Scores of the teams the past three seasons are lowered each year, and we've got good participation. The youngsters have to travel 10 miles to Skyline Country Club for practice daily, but that really can't be faulted.

But what has happened to our track team? Iowa Park once produced state team and individual champions, one which had a record that stood for years. The Hawks dominated AA competition on the district level for a decade or more. And only last year they held their own fairly well.

First of all, in my opinion, we can't win with only underclassmen competing. Somewhere down the line senior boys got the idea they just didn't want to compete any more. And they don't. Only one senior remained on the team this year. As in any

sport, maturity is a great aid in track and a boy's senior year should be his most glorious for achievement.

To explain the exodus of seniors from track, I can't. Maybe it's leadership. Maybe it's encouragement. And maybe it's facilities. Most Class A, and even many Class B, schools have better track facilities than Iowa Park. What we offer our young athletes for training track certainly can't be encouraging to them. Facilities are most important.

Placing more emphasis on spring sports will not hurt our football program at all. In fact in a well-rounded athletic program, one compliments another. It certainly hasn't damaged Brownwood too much, for the Lions have won every athletic trophy the district has to offer this year with the exception of tennis, and they didn't do badly in that department.

Maybe the formula for success in spring sports is: facilities - plus - encouragement - plus - participation - equals success and a happier community.

LETTERS to the EDITOR

Dear Bob:

Your Leader of the 12th received today. I want you to know that I deeply appreciate your defense of Dr. Soell as Mayor, City of Iowa Park. No one was ever more worthy of the defense for I found him honest, honorable, just and efficient and worthy in every respect. We parted with affection for each other, and I counted it an honor to have worked for him and the city council.

My compliments for the new mayor and city council and their desires for the betterment of the community.

We like it down here, and my work is easy, with much good to be done. The load of depression and grief over the three illnesses and finally, death of our son Douglas has been extremely hard on us, but I am well on the road to recovery now, for which I thank God, another good doctor, and many helpful friends, relatives, and Christians far and wide, and last of all but not the least, I am thankful for another good mayor and city council. Best regards to all of the city employees and you and yours.

Your friends,
Cora and Karl Wilks

LETTERS TO THE EDITOR

Dear Mr. Hamilton,

Dolph Briscoe has asked me to convey his sincere appreciation for your fine and helpful editorial endorsement! All of us in the Briscoe campaign are glad to see the

Iowa Park Leader join the growing number of Texas newspapers who have spoken out for Dolph.

Sincerely,
Bill Gardner
Director of Publicity

"Quality education is the key to our children's future."

"It is unfortunate, that the prospects for better education for our children should be placed within the emotional cloud of the bussing issue. I am opposed to massive, forced bussing for the purpose of reaching an arbitrary and artificial balance of the races. The differences in learning ability are primarily formed in the home, not in the school.

"I do not believe that bussing can materially improve the quality of education for any child in Texas. If I did believe that, I perhaps could support bussing. The types of school bussing that have been ordered in some cities pose an

egregious threat to our schools. It is an economic Pandora's Box.

"My position, then, favors expenditures that promote equal education within our existing public schools rather than leaving inferior schools as they are and sending children to them from better schools. I will be the first to concede that every school in Texas is not equal insofar as quality of instruction is concerned.

It is our resources— money, teachers, and curricula—that must be shifted and given equal division if we are to have an equitable educational system for all our children."

elect DOLPH BRISCOE governor
A man Texans can believe in.

HERE AGAINST HIRSCHI

Hawks open conference baseball play Tuesday

The Hawk baseball team will enter District 4-AAA play here Tuesday with a perfect record, though they have played only four warm-up games.

North zone play begins at 4 p.m. Tuesday, when the Hawks host Burk Burnett at Burnett Field. They play here again Friday against Hirschi.

After taking back-to-back wins over Windhorst last week, the Hawks hosted Hirschi and Burk Burnett Monday and Tuesday in non-conference play, and won them both. The Hirschi game was a "down to the wire" type game which wasn't decided until the final inning, 6-5, but there was little doubt about the 7-1 outcome of the game with Burk.

Coach Greg Clary saw action from every member of his team during the two games. This is the first varsity high school team Iowa Park has fielded in almost 20 years.

All the scoring in the Hirschi game came in three innings, the first, fifth and seventh. The Huskies jumped to a 3-1 lead in the opening frame, though all four scores were unearned. A single in the fifth inning gave the Huskies their only earned run of the game.

In the bottom of that inning Kenny Franks walked and was driven in by a Robbie

Bosley hit, his second of the game, making the game 2-4.

Hirschi scored again in the seventh, again on Hawk errors.

But then the exciting action got underway. Franks grounded out to second base. Berry Spruill singled and was brought in by another Bosley single. Bosley advanced to second on an error and Greg Frazier walked. Then Wayne Hallford doubled, sending the ball against the scoreboard in left field.

With the score 5-5, Hallford sitting on second base and two outs, Ross Riley drove a line drive into short center field. The Hirschi fielder made a determined dive for the ball, but it was laying in plain sight when the husky stopped rolling, and Hallford was crossing home base with the winning run.

Pitchers for the Hawks were Chuck Buikema, four full innings, and Malcolm Camp in relief the rest of the game.

Bosley went the entire distance Tuesday against the Bulldogs, and Burk Burnett

wasn't allowed its run until the final inning.

The Hawks scored three runs in the first inning. Randy Brown walked, Bosley grounded out on an infield hit, but advanced Brown to second. Danny Bilbrey walked, and then scored behind Brown when Buikema slapped the ball against the left center field fence. Buikema scored on a fielder's choice throw to put out Hallford at first.

In the fifth inning, with one out, Sam Morrison walked and then raced to third when freshman Daryl Frazier doubled into left field. Bosley singled to score Morrison, and then D. Frazier scored on a fielder's choice throw to put out Bilbrey.

The other two Hawk scores came in the fifth inning. Ross singled. He advanced to third when Hallford grounded out. Jerry Burkhardt drove him in, and then was safe when he beat out a fielder's choice throw from deep short stop. He advanced to second when Franks grounded out and then stole third base, finally scoring on a past ball at the plate.

FAST ACTION -- Hirschi Huskies thought they had a score on this play here Monday, but it failed. The runner approaching home base was attempting to steal in, but the batter apparently didn't see the signal, and fouled the ball attempting to bunt. Hawk catcher Jackie Perkins reaches for the ball. Iowa Park pulled the victory out in the final inning, 6-5.

REGIONAL QUALIFIERS -- Iowa Park High students qualifying for the regional UIL literary contests this weekend at Denton are, from left, Don Yeager, Nancy Miller, Ken Griffin, Mark Lemon, Paul Guyette, Cindy Rentschler and Billy James.

Seven qualify for region in UIL literary contests

Seven Iowa Park High School students will be competing in the Regional University Interscholastic League literary contests this weekend at Denton, as result of the placings last week in the District 4-AAA competition at Weatherford. They are Billy James, Nancy Miller, Paul Guyette, Mark Lemon, Cindy Rentschler, Ken Griffin and Don Yeager. Miss Miller placed first in Informative Speaking; Guyette was first in Number Sense; Mark Lemon was first in Typing and Yeager was first in Prose Reading.

The others placed high enough in their events to qualify. James was second in Slide Rule; Miss Rentschler third in Typing; and Griffin was second in Science.

Others placing, but not qualifying, were: George Knezek, third in Slide Rule; Evan Lington, third in Science; Richard Blair and Diane Johnston, each third in Poetry Interpretation; and Judy Watts, second in Persuasive Speaking.

The One-act Play entry from IPHS placed second to Brownwood Friday night. The local entry, composed of Yeager, Audrey Bushfield, Mike Kelly, Tim Hunter, Doug Elvins, Janet Fox, Rhonda Watson, Karla Weaver, Diane Johnston and Cathy Whittingstall, had placed first in north zone competition.

Yeager was named Outstanding Actor and Miss Bushfield was named to the All-Star Cast.

Wichita Falls Hirschi High School captured first place in the literary events, and garnered enough points in the other sporting events, mainly tennis, to be declared Spring Meet champion. Iowa Park, in its first appearance in AAA competition, won both the titles last year.

None of the local athletes qualified for the regional meet in track, tennis or golf. Several narrowly missed qualifying, however.

Greg Frazier took second place in the boys' singles in tennis, and the girls' doubles team of Debbie Catlin and Debbie Anderson also finished second.

Frazier lost 6-3 and 6-2 to Brownwood's Steve Burks in the finals. He had previously defeated Nathan Platt of Stephenville 3-6, 6-1, 6-4; Hall Jones of Graham 7-5, 6-1; and Greg Thomas 6-2, 6-2.

Before losing to Hirschi's duo, Debbie Stovall and Carolyn Gabbert who were state finalists last spring, 6-1, 6-3, the Dynamic Debbie's had battled their way to the finals in outstanding fashion. They had beaten Becky Murphy and Barbara Murphy of Weatherford 7-5, 7-5, after drawing a bye in the first round. In the semifinals they shot down another Hirschi couple, Becky Streety and Paula Fuggett, 3-6, 7-5, 7-5.

Other tennis results were: Boys' Singles -- Bill Streich defeated Scott Eidson of Weatherford in the first round, but lost to Thomas Sturgess 6-1, 6-2 in the second.

Boys' Doubles -- Johnny Roberts and Lloyd Harrison defeated Richard Adams and Madison Pedigo of Burk Burnett 7-5, 6-4, but lost to Andy Duffie and Stan Steele 6-2, 3-6, 3-6. Hunter Nipper and Jeff Blaker lost to Randy Carter and Mark Hensley of Weatherford 6-0, 6-1 in the first round.

Girls' Singles -- Sherry Anderson lost to Melinda Royce of Graham 3-6, 0-6 in the first round; Diana Nipper lost to Kathy Curtis of Burk Burnett 1-6, 4-6, also in the first.

Girls' Doubles -- Susan Teel and Paul Haynes went all the way to the semi-finals. They beat Susan King and Lindy Alexander of Brownwood 6-2, 6-0; Ann Stewart and Amanda Swope of Graham 6-3, 6-3, before losing to eventual champions Stovall and Gabbert 0-6, 0-6.

Boys' Junior Singles -- Robin Fox drew a first-round bye and lost to Mike Dye of Burk Burnett 6-2, 2-6, 2-6; Sam Callaway lost to eventual champion Greg Graves in the first round 1-6, 4-6.

Boys' Junior Doubles -- Mark Hubner and Paul Tigrett lost to eventual champions Daie Berg and Tim Cochran of Hirschi 1-6, 3-6 in the first round; Tracey Twyford and George Teel lost to Bill Behrens and Jacy Salyer of Burk Burnett 6-4, 3-6, 3-6.

Girls' Junior Singles -- Mary Ann Dawson lost to eventual champion Deana Wright of Vernon 0-6, 3-6 in the first round; Lisa Cosstick lost to Jane Burke of Graham 1-6, 2-6, also in the first round.

Girls' Junior Doubles -- Yvonne Reid and Susan Catlin drew a first-round bye, defeated Barbara Rogers and Lynn Mc. Graw of Burk Burnett 6-1, 6-0, but lost to Pam Hardin and Sheri Brown of Vernon 5-7, 6-3, 3-6.

The golf team, playing its third and final round of conference play, competed at Fort Worth's Benbrook Country Club Friday. Iowa Park finished in seventh place overall, with 1022 strokes, one behind Graham, but 119 ahead of last place Vernon. Brownwood took the district title with 963, one ahead of second place Hirschi.

In Friday's play, Sam Morrison was medalist for the Hawks with 83. Stan Blair had 84, Raleigh Hathaway had an 85 and Jay Meux an 89.

The Hawk track team finished in fifth place, their 33 points a long distance from Brownwood's total of 123. Other point totals were Weatherford 101.5, Graham 90, Vernon 73.5, Stephenville 32, Hirschi 31 and Burk Burnett 12.

Randy Brown was the major point earner for the Hawks, placing in three individual and one relay event. He was fifth in the 220-yard dash, 24.1; fifth in the 100-yard dash, 10.8; and tied with teammate Daryl Frazier for fifth in the high jump, 5-6. Brown was also on the 440-yard relay team with Jerry Burkhardt, Ralph Dillard and Jack Gilmore which finished fourth with a 45.0 clocking.

Best placings for Iowa Park were turned in by sophomore miller Bud Aulds and the mile relay team composed of Dillar, Burkhardt, Allen Parkey and Gilmore. Though red-headed Aulds was clocked in 4:47.2, which was not one of his better times the 4:39.1 and 4:39.2 which placed ahead of him were well under his best. And he was almost three seconds ahead of the fourth-place finisher.

The mile relay team's 3:31.8 was its best of the year, and Gilmore, who runs the final leg, almost caught up with Stephenville's runner for second place. He finished only 2/10th of a second behind. Gilmore is another Hawk sophomore.

The freshman division of the district meet was even more lopsided in Brownwood's favor than was the varsity total. The Cubs amassed 143.5 points, well ahead of the 77 of second-place finishing Vernon. Other team totals in the division were Weatherford, 69, Hirschi 48.5, Burk Burnett 46, Graham 45, Iowa Park 44 and Stephenville 21.

Industrial influx seen in 10 years

A prediction that within 10 years a large influx of industries relocating from the northern and eastern areas to Wichita County and other areas of the southwest was made Tuesday at the regular meeting of the Chamber of Commerce board of directors.

Making the prediction was Connie Sparks, representing the Wichita Falls Board of Commerce and Industry.

He pointed out that the industries were already studying this area for relocation because of unfair tax burdens and labor problems. "If we work together we can assist each other in growing," Sparks said of the communities in the area.

Sparks paid a high compliment to Iowa Park when he said the Hawk Stadium was a tribute to the community because of the way it was built. The stadium was constructed entirely from donations of funds, labor, equipment and special-priced supplies, and without cost to the school tax payer.

Don Hughes discussed marquee advertising for member businesses. He said business slogans and names will begin appearing on the marquee April 29.

State representative candidates go on line

The Wichita County Farm Bureau will sponsor a "Measure the Candidate" meeting Friday night at the county agriculture building, according to Ed Foster, Jr. of Electra, president.

Candidates for state representative races who have accepted the invitation to participate are Vernon Stewart, Charles Finnell, Dave Allred, Kenneth Hill, Leo Cook, and Robert Edwards.

Moderator for the event will be Millard Shivers of Dallas, former organizational director for Texas Farm Bureau. Mr. Shivers is recognized for his outstanding ability to conduct this type of meeting on a fair and impartial basis, Foster said.

The candidates have been furnished with seven issues that will be vital to farmers and ranchers in the special and regular

sessions of the Texas Legislature. They will be given an opportunity to give their views and opinions on these issues, however, they will not be prohibited from mentioning any other issue or subject which they feel is important to their race for state representative.

The issues to be considered are: financing education; transportation; Farm-to-Market roads; minimum wage for farm labor; environmental control; agricultural chemicals and exemption of implements for agricultural production, according to the county leader.

The meeting is open to the public.

Absentee ballot begins

Absentee balloting has opened in Iowa Park for the May 6 party primaries. The school business office, on East Cash Street, has been designated by the County Clerk as absentee balloting poll for the city.

Students selling project plants

The annual Ornamental Horticulture Plant Sale is now underway, according to Jimmy Howell, instructor of the Vocational Agriculture course.

Plants, including tomato, bedding, pepper and nursery stock, have been produced by students of the class and are now on sale to the public. They can be purchased at the new greenhouse on the high school campus.

Rabies clinic is Saturday

A rabies vaccination clinic will be held Saturday at the high school Vocational Agriculture building. It is sponsored by the Future Farmers of America.

Shots will be administered by Dr. Thurman Reitz from 9 a.m. to 1 p.m. FFA students are urging all citizens to have their animals vaccinated against rabies. The charge will be \$3.75 per animal.

The Vo-Ag building is the steel structure at the intersection of Johnson and West Highway. Entrance to the building is on the south side.

APRIL 24-29 City Clean-Up Day set

April 24-29 has been designated "Clean-up, Fix-up, Paint-up Week" in Iowa Park. A proclamation assigning the period of observance was signed Tuesday by Mayor Gordon G. Clark, M.D., urging all citizens to participate in the project.

The final day, which is a Saturday will be the big push. That's the day which was begun two years ago when all the youngsters of the community are urged to participate in picking up litter along road-sides and on vacant lots.

Saturday's project will be organized by the Chamber of Commerce. Mike Schweikhard, Lone Star Gas office manager, has been named chairman of the event. He is contacting all youth organizations of the city to solicit their participation.

The youngsters, as in the past, will be fed lunch at noon. The meal will consist of sandwiches, potato chips and soft drinks, all at Chamber expense.

Bags for youngsters to put the litter in will also be provided by the Chamber. These will be stacked along the road-sides and city trucks, also manned by volunteers, will pick them up throughout the day.

City residents will have the privilege of free dumping at the city dump grounds during the entire week. This is done annually to encourage homeowners to haul

away debris and larger items which might have collected around their homes.

Mayor Clark, in his proclamation, also urged citizens to observe the week by repairing and painting their own buildings " . . . so that our community will be a source of pride to all citizens, thereby stabilizing the economy, character and spirit of our community."

Baseball Day nears

Little League Baseball Day is just around the corner for Iowa Park.

The League's annual Candy Sale will be held April 29.

Then Baseball Day will follow a week later, May 6, with a 9 a.m. parade and the rest of the day with baseball games to open the season. That's the day when all the Major and Minor League teams see competition.

The previous evening, Senior League season will open with ceremonies starting at 5:30. The first game will be played at 6, with another game following in a doubleheader.

All clubs and organizations interested in entering a float in the Baseball Day parade are requested to contact John Huff, Jack Hodges or Bud Reed.
