

Free fishing
set Saturday
for youngsters

Hundreds of children throughout this area are expected to attend the free Kid Fishing Rodeo Saturday, sponsored each year at the end of school by the Northwest Texas Field and Stream organization. The group furnishes everything, fishing tackle, bait and even lunch, without charge. All youngsters, boys and girls through age 12, are invited by the organization to participate.

Fishing begins at 10:30 a.m. at the Field and Stream Lake on Midwestern University property south of the Field and Stream Club building in Weeks Park in Wichita Falls. Lunch, consisting of hot dogs, chips, cold drinks and ice cream, will be served at noon and the party will break up by 1 p.m.

Trophies will be awarded for the largest and smallest fish in the one to four year old class, as well as five to eight and nine to 12 year classes. Club director John Sibley, of Iowa Park, is general chairman of the activity. He invites all adults who are interested in assisting with baiting hooks, helping to look after the safety of the children and even making of hot dogs, to attend.

Safety, according to Sibley, is always stressed with the Wichita Falls Police and Fire Department, Parks and Wildlife officers, Sheriff's Department, Calamity Janes, Gold Cross Ambulance, Highway Patrol, Police Reserve Unit and the Faith City Five Waters Radio Club, assisting.

This will be the first time that the lake has been used for this program, which normally attracts between 1,000 and 1,500 youngsters.

Motorists driving to the lake can exit Southwest Parkway at the Field and Stream Building and follow signs and directions to the lake. The building is north, across Southwest Parkway, from Funland.

High School Commencement Exercises will be held Friday at 8 p.m. in the school's auditorium. Each senior has been given six tickets and practically every seat in the auditorium is already taken, according to Bob Dawson, principal.

The valedictory address will be given by Patricia Ann Roberts and the salutatory address will be given by Don Yeager.

T.C. Berry, President of the Board of Education, will present diplomas to the graduates after they have been presented by Bob Dawson and accepted by Faris Nowell, superintendent of schools.

Richard Blair Jr., president of the senior class, will make the presentation of the class key.

Mrs. Jim Medlinger will play the processional and recessional. The Rev. Keith D. Pierce, pastor of the First Christian Church, will offer the invocation, and the Rev. Kenneth Flowers, pastor of the First Baptist Church, will give the benediction.

The high school choir will present two special numbers during the evening.

'72 band leaders announced

Officers, drum majorettes and twirlers for the 1972-73 Hawk Band were named Tuesday at Iowa Park High School.

Election of the officers was held that morning and selection of the majorettes and twirlers in the afternoon following tryouts.

Mike O'Donnell, a senior, was voted president of the organization. Mary Mahler was named vice president; Diane Kingcade, secretary; Katherine Schmidt and Lee Childers, co-treasurers; Sam Callaway, reporter; Darryl Harrison, Barbara Curry and Denise Kyle, librarians; and executive council representatives are John Landrum, senior, Kern Railsback, junior, and Tina Muehlinghouse and Denise White, sophomores.

Kellie Hamilton was named drum majorette, and Katherine Schmidt, assistant drum majorette. Both will be juniors.

Returning as twirlers for the band are Cathy Sullivan, Phyllis Smith, Beth Cobb and Jaye Nipper. All are juniors. Janice Carver, a freshman next year, was added to the corps.

Election of officers at the conclusion of the school term is held, according to director Larry Kingsley, that proper preparation for the organization can be made relating to activities and projects for the coming year. Twirlers and drum majorettes are selected that they might attend a summer music camp and learn routines in preparation for the upcoming football season.

Following election of officers, the band's executive council held its first official meeting and selected travel uniform sweaters which will be ordered in June that they might arrive in time for the opening of school next fall. The council also discussed the proposal by Kingsley to compile a band handbook to contain regulations and procedures used by the band in all phases of its activities. Kingsley later stated "We have had a very active and successful year, and I would like to say thanks to the citizens of Iowa Park for the tremendous support they gave the band during the year. We are proud of our band and of our community and have enjoyed serving them with halftime entertainment, concerts and recognition for our community in other cities."

No absentee votes reported

No absentee ballots have been turned in yet at the school administration office for the June 3 Democratic Primary runoff, according to Linda Escue, clerk. Absentee voting will continue through next Tuesday.

Sec. of State Bob Bullock has issued a warning to voters not to attempt to change party ballots in the runoff. He said the Texas Election Code calls for a fine of from \$100 to \$500 to anyone who attempts to vote in one party's runoff after voting in another party's primary.

As an example, one who voted in the Republican Party primary May 6 cannot vote in the June 3 Democratic Party runoff election.

It is noted, however, that no such law applies to the general election to be held in November, when candidates from both parties are placed on the same ballot. In that election, voters can cast their votes for candidates in either party.

Bloodmobile slated here next Thursday

The Red Cross Bloodmobile will be in Iowa Park at the First Christian Church next Thursday to accept blood donations.

To arrive at 2 p.m. and stay until 6:45, the Bloodmobile volunteer workers will be seeking to reach the community's quota of 75 pints of blood.

TO CITY

Four acres being added

The city council Monday night took initial action to annex four additional acres to the city limits, approved financing to prevent disruption of water service and once more adjourned without taking any action on a proposed gas rate

increase and applications for cable television service. The tract of land is owned by two different individuals, two acres each, and is located between the Foley Addition and West Magnolia. First readings were held

for annexation of land owned by T.C. Foley and Leo Wright. There were no dissenting votes on either proposal.

Five water taps, on Westridge, Wall, Service Road, Colorado and First Street, are included in the water improvement project which could have caused problems for homeowners, had the council not approved a \$1,200 expenditure.

An engineer explained to the council that tapping the old lines now serving those areas would not only cause homes served by the lines to be without water for at least a day, but possibly would create other problems, the least of which would be distasteful water for a period of time.

Special valves which will allow the lines to be tapped without disruption of service were approved by the council.

Apparently no shut-off valves were installed when the lines were laid, according to conversation during the meeting. Three other areas of planned taps to have valves and there will be no problem when the taps are made, it was said.

To tap the five lines without the special equipment would have caused the water department to shut off service to all homes on the lines for the better part of a full day. Also, fears were expressed that the settlement which has accumulated in the older lines would be broken loose and flow with the water for several days. And additional fears were that the decrease in pressure might possibly cause some of the lines to break, and require more expensive replacement.

Aldermen took no action on the proposed 10 per cent increase in gas rates for Iowa Park by Lone Star Gas Company, explaining they wanted to study a report from the Texas League of Municipalities and also watch what action the city of Wichita Falls was going to take on a similar increase.

A second application for a franchise to serve Iowa Park with a cable television system was announced at the meeting. TV Cable of North Texas submitted the application and was represented by Ben Campbell, who has been in the city on several other occasions when CATV was discussed.

Also present was Marvin Athans, owner of a proposed system which made application for a non-exclusive franchise here several months ago.

Mayor Gordon Clark expressed his opinion on the applications when he said, "I'd still like to learn more about this"

4-AAA CHAMPS

Hawks edged by Lamesa in region crown bid

Iowa Park's Hawk baseball team found the aggressive base running of Lamesa's Tornados tough to handle and were shot

down in their bid for the regional title at Lubbock in two straight games.

Lamesa, which has been the District 3-AAA champion the past five seasons, edged the newcomer Hawks 4-2 Monday and then came back to edge them 5-4 Tuesday.

But almost lost in all the interest of being in the state playoffs was the fact that the Hawks became the school's first district athletic championship since being elevated to AAA classification.

They captured possession of the conference crown Thursday afternoon by lambasting defending champion Weatherford 12-1. First the Mean Green had to break a three-way tie for the North Zone title, and did that in one day against Burk Burnett and Hirsch. Then they won the first of a playoff series against South Zone champ Weatherford, 5-2, setting up Thursday's big game.

The host Kangaroos held the Hawks through three scoreless innings before the

locals broke the game wide open in the fourth with four runs. Five more were added in the fifth, and three in the sixth. The game was called after Weatherford batted in the bottom of the sixth, on the 10-run rule.

Center fielder Randy Brown laid his claim to fame by blasting a home run over the 300-foot left field fence in the fourth. Jerry Burkhardt got one against the 'Roos in their game at Wichita Falls. Their two were the only ones hit by the Hawks this season.

Biggest bats for the Hawks at Weatherford, besides Brown's, were swung by Wayne Hallford, Chuck Buikema, Ross Riley and Greg Frazier. Buikema almost sent the ball out of the field twice, once falling a foot short against the right field fence.

G. Frazier went the distance on the mound for the Hawks. Weatherford's Larry McLaughlin was relieved in the fifth.

Determining the regional game with Lamesa took some giving and taking on the parts of the negotiators. Lamesa didn't have the money to finance a trip down here to play and Iowa Park didn't want to face the leading Tornado pitcher, Phil Palmer, on a Tuesday and again on a Saturday. Thus, Lamesa got the games near home and Iowa Park got two consecutive days of play.

The strategy almost paid off in Tuesday's game. The Hawks almost pulled from behind in the seventh inning, trailing 5-4, when they had two runners on base and no outs. But the rally fell through without a score and the Tornados go on to face defending state champion Dumas.

G. Frazier worked the entire game Tuesday for the Hawks, allowing six hits, walked two and struck out eight batters.

For the first time in several games, the Hawks were out-hit, collecting only five themselves. They were by Brown, Hallford, Ken Franks and three baggers by Burkhardt and Riley.

Both the games were played in the Texas Tech Univ. stadium.

Robert Bosley allowed only three hits in Monday's game as he also went the distance, and the Hawks banged out five themselves. G. Frazier got a two-bagger and Bosley a triple, while singles were collected by Hallford, Buikema and Riley.

Lamesa scored once in the second, were tied in the fourth, and then went ahead with three runs in the sixth, Iowa Park's one-run rally in the seventh was short.

Already the Hawks are looking forward to the 1973 season, because they lose only

Senior's surprise gift arrives in time

What more could a graduate ask, than for his father to travel half way around the world to watch him receive his diploma in commencement exercises.

That's what happened to Mike Kelly, IPHA senior, whose father, Sgt. Jack Kelly, arrived home unannounced last weekend from his base in Korea.

The USAF veteran of almost 20 years was shipped to the Far East assignment in November and took 30 days leave to attend Mike's graduation.

Junior High commencement this evening

The Iowa Park Junior High Graduation Exercises will be held at 8 p.m. today in the high school auditorium.

Barry Lucy will give the valedictory address and Susan Miller will give the salutatory address.

The seventh grade under the direction of Connie Sistrunk will provide the special music. Mrs. B.G. House will provide accompaniment.

BEST ALL AROUND.--Beverly Klinkerman, daughter of Mr. and Mrs. Marvin Klinkerman, and Mike Kelly, son of Sgt. and Mrs. Jack Kelly, were named last week as Best All Around Students of Iowa Park High School. Announcement of the recognition was made during the annual awards assembly. The honor is awarded to a senior boy and girl each year by the faculty.

HAPPY HOMER.--Randy Brown, whose head is seen shoulder high in the center shadow, is pounded with congratulations after knocking a 300-foot-plus home run Thursday against the Kangaroos of Weatherford. Brown's hit helped lead the Hawks to a 12-1 victory and the District 4-AAA championship.

Thompson-Miller vows exchanged Saturday

The marriage of Miss Nancy Ann Thompson and Robert Dale Miller was solemnized Saturday evening in the First United Methodist Church at Bonham. The officiating minister was the Rev. Robert I. Bush.

The bride is the daughter of Mr. and Mrs. Charles H. Thompson of Bonham and the groom's parents are Mr. and Mrs. J.P. Miller of Iowa Park. The candlelight area where

the couple recited their vows featured four seven-branched candelabra entwined with greenery, holding white cathedral candles, and arrangements of white chrysanthemums.

The altar table held a floral bouquet of mixed white flowers and greenery in an antique holder. The communion rail was topped with votive candles in crystal holders interspersed with garlands of greenery. Standing baskets filled with white gladioli and chrysanthemums and greenery were used by the church entrance. The wrought iron pew markers held crystal votive cups adorned with white blossoms and greenery.

The traditional wedding music was provided by Miss Mary Ann Hickman of Paris, organist, and Charles Thompson, brother of the bride, who sang "It's Impossible" and "Wedding Prayer."

When the bride's father presented her in marriage, she was an exquisite picture in a formal gown fashioned of white peau de soie and lace. Blue velvet ribbon threaded the panels of lace which were used to define the front of the gown, and blue velvet bows enhanced the sleeves and collar.

The bride's illusion veil flowed to waist length from a lace bandeau and she completed her bridal ensemble with

a bouquet of white orchids surrounded by white rosebuds.

Miss Gaiha Ann Trout of Gober was maid of honor. Miss Mary Ann Marshall and Miss Beth Vestal of Bonham were bridesmaids. They were attired in sky blue voile gowns embellished with white flowers and carried bouquets of white carnations and white rosebuds.

Candlelighters were Lee Thompson and David Marshall. Kent Cannaday of Wichita Falls was best man. Groomsman were Maurice Thompson of Paris and Jimmy Kimble of Dallas. Ushers were Mike Clements of Greenville, Randy Bunch of Paris, Rusty Baldrige and Mike Trussell of Commerce.

The bride's parents gave the wedding reception in the Fellowship Hall of the church.

The bride's table, flanked by standing baskets of white gladioli, chrysanthemums and greenery, was draped with a floor length cloth of white taffeta overlaid with white re-embroidered lace. The centerpiece was formed of white carnations, chrysanthemums, mums, candles and greenery. The colonnaded white frosted wedding cake accented with blue silk flowers presented an unusual picture of beauty.

The groom's table was covered with a floor length taffeta cloth overlaid in a blue silk drape. The center appointment featured blue grapes and candles, and the other appointments were the silver coffee

service and the groom's chocolate cake.

Miss Lee Adrean presided at the bride's book. Reception assistants were Misses Diane Buford, Sherry Marshall, Pat Foster, Frances Klanduch, Inez Haggard and Judy Roberts.

Mr. and Mrs. J.P. Miller hosted the rehearsal dinner Friday evening in the Fellowship Hall of the First United Methodist Church.

Out-of-town wedding guests were Mr. and Mrs. Glen R. Miller, Mr. and Mrs. Norman Hodges and sons, Jimmy and Wayne, Miss Glena Miller, Miss Mary Miller and Kenneth Via from Iowa Park.

When the newlyweds departed on a wedding trip to Corpus Christi, the bride was wearing a red and white pants suit and an orchid corsage. They will live at Commerce where they are both students at East Texas State University.

The bride was graduated from Bonham High School and is a sophomore music major at ETSU. Miller, a graduate of Iowa Park High School, is a senior at ETSU and will serve as president of the A Cappella Choir next year. He has served as music director at First Baptist Church, Wolfe City, for two years.

Mr. and Mrs. J.P. Miller will hold open house for the newlyweds Saturday from 3 to 5 p.m. and they extend an invitation to the couple's friends to call during these hours.

MRS. RANDY LEE EDWARDS

Covington-Edwards wed Friday evening

Miss Amy Lou Covington, daughter of Mr. and Mrs. Tom A. Covington of Euless, former residents of Iowa Park, became the bride of Randy Lee Edwards, son of Mr. and Mrs. W.L. Edwards of Bedford, Friday evening. The St. Philip Presbyterian Church at Hurst was the setting for the double-ring ceremony officiated by the Rev. James Garvin.

A sunburst arrangement of spring flowers and cathedral candelabra were the altar decorations.

Mrs. Jerry Wallace, organist, furnished the wedding music.

The bride was escorted to the altar by her father, who gave her in marriage. She wore a formal candlelight bridal gown enhanced with a bodice overlaid with lace and seed pearls. The bodice was designed with a scalloped lace neck and lantern sleeves. Lace patterns scattered on the skirt and chapel train added a further touch of dignity to the gown. The fingertip illusion veil was attached to a Juliet cap, and she carried a basket of spring flowers.

Mrs. Fred McDonald of Wichita Falls, sister of the bride, was matron of honor. She wore a formal spring print voile dress and carried a basket of pink seasonal blossoms.

The bridesmaids, Miss Jane Suttle of Hereford and Miss Pam Westcott of Edwards AFB, Calif., wore gowns like the one worn by the matron of honor. They carried baskets of orchid and lavender flowers.

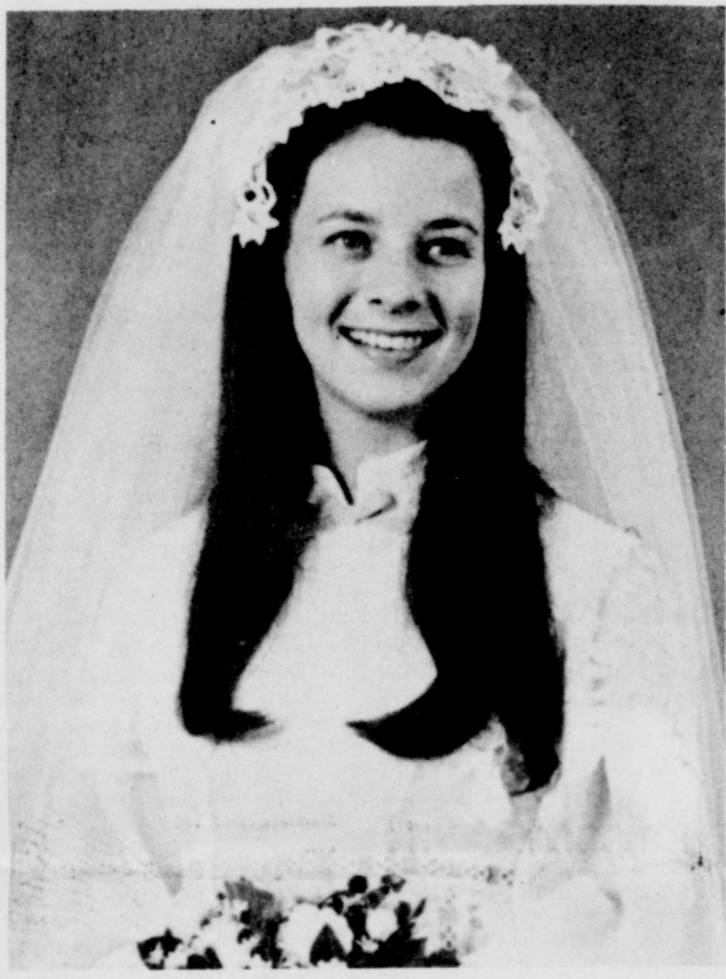

The total effect of the refreshment table was loveliness. The cover featured white net over shocking pink. The three-tiered cake was intricately decorated with orchid and hot pink roses and the top ornament featured a miniature bridal couple standing underneath a heart with a net background. Two white wedding bells were used at table extremities.

The table where Mrs. Glenn Knight presided at the bride's book, held a crystal tray filled with pink net rice bags tied with purple ribbons.

Mrs. Charles Cleveland served the wedding cake to the guests. Miss Deborah Handley and Miss Becky Johnson were reception assistants.

The bride attended Iowa Park High School and was graduated from Trinity High School at Euless. She is a junior student at North Texas State University. Edwards recently received a degree from Texas Wesleyan College at Fort Worth and is produce manager for Safeway, Inc.

After a honeymoon trip to Colorado, New Mexico and Old Mexico, the couple will live at Hurst. The bride traveled in a red, white and blue blazer suit.

MRS. ROBERT DALE MILLER

Daughter honored for graduating

The home of Mr. and Mrs. Charles A. Whittingstall was the scene of a party given to honor their daughter, Cathy, a graduating senior at Iowa Park High School Tuesday afternoon. Hostess for the party was Miss Carol Morgan, a senior at Wichita Falls High School.

The school colors of green and white were stressed in table appointments and refreshments. The hostess presented

the honoree with an appropriate graduation gift.

Classmates who attended the affair were Misses Karen Watson, Rita Rallsback, Sherrie Capps, Cathy Bolden, Sandra Skinner, Jan Spruiell, Alyce Bondurant, Judy Watts, Carrie Anderson, Christy Thompson, Brenda Barnes, Marsha Thompson, Beth Ashley, Beverly Wheeler, Beverly Klinkerman, Janet Fox, Diane Johnston and Janie Cogdell.

Dance slated for graduates

A dance will be held for members of the Iowa Park eighth grade graduating class and their dates this evening at the Youth Center.

Sponsored by a group of parents, the event will be held from 9 p.m. to midnight. Refreshments will be served and live music will be provided by a band from Sheppard AFB.

Tickets are \$1 per person. All parents are invited to attend.

Sorority concludes season's meetings

A dinner was held at Town House in Wichita Falls Tuesday evening to conclude activities for the Epsilon Eta chapter of Epsilon Sigma Alpha for the year.

The tables were appointed with wicker baskets filled with tulips, jonquils, poppies and

daisies and treasure chests overflowing with jewels. Places were marked with tiny crystal vases holding blue straw flowers.

Mrs. Frank Harlin was emcee. The invocation was given by Mrs. Tom Compton, chaplain.

Following the meal, Mrs. Raymond Cope, immediate past president, presented service awards to: Mmes. Bill Steger, D.W. Mercer, Kenneth Buikema, five-year pins; James Dyer, 10-year pin; Tom Compton and Jesse McCullough, 15-year pins; and Alan W. Berry, and John Clapp Jr., 20-year pins.

It was voted to participate in the ESA's Million Dollar Bike Ride to benefit the St. Jude's Hospital at Memphis, Tenn., a research center for leukemia. Mrs. Donald Lucy and Mrs. Dyer were appointed chairmen of the project.

Mrs. Harlin presented each committee member for 1972-73 with a gift.

Mrs. Cope was given a handsome plaque, the scrapbook, which won honorable mention at state, and history of the chapter.

An invitation was read from Connie Morrison to attend the installation service for the Order of Rainbow for Girls Saturday evening.

Others attending were Mmes. David Padgett, Herman Escue, Grady Graves, Wm. Mattis, Frankie Hendrick, R.B. Faulkner, Mack Quarles, John Ratcliff, Chester Morrison, Wayne Kingcade, Donald Thompson, Harold Cowley, Jim Medinger, Donald Daugherty, Roy Boutwell, Roy Johnson, Pete Koonce and Homer Blalock.

Party fetes Beth Ashley

Miss Lee Childers entertained Saturday afternoon at a backyard party to honor Miss Beth Ashley, a graduating senior at the Iowa Park High School. She was assisted with duties of entertaining by her mother, Mrs. Roy Childers.

The picnic table was covered with a pink and white cloth and featured a pink felt smiley daisy centerpiece.

Mrs. Tom Ashley, mother of the honoree, was a special guest. Both were pinned with corsages, and the honoree was presented with a special gift from the hostesses.

Beth has been a member of the annual staff and A Cappella Choir. She is planning to follow a business career.

Others attending were Mmes. David Padgett, Herman Escue, Grady Graves, Wm. Mattis, Frankie Hendrick, R.B. Faulkner, Mack Quarles, John Ratcliff, Chester Morrison, Wayne Kingcade, Donald Thompson, Harold Cowley, Jim Medinger, Donald Daugherty, Roy Boutwell, Roy Johnson, Pete Koonce and Homer Blalock.

Registration slated today

Mrs. H.L. Elliott, chairman of registration for the Camp Fire Girls Day Camp to be held at Harrell Park in Wichita Falls June 12-15, reminds interested girls and their parents that registration will take place again from 2:30 to 4:30 p.m. in city park today.

In the event that it is impossible to register on the assigned dates, Mrs. Elliott stated that one could register until June 5 by calling her at 592-4638. The fee will be \$4 and a girl does not have to belong to Camp Fire to be eligible to attend.

Sullivans observe 45th anniversary

Mr. and Mrs. Carl Sullivan celebrated their 45th wedding anniversary Sunday at a dinner at Mayo's Steak House hosted by their children and their spouses, and grandchildren.

Their daughters are Mrs. Alleen Bennett and Mrs. Richard Schroeder of Iowa Park. The grandchildren are Wesley and Bill Bennett, Cindy, Karen, Richard Wayne and Perry Schroeder. Other guests were Jack Witherspoon of Kamay and Polly Reeves of Wichita Falls.

Willis awarded for performance

Leon B. Willis has received a cash award for superior performance at his Sheppard AFB job, it was announced recently.

The Iowa Park resident, who lives at 106 N. Victoria, received \$150 for his performance as a personal equipment outfitter, according to information from the base.

YOUR BIBLE QUESTIONS AND ANSWERS

QUESTION: Is the church of Christ different from denominations and if so why?

ANSWER: This is the fourth in an attempt to answer this question. We have thus far discussed the New Testament church, the falling away, and the reformation. Now we give our attention to the restoration movement. The end of the eighteenth and the beginning of the nineteenth centuries saw a movement, all over the world, to return to the Bible. This was especially true in the United States, where great camp meetings were the order of the day, with thousands turning to a deeper study of the Bible. Many people saw the errors of Catholicism and the deviousness of denominationalism. Wanting to get back to the Bible some basic principles evolved. First, the acknowledgment of the New Testament as the sole word of God to man today. (2 Tim. 3:16,17). Secondly, renunciation of all human creeds (Gal. 1:6-8). Thirdly, dedication to the restoration of the apostolic or New Testament concept of the church (Eph. 3:10,21). And lastly, the union of all Christians based upon the Bible (John 17: 20-23). Believing that the seed of the kingdom is the word of God (Matthew 13:19) it is the firm belief of members of the churches of Christ, that if that same seed is planted today, in the hearts of honest men and women, not only will it save them (Mark 16:15,16), but it will cause the Lord to add them to His church, (Acts 2:47) and they will not be a member of any denomination but of the church that you read of in the New Testament.

Party honors Miss Skinner

Miss Sandra Skinner, daughter of Mr. and Mrs. Luther Skinner, a graduating senior at Iowa Park High School, was honored at a Coke-pizza party given by Mrs. Harold Hildebrand Saturday afternoon.

Guests were registered in a novel telephone book which was presented to the honoree.

The colors of red, white and blue were featured in decorations, table cover and serving appointments.

A lively "fun and game fest" provided entertainment.

Sandra, who is treasurer of the Hawk Band, has been twirler for three years, and head twirler and feature twirler during her junior and senior years. A member of the stage band, she has received awards in both area and state U.I.L. and NBTA band and twirling competitions.

She was named Who's Who in band on Awards Day for the second consecutive year and was presented the John Phillip Sousa Band Award for Outstanding Bandsman at the recent Spring Band Concert.

She was recently selected as twirler for the West Texas State University Buffalo Band for the fall semester and received a scholarship to the college. Sandra was given the Outstanding Twirler award for two consecutive summers at the N.T.S.U. Summer Instrumental Music Camp at Canyon and will teach twirling there this summer.

Miss Skinner is a four year member of the A Cappella Choir, Future Homemakers of America, reporter for Future Teachers of America and was on the annual staff when she was a sophomore.

She represented Iowa Park in the coronation ceremonies at the Air Training Command Flag Football Tournament at Sheppard AFB and was a Pioneer Bowl Princess for the First Pioneer Bowl Football game in Wichita Falls.

Sandra is an active member of the Iowa Park Church of God. She is enrolled at WTSU for the fall semester.

Three set for state pageant

Two Iowa Park girls and one from Kamay will compete in the State Our Little Miss Pageant at Waco in June. The three young ladies were winners in the Red River District Our Little Miss Pageant held at Burkburnett Saturday.

Denette Vanek, nine-year old daughter of Mr. and Mrs. Bill Vanek, was crowned Our Little Miss. To win the title she competed in sportswear, party dress and three-minute talent presentation which was "These Boots Are Made for Walking," a song and dance number.

She has won numerous medals and trophies in dancing and she represented Iowa Park at Arlington in 1970 in the Texas Our Little Miss Pageant.

Lisa Dunn, five-year old daughter of Mr. and Mrs. Richard Dunn, was first runner up in the La Petite division in the Red River District Pageant and she won the same honor in the Iowa Park pageant held this spring. She competed in sportswear and party dress categories.

Yvonne Downs, 14, daughter of Mr. and Mrs. J.B. Downs of Kamay, was talent winner in the Ideal Miss division. She sang

"Born to Serve the Lord." She is an eighth grade student in Iowa Park Junior High School, a member of the 4-H Horse Club, Holiday Riding Club. She was on the annual staff and participated in the spring track meet.

Preacher now tour guide

James N. Easterwood, former pastor of the First Baptist Church here, recently became associated with International Royal Services, Inc., a worldwide travel organization. He began his work as Tour Host-Organizer and advisor May 10. His duties will be to organize and host tours to all parts of the world, and enlist other tour hosts.

The Rev. Easterwood was pastor in Iowa Park following World War II from 1946 to 1953. For the past 11 years he has been serving as hospital chaplain for the Union Baptist Association in the Texas Medical Center in Houston. He retired in December 1971.

Mr. Easterwood's first tour-group will leave New York October 9. They will visit the lands of the Bible: Egypt, Lebanon, Greece, Rome and many of the Holy places of Israel.

Mrs. Easterwood will serve as co-host on the tour.

September next WSCS meeting

The W.S.C.S. of the First United Methodist Church held the last weekly meeting until September Tuesday in the Fellowship Hall of the church. During June, July and August, the meetings will be held the first Tuesday in the month.

Mrs. J.W. Farmer was leader and narrator for the program on "My Heart - Christ's Home," and she was assisted by Mrs. George Smith, Voice of Christ, and Mrs. Ronnie Waters, Voice of the Hostess.

Different parts of the room were set up to resemble rooms of a home. The hostess of the home entertained Christ in the library, lounge, kitchen and dining room, but she refused him entrance in the closet saying that she reserved that area for herself. The Master shocked her when he told her that he could not abide in her house if he could not have access to all parts. The hostess gave him the key and shamefully faced what she had been hiding as she sur-

rendered her all to him. She had previously refused to invite him to go with her on her evening out.

Mrs. Paul Zink concluded the program with a parable "Teachers and Parents," which her son the Rev. Harvey Martz of Denver, Colo., had used in one of his services recently.

Mrs. S.B. Keeter directed the business preceding a covered-dish luncheon. Purchasing supplies for the nursery workers and taking meals to members who have illness in their homes were discussed.

The tables for the meal were decorated with facsimiles of rooms in a home in keeping with the program theme for the morning.

Mrs. David Thomas and Mrs. Don Rastetter who will be leaving Iowa Park to establish residence in other cities were given special recognition.

Visitors were Mrs. Floyd Dyer of Littlefield and Mrs. Roy Williams of Iowa Park.

Other members present were Mmes. Wilbert Wynn, W.M. Owens, Fred Widmoyer, Miles Thompson, Sam Hunter, Allen Bennett, Emma Gauntt, David Whittington, Donald F. Cook, Carl Waldraff, George Trammell, H.M. Mahler, Delbert Todd, Carl Sullivan, Gordon G. Clark, James Todd, Ray Low, Lydia Hudson, Fred Keck, M.L. Hines, W.F. George, Judy Baker, Bob McClelland, C.L. Thompson, Julia Lindesmith, James A. Sewell, Carroll Hester and Elgin Denny, and Miss Ethyle Kidwell.

Mr. and Mrs. Barry Jackson of Quannah announce the birth of a daughter, Pamela Nichole, May 16. She weighed seven pounds, ten and one-half ounces.

The new baby has a brother, Christopher, three years of age.

Grandparents are Mr. and Mrs. Everett Stephenson of Iowa Park and Mr. and Mrs. Oscar Jackson of Seymour.

Great-grandparents are Mrs. Annie Johnson of Wichita Falls, Oscar Jackson Sr. of Jacksboro, Mrs. Edna Riggs of Jacksboro and W.A. Riggs of Jacksboro. John Brouskie of Wichita Falls is the great-great grandfather.

Engagement announced

Mr. and Mrs. James D. Beals are announcing the engagement of their daughter, Gaylia Jean, to Jimmie Tim Kasperek Jr., son of Mr. and Mrs. Jimmie Tim Kasperek.

The bride-elect is a senior at Iowa Park High School. She has served as vice president of Future Homemakers of America this year and was a member of the pep club.

Kasperek was graduated from Iowa Park High School in 1971. He was an officer in VICA. He reports to Lackland AFB today for active duty.

The wedding will take place in July at the First United Methodist Church.

Debbie Casper first licensed cosmetologist

Debbie Casper, daughter of Mr. and Mrs. E.L. Casper, cosmetology student at Iowa Park High School, took the examinations given by the Texas Cosmetology Commission at Austin last Wednesday, and she received her Hairdressers License Monday morning.

Thus, she becomes the first from the department to be licensed.

She was accompanied to Austin by Mrs. Judy Vest, cosmetology instructor, and Laura Catron, her model. She took both written and practical examinations which started at 7:30 a.m. and ended at 4 p.m. The paper work required answering 100 questions. She was also graded on appearance and how well she kept things sanitized.

Some of the practical work she did included giving a hair cut, permanent wave, tint (re-touch and virgin), setting a human hair wig and comb out, facial, manicure, arch, and wiglet combed in completion of hair style on model.

NHS

Recently the National Honor Society held its annual initiation ceremony for new members. To be eligible for the NHS, a student must have scored high on the PSAT test, have good references from his teachers attesting to his scholarship, leadership, character and service, and be in the top 5% of the junior or senior class.

Initiates were Debbie Buikema, Ken Griffin, Evan Livingston, Nancy Miller, Adrian McCullough, Diana Nipper, Cathy Smallwood and Marylu York. The initiates each had to entertain the audience by playing an instrument, performing a skit, giving an informative speech, or doing any other thing which would prove their well-rounded abilities.

Cook of the Week

Mrs. Jim Casey

It was Oklahoma's loss and Texas' gain when the Jim Casey family moved to this area three years ago from their home near Tulsa, Okla. Our Cook of the Week, Mrs. Casey, is also a dedicated worker with the youth of the community.

Both Mr. and Mrs. Casey are adult leaders with Holliday's 4-H Club, and active with the youth of their church, Holliday's First Baptist.

Mrs. Casey teaches the five year olds in Sunday School, Mis-

sion Friends on Sunday evening and is junior high choir director. She is also Director of the Vacation Bible School and leads the Bible Study for the Baptist Young Women's missionary group.

The Casey children are Cindy, a sixth grader and Jimmy a third grader at Holliday School. Both youngsters work with their parents in 4-H work. Cindy is president of the club and Jimmy council delegate.

Mr. Casey is manager for the Long-Bell Lumber Co., Division of International Paper Co., in Wichita Falls. The family make their home on Turkey Ranch Road in the Bowman Community.

Cookies are favorites for children so here are Dessie's Toll House Oatmeal Cookies:
1 1/2 cups sifted flour
1 tsp. soda
1 tsp. salt
1 cup soft margarine
12 T. brown sugar
12 T. granulated sugar
1 tsp. vanilla
1/2 T. water
2 eggs
2 cups Quaker oats
12 oz. pkg. chocolate chips
1 cup chopped nuts

Heat oven to moderate. Sift flour, soda, salt. Blend margarine, sugars, vanilla, water. Beat in egg. Add flour mixture, mix well. Stir in oats and chocolate chips. Drop by rounded teaspoonfuls on greased cookie sheet. Bake in preheated oven 10-12 min. Makes 60 cookies.

TEXAS BARBECUED SPARE RIBS
Place on rack in shallow baking pan.
3 lb. spare ribs, cut in serving size pieces.
Do not cover. Do not add water.
On each piece, place 1 lemon slice.
Sprinkle over all, 1/2 cup chopped onion.
Bake in hot oven about 30 min. Pour over ribs Texas Barbecue Sauce. Continue baking and baste with sauce every 15 min. If sauce thickens add a little water. To prevent too much browning, cover last 30 min. of baking.

BARBECUE SAUCE
Mix in saucepan, 2 T. brown sugar, 1 T. paprika, 1 tsp. salt, 1 tsp. dry mustard, 1/4 tsp. chili powder, 1/4 tsp. cayenne pepper, 2 T. Worcestershire sauce, 1/4 cup vinegar, 1 cup tomato juice, 1/4 cup catsup, 1/2 cup water. Simmer 15 minutes or until slightly thickened.

Local MU grads told

Among the 514 degrees which were conferred by Midwestern University this spring were 11 from Iowa Park, 12 other states and one from Monterrey, Mexico.

Students from Iowa Park who earned degrees include: Marvin Joseph Brandt, ME; Virginia Ann Brandt, ASN; Hazel R. Cozart, ASN; Mary Ann Donnell Cunningham, BSE; Willie Fred Hastings, BBA; Barbara Dunn Langford, BSE; Linda Lou O'Donnell, BSE; Robert Bruce Stewart, BBA; James Craig Weaver, BBA; Robert Alton Wilkerson, BA; and Wendell Clyde Patterson, BSMT.

Mark M. Bouliware of Iowa Park was one of the five Midwestern University ROTC cadets commissioned Saturday evening. He received the commission being assigned to adjutant general's corps.

GUIN JOHNSON

SENIORS

Iowa Park Seniors have been out of school for two days now. After finals were taken Monday and Tuesday by the class, they were released from school, and shall return for the last time Friday night, when they will receive their diplomas at 8 o'clock.

Following graduating ceremonies, several parties have been planned for the group. A dance is to be held at the Youth Center until midnight, at which time the seniors and their dates will migrate to the Bondurant's for a "Texas-size snack". After the food at the Bondurant's, the graduates are invited to an all-night party at the Community House. Plenty of adult chaperones will be present at all of these parties.

ENVELOPES

Students are asked to bring a stamped, self-addressed envelope to school and give it to their home room teacher so their report cards may be mailed to them at the end of the school year.

Stamped envelopes may be purchased in the office for 10 cents each.

BASEBALL

The baseball team ended their season Tuesday when they played the second and final game in a two out of three game elimination. They lost the first game on Monday to Lamesa by a score of 4-2. On Tuesday they lost their second game, also to Lamesa, with the closer score of 5-4. Considering that this is the first year in several decades for the school to have a team, the team did exceptionally well. We hope the team will do better next year, though, for we sure would like a state title in class AAA.

REPORT CARDS

Report cards will be sent out about a week after school is out. They will be sent through the mail in envelopes which the students are to have turned in to their homeroom teachers.

TWIRLERS

Tuesday, girls wishing to be twirlers for the band had an opportunity to demonstrate their ability. After judging was

This was the way it was

RANDY JAMESON

finished, next year's twirlers were announced. They will be: Kathy Sullivan, Phyllis Smith, Jaye Nipper, Beth Cobb and Janice Carver.

DRUM MAJOR

Tuesday the band drum majorette was also chosen. There were 4 girls vying for this honor. The girl who obtained it, Kelly Hamilton, is highly capable of fulfilling her obligations.

FINALS

All underclassmen will take their finals today and tomorrow. The schedule for testing is as follows: Thursday--1st,

and 6th period classes will be giving tests; Friday, 2nd, 3rd, 4th and 5th period tests will be administered. Happy studying!!

END OF SCHOOL

As most of you well know, and have probably been counting on for the past six months now, the last day of school is tomorrow. To make the day an even happier occasion, classes will end for the 1971-72 year at 2:30, an hour early.

COLUMN CLOSES

With school closing, so does this column, for the summer, at least. See y'all next year!!

Tanner-Aulds FUNERAL HOME SINCE 1908

Dear friends,

The making of a will is one of the most important acts in a man's life. By his will, he plans the distribution of the fruits of his life's work and the welfare and future of his loved ones.

A will usually lessens family disagreement, reduces probate expenses, inheritance taxes, and confusion. In our profession, we repeatedly see the advantage of a properly drawn will.

Respectfully,

Huth Aulds

1:30-3:30 p.m.--bowling party for homemaking students, FHA members and homemaking in-coming students from the 8th grade.

June 1-2--Morning and afternoon classes begin for both adults and students in knitting and ceramics

June 5--Classes same as above

June 6--Teachers will attend a workshop offered by Texas Electric Service Company

June 8-9--Teachers will attend the Area IV In-Service Workshop in Abilene

June 12-13--Teachers and FHA officers will attend a Leadership Workshop at Lubbock

June 14-16--Classes will continue in advanced clothing, knitting, ceramics and macramé

June 19-20--Mornings: Teachers will meet with FHA officers to plan their program of work for 1972-73

Afternoons: YHT officers will meet to plan their program of work for 1972-73

June 21 through 23--Mornings: Classes will continue for both students and adults in knitting, ceramics, etc. These afternoons will be used for FHA degree work and home visits.

June 26-27--Teachers will be in the department working on inventory reports, grading and evaluation of the summer's classes.

Students who attend these classes can earn 1/2 credit for homemaking by doing a home experiment in addition to class

Pecan spraying time

B.T. Haws, county agent, told the Leader Tuesday that May 16-19 would be the time to spray for pecan nut casebearer.

He recommended either of the following sprays: guthion, thiodan, malathion or taxaphene and said to follow directions on the containers.

County 4-H horse show results told

The monthly Wichita County 4-H playday was held Saturday at the Mounted Patrol Arena. There were approximately 40 participants in the show.

REMINDER

There is talk about closing down Iowa Park's Youth Center, on account of beer and whiskey being available close to the center... even to youths as young as 12. Let us rise up and stop these bootleggers and pushers. If elected, I promise I will do my best to correct this situation.

Congratulations to all you beautiful young people who will be graduated from high school this year. Your twelve years of hard work has proved that you are almost adult and can face the responsibility of making your own decisions. So go slow and be careful, for you will not be able to put the blame on others when the decision is wrong.

High school graduation is about the most important event in anybody's life, for being a graduating senior is:

- exciting
- ecstatic
- exhilarating
- effervescent
- expensive and
- exhausting.

It means:

- Having lots of responsibility
- Getting presents
- Sending thank you notes
- Being frightened about the future
- Having people try to talk you into going to their school or enter their profession or occupation.
- Thinking about getting a summer job
- Speeches, farewells and applause
- It is having your tassel swing in front of your face and it is relief.

As I See It . . .

By BOB HAMILTON

Tomorrow night's graduation exercises will let loose on the world more than 120 of the finest young people I've ever had the privilege of knowing. If I may, I'd like to take a few inches of this week's column to speak to my friends of the Class of '72.

Though you may have thought all along that, after 12 years of public school education, your education was about over, you were wrong. You've only begun to learn, because these past 24 semesters of study have only been planned to give you the foundation on which to think and learn.

Should you choose to continue on with more formal education, such as college or trade school, your foundation will only be enlarged and more firmly established. But your education as adults and into what life is all about is yet ahead of you.

In the greater educational period, your report card will be in the form of your- selves; not so much as to what you accomplish in the form of financial or real property gain, but how you learn to live with yourselves and your fellow men. Only you will be able to assess your grades, once you enter life's greatest school ground.

Your actions to date have mostly been impulsive ones. This is natural and not intended as criticism. But as you step into adulthood, remember that what you

do must be lived with. Think your actions out. See if they fit into the overall plan you have for yourself, and be your own critic. Think to yourself, "If I do this, will it be something I will look back on in years to come and feel it was right?"

Your life is yours and God's, now. But remember, whatever you do affects not only you, but those who love you, your school and your community. Do your best, and you will always have the energetic support of us all.

Congratulations to the Hawk baseball team on winning the District 4-AAA championship. I know you players are disappointed about not winning the regional against Lamesa, and so are your fans. But if you weren't disappointed, you wouldn't be the outstanding athletes you are.

It's been a good season, and we are already looking forward to that state championship we know is coming in 1973.

Memorial services Sunday afternoon

Memorial Day services will be held at Highland Cemetery Sunday afternoon, John Maples, minister of the Church of Christ, will bring the message and special music will be provided by an ensemble from the church.

Mrs. D.O. James will conduct the business meeting. She suggests that people who want to sit during the meeting bring their folding chairs.

In the event of rain the meeting will be held at the First Christian Church.

Girls arrested for possession

Three young girls, one from Iowa Park and two from Wichita Falls, were retained in the Juvenile Ward in Wichita Falls over the weekend after being arrested here in possession of beer.

The girls, arrested about 10 p.m. Friday on East Highway near the Police Station, were ages 14, 15 and 17. The 15-year-old was a local resident, according to Chief Raymond Dixon.

Because they were minors they were lodged in the Juvenile Ward, where no bond is permitted for release, causing them to have to wait until authorities went to work Monday morning before they could return home with their parents.

The trio had in their possession two six-packs of beer, and each had an opened can, according to arresting officers.

before I commit myself on it." He added that he felt the proposed city ordinance covering the franchise should be reworked.

The proposed ordinance was submitted by Athens to the council earlier this year, before Mayor Clark took office. It was re-written to specifications of the previous administration by City Attorney O.N. Newman.

Campbell urged the council to take action as soon as possible, because of the long delay created by government tape before service could ever be started. In his letter of application, he said construction on the system would begin in eight months, and proposed a deposit or performance bond be provided as a show of good faith.

Resignation from the Planning and Zoning Commission by Dean Miller was received and approved by the council. Miller stated in his letter that his continued night college courses would not permit him the time required to serve.

Aldermen voted to shut off immediately reimbursement to the developers of Garden Valley Addition which has been paid since July of 1961. Under the agreement, the city would reimburse the developers \$1.50 per meter annually for having installed sewer and water service to the development.

City secretary George Trammell told the council it was his opinion the payments should have ended July, 1971. The council voted to "cease and desist from any more payments."

Approximately 6,000 feet additional new street paving is planned for this summer in the city, street commissioner Arch Hughes told the council. The project will cover various parts of the town, he said.

Aldermen voted to purchase an engine for the water department pickup at a price of \$349. The overhauled engine has a one-year or 24,000-mile warranty. City employees will install it.

Aldermen stated during the meeting they wanted the Parental Responsibility ordinance (102) strictly enforced. Under the ordinance, which is printed in this issue of the Leader, parents are responsible for the unlawful actions of their children who have not yet reached the age of 18.

Aldermen voted to continue the Summer Recreation program, and finance it with \$840. The program, going into its fourth year, lasts seven weeks and serves more than 300 youngsters each year. It is held at the junior high gymnasium under direction of Jimmy Alsop. Commencement date has not yet been announced.

Work is progressing on the 16-inch waterline from Wichita Falls, it was stated in the meeting. Workers are expecting to install the river-crossing section next week, and a second crew which is now working in the city is expected to begin work on the cross country line in the very near future.

The meeting was closed to the public after all business was discussed, as councilmen discussed personnel in "executive session."

AWARD PRESENTATION--Iowa Park's Vickie Illingworth is shown receiving her award for the second-best essay submitted in the 52-county Region V Soil and Water Conservation District contest. Making the presentation Saturday night in Temple was Bill King, conservation director of the Fort Worth Chamber of Commerce, sponsors of the state-wide essay contest. More than 600 essays were judged in the region, written on "Conservation--The Key to Survival." Photo was taken by Bob Miller, publisher of The Hamilton Herald-News.

1972 was a big year for sports, politics and Dr. Clark

Though there weren't many earth-shaking items of news to come out of Iowa Park during the past year, a search of the Leader stores indicated there was no lack of activities.

Probably the story, or series of stories, which captured most interest was the filming of Iowa Park's proud Hawk football team, to be used in a documentary movie about Texas high school football.

Sports fans will long remember 1972 as the year Iowa Park defeated touted Brownwood, and Gordon Wood.

Political buffs will never know for sure which way Iowa Park voters will lean in the future. Having always been a Democratic Party town, local voters jumped on the other side of the ballot this year to help re-elect Pres. Richard Nixon.

It was an exceptionally big year for one of the best-known Iowa Park residents, too. Dr. Gordon G. Clark first retired after 50 years practice here, was named Citizen of the Year, and then was elected mayor.

For these, and other highlights of the year 1972, the Leader glances back into its files:

JANUARY

Dr. Gordon G. Clark announced his retirement from medical practice, ending a career in Iowa Park which spanned 50 years. The popular physician was recognized by the Chamber of Commerce as the "Outstanding Citizen of the Year, and the Past 49 Years." Construction of the new White's Auto Store was begun. Holliday school trustees named Louis P. Hodge as the district's new tax assessor and collector, replacing retiring W.F. Curlee. The Iowa Park Hawk basketball team played its first competitive game in the new high school building's gymnasium in

which fans were able to view the play from newly-installed folding bleachers. Cong. Bob Price, Republican from Pampa, paid his first visit to Iowa Park and announced he would win the Nov. general election against Graham Purcell (and he did). Mike O'Donnell, high school junior, was named to the All-State Choir. The city council named the park and lake in northeast Iowa Park "Oscar Park," after Mrs. Gordon Clark, and "Gordon Lake," after Dr. Clark.

FEBRUARY

The new 1972 telephone directories published by Southwestern Bell Telephone Company featured on its cover the newly-constructed high school building; first time ever a local scene adorned the book's cover here. Bids totaling \$954,477 were let for a major water improvement project here, which included a pipeline from Wichita Falls, ground storage and overhead storage units, and lines connecting them in the city. Two new businesses, Curls for Girls and Holliday Water Meter Repair Shop, were opened in Holliday. School trustees extended the contracts of all key personnel. A near overflow crowd attended the annual Chamber of Commerce banquet, which featured keynote speaker Bill Hayes of Amarillo. Iowa Park's Judy Solomon was crowned Midwestern University homecoming queen. Head Coach Tommy Watkins announced he had accepted a similar position at Andrews and would take assistants Jerry McWilliams and Ernie Reusch with him. The board named Grady Graves to succeed Watkins. Iowa Park and Holliday city councils approved a six per cent rate hike requested by Texas

Electric Service Company. Iowa Park also approved a cable television franchise request by Marvin Athans. The Hawk basketball team completed its best season in several years, with a 15-15 record, and 4-10 in District 4-AAA play (their first in AAA). Don Yeager, IPHS senior, was named a Finalist in the National Merit Scholarship testing, highest ever for a local student. "Town and Country Conservation News," a quarterly newsletter published by the Wichita SWC District, was named first place in national competition. Maj. Gen. Robert L. Petit was named new commander of Sheppard Technical Training Center, succeeding Maj. Gen. Jerry D. Page.

MARCH

Ten sticks of dynamite were found discarded in Gordon Lake by a fisherman. David Laurence was named to the All-District 4-AAA basketball team. Approximately 95 per cent of drugs stolen from the Iowa Park Animal Clinic were recovered after having been thrown in Gordon Lake. Polly's Pets and Gift Shop was officially opened in Iowa Park. The Iowa Park High School A Cappella Choir earned the Sweepstakes Award, and 10 soloists earned Division I ratings. Tommy Watkins was named coach of the North All-Star team for the annual Texas High School Coaches Association classic to be played in Houston. Larry Clapp's entry in the Science Fair held at Midwestern University received the Sweepstakes Award, highest ever for a local student. Hundreds of area residents turned out at the Valley View school cafeteria for a dinner benefitting Donny Holmes. Wayne House became the first to receive the

Epsilon Eta Chapter's of Epsilon Sigma Alpha "Zeus Award." Varsity baseball made its return to Iowa Park High School after several years absence.

APRIL

In city election, Arch Hughes and incumbents L.W. Teel and Herman Mahler defeated a field of eight candidates for three city council seats. Dr. Gordon Clark defeated Pearl Brooks in his candidacy for mayor. Pete Koonce and Delbert Catlin were elected to the school board, in which seven candidates had filed. Sandra Skinner won two first places in the NBTA Texas State Championship Twirling Festival held in Lubbock. H.G. "Whitey" Harrison was successful in his write-in campaign for mayor of Holliday, defeating incumbent Fred Daume Jr.; alderman incumbents Joe Martin, Louis Hodge and J.M. Darr were re-elected. Holliday school trustee incumbents Kenneth Williams and Joe Miller were re-elected. Iowa Park began taking water from both its lakes for the first time since 1971. Two young Iowa Park men were arrested near Wichita Falls on charges of marijuana possession and a local housewife was arrested and charged with theft of prescription drugs from local homes. Beverly Klinkerman, 18, daughter of Mr. and Mrs. Marvin Klinkerman, was named Miss Wichita Falls, winning over 14 other contestants. Holliday Eagles defeated defending state champion Crowell for the District 8-A track championship. Stanley Williamson, local rancher, was re-elected president of the American Paint Horse Association. Karen Watson and Don Yeager received the Outstanding Teenage Girl and Boy

awards, sponsored by the 23 Study Club. Tim Hunter and Bud Singleton were awarded the Star Chapter Farmer and Star Greenhand awards at the annual banquet of the Future Farmers of America. Trena Siddle was a first place winner at the state V.I.C.A. contests in Dallas, representing the first-year Cosmetology Department.

MAY

A young Iowa Park couple was arrested in the city's first dangerous drug raid. New head coach Grady Graves announced the hiring of two assistants, Barney Oliver and Bobby Butler. Formal openings of newly-constructed White Auto Store and Shaw Motor Company were held. Lone Star Gas requested a 10 per cent rate increase. School trustees announced its plans to bus both the fifth and sixth grade students to the Valley View campus the coming fall term. Rev. Keith Pierce was installed new minister of the First Christian Church. The Iowa Park Hawk baseball team captured the District 4-AAA championship in a playoff with Weatherford, and thus became the first champions since the school was moved into AAA classification. Richard Blair, IPHS senior, received his appointment to West Point Military Academy. Sandra Skinner received the Hawk Band John Philip Sousa Award. Susan Miller and Barry Lucy were named Iowa Park Junior High salutatorian and valedictorian. Patricia Ann Roberts was named IPHS valedictorian and Don Yeager salutatorian. Honor graduates at Holliday High were Johnnie Debler, valedictorian, and Judy Ray, salutatorian. Don Yeager kept alive Iowa Park's tradition of a state UIL

winner by taking first in prose reading. Four acres of land were annexed to the city. Four teachers announced retirement from Iowa Park schools: J.R. Stogsdill, Mrs. H.C. Eddins, Mrs. M.J. McDonald and Juanita Garrison. At Holliday, Mrs. Garland Holt retired after 14 years in the school cafeteria.

JUNE

The Iowa Park school trustees accepted a bid of \$20,484 by T.A. Litteken of Wichita Falls to construct a football field house. Holliday High graduated 27 seniors. The State National Bank adopted the 3753rd Student Squadron from Sheppard AFB, and thus became the first firm outside Wichita Falls to do so. Resignations of 12 school staff members were accepted by the school board. The IPHS Class of '62 held its reunion. Sixty-eight local and out-of-town ex-students of Iowa Park schools through 1928 attended a reunion. Iowa Park lost its post mark, used to cancel stamps on letters. Six youths, ranging from 9 to 13, were arrested in one week for shoplifting. Rev. Hershel Lindsey was named new pastor of the Kamay Baptist Church. A brief hail storm cut a narrow swath through Iowa Park, causing an estimated \$50,000 in roof damage. IPHS Class of '67 held its reunion at Sand Beach. Because the city was taking water for drinking from Gordon Lake, city fathers halted all swimming in that body of water. Janis James was named Overall Winner in the Junior division of the county 4-H dress revue. E.P. Evans, foreman of the Iowa Park Agricultural Experiment Station the past 27 years, retired.
