IOWA PARK, TEXAS

# City's financial situation is improved

The financial picture for the city of Iowa Park is much brighter, according to a report made by City Administrator Gene Britton Monday night.

He told members of the city council during their meeting that 60 percent

of the taxes have been received, and there is money in the bank.

The present administration was forced to establish a line of credit for \$60,000 at the bank last spring, in order to meet the city's obligations and payroll until taxes started rolling

in last month.

As of the first of November, the city had received \$230,686 and had \$110,000 in the general fund after repaying its loan and various accounts from which funds had been transferred.

Britton had earlier explained how money was being placed into a bond retirement fund which is both necessary to avoid scraping up large amounts of cash to meet annual payments, and required in the bonding contracts.

Deposits in those funds are on schedule, he reported Monday. However, it will take two or three years to get the bond funds up to a level required on the present schedule.

Britton said he felt one of the reasons tax money has been reaching the city hall so early was the three percent discount for payment during October.

## IMMEDIATE ACTION

Responding to letters received from residents on East Magnolia concerning a home they allege has been turned into a "junk yard",

members of the council instructed Britton to take immediate action to correct the situation.

Aldermen had given the situation attention several months ago, but deferred that attention to matters more pressing at the time, finances.

Britton was told to send letters to residents of the Magnolia location, and also to another side at Lafayette and Texowa, informing them that if their premises were not cleaned to zoning and health requirements, legal action would be taken.

The council voted approval of Resolution 76-9, authorizing Mayor Johnny Crawford to sign a contract with the school district which would turn over the tax assessing and collecting to the school tax office.

Ratification of that contract is expected next Tuesday when the school board meets.

Ordinance 235, annexing property into the city on West Highway where Cabe's Food Store is located, was approved after a public hearing, at which no opposition was voiced.

The council delayed approval of the final plat of Colonial Heights, pending a meeting with the developers at

which deed restrictions and surety bond requirements would be discussed.

The area, which is the northeast corner of Magnolia and Johnson Road, seeks to be annexed into the city. However, some of the requirements, such as development surety bonds, have not been provided. Surety bonds insure completion of streets and utilities in areas being developed.

A meeting with Junior Guthrie, representative of Shenandoah Corporation, was proposed by aldermen before any action was taken on the application. And action must, by law, be taken to either approve or disapprove the plat within 30 days of presentation, which would be the end of this month.

## HUNTING AT LAKES

Three men, Harold Riggins, Jack Pennington and Harold White, appeared before the council seeking information as to whether hunting of birds was permissible on Iowa Park's two lakes northwest of town.

This question has been asked often of previous councils by sportsmen. It was disclosed the city police had

no authority to enforce any city-imposed laws at the lakes; the county would not enforce them because it was city property; and the state game wardens were the only law of the property, and they were said to be encouraging hunting.

Bud Adams said he had seen deed restrictions, written when the land was condemned for construction of dam sites, which prohibited hunting of any kind there. However, Britton said he had not been able to find any such documents as yet.

The sportsmen were told that until such restrictions could be found, no reason was seen for prohibiting shotgun hunting at the lakes.

A change of hours during which the city hall is to be open for business for the public was proposed by Britton and approved by the council.

New hours will be from 8:30 a.m. to 5 p.m.

Britton explained the bookkeeping and money counting would be more accurate and accomplished easier with the new hours, which will leave the same hours the office is open the same, just different opening and closing times.

**TRUCK RECOVERED**—Iowa Park Patrolman Dexter Parnell investigates a stolen truck recovered here Monday. The truck, stolen during the weekend in Wichita Falls, was found on a parking lot at Johnson Road and the expressway.

## Parks Board meets Monday

Regular monthly meeting of the Parks and Recreation Board will be held at 7:30 p.m. Monday in the fire hall.

Five items listed on the business agenda include:

Team committee to appear before the board to present a proposed charter for Youth Center activities;

Discussion on proposed charter submitted by teen committee;

Proposed ordinances establishing rules and regulations for the use of city-owned property outside the city limits, including hunting policies;

Committee reports on parks, lakes, grants and Youth Center;

And use of baseball field for soccer program.

IOWA PARK, WICHITA COUNTY, TEXAS 76726

## Hawks look to salvage disappointing season

Iowa Park's Hawks will be looking for some company Friday night at Graham, but the only way they can get it is to win the final game of the 1976 season.

They've got to defeat the Steers so they won't wind up alone in the District 4 AAA cellar.

While the Hawks enter the game with a 0-6 conference record, and 1-8 on the season, Graham is only 1-5 and 3-6, respectively.

But it will be an up-hill battle for the Mean Green, who lost two more starters.

End Steve Lane suffered a shoulder separation last week and underwent surgery Tuesday, and center Bobby Collins received a broken hand in the Vernon clash. They will join senior classmate Kevin Hamilton on the sideline for the finale.

Graham joined a host of other teams in 1975 in defeating the Hawks for the first time, 0-21. That was the last year the Steers were under

Coach Leo Brittain.

This will be the seventh meeting between the two teams, with the Hawks winning their five previous contests. While still in AA competition, they won 26-0 in 1970, then as members of the present conference put down the Steers in order 24-0, 41-6, 35-26 and 35-14.

New Graham coach Tom Cain counts primarily on speed and quickness on his offensive team, in that he has only one large player on the line, 210-pound Bobby Swetnam, to go with four players who weigh in at 185 and a couple of 160 pounders.

His backfield is composed of a pair of seniors, quarterback Kelly Williams and flanker Casey Hall, a junior, Lenwood Bates, and speedy sophomore Chad Hammond.

The down linemen on defense are not large, 150, 175, 185, except for mammoth guard Kevin Jones, a junior who tilts the scales at 260 pounds. Mark York, 220-pound linebacker, is a mainstay on defense also.

three footballs and a pocket watch.

Also on Monday Iowa Park police officers recovered a pickup truck stolen during the weekend in Wichita Falls.

The truck belonged to the Wichita Falls Times & Record News and was found Monday parked on the west parking lot of the Fina Restaurant here.

Keys, a radio and plenty of gasoline were left in the truck which led officers to believe someone simply wanted a free ride to Iowa Park.

In other police activity, Jack L. Southland, 105 W. Aldine, reported Tuesday the battery was stolen from his pickup truck.

Joel Marc Manes, 1210 N. Pacific, reported Tuesday a helmet and tail light had been removed from a motorcycle. The property was valued at \$31.

Sonny Bates, 200 Glenda, reported Sunday a brick had been thrown through the windshield of a jeep.

**RAY HICKS and REX WELLS**  
...county's tops in conservation.

## Two local farmers recognized for conservation practices

Two Iowa Park farmers received special recognition at the annual joint awards banquet honoring conservation farmers and residents of organized rural communities, held Tuesday evening at Underwood's in Wichita Falls.

The partnership of Ray Hicks and Rex Wells was recognized as the outstanding conservation farmer of the Wichita Soil and Water Conservation District.

Wichita, Clay and Archer counties participate in the joint annual

meeting. Also honored are members of organized rural communities of the three counties, who cite their best youths and individuals.

Guest speaker before the capacity crowd was Reagan Brown, long-time employee of the Texas Extension Service and now special representative of Gov. Dolph Briscoe.

Fred Dwyer, chairman of the Wichita District board, made the presentation of awards. He pointed out that Hicks and Wells had farmed

## Steering Committee seeks funding areas

The task of viewing existing Iowa Park community service agencies and ascertaining local needs in this area started Monday, Bill Steger, Iowa Park chairman announced.

"These hearings will enable us to identify overlapping services and/or gaps that could be filled with United Way help," Steger said. "All organizations in Iowa Park that are involved in community service should submit their programs to the Steering Committee to see if they can qualify for funding from the United Way." Steger stressed, adding that "if there are any questions, they may contact me or any member of the Steering Committee."

Local Steering Committee members are Max Henderson, Miss Ethyle Kidwell, Mrs. Bill Veal, Bill Bates, Darrell Ratcliff and J.B. Barbour.

"Iowa Park residents are already using the services of the many agencies in existence," Steger explained, "but now we can take a

good hard look at our own community and see how we can benefit from the United Way Organization and its method of funding."

Following the completion of the local hearings, the recommendations of the seven member committee will then go to the United Way Board made up of citizens from Wichita Falls, Burkburnett, Sheppard Air Force Base and Iowa Park.

The United Way campaign completed its drive last Wednesday with a Victory luncheon at the 1st United Methodist Church. The drive surpassed its \$983,803 goal by \$9,044. An additional \$31,980 from the Combined Federal Campaign pushed the drive, which had lagged somewhat in the past two weeks, over its mark.

Iowa Park Campaign Chairman Wayne House praised local volunteers and stated "Our citizens always come through. We're very proud of them!"

## Changes proposed

Proposed revisions to Texas' Professional Nursing Practice Act are of major concern to nurses across the state as they observe Texas Nursing Week through Saturday.

Barbara Hodges of Iowa Park, a registered nurse and president of the District 11 Texas Nurses Association (TNA), said the proposed revisions are welcomed by most professional nurses.

Efforts began in 1974 to have the state's Professional Nursing Act revamped, Mrs. Hodges said.

She anticipates the coming session of the Texas Legislature will address the issue when it convenes after the first of the year.

"This really is for the protection of the public," Mrs. Hodges said.

Generally, professional nurses feel the revisions are good because it would protect patients and reassure quality care for individuals, she explained.

Among sections of the proposed revision is a segment that defines a professional registered nurse. This is to lawfully prohibit unqualified persons from performing the duties of

# Jameson-Crawford wedding held here Saturday evening

Miss Kathy Ruth Jameson became the bride of Gary Stephen Crawford Saturday evening in a double-ring ceremony. The bride is the daughter of Mr. and Mrs. J.A. Jameson and the groom is the son of Mr. and Mrs. Johnny Crawford.

Officiating at the seven o'clock ceremony held in the home of the groom's parents was the Rev. Mike Dean, associate pastor and youth director of First Baptist Church.

The couple repeated their marital vows before the fireplace in the living room featuring a mantel centered with a handsome arrangement of white daisies and yellow carnations. On either side tall yellow candles glowed in low white wrought iron candelabra massed with plumose fern. Garlands of wedding greenery extending across the mantel, tall brass candelabra on either side of the hearth and an attractive bouquet of white mums on the piano completed the setting.

The decorations in the

foyer were dominated by a nine-branched votive candelabra adorned with white daisies, baby's breath, yellow bows, white satin wedding bells and velour doves placed on a round table draped to the floor with white satin.

Traditional wedding music was furnished by Miss Jill Koonce, pianist, and Miss Pat Brown, soloist. The latter, accompanied by Miss Koonce, sang "We've Only Just Begun" for a pre-nuptial selection and "The Lord's Prayer" at the close of the ceremony. The pianist's offerings included the time-honored marches.

The bride was lovely as she was presented in marriage by her father, the young lady attired in a formal gown designed with traditional elegance of white organza and re-embroidered Chantilly lace. The lace added distinction to the gown in appliques at the slightly raised waist, high neck and over the A-line skirt and chapel train. The full sheer sleeves were cuffed with lace and a band of lace edged the hem of the skirt. The bridal costume was completed with the addition of a fingertip lace-bordered illusion veil cascading gracefully from a lace camelot cap. She carried a colonial bouquet of yellow roses and white daisies surrounded by baby's breath.

Miss Rhonda Shook served as maid of honor. She wore a formal yellow sheer

gown lined with sunbeam crepe designed with an empire waist, high neck and full sheer cuffed sleeves. She carried two yellow roses with streamers.

Doug Guthrie was the groom's best man. Jim Clapp and George Wright of Wichita Falls were ushers. The groom and best man wore black tuxedos, the groom wearing a white ruffled shirt and the best man wearing a yellow ruffled shirt.

Mothers of the bride and groom wore japhet orchids to complement their formal attire. Mrs. Jameson chose a beige polyester gown embellished with yellow flowers trimmed with lace tating on the front of the bodice and around the neckline and styled with a ruffled skirt. Mrs. Crawford was attired in a gray Qiana gown accented with a matching sheer cape.

The reception following the wedding was hosted by the bride's parents in the home of Mr. and Mrs. Johnny Crawford.

Mrs. Pat Gaines of Waurika, Okla., sister of the groom, secured signatures of wedding guests at a table appointed with a yellow pillar candle on a gold filigree holder, the lovely bride's book and plume pen.

The refreshment table was laid with a floor length white satin cloth and softly illuminated with pale yellow candles uprising from silver holders. Yellow satin rosebuds were spotlighted in the floral appointment.

The three-tiered cake was an ornate confection that clearly stood apart to thrill the hearts of the newlyweds. Each tier was enhanced with frosting scrolls, drapes and miniature roses, then raised

by four Grecian pillars to give space for a cluster of yellow roses touched with pale green leaves. The complementary top ornament repeated the yellow rose theme combined with white satin wedding bells, doves and lilies of the valley. Mrs. Jack Hodges and Mrs. Bob Perkins presided at the table during the reception. Members of the houseparty were Mes. J.O. McCullough, Don Flowers and Robert Nolen.

The groom's parents were hosts for the dinner Friday evening in connection with rehearsal for the wedding.

The bride and groom were both graduated from Iowa Park High School. She was a teachers aide at Bradford Elementary School and he attended South Plains Junior College. He is employed by Crawford Painting and Dry Wall and the couple will live in San Antonio after a short wedding trip. When they departed from the

scene of the wedding, the bride was wearing a rust jumpsuit.

Out of town guests were Mr. and Mrs. Pat Gaines and Stephanie of Waurika, Okla. and Jack Martin and Jayme of Fort Worth.

CATHY GAIL TOLER

## Couple sets wedding date

Mr. and Mrs. Johnnie Toler announce the engagement of their daughter, Cathy Gail, to Michael Eugene Martin, son of Mr. and Mrs. Eugene Martin.

Miss Toler attended Iowa Park High School and is

employed at Sheppard AFB. Her fiance was graduated from Iowa Park High School and works for A.L. Inman Oil Field Construction in Wichita Falls.

The wedding will take place Feb. 4.

## Camp Fire Girls set Mother-Daughter date

Leaders of the Iowa Park Camp Fire Girls met Thursday morning in Texas Electric Reddy Room with

Mrs. Billy Beavers, president, in charge.

Plans were discussed for the Mother-Daughter Christmas party which will be held Dec. 3 in the Kidwell Elementary School cafeteria. The festivities will also include special entertainment and awarding prizes for the magazine sales.

Mrs. William Proctor, district director, reminded leaders of the Parade of Toys Nov. 20 at 10 a.m. in the gymnasium of First Baptist Church in Wichita Falls. Each Camp Fire group will take toys that will be given to less fortunate children for Christmas.

Announcements were made of a craft and ceremonial workshop for leaders Nov. 9 at 10 a.m. in Harrell Park and Skate Day Nov. 18 at Sand Beach from 3:30 p.m.

The next leaders meeting which has been set for Dec. 9 will include the candy sale workshop.

Attending the meeting were Mes. Wilbert Wynn, Max Solomon, Phillip Crawford, Donald French, James Connor, Jerry Hodges and James Garrett.

## Library Friends meeting today

The Iowa Park Friends of the Library will hold a reorganizational meeting at 7:30 p.m. today at Texas Electric Reddy Room.

All current officers and committee members are urged to be present for the meeting which is open to the public and all area residents are welcome to attend.

## Garden Club has meeting

Mrs. Grady Hancock, City View Road, Wichita Falls, was hostess and presented the program for the meeting of the Iowa Park Garden Club Friday.

"How to Care for House Plants" was the topic of the program. Mrs. Hancock stated that interest and enthusiasm for house plants have been growing in recent years and that it was a hobby that afforded one to keep in touch with nature and the means of relaxing in this busy world. She gave light, warmth, humidity, water, food and cleanliness as the six necessities for healthy house plants.

Following the talk, she gave a tour of her garden room and members were invited to ask questions and become informed about the hundreds of plants which she has in the room.

Mrs. Mike Hodson read "My Purpose" by Cherie Fifteen as the thought for the day. Final plans for the Thanksgiving dinner honoring husbands were presented by Mrs. Marion Wilkins.

Refreshments were served by Mrs. Alan Gilstrap and Mrs. Jennie Jones.

## Optimists honor 12 students here

The Iowa Park Optimist and Opti-Mrs. Clubs observed Youth Appreciation Week at a banquet Monday night and awarded Youth Appreciation certificates to 12 junior high and high school students.

Youth Appreciation Week, designed to focus attention on the positive actions of youth, has been sponsored by Optimist International since 1954. The Iowa Park Club awards one boy and one girl from 7th to 12th grades citations during the week that stand for upholding the dignity of youth, for their sincere devotion to our welfare and for generous and unselfish contributions to society.

Dr. D.L. Ligon, sports information director at Midwestern State University, was guest speaker. Allen Shewmake, president of the Optimist Club, and Mrs. Robert Sumner, president of the Opti-Mrs. Club presented the following young people with awards:

7th grade - Rose Soell, daughter of Dr. and Mrs. E.F. Soell, Wayne Watson, son of Dr. and Mrs. Earl F. Watson; 8th grade - Laura Dowell, daughter of Mr. and Mrs. Eldon Dowell, Joe Spruiell, son of Mr. and Mrs. Bill Spruiell; 9th grade - Risa Roberts, daughter of Mr. and Mrs. Ross Roberts, Tim

Adeock, son of Mr. and Mrs. Herbert Adeock;

10th grade - Lynette Flick, daughter of Mr. and Mrs. Jessie Flick, Charles Parks, son of Mr. and Mrs. Marvin Parks; 11th grade - Patricia Roberts, daughter of Mr. and Mrs. Rollin Roberts, Norman Flowers, son of Rev. and Mrs. Kenneth Flowers; 12th grade - Cheryl Frederick, daughter of Mr. and Mrs. John Frederick, Bruce Hammons, son of Mr. and Mrs. George Hammons.

## Alathean Class to give food

The Alathean Sunday School class of First Baptist Church met Tuesday evening for a covered dish dinner at the church. Mrs. Tom Ogden brought the devotion.

Mrs. Sam Hill directed the business when it was voted to provide a basket of food for a family for Thanksgiving.

Others present were Mes. I.L. Alvey, S.B. Reaves, R.F. Pruett, L.E. Brooks, L.C. Good, Emma Key, L.C. Hill, Allie Girard, D.O. James, J. Louis Quick, W.G. Partney, J.C. Roby, J.E. Penn, M.E. Reneau, J.A. Berg, R.A. Williams and O.E. Lochridge.

MRS. STEPHEN GARY CRAWFORD

### Mrs. Holman hosts AEO

Mrs. Danny Holman was hostess for the Alpha Omicron chapter of Beta Sigma Phi meeting Monday evening. Mrs. Wilbur Garrels and Mrs. Gene Bond conducted opening and closing rituals.

For the program, Mrs. Holman gave a talk and demonstration on Painting.

Mrs. Bobby Attwood directed the business when Mrs. Bill Veal was elected Spirit of Christmas to represent the chapter at the holiday dance Dec. 23. Announcement was made that Richard Scott, chosen by the sorority to represent the chapter in the Cowboy of the Year competition was first runner-up.

Mrs. Betty Tanner and Mrs. Linda Cook were guests. Other members present were Mmes. Ron Fullerton, Richard Scott, Gayle Cleghorn, Travis Bradford, John Conklin, James Owens and LaVonne Stogner.

PAMELA DIANE JORDAN

### Set wedding in December

Announcement of the Dec. 18 wedding plans of Miss Pamela Diane Jordan and Timothy David Ikey is being made by her parents, Mr. and Mrs. Sidney Wayne Jordan of Wichita Falls. The future groom is the son of Mr. and Mrs. Collis J. Ikey of Iowa Park.

Miss Jordan is a senior at Hirschi High School and employed by Menasco's Leather Goods. Her fiancé, a graduate of Iowa Park High School, is attending Arlington Baptist Seminary and is employed by Mistletoe Freight in Dallas.

### Area officer heard at joint club meeting

Mrs. Robert Norriss, president of Santa Rosa District, Texas Federation of Women's Clubs, was guest speaker for the 14th annual joint meeting of the Philia Study Club and 23 Study Club Monday evening in Texas Electric Reddy Room. Members of the Philia Study Club were hostesses.

Mrs. Michie Compton, president of Philia Study Club, served as program leader. Mrs. Darrell Dick, also from the Philia Study Club, led the group in singing "God Bless America" and the federation song.

23 Study Club members who took part were Mrs. Joe Singer, president, who contributed the devotion based on "Love" and Mrs. T.M. Clark, who gave the federation counselor's report.

Special music was provided by a barbershop quartet from Iowa Park High School composed of Norman Flowers, Charles Mattis, David Morton and Chris Lester. Their selections were "After Dark", "When You Wore a Tulip", "Put on Your Old Gray Bonnet", "I Want a Girl" and "Good-by My Coney Island Babe."

Mrs. Norriss spoke on her theme for the biennium "Dream-Plan-Act", and in doing so, devoted a great deal of time to Girlstown U.S.A., a project of TFWC. She described the three campuses located at Whiteface, Berger and Austin, their goals and objectives, how they are supported and their needs.

Some of the needs of the campuses included money, clothing, personal items, glasses, silverware, dormitories, dish cloths, kleenex and bath soap. Mrs. Norriss stated that many of the federated clubs in Texas were helping to meet the needs of the three campuses. Special guests included Mrs. Tom Smith of Burkburnett, secretary of Santa Rosa District, and Mrs. W.D. Mather of Bunkie, La.

Other members of the host club attending were Mmes. Wilbur Garrels, Louis Sawyer, Thomas Johnson, Don O'Donnell, Deryl James, Jerry Padgett, Robert Robinson and Don Cook.

Others from the 23 Study Club were Mmes. Chauncey Weiler, T.M. Thaxton, C.E. Birk, Sam Hill, Delbert Todd, N.E. McKinney, D.O. James, O.E. Lochridge, Fred Widmoyer, L.E. Brooks, E.F. Soell, Glen Miller, Rollins Woodall, Homer Blalock; Miss Ethyle Kidwell and Miss Titia Belle Blanks.

MRS. MANUEL MOYER

### Announce marriage

Mr. and Mrs. Manuel Lee Moyer are now at home on Route One following their wedding Oct. 8 and a short wedding trip to Denver, Colorado.

The wedding took place in the home of the Rev. and Mrs. Jacky Newton at Abernathy with the Rev. Newton, pastor of the First Baptist Church at Abernathy and a former pastor of Faith Baptist Church in Iowa Park, officiating.

Mrs. Moyer, the former Mrs. Patricia A. Kagy, the daughter of Mr. and Mrs.

P.D. O'Brien, wore a white knit street-length dress complemented with a white sweater accented with pastel-colored trim. She wore a corsage of blue carnations.

Mr. and Mrs. Moyer are members of Faith Baptist Church where she is a former secretary, and is presently president of the Faith Baptist Women, a member and soloist of the sanctuary choir. She is also a member of the Modern Music Study Club. He works for CHA Painting Co. in Wichita Falls.

### Shower fetes Mrs. McCord

Mrs. Craig McCord and new son were honored at a baby shower Sunday afternoon. Hostesses were members of the Christian Women's Fellowship and the party was held in the Fellowship Hall of the church.

Blue was the preeminent color noted in decorations with touches of white and yellow providing accents.

The table where guests registered and refreshment table were both covered with dainty white lace over blue. The registry table held a blue vase filled with white daisies. Center of interest on the refreshment table were crystal storks holding yellow chrysanthemums arranged on a reflector encircled with ivy. The chosen colors were repeated in refreshments.

The gift table was centered with Raggedy Ann dolls. Seated at the table with Mrs. McCord while she opened her gifts was Mrs. Buster Reaves, her mother.

Mr. and Mrs. Larry McCord are happy to announce the birth of a five pound six and a half ounce son, Barry Craig. He was born October 26th.

Grandparents are Mr. and Mrs. Buster Reaves and Mr. and Mrs. Mack McCord, all of Iowa Park.

Great-grandparents are Mr. and Mrs. A.W. Bedford and Mr. and Mrs. Swan Reaves of Iowa Park and Mr. and Mrs. Felix Lofland of Wichita Falls.

### Birk Circle has meeting

Mrs. Gale Lowrance, chairman of the Lucy Birk Circle of First Presbyterian Church, was in charge of the meeting Tuesday morning at Mrs. C.E. Birk's.

The topic of the denominational emphases given by Mrs. John Clapp Sr. was "Stewardship". She explained the Christian Education Shared Approaches, a venture undertaken by 15 denominations to support local congregations as they plan for their ministry. She listed knowing the Word, interpreting the Word, living the Word and doing the Word as the four approaches.

Miss Titia Belle Blanks taught the Bible lesson from Paul's letter to the Ephesians using for subject "Do Not Cease to Give Thanks". She said that Christians should give thanks that Christ lives in them because they could not possibly live their fullest potential alone.

Others present were Rev. and Mrs. E.B. Compton Jr. and Mrs. Cecil Holloway. A covered dish luncheon followed the program.

### Singer named most handsome

Tony Singer, son of Mr. and Mrs. Joe Singer, a freshman at East Texas Baptist College at Marshall, has been chosen the most handsome boy in the

LAURA ARREDONDO

### Announce engagement

Mr. and Mrs. Odilon Arredondo of Kamay are announcing the engagement and approaching marriage of their daughter, Laura, to William Eugene Cribbs of

Holliday, son of Mrs. Patsy Rogers of Burkburnett. The wedding will take place Dec. 7 at Kamay First Baptist Church.

Miss Arredondo is a senior at Iowa Park High School and is enrolled in Vocational Office Education. She plans to continue her education.

The future groom is employed by Rayford Sadberry Trucking Co. in Holliday.

A graduate of Iowa Park High School, he is on the annual staff and a member of the baseball team at ETBC.

# Cook of the Week

Each fall "when the frost is on the pumpkin", housewives' thoughts just naturally turn to holiday cooking. The consensus seems to be that one of the most fun things about holiday cooking is making cakes and cookies to share with neighbors and friends and to have on hand when company drops in. They truly make hospitality easy and bring great reward in cheer and satisfaction.

Barbara (Mrs. John) Nelson seems to have a natural knack for cooking but her conservation reveals that her parents have taught her by example the value of good cooking. Her mother's German Fruit Cake is a traditional holiday cake at her parents. It should have special appeal to those who do not especially like candied fruits because three flavors of preserves are substituted for the candied fruits in the deliciously moist cake.

Wassail, a beverage that is gaining in popularity during the holiday season, is another expression for good wishes. Mrs. Nelson's recipe sounds like it would be the perfect drink with holiday sweets and a change from coffee and tea.

Mr. and Mrs. Nelson and their two-year old son, David, are among Iowa Park's "newest" newcomers, having moved here Oct. 1. He works for Lanier Business Products where he services and repairs dictation equipment. They are members of First Presbyterian Church.

Mrs. Nelson was graduated from Amarillo's Caprock High School. She attended Amarillo Junior College, West Texas State University and worked as secretary for the Amarillo Police Department. Her hobbies are cooking and handcrafts.

### GERMAN FRUIT CAKE

Cream together:  
1 1/2 sticks soft oleo  
2 cups sugar  
4 eggs  
1 t vanilla  
Sift together:  
3 cups flour  
1/2 t allspice  
1/2 t cinnamon  
1/2 t nutmeg  
Add sifted ingredients to first mixture alternately with 1 cup buttermilk and 1 t soda mixed together.  
Fold in: 1/2 cup each of cherry preserves, apricot preserves and pineapple preserves, plus 2 1/2 cups pecan halves.  
Bake 1 1/2 hours in Bundt or tube pan at exactly 325° F. Do not open oven door for the first hour. Let cool 15 minutes in pan before removing. Serve with whipped cream pats.

### BEST THOUSAND ISLAND DRESSING

1 1/4 cups grated American cheese  
1 stalk finely chopped celery  
1/2 finely chopped Bell pepper  
1 hard boiled egg, chopped  
Dash garlic powder  
1/4 cup pimentoes  
2 T dill pickles, finely chopped  
Add to:  
1/2 cup catsup  
2 1/2 cups mayonnaise  
1/2 cup buttermilk  
2 T sugar  
Mix well and keep refrigerated. Yield: approximately 1 quart.

### ORANGE FLUFF SALAD

4 oz. cottage cheese  
Small box orange Jello  
1/2 cup chopped nuts  
1 can mandarin oranges  
1 small can crushed pineapple  
1 small carton Cool Whip  
Drain pineapple and oranges. Cover with Jello prepared as per recipe and chill 30 minutes. Add remaining ingredients and chill well.

### WASSAIL

1 gallon apple cider  
16 oz. pineapple juice  
16 oz. cranberry juice  
Stick cinnamon and cloves  
Put about a dozen whole cloves and one stick cinnamon in 2 cups cider and let simmer 1 1/2-2 hours. Pour off into rest of ingredients. Serve hot with cinnamon

Mrs. John Nelson

stick swizzle. Will keep refrigerated for 3 to 4 weeks.

### FAVORITE COOKIES

1/4 cup shortening  
1 cup brown sugar  
1/2 cup granulated sugar  
1 egg  
1/4 cup water  
1 t vanilla  
1 t cinnamon  
1/2 t nutmeg  
1 cup flour  
1 t salt  
1 t soda  
2 1/2-3 cups uncooked oats

Beat thoroughly first 8 ingredients. Sift together remaining ingredients except oats and add to first mixture. Mix well. Blend in oats. At this point, you may add one or more of the following: 6 ozs. chocolate chips, 6 ozs. butterscotch chips, nuts, coconut, raisins, etc. Drop by teaspoonfuls on greased or foil lined cookie sheet. Bake at 350° for 12-15 minutes until brown. Cool on wax paper or paper towels. Makes 3-4 dozen.

### BBQ RIBS

Day before:  
1 can (10 1/2 oz.) clear consommé  
1 1/2 cups water  
1/2 cup pure vegetable oil

1 1/2 t dry mustard  
1 t chili powder  
1/2 t paprika  
3/4 cup Worcestershire sauce  
1 1/2 t monosodium glutamate  
1 t garlic powder  
2 bay leaves  
Combine water and consommé in sauce pan and bring to a full boil. Add remaining ingredients and let stand overnight at room temperature. Makes 1/2 gallon.

Rub:  
2 T salt  
1 T black pepper  
1 T paprika  
1/2 t ground thyme  
1/2 cup sugar  
2 T monosodium glutamate  
1/2 t dry lemon peel (bottled)  
3 t garlic powder  
6 pounds spare ribs

Coat ribs with rub. Cook over low temperature on gas grill (slow coals) about 1 1/2 hours, turning several times until brown and crisp. Begin brushing with sauce, basting and turning every 15 minutes for another 45 minutes to 1 hour.  
A little extra work but well worth it. Freeze leftovers in heavy foil and reheat at 300° F in same foil till warm through. Very, very good.

# District Gold Star banquet is Tuesday

The annual 4-H Gold Star luncheon for District 3 of the Texas Agricultural Extension Service will be Tuesday, beginning at 12:30

## Program theme is Thanksgiving

A Thanksgiving theme was observed in the program, decorations and refreshments for the monthly meeting of Friendship class of First Baptist Church held Monday evening in the Fellowship Hall. Hostesses were Mrs. Dewey Steed and Mrs. Thelma Raney.

Mrs. E.T. Patterson presented a devotional program on "Gratitude" stressing how the Pilgrims expressed their gratitude for their blessings and some of the things that people have to express thanks for today. She said that the Pilgrims had a custom of putting five grains of corn at their plates and giving thanks for each one and listed the power of God's presence, peace of Jesus Christ and his atoning death as things that people should be most thankful for during the Thanksgiving season.

Mrs. Elmer Singleton directed the business. Mrs. O.S. McLemore, missions chairman, gave a report on activities for the month and it was voted to support the White Christmas project for December.

Mrs. Patterson was in charge of the recreation period.

Others present were Mmes. Ola McLaurin, Louise Yarbrough, Clay Davis, Walter Scott, L.B. Jones, Leo Fletcher and Joe Bell.

p.m. in Vernon's Wilberger Memorial Auditorium.

The Gold Star, highest honor on the county level, is the only award given in the vast 4-H program by the Texas Agricultural Extension Service, which administers the program through County Extension Agents.

The luncheon is sponsored annually by West Texas Utilities Company of Abilene.

Nancy Nehring, Extension 4-H Specialist, said that Sam Hill, of the First State Bank in Abilene will speak and Brady Chapman of Hawley will introduce him.

Other 4-H youths who will conduct the program are Rod Townsend of Rochester, member of the District 3 4-H Council, presiding; Reida

Mullino of Haskell providing dinner music; David Winkler of Albany giving the invocation; Steve Clemmer of Hawley, member of District 3 4-H Council, responding; and Kim Campbell of Haskell and Brad Lindsey of Throckmorton introducing special guests. Thelma Wirges and Ed Garnett, District Extension

Agents, will present the Gold Star honorees. Secretary Debbie Hightower of Childress and Treasurer Max Kemp of Fisher County will join Chairman John Walker of Dickens County and other officers for a meeting of the District 3 4-H Council at 10 a.m., prior to the luncheon.

## Policeman to speak

Hobie Miller of the Wichita Falls Police Department will be the speaker for the Kidwell P-TA meeting today at 7:30 p.m. in the school cafeteria. His topic will be "Crime Prevention in the Home".

During the meeting, the Top of Texas Pee Wee champions will be introduced and they will present their trophies to Bob Cole, principal of the school. A report on the Halloween carnival will be given and prizes will be awarded to winners in the ticket sales. A baby sitter will be provided for children kindergarten age and under.

LINDA CATES

## Outstanding FHA member named

Linda Cates was elected the Outstanding Future Homemaker of America for November by the FHA Iowa Park Chapter at their monthly meeting.

Linda, the daughter of Mr. and Mrs. James Cates, is a freshman at Iowa Park High School and is enrolled in a Homemaking 1 class. She has taken an active part in the projects and activities of the organization and felt honored that she was chosen the outstanding student for the month, according to Miriam Cady, FHA co-advisor.

## Municipal Court Records

Results of municipal court held here last Thursday were:  
Daryl Wayne Friday, failure to have vehicle under control, \$27.50;  
Lonny R. Smith, failure to stop and exchange information, \$27.50;  
Walter Ivan Griffin, failure to yield right of way while leaving stop sign, \$27.50.

**Great News FOR THE World**

DOES IT MATTER WHAT WE BELIEVE?  
It matters a great deal if we are to accept the teaching of the Scriptures; and what other teaching is worthy of acceptance?  
"Creed" means belief, from credo, "I believe". The general sentiment is that it does not matter at all what we believe if only we are sincere. This sentiment is foolish, because wrong belief can lead to wrong actions. It is also dangerous, because it diverts attention from God's life-giving word. It really means that there is nothing in which we can finally believe at all. What we believe matters.

1. Because it has pleased God to make salvation conditional on believing certain things.  
"It hath pleased God by the foolishness of preaching to save them that believe" (1 Cor. 1:21). The Gospel is "The power of God unto salvation to every one that believeth" (Rom. 1:16). "That the promise by faith of Jesus Christ might be given to them that believe" (Gal. 3:22). "And by him, all that believe are justified from all things from which ye could not be justified by the law of Moses" (Acts 13:39).
2. Because it is required of us that the "certain things" be none other than those preached by Jesus and the apostles.  
"Though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed" (Gal. 1:8). "If there come any unto you and bring not this doctrine, receive him not into your house" (2 John 10).
3. Because the apostles preached definite things styled gospel, or glad tidings, and therefore "the gospel" is the means to be employed in our salvation.  
"The gospel which I preached unto you ... by which also ye are saved, if ye keep in memory what I preached unto you, unless ye have believed in vain" (1 Cor. 15:1). "The gospel ... is the power of God unto salvation to every one that believeth" (Rom. 1:16).
4. Because the things so preached were the things concerning the Kingdom of God, and those things that concern the Lord Jesus Christ.  
"When they believed Philip preaching the things concerning the kingdom of God and the name of Jesus Christ they were baptized, both men and women" (Acts 8:12). "Paul (at Ephesus) spake boldly for the space of three months, disputing and persuading the things concerning the kingdom of God" (Acts 19:8). Paul (at Rome) for two whole years preached the kingdom of God, and taught those things which concern the Lord Jesus Christ (Acts 28:31).
5. Because disbelief of the gospel makes our condemnation certain.  
"He that believeth not shall be condemned" (Mark 16:16). "He that rejecteth me, and receiveth not my words ... the word that I have spoken ... shall judge him in the last day" (John 12:48).
6. Because ignorance of the gospel leaves men in a state of darkness in which salvation is impossible.  
Other Gentiles "walk in the vanity of their mind, having the understanding darkened, being alienated from the life of God through the ignorance that is in them" (Eph. 4:18). "At that time ye were without Christ, being strangers from the covenants of promise, having no hope" (Eph. 2:12).
7. Because belief is faith, without which it is impossible to please God.  
"Faith is the substance (or conviction) of THINGS HOPE FOR" (Heb. 11:1). "He staggered not at the promise of God, through unbelief, but was strong in faith" (Rom. 4:20). "Without faith it is impossible to please God" (Heb. 11:6).

**SOMETHING MORE**  
Is it, then, enough to believe, and rest content? By no means. The Gospel believed and obeyed in baptism, introduces a man to a position in which he can do what was before impossible—"work out his own salvation". To do this he must make the commandments of Christ the rule of his life; for, without this, the day will come when Christ will say: "I never knew you; depart from me" (Matt. 7:23).  
"Give diligence to make your calling and election sure ... Add to your faith virtue ..." (2 Peter 1:5-10). "Work out your own salvation with fear and trembling" (Phil. 2:12). "Ye are my friends if ye do whatsoever I command you" (John 15:14). "Teach them (who believe) to observe all things whatsoever I have commanded you" (Matt. 28:20). "Not everyone that saith unto me, Lord, Lord, shall enter the kingdom of heaven; but he that doeth the will of my Father who is in heaven" (Matt. 7:21).  
Christadelphians, 1600 Magnolia, Wichita Falls, Tex. Bible study Wednesday, 7:30 p.m.

# REVIVAL

## November 19 - 21

Church-Wide Revival led by a youth group, "The Grand Company". Their preaching is dynamic and straight from the Bible, and their singing is happy and joyous. The services are for the young and old alike.

# REMEMBERING...

By BILL BROOKS

## SCARECROWS

The Brooks kids had a garden one year. Dad said it was high time we learned what it was like to raise a crop of our own. He marked off one corner of a field near our house and gave us the responsibility of choosing what to plant and taking care of it.

We planted seeds and most of them came up. We watered and hoed and eagerly watched the plants as they bloomed and put forth their fruit. We especially watched the watermelons because that was our favorite thing to eat. Each vine had several nice ones and we could hardly wait until they would be ripe enough to pick.

One day as we were inspecting our crops we were dismayed to find that several melons had jagged holes in them. Sitting nonchalantly on the fence nearby was a couple of crows with rounded stomachs full of melon.

"A scarecrow will solve this problem." We took some boards and made a kind of

cross. Using gunny sacks we made a body. My sister's knowledge of sewing came in handy for that. We slipped the body over the cross and stuffed it full of wheat straw. It looked really good, almost like a person except with no clothes. It needed a pair of overalls and a shirt we figured, along with a hat and some gloves. Mother said some of Dad's old worn out work clothes would be just fine so we had everything we needed.

We got him dressed and took him to the garden where we dug a hole to stand him up in. He looked good standing there guarding our melons but my sister said he wasn't quite finished. She ran to the house and came back with a face she made from white cloth and crayons. She stitched in it place on the burlap head and I had to admit it was just what he needed.

He wasn't very effective at doing his job however, because crows sometimes came to roost on his arms and hat. I think they would land there to choose which

melons they wanted. But because there were plenty of whether he really scared them or not didn't matter melons for us and some to share.

# As I See It....

by BOB HAMILTON

This country needs more Reagan Browns.

Reagan (I'm immediately drawn to him just because of his name) is a long-time acquaintance from meetings I used to cover while living at Plainview back in the past decade. He spoke in Wichita Falls Tuesday night.

For 30 years he was with the Extension Service, much of that time as sociologist. He has retired from the state job and accepted the post of

special representative of Gov. Dolph Briscoe.

More people should have such representatives.

The years have been good to Brown. His face shows little of the aging lines, and I didn't see a gray strand on his head. But his lips are muscled, as are those of most speakers of his popularity.

He makes hundreds of talks annually.

He is an accomplished speaker. He

goes from one joke to another, then into a strong social point, back into a joke, on to another point, and so on. He keeps you relaxed and receptive.

Not only is he a good speaker, reminding you sort of an old time country preacher, but he's conservative in his philosophy.

His message is one which urges respect to one's parents, elders, church and nation. His message is hope for the future, because he sees the raw material for a great nation to continue through its young people, only the need for correct leadership from parents and educators.

He believes bad is wrong and good is right. How can you argue with that! Being a sociologist, and a speaker, and a conservative, Reagan reaches his audiences unlike most. He holds them. He entertains. And most of all, he makes you feel good.

And he's consistent. He's not changed in these years I've known him. Just improved and polished.

This country needs more Reagan Browns.

## WORTH QUOTING

**ERRORS:** The editor of a small-town weekly newspaper was severely criticized because of an error appearing in his paper, so he had this to say about it in the next issue:

"Yes, we know there were some errors in last week's paper. We will further agree that there were some errors in the issue of the week before, but before bawling us out too unmercifully about it, we want to call your attention to these facts.

"In an ordinary newspaper column, there are 10,000 letters and there are seven possible wrong positions for each letter—making 70,000 chances to make errors and several million changes for transposition. There are

64 columns in an 8-page paper, so you can readily see the chances for mistakes.

"Did you know that in the sentence 'To be or not to be', by transposition alone, 2.7 million errors can be made? Now aren't you sorry you got mad about that little mistake last week?"

**SPEEDY NIEMAN**  
Hereford Brand

## Changes

Continued from page 1.

a registered nurse, she said.

Proposed revisions also would require continual training after certification to maintain a license.

Exceptions to the law and powers given the Texas Board of Nursing also are more clearly defined in the revised document, Mrs. Hodges said.

While work on the revisions has been ongoing the past several years, a last-minute push for input from nurses is being sought prior to the coming legislative session.

Forums on the revisions are being held across the state, and one is scheduled in Wichita Falls Nov. 18.

The forum here will be at 7 p.m. Nov. 18 in Room 127 of the Science Building at Midwestern State University. A TNA board member will be there to lead the discussion. Members of District 11 TNA, other registered nurses, MSU nursing students and state legislators are being encouraged to attend the forum.

Mrs. Hodges said the TNA hopes

the forums similar to the one slated in Wichita Falls will attract additional attention to the proposed revision before the document goes to Texas law makers for their decision.

**BARBARA HODGES**  
...Discusses professional nursing.

TNA is leading the supportive effort, and Mrs. Hodges said there are no visible signs of opposition.

Mrs. Hodges, nursing supervisor at Wichita County Health Unit, said there were about 64,000 registered nurses in Texas.

There are about 210 members in the District 11 TNA.

The group Mrs. Hodges heads is dedicated primarily to promoting quality nursing care.

The group also is involved in educating their members, and District 11 gives two scholarships each year to nursing students at MSU.

The group also sponsors workshops, and provides volunteers services such as the recent free swine flu clinics.

Without openly patting themselves on the back, Mrs. Hodges maintained Texas Nursing Week is just one week the public can say they appreciate the services performed by professional nurses.

107 WEST PARK

### Tree seedlings being offered

The Wichita Soil and Water Conservation District, in cooperation with the Texas Forest Service, is making available wildlife packets for the 1977 planting season.

Those interested in ordering these seedlings should contact Wanda Hunter at the Wichita Soil and Water Conservation District office in Iowa Park.

Each packet will include: 50 Russian olive, 50 American plum and 50 Eastern redcedar seedlings at a cost of \$15 per packet, on an advance order basis.

Deadline for ordering will be November 15. Seedlings will be shipped to the SWCD with complete planting instructions included for each packet, and will be called immediately upon receipt of their arrival.

## THANKS FROM THE HIGHTOWERS

Colleen and I are deeply grateful for the confidence you demonstrated in the Hightowers at the polls on Nov. 2. We are told that the 95,364 votes are more than any candidate for Congress ever has received in the history of the 13th Congressional District. It is truly a wonderful feeling to have the support of nearly 60 per cent of the voters, and you can be sure that I will spend 100 per cent of my time during the next session of Congress working for all of the residents of the District. It has been an honor to serve as your Congressman during the last two years, and I am looking forward to continuing to represent you. My staff and I always will be at your disposal, and I hope you will not hesitate to let us know when we can be helpful.

JACK HIGHTOWER

Political advertisement paid for and authorized by Hightower for Congress Committee, Jim Hughes, Treasurer, Box 1973, Vernon, Texas 76384

## Obituaries

### Hubert Weseman

Services for Hubert Weseman, 73, who died Tuesday at his home, will be at 3 p.m. today in Tanner-Aulds Funeral Home. The Rev. Keith D. Pierce, minister of education of First Christian Church at Beaumont, will officiate. Burial will be in Highland Cemetery.

Born February 19, 1903, he was a well known businessman in Wichita Falls from 1929 to 1949. During that time, he owned Club Weseman between 1929-1945 and was the original owner of Brown Palace Hotel which he owned until 1949. He moved to El Paso where he built the Weseman Motel and operated it until his retirement in 1969 when he moved to Iowa Park.

A lover of music and antiques, he and his wife, the former Leota Wigley, belonged to the Iowa Park Organ Club.

He is survived by his wife of the home; two sisters, Mrs. Lloyd Wilson and Mrs. Clara Doty, both of Gainesville; three brothers, Britt of Springtown, Manning of Gainesville and Lewis of Ben Wheeler.

sity two years. He joined the Air Force and was captured by the Germans in the Battle of the Bulge and was a prisoner seven months.

He received a B.S. degree in mechanical engineering from the University of Southern California and for the past 12 years he worked for the civil engineers in the Federal Building at Dallas. When the family lived in Iowa Park, they resided on N. Pacific. The family is in residence at 1625 Mapleton, Dallas.

Survivors include his wife, Bobbie; four sons, William of Los Angeles, Charles of Seattle, Wash., Robert and David of the home; a daughter, Kelly of the home; a sister, Mrs. E.H. Manes of Iowa Park; an uncle, A.M. Coleman of Cherryvale, Kans.; an aunt, Mrs. R.B. McQuiddy of Wickett, Tex.; two grandchildren.

The family requests that memorials be made to the American Heart Association.

### Mrs. Maude Bridgers

Services for Mrs. Maude Bridgers, 84, were Saturday afternoon in Faith Baptist Church with the Rev. Raymond Jones, interim pastor, and the Rev. Josh Ibarra, pastor of First Mexican Baptist Church in Wichita Falls, officiating.

Burial was in Highland Cemetery under direction of Tanner-Aulds Funeral Home. Pallbearers were John Fecher, Hoyt Watson, John Rentschler, Herb Adeock, Harry Moore and Darrell Dick.

Born Jan. 24, 1892 in Muldrow, Okla., she had lived in Iowa Park since 1925. She was a charter member of Faith Baptist Church.

She is survived by a son, Dave and a sister, Mrs. Winnie Munden, both of Iowa Park.

### Jack C. Coleman

Funeral service for Jack C. Coleman, 54, of Dallas, a former resident of Iowa Park, will be Friday at 10 a.m. at the Starkman Hillcrest Chapel, 10501 Garland Road, Dallas. Graveside rites will be at 3 p.m. Friday at Riverside Cemetery in Wichita Falls.

The son of the late Mr. and Mrs. O.F. Coleman, pioneer residents of Iowa Park and Wichita Falls, he was born May 30, 1922 at Independence, Kansas. He was graduated from Wichita Falls High School and attended Southern Methodist Univer-

### 42 attend UMW meeting Tuesday

Forty-two attended the separate fellowship meetings of the United Methodist Women Tuesday morning.

"Ministry of Angels" was the topic of the program directed by Mrs. Larry Parks for the H.T. Maclin Fellowship. The meeting was held in the Parks home with Mrs. Wilbert Wynn the co-hostess.

Other members present were Mmes. David Springer, Kenneth Jones, John Fletcher, Carlos Carrillo-Miranda, James Owens, Larry Bennett and a guest, Mrs. George Trammell.

Mrs. James Todd was

hostess for the Mike-Judy Thornberry circle meeting when Mrs. E.L. Gallop presented a Thanksgiving program on "Five Grains of Corn".

Also present were Mmes. C.L. Thompson, Charlie Thompson, Miles Thompson, Carroll Hester, Allen Bennett, Floyd Boyd, L.L. Lindesmith, Rafael Carrillo-Miranda, H.W. Carter and Emma Gauntt.

Members of Larry-Mickey George Fellowship met with Mrs. Bertha McDonald for a program given by Mrs. Travis Smith on "Background Facts about Thanks-

giving". Others in attendance were Mmes. Don Beals, Elgin Denny, Arch Hughes, Charlie Lee, Evie Teal, R.M. Thompson and W.M. Owens.

Mrs. James Sewell was program director for the Joyce Hill Fellowship. The meeting was held in the home of Mrs. Don Cook and the theme of the program was "We Gather Together".

Also present were Mmes. Bessie Brohard, W.F. George, Henry Johnson, Gene Lowrey, Herman Mahler, Eldon Thompson, Carl Sullivan, Ray Browne and Miss Ethyle Kidwell.

## "How is lignite coal helping my electric bill?"

By using lignite coal to generate electricity, Texas Electric will be saving its customers \$44 million in 1976.

We've turned to lignite because natural gas, our main fuel, is running out. New supplies of gas just aren't available in the huge quantities we need. Those supplies that are available have soared in cost.

In 1976 the lignite and the plants that use it will cost less than new natural gas alone. Here's how:

\$86 million

- 42 million

\$44 million

The additional natural gas we would need in 1976 if we weren't using lignite.

The cost of lignite and the one-year cost for plants to use it in 1976.

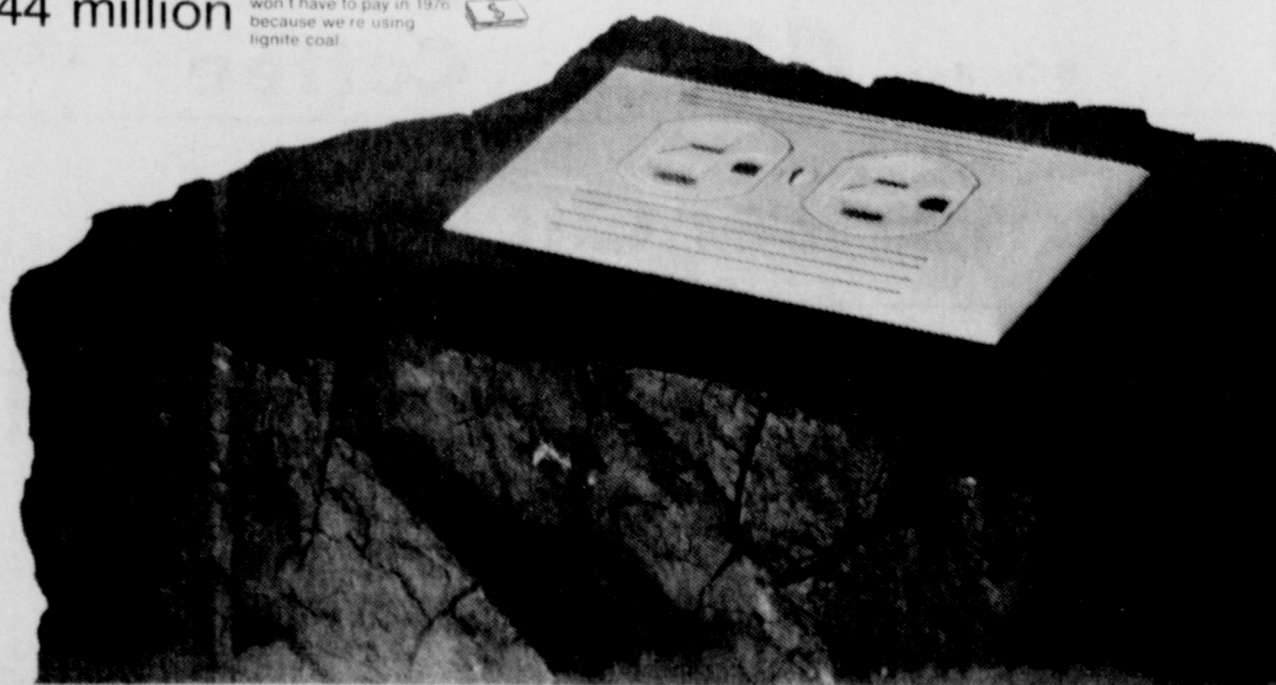

Money our customers won't have to pay in 1976 because we're using lignite coal.

These savings will continue in the years ahead. In fact, they will increase as we add more lignite power plants and our nuclear plant.

This doesn't mean rates will go down. But we will be able to keep increases in your electric bills as low as possible.

W. N. HOUSE, Manager, Phone 592-4149

### Former MSU president is interim pastor here

Dr. Travis White, former president of Midwestern State University, has accepted the position of interim pastor at First Christian Church.

Dr. White attended Texas Christian University, receiving an A.B. degree in 1932 and a B.D. degree in 1934. He did further graduate training at the University of Chicago in 1935 and the Union Theological Seminary in 1941.

The honorary degree of D.D. was conferred upon him by Texas Christian

University in 1949 and he was named a Distinguished Alumnus of TCU in 1961. The honorary degree of L.L.D. was conferred upon him by Atlantic Christian College in 1964.

Through the years, Dr. White has had a keen interest in higher education. He served four years as a member of the Board of Trustees of Phillips University and was active in the creation and development of the Texas Tech Christian Foundation at Lubbock.

The public is invited to hear Dr. White each Sunday at 10:55 a.m.

COME TO THE BAZAAR in the Fellowship Hall of First United Methodist Church Saturday from 9:30 a.m. to 6 p.m. Featured will be arts, crafts, stitchery, plants, sweet shop and bake shop. Foods including stew, chili, sandwiches, cakes, pies and drinks will be served. Three of the ladies who are responsible for the bazaar pictured are from left, Mmes. Larry Parks, James Owens and Carl Sullivan.

AL TEETER, born in Iowa Park and raised in Burkburnett, has been named manager of Holiday Inn East in Wichita Falls. His parents, Mr. and Mrs. D.B. Teeter, now reside in Petrolia.

# Hawks drop final home game, 28-7

In their last home game of the bicentennial season the Hawks came back to play an outstanding second half against Vernon Friday night although Iowa Park was unable to overcome the deficit piled up earlier in the game.

It was a tough fought contest both on the field and on the statistician's sheet. However, the Hawks were left holding the short end of the stick in the 28-7 conference tilt.

While Vernon racked up 21 points in the first half, the Hawks bounced back to produce a second half stalemate that allowed each team third period touchdowns.

The Hawk defense went for the jugular early in the contest, largely on the talents of Billy Ray, Sid Waldrop, Pat Cooke and Charles Mattis, who put Vernon in the minus column on the Lions' first possession.

Also unable to move the ball, Iowa Park was forced to punt on its possession.

Aided by a rushing play that garnered 25 yards, the Lions pushed in for a TD with 3:50 remaining in the first quarter.

Iowa Park's Ray recovered a Vernon fumble moments later, but scrambling quarterback Rex Huckaby was caught 13 yards behind the line of scrimmage to dampen any scoring effort.

Junior varsity recruit Randy Gibson made his first powerhouse showing of the night when he joined Bobby Collins and other Hawk defenders to spoil Vernon's early second quarter attack.

Then the Hawk defensive secondary began showing ill signs. Robert Dillard almost picked off a Vernon pass, but the Lions managed to complete a trio of passes on a single drive, the last a 14-yard TD toss.

The Hawks also were doing some passing like a 17-yard toss from David Wright to Keith Rains.

The Lions continued their passing game, and a 42-yard TD bomb put Vernon way ahead with less than a minute remaining in the half.

While Head Coach Pat Tone and his Hawks regrouped, the Mean Green

Band put on an exciting half time show, displaying the shuck and jive uptown exhibition that won them a superior rating at earlier UIL marching contest.

The Hawks emerged from the dressing room still suffering from the backfield bobbles.

The Lions received a Hawk punt early in the third period and returned it 30 yards, within 15 paces of pay dirt.

Vernon punched it on across on a four-yard run with 4:02 left in the third quarter.

A seemingly good drive developed for the Hawks but a backfield miscue gave the ball to Vernon.

But on the following play the Lions fumbled and Mattis was there to recover and set up the Hawk score.

The Hawks chewed up 47 yards in two rushes, a 17-yarder by Dillard and the 30-yard TD sprint by Randy Blair.

Blair and Dillard would have to share part of the effort with offensive linemen Rick Merriman, David Correll, Junior Sosebee, Shane Kimbrew and Sam Foreman.

The fourth quarter saw both teams scoreless with excellent defensive showings.

Rusty Price, another junior varsity recruit, scooped up a Vernon fumble, and Waldrop was on the receiving end of another Lion miscue.

However, the Hawk offense was not able to solidify scoring drives on either occasion.

Rains ended the game on a positive note with a pass interception although a pass interference call on Iowa Park ended any hopes of scoring in the fading seconds of the game.

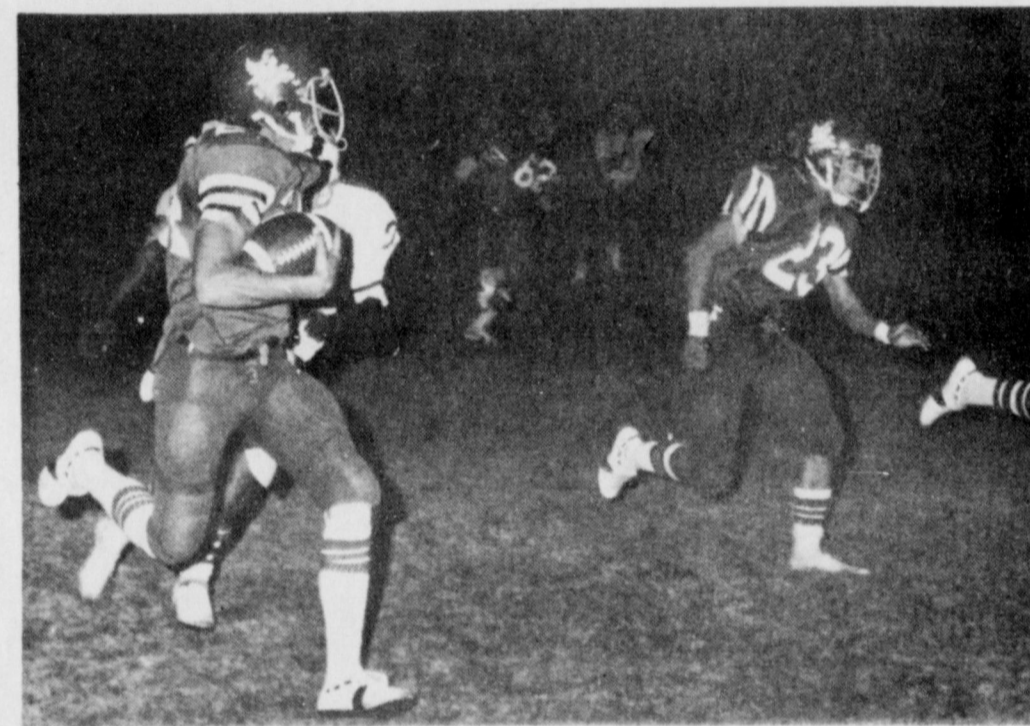

The Hawk offense including Jim Stevens and Dick Elliott rushed for 136 yards to Vernon's 194.

Iowa Park racked up 11 first downs to Vernon's 16.

# With our connections, we can supply all the gas you'll need.

Lone Star's existing gas reserves will meet the requirements of all of our customers for the next 12½ years, based on 1975 consumption rates.

What about the thirteenth year — and beyond — when these reserves are depleted?

Fortunately, Lone Star is in a position to buy new gas reserves that could last our customers far into the 21st century.

We're in the right place at the right time. And we have all of the right connections.

Lone Star's pipeline system enters eight of the nine major gas producing areas in Texas and Oklahoma.

Our transmission lines cross areas which contain over 50% of the remaining on-shore gas reserves in the continental U.S.

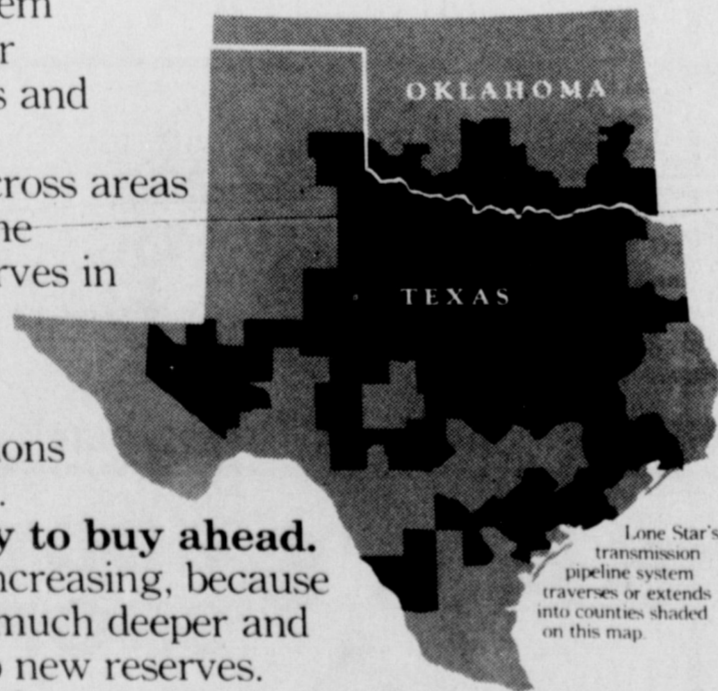

This strong network puts Lone Star in one of the most favorable buying positions of any natural gas company.

**All we need is the money to buy ahead.** The price of gas will keep increasing, because producers will have to drill much deeper and more costly wells to develop new reserves.

It's going to take a lot of money to secure this area's share of these reserves. Unfortunately, Lone Star's ability to bid successfully for new reserves hinges greatly on the existence of adequate rates for the gas we sell.

The time to begin an aggressive resupply program is now, while we have a competitive buying edge and while economical gas is available.

With a fair return on our necessary investment, we can make the long-term financial commitments that will assure our customers all the natural gas they'll need for decades to come. And we will.

Lone Star's transmission pipeline system traverses or extends into counties shaded on this map.

**Lone Star Gas Company**

**THE MOST SUCCESSFUL  
BUSINESSMEN  
IN AMERICA WERE SAVERS.**

It's enough to make you think. Take your pick of the men who built America: Henry Ford, Thomas Edison, Andrew Carnegie, F. W. Woolworth. They all came from modest beginnings and they all had the habit of saving. When opportunity knocks at your door, will you have the money to answer?

**School Masters hear speaker**

Guest speaker at the School Masters meeting slated last evening at Iowa

**BOB KECK**

Park High School was Bob Keck, administrative assistant to the executive secretary's office of Texas State Teachers Association.

School Masters is made up of school administration personnel and board members from over the area.

Keck is a former classroom teacher, coach, counselor and college instructor. He holds a bachelor's degree from Oklahoma Baptist Univ., a master's from Texas Christian University, a bachelor's and master's from Southwestern Baptist Theological Seminary, and has done graduate work at the Univ. of Oklahoma and North Texas State Univ.

His talk was to be on "TSTA's Reaction to Governor's Proposals."

**FROM VALLEY FARMS** - Chris Nethery, left, and Roy Thompson were recognized at Tuesday's Tri-County Community Improvement awards banquet. Nethery, son of Mr. and Mrs. Dan Nethery, was named his community's outstanding youth and Thompson outstanding individual.

**Dennis Hill earns Ph.D**

Dennis W. Hill, son of Mr. and Mrs. Donald Hill and grandson of Mrs. L.C. Hill, has completed work for a Ph.D. degree in bio-chemistry at Texas A&M University. His dissertation was titled "Analysis of Hymenoxon in Plant Tissue and the Disposition of Hymenoxon in the Rabbit."

A native of Iowa Park, Dennis and his family will leave here within about two weeks for Storres, Conn. where he will be associated with the University of Conn. as an assistant professor in charge of developing and running a service laboratory for clinical chemistry and toxicology.

A graduate of Iowa Park High School where he was a member of the National Honor Society and four-year member of the football team, he attended Baylor University. He received a B.S. degree in biology from Midwestern State University in 1972 and entered Texas A&M University within a few weeks.

At MSU, he was a member of Beta Beta Beta, national biology honor society, and at A&M, he was a

**DENNIS HILL**

member of Phi Lambda Upsilon, national chemistry honor society. He is a student member of the American Association of Clinical Chemists.

Mrs. Hill is the former Judy Joyner, daughter of Mr. and Mrs. Melvin Joyner of Wichita Falls. The couple's children are Shannon 7, Sean 6 and Melissa 4.

# Big Red impressive in 41-12 victory

The 1976 Big Red Machine launched its most impressive showing of the year Friday night by clawing Callisburg 41-12.

The big win stretched Holliday's district record to 3-1; however, Muenster's win over Archer left little hope for Eagle fans that their HEROs will take District 13-A or a trip into the state playoffs.

The bulk of Holliday's scoring came from regular speed merchants, Bob Gilmore and Larry Ayres, who hit pay dirt twice each.

Perky junior Cory Smith also found out what it's like to score a touchdown, while Buff Young and Steve Lucy teamed up for a rare TD pass play.

Coach Don Lucy's offensive machinery wasted no time in getting its game in gear after Andy Barton and the Eagle defense blocked a Callisburg punt early in the opening quarter.

Despite a five yard flag on the Eagles, Holliday took the ball 17 yards in five carries for a TD on their first possession.

Gilmore tucked it away on a one-yard TD run, capped off by Randy Berryman's PAT.

On their second possession Larry Ayres sealed an offensive drive from mid field with a one-yard TD plunge. Berryman's boot was good.

Callisburg's next effort was snuffed out on a fumble

recovered by Gilmore. The Eagles final score of the half came on a five-yard run by Ayres. A pass play for extra points failed.

The Eagles found no scoring room in the third period, but Callisburg scouted out holes in the Eagle defensive secondary for touchdowns.

Callisburg's first touchdown came on a 14-yard aerial attack, and came back later on a 44-yard TD bomb. Both extra point attempts failed.

It didn't take long for the Eagle offense to get cranked up again.

Gilmore skidded past the Callisburg defense and raced 63 yards for Holliday's fourth touchdown.

Ayres ran across for the extra points.

Following Holliday's kickoff, John Ruby picked off a Callisburg pass to set up the Eagles' next TD which came three plays later on a 45-yard run by Cory Smith. Berryman supplied the PAT.

Holliday ended its scoring efforts in the final period when Steve Lucy found Buff Young open for a five-yard

TD pass. The PAT failed. Holliday not only defeated Callisburg on the field, but also on the scoreboard and in statistics.

The Eagles racked up 467 total offensive yards as compared to Callisburg's 230. Callisburg went to the air 20 times for six completions, while Holliday threw seven times for three completions.

WINNERS—Mr. and Mrs. Ray Halenck of the Bowman Community received the home improvement award at Tuesday night's tri-county Texas Community Improvement Program banquet in Wichita Falls.

## Trustees briefed on proposed plan

Supt. Ray Coe Monday night briefed members of the Holliday School Board on Gov. Dolph Briscoe's recently released proposed school financing plan.

Reaction from board members was less than enthusiastic on some points of Briscoe's proposal, especially when Coe disclosed Briscoe's plan included a substantial increase in farm land valuations.

Coe indicated Briscoe's plan reflected a \$34 million increase in property valuations, but that the governor's outline would call for six more state-salaried teachers here.

There was no formal action taken on Briscoe's proposal which inevitably will be altered before action is taken during the coming legislative session.

In other business the board approved a pay raise for Doug and Sylvia Thomas.

Monthly bills were paid, and the October tax statement presented by tax assessor-collector Louis Hodge was accepted.

The board voted to have trustees Jack Ayres, Lonnie Brackeen and Tommy Mannkins be included on the signature card for business from the district's interest and sinking fund.

## No classes Wednesday

Holliday students will not attend classes Wednesday when teachers observe a work day following quarterly tests.

High School Principal Bill Crabbs will attend an administrative workshop Wednesday at Region IX in Wichita Falls.

## Soph supper set Nov. 18

Holliday High School's sophomore class will sponsor its annual fund raising supper from 5:30 to 8:30 p.m. Nov. 18 at the school cafeteria here.

Menu will include turkey and dressing, mashed potatoes, green beans, cranberry sauce, hot rolls, butter,

coffee and tea. Homemade pie will be sold as dessert.

Tickets are \$1.75 for children ages 1 through 12. The price is \$2.25 for all others.

Tickets will be available from any Holliday sophomore. Tickets also will be sold at the cafeteria.

## 8th ranked Eagles close season Friday

The Holliday Eagles will go on the gridiron Friday night in Petrolia for the last time this season still ranked eighth in the state but with no chance for a berth in the playoffs.

Head Coach Don Lucy conceded this week that his Eagles have been eliminated from the District 13-A championship.

The district championship and a crack at state fame faded in October when the Eagles were nudged out by

district heir apparent Muenster in a 15-14 sizzler.

The only hope for the Eagles was last week, a hope that Archer City could pull out a win over Muenster throwing the conference into a three-way tie for first.

However, Muenster defeated Archer City and Holliday's last breath of hope vanished.

As Lucy put it, "We couldn't win district now if Muenster was beat by 100 points." Lucy was speaking of Muenster's final tilt with

Callisburg, the same school Holliday dumped 41-12 last week.

Although chances of taking district have been eliminated for the Eagles, fans here have another Friday night contest on the agenda.

The Eagles will travel to Petrolia for Friday's 7:30 p.m. kickoff.

A newcomer to North Texas football and the district, Petrolia is 0-4 in district competition while the Eagles are 3-1.

## Holliday News

### Midgets win fourth title

Holliday's midgets won their fourth Top Of Texas championship in as many years by defeating Iowa Park's Kidwell 20-0.

The team has lost only one game in four years, maintaining a 33-3-1 record under the coaching of Freddie Crampton, Eldon Alderman and Gary Whitehead.

Following a first half stalemate in Saturday's playoff, Brad Harmon opened the second half with a 30-yard kickoff return.

Jeff Belcher broke loose on a 40-yard run to give Holliday its first TD. Belcher also ran the extra points.

Harmon set up Holliday's next score on a 34-yard romp. The offensive effort was capped off on a 20-yard

touchdown pass from Mike Parker to Harmon.

Holliday's other fourth period score was set up when Kevin Blankenship snagged a 20-yard pass. Parker hit Blankenship for another 30-yard toss.

Blankenship caught the winning pass from Todd Stevens.

Harmon and Belcher paced Holliday in rushing with 56 and 53 yards, respectively.

Defensive standouts were Tracy Wood, Belcher, Harmon, Blankenship, Mike Wright, Gil Gilbert, Guy Gilmore, Brad Lawson and Parker.

The team, coaches and parents celebrated the championship with a pizza banquet Tuesday night in Wichita Falls.

## City to apply for FHA loan

Holliday City Council voted Tuesday night to apply for a Farmers Home Administration (FHA) loan to finance revamping of the city's water distribution system.

"The City of Holliday is in bad shape for fire protection and water distribution," engineer Andy Andrews told the council.

His statement came as no surprise to the council, which has been turned down several times in efforts to secure federal grants for the project.

Andrews told the council it would cost an estimated \$144,000 to revamp the city's water distribution system, but costs could be tailored to fit the city's financial capabilities.

Andrews said the city could seek two avenues of financing, an FHA loan or an

application to the U.S. Department of Housing and Urban Development for a block grant. Holliday already has been denied an earlier application for the latter.

Andrews said an FHA loan would include a grant covering about 38 per cent of the entire project. The remainder of the cost would be financed by bonds.

The city would have to pay about \$5,200 annually to retire the bonds over a 40-year period, Andrews said.

It was noted the savings on homeowners' fire insurance would more than offset any increase in water rates needed to pay off the bonds.

On a related issue, the council approved the low bid submitted by Shaw Motor Co. of Iowa Park on a new fire truck. The bid totaled \$10,347.32.

The council also learned the city dump man, Tex Pendergrass would resign Saturday because of health reasons.

The council asked Water Supt. Hurschel McDaniel if the city crew could maintain business trash pickups instituted by Pendergrass.

McDaniel indicated the city crew would try to service businesses regularly, but that unexpected work sometimes demands priority over garbage collection.

Mayor Leo Chappell suggested all city employees receive salary hikes. It will be discussed again at a later meeting.

There also was discussion on the possibility to stagger water meter reading dates and billing dates to avoid the snowball effect encountered by city employees each month.

## Teams end season on winning note

Holiday's junior varsity, eighth grade and seventh grade footballers ended the season with a clean sweep of opponents from Archer City and Burkburnett.

**SEVENTH GRADE**  
Holiday's seventh grade zapped Archer City 48-0 with Ray Looney getting Holiday's first TD in the opening quarter on a 90-yard romp. Looney also came through with the extra point run.

Looney lighted the scoreboard twice in the second quarter on TD runs of 35 and 10 yards. Joe Chase followed with an extra point run, and Looney provided the other.

Brian Williams scored for Holiday in the third quarter on a 40-yard scamper, and Chase made the extra points.

Chase scooped by a stray Wildcat ball later and returned it 30 yards for an Eagle TD. Looney found Kelly Henke open in the end zone for the extra points.

Williams rounded out Holiday's scoring in the fourth quarter on a 12-yard TD run. Chase iced the cake on the successful conversion run.

**EIGHTH GRADE**  
Holiday's eighth grade dumped Archer City 60-8. Holiday drew first blood on a 10-yard TD run by Mark Wright in the first quarter, followed by Billy Whitney's extra point run. Whitney came back a few

minutes later to romp 45 yards for another Eagle TD. He also made the extra points.

Whitney scored again in the second period on a 30-yard run, but the extra point attempt failed.

Archer City's lone score came in the second period on a 40-yard pass play.

Before the buzzer sounded the end of the first half fans saw Whitney race 70 yards for another TD. He also made the extra points.

Whitney scored twice in the second half, once on a 70-yard kickoff return and again on a seven-yard run. Eddie Flowers scored one set of extra points.

Wright finalized Holiday's long night of scoring on a 22-yard run, and Joe Todd made the extra points.

**JUNIOR VARSITY**  
Holiday's junior varsity shut out Burkburnett 30-0. Rusty McDaniels opened Holiday's offensive efforts on a four-yard TD run in the opening quarter. Kent Lemons made the extra points.

James Porter next scored for Holiday when he recovered a Burk fumble in the end zone. McDaniels made the extra points.

Gerry Graves scored in the third quarter on a one-yard keeper. The extra point try failed.

Porter climaxed scoring on a four-yard TD drive with Graves supplying the extra points.

## Donations mount for fire truck

Additional donations to help purchase a new fire truck for Holiday have brought the total fund to \$8,811.47, according to Melvin Bills, fire marshal.

Bills said more than \$2,500 was received in the past two weeks, and the department has received assurance of more donations to come.

Among most recent contributions were \$1,000 donations each from Dan Berry and Swanner Properties.

Holiday Lions Club donated \$200, and \$100 each has been received from C.B. Christie Jr., J.R. Parkey, Annie Maier, Walter Fowler, F Bar Cattle Co. and Richeson Management.

First State Bank of Archer City and Parker Square Savings each gave \$50.

Donations of \$25 have
