

## Dangerous road conditions close schools here

Lingering snow and ice forced the cancellation of school classes here Wednesday, and the prospects of more weather had school officials looking at the possibility of calling off classes again today.

Supt. Faris Nowell said he had decided Tuesday evening, after talking with trustees and other school officials, to close the schools Wednesday.

"We won't be able to tell for sure until late today whether we will be able to hold class tomorrow or not," Nowell said about noon yesterday. He pointed out that if more snow and ice were to be added to the already dangerous road conditions later Wednesday, it would be too hazardous to run the buses today.

Asked about when the day or days of school missed due to weather might be made up, the superintendent said it was not now known, because no extra days had been worked into the school's schedule.

He did point out, however, that the extra days might be taken from the week-long Easter holidays, by holding a teacher workday on a Saturday, or maybe even by receiving permission from the state commissioner of education not to have a make-up.

Iowa Park was forgiven for days missed when schools were closed last year because of a curtailment of natural gas during an extremely cold period.

Snow began falling in the area Monday evening, and stacked up to about two inches by Tuesday morning. Then the situation was aggravated when a freezing drizzle coated the white blanket with a thin layer of ice. About half an inch more

snow fell Tuesday evening.

Trees and shrubbery held a coat of ice through Tuesday and on into Wednesday.

Police have reported only a few

minor accidents in the city, as result of road conditions, but two house fires were battled Monday by members of the Volunteer Fire Department.

More heavily traveled streets in

the city were clearing of snow and ice yesterday afternoon, but the forecast of more possible snow, plus nighttime freezing, promised dangerous streets again for today.

# IOWA PARK LEADER

VOL. IX NO. 23
THURSDAY, FEBRUARY 9, 1978  
IOWA PARK, WICHITA COUNTY, TEXAS 76367
20 CENTS

**HAPPY HAWKETTES** - Immediately after the final buzzer Tuesday in Vernon, members of the girls' varsity basketball teams gathered on the floor to congratulate each other, and share in the joy of having handed the Lady

Lions their second defeat of the entire season. The 51-46 final gave the Hawkettes second place in the North Zone, and the right to continue into the Dist. 4-AAA playoffs.

## Hawks, Hawkettes both in title race

Both Iowa Park varsity basketball teams now have their sights on the District 4-AAA championships, after earning playoff births.

The Hawkettes, by virtue of winning Friday against Burk Burnett and Tuesday against Vernon, finished as North Zone runners-up, and will play Stephenville, South Zone

champion, at Stephenville Monday evening. Tipoff is set for 7 p.m.

North Zone champions, the Hawks, will host Brownwood, South runner-up, in Hawk gymnasium Tuesday, starting at 8 p.m.

A Hawkettes win over Stephenville would be considered a major upset, even moreso than their win over Vernon. Stephenville has dominated the district the past six years, and won here two weeks ago 61-48. However, an Iowa Park win would put the Hawkettes in the district finals, to be played next Thursday.

Mineral Wells' girls won the right to the playoffs, and will be playing Vernon Monday also.

"I feel like our last 10 quarters, the last two against Graham and then Burk Burnett and Vernon, have been our best of the season," stated Coach Mike Fountain. "I definitely believe we've reached our peak and will be ready to play Stephenville this time."

The Hawks shouldn't have much trouble with Brownwood, but those are the type games which have given the Mean Green their most trouble.

Iowa Park defeated Brownwood 64-49 in their only meeting, and the Lions have reportedly lost the services of three starters, including their big man who has led scoring all season.

The Hawks, 25-4 for the season, are averaging 70 points against 57 over the schedule. But in North Zone play, they've outscored their opponents 80-65.

Anthony York and Jimmy Rowell are the leading scorers, with 13.6 and 13.1 points respectively, and Jim Dooley is averaging 10.5.

Rowell leads in rebounds, 255, with York and Jim Richardson close behind with 208 and 207.

Rowell heads the team in free throws, hitting 81 percent; Richardson is at 75 percent and Rogers 70.

## Cable tv, trash system to highlight city meet

A cable television franchise and financing of a containerized trash system will be among issues scheduled for consideration by the Iowa Park City Council when it convenes at 7 p.m. Monday.

In other action, the council is scheduled to:

- consider leasing west 100 feet of W. Pecan to Jimmy Williams,
- ordinance rezoning Block 1, Texas Addition (the old Texas-Oklahoma fairgrounds) from light industrial to automotive,

-setting date for public hearing on annexation of west water tower property.

-report on status of claims for damage of asphalt at new Jiffy Food Store,

-discussion of lease terms for grass lease at Iowa Park Lake,

-status of TESCO rate increase,

-Park Plaza street paving in Colonial Heights,

-request from AC Sparkplug plant to use Iowa Park dump ground for solid industrial waste.

**COMMON HAPPENING** - Automobile mishaps dotted the area Tuesday when an ice storm hampered driving. At 3:45 p.m. Tuesday cars driven by Delani Jance Nault and Richard Clayton Skelton collided at the intersection of South Wall and West Pecan. Ronnie Stolper, 16, a passenger in Skelton's car, was treated for minor injuries at Park Clinic. Car in the background came to a halt after snapping a telephone about 12 feet above the ground.

## Recreation Center open house set

Open house with formal dedication ceremonies and a youth dance are on tap Saturday at the Iowa Park Recreational Activity Center, 304 E. Texas.

Open house will be from 2 1/2 p.m. Saturday, said Ken Kukenbecker, center director.

City officials, recreation center director Johnny Coker and Bill Link of the United Way are expected to be present for the 4 p.m. Saturday formal ribbon cutting ceremonies.

The day's activities will conclude with a youth dance from 7:30-11:30 p.m. Saturday, Kukenbecker said. A

band out of Oklahoma, "X-Ta-Cy", is scheduled to provide music. There will be no charge for the open house dance, the director said.

Hours for the center, previously known as the "Youth Center," will be from 4-8:30 p.m. Tuesday, 10 a.m.-5 p.m. Wednesday, 4-8:30 p.m. Thursday, 4-11:30 p.m. Friday and 11 a.m.-2 p.m. and 6-11:30 p.m. Saturday.

Effective next Wednesday a \$2 annual membership fee will be charged, Kukenbecker said.

He said membership would be open to all age groups, although some functions such as youth dances would be restricted to certain age groups.

No smoking or alcoholic beverages will be allowed. The facility will be supervised by an adult at all times, Kukenbecker explained.

The facility will be funded by the United Way and offer such activities as pool, ping pong and a juke box for dancing.

A conference room will be available on a rental basis for group meetings, Kukenbecker said. Reservations and other information will be available by calling Kukenbecker at the center at 592-4471.

### Bloodmobile here

The Red Cross Bloodmobile is scheduled to be at the First Christian Church between 1 and 6 p.m. Friday, Feb. 17.

**BLAZE DESTROYS HOME** - A faulty heating system was blamed on causing the fire Monday which destroyed the home of Mr. and Mrs. Curtis Simmons at 702 E. Pasadena. West side of the home, furnished with many

antiques, was engulfed in flames when Iowa Park volunteer firefighters arrived at the scene. Although the Simmons' were absent from the home when the fire erupted a small dog asphyxiated.

## Coaches subject of call meeting

Iowa Park school trustees have slated a called meeting at 1 p.m. today, primarily for personnel matters. And Tuesday's regular

meeting has been postponed until 7:30 p.m. the following Thursday.

According to the called meeting agenda, personnel to be discussed are all in the area of athletics.

The first item is for the board to re-assign Pat Tone, who has served the past two seasons as head football coach.

Then, according to the agenda, trustees will discuss plans for employing a new head coach, and assistants.

Third item to be undertaken will be action on a resignation submitted by Mike Fountain, girls' varsity basketball coach.

Tuesday's meeting has been re-scheduled because it would conflict with the intra-zone playoff basketball game between the Iowa Park Hawks and Brownwood Lions, which will be held here.

## 24 singers earn Div. 1

Twenty-one choir students from Iowa Park High School earned Division I rating at the UIL Vocal Solo/Ensemble Contest held at Midwestern State University Saturday. Eleven earned Division II and four Division III.

Those who earned Division 1 were Carrie Cole, Darlene Mahler, Tandra Wilkerson, Carrie Edwards, Camela Edwards, Kay Hamilton, Karen Arrington, Annette Nanez, Connie Bryan, Donna Casper, Michelle Miller, Lynette Flick, Robyn Walsh, Norman Flowers, Chris Lester, Scott Fowler, Lee Gwinn, Mike Dozier, Tim Adeock, David Flowers and Randy Gibson.

Earning Division II rating were Rita Rateliff, Mike Davis, Bryan Gibson, Jim Hodges, Bruce Holder, David Morton, Cindy Flanagan, Jill Koonce, Deanne Patterson, Lori Dick and Debby Hill.

In Division III group were Robin Doan, Jerry Stucki, Brian Dowell and David Carender.

## Burglar has nicotine fit

Burglars who broke into John B. Barbour Trucking Co., 402 E. Highway, escaped with 194 packs of cigarettes, Iowa Park police said.

The burglary was discovered Saturday.

Burglars gained entry to the building through a window to a truck shop stall.

A cigarette machine in a conference room was pried open and thieves took 194 packs of cigarettes valued at \$135.80, according to police.

Burglars were unsuccessful in their attempt to remove a CB radio and a two-way radio from an automobile parked inside the shop, police said.

KATHRYN BROTT and CHARLES FRANKS

### Couple sets August date

Miss Kathryn Brott and Charles Franks will exchange matrimonial vows August 5 at First Christian Church, according to an announcement being made today by the young lady's parents, Mr. and Mrs. Fay Brott. The future groom is the son of Mr. and Mrs. Gerald Franks. Both young people were graduated from Iowa Park High School and are sophomore students at Midwestern State University. He works for North Texas Bronze and Aluminum Foundry. She works at Wichita General Hospital. In high school, Miss Brott

belonged to A Cappella Choir, band, stage band and Thespians. Her fiancé played varsity football and belonged to National Honor Society, A Cappella Choir, Tempus and Fellowship of Christian Athletes.

### Acteens to meet here Saturday

The Acteens group of Faith Baptist Church, which includes junior high boys and girls, will meet at the church Saturday between 10 a.m. and 2 p.m. for Bible study. Lunch will be served by the Night W.M.U. group.

### Sorority to help in park project

Mrs. Don Wilson was hostess Monday evening for the meeting of Alpha Epsilon Omicron chapter of Beta Sigma Phi. Mrs. Bobby Attwood conducted the opening ritual.

Mrs. Gene Bond directed the business of the evening. For a service project, it was voted to consider participation in a park improvement project or make a monetary donation to the Iowa Park Library.

A Valentine party was planned for the children ward at Wichita Falls State Hospital Tuesday and a St.

Patrick's Day box supper was announced for a ways and means project. Announcement was made of the state convention at El Paso June 23-25.

Mrs. Steve Wallace and Mrs. Edgar Todd were recognized as guests. Welcome rituals for Mrs. Mike Isbell and Mrs. Wilson, transferees from other chapters, were conducted by Mrs. Bond.

Mrs. Wilbur Garrels used "Enrichment" for the title of the program of the evening. Mrs. Travis Bradford gave the closing rituals.

Others present were Mmes. Gayle Cleghorn, Ron Fullerton, Clifford Klinkerman, John Conklin, Danny Holman, James Owens, Bill Veal, Dick Lunsford and Miss Lavonne Stogner.

### Wedding is told

The marriage of Miss Janis Lee Guthrie and Charles Alonzo Watson III took place Dec. 26 in the First Christian Church at Santa Fe, New Mexico. The officiant for the double-ring service was Rev. Claude McDonald.

The bride is the daughter of Bill L. Guthrie of Iowa Park and Mrs. Claude McDonald of Santa Fe. Parents of the groom are Mr. and Mrs. Charles Alonzo Watson, II, of Greenville.

The bride's mother served as matron of honor and her brother, William L. Guthrie was best man.

Grig Kirby composed and played music for the wedding. Don and Rexie Baca were candlelighters.

A reception was held in the home of Rev. and Mrs. McDonald following the wedding.

### Pair to wed this spring

Dr. and Mrs. R.M. Sims of Burkburnett are announcing the engagement of their daughter, Dawn Celeste to Danny Roy Hecker, son of Mr. and Mrs. Carl Hecker of Moore, Okla., former residents of Iowa Park.

The bride-elect was graduated from Burkburnett High School and is employed

by Dresser-Atlas. The groom-elect was graduated from Iowa Park High School and works for Wilson Manufacturing-Clay County Co.

The Church of Christ in Burkburnett will be the setting for exchange of nuptial vows by the couple April 14.

### Four graduate Police Academy

Four employees of the Iowa Park police department are among the 25 persons scheduled to graduate tomorrow from the 16th Basic Certification Class of the Nortex Regional Police Academy.

They include officers Pete Gonzales and Robert Dean, and dispatchers Esmeralda Koenig and Pearl Owen.

Graduation ceremonies are scheduled for 2 p.m.

Friday at the Trade Winds Motor Hotel in Wichita Falls.

State Sen. Ray Farabee of Wichita Falls is slated to give the graduation address. Certificates will be awarded by David Alford, criminal justice coordinator for Nortex Regional Planning Commission.

The 25 graduates will represent the cities of Iowa Park, Burkburnett, Electra,

### Science fair dates given

The fourth Northwest Texas Science and Engineering Fair will be held on the Vernon Regional Junior College campus, March 16 and 17. The fair is one of approximately 200 regional science fairs held annually across the United States and overseas. Sweepstakes winners in regional fairs advance to an International Fair, held this year in Anaheim, California, May 9-14.

Again this year there will be four areas of competition: elementary school science, junior high science, senior high science, and senior high physical science.

A rather extensive awards program will be presented again this year.

The fair will be conducted according to the following schedule:

March 16 (morning) ... registration and set-up of exhibits;

March 16 (afternoon) ... judging;

March 16 (evening) ... awards banquet for student participants and sponsors, sponsored by Southwestern Bell Telephone Company;

March 17 (9:00 a.m.-3:00 p.m.) Open to the public.

Participation in the fair is open to all area public or private school students, who are enrolled in grades five through 12. The area served by the Northwest Texas Science and Engineering

Fair includes these counties: Archer, Baylor, Clay, Foard, Hardeman, Jack, Knox, Montague, Wichita, Wilbarger, and Young.

Any questions concerning the fair should be referred to Jerry Whitt, Science Fair Director, Vernon Regional Junior College, Vernon, Texas 76384. He can be reached by telephone at 817-552-6291, ext. 60.

Area teachers are encouraged to bring classes to visit the science exhibits during the hours of 9 a.m. and 3 p.m. on Thursday.

### Native Americans program subject

"Reaching Native Americans" was the subject of the program for Night Baptist Women of First Baptist Church at the Monday meeting. Mrs. Lee Smith was hostess.

Mrs. C.L. McKinnon was program director. Assisting her were Mmes. Wm. Nunn, E.T. Patterson, S.B. Reaves, W.F. Booher, V.L. Woodfin and Homer Blalock.

The topical discussions pictured different responses the missionaries have in working with the 800,000 in the U.S.

Mrs. Bill Curry was in charge of the missionary birthday calendar.

Miss Helen Reed conducted the business. Mrs. Guy Morgan was welcomed as a new member.

Others present were Miss Doria Smith; Mmes. J.A. Berg, J.C. Roby, D.O. James and Roy B. Smith.

# Speakers recall trips to Russia

Although Mrs. S.B. Reaves and Mrs. R.A. Tanner visited Russia on separate tours, both were deeply impressed that the doctrines, tactics and practice founded upon Marxism, and established and modified by Lenin, control the U.S.S.R.; and that Lenin is worshipped and is the "George Washington of the U.S." to the Russian people.

gram for the 23 Study Club Thursday afternoon on "Our Personal Impressions of Russia." The group met at Mrs. Tanner's in a room set aside especially for display of memorabilia she has collected on her extensive tours and showing of slides of places where she has visited.

Mrs. James A. Sewell and Mrs. D.O. James were hostesses.

"In trying to give my

personal impression of the U.S.S.R., I feel much like Churchill who described the country as "a riddle within a mystery" Mrs. Reaves said to introduce the program. She also expressed appreciation of Will Rogers dilemma who said, "trying to tell what Russia is like is like trying to tell the difference between a conservative Democrat and a progressive Republican."

Both women noted that

Intourist, a bureaucracy, took care of everything for the tourists, who were not allowed to take any reading material into Russia, neither could they take out more money than they had when they entered. They were allowed to give chewing gum, ballpoint pens and hose to the people.

The longtime teachers stated that the education system of Russia was good but it was quite evident that Marxism and Leninism were the required subjects. The status of women is different there because they all work and work alongside the men doing heavy road work, driving street cars, buses, etc. Every Russian is required to carry an internal passport at all times.

During the program, it was brought out that more and more the Russians are living in flats which are furnished with the bare necessities, but that people who live on competitive farms do live in small houses with very attractive windows. Most people ride the subways since cars are not as easy to come by in Russia as they are in the U.S. In fact, it takes five years for one to be able to get a car.

One of the vivid impressions that both of the program participants have

of their trips is that Russia is going all out, to the tune of \$300,000,000 to make ready for the 1980 Olympics. They were saddened to see that the beautiful and imposing cathedrals were gradually being changed into museums.

The beauty of the landscape and awe-inspiring cathedrals, palaces, government and historical edifices will long be cherished as pleasant memories. Much of this was reflected in slides shown by Mrs. Tanner to conclude the program.

Mrs. Homer Blalock was program leader for the afternoon. Mrs. T.M. Thaxton contributed the meditation based on the 23rd Psalm and gave each member a bookmark containing the scripture.

Mrs. Joe Singer directed the business when Mrs. Kenneth Flowers was welcomed as a new member of the club.

Plans were discussed for the Guest Day luncheon March 2, and it was voted to assist with the Santa Rosa District fall workshop.

Mrs. T.M. Clark gave the federation counselor's report.

Other members attending were Miss Titia Belle Blanks; Mmes. L.E. Brooks, Earle Denny, Earl Watson, Erwin Soell, Fred Widmoyer, Chauncey Weiler, Rollins Woodall, Sam Hill, C.L. Metz, C.E. Birk, Travis Smith, W.G. Steele, and C.A. Hicks.

## Mrs. Jagers hosts WMU meeting

Fifteen attended the Faith Baptist Night W.M.U. meeting Monday in the home of Mrs. Donald Jagers.

Mrs. Don O'Donnell led the program on "Reaching the Native American Indians" which featured a panel

discussion by six members. Mrs. Norman Hodges gave the birthday calendar for February.

# Cook of the Week

Many housewives, like Sue (Mrs. James) Owens include cooking as one of their most pleasurable hobbies. Why? Perhaps one reason is that lots of effort go into perfecting a recipe and the finished product is a delectable dish that impresses both family and friends.

Like other hobbies, cooking affords opportunities for reliance on ingenuity and body of wisdom passed on from generation to generation and from neighbor to neighbor.

Cookies and cakes allow both variety and use of imagination. They can be made from scratch or from convenient mixes with addition of nuts, whole grains, fruit pieces, candy or spices to turn out tantalizing desserts or snacks. Mrs. Owens shares her Sour Cream Cake (her husband's favorite) and Cowboy Cookies recipes with the Leader readers this week.

The former Sue Franklin, she was graduated from Wichita Falls High School. She worked for 10 years in life insurance, fire and casualty but for the past two years she has enjoyed being a housewife and mother. Her husband, son of Mr. and Mrs. W.M. Owens, is employed by Owens Oil Co. and they have one daughter, Jamie, nine years of age.

A member of First United Methodist Church, Mrs. Owens is presently serving on the administrative board and as treasurer of United Methodist Women. She is a member of Methodist Bible Study, teacher of three-year olds in Sunday School and an associate member of Spares and Pairs SS class.

A member of Beta Sigma Phi, she has served as president, recording and corresponding secretary and is presently telephone chairman of Alpha Epsilon

Omicron chapter. She was selected to appear in the 1971 edition of Outstanding Young Women of America, the chapter's "Girl of the Year" in 1972 and "Spirit of Christmas" in 1973.

Sue's other hobbies include gardening, bowling and tennis. She is a member of the Bowling League in Wichita Falls.

Pour half of batter into bundt pan; next add mixed center ingredients, top with remaining batter. Bake 50-60 minutes at 350°.

EDDIE CANNEDY

## Club honors Cannedy

Eddie Cannedy, son of Mr. and Mrs. Harland Cannedy, has been selected the outstanding student of the month in business by the Opti-Mrs. Club.

He was chosen senior class favorite and has been active in sports during his high school days. He played football and was named All-District on second team. He has played basketball three years. He was a member of the Fellowship of Christian Athletes one year. Eddie enjoys watching all sports, hunting and fishing. He attends First Assembly of God Church in Wichita Falls. He plans to attend Midwestern State University after graduation from high school.

## Dad-Daughter event slated

Mrs. William Proctor from the Camp Fire Girls office in Wichita Falls met with the Iowa Park Camp Fire Leaders Organization Thursday at Texas Electric Reddy Room. She discussed the Council dinner which will be held at First Presbyterian Church in Wichita Falls March 16.

The leaders made plans for the annual Dad-Daughter banquet scheduled for April 1 at Valley View Elementary School. The theme will be "American Cultures". Committees were appointed

for decorations, program, drinks and dessert.

During the meeting, candy for the annual candy sale was delivered to the leaders for distribution this week.

The next meeting of the group will be March 2 at 10 a.m.

Those present were Mmes. Don Moser, Don Wilson, Carl Hamlin, Phillip Crawford, James Garrett, Ronnie Cravens, Max Solomon and Tim Kaspar.

## It's the kids that count

## THINGS YOU SHOULD KNOW TO HELP YOUR CHILD

**For parents of 2 to 5 year olds**  
When parents read to pre-schoolers, it makes it easier for the youngsters to read later. Obtain books and read to your child often. Introduce your child to the library early.

**For parents of 6 to 10 year olds**  
You can enhance your child's interest during early school years. Include your child in activities, such as museums, trips, plays, the zoo.

**For parents of 11 to 14 year olds**  
Junior High School students want to know the "why" of what they're learning. Encourage family discussions and explore the facts.

**For parents of 15 to 17 year olds**  
Teenagers often worry about their life plans and occupations. Discuss decisions openly with your teenager. Talk to teachers and counselors to find out how you can help your child make important choices.

Teachers care about kids. Help them. Get involved in your school.

# Letters to the Editor

Dear Mr. President:

Before I put the touch on you, let me pat you on the back a little. I understand politicians like back patting like hogs like back scratching.

First, let me say that I back you one-hundred percent on giving the Panama Canal away. I thought it was exceptionally smart when we agreed to pay them to take it. Good move. I understand Russia wants us to give them Alaska back, with pay, of course. Also, let me say how much I agree with your stand on the American Farm Strike. Why, the nerve of those dumb-ass farmers wanting parity. The next thing you know, they will be wanting a profit, and we both know the middle-men would never stand still for that.

You see, I use to be a farmer. I went broke and had to sell out. Oh no!! I'm not blaming anybody for my plight: it was just that my Government told me to plant from fence to fence, and raise all the food I possibly could. Well, I did. I mean I really did. I borrowed \$30,000 and went ape. I could just visualize Uncle Sam pointing his finger at me and saying, "I need you" (I never noticed which finger he had pointing at me, tho). Well, about that time, diesel fuel went from 14c to 47c, propane from 11c to 36c, baling wire from \$7.00 to \$30.00, and so on. Think that bothered me? Nope, not me. My glorious leaders in Washington told me to raise everything I could - that my product was in high demand all over the world; that they would take care of me. Boy, they weren't kidding - they sure took care of me. Just about harvest time an embargo was placed on grain exports; beef imports were laid wide open; and the whole bottom dropped out of the market. However, I'm lucky. What took me seven years to build up, only took one to lose. Why, I know some farmers that's been going broke for years. Of course, most of these yo-yo's have spent a life-time building up their farms and I guess they hate to turn them loose. So, you see, I understand what the American Farm Strike is all about and I'm with you. The Government has already done it's part by putting the farmer in this situation and it's only fair to let the farmer do their part, and get themselves out. Right?

Now for the touch. You see, Jim (you can call me Bill), I need a job. I figure since you have the best collection of idiots in the country running Washington, I am highly qualified for a good position there. What's my qualifications!!!!? Why, I just got through explaining to you. I was a farmer and listened to the Government. That makes me stupid enough for a top position, doesn't it. Since all the good jobs are already taken, I have dreamed up one of my own (now that's initiative, ain't it). As you are well aware, regulatory agencies have almost taken complete control of this country, which is good. However, these dummies need to be supervised and controlled by one head dummy. I propose you introduce a bill into Congress to form another agency to ride herd over all the others. We'll call it the United Kingdom of Regulatory Agencies (UKRA); and then you can appoint me as the head of UKRA. Of course, I think I should have a better title, say like "Der Fuhrer". That has a nice ring to it. Don't worry about it getting through Congress. We can simply find someone's closet and rattle a few skeletons - they'll jump on that like a hound on a piece of sow belly. Then, during all their investigations and hearings, we'll slip in our bill and they'll never realize they passed it.

If I get this job, I pledge to take immediate and absolute control over every aspect of every life in this country. As Der Fuhrer of UKRA, nobody will ever have to think for himself again. My troops will take control of all industry and all business interests; and, just as a personal favor to you, I'll do away with this stupid farm strike. I'll simply do away with the farmers and their farms. After all, who really needs farms. We both know that over 99% of the people buy their food from supermarkets and not farms. As I do away with the farms, I'll establish more supermarkets. That'll fix those stupid farmers.

Oh, no sir - I would never forget about our politicians. I have plans for them too. You see, there would be no need for any further elections. The current politicians would simply be given a life-time bus pass to travel all over the country and make speeches (with the secretary of their choice, of course). With all that speech making and the beautiful secretaries, they wouldn't have time to bother me and

my Kingdom. You, of course Sir, would be given special consideration. I know how much you like to give things away; Panama Canal, foreign aid to everybody, Communist countries and all; so, you will be given a brand new Santa suit and a sack full of goodies and sent around the world giving out gifts. You won't even have to worry about re-election, there won't be any more.

So you see, Mr. "P", with my appointment, I will save the Government billions and the people will never have to think for themselves again. Sincerely, H.L. Abernathy

Dear Mr. Hamilton:

I just wanted to write to say a public thank-you to all of those people who were responsible for arranging the invitations for former Iowa Park basketball players to the first annual Hawk Leadership Day. I know they went to a lot of trouble to obtain addresses, etc.

I also wish to express a hearty congratulations to the coaches and players of both varsity basketball teams for outstanding seasons. Win or lose from here on out, I am very happy that many more people in Iowa Park have come to the long-overdue realization that there is more than one sport in town, my only regret being that I was not able to attend more games.

I wish both teams all the success in the district playoffs (and beyond!). Sincerely, Randy Keck

To The Editor:

The treatment of the head coach and athletic director of the local high school should give our citizenry pause for thought. Frankly, I think he is being treated unfairly.

Now, it's easy to shrug it off by saying if a coach doesn't win, get someone who can. That's the way it is in professional and college sports. But there is a significant difference between those men and the lot of the high school coach. Whereas the pro and college coach recognize that their year around job is to either play or to recruit for next year's team, the high school coach must use whatever

# As I See It....

By BOB HAMILTON

Well, now that we've had some real winter weather, I'm ready for it to end, spring to begin, and the heat of summer to return.

Winter, to me, is kinda like picking up a real hot piece of metal. It doesn't take me long to get all of it I want.

Sitting here with cold feet, sniffing nose, and knowing full well that the ground outside is covered with frozen snow, it is hard to believe that the annual Hawk Relays track meet is only two weeks off.

Weather, I'm convinced, is made to gripe about. We really shouldn't complain about what we've had the past few days, however. Especially when we read about all the trouble

talent the town sends to him. And for the past few years the school has apparently not been blessed with superior football talent.

What is the job of the athletic director? Is it to win athletic contests, or is it to teach our young people how to live with the struggles of life, good and bad? What do we want our young people to learn from their coaches?

And what do we want our young people to learn from us? If we allow the coach to be dismissed, then we have effectively told our kids that he was to blame for the results of the season. Don't we really know better than that?

I want the coach to teach my boys that if they have done their dead-end best and been honorable, but still got beat, then they have nothing to be ashamed of. Hopefully the Board of Trustees will make Pat Tone the same offer.

Christy McKinzie

folks up in the mid-west and northeast are having!

And I sure wouldn't want to live in an area where the temperature hardly ever varies more than a few degrees. That would be boring, for sure.

If weren't for the weather, coffee breaks wouldn't be nearly so much fun and interesting. You can sit down over a hot cup of coffee with friends and hear stories that stagger the

imagination!

It's a lot of fun to make a mental note of who gripes about the cold of winter, or the heat of summer, and remind them of what they said when the reverse takes place and they gripe again.

I think the politicians had weather in mind when they dreamed up the idea of taxes: no matter how bad it gets and how much we complain, we still can't do anything about it.

## Johnson facing sentence

H.C. Johnson of Iowa Park, who in December was convicted on eight counts of issuing false grain warehouse receipts, is scheduled to be sentenced at 1 p.m. Monday.

The sentence is to be read in the federal courtroom in Wichita Falls by U.S. Judge Robert Hill.

Johnson, brother of missing Iowa Park grain dealer Bobby Johnson who also is under federal indictment, faces a possible \$5,000 fine on each

count and a possible prison term of five years on each count.

The maximum penalty Johnson could draw would be 40 years in prison and a \$40,000 fine, Judge Hill said.

In December Johnson was found guilty on eight counts of issuing false grain warehouse receipts, but the jury which deliberated nine hours in reaching its decision found him innocent on 18 other counts.

## Hawk Relays dates set

The annual Hawk Relays are to be held Friday and Saturday February 24-25. There will be 30 teams competing in three different divisions. Eight will be in the Hawks division.

Teams in the Hawk division include: Mineral Wells, Vernon, Graham,

Burkburnett, Ardmore, Ada, Lawton McArthur, and Iowa Park.

Coach Billingsley is planning to set up a dual meet with Rider on February 17. The Hawks are looking forward to a successful track season which will end with the District track meet held at Vernon on April 22.

## Organizations, officers, members recognized at Hawk Leadership Day

Last Friday, February 3, the first Hawk Leadership Day was held at 1:00 in the High School Auditorium. The purpose of Hawk Leadership Day is to recognize the different organizations of Iowa Park High School, their officers, and their members. This activity was sponsored by the Iowa Park Student Council.

Anthony York, President of the Student Council, began the program by discussing the purposes and functions of the Student Council. He also introduced the officers and representatives from each class.

Jeff Taylor announced the members and officers of the National Honor Society and listed the requirements that must be met by each member in order to belong. He pointed out that the members were chosen according to grades, attitude, and leadership and did not volunteer to belong to the club. Jeff is the current N.H.S. President.

Officers of the Future Teachers of America were named by President Billy Ray. He also told the student body about the projects and purposes of F.T.A. The members of this club hope to become teachers someday.

Jim Dooley introduced the officers of the senior class. He reported that the senior class is looking forward to a fantastic senior prom.

In order for the audience to understand the nature of the Fellowship of Christian Athletes, President Jeff Taylor defined the words Fellowship, Christian, and Athletes. After the officers were announced, the F.C.A. members showed their

support of their club with a spirited yell.

Norman Flowers discussed A Cappella Choir and Tempos. He listed the officers and section leaders of both organizations. Coy Lee then showed his support of choir with his own spur of the moment yell.

Iowa Park Band President, Lee Gwinn, informed the audience of the goals and functions of the band and the stage band. Officers were introduced. A special thank-you was given to Mr. Mooney for a lot of hard work.

Members of the Flag Corps were recognized by Dana Mikkelsen, captain of the Flag Corps. She told the history and purpose of this group.

After introducing the twirling line, Carrie Cole, feature twirler, told where the twirlers learn some of the routines that they perform at football games, pep rallies, and parades. Being a twirler is a great honor but requires a lot of practice and work.

Compiling the year-book is the purpose of the Annual Staff. Editors of this organization are Cindy Flannagan and Jeff Taylor.

Editor of the Hawk Squawk, Trish Roberts, introduced the reporters and staff artists. The journalism class writes a page for the Iowa Park Leader every other week.

Requirements for membership in the International Thespian Society were explained by Lydia Bushfield. She told how to support drama if you weren't involved in acting. According to Lydia, the best method would be to date an actress!

Tandra Wilkerson named

the officers of the Office Education Association and the goals and projects of the club.

Darla Daugherity informed the listeners of the officers of VICA Cosmetology. Upon completion of this course in school, a person should be able to pass the state board exam.

The goal of VICA Building Trades is to actually build a home. Terry Daniels presented the officers and told about the organization.

Officers and members of VICA Auto Body were recognized by Jerry Hatcher. The Auto Body has painted a bus which they want to enter in the state contest. They are confident that they will win because their's is the only bus entered! Everyone was invited and encouraged to look at the bus.

Sarah White, President of the Horticulture Club, told some of the projects of the

club. One of the projects is to give a flower which they have grown to the School Secretaries at Christmas as well as Valentine's Day. Officers were introduced.

Kathy Johnson and Teresa Siddle, Presidents of the F.H.A. Senior and F.H.A. Junior Chapters, respectively, spoke on the goal of the Future Homemakers of America which is to promote better breakfast. They announced officers for both of their chapters.

President of the F.F.A. Senior Chapter is Joe Stevens. He explained how everyone is involved in agriculture. He also told about the pride of the F.F.A. before introducing the Senior Officers. Kevin Davis, Junior F.F.A. President, announced the officers of the Junior Chapter of Future Farmers of America.

Promoting spirit and supporting the mighty Hawks is the goal of the

cheerleaders as pointed out by Suzanne Davis, head cheerleader. She announced the other cheerleaders and discussed the requirements of being a cheerleader.

Cheryl Hoffman introduced the officers and members of the pep squad. The pep squad supports the Hawks 100%.

Homecoming queen, Belinda Price, and her court, Wendy Baston, Linda Fredrick, and Suzanne Davis were recognized by Anthony York.

Bea Whitton and Suzanne Davis announced the accomplishments of the volleyball team as a whole as well as individual honors. They recognized the players and their coaches.

Randy Gibson spoke for the football team. He gave the year's record, and introduced the members who have received awards.

The girl's basketball team was represented by Sheryl

Thornton and Pennie Baker. They introduced the players and gave the team's record for this season.

Eddy Cannedy and Anthony York encouraged everyone to support the basketball teams. They predicted a district championship for the boy's basketball team.

Four ex-players were introduced by Mr. Dawson, school principal. Norman Flowers then announced the class favorites and had them go to the stage. Mr. and Miss Iowa Park was announced by Mr. Dawson. This year's Mr. IPHS was Anthony York and Miss IPHS went to Suzanne Davis.

The assembly was closed by the A Cappella Choir singing the school song.

The Hawk Leadership seemed to be a big success and the Student Council is hoping that this will become a tradition at Iowa Park High School.

## Hawk Band

David L. Mooney is the director of the Iowa Park Hawk Band and Mean Green Marching Band. Officers are Lee Gwinn - President, Norman Flowers - Treasurer, Cindy Flanagan - Vice-President, Darlene Mahler - Secretary, Kathy Johnson - Reporter, and Dana Mikkelsen - Parliamentarian. Drum Majors are Chris Lester and Darlene Mahler.

The Hawk Band performs in smaller groups such as

stage band, pep bands, etc. The band members participate as a whole in musical contests such as U.I.L. marching, concert, and sight-reading, as well as festivals such as the Cotton Bowl and Greater Southwest Music Festival in Amarillo. The band is currently raising money for the trip to Amarillo later this year. Individual band members audition for honor bands and compete for honors at U.I.L. solo and ensemble contests throughout the state.

The main purpose of the Hawk Band is to develop the musicianship of each of the students, then offer him opportunities to enjoy his talents and skills individually as well as a group. The band's motto is "Pride Makes the Difference!" Anyone who watches the band practice or perform can surely see the difference pride makes.

## New teacher

LaRue Slack, one of our new teachers at Iowa Park, she teaches girls P.E. and Health. Mrs. Slack was born in Wichita Falls and went to college at Midwestern. She has eleven years of teaching experience, although she says that they were not eleven straight years. She has two children, John and Shea Slack.

Mrs. Slack and her husband, Gowdy Slack, own a ranch in Savage, Montana. Mr. Slack spends six months a year up at the ranch in Montana, named the SX, taking care of it and Mrs. Slack spends the three summer months up at the

ranch. On the ranch they run cattle, and raise wheat, alfalfa, and train quarter horses for shows. They store their grain in the elevators that they own in the town.

Mrs. Slack's major goal in life is to win the World Championship Quarter Horse Show. Mrs. Slack also said that she has enjoyed very much teaching at Iowa Park High School.

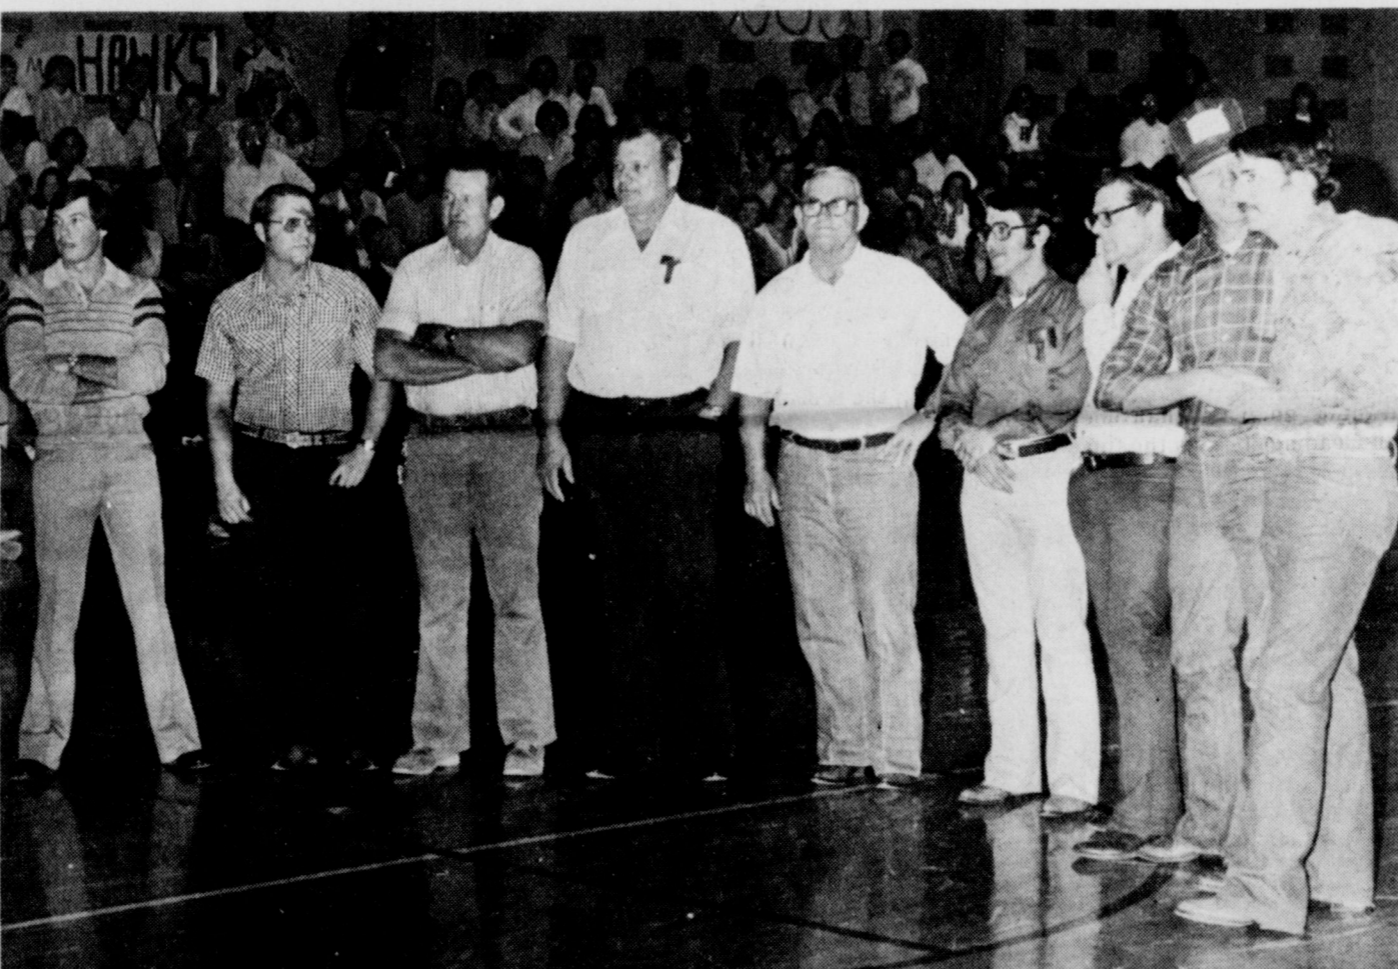

## 'RAC'

The Iowa Park Recreational Activities Center, which will be better known as the "Rac" will open its doors for regular business on February the 7th.

There will be a Grand Opening on February the 11th. The Grand Opening will consist of an open house starting at 2 p.m. until 5 p.m. - during this time all residents are invited to come and visit and see the Rac Center. Then starting at 7:30 until 11:30 there will be a Valentine Dance for all high school students and older. The dance will feature the live band "X-Ta-Cy" from Oklahoma and there will be no admission charge.

The Rac at this time has a ping-pong table, bumper pool, pin-ball machines, a juke box, a Pepsi-Cola machine, and they will be selling packaged snacks. Mr. Ken Kuckenbecker has been hired as the director of the Youth Center. Regular school rules apply for the Rac and no smoking or alcoholic beverages are allowed.

Everyone come and enjoy the Rac because it has been planned and organized for you.

**DUE RECOGNITION** - Hawk basketball players of past years were introduced Friday night at the first annual basketball homecoming. Twenty-one former players took

part. Pete May, fifth from right, was the oldest introduced. He played for IPHS 1933-35.

## THESPIANS

If you were at Sikes Senter February 3, you might have seen some creepy people walking around the mall. Friday night was the Thespian Informal Initiation. All the Thespian initiates were to dress up in a costume. The senior member Thespians took them to Sikes and the initiates were to go to six different stores and get the signature of someone that worked in the store. There was an assortment of costumes everywhere from cheerleaders to death and Indians to little girls. The party afterwards was held at Steve Anderson's house in Pleasant Valley Estates.

Now we would like to recognize the new officers

for 1978 and the initiates. The officers are: President, Darlene Mahler; Vice-President, Chris Lester; Treasurer, Steve Anderson; Parliamentarian, Lynne Wright; Historian, Lisa Shults; Reporter, Robin Lamb; Clerk, Lydia Bushfield.

The 1978 initiates are: Shelly Baker, Lisa Bartow, Cathy Costick, John Dooley, Cindy Flanagan, David Flowers, Debbie Forman, Susie Heidrich, Tracy Johnson, Rennie Kennitz, Carrie Mahler, Debbie McCreary, Kerry Nault, Vance Nault, Dwight Pool, Michael Sharp, Jeff Shaw, Margaret Virgin, Penny Walsmith, and Shelton Walsmith.

## EDITORIAL

### Time for a change

"Here's to our dear old school, Iowa Park High, Green and White banners waving to the sky, Hawks ever strong and true, praises to thee, we pledge our faithful love and loyalty". The Iowa Park High School Alma Mater. I wonder how many students even know the words. It wasn't long ago that students respected their school and were proud of it. Today this can be said only of a minority. Schools have lost their place in the hearts of students. They no longer seem to inspire and motivate student activities. Vandalism is a problem everywhere, especially our school, even though measures have been taken against it. Schools are almost dictatorial, with students no longer trusted whatsoever. It is time to stop this before it is too late. Teachers already spend too much time just trying to keep order in the classroom. No

one really knows what the cause for the current problems is. It might be leftovers of the social unrest of the '60's, or it might be the generation-gap between students and teachers, or just a general rebellion against the establishment. Whatever it is, it must be stopped before the disease becomes terminal to school as we know it. What is the cure for these seemingly unsurmountable problems? No one knows, but we must take the steps now to right the problem. It would be very nice if once again the students of Iowa Park High and the nation's schools in general could once again respect and be proud of their learning institutions paid for by the taxpayers.

"We pledge our faithful love and loyalty."

-JEFF SHAW

## FCA

The Fellowship of Christian Athletes is an organization where young men get together to have Christian fellowship.

FCA is open to anyone who wishes to join. The only requirement is a one dollar membership fee and joining is as simple as going to a meeting.

Present FCA members are President Jeff Taylor, Vice-President B.J. Farmer, Secretary Johnny Moore, Treasurer Mark Puder, and Parliamentarian Sid Waldrop. Other members in-

clude Paul Arrington, Mark Aulds, Chris Bowerman, Tom Jones, Steve McCord, Billy Ray, Mike Ray, Jim Rowell, Jerry Stucki, Keith Taylor, Brian Gibson, Norman Flowers, Thomas Johnson, and Terry Hines. FCA sponsors are Coach Billingsley and Coach Barrick.

The present plans for the FCA include the 2nd annual Ugliest Man Contest, a camp-out in the spring, and the FCA banquet. On February 9, a guest night will be held to try and get new members.

## Student Council

One very active club in Iowa Park High School is the Student Council, sponsored by Mrs. Meux. Officers of this highly respected club are Anthony York - President, Norman Flowers - Vice-President, Suzanne Davis - Secretary, Casey Maloney - Treasurer, and Randy Gibson - Parliamentarian.

The main purposes of this club are to bring about closer cooperation between the faculty and the representatives of the student body, to cooperate with the

administration in all problems concerning the school and the student body, and to promote in each individual of Iowa Park High School a desire for good citizenship based on democratic processes. Other purposes include to create and maintain school interest, school spirit, and loyalty, and to provide a forum for student expression.

Each year, the two big projects of the Student Council in Iowa Park High School are Homecoming and 50's Day. This year, a new project will be added. It is

Hawk Leadership Day, which the Student Council hopes will become traditional.

The Student Council determines most policies concerning student activity. The Student Handbook is published each year under the sponsorship of the Council. Freshman orientation is another fairly recent project of the Council.

The Iowa Park Student Council is a very fine organization which puts in many hours of planning and work for the school as well as the community.

## Athletes of the week

### Leora Copas

Leora plays the position of guard on the girls' varsity basketball team. She has played basketball for two years and has been a member of the varsity team for 1 year.

She also participates in softball and soccer and is the vice-president of the Pep Squad. Leora enjoys watching football (especially the Dallas Cowboys), basketball, water skiing, swimming, cooking, dancing, horseback riding and watching guys.

### Jimmy Rowell

Jimmy Rowell has lived in Iowa Park for six years, and he has been playing basketball for 11 years.

Jimmy has been on the varsity squad for four years, playing the position of post.

Jimmy has lived in Denton playing basketball and baseball and he has lived

in Wichita Falls playing little league baseball.

Some of his hobbies include tennis, fishing, playing pinball, and listening to music.

He is involved with the Fellowship of Christian Athletes, and plans on participating in baseball.

When asked if he plans to go to college, Rowell replied, "Yes, but as of now I am undecided upon which one." Rowell has received four

all-tournament awards, two honorable mentions at district, two rebounding awards, and set two school rebounding records.

# Hawks are zone champs

In laying claim to the North Zone championship of Dist. 4-AAA, the Hawks racked up 192 points in their final two games of the regular season schedule.

They defeated Burkburnett 96-77 here Friday and Vernon 86-56 there Tuesday to remain undefeated in zone play, and extend their season record to 25-4.

By winning, they will now host South Zone runner-up Brownwood here Tuesday,

and should they win that one, head into a shoot-out with Mineral Wells for the championship Feb. 17 at a neutral site.

As in their earlier meeting, Burkburnett's Bulldogs gave the Hawks all they wanted through the first half, but faded in the final 16 minutes of play.

After leading 22-19 at the end of the first quarter, the Hawks' Anthony York canned three unanswered field goals to extend the lead to 28-21 early in the second period, but Burk cut that to two points until York sank another shot with three seconds left on the halftime clock, giving the Hawks a 44-40 edge.

The Hawks took command in the third period, out-scoring their visitors 22-10, and

then broke the game wide open early in the fourth.

Three Hawk starters, Doug Rogers, Jim Dooley and York, fouled out during a one-minute period early in the final quarter, as the Mean Green was charged with 35 personal fouls during the game. Burk's Jose Thomas and Kevin Schroeder also fouled out, with the Bulldogs being charged with 25 fouls.

The Hawks out-scored Burkburnett from the floor, with 35 field goals to 23.

Jimmy Rowell led Hawk scoring with 24, York had 22, Rogers 16 and Jim Richardson 10.

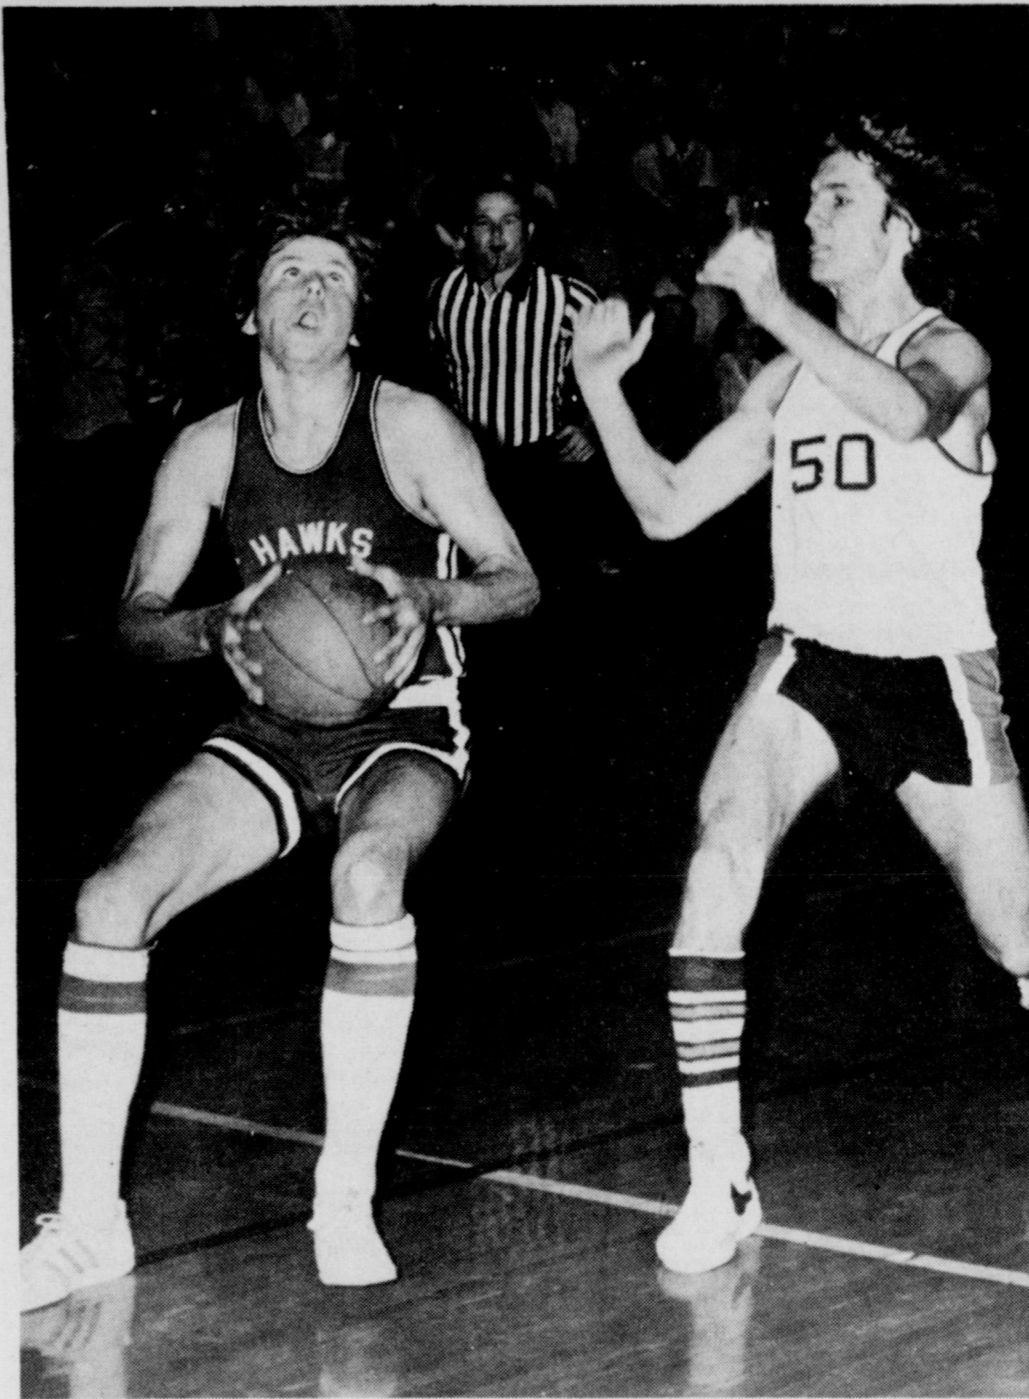

### FINAL GAME

Iowa Park started out extremely cold at Vernon, down by five points before they even scored, and trailing 11-16 when the first official rest period sounded.

But the Hawks ate away at the lead in the second stanza, taking over the lead with 6:11 remaining, 17-16, and never looked back after that.

They were ahead 33-28 at halftime, outscored the Lions 23-11 in the third period, and then 30-17 in the final eight minutes. Coach Keith Barrick emptied his bench with 2:30 remaining, leading 75-50.

Dooley broke a scoring slump he had been suffering for several games, to rack up 14 points. Most of them came on fast breaks. Equaling him were Rogers and York, while Rowell canned 10.

## IPTA meet is Monday

Iowa Park Tennis Association will hold its monthly meeting at 7:30 p.m. Monday at Texas Electric Reddy Room.

Members are reminded of the membership drive currently underway and scheduled for completion March 13 at which time gift certificates will be awarded to the top three members who sign up the most new members, according to Phil Corless.

IPTA tournament scheduled for Feb. 17-19 for junior high players is filling fast and 100 players are expected to participate, Corless said.

Anyone interested in joining IPTA may contact Ray Featherston, 592-4958; Pansy Bowerman, 592-5726; or Corless, 592-2016.

Members interested in purchasing IPTA tee shirts should contact Featherston.

## Wild hog dates set

A special feral (wild) hog season has been scheduled by the Texas Parks and Wildlife Department in the Engling Wildlife Management Area, according to Ted Clark, director of wildlife.

The season will be three days a week for four consecutive weeks. The dates are Feb. 10, 11, 12, 17, 18, 19, 24, 25, 26 and March 3, 4, and 5.

Clark said 50 hunters per day will be allowed on the management area on a first come, first serve basis.

# Hawkettes upset Vernon for second place in Zone

Iowa Park's determined young Hawkettes pulled the upset of the year Tuesday evening by handing the Lady Lions of Vernon their second defeat of the entire season, 51-46, at Vernon.

That big victory, coupled with a smashing 57-32 win here Friday against Burkburnett, earned for them sole ownership of North Zone runner-up, and a ticket into the District playoffs.

Victory is always sweet for a team dominated by underclassmen, but those two last wins were especially significant when the Hawkettes had lost 27-41 to Burk and 37-53 to Vernon in earlier meetings.

Had the team lost to Vernon, and Burkburnett beaten winless Graham, the Hawkettes would have been forced into a playoff with Burk for the second place in the North Zone.

Jo Ann McClurg led the scoring onslaught against Burkburnett, scoring 37 points for a season high to the delight of the largest home crowd of the year. Fifteen of them were on free throws.

There was a total of 60

personal fouls called in the game.

The Hawkettes quickly took command of the game, with the forwards scoring easily and the guards holding the visitors to their first field goal until the last 52 seconds of the first quarter, which ended 22-5.

By halftime, Iowa Park led 33-13, and when McClurg and Jill Watts were taken off the floor to watch the final 2:14 of the game, they led 54-26. The entire bench

was action.

### DEFEAT VERNON

The Hawkettes stayed in the thick of Tuesday's game, evening the score at 11-11 at the end of the first period, trailing 20-21 at halftime, and leading 36-34 as the final period started.

After starting guard Sheryl Thornton fouled out and Vernon leading 42-36, the Lady Lions went into a stall with 5:02 remaining in the game. But the Hawk-

ettes didn't roll over and die. Senior forward Wendy Baston made the first of three key steals and scored, narrowing the score to 40-42 with just under four minutes remaining on the scoreboard clock.

Then guard Frances Sampley fouled out, and soon after, with 3:06 remaining, Vernon took a 45-40 lead.

Baston then sank a shot, was fouled, making a three-point play. And after

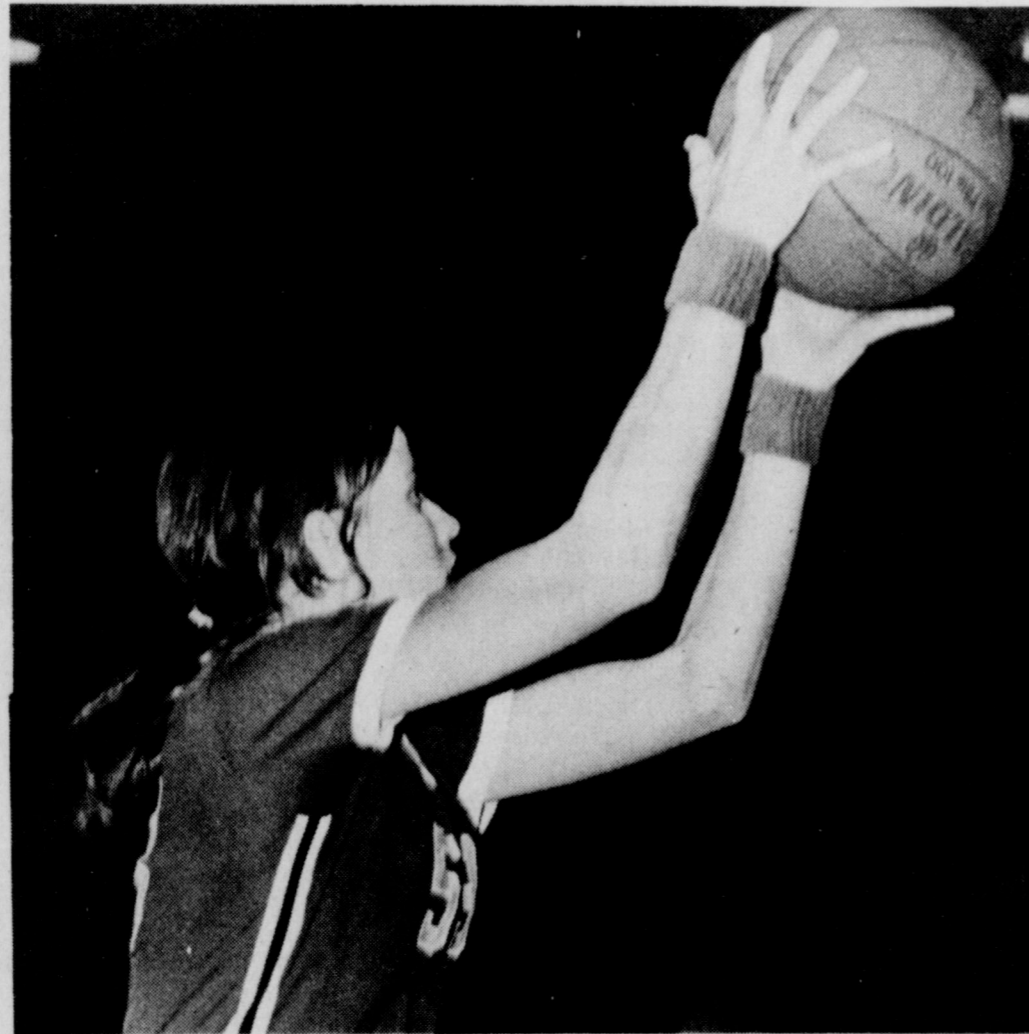

Watts tied the score at 45-45, Baston made another steal.

McCord hit a jump shot that put the Hawkettes ahead, 47-46, with 57 seconds left to go. Watts sank a pair of free throws with 36 seconds remaining, 49-46, and after Baston made her third steal and fed the ball to McCord, the freshman forward was fouled and she put the score at 51-46 on her two charity tosses.

Vernon missed three consecutive shots as the final buzzer sounded, and

the Iowa Park team and fans went wild.

McCord wound up with 23 points and Watts had 19.

WENDY BASTON GOES HIGH FOR BALL ...Senior forward made three key steals at Vernon.

## One deer too many

Killing a deer after the season closed resulted in more than a game violation for a Palo Pinto resident.

While enroute from Austin to his headquarters, Texas Parks and Wildlife Department game warden Butch Shoop of Wichita Falls investigated a parked car on State Hwy. 16.

Shoop, recently transferred from Palo Pinto, recognized the lone occupant as being wanted by the county for revocation of probation warrants. Shoop searched the car and found a freshly fired gun. Upon further investigation of the surrounding area Shoop saw the brother of the first suspect field dressing a doe. The second man ran when he was discovered.

Shoop subsequently took the first subject to the county jail and warrants have been issued for his brother.

A total fine of \$900 could be assessed for the deer hunting violation alone, according to Shoop.

Regular deer season in the Possum Kingdom area began Nov. 13 and continued through Jan. 2.

## School, city meetings scheduled

Regular meetings are scheduled next week for the Holliday school board and city council.

The school board is slated to convene at 7:30 p.m. Monday in the teacher's lounge of the old building. Included on the board's agenda will be consideration of contracts for the athletic

director and coaching staff.

Louis Hodge, tax assessor/collector, is scheduled to meet with trustees to discuss personal tax on automobiles.

Paving project is due discussion along with amendments to the budget.

The board also is slated to call the regular school

trustee election for April 1. The posts of Royce Coats and Lonnie Brackeen, board president, will be up for consideration.

### CITY COUNCIL

A long list of routine matters is expected to fill the city council's agenda when aldermen meet at 7 p.m. Tuesday

# Weather blamed for accidents

Icy road conditions were blamed on accidents Tuesday afternoon that sent two persons to hospitals and caused numerous minor mishaps in and around Holliday.

David Perry of Kamay was treated and released from Wichita General Hospital when the large oil field truck he was driving flipped over about a mile north of Holliday on FM368, commonly known as the Iowa Park Highway.

Witnesses said the pulling machine Perry was driving was northbound when it neared the first curve west out of Holliday.

A pickup truck already had failed to negotiate the same curve and was setting unoccupied in a bar ditch on the north side of the curve.

A witness said it appeared Perry overreacted when he saw the pickup truck in the ditch.

It appeared Perry hit the brakes to the large oil field

truck which sent the truck into a spin. The truck spun around and turned over in the southbound bar ditch.

Two huge cranes belonging to Barbour Trucking of Iowa Park were dispatched to the scene to upright the pulling machine which was owned by Johnny Birdwell Well Service of Kamay.

The other mishap that caused injuries involved a

Holliday school bus and automobile.

The mishap occurred about 3:30 p.m. Tuesday just west of the intersection of FM2650 and FM1954.

G.E. Jarvis was driver of the bus, and driver of the automobile was Stephen Ray Bowerman, according to Department of Public Safety

investigators.

Highway patrol investigators said the bus apparently had stopped to unload some students and Bowerman was unable to stop from ramming into the rear of the bus.

Rhonda Winkler, 15, one of the students on the bus was treated and released

from Wichita General Hospital.

Tuesday's ice and snow storm prompted the closing of Holliday schools yesterday.

The basketball games between Holliday and Archer City also were postponed from Tuesday night to 7 p.m. Saturday in Eagle Fieldhouse.

## Varsity slates games

Holliday's varsity basketball teams have scheduled back-to-back double-headers with a road trip set for tomorrow night to Muenster and a home meeting Saturday night with Archer City.

The 7 p.m. Saturday contests in Eagle Fieldhouse were the result of postponing Tuesday's regularly scheduled Holliday-AC because of icy road conditions earlier in the week.

During Saturday night's rematch with the Wildcats, Holliday will be trying to knock AC's teams off their unblemished thrones. Archer City's boys and girls took the first half of district with 5-0 records and are two wins each into the second half of the loop season.

At their first meeting of the year AC downed the lady Eagles 83-48 and upended the Eagles 61-52.

But before they take on the county seaters, Holliday must venture to Muenster Friday night for a rematch with the Hornets.

Regular season play is scheduled to conclude next Tuesday when Holliday travels to Callisburg for the double-header beginning at 7 p.m.

Last week Holliday opened the second half of district play with a girls 52-49 win over Lindsay, and a 49-37 loss to the Holliday guys.

Both of Holliday's varsity units met misfortune in their second outing of the second half.

Petrolia squeaked past Holliday's girls 56-55, and the Pirates robbed the Eagles 72-55.

Both of Holliday's varsity teams are 3-4 on the season. For the second half of district play the girls are 1-1, and the boys are 0-2.

## Obituaries

### Dr. Lowell Spruiell

Dr. Lowell Spruiell, 61, a retired veterinarian and former resident of Iowa Park, died Friday at his residence in Alto, N.M., near Ruidoso.

Services were Monday afternoon at Tanner-Aulds Funeral Home with the Rev. Jim Connatser, pastor of First United Methodist Church, officiating. Burial was in Highland Cemetery.

Dr. Spruiell, who was reared in the Iowa Park area, was graduated from Iowa Park High School. He was born Feb. 4, 1916 in Eldorado and moved with his parents to Wichita County in 1922.

After earning his doctor of veterinary medicine degree from Texas A&M University in 1949, he worked with the Bureau of Animal Husbandry in Mexico City on the control of hoof and mouth disease in Mexico. He had also practiced veterinary medicine in Iowa Park.

A veteran of World War II, his service included combat duty with the U.S. Army infantry in the European Theater and he was discharged as a captain in 1949. Before entering military service, he earned his bachelor's in agricultural education from Texas A&M in 1940.

He served as a veterinarian for the U.S. Border Patrol in Laredo 25 years before retiring and moving to New Mexico three years ago.

Survivors include his wife, Mary Katherine; two sons, Dr. John of Laredo and Jerry of Brownsville; two daughters, Mrs. Kay Lynn Ellis of Austin and Mrs. Sue Williams of Arlington; his father, Will Spruiell of Iowa Park; two brothers, Euell of Petrolia and Durward of Van; and nine grandchildren.

### Mrs. Inez Cannedy

Services for Mrs. Nina Inez Cannedy, 78, who died Thursday, were Saturday afternoon at First United Methodist Church with the Rev. Jim Connatser, pastor, officiating. Graveside services and burial were Sunday afternoon at Lee Cemetery in Greenville under direction of Tanner-Aulds Funeral Home.

A resident of Iowa Park since 1960, Mrs. Cannedy was born May 7, 1899 in Montgomery, Ala. She was a Methodist.

Survivors include one son, Gerald of Cushing, Okla.; a brother, Gattis Rich of Mount Vernon; three grandchildren and two great-grandchildren.

For each degree above 68° the energy used for heating your house is increased by approximately 4% per degree. As shown by the chart the difference between the recommended thermostat setting and 74° is 24%. At 78° the increase in energy usage is 40% or more. Clearly, the lower you set your thermostat the lower your heating bill is going to be. And after last winter, one of the coldest on record, we think a lot of people are going to be trying their best to use less energy. Remember to change the filter in your heating system regularly, too. A dirty filter causes your heating system to work longer and that costs you more. Check the filter at least once each month. All forms of energy are costing more these days. If you're serious about saving energy and money, request a copy of our energy efficiency tips booklet on the comment portion of your electric service bill."

### On The Business Beat

Mrs. Edna Lemond, an employee of Verna's Apparel for 15 years, retired Feb. 1.  
 Mrs. Reid, owner of the shop honored her at dinner at The Pelican in Wichita Falls that evening and presented her with a lovely message.  
 Shamburger Building Centers recently purchased Holder Lumber here in Iowa Park. Work is underway to expand the main sales building before formal opening of the business is held. Joe Capron is the manager.

Bert Williamson began

work this week at State National Bank. He has been working for Wilson Office Supply in Wichita Falls, as a salesman.

Thursday night auctions will be held at 101 E. Cash starting this week. The business is owned by Harlan Vance of Burkburnett.

Terry Ratcliff has begun operating a service station in Holiday. He and his father, John, were owners of Downtown Fina in Iowa Park, which was burned in the big grassfire last month.
